

JS Executive Raabta Current Account

Mobile Package powered by 

JS Bank has negotiated a high-end mobile package with  , offering unprecedented value to our customers. As long as customers maintain a monthly average balance of PKR 75,000, Telenor will provide the following amazing benefits absolutely free:

Telecommunication Packages

- 200 minutes to any Telenor numbers
- 200 MB 4G Internet Data plus 200 MB 4G Social Media Data (covering Whatsapp, Facebook and Twitter needs)
- 200 SMS messages per month
- Option to Top-up , postpaid internet, social, SMS and calling bundles available. Any usage other than the defined package will be charged from customer's JS Business Raabta current account as follows:
 - Extra Telenor to Telenor minutes charged at Re. 1.4 per minute + tax
 - Extra minutes to any other network charged at Re. 1.5 per minute + tax
 - Extra SMS messages to be charged at Re. 1 per SMS + tax
 - Extra data to be charged at Re. 1.03 per MB + tax

If customer's average balance is not maintained, customer's monthly telecom bill will be charged directly to their JS Executive Raabta Current Account. Any amount over and above the monthly defined telecom package will be charged to the customer's JS Executive Raabta Current Account regardless of the average balance maintenance requirement.
