Corporate Values

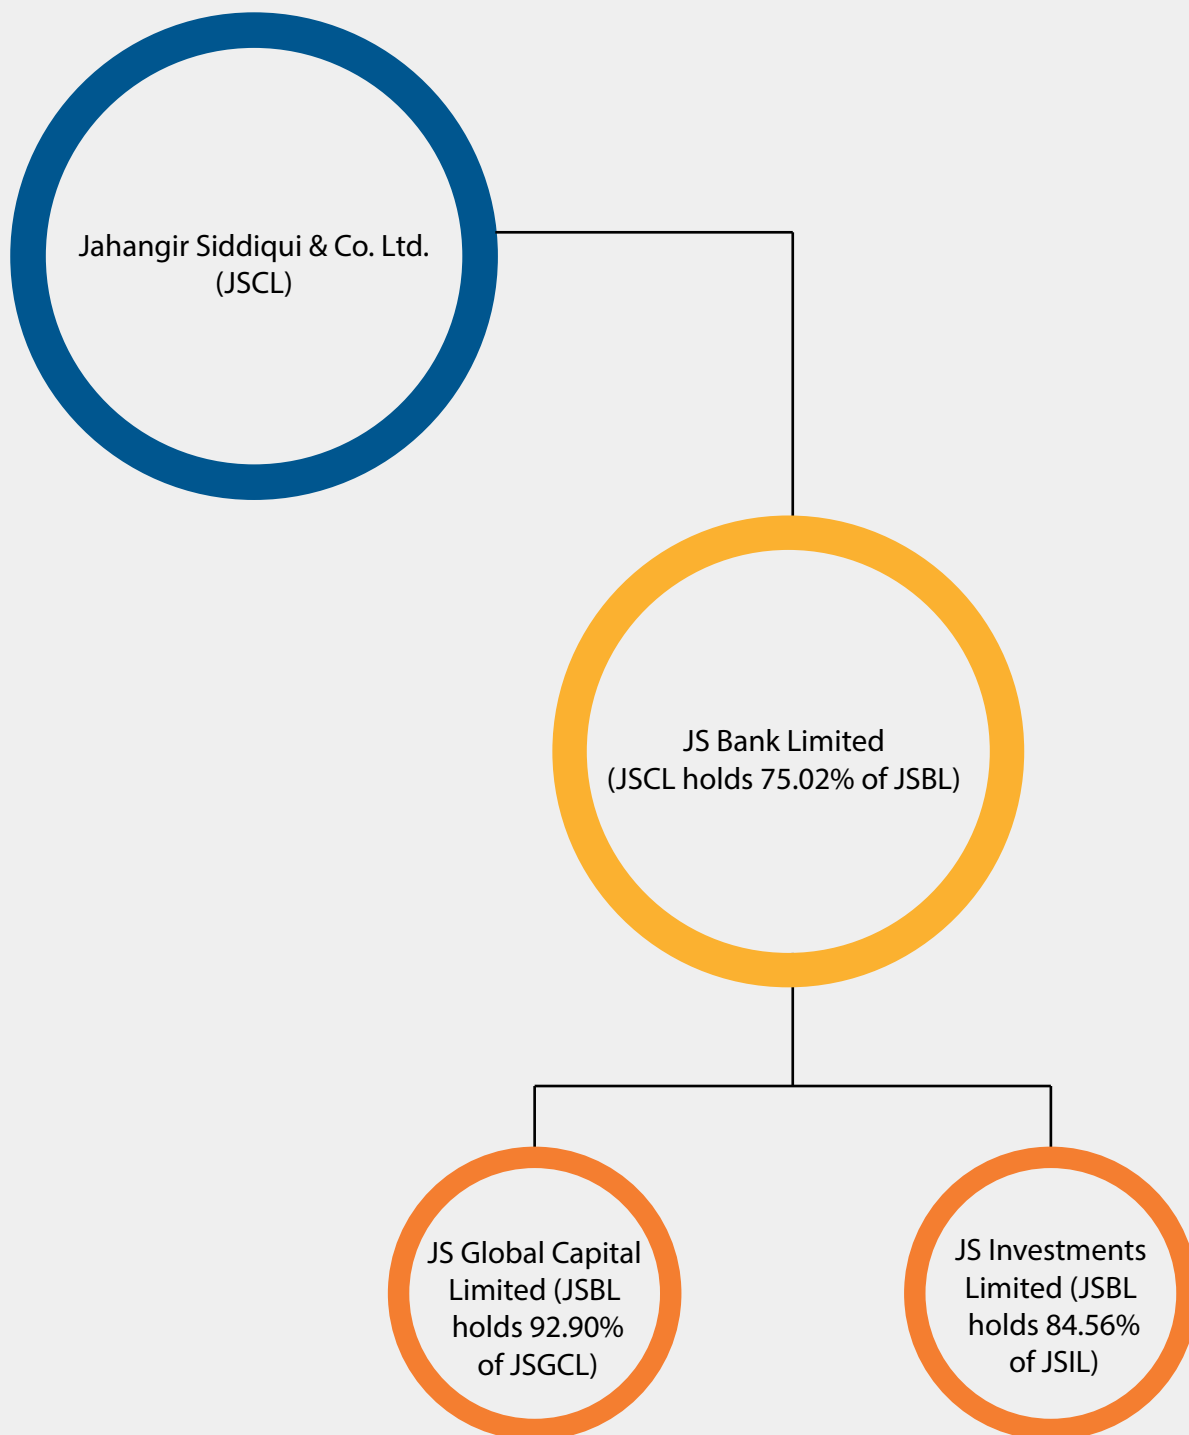

Code of Conduct

JS Bank's Code of Conduct is designed to guide the personal business ethics of its employees and does not tolerate any conduct which might be considered detrimental to the Bank and its reputation.

The Bank considers honesty and integrity as cornerstones of ethical behaviour for lasting business relationships. The Bank aims to deliver products and services in a fair, transparent and ethical manner. Our Code of Conduct emphasises upholding ethical standards across all business dealings and relationships. The Bank aims to be transparent in all its dealings and enhance customer banking knowledge and inform them about banking services in a wholistic manner.

The complete Code of Conduct is handed over to all employees and is available on the Bank's website as well.

Operating Structure

PRODUCTS AND SERVICES

Products and Services

JS Current Deposit Products

For complete day-to-day banking needs, JS Current Deposit menu is designed to provide our valued customers with transactional convenience and flexibility for all their financial dealings.

JS Savings Deposit Products

We offer a wide array of savings products that cater to short term investment and transactional needs with attractive profit rates on deposits.

JS Term Deposit Products

JS Term Deposits offer attractive short and medium to long term investment options with flexibility, convenience and security. With various tenor options, customers can choose the one that suits their needs.

Foreign Currency Accounts

Customers can save in foreign currency accounts, of various currencies and enjoy attractive returns. A wide range of account types are offered for personal and business individuals.

Corporate Banking

JS Corporate Banking is focused on providing a range of diverse financial services (including tailor made solutions) to corporate customers (including multi-national and public entities) by partnering with them and building long term sustainable relationships.

JS Private Banking

JS Private Banking takes our customers on a journey of rewarding experiences and a diverse product suite of deposits, lending and investment solutions. Our private banking teams work one-on-one with each customer, drawing upon the full resources of JS Private banking to create sophisticated banking and high-end credit solutions for individuals and families with multiple income streams that require complex solutions.

Employee Banking and Cash Management

We offer superior payroll and cash management solutions to corporates across Pakistan. In addition to the best set of product features, our payroll

customers enjoy unmatched rates on consumer loans, free of cost insurance coverage and facilities such as Advance Salary, Personal Loans & Charge Cards.

JS Consumer Lending Products

JS Consumer Banking offers a full suite of consumer lending products to our valued customers. The Bank's current product portfolio consists of Credit Cards, Auto Loans, Home Loans and Personal Loans.

JS ATMs

We have a widespread ATM network placed at both Bank branches and commercial locations for consumers' convenience. JS ATMs provide customers with 24-hour convenience to withdraw cash, view mini-statement, make fund transfers and much more.

JS SMS Alerts

We continually update our valued customers with financial transaction and information alerts via SMS.

JS Call Center

We offer customers a 24/7 call center designed to enhance service delivery and support across multiple channels. JS Call Center is equipped with trained professionals who offer a wide array of information and problem resolution support around the clock. The customers are further facilitated through self-service modes like Interactive Voice Response (IVR) and Telephonic Personal Identification Number (TPIN).

Home Remittances

We offer customers a multitude of Home Remittance offerings and are committed to contributing towards the national interest of promoting remittances through legal channels.

We are the first bank in Pakistan which allows remittances to be sent to any cell number domestically in alliance with international remittance partners. Remittances can be collected from any J-Cash Agent or through ATM/Debit Card.

Safe Deposit Lockers

We pride ourselves in offering our customers ease of mind and this is yet another service that highlights our commitment in providing everything necessary to accommodate their needs. We offer various types of lockers depending on customer requirement to protect their documents, jewellery or any other valuables.

JS Green Financing

We offer Solar Panel financing solutions to individuals and businessmen for residential, agriculture and commercial needs. As one of Pakistan's leading Banks in green financing, we ensure end to end comprehensive installation of solar solutions through a network of over 40 AEDB-certified partners across Pakistan.

JS Agri Financing Products

Agriculture finance business of the Bank has embraced a new and progressive outlook as a result of various initiatives. A well-equipped, trained & experienced team has been put in place to facilitate customers on their doorsteps.

JS Gold Finance

We are one of the leading banks offering loans against gold ornaments for personal, business and investment requirements. We provide the fastest and most efficient turnaround time, with loans being processed as quickly from the time of application.

SME Banking

We are one of the leading banks in the SME lending space, with a variety of loans available geared towards development and expansion of SMEs across the country. We offer a diverse portfolio of lending facilities, including SBP initiatives offering rebated loans to specific target segments.

JS Kamyab Jawan Youth Entrepreneurship Scheme (PMYES)

Prime Minister's Kamyab Jawan Youth Entrepreneurship Scheme (PMYES) aims at empowering the youth of Pakistan by providing them highly Subsidized loans to set up or expand their business. Through its strategic alliance-based model, we have partnered with various local and

international organizations in the ride hailing, dairy farming and transportation segment in addition to financing individual business loans. In the coming years, strategic partnerships in the Agri value chain, Education, Business Incubation, Economic Development, and Manufacturing sectors are being explored as we look to transform lives throughout the country.

JS Khud Mukhtar

A financing solution based on State Bank of Pakistan's Refinance and Credit Guarantee Scheme for Women Entrepreneurs, JS Khud Mukhtar is a financing solution for businesswomen of Pakistan, enabling empowerment as well as financial stability. JS Khud Mukhtar provides easy access to finance for fulfilling all your aspirations.

JS Naya Aghaaz

The JS Naya Aghaaz SME loan has been designed to enable personal development of the differently abled individuals in Pakistan through term finance based on State Bank of Pakistan's Small Enterprise (SE) Financing and Credit Guarantee Scheme for special persons.

JS Bank Wealth Management

We offer convenience, risk diversification and great value with the availability of different product ranges for our customer according to their needs and risk appetites. We partner with the largest private sector life assurance company, EFU Life Assurance in Pakistan. JS Bank offers EFU Life Assurance unit-linked investment and life assurance products to help protect and increase customer's wealth. In addition, we offer our customers mutual funds managed by one of the oldest Asset Management companies in Pakistan - JS Investments Limited. Shariah Complaint options are also available for both Life Assurance and Mutual Funds products.

JS Blink Digital Accounts

JS Bank now allows all Pakistani residents to open accounts in targeted segments. These accounts can be opened end to end digitally via JS Bank website as well as mobile app. This is a landmark strategic shift from conventional methods of establishing banking relationship, where offered

products include Asaan Digital Account, Asaan Digital Remittances Account and Digital Account for freelancers. Under tutelage of SBP – JS Bank is targeting these crucial segments that are already digital and at the same time need their banking services to be digital as well.

JS Roshan Digital Accounts

JS Bank offers a digital solution to non-resident Pakistanis offering them the invaluable service of opening SBP designated RDA accounts entirely digitally from anywhere in the world. This product also allows RDA customers to invest in various lucrative and attractive certified investment products available in the market including investments with CDC, Naya Pakistan Certificate, etc. Again, all these offerings are digitally available for customers. This is an important contribution by JS Bank in the national drive towards enhancing Pakistan's inward remittances volume.

JS Mobile App and Internet Banking

JS Bank offers extensive digital services' coverage via its native Mobile Banking App as well as browser driven Internet Banking. The solutions are perfect for freelancing community who want to avail bank services – avoiding bank branches to stay connected with their bank 24/7.

The JS Bank Mobile and Internet Banking ensure that no customer will feel the need to visit branches or any other conventional channels. It provides non-stop banking services on a one-window digitized platform. These platforms are offered free of charge to all JS Bank customers.

JS Whatsapp Bot

JS offers a unique proposition as part of its digital services platform – whereby a customer can perform various banking services from within his/her WhatsApp. This is what is referred to as Social Banking. Customer simply needs to add JS Whatsapp BOT in his/her contacts and perform one-time registration from within the chat window.

JS WhatsApp BOT offers an ever-increasing number of services that add massive convenience and value in terms of time save and has enabled JS Bank to remain ahead of the competition in terms of its

volume of WhatsApp based offering. The services are offered to deposit customers as well as Credit Card consumers.

JS Mobile Wallet

JS Mobile Wallet allows users to open instant mobile wallet by downloading the J-Cash Wallet app. The wallet services include funds transfers, bill payments, mobile recharge, online payments, and e-commerce opportunities. The wallet can be topped up via multiple channels including physical locations (J-Cash Agents/JS Bank branches) or digital means (IBFT).

As part of its drive to digitize public to government (P2G) payments, JS Bank partnered with KPK & Islamabad Traffic Police for issuance and payment of digital challan. JS Bank facilitates annual traffic violation payments through instant fine payment and real-time SMS-based notifications. JS Bank has also digitized the driving license fee process for all districts of KPK.

Digital Technology Investment

JS Bank, launched a financial services youth brand called– Zindigi which will provide digital convenience and affordable access to mobile financial services. Zindigi is a major step in Pakistan’s fintech innovation and will redefine the customer banking journey in Pakistan, paving the way for onboarding GenZ by giving them an experience beyond ordinary.

The Board of Directors of JS Bank presently has three (3) directors as Independent Directors including one Female Independent Director. The Independent Directors meets the criteria of independence as defined in the Companies Act, 2017 and the State Bank of Pakistan directives. Further, the Board also has five Non-Executive Directors excluding President & CEO of the Bank who is a non-elected Executive Director.

Profile of the Board of Directors

Mr. Kalim-ur-Rahman

Non-Executive Director – Chairman

Mr. Kalim-ur-Rahman was formerly President & CEO of JS Bank Limited from 2010 to 2013 and has been a Director of the Bank since then. He was elected Chairman of the Board of Directors in August 2019.

He is a seasoned banker with 50 years of experience in both international and domestic banking. He started his banking career with National & Grindlays Bank in 1963 as a Management trainee. After nearly three years of banking training in Pakistan and London, he was appointed as a covenanted officer of the Bank in 1966, and served in Karachi, Peshawar and London in senior positions till 1978, when he resigned and joined Middle East Bank, Dubai as Chief Manager, and subsequently promoted as Assistant General Manager - UAE Operations.

During his tenure with Middle East Bank in Dubai, he conceived and implemented the online computerization of the UAE branches in 1980, being one of the first in UAE banking. In 1985, he was posted to Karachi as General Manager – South Asia, and till 1991 he saw Middle East Bank, Pakistan grow its profitability by 35% per annum CAGR from only three branches in the country. After 1991, Mr. Kalim-ur-Rahman served in several Pakistani banks in senior positions, including as the President & CEO of Askari Commercial Bank from 1999 to 2006, during this period the Bank saw a phenomenal growth in its assets (40% CAGR) and profitability (47% CAGR). He subsequently served as the General Manager of Arab Emirates Investment, Dubai 2007-2008.

Mr. Kalim-ur-Rahman was the first Secretary General of the Pakistan Banks Association 2006- 2007.

Mr. Kalim-ur-Rahman did his Senior Cambridge from Burn Hall School, Abbottabad and B.Sc. (Hons) from Government College, Lahore. He had a first class academic career throughout, and his name is inscribed on the College Roll of Honor. He is a Fellow of the Institute of Bankers in Pakistan and holds the Director's certification from the Pakistan Institute of Corporate Governance as well as the Institute of Directors, London.

Mr. Kalim-ur-Rahman is a member of the Board's IT Committee and the HR, Remuneration & Nomination Committee.

Directorships in other companies:

Excel Labs (Pvt) Limited

Mr. Adil Matcheswala

Non-Executive Director

Mr. Adil Matcheswala is the CEO and founding Director of Speed (Private) Limited, a retail and distribution company that is incorporated in Pakistan. The Company's portfolio includes numerous leading International brands such as Nike, Adidas, Under Armour, Birkenstock, Tag Heuer, Charles & Keith, Pedro and Timex.

He started his professional career in the financial services industry in 1992 and was the Head of the Equity Sales Division of Jahangir Siddiqui & Co. Ltd. (formerly Bear Stearns Jahangir Siddiqui Limited).

He has previously served as the Chairman of the Board and Chairman of the Audit Committee of JS Global Capital Ltd. as well as a Director of JS Value Fund.

He has served on the Board of JS Bank Limited since 2012. He is also a member of the Board's Audit Committee and HR, Remuneration & Nomination Committee of the Bank.

Mr. Matcheswala graduated from Brown University with an A.B. in Economics.

Directorships in other companies:

Speed (PVT) Limited

JOMO Technologies (PVT) Limited

Mr. Ashraf Nawabi

Non-Executive Director

Mr. Ashraf Nawabi is a seasoned banker, working in United Arab Emirates since 1967. He has worked in United Bank Limited/BCCI, as CEO for their Middle East Regions. Presently he is working as Advisor in Emirates NBD Bank PSC, which is largest Commercial Bank in the Middle East & Africa.

Mr. Nawabi is also Board member of Alliance Insurance P.S.C. Dubai. He was also a Board member of Union National Bank Abu Dhabi, the third largest Bank of U.A.E. for almost ten years. Apart from this he is CEO/ Director of First Jamia Services Limited Lahore and Chairman Alif Noon Parents Foundation.

Mr. Nawabi, in coordination with Dubai ruling family members and businessmen established International School of Choueifat in Lahore in 1991. This school is one of its kind in the entire subcontinent, imparting high quality education to students for entry into leading Universities of Europe and America. Further branches of International School of Choueifat are planned to be opened in different cities of Pakistan in next few years.

On his own, with an up to date personal contribution of almost Rs. 200 million he has established KPSS School in Chakwal, specifically to impart quality education to under privileged children of the area. This School has enrolment of over 400 pupils which will gradually increase to 1500 students in next few years. To accommodate increase in students, substantial expansion is underway to increase the capacity of school.

Global institutions, Pakistani corporates, businessmen and individuals from Pakistan and abroad continue to donate substantial amounts for this noble cause. Further schools are also planned to be opened in less developed areas.

Mr. Nawabi has served on the Board of JS Bank since 2007. He is also a Chairman of the Board's Risk Management Committee.

Directorships in other companies:

First Jamia Services Limited,
Lahore Alliance Insurance Co. P.S.C. Dubai.

Mr. G.M. Sikander

Independent Director

Mr. G.M. Sikander has been a career civil servant having served the Government of Pakistan in various capacities for 39 years. He retired as Federal Secretary of the Housing and Works Division.

He has served as Assistant Commissioner and Deputy Commissioner in various districts of Punjab and contributed significantly towards social sector development. While serving as Deputy Commissioner of Kasur he single handedly established a public school on self-help basis which has now become a degree college with almost 5,000 students.

Mr. Sikander has previously served as Secretary to the Government of the Punjab and (KPK) provinces and headed the departments of Services, Establishment, Information & Tourism, Housing & Physical Planning, Baitul Maal, Social Security and Cooperatives. He also served as Principal Secretary to five Chief Ministers in the Punjab for a record period of nearly 10 years.

Mr. Sikander is also a Trustee of the Hamza Foundation in Lahore which is a foundation dedicated to supporting and educating deaf and mute students and a Life Trustee of the Marafie Foundation Pakistan which is engaged in the development of public health and education sectors in Gilgit Baltistan.

Mr. Sikander has served on the Board of JS Bank Limited since 2013. He is also a member of the Board's Audit Committee and HR, Remuneration & Nomination Committee of the Bank.

Mr. Sikander received his M.A. in Political Science from Punjab University and completed a Diploma in Development Administration from the University of Birmingham. He has also completed the Advanced National Management Course from the former Pakistan Administrative Staff College Lahore and a special course in Development Administration from The National Institute of Public Administration. Furthermore, he also holds the Director's Certification from the Institute of Chartered Accountants of Pakistan (ICAP).

Directorships in Other Companies:

Nil

Ms. Nargis Ghaloo - Independent Director

Ms. Nargis Ghaloo is a retired senior civil servant having served the Government of Pakistan in various capacities for 36 years. She retired as the Managing Director Public Procurement Regulatory Authority, Government of Pakistan. Ms. Ghaloo was Chairperson of State Life Insurance Corporation of Pakistan, Pakistan's largest life insurer, from 2014 to 2016. She is also the Chairperson of Alpha Insurance Company Limited.

Ms. Ghaloo joined the Civil Services of Pakistan in 1982, has many years of professional experience

serving in senior management positions with provincial as well as federal government departments in diversified fields such as public sector management, administration, financial, judicial, health, insurance and planning.

Ms. Ghaloo did her Masters in English from University of Sindh in 1981 and is a certified Director from The Pakistan Institute of Corporate Governance (PICG) and holds certificate of corporate governance from INSEAD and also holds a certificate in company direction from Institute of Directors, UK.

Ms. Ghaloo has served on the Board of JS Bank since 2016. She is also a member of the Board's Audit Committee and Risk Management Committee of the Bank.

Directorships in other companies:

Hinopak Motors Limited

Mr. Sohail Aman

Independent Director

Born in 1959, Air Chief Marshal Sohail Aman received his intermediate and graduate education at PAF College, Sargodha. Subsequently, he joined Pakistan Air Force and graduated from PAF Academy in 1980. He is a graduate of Pakistan Air Force War College and has two Masters Degrees: Strategic Studies from Karachi University and International Relations from Kings College, London. He is also a proud alumnus of Royal College of Defence Studies United Kingdom and has attended National & International Security Course at Harvard Kennedy School USA.

During his career, Air Chief Marshal Sohail Aman has flown various types of fighter aircrafts including F-16 and has a grand total of over 3000 fighter hours to his credit. As a distinguished fighter pilot and Combat Commander, he has also evaluated modern fighter aircraft like SU27, SU30, Gripen and Euro fighter Typhoon. He has commanded a Fighter Squadron, Combat Commanders' School, a Fighter Base and a Regional Air Command of Pakistan Air Force.

Air Chief Marshal Sohail Aman also has a rich staff experience and has served as Director Operations, Director Plans, Assistant Chief of Air Staff Operations, Deputy Chief of Air Staff Training and Deputy Chief of Air Staff Operations at Air Headquarters. As Deputy Chief of Air Staff Training, he focused on the concept of Education for All; especially to the underprivileged children. In this regard he introduced various scholarship schemes for deserving PAF as well as civilian children. He also developed two medical colleges and three air university campuses across the country during his tenure as the Chief.

As Deputy Chief of the Air Staff Operations, he was the main architect of Pakistan Air Force's campaign in support of successful counter terrorism operation Zarb-e-Azb that proved pivotal in eliminating the menace of terrorism from Pakistan and restoration of peace in the country. He personally led anti-terrorists missions in F16 aircraft depicting the nation's resolve to combat terrorism.

Air Chief Marshal Sohail Aman is also highly regarded for orchestration and actualization of Pakistan Air Force's modernisation plan. His relentless pursuit of indigenisation and focus on Human Resource development through industry academia linkage is evident in shape of development of "Aviation City" in PAF. The establishment of "PAF Airpower Center of Excellence" is yet another strategic initiative by the Air Chief Marshal. This unique institution aims to share PAF's rare experiences in Counter Terrorism Air Operations (CT) with friendly air forces. The institute also lays special focus on Research and Development (R&D) in the field of 'Airpower Application in Contemporary Warfare'. ACE's R&D is closely linked to development of modern aviation hardware at Aviation City, especially Project 'Azm' which was initiated by him as the PAF effort to manufacture fifth generation fighter aircraft. He envisioned and developed PAF Base Bholari near Hyderabad and developed it at a record speed as a fighter base.

Owing to his experience in security related issues and Leadership, Sohail Aman has extensively lectured at think tanks and audience at various high-ranking universities and staff & war colleges; both inland and abroad.

Sohail Aman is also a man of great compassion which is evident from the monumental steps he has undertaken for the welfare of families of martyrs, Personnel with Special Needs (PSN) and education and wellbeing of low paid employees of PAF.

In recognition of his meritorious and exceptionally dedicated services, he has been decorated with awards of Nishan-e-Imtiaz (Military), Hilal-e-Imtiaz (Military), Sitara-e-Imtiaz (Military) and Tamgha-e-Imtiaz (Military). He is also recipient of "The Legion of Merit" of Turkish Armed Forces, "King Abdul Aziz Medal of Excellence" by the Kingdom of Saudi Arabia and United States' "Legion of Merit", the highest military award of US Armed forces awarded to any foreign military official. Air Chief Marshal is currently studying Leadership, Policy Formulation and Governance and is undertaking projects relating philanthropic work.

Mr. Aman was appointed as director on the Board of JS Bank in 2019. He is also the Chairman of the Board's HR, Remuneration & Nomination Committee

and member Board IT Committee of the Bank.

STAFF STRENGTH

Organizational Structure

Corporate Profile of the Bank

JS Bank Limited (the Bank / JSBL) is a banking company incorporated in Pakistan as a public limited company on March 15, 2006. The Bank is a subsidiary company of Jahangir Siddiqui & Co. Ltd. (JSCL) and its shares are listed on Pakistan Stock Exchange Limited (PSX). The Bank commenced its banking operations on December 30, 2006 and its registered office is situated at Shaheen Commercial Complex, Dr. Ziauddin Ahmed Road, Karachi.

The Bank is a scheduled bank, engaged in commercial banking and related services as described in the Banking Companies Ordinance, 1962 and is operating through 307 (December 31, 2021: 282) branches / sub-branches in Pakistan and one wholesale banking branch in Bahrain (December 31, 2021: one). The Pakistan Credit Rating Agency Limited (PACRA) has assigned the long-term entity rating of the Bank to AA- (Double A Minus) whereas short-term rating is maintained at 'A1+' (A One Plus), which is the highest possible short-term rating. The ratings denote a very low expectation of credit risk and indicate very strong capacity for timely payment of financial commitments.

Subsidiaries

JS Global Capital Limited

Holding 92.90%

JS Global Capital Limited is one of the largest securities brokerage and investment banking firms in Pakistan with a leadership position in the domestic capital markets. It is in the business of equity, fixed income, currencies and commodities brokerage and investment banking. It was incorporated in Pakistan on June 28, 2000 and is the successor to the securities business of Jahangir Siddiqui & Co. Ltd. and Bear Stearns Jahangir Siddiqui Limited.

JS Investments Limited

Holding 84.56%

JS Investments Limited is a licensed Investment Adviser and Asset Management Company under the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules) and the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations). In addition, the Company is also a licensed Pension Fund Manager under the Voluntary Pension System Rules 2005. JSIL has also acquired the Private Equity and Venture Capital Fund Management Services license and REIT Management Services from the Securities and Exchange Commission of Pakistan.

Chairman's Review

I am pleased to present this report to the valued stakeholders of JS Bank Limited (the "Bank") on the overall performance of the Bank and the effectiveness of the role played by the Board in achieving the Bank's objectives.

The Bank's continuous efforts to achieve a robust financial position were acknowledged by the Pakistan Credit Rating Agency (PACRA), re-affirming the long-term entity rating of the Bank at AA- (Double A Minus) with a short-term credit rating standing at A1+ (A One Plus), the highest possible in the category.

The Bank is committed to its role of acting as a catalyst of progress within the national financial industry. One of our important goals for 2022 and beyond is to optimize the branch network. Deposit growth will be driven by low-cost deposits and ultimately our target is to achieve significant growth in the current account deposit ratio. On the lending product side, the focus would be SME driven. The Bank is already positioned as an SME bank and is recognized by the SBP and the Prime Minister for its accomplishments in PMYES loans. JS Bank is one of the eight banks selected by SBP for SME Assan Finance (SAAF) lending scheme. JS Bank is continuing its journey of greater impact by providing customers with innovative and value-added financial products and services designed to make their lives simple, easy and convenient.

The Bank has continued to promote the use of digital channels for fulfilling banking needs by enhancing and providing uninterrupted digital banking services. Aligned with the digital banking initiatives, the Bank aims to provide services at the fingertips of the diversified customer base. To enhance the digital banking experience for our customers, the Bank has pioneered the launch of Zindigi – an innovative Digital Banking platform which enables various types of financial transactions in a digital mode, some of them for the first time in Pakistan. With this launch, we step into a new era of digitally enabled financial services that offer innovative banking services to an entirely new and exciting target market.

As part of the core values of the Bank, the responsibility to the community is a cornerstone of

the Bank's activities through sustainable development and responsible business. After the outbreak of COVID -19 pandemic the bank had created a COVID Relief Fund in 2020 and later in the year 2021 the Bank launched a COVID-19 Drive-Through Vaccination facility for the country's largest metropolis, namely Karachi, where more than 50,000 people were vaccinated. It was very well received by the public and got recognition from the UNOCHA (United Nation's Office for the Coordination of Humanitarian Affairs). JS Bank continues to play its due role towards safeguarding the safety and health of the people of Pakistan and continues to contribute positively to society at large.

In 2021, the Bank was recognized for its excellent contribution on national and international fronts. A few of the major awards received by JS Bank during the year included the Best Bank for SMEs – Pakistan, Asiamoney Award – Best SME Bank – Pakistan, GBO Awards – SME Bank of the Year, Pakistan – Asian Banking Finance Retail Banking Award. The Bank was also appreciated by the Prime Minister of Pakistan for its contribution towards the Government markup subsidy scheme – Kamyab Jawan. These local and global acknowledgements are a testimony to our constant efforts in delivering the best-in-class customer experience and drive us to constantly surpass customer expectations year on year.

We, at JS Bank, believe that our people are our greatest strength. In 2021, the Bank continued to invest in their training and development as we firmly believe in developing capabilities from within the organisation. Training programs and e-courses were conducted through in-house learning Academy and external trainers to reinforce our commitment towards the transformation of our management and staff to higher levels of competence to better serve the customers, as well as avail of career growth opportunities.

Ensuring good corporate governance through ethical and professional business conduct as well as effective risk and audit management are key foundation blocks for us. JS Bank has always been committed to sustainable value creation for all its stakeholders with high standards of corporate governance through a comprehensive system of

internal controls. The Board of JS Bank follows detailed criteria for its performance evaluation. The Board continually reviews the Bank's financial and operational soundness, and significant policies in-line with regulatory requirements. The Board has constituted its sub-committees for oversight of all key areas of the Bank covering risk management, audit-related matters, information technology and human resources for achieving the Bank's strategic objectives. The Board has engaged Grant Thornton Anjum Rahman (GT) to perform an annual evaluation of its members and committees and their performance.

I am confident that with our diversified Board of Directors, value-added offerings, unique emphasis on customer satisfaction and dedication towards excellence, we will succeed and thrive, no matter what the conditions or environment.

On behalf of the Board of Directors, I would like to thank the Ministry of Finance, the State Bank of Pakistan, the Securities and Exchange Commission of Pakistan and the Federal Board of Revenue for their continuous support and guidance. I would also like to thank our shareholders for their continued commitment and confidence in our long-term strategic vision, as well as our Management and staff for their commitment and hard work for the greater progress and prosperity of our Bank.

Sincerely,

Kalim-ur-Rahman

چیمبرمین جائزہ رپورٹ

میں جے ایس بینک لمیٹڈ (دی بینک) کے قابل قدر حصص یافتگان کو بینک کی مجموعی کارکردگی اور بینک کے مقاصد کے حصول میں بورڈ کے کردار کے حوالے سے رپورٹ پیش کرنے میں مسرت محسوس کر رہا ہوں۔

پاکستان کریڈٹ ریٹنگ ایجنسی (پی اے سی آر اے) کی طرف سے بینک کی مضبوط مالی پوزیشن کے حصول کیلئے کی جانے والی متواتر کوششوں کا اعتراف کرتے ہوئے لاہ ٹرم ایٹھٹی ریٹنگ-AA (ڈبل اے مائنس) کی دوبارہ توثیق کی گئی جبکہ شارٹ ٹرم کریڈٹ ریٹنگ +A1 (اے ون پلس) پر مستحکم رہی جو اس کیلنگری میں سب سے ممکنہ بلند ترین ہے۔

بینک قومی مالیاتی صنعت کے اندر ترقی کے محرک کے طور پر اپنا کردار ادا کرنے کیلئے پرعزم ہے۔ 2022 اور اس کے بعد آنے والے سالوں کیلئے ہمارے اہم اہداف میں سے ایک ہدف براؤنچ نیٹ ورک کو بہتر کرنا ہے۔ ڈیپازٹ میں اضافہ کم لاگت والے ڈیپازٹ سے ممکن ہوگا اور بالآخر ہمارا ہدف کرنٹ اکاؤنٹ ڈیپازٹ کے تناسب میں خاطر خواہ اضافہ کا حصول ہے۔ لینڈ پراڈکٹس کے حوالے سے ہماری توجہ کا مرکز ایس ایم ای ہوگا۔ بینک پہلے ہی ایس ایم ای بینک کے طور پر پوزیشن سنبھالے ہوئے ہے اور ایس بی بی اور وزیراعظم کی طرف سے وزیراعظم بوجھ انٹرپرائز شپ سکیم میں کامیابیوں کا اعتراف کیا جا رہا ہے۔ جے ایس بینک کا شمار ان آٹھ بینکوں میں ہوتا ہے جنہیں ایس بی بی پی کی طرف سے ایس ایم ای آسان فنانس (ایس اے ایف) قرضہ سکیم کیلئے منتخب کیا گیا۔ جے ایس بینک صارفین کو ان کی زندگیوں کو آسان اور سہل بنانے کے لیے جدید اور ویلویو ایڈڈ مالیاتی مصنوعات اور خدمات فراہم کرنے کا پنا سفر جاری رکھے ہوئے۔

بینک ڈیجیٹل بینکنگ کی بلار کا وٹ سروسز کی فراہمی کے ذریعے بینکنگ ضروریات کو پورا کرنے کیلئے ڈیجیٹل چینلوں کے استعمال کو فروغ دینے کا سلسلہ جاری رکھے ہوئے ہے۔ ڈیجیٹل بینکنگ اقدامات سے ہم آہنگ بینک کا مقصد متنوع صارفین کو ٹکنرٹس پر خدمات کی فراہمی ہے۔ ہمارے صارفین کے ڈیجیٹل بینکنگ تجربے میں اضافہ کیلئے بینک نے پاکستان میں زندگی کے نام سے ایک جدید ڈیجیٹل بینکنگ پلیٹ فارم کا آغاز کیا جو ایک ڈیجیٹل طریقہ کار کے ذریعے متعدد اقسام کی مالی لین دین جن میں چندا، پہلی بار پاکستان میں متعارف کرائی گئی ہیں، کی سہولت فراہم کرتا ہے۔ اس آغاز کے ساتھ ہم نے ڈیجیٹل مالیاتی خدمات کے لیے دور میں قدم رکھا ہے جو مکمل طور پر نئے اور موجودہ بدانی مارکیٹ کو جدید بینکنگ سروسز کی پیش کش کرتا ہے۔

بینک کی بنیادی اقدار کے حصے کے طور معاشرے کی فلاح بہبود کو پائیدار ترقی اور ذمہ دارانہ کاروبار کے ذریعے بینک کی سرگرمیوں میں اہم حیثیت حاصل ہے۔ کورونا وبا کے پھیلاؤ کے بعد بینک نے 2020 میں کوویڈ ریلیف فنڈ قائم کیا اور بعد ازاں 2021 میں بینک نے ملک کے سب سے زیادہ آبادی والے شہر کراچی میں ڈرائیو تھرو وکیسی نیشن سہولت کا آغاز کیا جس کے تحت 50,000 سے زائد افراد کو وکیسین لگائی گئی۔ عوام کی طرف سے اس ہم کو بہت زیادہ سراہا گیا اور یو این اے (اقوام متحدہ آفس برائے کوارڈینیشن آف ہیومنیزین ان فیئر ز) کی طرف سے اس کا اعتراف بھی کیا گیا۔ جے ایس بینک پاکستان کے لوگوں کی فلاح بہبود اور صحت کے حوالے سے اپنا کردار جاری رکھے گا۔

2021 میں بینک کا قومی اور عالمی سطح پر اس کے شاندار کردار کا اعتراف کیا گیا۔ سال رفتہ کے دوران جے ایس بینک کی طرف سے حاصل کردہ چند بڑے ایوارڈز میں بیسٹ بینک فار ایس ایم ایز۔ پاکستان، ایٹھٹی ایوارڈ۔ بیسٹ ایس ایم ای بینک۔ پاکستان، جی بی ایوارڈ۔ ایس ایم ای بینک آف دی ایئر، پاکستان۔ ایٹھٹی بینکنگ فنانس رٹیل بینکنگ ایوارڈ شامل ہیں۔ وزیراعظم پاکستان کی طرف سے حکومت کے مارک اپ سبسڈی سکیم کا میاب جوان میں بینک کے کردار کو سراہا گیا۔ قومی اور عالمی کامیابیاں صارف کو بہترین تجربے کی فراہمی کا واضح ثبوت ہے جو ہمیں سال بہ سال صارفین کی توقعات پر تسلسل کے ساتھ پورا کرنے کی تحریک دیتا ہے۔

ہم، جے ایس بینک میں اس بات پر یقین رکھتے ہیں کہ ہمارے لوگ ہماری عظیم طاقت ہیں۔ 2021 میں بینک نے ملازمین کی تربیت اور ترقی میں سرمایہ کاری کا سلسلہ جاری رکھا کیونکہ ہم ادارے کے اندر صلاحیتوں کے فروغ پر پختہ یقین رکھتے ہیں۔ بینک کی لرننگ اکیڈمی اور بیرونی ٹرینرز کے ذریعے تربیتی پروگرام اور ای کورس کا انعقاد کیا گیا تاکہ صارفین کی بہتر خدمت کرنے کے ساتھ ساتھ کیریئر کی ترقی کے مواقع سے فائدہ اٹھانے کے لیے ہماری انتظامیہ اور عملی اعلیٰ صلاحیتوں میں تبدیلی کے لیے ہمارے عزم و تقویت ملے۔

اخلاقی اور پیشہ ورانہ کاروباری طرز عمل کے ذریعے اچھی کارپوریٹ گورننس اور موثر رسک اور آڈٹ مینجمنٹ کو یقینی بنانا ہمارے لیے بنیادی حیثیت رکھتا ہے۔ جے ایس بینک انٹرنل کنٹرول کے ایک جامع نظام کے ذریعے کارپوریٹ گورننس کے اعلیٰ معیار کے ساتھ اپنے تمام اسٹیک ہولڈرز کے لیے پائیدار قدر پیدا کرنے کے لیے ہمیشہ پرعزم رہا ہے۔ جے ایس بینک کا بورڈ اپنی کارکردگی کی جانچ کے لیے تفصیلی معیارات کی تعمیل کرتا ہے۔ بورڈ بینک کی مالی اور آپریشنل مضبوط کارکردگی اور ریگولیٹری تقاضوں کے مطابق اہم پالیسیوں کا جائزہ لیتا ہے۔ بورڈ نے بینک کے تمام اہم شعبوں کی نگرانی کے لیے اپنی ذیلی کمیٹیاں تشکیل دی ہیں جن میں بینک کے اسٹریٹجک مقاصد کے حصول کے لیے رسک مینجمنٹ، آڈٹ سے متعلقہ معاملات، انفارمیشن ٹیکنالوجی اور انسانی وسائل شامل ہیں۔ بورڈ نے گرانٹ تھورنٹن انجمن ٹرنس

Directors' Report

We are pleased to present herein the 16th Annual Report of JS Bank Limited ("JSBL") along with the audited accounts and auditors' report for the year ended December 31, 2021.

Economy review

Favorable policies by the Government and Central Bank and post-Covid recovery in global economies supported domestic demand pickup during CY21. Real GDP recorded an impressive 5.4% growth in FY21 primarily on the back of revival in manufacturing production and wholesale & retail trade. However, being a consumption-led economy, this revival has also resulted in both cost-push and demand-pull inflationary pressures. Although average headline inflation for FY21 is recorded at 8.9% YoY, it is on the rise post August 2021 with December's inflation clocking in 12.3% YoY.

At the same time, pressures from the external front rose as the country's import bill increased by 54% YoY during CY21 to US\$67 billion. The mounting import bill, led by machinery imports, vaccine imports and higher commodity prices, overshadowed the 32% YoY growth in exports and 19% YoY growth in remittances. As a result, the overall Current Account Deficit (CAD) has increased to US\$12.3 billion in CY21 as compared to a surplus of US\$245 million during CY20.

Despite increasing CAD, the country's foreign exchange reserves increased by 31% YoY to US\$24 billion as of 31 December 2021 on account of receipt of SDR allocation of US\$2.7 billion, Saudi deposits of US\$3 billion, Eurobond issuance and other multilateral/bilateral loans. Nonetheless, higher forex reserves were unable to support the forex market sentiments, resulting in PKR depreciation of 9.5% against the US\$ during the year.

Overall, a higher than expected economic recovery coupled with increasing inflation and depreciating PKR has led to SBP increasing the Policy Rate by 275 bps to 9.75% in CY21. Going forward, the Central Bank expects the pace of economic growth to moderate in next fiscal year. As a result, although the headline inflation may remain high, its pace of growth is expected to cool down.

On the fiscal front, FBR collection for 1HFY22 has crossed Rs2,915 billion, marking a growth of 33% YoY and surpassing the target by Rs282 billion. While fiscal deficit for FY21 closed at 7.1% of GDP, 1QFY22 numbers clocked in at 0.8% of GDP, reflecting growth in revenues and steady expenditures. During the same period, the controlled deficit also contributed in reporting a positive primary balance of 0.3% of GDP.

Banking sector review

After keeping the Policy Rate steady at 7.5% for the most part of the year, the Monetary Policy Committee (MPC) announced a cumulative increase of 275bps, out of which most of the increase was announced in the last three months of the calendar year. The sharp increase took the Policy Rate up to 9.75%. On the other hand, the weighted average banking spreads trimmed by 82bps YoY, reaching 4.31%.

The banking sector deposits touched PKR 20,972 billion, expanding by 17% YoY, and as per Sep-2021 numbers, the deposit mix further tilted toward zero-cost deposits. The trend of parking most deposits in Investments continued this year as well as sector Investments reached PKR 14,124 billion, up 22% YoY. The higher growth in Investments took the IDR up to 67%.

The higher increase in interest rates has so far not hampered the growth in Advances as the banking sector witnessed a credit growth of 19% YoY, taking it up to Rs10,149 billion. With that, the ADR increased to 48%. Moreover, the Non-Performing Loans as at 9MCY21 clocked in at Rs877 billion, keeping the sector's Infection ratio close to 9%.

Financial Performance

2021 was a year of consolidation as the Bank focused solely on improving Core Profitability.

The Bank reported a profit before tax of PKR 2,209 million (profit after tax of PKR 1,304 million) for the year ended December 31, 2021 as compared to a profit before tax of PKR 2,023 million (profit after tax of PKR 1,150 million) last year. The Earnings Per Share (EPS) stand at PKR 1.01 (December 31, 2020: PKR 0.89).

Our Deposit book increased by 6% YOY as we concentrated on mobilizing non-remunerative LCY Deposits, which grew by 15.8%. We also reduced our concentration on high-cost FI and institutional deposits, taking the average non-remunerative deposit composition up from 22.5% in 2020 to 25.7% in 2021. This resulted in a significant reduction in cost of deposits.

We also remained conservative towards lending activities and only slightly increased our Advances book. Bank's overall objective was to shift the portfolio from low-margin large ticket credit exposure to high-margin products with small ticket size and less risk weightage to improve core income and effectively utilize capital. Composition of Consumer book has increased from 5% to 6.5%; however, our mortgage book size has grown by 42% during the year thus making us one of the most active lenders in the housing finance sphere. Kamyab Jawan and SBP's Solar financing scheme also performed well, capturing a cumulative share of 2.5% in Gross Advances.

As a result of our cautious advances buildup, the core spread of the Bank has improved despite the SBP average policy rate remaining at 7.1% as compared to 8.9% last year. Hence, the net interest income (NII) of the Bank increased from PKR 9,777 million to PKR 11,894 million, up roughly 22%.

Non-markup income (NFI) stood at PKR 5,077 million. Although fee & commission income was the highest contributor (PKR 3,207 million), it declined from last year owing to the rationalization of charges on ADC products to attract more retail customers. Our Trade business recorded an impressive growth of 24% – considerably higher than the deposit base of the Bank and thus improving our trade to advance reciprocity. Furthermore, the Bank has earned dividend income of PKR 574 million mainly from its subsidiary company and FX income of PKR 1,187 million. Trading activities remained limited due to our focus on improving core business, resulting in lower trading gains during the year.

During the year, we continued to upgrade our technology infrastructure and turned around our Digital Financial Services segment to drive traction towards launching modern banking solutions for the tech-savvy millennial and Gen Z population.

Bank's tech expenditure thus recorded a growth of 33% over last year. Nevertheless, we have managed to significantly contain the growth in Bank's overall operating cost, despite inflationary pressures and currency depreciation. This was achieved on the back of streamlining the branch network and curtailing non-essential HR expenses. As a result, Bank's cost to income ratio improved from 79.9% in the year 2020 to 75.2% in 2021. NII to Opex ratio also improved from 75.1% to 93.5% – a significant improvement due to an increase in core income.

On the other hand, despite some buildup in the quantum of NPLs, the loan infection ratio (5.3%) remained significantly lower than the industry average. Increase in the bank's core income and higher provisions also helped us improve the NPL coverage ratio from 35.6% in 2020 to 47.2% in 2021.

Capital Adequacy

As of December 31, 2021, JS Bank's Capital Adequacy Ratio (CAR) stood at 13.77% as compared to 12.77% in 2020. The minimum required CAR (including Capital Conservation Buffer) as prescribed by SBP is 12.50%. However, the State Bank of Pakistan has temporarily reduced the requirement of CAR for banks by 1% as a regulatory relief to dampen the effects of COVID-19

Summarized financial data for the last six years is given below:

Business Overview

The year witnessed continued steady balance sheet growth, backed by sensible expansion in advances, deposit mobilization and diversified fee business. The Bank's overall product strategy is to promote access to financial services for financial inclusion, identifying and fulfilling the needs of customers across all customer segments while also catering to niche market needs in an effort to stand apart from the competition.

Deposits

JS Bank remained focused on core deposit mobilization, particularly targeting growth in low-cost deposits (Current Accounts – CA). The Bank was able to close CY2021 with a deposit base of PKR 461 billion, registering a growth of 6.4% over CY2020. Significant growth of 12.5% in the CA deposit base (26% of total deposits) has been augmented by focusing on affluent and mass affluent market segments, providing greater stability, strength and reduction in deposit cost to the Bank. The Bank embarked on several key

initiatives to expand its deposit relationships in various segments including business accounts, employee banking, cash management relationships, corporate deposits and technology-based solutions.

Advances

On the assets side, our strategy involved prudent and coherent expansion through a complete product range designed for customers' needs. The Bank continued to enhance its focus on the Small and Medium Enterprise (SME) landscape through a relationship lending model, operating through several SME hub branches. Furthermore, the secured consumer lending volumes remained strong throughout 2021. Overall, the Bank reported gross advances of PKR 261 billion in 2021, a growth of 2.5% over the last year.

Investments

JS Bank reported total Investments of PKR 231 billion in 2021, registering a growth of 14.7% over the last year. On the equity side, the surplus has increased by 36% as compared to FY2020.

Fee Business

The Bank made concerted efforts to optimize the revenue mix between interest and fee-based income through parallel growth by cross-selling various fee-based products to new and existing customers alongside traditional fee income streams.

In 2021, the Investment Banking Group (IBG) was revamped to go beyond conventional investment banking. IBG not only lead and participated in typical fund-based and non-fund-based financing facilities but also actively extended other services including Trusteeship, Equity Underwriting, Custodial Services and Private Equity. The Bank was also able to facilitate the first-ever Sukuk based acquisition financing of the pharmaceutical industry. JS Bank proved its market penetration by completing 16 diversified transactions this year.

Digital

The year 2021 has been pivotal for the Bank in terms of its digital initiatives. The bank restructured its digital business with the aim to increase its footprint in digital financial services. The DFS business achieved several milestones throughout 2021 with the development and launch of multiple new customer touchpoints such as WhatsApp bot, mobile banking, and internet banking. Furthermore, the DFS business launched use cases that have never been available in Pakistan before, such as Digi Cheque and in-App chat, CNIC update, and WHT certificate via WhatsApp bot. The State Bank initiatives have also been successfully deployed, with the pilot launch of Roshan Digital Account (RDA). Moreover, JS Bank was one of the first five banks to launch Raast and Digital Account Opening successfully, enabling customers to open a bank account from the convenience of their homes.

Additionally, JS Bank is one of the only few banks having an open banking platform, allowing the startup community the availability of APIs (Application Programming Interface) in the sandbox environment, enabling integrations.

Another key focus area has been processing improvement and enhancement of core banking services, such as Treasury, Retail Banking, Compliance, Customer Experience, Risk, Trade,

Credit Administration, etc enabling them to build capacity on value-added operations and services.

All these achievements are a testament to the strength of the Digital division and the strong foundations that it has built to revolutionize traditional banking in Pakistan.

Customer Experience

JS Bank Customer Experience (CE) Group organizes plan and monitors the bank's Customer Experience on all touchpoints to ensure optimized interaction between the bank and its Customer. CE Group develops and implements strategies that are useful in building an overall healthy customer relationship. Customer-centricity is one of our core values resonating with grievance management, complaint handling, and valuing customer feedback to understand their needs and offer a best-in-class customer experience.

Fair Treatment of Customer is an integral part of our corporate culture. The Bank has institutionalized a 'Consumer Protection Framework'. Our priority is to keep Customer benefits in mind while designing, selling, and managing products and services, without any discrimination. Our focus is to maintain fairness in our Customer dealings, clarity in communication, develop a service culture and design an effective grievance handling mechanism. We also focus on the financial literacy of our Customer, for promoting responsible conduct and informed financial decisions by consumers, through our consumer education and Financial Literacy Program.

Risk Management

The Board is committed to adopting the best risk management practices in letter and spirit. To maintain effective risk management oversight, the Bank follows an appropriate risk management framework according to the regulatory directives issued by SBP and other related guidelines under the Basel II / III framework. In this regard, the Bank has a comprehensive set of risk management policies, practices, and procedures in place which enable the Bank to take into consideration, in an appropriate manner, all major kinds of risks including credit, market, liquidity, operational, technology,

and information security.

The overall risk management framework of the Bank is under the supervision of the Board of Directors (BoD)/Board Risk Management Committee (BRMC) while the operational level day-to-day functioning is carried out by the senior management of the Bank. In order to develop a holistic integrated risk management approach, a dedicated and independent Risk Management Function is in place to manage various aspects of risk management in the Bank with segregation of Credit Risk functions into other variants of risk management. To formalize and strengthen the risk management approach within the Bank, the following significant policies were developed/reviewed and approved by the Board:

- Risk Management Policy
- Credit Policy
- SME Credit Policy
- Collateral Management Policy
- Market Risk Management Policy
- Operational Risk Management Policy
- Liquidity Risk Management Policy
- Country Risk Management Policy
- Agricultural Credit Policy
- Remedial Management Policy
- Debt Property Swap Policy
- Business Continuity Policy
- Information Security Policy

BRMC keeps an eye on the overall risk profile of the Bank. The Integrated Risk Management Committee (IRMC), Portfolio Management Committee (PMC), Operational Risk Management Committee (ORMC), Agri Credit Committee (ACC), Remedial Management Committee (RMC), IT Steering Committee (ITSC) and Assets & Liabilities Committee (ALCO) of the Management operate within an established framework in order to monitor the Bank's activities and maintain the risk level

within predefined limits. These Committees meet on a regular basis to review market developments and the level of financial and security risk exposures of the Bank.

Risk Management plays a vital role in ensuring that an appropriate balance is maintained between risk and reward throughout the bank. Towards this end, the risk management function and framework has been significantly strengthened in the year under review. This includes but is not limited to the establishment of a separate Credit Risk Group overseeing the credit assessment of corporate, financial institutions and international banking, Credit Administration and Special Assets Management, under a dedicated Chief Credit Officer. The rest of the disciplines of risk management including market & liquidity, operational, portfolio, policy, agricultural credit, consumer & program lending, and information security risks remain under the umbrella of the Chief Risk Officer. The Bank also took the initiative of having a dedicated team of risk experts to combat digital risks and support the Digital Finance business.

Market Risk measurement, monitoring and management reporting is done on a regular basis. The Market Risk & Basel Unit supported by the Treasury Middle Office is involved in daily monitoring of all related financial risk exposures in the form of interest rate risk, equity exposure risk, currency or foreign exchange risk, cross border or country risk, financial institutions (FI) exposure risks, liquidity risk and capital adequacy. The Bank is in the process of upgrading its system capabilities and has implemented the market risk module of Temenos Insight Risk Intelligence Solutions to enhance analytical capabilities and plans to implement modules for regulatory capital and asset & liability management.

On the capital management side, the Bank's practices ensure that it has reasonable capital to cover the risks associated with its activities. It is the prime objective of the Bank's capital management to ensure that the bank complies with all regulatory capital requirements and at the same time maintains strong credit ratings and healthy capital ratios to support its business and maximize shareholders' value.

Apart from the usual monitoring of Risks and Control Self-Assessment (RCSA), operational loss data and Key Risk Indicators (KRI), the Operational Risk management function also maintains the Business Continuity Policy and facilitates the annual testing of mission-critical systems and services that may be disrupted due to any unforeseen event or uncertainty. The Bank has also developed a Disaster Recovery (DR) site and plan, under the ownership of Information Technology, to ensure maximum availability of systems and services to customers and partners for critical (time-sensitive) and support functions.

Credit Risk management is an ongoing process. The overall credit policy and the credit risk management guidelines are approved by the Board of Directors. In this regard, a Central Credit Committee (CCC) is entrusted with the responsibility of monitoring and controlling credit risk in the Bank. CCC meets regularly to actively supervise credit risk across the lending portfolio. In order to maintain a healthy growth of the credit portfolio, the Bank's Credit Risk Management processes are consistently upgraded and improved to meet future challenges. Further, in order to bolster credit risk management monitoring activities, a Credit Risk Monitoring Unit is in place for regular portfolio monitoring, formulating and implementing credit risk management tools, including setting up of industry, geographic and sectorial limits, and devising credit risk quantification / statistical techniques to meet SBP and Basel II/III requirements. The health of the credit portfolio is being monitored through the Credit Administration, which is responsible for housekeeping elements along with the management of credit limits.

The bank is conscious of risks and uncertainties associated with problem credit which requires a different and more intense risk management approach. In this regard, a Special Asset Management Unit is in place following SBP's regulatory guidelines to focus on remedial management issues, take ownership of classified portfolio for effective management and to determine the work-out modes for rehabilitation and settlements, as stipulated in the Remedial

Management Policy of the Bank.

In terms of Information Security, the Information Security Department performs security/risk assessments, as well as vulnerability assessment, monitors critical IT, and manages information and cyber security risks across the Bank. To improve the information security posture, defense in depth/layered security architecture is deployed with real-time monitoring of emerging threats. To further strengthen cybersecurity, the Bank is striving to build a process-oriented culture, bring maturity in tool utilization and invest in IS staff to improve management/regulatory reporting and increase JS staff security awareness training.

Statement on Internal Controls

The Bank places the utmost emphasis on establishing stringent controls across all its operations. It is the cornerstone of the Bank's policies to adhere to the best industry practices, ethical standards and regulatory requirements. In this context, the Board of Directors has promulgated policies that provide for assessing the overall effectiveness of the internal control environment.

Internal controls at JS bank are intended to provide a reasonable measure of assurance regarding the effectiveness and efficiency of the Bank's operations, reliability of financial information and compliance with applicable laws and regulations. However, it is acknowledged that the systems put in place can only provide reasonable but not absolute assurances against material misstatement or loss since they are designed to manage, rather than eliminate, the risk of unforeseen situations.

To ensure effective management of risk, the governance structure of internal control functions at the Bank consists of three levels of defense. The first line of defense is the business itself which owns its risks, including its operational risk and is responsible for its management. The second line of defense is the oversight provided by the Risk Management, Compliance and Control functions which identify and assess risks impacting existing and new business initiatives, coordinate risk mitigation with risk specialists and businesses, and

then report and escalate it to the Risk Management Function for appropriate corrective measures. The last line of defense is an independent and effective Internal Audit Function which reviews the effectiveness and adequacy of internal controls and continues to monitor compliance with policies and procedures.

The Board of Directors is regularly kept up to date about the state of compliance through the Board Audit Committee. As a priority, all significant and material findings of the internal and external auditors and regulators are addressed by the management ensuring that appropriate corrective actions have been implemented. Adequate systems are in place to minimize breaches, repetition of mistakes, and strengthen the control environment. In addition, the Compliance Function is performing its due role to ensure regulatory compliance across the Bank.

The Bank diligently follows SBP's Guidelines on Internal Control to evaluate the effectiveness of the overall set of internal controls including financial reporting controls. Detailed documentation of bank-wide processes and controls has been completed. Furthermore, the Bank has developed a comprehensive management testing and reporting framework for ensuring the operating effectiveness of key controls and has significantly addressed the identified design improvement opportunities.

Upon satisfactory completion of the Internal Control over Financial Reporting (ICFR) Roadmap, State Bank of Pakistan granted exemption to the Bank in August 2016 from the submission of a Long Form Report (LFR) by external auditors. Further, as per SBP directive vide BSD-1 Circular Letter No. 1 of 2021 of July 06, 2021, the banks which have completed all the stages of ICFR roadmap, are allowed to discontinue submission of Annual Assessment Report on efficacy of ICFR to State Bank of Pakistan. However, SBP may evaluate Annual Assessment Report as part of supervisory assessments. Accordingly, Annual Assessment Report for December 31, 2021 on efficacy of ICFR shall be presented to Board Audit Committee.

The Management considers that the internal control system presently existing is adequate, implemented effectively and continuously monitored. This

statement is also endorsed by the Board of Directors. The Management will endeavor to continue enhancing its coverage and compliance with the SBP guidelines on Internal Controls and thereby strengthening its control environment on an ongoing basis.

Corporate Governance

The Bank prides itself on its good corporate governance by maintaining high levels of professional and business conduct, implementing effective internal controls and audit functions, including risk management framework and complying strictly with both local and international codes of practice.

The Board closely reviews policy-related matters with long-term implications as per regulatory obligations which also meet the Bank's operational requirements. The Management and the Board Committees have been duly constituted with a defined scope of work to ensure that they perform their prescribed functions precisely and efficiently as per their mandate and respective terms of reference.

Corporate and Financial Reporting Framework

The Directors confirm compliance with the Corporate and Financial Reporting Framework of the Securities & Exchange Commission of Pakistan's Code of Corporate Governance for the following:

- The financial statements prepared by the management present fairly the state of affairs of the Bank, the results of its operations, cash flow statement and statement of changes in equity.
- Proper books of accounts of the Bank have been maintained.
- Accounting policies as stated in the notes to the accounts have been consistently applied in the preparation of financial statements and accounting estimates are based on reasonable and prudent judgment.
- International Accounting Standards as applicable to banks in Pakistan have been followed in the preparation of the financial

statements.

- The system of internal controls is sound in design and has been effectively implemented and monitored.
- There are no doubts about the Bank's ability as a going concern.
- There has been no material departure from the best practices of corporate governance, as detailed in the listing regulations.
- The details of outstanding statutory payments, if any, have been adequately disclosed in the financial statements.

Holding Company

Jahangir Siddiqui & Co. Limited, listed on the

Pakistan Stock Exchange Limited, is the holding company of JS Bank Limited, owning 75.02% of the ordinary shares.

Subsidiary Companies

JS Global Capital Limited and JS Investments Limited are subsidiaries of JS Bank with shareholdings of 92.9% and 84.5% respectively. The performance of these companies has been reviewed under the consolidated Directors' Report.

Attendance of Directors in the Board meetings

Five meetings of the Board of Directors were held during the year 2021. The attendance of directors at Board Meetings was as follows:

Name of Director	Eligible to attend	Meetings attended
Mr. Kalim-ur-Rahman – Chairman	5	5
Mr. Adil Matcheswala	5	5
Mr. Ashraf Nawabi	5	1
Mr. G.M. Sikander	5	5
Mr. Hassan Afzal	5	4
Mr. Munawar A. Siddiqui	5	5
Ms. Nargis Ghaloo	5	5
Mr. Sohail Aman	5	5
Mr. Basir Shamsie, President & CEO	5	5

The attendance of directors at Board Committees meetings was as follows:

Name of Director	Audit Committee		Risk Committee		HR Committee		IT Committee	
	Eligible to attend	Meetings attended	Eligible to attend	Meetings attended	Eligible to attend	Meetings attended	Eligible to attend	Meetings attended

Election of Directors

The election of directors of the Bank was held on March 28, 2019 at the AGM wherein eight directors were elected by the shareholders for a period of three years.

Directors Remuneration

The remuneration of directors is fixed by the Board of Directors in accordance with applicable laws. The remuneration for attending meetings of the Board and/or Board Committees is within the scale as is reasonably determined by the Board of Directors, provided that an Executive Director shall not be paid any remuneration for attending Board/Board Sub Committee meetings.

Pattern of Shareholding

The pattern of shareholding at the close of December 31, 2021 as required u/s 227(f) of the Companies Act, 2017 is given on page number 382.

Related Party Transactions

Related party transactions are disclosed at note # 43 to the unconsolidated financial statements and the consolidated financial statements of the Bank for the year ended December 31, 2021.

Corporate & Social Responsibility

The Statement of Corporate & Social Responsibility is included in the Annual Report.

Credit Ratings

The Pakistan Credit Rating Agency Limited (PACRA) has maintained the long-term rating of the Bank at 'AA-' (Double A Minus) and the short-term rating of "A1+" (A One Plus) which is the highest possible short-term rating.

Dividend to Shareholders

No dividend is being paid to the shareholders on the ordinary shares for the year 2021.

Employee Benefit Schemes

JS Bank operates a Staff Provident Fund (the Fund) and funded Gratuity Scheme (the Scheme) covering all its permanent employees.

The contribution made toward the Fund during the year 2021 is PKR 248 million (2020 PKR 229 million). The un-audited balance of the asset of the Fund as of December 31, 2021 was PKR 2,360 million (2020: PKR 2,278 million).

The contribution to be made to the Scheme is Nil for 2021 (2020: PKR 152 million). The un-audited balance of the assets of the Scheme as of December 31, 2021 was PKR 1,130 million (2020: PKR 1,392 million).

Auditors

The current auditors, KPMG Taseer Hadi & Co. Chartered Accountants, being retired offered themselves for reappointment.

Auditors have confirmed that the firm is fully compliant with the International Federation of Accountants' Guidelines of Code of Ethics, as adopted by the Institute of Chartered Accountants of Pakistan (ICAP) and has a satisfactory rating under the Quality Control Review Program of the ICAP.

On the recommendation of the Board Audit Committee, the Board of Directors recommends the appointment of KPMG Taseer Hadi & Co. Chartered Accountants for the year ending December 31, 2021 at the upcoming Annual General Meeting of the Bank.

Evaluation of the Board's Performance

The Board of Directors of JS Bank sets the Bank's strategic direction and ensures that the organization stays true to this direction - enabling it to achieve its long-term objectives while ensuring regulatory compliance. To discharge its fiduciary responsibility of safeguarding the stakeholders' interests, a formal and effective mechanism is put in place for an annual evaluation of the Board's own performance, members of the Board and of its Committees as required by the State Bank of Pakistan and the Securities and Exchange Commission of Pakistan.

The Board of Directors of JS Bank has a good mix of skills, core competencies, diversity, experience, and knowledge and is at the same time committed to strong corporate governance to protect the overall interests of the Bank and its stakeholders.

The Board continually reviews the Bank's financial and operational soundness, governance, internal controls, and significant policies as per regulatory requirements. Further, the Board Committees have been constituted, each with a prescribed mandate and terms of reference.

In line with the best practices of corporate governance, the Board conducts a self-evaluation exercise on an annual basis. The Board of JS Bank in compliance with SBP's Guidelines on Performance Evaluation of Board of Directors and Listed Companies (Code of Corporate Governance) Regulations, 2019 has conducted its self-evaluation. The evaluation covered various aspects of the performance of the Board.

The evaluation was carried out using quantitative method, based on subjective assessment, and was conducted via questionnaires developed by the consultants.

Compliance with the Listed Companies (Code of Corporate Governance) Regulations, 2019.

The requirements of the Listed Companies (Code of Corporate Governance) Regulations, 2019 set out by the Securities & Exchange Commission of Pakistan (SECP) have been adopted by the Bank and have been duly complied with. A Statement to this effect is annexed with the report.

Events after the Date of Statement of Financial Position

There have not been any material events that occurred after the date of the Statement of Financial Position that requires adjustments to the enclosed financial statements.

Acknowledgements

On behalf of JS Bank, we would like to express our gratitude to our valued stakeholders for their continued patronage and support. We would also like to thank the Ministry of Finance, the State Bank of Pakistan, the Securities & Exchange Commission of Pakistan and other regulatory authorities for their guidance and support to our Bank. At the close, we extend our appreciation to all our colleagues at JS Bank for their commitment towards ever greater success and growth.

For and on behalf of the Board,

Basir Shamsie
President & CEO

Adil Matcheswala
Director

ڈائریکٹرز کا انتخاب

بینک کے ڈائریکٹرز کے انتخاب 28 مارچ، 2019 کو اے جی ایم میں منعقد ہوئے جہاں حصص یافتگان نے تین سال کی مدت کیلئے 8 ڈائریکٹرز کا انتخاب کیا۔

ڈائریکٹرز کا معاوضہ

ڈائریکٹرز کا معاوضہ قابل اطلاق قوانین کے مطابق بورڈ آف ڈائریکٹرز کی طرف سے قلمبند ہے۔ بورڈ اور/یا بورڈ کمیٹیوں کے اجلاسوں میں شرکت کا معاوضہ بورڈ آف ڈائریکٹرز کی طرف سے طے شدہ کے مطابق ہے، بشرطیکہ ایگزیکٹو ڈائریکٹر کو بورڈ/بورڈ سب کمیٹی کے اجلاسوں میں شرکت کے لیے کوئی معاوضہ ادا نہیں کیا جائے گا۔

شیئر ہولڈنگ کا پیٹرن

کمپنیز ایکٹ، 2017 کے سیکشن (f) 227 u.s کے تحت 31 دسمبر، 2021 کے اختتام تک کمپنی کے شیئر ہولڈنگ کا طریقہ کار صفحہ نمبر 10 پر دیا گیا ہے۔

متعلقہ پارٹی سے کاروباری لین دین

31 دسمبر، 2021 کو ختم ہونے والے سال کیلئے متعلقہ فریقین کے ساتھ کاروباری لین دین کو بینک کے غیر مربوط اور مربوط مالیاتی گوشواروں کے نوٹس نمبر 43 میں ذکر کیا گیا ہے

انتظامیہ یہ سمجھتی ہے کہ موجودہ انٹرنل کنٹرول سسٹمز میں موثر انداز میں نافذ شدہ ہے اور اس کی مسلسل نگرانی کی جارہی ہے۔ اس بیان کی بورڈ آف ڈائریکٹرز کی طرف سے توثیق کی جاتی ہے۔ انتظامیہ اپنی کوریج کو بڑھانے اور اندرونی کنٹرول پرائس بی پی کی گائیڈ لائنز کی تعمیل جاری رکھنے کی کوشش کرے گی اور اس طرح اس کے کنٹرول کے ماحول کو مسلسل بنیادوں پر مضبوط بنائے گی۔

کارپوریٹ گورننس

بینک کو پیشہ وارانہ اور کاروباری ضابطہ کی اعلیٰ سطح پر قرار رکھ کر، موثر انٹرنل کنٹرول پر عمل درآمد، آڈٹ فنکشنز بشمول رسک مینجمنٹ فریم ورک اور مقامی اور عالمی ضابطوں کی تعمیل کے ذریعے اپنے بہتر کارپوریٹ گورننس پر فخر ہے۔

بینک ریگولیٹری فرائض کے مطابق پالیسی سے متعلق معاملات اور ان کے طویل المدت اثرات کا بڑا بار یک نینی سے جائزہ لیتا ہے جو بینک کے آپریشنل تقاضوں کو بھی پورا کرتا ہے۔ مینجمنٹ اور بورڈ کمیٹی کو کام کے متعین دائرہ کار کے ساتھ یہ یقینی بنانے کیلئے تشکیل دیا گیا کہ وہ اپنے مینڈیٹ اور متعلقہ ٹرمز آف ریفرنس کے مطابق اپنے متعین کام موثر انداز میں سرانجام دیں۔

کارپوریٹ اور فنانشل رپورٹنگ فریم ورک

بینک کے ڈائریکٹرز سیکورٹیز اینڈ ایکس چینج کمیشن آف پاکستان کے کارپوریٹ گورننس کے ضابطہ کے کارپوریٹ اور فنانشل رپورٹنگ فریم ورک کی مندرجہ ذیل کیلئے تعمیل کی تصدیق کرتے ہیں۔ مینجمنٹ کی طرف سے تیار کیے گئے مالیاتی گوشوارے بینک کے امور حیثیت، آپریشنز کے نتائج، کیش فلو سٹیمینٹ اور ایکویٹی میں تبدیلیوں کا سٹیمینٹ کو شفاف انداز میں پیش کرتے ہیں۔ بینک کے اکاؤنٹس کی بکس مناسب طریقہ سے برقرار رکھی گئی ہیں۔

اکاؤنٹنگ پالیسیوں کو جیسا کہ اکاؤنٹس کے نوٹس میں بیان کیا گیا ہے مالیاتی گوشواروں کی تیاری میں مستقل طور پر لاگو کیا گیا ہے اور اکاؤنٹنگ کے تخمینے معقول اور دانشمندانہ فیصلے پر مبنی ہیں۔

مالیاتی گوشواروں کی تیاری میں پاکستان میں قابل اطلاق انٹرنیشنل فنانشل رپورٹنگ سٹینڈرڈز پر عمل درآمد کیا گیا

انٹرنل کنٹرول کا نظام محفوظ طریقہ سے بنایا گیا اور موثر انداز میں نافذ اس کی نگرانی کی جارہی ہے

بینک کی اپنے کاروبار کو جاری رکھنے کی صلاحیت پر کوئی شک و شبہات نہیں جیسا کہ خدشہ ظاہر کیا جا رہا ہے۔

کارپوریٹ گورننس کے بہتر طریقہ کار سے مادی حقائق کا اخراج نہیں کیا گیا جو کہ لسٹنگ ریگولیشنز میں تفصیلی درج ہیں۔

بقایا قانونی ادائیگیوں کی تفصیلات، اگر کوئی ہیں، مالی بیانات میں مناسب طور پر ظاہر کی گئی ہیں۔

ہولڈنگ کمپنی

جہانگیر صدیقی اینڈ کو، لمیٹڈ جو پاکستان ٹاک ایکس چینج لمیٹڈ میں درج ہے، بے ایس بینک لمیٹڈ کی ہولڈنگ کمپنی ہے جو 75.02 فیصد معمولی حصص رکھتی ہے۔

ذیلی کمپنیاں

بے ایس گلوبل کمپیوٹل لمیٹڈ اور بے ایس انوینٹس لمیٹڈ بے ایس بینک کی ذیلی کمپنیاں ہیں جو بالترتیب 92.9 فیصد اور 84.5 فیصد حصص رکھتا ہے۔

بورڈ اجلاسوں میں ڈائریکٹرز کی شرکت

سال 2021 کے دوران بورڈ آف ڈائریکٹرز کے پانچ اجلاس منعقد ہوئے۔ بورڈ اجلاسوں میں ڈائریکٹرز کی شرکت درج ذیل ہے:

ڈائریکٹر کا نام	شرکت کا اہل	اجلاسوں میں شرکت
کلیم الرحمن - چیئر مین	5	5
عادل ماچس والا	5	5
اشرف نوابی	5	1

فولیو کی ملکیت اور بحالی اور آباد کاری کے لیے ورک آؤٹ طریقوں کا تعین کیا جاسکے، جیسا کہ بینک کی ریڈیل مینجمنٹ پالیسی میں درج ہے

انفارمیشن سیکورٹی کے لحاظ سے، انفارمیشن سیکورٹی ڈیپارٹمنٹ سیکورٹی/خطرے کے ساتھ ساتھ خطرے نشاندہی کرتا ہے، اہم آئی ٹی کی نگرانی کرتا ہے، اور پورے بینک میں معلومات اور سائبر سیکورٹی کے خطرات کا انتظام کرتا ہے۔ معلومات کے تحفظ کو بہتر بنانے کے لیے، ابھرتے ہوئے خطرات کی حقیقی وقت کی نگرانی کے ساتھ گہرائی/پرتوں والے حفاظتی ڈھانچے تعینات کیا گیا ہے۔ سائبر سیکورٹی کو مزید مضبوط کرنے کے لیے، بینک ایک عمل پرنی کلچر بنانے، ہول کے استعمال میں پیشگی لانے اور مینجمنٹ/ریگولیٹری رپورٹنگ کو بہتر بنانے اور بے ایس اسٹاف کی سیکورٹی سے متعلق آگاہی کی تربیت کو بڑھانے کے لیے آئی ایس کے عمل میں سرمایہ کاری کرنے کی کوشش کر رہا ہے۔

انٹرل کنٹرول پر بیان

بینک اپنے تمام آپریشنز میں سخت اور موثر کنٹرول قائم کرنے بہت زیادہ زور دیتا ہے۔ صنعت کے بہترین طریقہ کار، اخلاقی معیارات اور ریگولیٹری تقاضوں کی تعمیل کو بینک کی پالیسیوں بنیادی اہمیت حاصل ہے۔ اسی تناظر میں بورڈ آف ڈائریکٹرز ایسی پالیسیاں مرتب کرتے ہیں جو انٹرل کنٹرول کی مجموعی موثریت کی جانچ پڑتال فراہم کرتے ہیں۔

بے ایس بینک کے اندر انٹرل کنٹرول کا مقصد بینک کے آپریشنز کی موثریت اور کارکردگی، بھروسہ مند مالی معلومات اور قابل اطلاق قوانین اور ریگولیٹری تعمیل سے متعلق مناسب اقدامات اٹھانے کی یقینی دہانی فراہم کرتے ہیں۔ تاہم یہ بات تسلیم کی جاتی ہے کہ یہ نظام مادی تبدیلیوں کے حوالے سے غلط بیان یا نقصان سے مکمل نہیں بلکہ مناسب یقین دہانی دے سکتے ہیں کیونکہ اسے غیر متوقع صورتحال میں خطرے کو ختم کرنے کیلئے نہیں بلکہ ان کا انتظام کرنے کیلئے ڈیزائن کیا گیا۔

رسک مینجمنٹ کو موثر انداز میں یقینی بنانے کیلئے بینک میں انٹرل کنٹرول فنکشن کا گورنس کا ڈھانچہ تین دفاعی سطح پر مشتمل ہے۔ پہلی دفاعی لائن خود کاروبار ہے جو بشمول آپریشنل خطرات کی ملکیت قبول کرتا ہے اور اس کے نظم و نسق کا ذمہ دار ہے۔ دوسری دفاعی لائن رسک مینجمنٹ، کمپلائنس اور کنٹرول فنکشنز کی طرف سے فراہم کردہ نگرانی ہے جس کے ذریعے نئے اور موجودہ کاروباری اقدامات کو متاثر کرنے والے خطرات کی نشاندہی اور ان کی شدت کا اندازہ، رسک ماہرین اور برڈنر کے ساتھ خطرے کو کم کرنے کیلئے اقدامات ترتیب دیئے جاتے ہیں، اس کے بعد رسک مینجمنٹ فنکشن کو مناسب اصلاحی اقدامات کیلئے رپورٹ کیا جاتا ہے۔ آخری دفاعی لائن آزاد اور موثر انٹرل آڈٹ فنکشن ہے جو انٹرل کنٹرول کی موثریت کا جائزہ لیتا ہے اور پالیسیوں اور طریقہ کاروں کی تعمیل کی نگرانی کرتا ہے۔

بورڈ آف ڈائریکٹرز کو بورڈ آڈٹ کمیٹی کی طرف سے کمپلائنس رپورٹ سے باقاعدگی سے آگاہ کیا جاتا ہے۔ ترجیح کے طور پر، اندرونی اور بیرونی آڈیٹرز اور ریگولیٹرز کے تمام اہم اور مادی نتائج پر انتظامیہ کی طرف سے توجہ دی جاتی ہے اور اس بات کو یقینی بناتے ہوئے کہ مناسب اصلاحی اقدامات نافذ کیے گئے ہیں۔ خلاف ورزیوں کو کم کرنے، غلطیوں کی تکرار، اور کنٹرول انوائرمینٹ کو مضبوط کرنے کے لیے مناسب نظام موجود ہیں۔ اس کے علاوہ، کمپلائنس فنکشن پورے بینک میں ریگولیٹری تعمیل کو یقینی بنانے کے لیے اپنا مناسب کردار ادا کر رہا ہے۔

مالیاتی رپورٹنگ کنٹرول سمیت اندرونی کنٹرول کی مجموعی موثریت کا جائزہ لینے کے لیے بینک اندرونی کنٹرول سے متعلق ایس بی پی کی گائیڈ لائنز پر پوری تدری سے عمل کرتا ہے۔ بینک کے وسیع عمل اور کنٹرول کی تفصیلی دستاویزات مکمل ہو چکی ہیں۔ مزید برآں، بینک نے کلیدی کنٹرولز کی آپریشنل موثریت کو یقینی بنانے کے لیے ایک جامع انتظامی جانچ اور رپورٹنگ کا فریم ورک تیار کیا ہے۔

فنانشل رپورٹنگ پر انٹرل کنٹرول (آئی سی ایف آر) روڈمپ کی اطمینان بخش تکمیل پر ایس بی پی نے اگست 2016 میں ایکسٹرنل آڈیٹرز کی طرف سے لاگت فارم رپورٹ (ایل ایف آر) جمع کرانے سے متنبی دیا۔ لہذا اس کے بعد سے آئی سی ایف آر کی افادیت پر بورڈ آڈٹ کمیٹی کی طرف سے منظور کردہ سالانہ جائزاتی رپورٹ 31 دسمبر، 2021 کو ایس بی پی کو جمع کرائی جائے گی۔ مزید برآں ایس بی پی کی طرف سے 6 جولائی، 2021 کو جاری کردہ احکام نامہ ایس ڈی سرکلر نمبر 1 آف 2021 کے مطابق ایسے تمام جنہوں نے آئی سی ایف آر روڈمپ کے تمام مراحل کو مکمل کر لیا ہے، انہیں آئی سی ایف آر کی افادیت پر سالانہ اسسٹمنٹ رپورٹ کو جمع نہ کرانے کی اجازت دی ہے۔ تاہم ایس بی پی سپروائزری اسسٹمنٹس کے حصے کے طور پر سالانہ اسسٹمنٹ رپورٹ کا جائزہ لے سکتا ہے۔ اسی طرح آئی سی ایف آر کی افادیت پر 31 دسمبر، 2021 کیلئے سالانہ اسسٹمنٹ رپورٹ بورڈ آڈٹ کمیٹی کو پیش کی جائے گی۔

بی آر ایم سی بینک کی مجموعی رسک پروفائل پر نظر رکھتا ہے۔ منجمنٹ کی اینٹی گریڈ رسک منجمنٹ کمیٹی (آئی آر ایم سی)، پورٹ فولیو منجمنٹ کمیٹی (پی ایم سی)، آپریشنل رسک منجمنٹ کمیٹی (او آر ایم سی)، ایگری کریٹ کمیٹی (ای سی سی)، ریمڈیل منجمنٹ کمیٹی (آر ایم سی)، آئی ٹی سٹیرنگ کمیٹی (آئی ٹی ایس سی) اور ایسٹس اینڈ لائیبلٹی منجمنٹ کمیٹی (ایس ایل سی او) بینک کی سرگرمیوں کی نگرانی اور پہلے سے متعین حدود کے اندر رسک کی سطح کو برقرار رکھنے کیلئے وضع کردہ فریم ورک کے اندر کام کرتی ہے۔ ان کمیٹیوں کا اجلاس مارکیٹ کی پیش رفتوں اور بینک کی مالی اور سیکورٹی رسک کی سطح کا جائزہ لینے کیلئے باقاعدہ سے منعقد ہوتا ہے۔

رسک منجمنٹ اس بات کو یقینی بنانے کیلئے ایک اہم کردار ادا کرتی ہے کہ پورے بینک نظام میں رسک اور رپورڈ کے درمیان مناسب توازن کو برقرار رکھا جائے۔ اس لئے زیر جائزہ سل میں رسک منجمنٹ فنکشن و فریم ورک کو نمایاں طور پر مضبوط اور مستحکم کیا گیا ہے۔ وقف چیف کریڈٹ آفیسر کے تحت علیحدہ کریڈٹ رسک گروپ جو کارپوریٹ، مالی اداروں اور انٹرنیشنل بینکنگ کے کریڈٹ جائزہ کی نگرانی سرانجام دیتا ہے، کریڈٹ ایڈمنسٹریشن اور سٹریٹجک ایسٹس منجمنٹ کا قیام شامل ہے لیکن اس تک محدود نہیں ہے۔ رسک منجمنٹ کے باقی نظم و ضبط میں مارکیٹ اینڈ لیکویڈیٹی، آپریشنل، پورٹ فولیو، پالیسی، ایگریڈیٹ کریڈٹ، کنزیومر اینڈ پروگرام لینڈنگ اور انفارمیشن سیکورٹی رسک چیف رسک آفیسر کے چھتری تلے کام کرتے ہیں۔ بینک نے ڈیجیٹل خطرات سے نمٹنے اور ڈیجیٹل فنانس بزنس کی معاونت کیلئے رسک ماہرین کی ایک مخصوص ٹیم رکھنے کا اقدام اٹھایا ہے۔

مارکیٹ رسک کی میپنگ، نگرانی اور انتظامی رپورٹنگ مستقل بنیادوں پر کی جاتی ہے۔ ٹریڈری ڈل آفس کی معاونت سے مارکیٹ رسک اینڈ ہیزل یونٹ کی طرف سے انٹریسٹ ریٹ رسک، ایکویٹی ایکسپوزر رسک، کرنسی یا فارن ایکسچینج رسک، کراس بارڈر یا کنٹری رسک، مالیاتی اداروں (FI) ایکسپوزر رسک، لیکویڈیٹی رسک اور کپٹل ایڈوکیسی کی شکل میں تمام متعلقہ فنانشل رسک ایکسپوزر کی یومیہ نگرانی کی جاتی ہے۔ بینک نے اپنے سسٹم کی صلاحیتوں کو اپ گریڈ کرنے کے عمل میں ہے اور اس نے تجزیاتی صلاحیتوں کو بڑھانے کے لیے ٹیمپوس انسائٹ رسک انٹیلی جنس سلوشنز (Temenos Insight Risk Intelligence Solutions) کے مارکیٹ رسک ماڈیول کو لاگو کیا ہے اور ریگولیٹری سرمائے اور اثاثہ اور ذمہ داری کے انتظام کے لیے ماڈیول کو لاگو کرنے کا منصوبہ بنایا ہے۔

کمپیوٹل منجمنٹ کے حوالے سے بینک کا طرز عمل اس بات کو یقینی بناتا ہے کہ اس کے پاس اپنی سرگرمیوں سے وابستہ خطرات کو پورا کرنے کے لیے معقول سرمایہ موجود ہے۔ یہ بینک کے کمپیوٹل منجمنٹ کا بنیادی مقصد ہے کہ اس بات کو یقینی بنائے کہ بینک تمام ریگولیٹری سرمائے کے تقاضوں کی تعمیل کرتا ہے اور ساتھ ہی ساتھ اپنے کاروبار کو معاونت فراہم کرنے اور شیئر ہولڈرز کی قدر کو زیادہ سے زیادہ کرنے کے لیے مضبوط کریڈٹ ریٹنگ اور صحت مند سرمائے کے تناسب کو برقرار رکھتا ہے۔

خطرات اور کنٹرول خود جائزاتی (آر سی ایس اے)، آپریشنل ڈیٹا کا نقصان اور خطرات کے اہم اشاریے (کے آر آئی) کی معمول کی نگرانی کے علاوہ آپریشنل رسک منجمنٹ فنکشن کا روبرو کے تسلسل کی پالیسی کو برقرار رکھتا ہے۔ اور مشن کے اہم نظاموں اور خدمات کی سالانہ تشخیص میں سہولیات فراہم کرتا ہے جس میں کسی بھی غیر متوقع واقعات اور غیر یقینی صورتحال کے باعث نقصان آسکتا ہے۔ بینک نے انفارمیشن ٹیکنالوجی کی اوور سٹپ کے تحت ڈیزاسٹر ریکوری (ڈی آر) سائبر اور پلان بھی تشکیل دیا ہے جس کا مقصد نازک حالات اور فنکشنل کمپیوٹر کرنے کیلئے سسٹمز کی زیادہ سے زیادہ دستیابی اور صارفین اور شرکاء اداروں کو خدمات کی فراہمی کو یقینی بنانا ہے۔

کریڈٹ رسک منجمنٹ ایک جاری عمل ہے۔ مجموعی کریڈٹ پالیسی اور کریڈٹ رسک منجمنٹ کی گائیڈ لائنز کی منظوری بورڈ آف ڈائریکٹرز کی طرف سے دی جاتی ہے۔ اس سلسلے میں بینرل کریڈٹ کمیٹی (سی سی سی) کو بینک میں کریڈٹ رسک کی نگرانی اور کنٹرول کرنے کی ذمہ داری سونپی جاتی ہے۔ سی سی سی لینڈنگ پورٹ فولیو میں کریڈٹ رسک کی فعال نگرانی کرنے کیلئے باقاعدگی سے اجلاس منعقد کرتی ہے۔ کریڈٹ فورٹ فولیو کی مستحکم ترقی کو برقرار رکھنے اور مستقبل کے چیلنجز سے نمٹنے کیلئے بینک کے کریڈٹ رسک منجمنٹ کے طریقہ کار کی مسلسل اپ گریڈیشن کی جاتی ہے۔ کریڈٹ رسک منجمنٹ کی نگرانی کی سرگرمیوں کو تیز کرنے کیلئے بینک مین ایک کریڈٹ رسک مانیٹرنگ یونٹ موجود ہے جو ایس بی پی اور بیسل III کے تقاضوں کو پورا کرنے کیلئے باقاعدگی سے فورٹ فولیو کی نگرانی، کریڈٹ رسک منجمنٹ کے ٹولز کی تیاری اور عمل درآمد بشمول صنعتی، جغرافیائی اور شعبہ جاتی حدود کے قیام اور کریڈٹ رسک کو انٹیلیجنس / شماراتی تکنیک وضع کرتی ہے۔ کریڈٹ فورٹ فولیو کے استحکام کی کریڈٹ ایڈمنسٹریشن کے ذریعے نگرانی کی جاتی ہے جو کریڈٹ حدود کے نظم و نسق کے ساتھ ہاؤس کیپنگ کی بھی ذمہ دار ہوتی ہے۔

بینک کریڈٹ مسائل سے جڑے خطرات اور غیر یقینی صورتحال کے حوالے سے باخبر ہے جس کیلئے رسک منجمنٹ کے حوالے سے ایک مختلف اور سخت اپروچ کی ضرورت ہوتی ہے۔ اس سلسلے میں، ایس بی پی کی ریگولیٹری گائیڈ لائنز پر عمل کرتے ہوئے ایک سٹریٹجک ایسٹس منجمنٹ یونٹ موجود ہے تاکہ اصلاحی انتظامی مسائل پر توجہ مرکوز، موثر انتظام کے لیے کلاسیفائیڈ پورٹ

کسٹمر ایکسپیرینس

ہے ایس بینک کسٹمر ایکسپیرینس (سی ای) گروپ بینک اور کلائنٹس کے درمیان بہتر رابطہ کاری کو یقینی بنانے کیلئے بینک کے کلائنٹس تجربات کی منصوبہ بندی اور ان کی نگرانی کرتا ہے۔ سی ای گروپ ایسی حکمت عملیاں تشکیل اور انہیں نافذ کرتا ہے جو صارف کے ساتھ اچھے تعلقات قائم کرنے کیلئے سودمند ہوتی ہیں۔ صارف پر توجہ ہماری بنیادی اقدار میں سے ایک ہے جو شکایات کے ازالہ کے انتظام، شکایت سے نمٹنے اور صارف کی فیڈ بیک کو اہمیت دینے کے ساتھ ساتھ ان کی ضروریات کو سمجھنے اور انہیں بہترین تجربہ کی پیش کش سے ہم آہنگ ہے۔

صارفین کے ساتھ اچھا برتاؤ ہمارے کارپوریٹ کلچر کا ایک لازمی جزو ہے۔ بینک نے ”کنز یومر پروڈکشن فریم ورک“ قائم کیا ہے۔ پراڈکٹس اور سروسز کی تیاری، فروخت اور انتظام کرتے ہوئے ذہن میں صارف کے فائدے کو بغیر کسی امتیاز کے مد نظر رکھنا ہماری ترجیح ہے۔ ہمارا مقصد صارفین کے ساتھ معاملات کی انجام دہی میں شفافیت، واضح بات چیت، سروس کلچر کی تیاری اور شکایات کے ازالے کیلئے میکینزم تشکیل دینا ہے۔ ہم اپنے کنز یومر ایجوکیشن اور فنانشل لٹریسی پروگرام کے ذریعے ذمہ دار طرز عمل کے فروغ اور کنز یومر کی طرف سے مالی فیصلوں کو فروغ دینے کیلئے صارفین کی مالی خواندگی پر توجہ مرکوز کرتے ہیں

رسک مینجمنٹ

بورڈ رسک مینجمنٹ کے بہترین طریقوں پر ان کی اصل روح کے مطابق عمل درآمد کیلئے پرعزم ہے۔ موثر رسک مینجمنٹ کو برقرار رکھنے کیلئے بینک ہسل II/III فریم ورک کے تحت ایس پی پی کی طرف سے جاری ریگولیٹری ہدایات اور دیگر متعلقہ گائیڈ لائنز کے مطابق رسک مینجمنٹ کے مناسب فریم ورک پر عمل درآمد کرتا ہے۔ اس سلسلے میں بینک نے رسک مینجمنٹ پالیسیوں، طریقہ کاروں اور طرز عمل کا جامع نظام تشکیل دے رکھا ہے جو جو بینک کو تمام بڑے خطرات بشمول کریڈٹ، مارکیٹ، لیکویڈیٹی، آپریشنل، ٹیکنالوجی، اور انفارمیشن سیکورٹی کو مناسب طریقے پر کھنکھنے کے قابل بناتا ہے۔

بینک کا مجموعی رسک مینجمنٹ فریم ورک بورڈ آف ڈائریکٹرز (بی او ڈی) / بورڈ رسک مینجمنٹ کمیٹی (بی آر ایم سی) کی نگرانی میں کام کرتا ہے جبکہ بینک کی سینئر انتظامیہ کی طرف سے آپریشنل سطح کے روزمرہ کے فنکشن انجام دیئے جاتے ہیں۔ ایک جامع مربوط رسک مینجمنٹ اپروچ تیار کرنے کی خاطر بینک میں رسک مینجمنٹ کے متعدد پہلوؤں کا انتظام کرنے کیلئے ایک الگ اور آزاد رسک مینجمنٹ فنکشن موجود ہے جبکہ کریڈٹ رسک فنکشنز کو رسک مینجمنٹ کے دیگر متعدد اقسام میں الگ کیا گیا ہے۔ بینک کے اندر رسک مینجمنٹ اپروچ کو مضبوط بنانے کیلئے بورڈ کی طرف سے مندرجہ ذیل اہم پالیسیاں مرتب کی گئیں / جائزہ لیا گیا اور منظوری دی گئی ہے۔

ڈیپازٹس

جے ایس بینک نے کورڈیپازٹ بلخصوص لوکاسٹ ڈیپازٹس (کرنٹ اکاؤنٹس سی اے) میں افزائش پر توجہ مرکوز رکھی۔ بینک کے سال 2021 کا اختتام 461 بلین روپے کے ڈیپازٹس میں کے ساتھ ہوا جس میں سال 2020 کے مقابلے میں 6.4 فیصد اضافہ ہوا۔ ڈیپازٹس میں 12.5 فیصد میں نمایاں اضافہ (کل ڈپازٹس 266 فیصد) دولت مند اور بڑے پیمانے پر متمول مارکیٹ کے حصوں پر توجہ مرکوز کر کے بینک کو زیادہ استحکام، تقویت اور ڈیپازٹ لاگت میں کمی فراہم کر کے بڑھایا گیا ہے۔ بینک نے مختلف شعبوں میں اپنے ڈیپازٹ تعلقات کو وسعت دینے کے لیے کئی اہم اقدامات کیے ہیں جن میں کاروباری اکاؤنٹس، ایمپلائی بینکنگ، کیش منیجمنٹ تعلقات، کارپوریٹ ڈیپازٹس اور ٹیکنالوجی پر مبنی سلو شز شامل ہیں۔

ایڈوانسز

اثاثوں کے حوالے سے ہماری حکمت عملی صارفین کی ضروریات کے لیے ڈیزائن کردہ مکمل پروڈکٹ رینج کے ذریعے مربوط توسیع شامل ہے۔ بینک نے کئی ایس ایم ای حب برانچز کے ذریعے کام کرتے ہوئے ریلیشن لینڈنگ ماڈل کے ذریعے سال اینڈ میڈیم انٹر پرائز (ایس ایم ای) کے منظر نامے پر اپنی توجہ میں اضافہ کا سلسلہ جاری رکھے ہوئے ہے۔ مزید برآں 2021 کے دوران محفوظ صارفین کو قرضوں کی فراہمی کا حجم مستحکم رہا۔ مجموعی طور پر، بینک نے 2021 میں 261 بلین روپے مجموعی ایڈوانسز کا اعلان کیا جس میں گزشتہ سال کے مقابلے میں 2.5 فیصد اضافہ ہوا۔

سرمایہ کاریاں

جے ایس بینک نے 2021 میں 231 بلین روپے کی کل سرمایہ کاری کی جس میں گزشتہ سال کے مقابلے میں 14.7 فیصد اضافہ ہوا۔ ایکویٹی کے تناظر میں سرپلس میں مالی سال 2020 کے مقابلے میں 36 فیصد اضافہ ہوا۔

فیس بزنس

بینک نے فیس سے حاصل ہونے والی روایتی آمدنی کے ساتھ ساتھ نئے اور موجودہ صارفین کو مختلف فیس پر مبنی مصنوعات بیچ کر متوازی ترقی کے ذریعے انٹریسٹ اور فیس پر مبنی انکم کے درمیان محصولات کے امتزاج کو بہتر بنانے کے لیے ٹھوس کوششیں کیں۔

2021 میں انویسٹمنٹ بینکنگ گروپ (آئی بی جی) کو روایتی انویسٹمنٹ بینکنگ سے آگے بڑھاتے ہوئے نئے سرے سے تشکیل دیا گیا۔ آئی بی جی نے روایتی فنڈ بیڈ اور نان فنڈ بیڈ فنانسنگ سہولیات میں نہ صرف شرکت کی بلکہ دیگر خدمات میں فعال طور پر توسیع کی جن میں ٹرسٹی شپ، ایکویٹی، انڈر رائٹنگ، کسٹومائزڈ سروسز اور پرائیوٹ ایکویٹی شامل ہے۔ بینک نے مارسیو نیگل انڈسٹری کیلئے سکوک پر مبنی فنانسنگ کے حصول کیلئے سہولت کی فراہمی میں کامیاب رہا۔ بینک نے رواں سال 16 متنوع لین دین کر کے اپنی مارکیٹ میں پوزیشن کو ثابت کیا۔

ڈیجیٹل

سال 2021 ڈیجیٹل اقدامات کے تناظر میں بینک کیلئے نہایت اہمیت کا حامل رہا۔ بینک نے اپنے ڈیجیٹل برنسز کو ڈیجیٹل مالی سروسز کے دائرہ میں اضافہ کے مقصد کے تحت از سر نو تشکیل دیا۔ ڈی ایف ایس برنس نے واٹس ایپ بوٹ، موبائل بینکنگ اور انٹرنیٹ بینکنگ جیسی ملٹی پل سہولیات کی ترقی اور آغاز کے ساتھ 2021 میں متعدد سنگ میل عبور کئے۔ مزید برآں، ڈی ایف ایس برنس نے واٹس ایپ بوٹ کے ذریعے ڈیجیٹل چیک اور ان پی چیٹ، سی این آئی سی اپ ڈیٹ جیسی سہولیات کا آغاز کیا جو اس پہلے کبھی پاکستان میں دستیاب نہیں تھیں۔ روشن ڈیجیٹل اکاؤنٹ (آر ڈی اے) کے پائلٹ آغاز کے ساتھ ٹیلیٹ بینک کے متعدد اقدامات کو نافذ کیا گیا۔ مزید برآں، جے ایس بینک کا شمار ان پہلے پانچ بینکوں میں ہوتا ہے جنہوں نے ”راست“ اور ڈیجیٹل اکاؤنٹ کھولنے کا کامیاب تجربہ کیا جس سے صارفین اپنے گھروں سے آسانی سے بینک اکاؤنٹ کھول سکتے ہیں۔

اس کے علاوہ جے ایس بینک کا شمار ان چند بینکوں میں ہوتا ہے جو ایک اوپن بینکنگ پلیٹ فارم کے حامل ہے جو سٹارٹ اپ کمیونٹی کو سینڈ باکس انوومنٹ میں اے پی آئی (ایپلی کیشن پروگرامنگ انٹرفیس) کے استعمال اور انضمام کی اجازت دیتا ہے۔

یہ تمام کامیابیاں ڈیجیٹل ڈویژن کی مضبوطی اور اس کی مضبوط بنیادوں کا ثبوت ہیں جو بینکنے پاکستان میں روایتی بینکنگ میں انقلاب برپا کرنے کے لیے قیام کی ہیں۔

ہے۔

دوسری طرف، این پی ایل کی مقدار میں کچھ اضافے کے باوجود، لون انفیکشن کا تناسب (5.3%) صنعت کی اوسط سے نمایاں طور پر کم رہا۔ بینک کی بنیادی آمدنی میں اضافے اور اعلیٰ شرائط نے بھی این پی ایل کو ریٹو کو 2020 میں 35.6% سے 2021 میں 47.2% تک بہتر کرنے میں مدد کی۔

کینیڈل ایڈوکیسی

31 دسمبر، 2021 تک جے ایس بینک کا کینیڈل ایڈوکیسی ریٹو (سی اے آر) 2020 میں 12.77 فیصد کے مقابلے میں 13.77 فیصد رہا۔ ایس بی پی کی طرف سے مقرر کردہ کم سے کم مطلوبہ سی اے آر (بشمول کینیڈل کنزرویشن بفر) 12.50 فیصد ہے۔ تاہم تاہم، اسٹیٹ بینک آف پاکستان نے کورونا وبا کے اثرات کو کم کرنے کے لیے ریگولیٹری ریلیف کے طور پر فی الحال بینکوں کے لیے سی اے آر کی ضرورت کو 12.50 فیصد تک کم کر دیا ہے۔

گزشتہ چھ سالوں کیلئے مالی اعداد و شمار کا خلاصہ ذیل میں دیا گیا ہے

تفصیلات	2021	2020	2019	2018	2017	2016

کاروباری جائزہ

سال میں بیلنس شیٹ میں ایڈوانسز میں معقول توسیع، ڈیپازٹ موبلائزیشن اور فیس کے متنوع کاروباری اعانت سے اضافہ دیکھنے کو ملا۔ بینک کی مجموعی پراڈکٹ حکمت عملی مالی شمولیت کے لیے مالیاتی خدمات تک رسائی کو فروغ دینا، تمام صارفین کے سیکٹس میں صارفین کی ضروریات کی نشاندہی اور انہیں پورا کرنا ہے اور ساتھ ہی ساتھ مسابقت سے الگ رہنے کی کوشش میں مخصوص مارکیٹ کی ضروریات کو بھی پورا کرنا ہے۔

14,124 ملین روپے تک پہنچا۔ سرمایہ کاری میں زیادہ اضافہ نے آئی ڈی آر میں 67 فیصد اضافہ ہوا۔

شرح سود میں زیادہ اضافہ سے اب تک ایڈوانسز کی نمویں کوئی رکاوٹ درپیش نہیں آئی کیونکہ بینکنگ سیکٹر میں سالانہ 19 فیصد اضافہ دیکھنے میں آیا جو 10,149 ملین روپے تک چلا گیا۔ اس کے ساتھ اے ڈی آر میں 48 فیصد اضافہ ہوا۔ مزید برآں مالی سال 2021 کے نو ماہ تک نان پرفارمنگ قرضہ جات 877 ملین روپے تک پہنچ گئے، جس سے سیکٹر کا نفلشن ریلٹو 9 فیصد کے قریب رہا۔

مالی کارکردگی

2021 احتجاج کام سال تھا کیونکہ بینک نے بنیادی منافع کو بہتر بنانے پر کئی توجہ مرکوز کی۔

بینک کا 31 دسمبر، 2021 کو ختم ہونے والے سال کیلئے قبل از ٹیکس منافع 2,209 ملین روپے (بعد از ٹیکس منافع 1,304 ملین) روپے رہا جبکہ گزشتہ سال قبل از ٹیکس منافع 2,023 ملین روپے (بعد از ٹیکس منافع 1,150 ملین روپے) تھا۔ فی حصص آمدنی (ای پی ایس) 1.01 روپے رہی (31 دسمبر، 2020: 0.89 روپے فی حصص)

ہماری ڈیپازٹ بک میں سال بسال کی بنیاد پر 6 فیصد اضافہ ہوا کیونکہ ہم نے غیر منافع بخش ای سی وائی ڈیپازٹس کو متحرک کرنے پر توجہ مرکوز رکھی، جس میں 15.8 فیصد اضافہ ہوا۔ ہم نے اپنی توجہ زیادہ لاگت والے ایف آئی اور ادارہ جاتی ڈیپازٹس پر کم کی اور اوسطاً غیر منافع بخش ڈیپازٹ کی ساخت 2020 میں 22.5 فیصد سے بڑھ کر 2021 میں 25.7 فیصد ہو گئی۔ جس کے باعث ڈیپازٹس کی لاگت میں خاطر خواہ کمی واقع ہوئی۔

ہم قرض دینے کی سرگرمیوں کے حوالے سے بھی قدامت پسند رہے اور اپنی ایڈوانس بک میں صرف تھوڑا سا اضافہ کیا۔ بینک کا مجموعی مقصد پورٹ فولیو کو کم مارجن والے بڑے ٹکٹ کرڈٹ ایکسیپوزز سے چھوٹے ٹکٹ ساز اور کم رسک وینچر والی اعلیٰ مارجن کی حامل پروڈکٹس کی طرف منتقل کرنا تھا تاکہ بنیادی آمدنی کو بہتر بنایا جاسکے اور سرمائے کو مؤثر طریقے سے استعمال کیا جاسکے۔ کسٹمر بک کی تشکیل 5 فیصد سے بڑھ کر 6.5 فیصد ہو گئی ہے۔ تاہم، سال کے دوران ہماری مارکیٹ بک کے ساز میں 42 فیصد اضافہ ہوا ہے اس طرح ہم ہاؤسنگ فنانس کے شعبے میں سب سے زیادہ فعال قرض دہندگان میں سے ایک بن گئے ہیں۔ کامیاب جوان اور ایس بی پی کی سولرفنانسنگ اسکیم نے بھی اچھی کارکردگی کا مظاہرہ کرتے ہوئے مجموعی ایڈوانسز میں 2.5 فیصد کا مجموعی حصہ حاصل کیا۔

ایڈوانسز جمع ہونے کے نتیجے میں ایس بی پی کا اوسط پالیسی ریٹ گزشتہ سال کے 8.9 فیصد کے مقابلے میں 7.1 فیصد رہنے کے باوجود بینک کے کورسپریڈ میں بہتری آئی۔ چنانچہ بینک کی خالص انٹریسٹ انکم 9,777 ملین روپے سے بڑھ کر 11,894 ملین روپے ہوئی جس میں 22 فیصد اضافہ ہوا۔

نان مارک اپ انکم (این ایف آئی) 5,077 ملین روپے رہی۔ فیس اور کمیشن سے حاصل شدہ آمدن کا سب سے زیادہ حصہ تھا (3,207 ملین روپے) تاہم اس میں گزشتہ سال سے کمی ہوئی جس کی وجہ زیادہ سے زیادہ ریٹیل صارفین کو راغب کرنے کیلئے اے ڈی سی پراڈکٹس پر چارجز کی معقولیت ہے۔ ہمارے ٹریڈ کاروبار میں 24 فیصد کی متاثر کن اضافہ ہوا جو بینک کے ڈیپازٹس میں سے بہت زیادہ ہے۔ مزید برآں بینک نے اپنی ذیلی کمپنی سے 574 ملین روپے کے منافع کی آمدن اور 1,187 ملین روپے کی ایف ایکس انکم حاصل کی ہے۔۔ کور برنس کو بہتر بنانے پر توجہ مرکوز کرنے کی وجہ سے ٹریڈنگ سرگرمیاں محدود رہیں جس کے باعث سال میں ٹریڈنگ سے کم منافع حاصل ہوا

سال کے دوران ہم نے اپنے ٹیکنالوجی انفراسٹرکچر کو اپ گریڈ کرنے کا سلسلہ جاری رکھا اور ٹیکنالوجی کی حامل صدی اوئل کو جدید ترین بینکنگ سلوشنز کی فراہمی کیلئے ڈیجیٹل فنانشل سروسز کا آغاز کیا۔ بینک کے ٹیکنالوجی کے حوالے سے اخراجات میں گزشتہ سالوں میں 33 فیصد اضافہ ہوا۔ بہر حال ہم افراط زر کے دباؤ، کرنسی کی قدر میں کمی کے باوجود بینک کے مجموعی آپریٹنگ اخراجات کا انتظام کرنے میں کامیاب ہوئے۔ یہ سب بینک کے برانچ نیٹ ورک کو ہم آہنگ کرنے اور ایچ آر کے غیر ضروری اخراجات کو کم کر کے ممکن ہوا ہے۔ نتیجتاً بینک کی لاگت اور انکم میں تناسب 2020 میں 79.9 فیصد سے بہتر ہو کر 2021 میں 75.2 فیصد ہو گئی۔ NII سے Opex تناسب بھی 75.1 فیصد بہتری کے ساتھ 93.5 فیصد رہا۔ جو کور انکم میں اضافہ کا نتیجہ

ہم 31 دسمبر، 2021 کو ختم ہونے والے سال کیلئے جے ایس بینک لمیٹڈ (”جے ایس بی ایل“) کی 16 ویں سالانہ رپورٹ مع پڑتال شدہ کھاتوں اور آڈیٹرز کی رپورٹس پیش کرنے میں مسرت محسوس کرتے ہیں

اقتصادی جائزہ

حکومت اور مرکزی بینک کی طرف سے سازگار پالیسیوں اور کورونا وبا کے بعد عالمی معیشتوں کی بحالی مالی سال 2021 کے دوران ملکی طلب میں اضافہ کا باعث بنی۔ مالی سال 2021 میں جی ڈی پی کی متاثر کن 5.4 فیصد کی نمو کی بنیادی وجہ مینوفیکچرنگ پر اڈکشن اور ہول سیل اور رٹیل ٹریڈ کی بحالی ہے۔ تاہم کھپت پر مبنی معیشت کی بنا پر یہ بحالی افراط زر کے دباؤ کا باعث بنی۔ چنانچہ سال بہ سال کی بنیاد پر مالی سال 2021 کیلئے افراط زر کی اوسط شرح 8.9 فیصد ریکارڈ کی گئی تاہم اگست 2021 کے بعد اس میں اضافہ ہوا جبکہ سال بہ سال کی بنیاد پر دسمبر کی افراط زر کی شرح 12.3 فیصد رہی۔

اسی دوران بیرونی دباؤ میں بھی اضافہ ہوا کیونکہ ملک کا درآمدی بل سال 2021 کے دوران سال بہ سال کی بنیاد پر 54 فیصد سے 67 بلین امریکی ڈالر تک بڑھ گیا۔ مشینری اور ویکسین کی درآمدات اور اجناس کی بلند قیمتوں کی وجہ سے بڑھتے ہوئے درآمدی بل نے برآمدات میں سال بہ سال 32 فیصد ترقی اور ترسیلات زر میں سال بہ سال کی بنیاد پر 19 فیصد ترقی کو مانع کر دیا۔ نتیجتاً، مجموعی کرنٹ اکاؤنٹ خسارہ سال 2021 میں بڑھ کر 12.3 بلین ڈالر ہو گیا ہے جو کہ سال 2020 کے دوران 245 بلین ڈالر سرپلس تھا۔

کرنٹ اکاؤنٹ خسارے میں اضافہ کے باوجود ملک کے غیر ملکی زرمبادلہ کے ذخائر 31 دسمبر، 2021 تک سال بہ سال کی بنیاد پر 31 فیصد اضافہ کے ساتھ 24 بلین ڈالر رہے جس کی وجہ 2.7 ڈالر کی ایس ڈی آر تخصیص، 3 بلین ڈالر سعودی ڈیپازٹس، یورو بانڈ کا اجرا اور دیگر کثیر جہتی ادوار قدرے شامل ہیں۔ بہر حال ب غیر ملکی ذخائر میں اضافہ بھی فاریکس مارکیٹ کو معاونت فراہم نہیں کر پائے جس کے نتیجے میں سال کے دوران امریکی ڈالر کے مقابلے میں روپے کی قدر میں 9.5 فیصد کمی ہوئی۔

مجموعی طور پر بڑھتی ہوئی مہنگائی اور پاکستانی روپے کی قدر میں کمی کے ساتھ متوقع معاشی بحالی کے باعث ایس بی پی نے سال 2021 میں پالیسی ریٹ کو 275 بی پی ایس سے 9.75 فیصد تک بڑھایا ہے۔ مرکزی بینک کو توقع ہے کہ اگلے مالی سال میں اقتصادی ترقی کی رفتار معتدل ہو جائے گی۔ نتیجے کے طور پر اگرچہ ہیڈ لائن افراط زر بلند رہ سکتا ہے، لیکن اس کی ترقی کی رفتار کم ہو سکتی ہے۔

مالیاتی سطح پر مالی سال 2022 کی پہلی ششماہی کے لیے ایف بی آر کی وصولی 2,915 بلین روپے سے تجاوز کر گئی ہے جس میں سال بہ سال کی بنیاد پر 33 فیصد اضافہ ہوا جس نے 282 بلین روپے کے ہدف کو پیچھے چھوڑ دیا۔ جب کہ مالی سال 21 کے لیے مالیاتی خسارہ جی ڈی پی کے 7.1 فیصد پر تھا۔ مالی سال 2022 کی پہلی سہ ماہی کے اعداد و شمار جی ڈی پی کے 0.8 فیصد پر تھے جو محصولات اور مستقل اخراجات میں اضافے کی عکاسی کرتا ہے۔ اسی مدت کے دوران، کنٹرول شدہ خسارے نے جی ڈی پی کے 0.3 فیصد کے مثبت بنیادی توازن میں کردار ادا کیا۔

بینکنگ سیکٹر کا جائزہ

زیادہ تر سال کیلئے پالیسی ریٹ 7.5 پر برقرار رکھنے کے بعد مائٹنگ پالیسی کمیٹی (ایم پی ایس) نے پالیسی ریٹ میں 275 بی پی ایس کا مجموعی اضافہ کا اعلان کیا جس میں سے زیادہ تر اضافہ کا اعلان کلینڈر سال کے آخری تین ماہ میں کیا گیا۔ تیزی سے اضافہ سے پالیسی ریٹ 9.75 فیصد تک پہنچ گیا۔ دوسری طرف اوسط بینکنگ سپریڈز سال بہ سال کی بنیاد پر 82 بی پی ایس کی سے 4.31 فیصد تک پہنچ گیا۔

بینکنگ سیکٹر کے ذخائر 20,972 بلین روپے تک پہنچ گئے جس میں سال بہ سال کی بنیاد پر 17 فیصد اضافہ ہوا اور ستمبر 2021 کے اعداد و شمار کے مطابق، ڈیپازٹ کس کا مزید چھکاؤ صفر لاگت والے ڈپازٹس کی طرف رہا۔ سرمایہ کاری میں سب سے زیادہ ڈیپازٹس کارحان اس سال بھی جاری رہا اور ساتھ ہی سیکٹر انویسٹمنٹ میں سال بہ سال کی بنیاد پر 22 فیصد اضافہ کے ساتھ

A vertical decorative bar on the left side of the page. It features a black background with a white grid pattern. Overlaid on the grid are several white line graphs and a bar chart. The top section of the bar is a solid orange color, and the bottom section is a solid blue color.

CASH AND CASH EQUIVALENTS AT END OF THE YEAR	35,145,996	31,384,080

DuPont Analysis

Dupont model is a financial ratio based on the return on equity ratio that is used to analyze Bank's ability to increase its return on equity. This is the method of breaking down the original equation for ROE into three components: operating efficiency, asset efficiency, and leverage.

Operating efficiency is measured by Net Profit Margin and indicates the amount of net income generated after taking account all the expenses.

Asset efficiency is measured by the Total Asset Turnover and represents how much revenue has been generated by optimum utilization of the assets. Finally, financial leverage is determined by the Equity Multiplier.

Net operating margin for the year has improved significantly indicating an increase in customer trust, product and service quality.

Improved Leverage ratio explains the Bank is well equipped to meet its financial obligation and commitments.

			2021	2020	2019	2018	2017	2016
Net Operating Margin	PAT / Total Income	A	7.69%	6.99%	0.22%	5.14%	9.45%	19.61%
Asset Utilization	Total Income / Average Assets	B	3.04%	3.28%	2.37%	2.58%	3.12%	4.36%
Return on Assets		C = A X B	0.23%	0.23%	0.01%	0.13%	0.30%	0.85%
Leverage Ratio / Equity Multiplier	Average Assets / Average Equity	D	26.20	26.42	28.12	26.27	19.78	14.90
Return on Equity		C X D	6.12%	6.06%	0.15%	3.48%	5.84%	12.74%

Economic Value-Added Statement

Economic value added is a measure based on the residual income technique that serves as an indicator of the profitability. It takes into account all costs including the opportunity cost of equity and it does not stick to accounting profits only.

	2021	2020
	Rs. in million	
Invested Capital		
Average shareholders' equity	21,308	18,963
Add: Cumulative provision against assets	7,311	5,121
	28,619	24,084

Share Price Sensitivity Analysis

Factors that can influence the share price of JS Bank Limited are given below

Discount rate / Monetary Policy

The monetary policy rate can be changed by the SBP based on given macroeconomic factors. Any volatility in the interest rates may impact revenue and profitability of the Bank and the share price as well.

Minimum Rate of Return on Deposits/Regulatory Risk

Any upward revision in the minimum deposit rate will lead to increased cost of deposits that would squeeze net interest margins earned by the Bank. As a result, the earning and correspondingly the share price of the Bank may be adversely affected.

Inflation

Inflation is one of the key determinants for policy rate change. Increase in inflation would lead to monetary tightening by the SBP, enabling the Bank to invest in high yielding investments, leading to increased profitability and a positive impact on the share price of the Bank.

Political Stability & Law and order situation

Political instability and turmoil would adversely impact the capital market of the Country. As a result, the share price of the Bank may also be negatively affected.

Sensitivity Analysis of Change in Market Capitalization

Share Price as of December 31, 2021	Rs. 4.82
Market Capitalization as of December 31, 2021	Rs. 6,254 million
Change in Share Price by	Change in Market Capitalization
+10%	Rs. 625.4 million
-10%	Rs. (625.4) million

Sensitivity Analysis-Foreign Currency Fluctuations

The rupee experienced a relatively challenging year and saw highs and lows reflecting the economic upturn and the subsequent worsening of the Current account deficit. The year started with rupee reaching a high of 152 in May on the back of stable reserves and expanding economy. However, the delay in resumption of IMF package and burgeoning import bill highlighted the frailty of the exchange rate. The rupee has seen a 12% decline in the fiscal year 21-22.

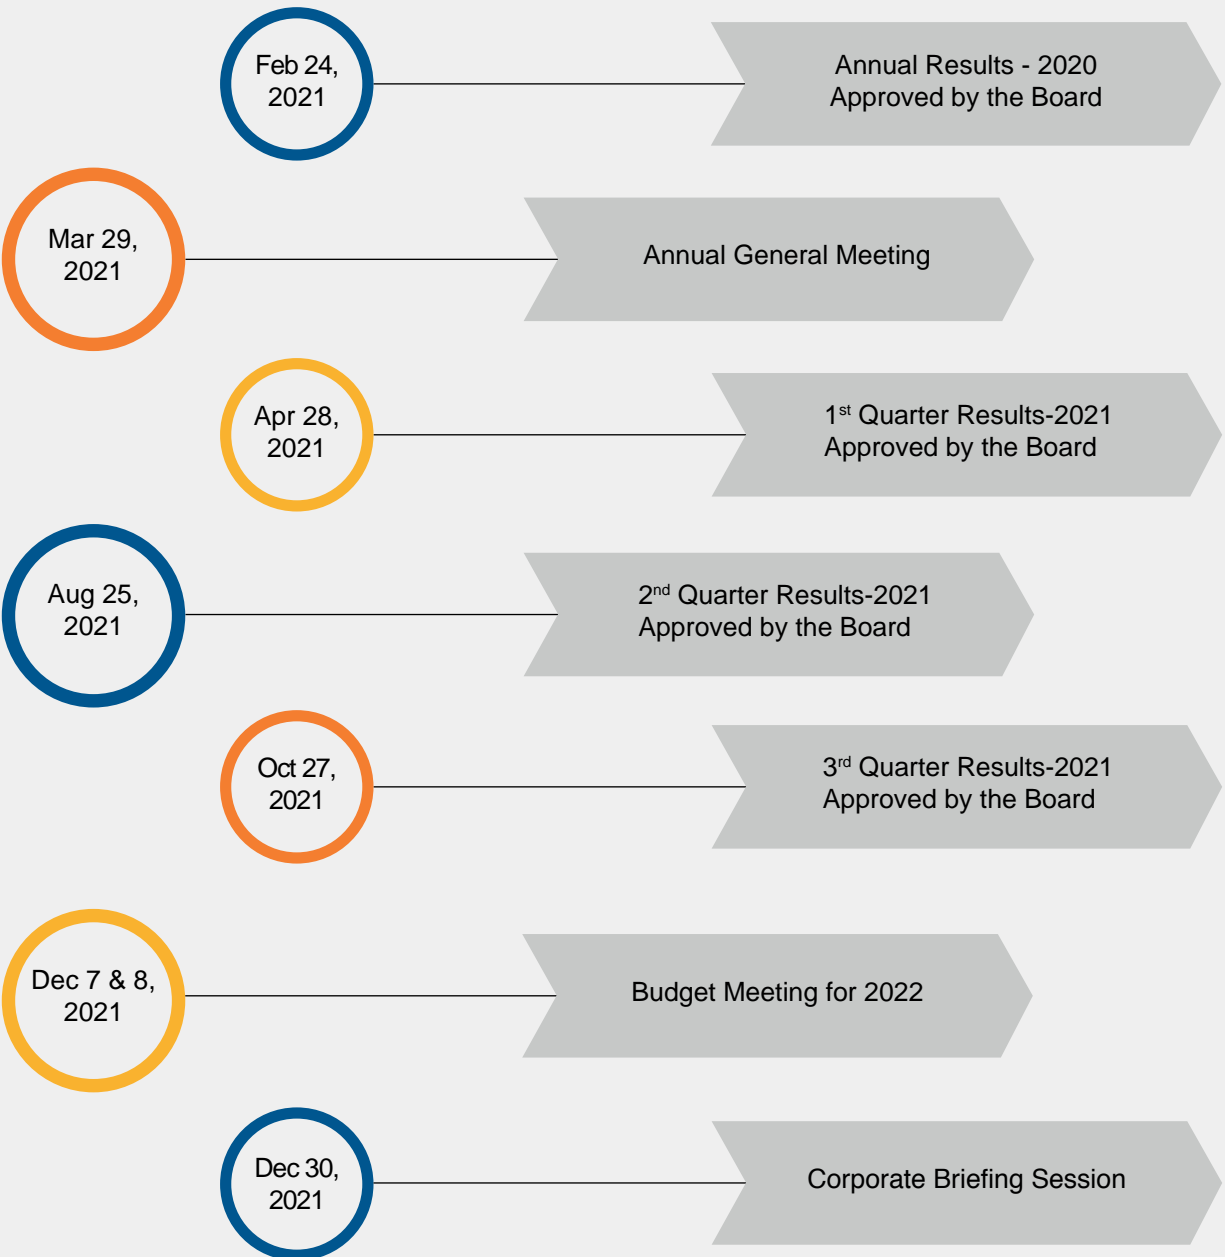

The continuing rapid rise in import bill will further pressure the rupee in the remaining fiscal year. The SBP and government have now decided to combat rising demand by raising interest rates and imposition of new taxes. This should help in reducing the growth quantum of imports and a resumption of IMF program will alleviate pressure further.

The market has now settled around the 176 levels. Despite the reduction in volatility in the last few months our astute management of our dealings in foreign currency has ensured stable earnings. The risk appetite of our bank is determined by the Board and monitored by the risk team. The treasury team proactively manages day to day liquidity, net open positions and FEEL limits of the bank.

The Risk management team ensures adherence to LCR and NSFR ratios as per SBP guidelines. The bank ensures full implementation of BASEL III liquidity standards and liquidity ratios.

Calendar of Major Events - 2021

Value Chain

JS Bank value chain activities can be divided into two categories **Primary Activities** and **Support Activities**. The **Primary Activities** are related to internal and external logistics, marketing and after-sales services. The **Support Activities** are the value activities that sustain and facilitate Primary Activities.

STRATEGY AND RESOURCE ALLOCATION

Strategy and Resource Allocation

JS Bank since its inception has delivered substantial growth and successfully established itself as a mid-tier bank in Pakistan. We are focused on channeling our resources and energy towards driving sustainable growth by facilitating short term operational needs of Small and Medium Enterprises, extending our branch and payment footprint and to provide modern digital banking solutions. As a bank we strive to enable our customers to achieve their life goals by providing beyond banking solutions, easily and quickly.

The bank has recently restructured itself with resilient and highly skilled leadership who are determined to deliver the banks strategic objectives with speed and agility. We have considerably reduced our hierarchy to enable quick decision making and reduce turnaround times to simplify our processes and address customer needs with speed.

Strategic Objectives:

Short Term	<ul style="list-style-type: none">• Continue to focus on digitalization and automation of banking processes, enhance our core offerings, enabling customers to interact and transact digitally by leveraging technology and data for an enhanced user experience. Our focus will also be to design beyond banking solutions for millennial and Gen Z population• Focus on quality and core profitable earnings instead of a growth in headline numbers only through data driven decision making• To have an optimized branch network across the country and to maximize income streams through sustainable profitable growth in deposits, prudent and measured expansion in advances
Medium Term	<ul style="list-style-type: none">• To be a leader within mid-sized banks with a diversified portfolio of products and low NPL, steadily increase our customer base and deposits and to grow our market share in consumer products• Maintain a diversified portfolio of products providing financial solutions to individuals, SMEs, Agriculture customers and public and private sector organizations• To have an end to end digitally enabled banking solution for Gen Zs and millennials
Long Term	<ul style="list-style-type: none">• JS Bank aims to develop itself as a prominent Bank of the country with an international presence, and develop a user experience that transcends conventional banking norms and embeds deeply within the financial eco system of Pakistan's economy• We aim to partner with like-minded organizations to create synergies and build a network of partners that bring value through solutions to our customers, utilizing benefits of synergies created between such partnerships• JS Bank strives to support environmental, social and good governance initiatives for economic growth, social progress and environmental protection

Strategies in Place

We are working towards establishing an optimized and well positioned branch network through focus on operational excellence and customer centricity. We strive to offer all our customers a seamless enhanced customer experience and to maintain standard service levels across all touchpoints. This will be enabled by using data from our digital platforms, studying customer behaviours and patterns and regularly monitoring customer satisfaction indicators.

In our journey to digitize and automate banking solutions, we will work towards increasing penetration of Mobile/Internet banking and continue to focus on developing technologically advanced and secure financial solutions to tech savvy consumers. As people lead increasingly digital lives, we will be focusing on delivering faster, secure and easier digital banking solutions. This will be driven by partnering with technology innovators to enable new customer benefits and ensure our bank and its operations are secure, resilient and adaptable to change.

We will continue to focus on areas and products where we have distinctive capabilities and simplify the way we run Retail and SME banking, focus on our flagship products and develop a profitable suit of consumer and whole sale banking solutions.

Our ambition is also to generate substantial growth in revenue through deposits, and advances and potential-optimization of NFI businesses through increased Trade, Cash Management, Employee Banking and Digital Solutions.

We at JS Bank, firmly believe that energized and motivated teams deliver best results. We will continue to manage and lead teams of skilled and motivated people to support our growth ambitions. Our efforts will be focused on inspiring a dynamic culture where the best want to work and encourage an inclusive culture fostering diversity.

Social and Relationship Capital	<ul style="list-style-type: none"> Build partnerships and collaborate with like-minded organisations to offer innovative products and solutions Partner with relevant organizations to build awareness on sustainable energy solutions

Strategy to Overcome Liquidity Problem

JS Bank actively manages the Bank's liquidity and funding to support our business strategy and meet regulatory requirements at all times, including under stress. To do this, we monitor our position using a number of risk appetite measures, including the liquidity coverage ratio and the net stable funding ratio.

The Bank's Current, Savings and Term deposit base indicates a stable and sound liquidity position. The Bank has also a reasonable portfolio of marketable securities that can be realized in the event of stress. The Bank's Liquidity Coverage Ratio and Net Stable Funding Ratio are well above the regulatory requirement. The Bank has a well-defined Liquidity Contingency Plan for liquidity crisis management,

and detail aspect of liquidity risks are discussed under risk management section of the report.

RISK AND OPPORTUNITIES

Risks and Opportunities

Summarized risks, opportunities and related mitigating factors are documented below:

Risk Type	Materiality Rating	Residual Risk Post Embedded Controls	Strategy	Impacted Capital
Credit Risk	High	Medium	<p>Measurement: Credit Risk Management function under Risk Management Group identifies, measures, manages, monitors, and mitigates credit risk. Credit Risk is measured and estimated through detailed quantitative financial and qualitative factors analysis, internal and external credit risk ratings including facility risk ratings, and customers' behaviour analysis.</p> <p>Monitoring: Credit Risk function carries out review of counterparties through credit proposals and the Credit Admin Department (CAD) function performs post disbursement monitoring including security documentation and limits monitoring. Business functions continuously remain in contact with customers for updated information about the customers.</p> <p>Management: The Bank has a diversified loan portfolio spread over public and private sectors with different industries. Credit Risk Function ensures to minimize credit risk associated with borrowers. Credit & Risk Management Groups have a defined structure with credit approving authorities with Central Credit Committee in place to approve large credit exposures. The Bank has implemented phase-1 of Loan Originating System (LOS) for automated credit approval process in a paperless environment to optimize the turn around time with effective credit and control policies.</p> <p>To further enhance the credit risk analysis, the Bank has in place Internal Credit Risk Rating (ICRR) model for Obligor Risk Ratings (ORR) and Facility Risk Ratings (FRR) for corporate, commercial, and small & medium enterprise borrowers. In addition to it, the Bank will implement Risk Based Pricing model to augment the credit decisioning.</p> <p>The Bank has Portfolio Management Committee (PMC) at management level and Board Risk Management Committee (BRMC) at board level for discussions and deliberations on key risk issues on portfolio level. Periodic meetings are conveyed to oversee the risk exposures at portfolio level.</p>	Financial

Risk Type	Materiality Rating	Residual Risk Post Embedded Controls	Strategy	Impacted Capital
Market Risk	High	Low	<p>Measurement: The Bank is exposed to market risk through its trading and other investment activities including derivatives and options. VaR methodologies augmented by sensitivity analysis, notional limits, management action triggers and stop loss triggers at a script and portfolio level, and stress testing are used to capture and report the various aspects of market risk.</p> <p>Monitoring: The Bank has a separate Market Risk Unit under Risk Management Group that ensures market risk limits will not exceed the tolerance levels set by the Board. Assets & Liability Committee (ALCO) is entrusted to monitor the market risk exposures and limits through meetings on a periodic basis.</p> <p>Management: The Bank is following a balanced approach towards risk taking in the market risk area. The robust risk management architecture ensures that the exposures remain within the defined risk appetite. Dashboards for money market and foreign exchange exposures are being presented to manage the limits and exposures within defined levels.</p>	Financial
Liquidity Risk	High	Low	<p>Measurement: The Bank measures Liquidity Risk as part of its liquidity monitoring activities. The purpose of the liquidity risk assessments and stress tests is intended to ensure sufficient liquidity for the Bank under normal and stress conditions.</p> <p>Monitoring: In line with SBP's directives under Liquidity Risk framework and Basel III guidelines, the Bank regularly monitors liquidity monitoring tools along with Net Stable Funding Ratio (NSFR) and Liquidity Coverage Ratio (LCR). The Bank has also in place established Early Warning Indicators and Liquidity Risk Analysis tools to trigger any point for management attention.</p> <p>Management: The Bank is following liquidity risk management approach to manage funding sources and intraday liquidity management. The Bank's deposit base indicates fair liquidity position and Bank's NSFR and LCR are well above the regulatory requirement.</p> <p>ALCO has the responsibility for liquidity management and contingency funding plan. Underlying policies are approved by the Board in respect of liquidity, investment, and treasury.</p>	Financial

Risk Type	Materiality Rating	Residual Risk Post Embedded Controls	Strategy	Impacted Capital
Operational Risk	Medium	Low	<p>Measurement: The Bank has a defined Operational Risk Management Policy and framework in place. Considering the policy, the Bank manages to have database of operational risks/losses, and Key Risk Indicators (KRI). The Bank analyzes key risks and controls through Risk and Control Self-Assessment (RCSA) exercise covering all critical functions of the Bank. Analyses of operational loss and results of KRIs and RCSAs help the Bank to mitigate risks.</p> <p>Monitoring: The Bank is in a practice to present updates on operational risk and loss events on a periodic basis to senior management and board sub-committee.</p> <p>Management: The Bank has an Operational Risk Management unit under Risk Management Group responsible for managing operational risk tools. There is an Operational Risk Management Committee (ORMC) at management level to oversee various operational risk events. The Bank has initiated awareness programme through workshops and training sessions to build and inculcate risk culture across the Bank.</p>	Financial, Intellectual & Reputational
Capital Adequacy Risk	High	Medium	<p>Measurement: The Bank has a capital base above the regulatory limits and Basel requirements and is following the predefined format and criteria mentioned in the Basel II and III guidelines.</p> <p>Monitoring: The Bank assesses the current and future capital requirements and ensures that the minimum capital requirements specified by the State Bank are adhered to. Regular assessment of capital enables the Bank to evaluate adequacy of the amount, type and distribution of capital required to cover various risks.</p> <p>Management: The Bank's total Capital Adequacy Ratio is above the requirement of 11.50% (including capital conservation buffer of 1.50%). The Bank's Common Equity Tier-1 (CET1) to total risk weighted assets ratio is also above the requirement of 6%. The Bank maintains a leverage ratio above the regulatory limit of 3.0%. The Bank will continue to retain and accumulate profits to capitalize opportunities in short, medium and long term.</p>	Financial

Risk Type	Materiality Rating	Residual Risk Post Embedded Controls	Strategy	Impacted Capital
Country Risk	Low	Low	<p>Measurement: The Bank's country Risk exposure is assessed against the Bank's cross border trade and treasury activities. Risk Tolerance Limits are set for various countries with different country ratings.</p> <p>Monitoring & Management: Market Risk Unit and ALCO are responsible for regular monitoring of risk exposure. Country Exposure Limits both for Trade and Treasury exposures are in place, which broadly capture direct exposure on sovereigns and foreign domiciled counterparties.</p>	Financial
Information Security Risk	High	Medium	<p>Monitoring & Management: The Bank always focuses to provide simplified banking solutions to its customers through innovative technology applications with an aim to protect the customer information from vulnerabilities and threats. The Bank has embedded various controls on the information security and consistently developing more controls.</p> <p>The Bank has developed Information Technology Risk Assessment Framework which enables better management of technology risk, especially information security risks, properly.</p>	Financial & Intellectual
Regulatory Risk	Medium	Medium	<p>Measurement: The Bank takes into consideration all regulatory risks for effective management of changes in legislature and regulatory requirements that may affect the Bank.</p> <p>Monitoring & Management: Compliance Function of the Bank reviews key regulatory developments to anticipate changes and their potential impact on its performance. The Bank aims to keep continued compliance with regulatory requirements.</p>	Financial & Intellectual

Risk Type	Materiality Rating	Residual Risk Post Embedded Controls	Strategy	Impacted Capital
Reputational Risk	Medium	Medium	<p>Monitoring & Management: Reputational risk is managed by maintaining a governance framework, policies, procedures, systems, and customer support arrangement with an aim to proactively minimize reputational risk. We can manage reputational risk through:</p> <ul style="list-style-type: none"> • Existence of a well-articulated and socialized policy statement that the Bank personnel must not engage in activities that could negatively impact its reputation • Existence of socialization of policies such as Code of Conduct, Whistle Blowing and Personal Account Dealing • Refraining from activities that could lead to monetary and non-monetary fines from the Regulators • Avoiding any unfavourable/ negative news in the media 	Financial, Intellectual, Social & Relationship

Opportunity	Strategy
Increasing the Bank's advances portfolio with a focus on agriculture, SME and other segments.	<p>Target niche affluent markets, cross-sell to existing clientele and tap new customers through exciting offers and innovative products.</p> <p>Drive automation to bring efficiencies and reduce turnaround time for loan processing.</p>
Developing new deposit products to strengthen the existing product mix, leverage on the growing landscape of branchless and digital banking opportunities.	Create synergies and partner with technology providers to offer innovative products to our customers.
Expand JS Bank's international footprint.	<p>Develop correspondent banking relationships in new geographies.</p> <p>Digitize foreign remittance channels.</p>
Grow our reach in tech-savvy consumers, millennial and Gen-Z population.	Collaborate with technology innovators and develop beyond banking solutions targeting Urban markets and fast-growing millennial and Gen-Z consumers.

Risk Management Framework

Board's efforts for determining the company's level of risk tolerance by establishing risk management policies.

Risk Governance Structure

- Board of Directors
- Board Risk Management Committee (BRMC)
- Integrated Risk Management Committee (IRMC)
- Management Committees for Risks; including Central Credit Committee (CCC), Portfolio Management Committee (PMC), ALCO, Operational Risk Management Committee (ORMC), Remedial Management Committee (RMC) and IT Steering Committee (ITSC) to review IS related matters
- Risk Management Function under the Chief Risk Officer (CRO) broadly covers Agri Credit Risk, Market & Basel, Enterprise Risk Management, Operational and Environmental Risk, Consumer & Programme Lending Risk, Information Security, Digital Risk and Strategic Projects and Quantitative Analysis
- Credit Risk Function under the Chief Credit Officer (CCO) covers risk heads under corporate, emerging corporate, international, and financial institutions, Special Assets Management and Credit Administration

The Bank has a well-structured risk management framework which is based on three lines of defense; business and support functions directly involved in risk taking activities constitute the first line of defense, Risk and Compliance, being the second line of defense, are responsible for ensuring policies, procedures and limits are within strategic objectives and regulatory requirements, and audit function plays an independent part for overseeing as the third line of defense.

Inadequacy in the Capital Structure and Plans to Address Such Inadequacy

The Bank is not facing any kind of inadequacy in the capital structure and has capital adequacy over and above the regulatory requirement.

Information about default in payment of any debts and reasons thereof

There were no default in the payment of any borrowing/ debt during the year. Bank has sufficient liquidity to fulfill all its commitments.

CORPORATE GOVERNANCE

Corporate Governance

Role and Responsibilities of the Board

Role & responsibilities and prohibitions & restrictions relevant to the directors of JS Bank Limited, as contained in the existing laws and regulations have been prepared, approved by the Board as Directors' Handbook.

The Board is responsible for formulating broad goals and strategies for the Bank. It is also responsible to define and determine policies of the Bank regarding the execution of its functions and approve internal rules for their implementation. The formulation of clear objectives and policies supplies a framework for the Management to work within defined parameters. The Board also helps to set priorities for the Bank. One of the key functions of the Board is to monitor the performance of senior management and its function.

The Board establishes its sub-committees to discharge of its responsibilities. For each sub-committee, the Board adopts a formal Terms of Reference (ToRs) setting out the matters relevant to the composition, roles, functions, responsibilities and administration of such committees. All board sub-committee meetings are held sufficient number of times in a year to discharge its duties.

The Board presently has following sub committees:

1. Board Audit Committee
2. Board Risk Management Committee
3. Board Human Resource, Remuneration and Nomination Committee
4. Board Information Technology Committee

All the Board Sub- committees have access to the appropriate external and professional advice if needed to assist the committee in fulfilling its role.

Annual Evaluation of the Board's Performance

The Board of Directors of JS Bank sets the Bank's strategic direction and ensures that the organization stays true to this direction - enabling it to achieve its long-term objectives while ensuring regulatory compliance. To discharge its fiduciary responsibility of safeguarding the stakeholders' interests, a formal and effective mechanism is put in place for an annual evaluation of the Board's own performance, members of the Board and of its Sub-committees as required by the State Bank of Pakistan and the Securities and Exchange Commission of Pakistan.

The Board of Directors of JS Bank is enriched with skills, core competencies, diversity, experience and knowledge and at the same time committed to strong corporate governance to protect the overall interests of the Bank and its stakeholders. The Board continually reviews the Bank's financial and operational soundness, governance, internal controls and significant policies as per regulatory requirements. Further, Sub-Committees were constituted with a prescribed mandate and respective terms of reference.

In line with the best practices of the corporate governance the Board has conducted self-evaluation exercise on an annual basis by engaging Grant Thornton Anjum Rahman Chartered Accountants (GT) as an external facilitator which is the lead on Corporate Governance and has a team of qualified consultants to conduct board evaluations for companies and banks. The Board of JS Bank in compliance SBP's Guidelines on Performance Evaluation of Board of Directors and Listed Companies (Code of Corporate Governance) Regulation, 2019 has conducted its self-evaluation for the year 2021 by engaging GT. The evaluation covered various aspects of the performance of the Board including but not limited to: Board sub Committees, CEO & Chairman etc.

The evaluation was carried out using quantitative method, based on subjective assessment and was conducted via questionnaires developed by the consultants.

The quantitative technique has the advantage of being specific and measurable. Measurement scale used in the Banks's board evaluation is the summated rating depending on how strongly they agree or disagree with a given statement. The use of this method ensures specific and measurable data that can be benchmarked over time.

Role and Responsibilities of the Chairman

The Chairman of the Board of Directors is responsible for leadership of the Board of Directors and for ensuring that the Board plays an effective role in fulfilling its responsibilities. The Chairman's role entails the following:

- Preside as the chairman at general meetings of the Bank
- Set the agenda of the Board meetings and ensure that reasonable time is available for discussion of the same

- Ensure that minutes of the meetings truly reflect what transpired during the meeting.
- Ensure that the minutes of the meetings are kept in accordance with the requirements of the law
- Ensure that the Board discharges its role effectively and swiftly in line with regulatory requirements.

Role and Responsibilities of the President & CEO

The President & CEO's role constitutes an absolutely engaged position, demanding complete involvement and shepherding of the organization. The role entails the following:

- Ensure execution of the strategy developed by the Board.
- Effectively allocate and manage organizational resources and budgets to ensure achievement of short and mid-term objectives that contribute to the achievement of the long-term strategic goals.
- Establish a system of checks and controls to supplement the growth of the Bank.
- Provide liaison between the Board and the Bank's Management to ensure placement of managerial efforts with Board's directives.
- Encourage a culture of professionalism and high ethical standards within the Bank.
- Facilitate an organizational culture of development of innovative products and services to meet the growing needs of a diverse range of customers

Disclosure if the Board's Performance evaluation is carried out by an external consultant once in three years.

Grant Thornton Anjum Rahman Chartered Accountants (GT) carried out Board's Performance Evaluation.

Details of formal orientation courses for Directors.

The Board Members are regularly provided with update on new applicable laws, rules and regulations including amendments thereto to apprise them with their powers, duties and responsibilities. At the time

of induction of any new director, he/she is provided with the detailed written material in the shape of extracts from relevant laws, rules & regulations on Role, Obligations, Powers and Responsibilities of the Board of Directors

Directors' Training

The directors on the Board are fully conversant with their duties and responsibilities as directors of the Bank. Out of nine directors, six directors have completed Director' Training Program and two directors of the Bank are exempted from the requirement of Directors' Training Program, whereas, remaining one Director will certify himself in due course.

The Bank has effective system to carry out orientation for its directors to acquaint them with the Code, applicable laws and their duties and responsibilities to enable them to effectively govern the affairs of the Bank for and on behalf of shareholders.

Directors' Remuneration

The Bank has formal Directors' Remuneration Policy for non-executive directors including independent directors, which has been approved by the shareholders.

The remuneration of directors is fixed by the Board of Directors in accordance with applicable laws. The remuneration for attending meetings of the Board and/or Board Committees is within the scale as is reasonably determined by the Board of Directors, provided that Executive Director shall not be paid any remuneration for attending Board/Board Sub Committees meetings.

Security clearance of foreign director

In accordance with the regulatory requirements clearance of foreign director(s) is being obtained from the Interior Ministry, Government of Pakistan.

Details of Board meetings held outside Pakistan during the year.

None.

Policy for actual and perceived conflicts of interest relating to members of the Board.

The Bank has an effective system in place to deal with conflicts of interest relating to the Board members. Under this mechanism, any director who has a business or other interest in a matter being presented at a Board meeting does not participate in neither the discussion nor the decision on that

matter. The procedure to handle conflict of interest in the Board meetings is followed strictly and no breach was occurred during the year.

Investors' grievance policy

The Bank had strived for a better understanding and committed to provide its customers/investors with the highest level of service quality and satisfaction and has therefore set-up an independent Service Quality function that manages service quality, phone banking, problem resolution, quality assurance and the fair treatment of customers.

As per SBP Consumer Grievances Handling Mechanism the Bank hold surveys aiming to measure its customer's satisfaction with regard to grievance handling mechanism in place at their end. This is done at least once in two years and the report thereof is to the Board and SBP. Remedial steps are taken to address the defective service areas.

Our focus is to maintain fairness in our customer dealings, clarity in communication, develop a service culture and design an effective grievance handling mechanism. We also focus on financial literacy of our customers, for promoting responsible conduct and informed financial decisions by consumers, through our Consumer Education and Financial Literacy Program.

To create enhanced visibility of its complaint handling function, the Bank has incorporated awareness messages in several customer's communications such as account statements, ATM screens, and letters sent to the customers. For increased accessibility of the recourse mechanism for the customers, the Bank has made the information available on social media and has also sent SMS messages and E-Shots to its customers every quarter

Whistle Blowing Policy

Disclosure of Whistle blowing policy was established to receive, handle complaints in a fair and transparent manner and providing protection to the complainant against victimization, and disclosure of the number of such incidences reported to the Audit Committee during the year.

HR has clear Disciplinary Procedure policy according to which Disciplinary Action Committee explicitly handles all complaints in a fair and transparent manner via a standard process to remove all kinds of biasness and ensure victims and witness's protection. This is also supported by Grievance Redressal and Harassment at Workplace policies.

All employees (full-time, part-time, adhoc, temporary, contract staff, interns and secondees) and outside parties are expected and encouraged to escalate any actual or suspected irregularities, financial malpractices, frauds, forgeries, and improper conduct to any/ all of the following for their attention and appropriate action:

- Head of Human Resources (HoHR).
- Chief Compliance Officer (CCO).
- Chief Internal Auditor (CIA).

The Bank shall make necessary arrangements to provide safe, secure, and confidential reporting channel(s)/ mechanism and implement a whistle-blowing program so that employees and outside parties may escalate their concerns without fear of reprisal or adverse consequences.

Where whistleblower choose to reveal his/ her identity, reasonable efforts shall be made to ensure confidentiality of the whistleblower's identity (unless otherwise required by law or regulatory authority) to prevent discrimination or victimization.

The whistleblower report may be shared with relevant stakeholders (for review, investigation, and appropriate action) strictly on need-to-know basis without disclosing the identity of the whistle-blower.

HoHR, CCO, and CIA shall take appropriate measures to protect the whistleblower from discrimination and/or victimization.

The Internal Audit shall provide summary findings on significant whistleblowing cases to the BAC on quarterly basis.

The BAC shall review the effectiveness of whistle blowing procedures for receiving (through internal or external sources) complaints/concerns. Further, The BAC must ensure that such concerns are treated confidentially, and the reporting employee(s) are protected and not penalized in any matter and employees remain aware of existence of such procedures and encouraged to be a 'whistleblower'.

Social and environmental responsibility policy

JS Bank is deeply committed to Corporate Social Responsibility ("CSR") in Pakistan. The Bank contributes resources both financial and human towards supporting the Mahvash & Jahangir Siddiqui Foundation ("MJSF"). Founded in 2003, MJSF was established by Mr. Jahangir Siddiqui and his wife Mrs. Mahvash Siddiqui, a retired civil

servant and a university professor. MJSF is a leading charitable, non-profit, non-partisan organization primarily focusing on healthcare, education, sustainable development through social enterprise and humanitarian relief. MJSF targets the root causes of poverty in Pakistan and is a major donor to numerous philanthropic endeavors nationwide. The Foundation is registered with Pakistan Center of Philanthropy and Pakistan Red Crescent and is audited annually by KPMG Taseer Hadi & Co.

Through its various initiatives, MJSF aims to build an educated, healthy and prosperous society with dignity and honor for people by providing healthcare, education and promoting economic and social development of underprivileged members of our society. In achieving its mission, the Foundation has also partnered with internationally acknowledged organizations including The United Nations (UN), Provincial Disaster Management Authority Sindh (PDMA), World Food Program (WFP), UN Habitat for Humanity, National University of Singapore (NUS), Weill Cornell Medical College Qatar, International Organization for Migration (IOM) and various international and local academies / foundations for education, disability, healthcare etc.

Related Parties Policy

Transactions with Related Parties are a normal feature of trade, commerce and business. The JS

Bank's Policy ensures that transactions between the Bank and its Related Parties are based on principles of transparency and arm's length pricing. The Bank ensures that it meets its obligations under The Companies Act 2017, The Banking Companies Ordinance 1962, Prudential Regulations of SBP, Code of Corporate Governance, Pakistan Stock Exchange Rule Book, Applicable International Financial Reporting Standards and International Accounting Standards and relevant guidelines and directives while entering into and reporting transactions with Related Parties. Facilities extended to Related Parties should be at Arm's Length basis and on normal terms and conditions applicable to other borrowers of JSBL. Further, JSBL ensures that the standards are not compromised in such cases and market rates are used while extending facilities to Related Parties.

The details of all Related Party Transactions are placed before the Board Audit Committee and upon recommendations of the Committee, the same shall be placed before the Board for review and formal approval.

In the financial statements, which are appended to this Annual Report, the Bank has included adequate disclosures regarding Related Party Transactions while maintaining required protocols.

Business Continuity Plan

The Bank has a Board of Directors' approved Business Continuity Planning Policy ensuring the clear plan is available and maintained for all critical functions of the Bank. Regular periodic testing of BCP has given a confidence to the management that business will continue to work in the event of any disruption occurs and providing satisfaction to the customers and other stakeholders that the Bank can live up to their expectations.

The Business Continuity Plan (BCP) for the Bank aims to enable it to continue offering critical services in the event of a disruption and to survive a disastrous interruption to their information systems. The main objective of developing a BCP and Disaster Recovery Plan (DRP) is to ensure "Business Continuity (BC)" at all times by preempting or avoiding a crisis and/or managing it in such a manner that it causes the least amount of damage/disruption.

The Bank is committed to ensuring the continuity of its critical business and support functions. The BCP and DRP help the Bank in understanding the criticality of its operations and processes under each business, operations and support unit which enables the Bank to plan and develop the relevant backup sites, determine financial resource, manpower, critical documents, and system resource commitments. The Bank always demonstrates its commitment in providing uninterrupted services to its customers and stakeholders in any unusual or contingent scenario and proved its stance under COVID-19 where the Bank adopted proactive approach and alternate / flexible sites were used and even employees worked from home smoothly.

Report of the Audit Committee

The Board Audit Committee comprises of four non-executive directors including two Independent directors, one being Chairman of the Committee. The Committee members as a whole possesses rich diversified experience at various strategic positions which provides the Committee significant economic, financial and business strength for better oversight, supervision, monitoring and control.

The Committee assists the Board to effectively carry out its supervisory oversight responsibilities on financial reporting, compliance, risk assessment and internal controls. The Committee discharged its duties and responsibilities in accordance with the Terms of Reference (TOR) as approved by the Board of Directors, requirements of the Code of Corporate Governance and other directives issued by the State Bank of Pakistan (SBP).

- The Committee ensures the Internal Audit Function of the Bank equipped with the necessary financial, human, operational, physical and technological resources to carry out its mandated responsibilities
- The Committee approves annual risk-based internal audit plan as part of risk assessment process
- The Committee oversees the activities of Internal Audit Function in accordance with the Internal Audit Charter duly approved by the Committee and ensures its independence in the organizational structure
- The Committee ensures that the internal control system including financial and operational controls, accounting system and reporting structure are adequate and effective
- The Committee reviews the Bank's statement on internal controls prior to endorsement by the Board of Directors
- The Committee reviews and reports to the Board any significant matter(s) identified by the Internal Audit Function/External Auditors that warrant Board's immediate attention
- The Committee reviews and recommends the annual financial statements and interim financial information of the Bank to the Board of Directors for approval
- The Committee recommends appointment of External Auditors of the Bank for approval of the Board of Directors

- The Chief Internal Auditor (CIA) shall report functionally to the Audit Committee and administratively to the Chief Executive Officer. The overall staff strength of the Internal Audit shall be decided by the Audit Committee based on network and business volume requirements
- The Committee formulates and documents 'Key Performance Indicators' (KPIs) for CIA and evaluate performance against the set KPIs on annual basis. The Committee also reviews audit rating mechanism for performance appraisal of staff of Branches/Units

Meetings of the Committee

The meetings of the Committee are held to assess overall risk management and control environment of the Bank, review activities of Internal Audit Function and the actions taken by Business and Support Groups for implementation on the Committee observations. During the year, four meetings of the Committee were held and following matters (including significant matters) were discussed:

- Review and approve Risk Based Annual Internal Audit Plan
- Review and recommend to the Board of Directors for approval Internal Audit Policy, Internal Audit Strategy and Terms of Reference of the Committee
- Approve Audit Rating Mechanism
- Review Quarterly Report on Internal Control System and significant findings. In addition, review the management's action plan to ensure that audit observations/ recommendations receive proper and timely attention by the senior management
- Review the annual independent assessment/ opinion of CIA on the state of Bank's internal controls based on the audits conducted over the period
- Review of quarterly, half yearly and annual financial statements; prior to their approval by the Board of Directors
- The Committee oversight and periodically review the ICFR system for effective implementation and its continuous up-gradation
- Review the Management Letter issued by the External Auditors and Management's response thereto

- Recommend to the Board of Directors the appointment of External Auditors
- Review Quarterly Activity Report of Compliance

Internal Controls Framework and Role of Internal Audit Function

The Board of Directors has promulgated policies for assessing the overall effectiveness of the internal control environment. It is the responsibility of senior management to evolve systems and procedures that ensure overall comprehensive controls in the light of Board of Directors guidelines.

To ensure effective management of risk, the governance structure of internal control functions at the Bank consists of three levels of defense. The first line of defense is the business itself which owns its risks, including its operational risk and is responsible for its management. The second line of defense is the oversight provided by the Risk Management, Compliance and control functions who identify and assess risks impacting existing and new business initiatives, coordinate risk mitigation with risk specialists and business, and then report and escalate it to the Risk Management Function for appropriate corrective measures. The last line of defense is an independent and effective Internal Audit Function which reviews the effectiveness and adequacy of internal controls and continues to monitor compliance with policies and procedures.

The Board of Directors is regularly kept up to date about the state of compliance through the Board Audit Committee. As a priority, all significant and material findings of the internal and external auditors and regulators are addressed by the management ensuring that appropriate corrective actions have been implemented.

The Bank diligently follows SBP's Guidelines on Internal Control to evaluate the effectiveness of the

overall set of internal controls including financial reporting controls. A detailed documentation of bank-wide processes and controls has been completed. Furthermore, the Bank has developed a comprehensive management testing and reporting framework for ensuring operating effectiveness of key controls, and has significantly addressed the identified design improvement opportunities.

Upon satisfactory completion of all the stages of SBP's guidelines on Internal Controls over Financial Reporting (ICFR) roadmap, SBP has granted exemption to the Bank from the submission of a Long Form Report (LFR) by external auditors.

Salient Features of Board Committees' TOR

Board Audit Committee (BAC)

Salient Features

- The Audit Committee shall review the effectiveness of the Bank's internal control and operational controls, integrity and adequacy of financial reporting and appraise the audit efforts of the Bank's external auditors and Internal Audit Function (IAF); and review the Bank's process for monitoring compliance with relevant laws and regulations.
- Monitoring compliance with the best practices of corporate governance and identification of significant violations thereof
- Consideration of any issue or matter as may be assigned by the Board of Directors
- Report to the Board any significant matter(s) identified by the IAF / External Auditors that warrant Board's immediate attention
- Ascertaining that the internal control system including financial and operational controls, accounting system and reporting structure are adequate and effective
- Determination of appropriate measures to safeguard the Bank's assets
- Determination of compliance with relevant statutory requirements
- Review the Bank's statement on internal controls prior to endorsement by the Board of Directors
- Consider and approve the Internal Audit Charter
- Review and approve Risk Based Annual Audit Plan
- The BAC shall review the Internal Audit Strategy (IAS) as developed by the CIA and recommend for approval of Board of Directors
- Review scope and adequacy of IAF and ensure that IAF has adequate resources and is appropriately placed within the Bank
- The BAC shall ensure that IAF remains equipped with the necessary financial, human, operational, physical, and technological resources to carry out its mandated responsibilities
- Review major findings of special reviews, internal and external frauds, internal control deficiencies and significant audit issues, and ensure audit recommendations have been effectively implemented
- Review action taken by Business and Support Groups for implementation of Audit Committee observations on issues deliberated in committee meetings
- The BAC shall annually obtain from CIA an independent assessment/opinion on the state of Bank's internal controls based on the audits conducted over the period
- The BAC shall ensure: a) independence of IAF in the organizational structure; b) effectiveness of IAF in overall governance and internal control framework; c) constructive engagement of IAF with the senior management and auditee units etc
- The BAC shall formulate and document 'Key Performance Indicators' (KPIs) for CIA and evaluate his/her performance against the set KPIs on annual basis
- The BAC shall ensure independence of any investigations/disciplinary actions against CIA and Internal Auditors
- The BAC shall review the effectiveness of whistle blowing procedures for receiving (through internal or external sources) complaints/concerns. Further, The BAC must ensure that such concerns are treated confidentially, and the reporting employee(s) are protected and not penalized in any matter and employees remain aware of existence of such procedures and encouraged to be a 'whistleblower'
- Review of quarterly, half yearly and annual financial statements; prior to their approval by the Board of Directors, focusing on major judgmental areas; signification and adjustments resulting from the audit; going concern assumption; any changes in accounting policies and practices; compliance with listing regulations and other statutory and regulatory requirements and all related party transactions
- The committee shall review the Related Party transactions and recommend the same for review and approval by the Board of Directors
- The BAC shall keep oversight and periodically review the ICFR system for effective implementation and its continuous upgradation
- Recommend to the Board of Directors the appointment of External Auditors and consider any questions of their resignation or removal, audit fees and provision of other services in addition to audit of financial statements
- Discuss with External Auditors, major observations arising from interim and final audits and any matter that the auditors may wish to highlight (in the

absence of management, where necessary)

- Review the Management Letter issued by the External Auditors and Management's response thereto
- Ensure coordination between the Internal and External Auditors of the Bank
- Compliance Department shall periodically, on quarterly basis, report to the Board Audit Committee on the Bank's management of its compliance risk and identified gaps, in such a manner as to assist the Committee to make an informed judgment on whether the bank is managing its compliance risk effectively. Compliance Risk to include risks emanating from Money Laundering (ML)/Terrorist Financing (TF), AML/CFT obligations and its allied elements
- Audit Committee is a committee of Board of Directors of JS Bank Ltd from which it derives its authority and to which it regularly reports. In discharging its oversight role, the committee is empowered to investigate any matter brought to its attention, with full power to retain outside counsel or other experts for this purpose

Board Human Resource Remuneration & Nomination Committee (BHRRNC)

- Recommending Human Resource management policies to the Board
- Review and recommend to the Board selection, evaluation, compensation, increments, performance bonuses, succession planning, fringe benefits including service end benefits of the Executive Directors, CEO, Key Executives and any other employee or group of employees institution wide (as and when required by the Board)
- Consideration and approval on recommendation of CEO on such matters for key management positions who report directly to the Chief Executive Officer or Chief Operating Officer or Deputy Chief Executive Officer
- The Committee shall assess whether the remuneration policy is aligned with the significant regulatory requirements including Guidelines on Remuneration Practices issued by the State Bank of Pakistan (SBP). The review may focus on the following:
 - o Criteria for identification of personnel who may subject the Bank to significant risks i.e. Material Risk Takers (MRTs) and Material Risk Controllers (MRCs)

- o Remuneration principles including concept of fixed and variable remuneration, risk adjusted balanced scorecard mechanism to ensure alignment of remuneration with long-term and short-term business objectives of the Bank and incorporate necessary risk adjustments
- o Major types of risks and how these are taken into account for determination of risk adjusted compensation
- o Separate structures of remuneration for MRTs and MRCs
- o Review of scorecards for MRTs and MRCs and their performance evaluation mechanisms
- o Criteria for determining the variable portion of remuneration to be deferred, the period of deferral for different types and levels of employees identified as MRTs or MRCs and payout structure of deferred remuneration
- o Ensure that institution-wide remuneration policy should take into account all cadres of employees. The remuneration policy should specifically take into account the pay gap between the highest-paid and the lowest-paid employees, across various levels as well as across the organisation
- Review the Bank-wide program for implementation of Guidelines on Remuneration Practices, including necessary awareness and change management initiatives, review, progress against roadmap for onward reporting to State Bank of Pakistan (SBP)
- Review the remuneration policy and remuneration setting mechanism at least once every three years. Amongst other factors, the review of the remuneration framework may include but not limited to the effectiveness of remuneration policy and mechanism
- Review and obtain approval for fixed and variable compensation pools from the Board of Directors
- Approve development of a fund for deferred compensation pool management and monitoring progress there against
- Role of BHRRNC in facilitating enablement of Internal Audit and Compliance role in implementation reviews, as per guidelines on remuneration practices
- Receive and consider information from the Bank's risk management, compliance and internal audit functions, to assess the appropriateness of the compensation system relative to the organisational goals and risk profile of the Bank

- Grievance handling & Disciplinary Action Policy
- Guidance for performance management, annual increment and employee recognition programmes
- Monitoring the utilization of training and development budget, and implementation of approved training and development policy
- Review and approval of Provident Fund, Gratuity Fund policies and any other separation benefits or schemes
- Those matters wherein ratification/approval of the Board will be required, the Secretary BHRRC with the approval of its Chairman shall forward Memoranda to the Company Secretary for placing before the Board of Directors

Board Information Technology Committee (BITC)

- The Board IT Committee shall be mainly responsible for advising and reporting to the Board on the status of technology related activities, major IT projects and digital initiatives within JS Bank including but not limited to the following
 - o To review IT and Digital strategies and relevant policies before submission to the Board and make recommendations for strategic decisions on IT related matters
 - o To review progress and implementation of the IT Strategic Plan and deliberate changes to it, as and when required
 - o To ensure the alignment of IT strategy with business strategy, optimization of resources, value delivery and performance measurement to achieve business objectives and effective technology risk management
 - o To ensure that risk management strategies are designed and implemented which have the capability to respond to wide-scale disruptions, including cyber-attacks and attacks on multiple critical infrastructure sectors
 - o To review progress and implementation of various IT projects
 - o To make recommendations on major IT investment decisions and ensure that investments are aligned with IT Strategy approved by the Board.
 - o To review and approve cloud-based outsourcing arrangements in line with the policy approved by the Board of Directors
 - o To review and approve TORs of IT Steering Committee

Board Risk Management Committee (BRMC)

- Ensure implementation of all Risk Management Policies approved by the Board and subsequent monitoring thereof and periodically oversee updating of the risk policies (if the same have not already been approved/reviewed by the BOD) based on changing business requirements as well as SBP guidelines
- Portfolio Reviews including NPLs, remedial actions and strategy for the same
- To approve/review list of shares and margins to be accepted as collateral for Financing Against Shares (FAS). Also to approve/ratify any exceptions to existing FAS requirements as laid down in Credit Policy of the bank
- Approve/review Sector/Industry Concentration guidelines for the overall credit portfolio of the Bank
- To approve/ratify credit bulletins issued by RMG from time to time for effective implementation of Credit Policy/Risk Management Framework
- To ratify any other urgent matter which has been approved by the management subject to subsequent ratification by the Committee
- Review the Market/Liquidity limits as recommended by ALCO/IRMC/CCC as when required
- Delegation of powers to the President / CEO & Group Head Risk Management to appoint credit officers, based on their experience and ability to understand associated risks while approving the credits
- Review of Quarterly Fraud & Forgery statement/report
- Review any other risk related matters/ regulatory changes that warrant discussion at the committee

Management Committees

IT Governance

IT Governance Policy

Technology governance is an integral part of Bank's corporate governance framework consisting of the leadership and organizational structures to ensure the alignment of IT strategy with business strategy, optimization of resources, value delivery and performance measurement to achieve business objectives and effective technology risk management. It is now recognized that technology plays a pivotal role in improving corporate governance and in this context, the need to govern technology and technology enabled business developments to have never been so greater.

A comprehensive enterprise technology governance framework based on prudent practices can help bank in better development of innovative products and services by enabling them to manage technology issues and identify, measure, mitigate, monitor and report technology-based risks and threats. The underlying principle for an enterprise technology governance framework is that technology requirements of an institution follow a pre-defined process that begins with a business need and ends with a technology solution that conforms to the policies approved by the board of directors and senior management. As such, technology governance is an ongoing activity that shall not be considered a onetime effort in the fast-changing technology environment.

The purpose of the technology governance framework is to evaluate the current and future use of technology, direct the preparation and implementation of plans and policies to ensure that use of technology meets business objectives and monitor compliance to policies and performance against the plans. The basic principles of strategic alignment of IT and the business, value delivery to businesses, risk management, resource management (including project management) and performance management shall form the basis of this technology governance framework. Technology governance framework shall be closely aligned with Bank's corporate governance framework and shall cover, among other things, policies and procedures to provide oversight and transparency in the use of technology. Bank is encouraged to adopt relevant aspects of international standards/best practices

for effective and efficient enterprise technology governance.

Scope

Technology governance aims at fully aligning technology and business strategies with each other so that technology risks are identified and controlled as part of the enterprise risk management process. It spans the culture, organizational policies and procedures which provide oversight and transparency to optimize the costs and enable trust, teamwork and confidence in the use of technology itself and the people trusted with technology services. Therefore, the processes for technology governance need to be integrated with the bank's overall corporate governance framework.

The evolving role of technology and automation in the banking services sector has become increasingly complex. Bank employs the advances in technology which drives the efficiency of operations and financial soundness of these institutions by improving overall decision-making process. As technology becomes an integral part of the business and operations of financial institutions, such technology usage and dependence, if not properly managed, may heighten various risks. Bank has developed this policy aimed to enable themselves to keep abreast with the aggressive and widespread adoption of technology.

An IT governance framework comprises definitions, principles and a model for governing IT. The board should govern IT through two main tasks:

- a) Evaluate the current and future use of IT, including strategies, proposals and other arrangements (internal, external, or both).
- b) Monitor the performance of IT against plans and business objectives; and, that the use of IT conforms to internal policies and conforms to external obligations (regulatory, legislation, common law, contractual).

This Policy suggests guidelines for defining the roles and responsibilities pertaining to Information Technology throughout the bank.

A comprehensive IT Governance Framework shall enable bank to evaluate the current and future use

of IT, direct the preparation and implementation of plans and policies to ensure that use of IT meets business objectives and monitor conformance to policies, and performance against the plans. IT Governance framework entails an IT strategy, organizational structures, roles of the board and senior management and IT policy framework.

Broadly an enterprise IT Governance Framework of the bank shall aim to achieve the following institutional objectives:

Strategic Alignment – Alignment of the strategic direction of IT with the business with respect to services & projects and verifying strategic compliance i.e. achievement of organizational objectives through Strategic IT objectives.

Benefit Realization (Value Delivery) – Ensuring that IT delivers the promised benefits against the

strategy, concentrating on optimizing costs & proving the intrinsic value of IT. Bank's IT processes with IT portfolio management shall provide effective and efficient delivery of the IT components of programmes and early warning of any deviations from plan, including cost, schedule or functionality that may impact the expected outcomes of the programs. It shall be ensured that the expected business outcomes of technology based investments are understood; that comprehensive and aligned business cases are created and approved by stakeholders; with active management of the benefit realisation; and efforts required in objectives are achieved.

Human Resource Management Policies

Our HR policies provide written guidance for all our management on how to handle a range of employment issues. They play an important role in practically and effectively implementing our HR strategy. They also provide consistency and transparency for employees and managers, helping to enhance the psychological contract and create a positive organisational culture.

At JS Bank, we understand that the right talent is crucial to succeed in today's hyper-competitive and increasingly complex global economy. Hence along with understanding the need to hire, develop and retain talented people, we are well aware that we must manage talent as a critical resource to achieve the best possible results.

From day one, we went with the Talent First Approach, where we put our people at the center of all aspects of business infrastructure: its digital and physical spaces, processes and culture. And our latest Talent Management Framework is a testimony of this, genuinely increasing the talent pool's efficiency levels, expanding the retention rate and attracting potential leaders.

It is also our pride to be among those organisations that develop talent selflessly and believe that everyone has the potential to grow and develop into indispensable talent if provided the right tools and resources. Hence here at JS Bank, we see a distinctive talent pipeline, precise talent gap analyses and talent development roadmaps as the core of our talent management philosophy.

SPEAK UP POLICY:

Overview

JS Bank is focused on consistently working at the best standards to conduct our activities and business. Integrity is our core value and ingrained in all our business conduct. We endeavor to acquire and maintain the trust of all our stakeholders- employees, customers and partners by serving and managing them professionally and ethically.

Speak up policy is established to receive and handle complaints in a fair and transparent manner and provide protection to complainant against victimisation.

Purpose

The policy provides a channel to Bank's staff and external parties such as shareholders, vendors, customers etc. for raising concerns/complaints about internal business practices that are inconsistent

with generally accepted accounting principles, falsification, alteration or substitution of Bank records, violation of JS Bank's Code of Conduct including: conflicts of interest, Inaccuracy of books and records, insider trading, Collusion with Competitors, money laundering, failure to comply with the various compliance programmes of the Bank, authorising, directing or participating in serious breaches of Bank policy, deliberately failing to report serious breaches of policy, concealing such breaches, or deliberately withholding relevant information concerning a serious breach, or any other wrongdoing without any fear of reprisal or adverse consequences. The objective of the programme is to address/resolve these concerns/complaints to prevent and/or detect improper activities for safeguarding the interest and reputation of the Bank and its stakeholders.

Reporting

All speak up incidences are reported to the Audit Committee during the year. HR has clear disciplinary procedure policy according to which Disciplinary Action Committee explicitly handles all complaints in a fair and transparent manner via a standard process to remove all kinds of biasness and ensure victims and witness's protection. This is also supported by Grievance Redressal and Harassment at Workplace policies.

Protection of Whistle Blowers

As a critical element of the policy, reporting employees are provided with complete confidentiality and security. No adverse employment action, e.g., termination, lower appraisal rating, etc., shall be taken against the whistle-blower employee in retaliation for reporting the incidents on impropriety falling within the scope of Code of Conduct and Whistle-blowing Policy/ Process. In line with the policy guidelines, employees are encouraged to remain vigilant and in case of detecting any abnormal/in appropriate/criminal matter, immediately report the same.

Incentives for Whistle Blowing

Complainant may be awarded spot award (monetary) and recognition, depending upon the nature and gravity of the concerns/complaints.

Diversity & Inclusion policy

JS Bank seeks and values diversity among its employees, recognising that a mix of people enriches our Bank and is essential to creativity and business

growth. As a bank, we are committed to equal employment opportunity and unbiased treatment of all individuals based on job-related qualifications and without regard to race, color, gender, age, national origin, religion, creed, sexual orientation, gender identity, marital status, citizenship, disability, veteran, status or any other basis prohibited by law.

Our people are expected to support the Bank's commitment to diversity and equal employment opportunity. At JS Bank, diversity and inclusion are at the core of our culture. We have made sure to entail to every aspect on our journey when it comes to diversity and inclusion. Be it for women empowerment, people with disabilities or different religious beliefs and background, we have been the ambassador of equity in rights for everyone. It is our priority to bring in programmes to ensure diversity is not only mentioned in words, but in spirit and action. We collaborated with NOWPDP to not only train but hire a batch of people with disabilities into our workforce, making sure they have same responsibilities and same rights as other colleagues. We are the first Bank in the market to establish such a standard, along with ensuring our culture is sensitised and inclusive for dealing with them on a regular basis.

For women, we are doing multiple initiatives including but not limited to Reboot-for females returning to work after career break, lean-in, and creating a digital eco system to enable female entrepreneurs to enhance their business reach and potential, allowing them spaces to grow and earn. We make sure to celebrate every occasion with our people, be it Eid, Christmas, or Diwali. We cherish each of our colleague and do not stay apart from making them feel special. We also won the Global Diversity and Inclusion Award 2020 and 2021 for all our diversity initiatives and policies.

Code of Conduct and other Ethical Values Promoted by the Board

The Code of Conduct is designed to guide the personal business ethics of JS Bank. It applies to every employee of JS Bank. Employees are expected to read the document promptly upon receiving it and embracing it into their daily conduct. At JS Bank, we earn the trust of our customers, regulators, investors and each other by always acting with integrity and holding ourselves to high standards. Acting according to our Code of Conduct is vital for us to be a Bank that achieves sustainable success. In addition to the ethical guidelines included in the Code, employees must comply with the requirements of all applicable

laws and regulations. This is mandatory for everyone and is not subject to business priorities or individual discretion. We aim to create an environment in which "speak up" and challenge are not just welcomed and respected, but are also a core part of our responsibilities, especially where actions or failures to act are inconsistent with this Code.

Our Values:

Integrity – We earn the trust of our customers, other stakeholders, communities and each other by acting with honesty and integrity and holding ourselves to high ethical standards. We seek to maintain open, credible, constructive and transparent relationships between ourselves, our customers and with our regulators.

Customer centricity – We place customers at the center of our activities. To be successful, we must understand the rapidly changing needs of our customers. We aim to provide solutions to support them in value creation. In providing our services, we aim to exceed their expectations from what we promise and treat them fairly.

Teamwork – Teamwork enables individuals to achieve bigger goals which foster a culture of trust and support. We believe in supporting each other and putting team before individual performance. We respect diversity and promote inclusion.

Professional excellence – We have a persistent commitment towards excellence. Our Bank is committed to generating sustainable value by responsibly balancing risks and returns, and by putting long-term success over short-term gain. We do so by implementing and creating abundance of choice for customers.

Innovation – We continuously embrace new and better ways of doing things while taking account of potential risks. Innovation is essential to our success, as it gives us an edge in implementing new ideas, refining services and creating dynamic products leading to business growth by effectively adapting the evolving marketplace.

Other initiatives taken by HR including representation/inclusion of persons with disabilities

JS Bank joined hands with NOWPDP-a non-for-profit organisation working to create inclusion for People with disabilities in the business community. Via this

collaboration, we made explicit commitment to sustainable and transformative progress on disability inclusion across the organisation, and to embrace and empower people with disabilities. The initiative comprised of a comprehensive and wide-ranging policy on disability and an action plan, which served as the primary framework for implementation. We termed this project URAAN-an initiative to embrace and empower people of determination.

1. Policy review: We started with review of our HR policy to ensure it is compliant to the rules and regulations of SBP, and equitable on grounds of representing PWDs. This was the initial step where we reviewed our employment policies and practices to determine where gaps may exist and find ways to create practices that advance diversity, equity and inclusion. The review also considered the international and local best practices. We now have a revised policy in place.
2. Sensitisation surveys: In second step, a perception survey was rolled out to a diverse sample of organisation. The survey helped determine how disability is perceived by the employees of the organisation. This carved the way towards developing sensitisation training sessions. The survey was rolled out to a sample of 10% of the bank wide population, and responses were collected from a total of 241 people across various departments, grades, cities, gender, and multiple other demographic dimensions.
3. Sensitisation sessions: An important step in the program were sensitisation sessions. These sessions aimed at capacity building of our people to work with a diverse workforce, specially PWDs. These were built on the results gathered from survey and created awareness around communicating with PWDs in an apt manner, behavioral changes with respect to those with a disability, and how could they make operating procedures inclusive. We conducted a total of 6 sessions and trained 150 people from across the organisation.
4. Role mapping: We not only wanted to create awareness and let it go, instead we wanted PWDs to come in and join a culture that supports them. A subject area expert

came in from NOWPDP and we had a detailed discussion around onboarding PWDs into our workforce, starting with an internship programme. We discussed criteria and requirements that PWD interns would require to function and be productive, alongwith the job description most suited to their skills. Continuing to the same, our business partners collaborated with their businesses to identify multiple positions across departments where we would place these interns for an exposure of corporate world. Role mapping is what helped us understand the positions which could readily be taken up by PWDs and they could meaningfully participate in all levels of the organisation's workforce. We identified 25 roles.

5. Interviews and onboarding of interns: Once the departments and roles were clear, our team set out to interview and screen best suited candidates. We conducted these interviews at NOWPDP premises, where 25 candidates were shortlisted in a two-days interview process. Post completion, we welcomed these interns into their respective teams, alongwith assigning a BUDDY for EVERYONE. The buddy was responsible to ensure the intern's onboarding is smooth, their concerns are immediately addressed, and they gel in well into their workplace. We also hired an interpreter, who was assigned to all interns and their line manager to ensure the communication was never a problem.
6. Internships, performance evaluation: Amid the 4-weeks internship period, the interns were evaluated via a proper performance evaluation chart, about their performance, learning, will to grow and attitude. On the completion of internship, the line managers filled the evaluation form with their comments and shared it with us to provide feedback on performance. Based on the forms, each intern who scored 40% and above (Fair & above) was retained by us within the organisation on an employment contract for one year, renewable based on performance.

7. Onboarding: The candidates joined us from October 11, 2021. The number of onboarded colleagues is 21 (The ratio of male vs females is 5 females and 16 males).

Remuneration for MRTs

The compensation mix for MRTs is appropriately balanced and the amount of fixed remuneration is sufficiently high in order to ensure that the reduction of the variable remuneration down to zero would be possible.

Further, the variable remuneration of MRTs will be compensated on achieving the pre-determined qualitative and quantitative objectives considering the risk-adjusted performance and long-term health of the Bank. The qualitative factors may override the achievements of quantitative factors in order to discourage undue/excessive risk taking.

Remuneration for MRCs

The remuneration level of staff in the control and support functions/ MRCs allows the Bank to employ qualified and experienced personnel in these

functions. The Bank ensures that the mix of fixed and variable remuneration for control and support function personnel is weighted in favour of fixed remuneration. The variable remuneration of control functions is to be based on function-specific objectives and is not determined by the financial performance of the business areas they monitor. This compensation structure is designed to ensure that objectivity and independence of these functions is not compromised.

Deferral of variable remuneration

The variable compensation of all MRTs, MRCs, and in case of Bahrain operations, approved persons (APs) is subject to mandatory deferrals and malus/ claw back in accordance with the below table:

Deferred variable remuneration is paid proportionately over the three years, even if the person is no more employee of the Bank (subject to the malus provisions).

Employees	Element of Variable Pay	Constitution	Vesting Period	Malus	Claw Back
MRTs	Upfront cash	70%	Immediate	-	No
MRTs	Deferred cash	30%	3 Years	Yes	No
MRCs	Upfront cash	75%	Immediate	-	No
MRCs	Deferred cash	25%	3 Years	Yes	No
MRTs and APs (Bahrain)*	Upfront cash	40%	Immediate	-	No
MRTs and APs (Bahrain)*	Deferred cash	60%	3 Years	Yes	Yes

* MRTs and approved persons earning over BHD 100,000 in total compensation.

Malus and Claw back

The Bank has devised malus and claw back provisions in the relevant policies that allows forfeiture/adjustment of paid variable remuneration in certain adverse business situations. Any decision to hold or claw back individual's award can only be

made by the BHRRNC of the Bank as per events set out in detail in the Bank's remuneration framework and accountability framework.

CORPORATE SOCIAL RESPONSIBILITY

Sustainability and Corporate Social Responsibility

Responsibility to the community in which it operates is a foundational cornerstone for JS Bank and testament to our commitment, JS Bank in collaboration with the Government of Sindh launched Sindh's first ever Drive Through Vaccination Center, as part of its CSR initiative to inoculate the citizens of Pakistan against COVID-19. People could come and get vaccinated in their cars, without any exposure to COVID-19, in a one-of-a-kind drive through facility. More than 50,000 people were vaccinated from the drive through (activity started on 19th July and ended on 30th September). The drive through was operational, come rain or shine, and we are committed to making an impact!

JS Bank creates value by contributing to sustainable development and responsible business within our spheres of operation. We do this by dedicating significant resources to contribute to the well-being of society. We do this through a variety of ways which includes providing climate financing and sustainable solutions, building and inculcating awareness of responsible corporate practices while extending financial grants to our partner organisations working to support the underprivileged.

JS Bank & the Environment

Climate change is a threat multiplier, and there is a fundamental inequality in how people are impacted, with the poorest and those less equipped to withstand climate shocks and stresses— essentially those who did the least to cause the crisis — bearing the brunt. Pakistan, although only contributing 0.9% to global greenhouse gas (GHG) emissions, is one of the most vulnerable countries to the impacts of climate change. At JS Bank, we remain vigilant on climate change and have taken multiple initiatives over the years to mitigate its impact. We take pride in knowing that our initiatives have been acknowledged in the latest NDC of Pakistan and we aim to be one of the first private sector entities to lead public/public sustainable initiatives. We are trying to integrate environmental consciousness as part of organisational culture and reorientation of banking products/services and operations to reduce their environmental impact.

Fully Compliant with State Bank of Pakistan - Green Banking Guidelines

Issued by the State Bank of Pakistan, the Green Banking Guidelines (GBGs) acknowledges the responsibility of the Pakistani financial sector in supporting policy initiatives that will enable the transformation of the economy towards a low carbon and climate resilient economy.

As of 2019, the Bank is fully compliant with the GBGs having undertaken:

- Introduction of an Environmental and Social Risk Management (ESRM) Framework in 2019 creating awareness towards the environmental and social (E&S) risks involved in extension of credit and the procedures and authorities which have been established to manage these risks. The process recognises that environmental and social issues are mainstream issues and E&S risk assessment should be performed in addition to the conventional credit risk assessment. The objective of JS Bank's ESRM is to fulfill our responsibility towards environmental protection and provide financing solution for resource efficient and climate resilient economic transformation.
- Means to identify, assess and mitigate environmental risks for customers. While the primary responsibility of ensuring compliance with environmental laws and regulations rests with the borrowers, JS Bank goes above pre-established standards to create a holistic ecosystem of environmental risk management for all concerned.
- Introduction of carbon reduction measures in self-operations. This extensive exercise including measurement of energy (on and off grid power) and paper consumption of all of JS Bank operating locations (Head Office, regional offices and the branch network). Recognition of gaps was followed by a rectification exercise through promulgation of energy efficient appliances (Inverter and LED based), increased usage of solar power (for technical equipment) and process automation to cut down on documentation.
- Portfolio ERR Analysis: In CY 2021, we facilitated financing for over 3,700+ customers spreading across all our national footprint. From these new customers, less than 1% scored a high Environmental Risk Rating (ERR),

a significant majority of our customers have low to medium environmental impact. For the limited high scoring customers, we regularly monitor and ensure that they remain compliant with relevant Environmental Protective Agency provisions and best practices and take initiatives for our customers to help them adopt a more environmentally approach of doing business.

Accreditation to the Green Climate Fund (GCF)

In 2019, JS Bank became Pakistan's first and only financial institution to have been accredited by the Green Climate Fund (GCF), the world's largest climate fund. GCF's aim is to provide facilities to public and private sector corporations in emerging economies to limit or reduce their greenhouse gas (GHG) emissions through investments in low-emission and climate-resilient programmes.

As an accredited entity, JS Bank will be able to apply for funding of up to USD 250 million per project. As of December 31, 2019, the Fund had 124 active projects worldwide with 348 million beneficiaries and has a pledged total of nearly USD 10 Billion. JS Bank can also mobilise additional funds from private sector investors to support action on climate change. In addition to opening new paths of local and international funding, the Bank can partner in contributions to climate adaptation and mitigation financing in Pakistan.

This approval was based on JS Bank meeting GCF's stringent criteria including fiduciary standards, environmental and social safeguards, and specialised capacities in driving climate action. The bank is currently working on multiple projects to mobilise low-emission climate resilient impact financing through our partnership with GCF.

Green Office Certification – Five Years Running:

JS Bank is the only bank in Pakistan to be Green Office certified and is in its fifth year of being certified by the World Wildlife Fund Pakistan as a Green Office. A practical Environmental Management System developed specifically for office conditions, the Green Office initiative aims to reduce greenhouse gas emissions and decrease the ecological footprint at the workplace by reducing electricity consumption and paper waste.

As a part of the certification process, WWF Pakistan, undertook a comprehensive audit using stringent guidelines to check all the processes and procedures adopted by JS Bank for energy

conversation and waste management at its head office. The Bank successfully met all the requirements set by WWF Pakistan. Among other initiatives, we also separate our waste so that it is much easier to recycle. Effective segregation of waste means that less waste goes to landfills which makes it cheaper and better for people and the environment.

JS Bank initiatives for SDG's during the period 2020-21

SDG Goal 5 – Gender Equality: JS Bank has been on the forefront to equality within the organisation

During the year 2021, JS Bank has enhanced representation of women overall in the organisation and more importantly the company has added diversity in its leadership. JS Bank collaborated with International Finance Corporation and World Bank to create a family friendly workplace. Devised D&I targets for branches & departments bank wide and communicating to relevant staff. JS Bank is also proud to win the Global Diversity and Inclusion benchmark award for the year 2020 for benefits. Furthermore, JS Bank has introduced an initiative known as Reboot- A virtual returning to work programme for females after a career break, in multiple impactful roles.

SDG Goal 10 – Reduce Inequality: JS Bank focuses on Inclusion for All

At JS Bank, we have a mission of “Inclusion for All”, because for us diversity is an opportunity not a challenge. We believe, diversity (Disability, Race, Gender or Culture) offers tremendously unique perspectives that inspires innovation, there we not only strive to become a more diverse, Equitable, & inclusive organisation but we aim to create an impact.

Continuing our mission of Inclusion for all, we kicked our project Uraan, For the “People of Determination” in March 2021. To induct, embed and empower people with disabilities in our workforce, induction of 25 interns amid several departments, along with a comprehensive HR policy review, perception surveys, sensitisation sessions to train organisation, role mapping to identify optimum roles to place interns and getting their internships turned into employment opportunities based on performance. Now we are proud to announce that we have 22 permanent resources in our regular workforce.

SDG Goal 7 – Affordable & Clean Energy

JS Bank has solarized 113 branches representing more than 33% of its total branch network across the country. We continue to increase our reliance on clean energy and overall promote the use of clean renewable energy products. SDG 11 Climate Action: GCF accreditation will enable JS Bank to aggressively take on Climate Action.

SDG 3 – Good Health & Well Being – JS Bank launched Karachi's First Drive Through Vaccination Center.

Solar Financing Solutions

In order to provide solutions that are environmentally friendly, JS Bank has successfully financed over 226 solar projects for commercial, residential and agriculture purposes in CY 2021. It has also been actively working towards reducing the carbon footprint of the country and has deployed approximately 5 MW worth of solar panel systems with a further 18 MW under process. JS Bank customers are now able to generate their own electricity in a hassle-free manner through the solar panel system installed on their businesses / residences / farms without being dependent on the grid for electricity.

Supporting Communities

JS Bank is deeply committed to Corporate Social Responsibility (“CSR”) in Pakistan. The Bank contributes resources both financial and human towards supporting the Mahvash & Jahangir Siddiqui Foundation established in 2003 (“MJSF”). MJSF is a leading charitable, non-profit, non-partisan organisation primarily focusing on healthcare, education, sustainable development through social enterprise and humanitarian relief. Through its various initiatives, MJSF aims to build an educated, healthy and prosperous society with dignity and honor for people by providing healthcare, education and promoting economic and social development of underprivileged members of our society. In achieving its mission, the Foundation has also partnered with internationally acknowledged organisations including The United Nations (UN), Provincial Disaster Management Authority Sindh (PDMA), World Food Programme (WFP), UN Habitat for Humanity, National University of Singapore (NUS), Weill Cornell Medical College Qatar, International Organisation for Migration (IOM) and various international and local academies / foundations for education, disability, healthcare etc.

Partnering with organisations working in the fields of emotional and psychological health, gender, violence against women and children, education, and the psychological and reproductive health of adolescents; JS Bank has worked to create a measurable on-ground impact in the lives of the people of the nation.

We have also extended our support for humanitarian relief in areas affected by flash floods in the Sindh province. This included provision of staple food

items and free primary medical camps at key distribution points in the province. These support activities helped provide relief for several thousand affected in the region.

STAKEHOLDERS RELATIONSHIP AND ENGAGEMENT

Stakeholders Relationship and Engagement

We aim to create value for everyone we serve, balanced across short term assessments to long-term strategic relationship building in a sustainable way. We think about our priority stakeholders as belonging to five groups: shareholders, regulators, customers, society, and employees.

The following tables provide an overview of stakeholder engagements at JS Bank:

Shareholders	We engage with our shareholders in several ways. This includes quarterly earnings statements and Director's Reports, Annual Reports, Annual General Meetings (AGMs) with shareholders and through our online presence such as our website and on social media.
Regulators	Our principal regulator is the State Bank of Pakistan (SBP). JS Bank is committed to meeting its regulatory compliance obligations in an effective manner and fulfilling the regulators' expectations in this regard. For this purpose, the Bank has a well-structured and comprehensive Compliance Program in place and ensures its effective implementation. The Bank is in constant contact with SBP and is committed to providing them with complete and accurate information as and when required. Our senior management commits a significant amount of their time to meeting with SBP for their guidance and support and to keep them well informed on current market events. The regulator is provided with full access to the Bank's records and information in line with the regulatory framework, and the Bank pro-actively seeks SBP's feedback regarding any clarifications or information that is required. Our other regulators are Securities and Exchange Commission of Pakistan (SECP) and Pakistan Stock Exchange (PSX) and we are also complying with their directives.
Customers	<p>We welcome feedback from our customers and use various forums for them to make suggestions so that we can evaluate and improve upon our own performance. The Bank's Complaint Handling Policy and Grievance Redressal Mechanism ensures that complaints are resolved in a timely & fair manner and the recurrence of complaints is prevented where possible. Customers have the option of registering their complaints at the JS Bank's branches, 24/7 phone banking center, its website, via email and post mail.</p> <p>The bank performs various exercises such as rolling out SMS & emails to customers and awareness through social media in order to maximise the utilisation of these channels to further increase the visibility & accessibility.</p>
Communities	We are committed to the communities where we are present. From providing meals during the Holy Month of Ramadan to sponsoring social and cultural events to making sure that we live in a cleaner and greener country. JS Bank is an active participant in ensuring that we are responsible community members and global citizens.
Employees	Our most important stakeholders are our employees. We engage with them through town hall forums, bank-wide events and by providing them with learning and development opportunities.

Step to Encourage Minority Shareholders' Participation in AGMs

JS Bank Limited always provides a forum for two-way engagement with the shareholders, particularly the minority shareholders. To ensure meaningful participation of minority shareholders in AGM, the Bank takes the following measures:

- Notice of AGM is sent to every member of the Bank at least 21 days before the meeting. The notice was published in both English & Urdu newspapers having Nationwide circulation.
- Annual Report of the Bank is sent to each member of the Bank on their registered address before AGM in electronic (CD, email) or hard form (on request).
- During AGM, a detailed briefing on the Bank's performance and future plans is given to the shareholders.
- The shareholders are encouraged to raise queries and give suggestions relating to the Bank's operations.

Issues raised in last AGM, decisions taken and their implementation status

No issues have been raised in last AGM.

Corporate information including quarterly, semiannual and annual reports of the Bank can be accessed on following URL

<https://jsbl.com/knowledge-centre/investor-relations/>

The Bank disseminates information to its investors and shareholders through a mix of information exchange platforms, including its corporate website, maintained in both English and Urdu languages under the applicable regulatory framework. The website is updated regularly to provide detailed and latest Bank information including but not limited to financial highlights, investor information, dividend and other requisite information.

Corporate briefing session

Bank has the practice to conduct annual corporate and investor's briefing session. During the year 2021, teleconferencing session was held on Dec 30, 2021. Notice was issued to the stakeholders through Pakistan Stock Exchange's website to encourage them to attend online session.

JS bank by complying the regulatory requirement has made presentation available on the website <https://jsbl.com/knowledge-centre/investor-information/>

Customer Grievance Redressal Practices

Customer Grievance Redressal policy

JS Bank customer Experience (CE) Group organize, plan and monitor Bank's customer experience on all touchpoints to ensure optimised interaction between the Bank and its customers. CE Group develops and implement strategies useful in improving customer relationship, dedication and satisfaction. Our core values – customer Centricity, resonates directly with effective grievance management, complaint handling and listening to voice of customers to fully understand the needs of our customers, and stakeholders to adapt our product and services and exceed their expectations.

The complaint handling policy and grievance redressal mechanism ensures that complaints are resolved in a timely manner and recurrence of complaints is prevented where possible. Complaint management process is kept as transparent as possible through logging, acknowledgement, interim response where applicable and resolution of complaints. customers are also given the option of contacting the Banking Ombudsman (Mohtasib) in case they are dissatisfied with the response received from the Bank.

To create enhanced visibility of the recourse mechanism available to its customers, the Bank has incorporated awareness messages of its complaint handling function in several customer communications such as account statements, ATM screens and SMS messages. Complete grievance redressal mechanism, touchpoints and online feedback forms have been made available through the Bank's website, and email broadcasts have been sent

to the customers for customer education and awareness.

Fair treatment of customer is an integral part of our corporate culture. The Bank has institutionalized a 'Consumer Protection Framework'. Our priority is to keep customer benefits in mind while designing, selling and managing products and services, without any discrimination. Our focus is to maintain fairness in our customer dealings, clarity in communication, develop a service culture and design an effective grievance handling mechanism. We also focus on financial literacy of our customers, for promoting responsible conduct and informed financial decisions by consumers, through our consumer education and Financial Literacy Programme.

JS Bank Contact Center supports customer interactions across a range of channels, including phone calls, email, SMS chat, Whatsapp, Website form and the emerging adoption of social media interactions, and is distinct from telephony-only call centers. JS Bank Contact Centre is equipped with trained professionals who offer a wide array of information and problem resolution support round the clock. The Customers are further facilitated by key underlying technologies include automatic call distribution, computer-telephony integration and interactive voice response.

Excellence in Corporate Reporting

Unreserved Compliance of International Financial Reporting Standards (IFRS)

The management of the Bank strongly believes in adherence to unreserved compliance with all the Applicable International Financial Reporting Standards (IFRSs) issued by International Accounting Standards Board (IASB) for true and fair presentation of financial statements.

Financial statements for the year have been prepared in accordance with the accounting and reporting Standards, issued by IASB as are applicable in Pakistan. IFRS adoption status is detailed in note 2 of the unconsolidated financial statements.

Adoption and Statement of Adherence with the International Integrated Reporting Framework

The primary objective of this report is to deliver relevant and useful information to the Bank's stakeholders, the Bank's reporting encompasses its strategic focus and future direction. In order to achieve this the reporting incorporates organisational overview and external environment, governance, risks and opportunities, strategy and resource and allocation including outlook. The adoption of integrated thinking approach has resulted in a periodic and holistic report by the Bank and its value creation over time. The reporting links financial and non-financial information to give complete view on the Bank's performance for all relevant stakeholders.

Content Elements Incorporated in our Annual Report

-Organisational Overview, Business and External Environment

JS Bank Limited (JSBL) is a banking company incorporated in Pakistan as a public limited company. The Bank is a subsidiary company of Jahangir Siddiqui & Co. Ltd. (JSCL) and its shares are listed on Pakistan Stock Exchange Limited (PSX).

Governance

The Board of Directors (BoD) is responsible for making goals and strategies of the Bank. Along with determining policies and rules regarding operations of the functions of the Bank, they monitor the performance of the assigned responsibilities to the senior management.

Sustainability and Corporate Social Responsibility

JS Bank is always active in community activities, which include services in the areas of health, environment, sports, social awareness, cultural promotion and the welfare, keeping in mind the greater interest of its employees and customers.

Risks and opportunities

Market risk, credit risk, liquidity risk, operational risk and environmental risks all exist in the Bank's operating environment. To address these risks, the Bank has put in place risk countermeasures that successfully preserve the Bank's capital.

Strategy and Resource Allocation

In establishing strategies to maximize shareholder value, sustainable returns and surpass shareholders' expectations, the Bank determines short, medium, and long term objectives, execution plans, the relationship to operational context, and stakeholder consultation.

Outlook

The Bank may face challenges and risks as a result of the government's fiscal actions, including monetary policy, geopolitical situation, law and order situation, inflation and taxation. We allocate our resources and take remedial actions to retain our market position, protect our capitals and provide the highest possible return to shareholders.

Stakeholder Relationship and Engagement

The Bank ensures sound stakeholder relations through proactive stakeholder management by developing awareness of the multiple and diverse stakeholders of the Bank, understand their involvement and interest in the functions and operations of the Bank.

Performance and Position

The bank assesses its performance and position in relation to Key Performance Indicators (KPIs). In terms of growth, the Bank has done well. Commitment to provide excellent customer service is a reflection of our people's hard work and devotion.

Excellence in Corporate Reporting

The Corporate Reporting Framework is comprised of International Financial Reporting Standards (IFRS), Islamic Financial Accounting Standards (IFAS), the Companies Act of 2017, the Banking Companies Ordinance of 1962, and the SBP and SECP directives. The Bank and its subsidiaries have a financial calendar that runs from January to December. M/s KPMG Taseer Hadi & Co. is the Bank's external auditor. The External Auditors' Report contains key information about the current fiscal year. This report was prepared for the reporting year that ended on December 31, 2021.

INDEPENDENT AUDITORS' REVIEW REPORT

TO THE MEMBERS OF JS BANK LIMITED

REVIEW REPORT ON THE STATEMENT OF COMPLIANCE CONTAINED IN LISTED COMPANIES (CODE OF CORPORATE GOVERNANCE) REGULATIONS, 2019

We have reviewed the enclosed Statement of Compliance with the Listed Companies (Code of Corporate Governance) Regulations, 2019 (the Regulations) prepared by the Board of Directors of JS Bank Limited ("the Bank") for the year ended 31 December 2021 in accordance with the requirements of regulation 36 of the Regulations.

The responsibility for compliance with the Regulations is that of the Board of Directors of the Bank. Our responsibility is to review whether the Statement of Compliance reflects the status of the Bank's compliance with the provisions of the Regulations and report if it does not and to highlight any non-compliance with the requirements of the Regulations. A review is limited primarily to inquiries of the Bank's personnel and review of various documents prepared by the Bank to comply with the Regulations.

As a part of our audit of the financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board of Directors' statement on internal control covers all risks and controls or to form an opinion on the effectiveness of such internal controls, the Bank's corporate governance procedures and risks.

The Regulations require the Bank to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board of Directors for their review and approval, its related party transactions. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board of Directors upon recommendation of the Audit Committee. We have not carried out procedures to assess and determine the Bank's process for identification of related parties and that whether the related party transactions were undertaken at arm's length price or not.

Based on our review, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Bank's compliance, in all material respects, with the requirements contained in the Regulations as applicable to the Bank for the year ended 31 December 2021.

INDEPENDENT AUDITOR'S REPORT

To the members of JS Bank Limited

Report on the Audit of the Unconsolidated Financial Statements

Opinion

We have audited the annexed unconsolidated financial statements of **JS Bank Limited** (the Bank), which comprise the unconsolidated statement of financial position as at 31 December 2021, and the unconsolidated profit and loss account, the unconsolidated statement of comprehensive income, the unconsolidated statement of changes in equity and unconsolidated cash flow statement for the year then ended, along with unaudited certified returns received from the branches except for 25 branches which have been audited by us and notes to the financial statements, including a summary of significant accounting policies and other explanatory information and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of the audit.

In our opinion and to the best of our information and according to the explanations given to us, the unconsolidated statement of financial position, the unconsolidated profit and loss account, the unconsolidated statement of comprehensive income, the unconsolidated statement of changes in equity and unconsolidated cash flow statement together with the notes forming part thereof conform with the accounting and reporting standards as applicable in Pakistan, and, give the information required by the Banking Companies Ordinance, 1962 and the Companies Act, 2017 (XIX of 2017), in the manner so required and respectively give a true and fair view of the state of the Bank's affairs as at 31 December 2021 and of the profit, the comprehensive income, the changes in equity and its cash flow for the year then ended.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the unconsolidated Financial Statements* section of our report. We are independent of the Bank in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

KPMG Taseer Hadi & Co.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following are the Key Audit Matters:

S.No.	Key Audit Matters	How the matter was addressed in our audit
1	<p>Provision against advances (Refer note 10.4 to the financial statements)</p> <p>The Bank's Advances portfolio includes fund-based and non-funded financing facilities.</p> <p>As per the Bank's accounting policy (refer note 4.6.1 to the financial statements), the Bank determines provisions against non-performing financing exposures in accordance with the requirements of Prudential Regulations of State Bank of Pakistan (SBP) in respect of potential credit losses in the portfolio.</p> <p>The Prudential Regulations require specific provisioning against loan losses on the basis of an age-based criteria which should be supplemented by a subjective evaluation of Bank's credit portfolio. The determination of loan loss provision against financing, therefore, involve use of management judgment, on a case to case basis, taking into account factors such as the economic and business</p>	<p>Our audit procedures, amongst others, included the following:</p> <ul style="list-style-type: none"> Assessed the design and tested the operating effectiveness of key controls established by the Bank to identify loss events and for determining the extent of provisioning required against non-performing loans. <p>The testing of controls included testing of:</p> <ul style="list-style-type: none"> Controls over correct classification and provisioning of non-performing advances on time-based criteria; controls over monitoring of advances with higher risk of default and correct classification of non-performing advances on subjective criteria. <ul style="list-style-type: none"> In accordance with the regulatory requirement, we sampled and tested at least sixty percent of the total advances portfolio and performed the following substantive procedures for sample loan accounts: <ul style="list-style-type: none"> verified repayments of loan / mark-up installments and checked that non-performing loans have been correctly classified and categorized based on the number of days overdue; and examined watch list accounts and, based on review of the individual facts and circumstances, discussions with

KPMG Taseer Hadi & Co.

S.No.	Key Audit Matters	How the matter was addressed in our audit
	<p>conditions, borrowers repayment behaviors and realizability of collateral held by the Bank.</p> <p>In view of the significance of this area in terms of its impact on the financial statements and the level of involvement of management's judgment, we identified provision as a significant area of audit judgment and a key audit matter.</p>	<p>management and our assessment of financial conditions of the borrowers, formed a judgement as to whether classification of these accounts as performing was appropriate.</p> <ul style="list-style-type: none"> Analyzed the accuracy of specific provision made against non-performing advances and of general provision by recomputing the provision amount after considering the benefit of forced sales value, if any, in accordance with the criteria prescribed under the Prudential Regulations. <p>Where the management has not identified indicators displaying impairment, reviewed the credit history, account movement, financial ratios, report on security maintained and challenged the management's assessment based on our view of the credit from the review of credit file.</p>
2	<p>Valuation of investments (Refer note 9 to the financial statements)</p>	
	<p>The carrying value of investments held by the Bank amounted to Rs. 231,266 million, which constitutes 39.58% of the Bank's total assets as at 31 December 2021.</p> <p>The significant portion of the investments comprise of government, debt and equity securities.</p> <p>Investments are carried at cost or fair value in accordance with the Bank's accounting policy relating to their recognition. Provision against investments is made based on impairment policy of the Bank which includes both objective and subjective factors.</p>	<p>Our audit procedures, amongst others, included the following:</p> <ul style="list-style-type: none"> Assessed the design and tested operating effectiveness of the relevant controls in place relating to valuation of investments; Assessed on a test basis the valuation of investments in the portfolio, as recorded in the general ledger, to supporting documents, externally quoted market prices and break-up values including the significant and prolonged decline in fair value of equity investments for impairment; Obtained independent confirmations for verifying the existence of the investment portfolio as at 31 December 2021 and reconciled it with the books and records of the Bank. Where such confirmations were not available, alternate procedures were performed;

KPMG Taseer Hadi & Co.

S.No.	Key Audit Matters	How the matter was addressed in our audit
	We identified assessing the carrying value of the investment as a key audit matter because of its significance to the financial statements and because assessing the key impairment assumptions involves management judgment.	<ul style="list-style-type: none"> • Evaluated the Bank's assessment of available for sale and held to maturity financial assets for any additional impairment in accordance with the relevant accounting standards as applicable in Pakistan and performed an independent assessment of the assumptions and conclusions; and • Considered the Bank's disclosures of investments, such as the fair value hierarchy, to the requirements of the accounting standards.
3	Impairment testing of goodwill	
	<p>As at 31 December 2021, intangible assets include goodwill amounting to Rs. 1,463.624 million acquired as a result of scheme of amalgamation as disclosed in note 12 to the financial statements.</p> <p>Goodwill is required to be annually assessed for impairment under IAS-36 "Impairment of Assets". Accordingly, Management has performed an impairment test of the goodwill which is subjective in nature due to assumptions made about future performance.</p> <p>As disclosed in note 12, the Bank uses a discounted cash flow model to determine value in use, on the basis of the certain key assumptions.</p> <p>Due to the significance and impact of the assumptions and judgements involved, the impairment testing of goodwill is considered to be a key audit matter.</p>	<p>Our audit procedures, amongst others, included the following:</p> <ul style="list-style-type: none"> • Evaluated the model used in determining the value in use as well as assessing the discount rate used; • Compared the cash flow forecasts to approved budgets and other relevant market and economic information, as well as testing the underlying calculations; • Involved our internal valuation specialists to review and evaluate management's key assumptions used in impairment calculations; • Performed sensitivity analyses around the key assumptions used in the models. • Assessed the adequacy of the related disclosures in the financial statements in accordance with the applicable financial reporting framework.

KPMG Taseer Hadi & Co.

Information other than the Unconsolidated Financial Statements and Auditors' Report Thereon

Management is responsible for the other information. The Other Information comprises the information included in the Bank's Annual Report but does not include the unconsolidated financial statements, consolidated financial statements and our auditor's reports thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and the Board of Directors for the unconsolidated Financial Statements

Management is responsible for the preparation and fair presentation of the unconsolidated financial statements in accordance with accounting and reporting standards as applicable in Pakistan, the requirements of Banking Companies Ordinance, 1962 and the Companies Act, 2017 (XIX of 2017) and for such internal control as management determines is necessary to enable the preparation of unconsolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the unconsolidated financial statements, management is responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Bank or to cease operations, or has no realistic alternative but to do so.

The Board of directors is responsible for overseeing the Bank's financial reporting process.

KPMG Taseer Hadi & Co.

Auditors' Responsibilities for the Audit of the unconsolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the unconsolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these unconsolidated financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the unconsolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Bank's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the unconsolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Bank to cease to continue as a going concern.

KPMG Taseer Hadi & Co.

- Evaluate the overall presentation, structure and content of the unconsolidated financial statements, including the disclosures, and whether the unconsolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Board of Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide to the Board of Directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the Board of Directors, we determine those matters that were of most significance in the audit of the unconsolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. Based on our audit, we further report that in our opinion:
 - a) proper books of account have been kept by the Bank as required by the Companies Act, 2017 (XIX of 2017) and the returns referred above from the branches have been found adequate for the purpose of our audit;
 - b) the unconsolidated statement of financial position, the unconsolidated profit and loss Account, unconsolidated statement of comprehensive income, unconsolidated statement of changes in equity and unconsolidated cash flow Statement together with the notes thereon have been drawn up in conformity with the Banking Companies Ordinance, 1962 and the Companies Act, 2017 (XIX of 2017) and are in agreement with the books of account and returns;

KPMG Taseer Hadi & Co.

- c) investments made, expenditure incurred and guarantees extended during the year were in accordance with the objects and powers of the Bank and the transactions of the Bank which have come to our notice have been within the powers of the Bank; and
 - d) zakat deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980), was deducted by the Bank and deposited in the Central Zakat Fund established under section 7 of that Ordinance.
2. We confirm that for the purpose of our audit we have covered more than sixty per cent of the total loans and advances of the Bank.

Other Matter

The unconsolidated financial statements of the Bank for the year ended 31 December 2020 were audited by another firm of Chartered Accountants who had expressed an unmodified opinion thereon dated 6th March 2021.

The engagement partner on the audit resulting in this independent auditor's report is Muhammad Taufiq.

The annexed notes from 1 to 49 form an integral part of these unconsolidated financial statements.

President and
Chief Executive Officer

Chief Financial Officer

Director

Director

Chairman

Notes to the Unconsolidated Financial Statements

For the year ended December 31, 2021

1. STATUS AND NATURE OF BUSINESS

- 1.1** JS Bank Limited (the Bank / JSBL) is a banking company incorporated in Pakistan as a public limited company on March 15, 2006. The Bank is a subsidiary company of Jahangir Siddiqui & Co. Ltd. (JSCL) and its shares are listed on Pakistan Stock Exchange Limited (PSX). The Bank commenced its banking operations on December 30, 2006 and its registered office is situated at Shaheen Commercial Complex, Dr. Ziauddin Ahmed Road, Karachi.

The Bank is a scheduled bank, engaged in commercial banking and related services as described in the Banking Companies Ordinance, 1962 and is operating through 281 (2020: 307) branches / sub-branches in Pakistan and one wholesale banking branch in Bahrain (2020: one). The Pakistan Credit Rating Agency Limited (PACRA) has assigned the long-term entity rating of the Bank to AA- (Double A Minus) whereas short-term rating is maintained at 'A1+' (A One Plus), which is the highest possible short-term rating. The ratings denote a very low expectation of credit risk and indicate very strong capacity for timely payment of financial commitments.

- 1.2** Jahangir Siddiqui Investment Bank Limited, JSIBL, (formerly Citicorp Investment Bank Limited which was acquired by JSCL on February 01, 1999), and its holding company, JSCL, entered into a Framework Agreement with American Express Bank Limited, New York (AMEX) on November 10, 2005 for acquisition of its American Express Bank Limited - Pakistan Branches, (AEBL). Consequently, a new banking company, JSBL was incorporated on March 15, 2006 and a restricted Banking License was issued by the State Bank of Pakistan (SBP) on May 23, 2006.

A Transfer Agreement was executed on June 24, 2006 between JSIBL and JSBL for the transfer of entire business and undertaking of JSIBL to JSBL and a separate Transfer Agreement was also executed on June 24, 2006, between AMEX and JSBL for the transfer of AEBL's commercial banking business in Pakistan with all assets and liabilities (other than certain excluded assets and liabilities) (AEBL business). The shareholders of JSIBL and JSBL, in their respective extra-ordinary general meetings held on July 31, 2006, approved a Scheme of Amalgamation (the Scheme) under Section 48 of the Banking Companies Ordinance, 1962. The Scheme was initially approved by the Securities and Exchange Commission of Pakistan (SECP) vide its letter No. SC/NBFC(J)-R/JSIBL/2006/517 dated September 28, 2006. Subsequently, the Scheme was sanctioned by the SBP vide its order dated December 02, 2006 and, in accordance therewith, the effective date of amalgamation was fixed at December 30, 2006.

- 1.3** The Bank is the holding company of JS Global Capital Limited (JSGCL) and JS Investments Limited (JSIL).

- 1.3.1** JS ABAMCO Commodities Limited (JSACL) did not intend to carry on the business of Futures Broker, therefore, the directors of JSIL were desirous of merging JSACL with and into JSIL. The Scheme of Arrangement under Section 284 of the Companies Act, 2017, for merger or amalgamation (the Scheme) of JSACL with and into JSIL, was approved by SECP under Rule 7(2) (cb) of Non-Banking Finance Companies (Establishment and Regulations) Rules 2003 vide its letter dated January 13, 2021. The Board of Directors of JSACL in their meeting held on February 19, 2021 has approved the Scheme with effect from March 31, 2021. Subsequently, the Scheme under section 284(2) of the Companies Act, 2017, submitted with Companies Registration Office, along with Form-35, which was approved dated June 24, 2021. Therefore, with effect from March 31, 2021, JSACL is merged with JS Investments Limited and is no more an indirect subsidiary of the Bank.

2. BASIS OF PRESENTATION

These unconsolidated financial statements are separate financial statements of the Bank in which the investments in subsidiaries and associates are stated at cost and are accounted for on the basis of direct equity interest rather than on the basis of reported results. The consolidated financial statements of the Bank are being issued separately.

These unconsolidated financial statements have been presented in Pakistan Rupees (PKR), which is the currency of the primary economic environment in which the Bank operates and functional currency of the Bank, in that environment as well. The amounts are rounded to nearest thousand except as stated otherwise.

Notes to the Unconsolidated Financial Statements

For the year ended December 31, 2021

The US Dollar amounts shown on the statement of financial position, profit and loss account, statement of comprehensive income and cash flow statement are stated as additional information solely for the convenience of readers and have not been subject to audit by the external auditors. For the purpose of conversion to US Dollars, the rate of Rs. 176.5135 to 1 US Dollar has been used for 2021 and 2020 as it was the prevalent rate as on December 31, 2021.

2.1 Statement of compliance

These unconsolidated financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. These comprise of:

- International Financial Reporting Standards (IFRSs) issued by the International Accounting Standards Board (IASB) as are notified under the Companies Act, 2017;
- Provisions of and directives issued under the Banking Companies Ordinance, 1962;
- Provisions of and directives issued under the Companies Act, 2017; and
- Directives issued by the SBP and the SECP from time to time.

Whenever the requirements of the Banking Companies Ordinance, 1962, the Companies Act, 2017, or the directives issued by the SBP and the SECP differ with the requirements of IFRS, the requirements of the Banking Companies Ordinance, 1962, the Companies Act, 2017 and the said directives shall prevail.

The SBP has deferred the applicability of International Accounting Standard (IAS) 39, 'Financial Instruments: Recognition and Measurement' and International Accounting Standard (IAS) 40, 'Investment Property' for banking companies vide BSD Circular Letter No. 10 dated August 26, 2002 till further instructions. Further, the SECP has deferred the applicability of International Financial Reporting Standard (IFRS) 7, 'Financial Instruments: Disclosures' on banks vide its notification S.R.O 411(I)/2008 dated April 28, 2008. Accordingly, the requirements of these standards have not been considered in the preparation of these unconsolidated financial statements. However, investments have been classified and valued in accordance with the requirements prescribed by the SBP through various circulars.

IFRS 10 "Consolidated Financial Statements" was made applicable from period beginning on or after January 01, 2015 vide S.R.O 633(I)/2014 dated July 10, 2014 by SECP. However, SECP has directed through S.R.O.56(I)/2016 dated January 28, 2016, that the requirement of consolidation under section 228 of the Companies Act, 2017 and IFRS-10 "Consolidated Financial Statements" is not applicable in case of investment by companies in mutual funds established under trust structure. Accordingly, the requirements of these standards have not been considered in the preparation of these unconsolidated financial statements.

The application of the IFRS 9 'Financial Instruments' for all companies to prepare their financial statements in accordance with the requirements of IFRS 9 was implemented by SECP for reporting period / year ending on or after June 30, 2019 through its S.R.O. 229 (I)/2019 dated February 14, 2019. However, State Bank of Pakistan (SBP) has extended the effective date of applicability of IFRS 9 on or after January 01, 2022 through its BPRD Circular No. 24 dated July 05, 2021. The said circular contained instructions only for quarterly parallel run reporting of IFRS 9 from March 31, 2021 and onwards of which the Bank is adequately complied. Whereas it was stated that final instructions will be issued based on the results of parallel reporting, which are yet to be issued.

As of reporting date, the guidelines and instructions on the application of IFRS 9 for the banking sector of Pakistan are yet to be issued by the State Bank of Pakistan (SBP). The Bank has continued to fulfil the requirements of Prudential Regulations and other SBP directives currently provide the accounting framework for the measurement and valuation of assets and provision/ impairment against non-performing assets.

2.2 The following International Financial Reporting Standards (IFRS Standards) as notified under the Companies Act, 2017 and the amendments and interpretations thereto will be effective for accounting periods beginning on or after 1 January 2022:

Notes to the Unconsolidated Financial Statements

For the year ended December 31, 2021

- Onerous Contracts – Cost of Fulfilling a Contract (Amendments to IAS 37) effective for the annual period beginning on or after January 01, 2022 amends IAS 1 by mainly adding paragraphs which clarifies what comprise the cost of fulfilling a contract, Cost of fulfilling a contract is relevant when determining whether a contract is onerous. An entity is required to apply the amendments to contracts for which it has not yet fulfilled all its obligations at the beginning of the annual reporting period in which it first applies the amendments (the date of initial application). Restatement of comparative information is not required, instead the amendments require an entity to recognize the cumulative effect of initially applying the amendments as an adjustment to the opening balance of retained earnings or other component of equity, as appropriate, at the date of initial application.

The adoption of the above standard is considered not to be relevant or do not have any significant effect on the Bank's operations.

2.3 The following annual improvements to approved accounting standards 2018-2020 are effective for annual reporting periods beginning on or after January 01, 2022.

- IFRS 9 – The amendment clarifies that an entity includes only fees paid or received between the entity (the borrower) and the lender, including fees paid or received by either the entity or the lender on the other's behalf, when it applies the '10 percent' test in paragraph B3.3.6 of IFRS 9 in assessing whether to derecognize a financial liability.
- IFRS 16 – The amendment partially amends Illustrative Example 13 accompanying IFRS 16 by excluding the illustration of reimbursement of leasehold improvements by the lessor. The objective of the amendment is to resolve any potential confusion that might arise in lease incentives.
- IAS 41 – The amendment removes the requirement in paragraph 22 of IAS 41 for entities to exclude taxation cash flows when measuring the fair value of a biological asset using a present value technique.
- IAS16 – Property, Plant and Equipment: Proceeds before Intended Use (Amendments to IAS 16) effective for the annual period beginning on or after January 01, 2022. Clarifies that sales proceeds and cost of items produced while bringing an item of property, plant and equipment to the location and condition necessary for it to be capable of operating in the manner intended by management e.g. when testing etc., are recognized in profit or loss in accordance with applicable Standards. The entity measures the cost of those items applying the measurement requirements of IAS 2. The standard also removes the requirement of deducting the net sales proceeds from cost of testing. An entity shall apply those amendments retrospectively, but only to items of property, plant and equipment that are brought to the location and condition necessary for them to be capable of operating in the manner intended by management on or after the beginning of the earliest period presented in the financial statements in which the entity first applies the amendments. The entity shall recognize the cumulative effect of initially applying the amendments as an adjustment to the opening balance of retained earnings (or other component of equity, as appropriate) at the beginning of that earliest period presented.
- Reference to the Conceptual Framework (Amendments to IFRS 3) - Reference to the Conceptual Framework, issued in May 2020, amended paragraphs 11, 14, 21, 22 and 23 of and added paragraphs 21A, 21B, 21C and 23A to IFRS 3. An entity shall apply those amendments to business combinations for which the acquisition date is on or after the beginning of the first annual reporting period beginning on or after January 01, 2022. Earlier application is permitted if at the same time or earlier an entity also applies all the amendments made by Amendments to References to the Conceptual Framework in IFRS Standards, issued in March 2018.
- Disclosure of Accounting Policies (Amendments to IAS 1 and IFRS Practice Statement 2) – the Board has issued amendments on the application of materiality to disclosure of accounting policies and to help companies provide useful accounting policy disclosures. The key amendments to IAS 1 include:

Notes to the Unconsolidated Financial Statements

For the year ended December 31, 2021

- requiring companies to disclose their material accounting policies rather than their significant accounting policies;
- clarifying that accounting policies related to immaterial transactions, other events or conditions are themselves immaterial and as such need not be disclosed; and
- clarifying that not all accounting policies that relate to material transactions, other events or conditions are themselves material to a company's financial statements.
- Classification of liabilities as current or non-current (Amendments to IAS 1) effective for the annual period beginning on or after January 01, 2023. These amendments in the standards have been added to further clarify when a liability is classified as current. The standard also amends the aspect of classification of liability as non-current by requiring the assessment of the entity's right at the end of the reporting period to defer the settlement of liability for at least twelve months after the reporting period. An entity shall apply those amendments retrospectively in accordance with IAS 8.

2.4 The Board also amended IFRS Practice Statement 2 to include guidance and two additional examples on the application of materiality to accounting policy disclosures. The amendments are effective for annual reporting periods beginning on or after January 01, 2023 with earlier application permitted.

- Definition of Accounting Estimates (Amendments to IAS 8) – The amendments introduce a new definition for accounting estimates clarifying that they are monetary amounts in the financial statements that are subject to measurement uncertainty. The amendments also clarify the relationship between accounting policies and accounting estimates by specifying that a company develops an accounting estimate to achieve the objective set out by an accounting policy. The amendments are effective for periods beginning on or after 1 January 2023 and will apply prospectively to changes in accounting estimates and changes in accounting policies occurring on or after the beginning of the first annual reporting period in which the company applies the amendments.
- Deferred Tax related to Assets and Liabilities arising from a Single Transaction (Amendments to IAS 12) – The amendments narrow the scope of the initial recognition exemption (IRE) so that it does not apply to transactions that give rise to equal and offsetting temporary differences. As a result, companies will need to recognize a deferred tax asset and a deferred tax liability for temporary differences arising on initial recognition of a lease and a decommissioning provision. For leases and decommissioning liabilities, the associated deferred tax asset and liabilities will need to be recognized from the beginning of the earliest comparative period presented, with any cumulative effect recognized as an adjustment to retained earnings or other components of equity at that date. The amendments are effective for annual reporting periods beginning on or after January 01, 2023 with earlier application permitted.
- Sale or Contribution of Assets between an Investor and its Associate or Joint Venture (Amendments to IFRS 10 and IAS 28) – The amendment amends accounting treatment on loss of control of business or assets. The amendments also introduce new accounting for less frequent transaction that involves neither cost nor full step-up of certain retained interests in assets that are not businesses. The effective date for these changes has been deferred indefinitely until the completion of a broader review.

The adoption of the above standard and amendments are considered not to be relevant or do not have any significant effect on the Bank's operations.

2.5 Critical accounting estimates and key sources of estimation uncertainty

The preparation of financial statements in conformity with approved accounting standards requires the use of certain critical accounting estimates. It also requires management to exercise its judgment in the process of applying the Bank's accounting policies. Estimates and judgments are continually evaluated and are based on historic experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. Revisions in accounting estimates are recognised in the period in which the estimate is revised and in any future periods affected.

Notes to the Unconsolidated Financial Statements

For the year ended December 31, 2021

The areas where various assumptions and estimates are significant to the Bank's financial statements or where judgment was exercised in application of accounting policies are as follows:

i) Classification of investments

- In classifying investments as 'held-for-trading' the Bank has determined securities which are acquired with an intention to trade by taking advantage of short-term market / interest rate movements and are to be sold within 90 days of acquisition.
- In classifying investments as 'held-to-maturity' the Bank follows the guidance provided in SBP circulars on classifying non-derivative financial assets with fixed or determinable payments and fixed maturity. In making this judgment, the Bank evaluates its intention and ability to hold such investments to maturity.
- The investments which are not classified as 'held-for-trading' or 'held-to-maturity' are classified as 'available-for-sale'.

ii) Provision against non performing loans and advances

The Bank reviews its loan portfolio to assess amount of non-performing loans and advances and provision required thereagainst. While assessing this requirement various factors including the delinquency in the account, financial position of the borrowers, the value of securities and the requirements of the Prudential Regulations are considered. For portfolio impairment / provision on consumer advances, the Bank follows requirements set out in Prudential Regulations.

iii) Impairment on investments

The Bank determines that investments are impaired when there has been a significant or prolonged decline in the fair value below its cost. This determination of what is significant or prolonged requires judgment. In making this judgment, the Bank evaluates among other factors, the normal volatility in securities price. In addition, impairment may be appropriate when there is an evidence of deterioration in the financial health of the investee, industry and sector performance, changes in technology and operational and financing cash flows.

iv) Income taxes

In making the estimates for income taxes currently payable by the Bank, the management considers the current income tax laws and the decisions of appellate authorities on certain issues in the past. In making the provision for deferred taxes, estimates of the Bank's future taxable profits are taken into account.

v) Depreciation of fixed assets and amortization of intangible assets

In making estimates of the depreciation / amortisation method, the management uses a method which reflects the pattern in which economic benefits are expected to be consumed by the Bank. The method applied is reviewed at each financial year end and if there is a change in the expected pattern of consumption of the future economic benefits embodied in the underlying assets, the method is changed to reflect the change in pattern. Such change is accounted for as change in accounting estimates in accordance with International Accounting Standard - 8, "Accounting Policies, Changes in Accounting Estimates and Errors".

vi) Defined benefits plans and other benefits

Liability is determined on the basis of actuarial advice using the Projected Unit Credit Method.

Notes to the Unconsolidated Financial Statements

For the year ended December 31, 2021

vii) Impairment of Goodwill

Impairment testing involves a number of judgmental areas which are subject to inherent significant uncertainty, including the preparation of cash flow forecasts for the periods that are beyond the normal requirements of management reporting and the assessment of the discount rate appropriate to the business. The carrying amount of goodwill at the balance sheet date was Rs.1,464 million. The detailed assumptions underlying impairment testing of goodwill are given in note 12.5 to these unconsolidated financial statements.

viii) Lease term

The Bank applies judgement to determine the lease term for some lease contracts in which it is a lessee that include renewal options. The assessment of whether the Bank is reasonably certain to exercise such options impacts the lease term, which significantly affects the amount of lease liabilities and right-of-use assets recognised and its recoverable amount which is determined as higher of value-in-use and fair value less cost to sell.

3. BASIS OF MEASUREMENT

These unconsolidated financial statements have been prepared under the historical cost convention except for:

- Certain classes of fixed assets and non-banking assets acquired in satisfaction of claims which are stated at revalued amounts less accumulated depreciation.
- Investments classified as held-for-trading and available-for-sale and derivative financial instruments, which are measured at fair value.
- Net obligations in respect of defined benefit schemes which are carried at their present values.

4. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies applied in the preparation of these unconsolidated financial statements are consistent with those of previous financial year.

4.1 Cash and cash equivalents

Cash and cash equivalents represent cash and balances with treasury banks and balances with other banks net of any overdrawn nostro accounts.

4.2 Lendings to / borrowings from financial institutions

The Bank enters into transactions of lendings to / borrowings from financial institutions at contracted rates for a specified period of time. These are recorded as under:

(a) Sale under repurchase obligation

Securities sold subject to a repurchase agreement (repo) are retained in the financial statements as investments and liability to counter party is included in borrowings. The difference in sale and repurchase value is accrued over the period of the contract and recorded as an expense using effective interest rate method.

(b) Other lendings

Other lendings include term lendings and unsecured lendings to financial institutions. These are stated net of provision. Mark-up on such lendings is charged to profit and loss account on a time proportionate basis using effective interest rate method except mark-up on impaired/delinquent lendings, which are recognized on receipt basis in accordance with the requirements of the Prudential Regulations of the SBP.

Notes to the Unconsolidated Financial Statements

For the year ended December 31, 2021

(c) Purchase under resale obligation

Securities purchased under agreement to resell (reverse repo) are not included in statement of financial position as the Bank does not obtain control over the securities. Amount paid under these agreements is included in lendings to financial institutions or advances as appropriate. The difference between the contracted price and resale price is amortised over the period of the contract and recorded as income using effective interest method.

(d) Other borrowings

Other borrowings include borrowings from the SBP and unsecured call borrowings which are recorded at the proceeds received. Mark-up paid on such borrowings is charged to the profit and loss account over the period of borrowings on time proportionate basis using effective interest method.

4.3 Investments

4.3.1 Initial recognition and measurement

4.3.1.1 The Management determines the appropriate classification of its investments at the time of purchase in held-for-trading, available-for-sale or held-to-maturity as per SBP guidelines vide BSD circular No. 10 of 2004 dated July 13, 2004. These are initially recognised at cost, being the fair value of the consideration given plus, in the case of investments not held-for-trading, directly attributable acquisition costs.

(a) Held-for-trading

These are securities which are either acquired for generating profit from short-term fluctuations in market prices, interest rate movements, dealer's margin or are securities included in a portfolio in which a pattern of short-term profit taking exists. These securities are carried at fair value with any related gain or loss being recognized in profit and loss account.

(b) Held-to-maturity

These are securities with fixed or determinable payments and fixed maturities that are held with the intention and ability to hold till maturity. Investments classified as held-to-maturity are carried at amortised cost.

(c) Available-for-sale

These are investments that do not fall under the held-for-trading or held-to-maturity categories. These are initially recognised at cost, being the fair value of the consideration given including the acquisition cost. These securities are carried at fair value with any related surplus or deficit on revaluation shall be taken to other comprehensive income.

4.3.1.2 Associates

Associate is an entity over which the Bank has significant influence but not control. Investment in associate is carried at cost less accumulated impairment losses, if any.

4.3.1.3 Subsidiaries

Subsidiary is an entity over which the Bank has control. Investment in subsidiary is carried at cost less accumulated impairment losses, if any.

Notes to the Unconsolidated Financial Statements

For the year ended December 31, 2021

4.3.1.4 Regular way contracts

All 'regular way' purchases and sales of financial assets are recognised on the trade date, i.e. the date on which commitment to purchase / sale is made by the Bank. Regular way purchases or sales of financial assets are those, the contract for which requires delivery of assets within the time frame generally established by regulation or convention in the market place.

4.3.1.5 Premium or discount on acquisition of investments

Premium or discount on acquisition of investments is capitalised and amortised through the profit and loss account using effective yield over the remaining period of the investment.

4.3.2 Subsequent measurement

In accordance with the requirements of the SBP, quoted securities other than those classified as 'held-to-maturity' and investment in associates and subsidiaries, are subsequently remeasured on portfolio basis i.e. in case of government securities at PKRV and PKFRV rates whereas in case of other securities at market value. Investments classified as 'held-to-maturity' are carried at amortised cost using the effective interest method (less impairment, if any).

Further, in accordance with the requirements of the SBP, gain or loss on revaluation of the Bank's held-for-trading investments is taken to the profit and loss account. In case of investments classified as available-for-sale, surplus or deficit is taken directly to equity. The surplus or deficit arising on these securities is taken to the profit and loss account when actually realised upon disposal.

Unquoted equity securities, excluding investment in subsidiaries and associates are valued at lower of cost and the break-up value in accordance with the requirements of the Prudential Regulations issued by the SBP. Break-up value of equity securities is calculated with reference to the net assets of the investee company as per the latest available audited financial statements. Investment in subsidiaries and associates are carried at cost, less accumulated impairment losses, if any.

4.3.3 Impairment / diminution in the value of securities

Impairment loss in respect of quoted equity securities classified as available for sale, associates, subsidiaries and held to maturity is recognised based on management's assessment of objective evidence of impairment as a result of one or more events that may have an impact on the estimated future cash flows of the investments. Objective evidence that the cost may not be recovered, in addition to qualitative impairment criteria, includes a significant or prolonged decline in the fair value below average cost. A decline to be considered as:

- Significant if the fair value is below the weighted average cost by more than 30 percent.
- Prolonged if the fair value is below the weighted average cost for a period of more than one year.

(a) Available-for-sale

If an available-for-sale equity security is impaired, the cumulative loss that had been recognised in equity, shall be reclassified from equity to profit and loss as a reclassification adjustment even though the financial asset has not been derecognised, any further decline in the fair value at subsequent reporting dates is recognised as impairment. Therefore, at each reporting period, for an equity security that was determined to be impaired, additional impairments is recognised for the difference between the fair value and the original cost basis, less any previously recognised impairment.

If, in subsequent period, impairment losses recognised in profit and loss for an investment in an equity instrument classified as available for sale shall not be reversed through profit and loss except in case of derecognition.

Notes to the Unconsolidated Financial Statements

For the year ended December 31, 2021

(b) Held to maturity, subsidiaries and associates

Impairment losses are incurred if, and only if, there is objective evidence of impairment after initial recognition of the investment. The impairment loss is recognised in the profit and loss account. If, in a subsequent period, any indication that an impairment loss recognised in prior periods no longer exist or may have decreased, the impairment loss shall be reversed, with the amount of the reversal recognised in profit or loss.

(c) Debt Securities

PTCs, TFCs, Sukuk and other debt securities will be classified on the valuation date on the basis of default in their repayment in line with the criteria prescribed for classification of short, medium and long-term facilities in accordance with the requirements of the Prudential Regulations issued by the SBP.

4.4 Financial instruments

4.4.1 Financial assets and financial liabilities

Financial assets and financial liabilities are recognized at the time when the Bank becomes party to the contractual provision of the instrument. Financial assets are de-recognized when the contractual right to future cash flows from the asset expires or is transferred along with the risk and reward of the asset. Financial liabilities are de-recognized when obligation specified in the contract is discharged, cancelled or expired. Any gain or loss on de-recognition of the financial asset and liability is recognized in the profit and loss account at the time of de-recognition. The particular recognition and subsequent measurement method for significant financial assets and financial liabilities are disclosed in the individual policy statements associated with them.

4.4.2 Derivative financial instruments

Derivative financial instruments are initially recognised at fair value on the date on which the derivative contract is entered into and are subsequently re-measured at fair value using valuation techniques. All derivative financial instruments are carried as assets when fair value is positive and liabilities when fair value is negative. Any change in the fair value of derivative financial instruments is taken to the profit and loss account.

4.5 Off-setting of financial assets and financial liabilities

Financial assets and financial liabilities are set off and the net amount is reported in the financial statements when there is a legally enforceable right to set off and the Bank intends either to settle the assets and liabilities on a net basis or to realise the assets and to settle the liabilities simultaneously. Income and expenses arising from such assets and liabilities are accordingly offset.

4.6 Advances

4.6.1 Loan and advances

Advances are stated net of general and specific provisions. General and specific provisions against funded loans are determined in accordance with the requirements of the Prudential Regulations issued by the SBP and charged to the profit and loss account. Advances are written off when there are no realistic prospects of recovery.

4.6.2 Finance lease receivables

Leases, where the bank transfers substantially all the risks and rewards incidental to ownership of an asset to the lessee are classified as finance leases. A receivable is recognised at an amount equal to the present value of the lease payment including any guaranteed residual value, if any. Net investment in finance lease is included in loans and advances to customers.

Notes to the Unconsolidated Financial Statements

For the year ended December 31, 2021

4.7 Fixed assets

4.7.1 Property and equipment

Operating fixed assets except office premises are shown at historical cost less accumulated depreciation and accumulated impairment losses, if any. Historical cost includes expenditures that are directly attributable to the acquisition of the items. Office premises (which includes leasehold land and buildings) are stated at revalued amount less accumulated depreciation and impairment loss, if any.

Depreciation is calculated and charged to profit and loss account using the straight-line method so as to write down the cost of the assets to their residual values over their estimated useful lives at the rates given in note 11.2. A full month's depreciation is charged from the month in which assets are brought into use and no depreciation is charged for the month in which the disposal is made. The residual values, useful lives and depreciation methods are reviewed and changes, if any, are treated as change in accounting estimates, annually.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Bank and the cost of the item can be measured reliably. The carrying amount of the replaced part is de-recognised. All other repairs and maintenance are charged to the profit and loss account during the period in which they are incurred.

An item of property and equipment is de-recognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset is recognised in the profit and loss account in the year the asset is de-recognised.

4.7.2 Surplus / deficit on revaluation of fixed assets

The surplus arising on revaluation is credited to other comprehensive income. However, the increase shall be recognised in profit and loss to the extent that it reverses a revaluation decrease of the same asset previously recognised in profit and loss account.

The deficit arising on a particular property as a result of a revaluation is recognised in profit and loss account as an impairment. However, the decrease to be recognised in other comprehensive income to the extent of any credit balance existing in the revaluation surplus in respect of that asset.

Depreciation on buildings which are revalued is determined with reference to the value assigned to such assets on revaluation and depreciation charge for the year is taken to the profit and loss account; and an amount equal to incremental depreciation for the year net of deferred taxation is transferred from "Surplus on Revaluation of Fixed Assets Account" to unappropriated profit through Statement of Changes in Equity to record realization of surplus to the extent of the incremental depreciation charge for the year.

Gains or losses on disposal of assets are included in the profit and loss account currently, except that the related surplus on revaluation of fixed assets (net of deferred tax) is transferred directly to equity.

4.7.3 Capital work-in-progress

Capital work-in-progress is stated at cost less impairment losses, if any. These are transferred to specified assets as and when assets are available for use.

4.8 Intangible assets

Intangible assets are stated at cost less accumulated amortisation and impairment, if any. Intangible assets are amortised from the month when the assets are available for use, using the straight line method, whereby the cost of the intangible asset is amortised over its estimated useful life over which economic benefits are expected to flow to the Bank. The useful life and amortisation method are reviewed and adjusted, if appropriate, annually.

Intangible assets having an indefinite useful life are carried at cost less any impairment in value and are not amortised. However, these are reviewed for impairment annually or more frequently if events or changes in circumstances indicate that the carrying value may be impaired.

Notes to the Unconsolidated Financial Statements

For the year ended December 31, 2021

4.9 Non-banking assets acquired in satisfaction of claims

4.9.1 Non-banking assets acquired in satisfaction of claims under Debt Property Swap (DPS) transactions, against the loans in category of loss, are initially carried at cost and subsequently at revalued amounts at each year-end date of the statement of financial position, being the fair value at the date of revaluation less subsequent accumulated depreciation and subsequent accumulated impairment losses, if any. The valuation of properties acquired are conducted regularly, so as to ensure that their net carrying value does not materially differ from their fair value.

All direct cost including legal fees, valuation and transfer costs of acquiring title to property shall be expensed when incurred through profit and loss account.

Subsequent costs are included in the asset's carrying amounts only when it is probable that future benefits associated with the item will flow to the Bank and the cost of the item can be measured reliably. All other subsequent costs including repair and maintenance are charged to the profit and loss account as and when incurred.

Depreciation on assets acquired in satisfaction of claims is charged to the profit and loss account in line with the depreciation charged on operating fixed assets.

Any reductions in non-performing loans and corresponding reductions in provisions held against non-performing loans, as a result of the recognition of such assets, are disclosed separately in the notes to these unconsolidated financial statements.

These assets are generally intended for sale. Gains and losses realised on the sale of such assets are disclosed separately from gains and losses realised on the sale of operating fixed assets in the notes to these unconsolidated financial statements. If such asset is subsequently used by the Bank for its own operations, the asset, along with any related surplus, is transferred to operating fixed assets.

4.9.2 Surplus / deficit on revaluation of non banking assets

Revaluation of non-banking assets acquired in satisfaction of claims under DPS transactions is carried out under criteria given in regulations for DPS issued by SBP vide BPRD Circular 01 dated January 01, 2016 i.e. valuation of property shall be done on individual property basis and not on portfolio basis, whereas accounting treatment of revaluation is accounted for in accordance with applicable financial reporting standards i.e. International Accounting Standard (IAS) 16 as referred in note 4.7.2.

Furthermore, revaluation surplus on such assets shall not be admissible for calculating Bank's Capital Adequacy Ratio and exposure limits under the Prudential Regulations. However, the surplus can be adjusted upon realization of sale proceeds.

4.10 Impairment other than investments and deferred tax

At each balance sheet date, the Bank reviews the carrying amounts of its assets (other than investment and deferred tax asset) to determine whether there is an indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the assets is estimated in order to determine the extent of the impairment loss, if any. Recoverable amount is the higher of net selling price (being fair value less cost to sell) and value-in-use. If the recoverable amount of an asset is estimated to be less than its carrying amount, the carrying amount of the assets is reduced to its recoverable amount. Impairment losses are recognised as an expense in profit and loss account immediately.

Where impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised recoverable amount but limited to the extent of the amount which would have been determined had there been no impairment. Reversal of impairment loss is recognized as income.

4.11 Borrowings / Deposits and their cost

Borrowings / deposits are initially recorded at the amount of proceeds received. Cost of borrowings / deposits are recognised separately as part of other liabilities and is charged to the profit and loss account over the period on an accrual basis.

Notes to the Unconsolidated Financial Statements

For the year ended December 31, 2021

4.12 Subordinated debts

Subordinated debts is initially recorded at the amount of proceeds received. Mark-up accrued on subordinated debts is recognised separately as part of other liabilities and is charged to the profit and loss account over the period on an accrual basis.

4.13 Taxation

4.13.1 Current

The charge for current taxation is based on taxable income at the current rate of taxation after taking into account applicable tax credit, rebates and exemptions available, if any, or minimum tax on turnover, whichever is higher. The charge for current tax also includes adjustments, where considered necessary, relating to prior years arising from assessments made during the year.

4.13.2 Deferred

Deferred tax is recognised using the balance sheet liability method on all temporary differences arising between tax bases of assets and liabilities and their carrying amounts appearing in the financial statements. Deferred tax liability is recognized on taxable temporary differences. Deferred tax asset is recognised for all deductible temporary differences and carry forward of unused tax losses, if any only to the extent that it is probable that future taxable profits will be available against which the asset can be utilised. Deferred tax assets are reduced to the extent that it is no longer probable that the related tax benefits will be realised.

Deferred tax is calculated at the rates that are expected to apply to the period when the differences are expected to reverse, based on tax rates that have been enacted or substantively enacted by the balance sheet date. Deferred tax is charged or credited to the profit and loss account.

Deferred tax, if any, on revaluation of investments is recognised as an adjustment to surplus / (deficit) arising on revaluation in accordance with the requirements of IAS-12 "Income Taxes".

4.14 Provisions

Provisions are recognised when the Bank has a legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate of the amount can be made. Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimate.

Provision against identified non-funded losses is recognised when intimated and reasonable certainty exists for the Bank to settle the obligation. The loss is charged to profit and loss account net of expected recovery.

4.15 Staff retirement benefits

4.15.1 Defined contribution plan

The Bank has established a provident fund scheme for all permanent employees effective from January 01, 2007. Equal monthly contributions are made, both by the Bank and the employees, to the fund at the rate of 7.1 percent with effect from July 01, 2015 due to change in salary structure. Contribution by the Bank is charged to profit and loss account.

4.15.2 Defined benefit plan

The Bank operates an approved funded gratuity scheme covering all its eligible employees who have completed minimum qualifying period. An actuarial valuation of defined benefit scheme is conducted at the end of every year or on occurrence of any significant change. The most recent valuation in this regard was carried out as at December 31, 2021, using the projected unit credit actuarial valuation method. Under this method cost of providing for gratuity is charged to profit and loss account so as to spread the cost over the service lives of the

Notes to the Unconsolidated Financial Statements

For the year ended December 31, 2021

employees in accordance with the actuarial valuation. Past-service costs are recognised immediately in profit and loss account and actuarial gains and losses are recognised immediately in other comprehensive income.

4.16 Revenue recognition

Revenue is recognized to the extent that economic benefits will flow to the Bank and the revenue can be reliably measured. These are recognized as follows:

- Advances and investments

Mark-up income / interest / profit on performing advances and debt securities is recognized on a time proportion basis as per the terms of the contract.

Mark-up income / interest / profit on non-performing advances and debt securities is recognized on a receipt basis in accordance with the requirements of the Prudential Regulations issued by the State Bank of Pakistan.

Mark-up income/ Interest / profit on rescheduled / restructured advances and debt securities are recognised as permitted by the State Bank of Pakistan or by the regulatory authorities of the countries where the Bank operates, except where, in the opinion of the management, it would not be prudent to do so.

Premium or discount on acquisition of debt investments is capitalised and amortised through the profit and loss account over the remaining maturity of the debt security using the effective yield method.

- Lease financing

Financing method is used in accounting for income from lease financing. Under this method, the unearned lease income (defined as the excess of the sum of total lease rentals and estimated residual value over the cost of leased assets) is deferred and taken to income over the term of the lease period so as to produce a constant periodic rate of return on the outstanding net investment in lease.

Unrealised finance income in respect of non-performing lease finance is held in suspense account, where necessary, in accordance with the requirements of the Prudential Regulations issued by the SBP.

Gains / losses on termination of lease contracts, documentation charges, front-end fees and other lease income are recognized as income on receipt basis.

- Non Mark-up / interest income

- Commission is recognised as income at the time of affecting the transaction to which it relates. Fees are recognised when earned.

- Financial advisory fee is recognised when the right to receive the fee is established.

- Dividend income from investments is recognised when the Bank's right to receive the dividend is established.

4.17 Dividend and appropriation to reserves

Dividend and appropriation to reserves, except for statutory reserves, are recognised in the financial statements in the periods in which these are approved.

Notes to the Unconsolidated Financial Statements

For the year ended December 31, 2021

4.18 Foreign currencies

4.18.1 Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the Bank operates. The financial statements are presented in Pakistani Rupees, which is the Bank's functional and presentation currency.

4.18.2 Transactions and balances

Transactions in foreign currencies are translated into Pakistani rupees at the exchange rates prevailing on the transaction date. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in the profit and loss account.

Forward contracts relating to foreign currency deposits are valued at forward rates applicable to the respective maturities of the relevant foreign exchange contract. The forward cover received / paid on forward purchase contracts relating to foreign currency deposits are realised / charged directly to profit and loss account.

4.18.3 Foreign operations

Assets and liabilities of foreign operations are translated into rupees at the exchange rate prevailing at the reporting date. The results of foreign operations are translated at average rate of exchange for the year.

4.18.4 Translation gains and losses

Translation gains and losses arising on revaluations of net investment in foreign operations are taken to Exchange Translation Reserve in the statement of comprehensive income. These are recognised in the profit and loss account on disposal.

4.18.5 Commitments

Commitments for outstanding forward foreign exchange contracts disclosed in these financial statements are translated at contracted rates. Contingent liabilities/commitments for letters of credit and letters of guarantee denominated in foreign currencies are expressed in rupee terms at the rates of exchange ruling on the balance sheet date.

4.19 Goodwill

Goodwill acquired in a business combination before July 01, 2009 is initially measured at cost, being the excess of the cost of the business combination over the Bank's interest in the net fair value of the identifiable assets, liabilities and contingent liabilities acquired. Following initial recognition, goodwill is measured at cost less any accumulated impairment losses. Goodwill is reviewed for impairment, annually or more frequently if events or changes in circumstances indicate that the carrying value may be impaired.

For the purpose of impairment testing, goodwill acquired in a business combination is, from the acquisition date, allocated to each of the Bank's cash-generating units, or groups of cash-generating units, that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the acquirer are assigned to those units or groups of units.

4.20 Earnings per share

The Bank presents basic and diluted earnings per share (EPS). Basic EPS is calculated by dividing the profit or loss attributable to ordinary equity holders of the Bank (less preference dividend, if any) by the weighted average number of ordinary shares outstanding during the period / year. Diluted EPS is determined by adjusting the profit or loss attributable to ordinary equity holders of the Bank by dividing the weighted average number of shares outstanding, for the effects of all dilutive potential ordinary shares, if any.

Notes to the Unconsolidated Financial Statements

For the year ended December 31, 2021

4.21 Non-current assets held for sale and associated liabilities

The Bank classifies an asset as held for sale if its carrying amount will be recovered principally through a sale transaction rather than through continuing use. For this to be the case, the asset must be available for immediate sale in its present condition subject only to terms that are usual and customary for sales of such assets and its sale must be highly probable. For the sale to be highly probable, the appropriate level of management must be committed to a plan to sell the asset (or disposal group), and an active programme to locate a buyer and complete the plan must have been initiated. Further, the asset must be actively marketed for sale at a price that is reasonable in relation to its current fair value. In addition, the sale should be expected to qualify for recognition as a completed sale within one year from the date of classification and actions required to complete the plan should indicate that it is unlikely that significant changes to the plan will be made or that the plan will be withdrawn.

A held for sale asset is carried at the lower of its carrying amount and the fair value less costs to sell. Impairment losses are recognised in the profit and loss account for any initial or subsequent write down of the asset to fair value less costs to sell. Subsequent gains in fair value less costs to sell are recognised to the extent these do not exceed the cumulative impairment losses previously recorded. An asset is not depreciated while classified as held for sale.

4.22 Segment reporting

A segment is a distinguishable component of the Bank that is subject to risks and rewards that are different from those of other segments. A business segment is one that is engaged either in providing certain products or services, whereas a geographical segment is one engaged in providing certain products or services within a particular economic environment.

Segment information is presented as per the Bank's functional structure and the guidance given under International Financial Reporting Standard (IFRS) 8. For management purposes, the Bank has been organised into five operating segments based on products and services, as follows:

4.22.1 Business segments

Corporate finance

This includes investment banking activities such as mergers and acquisitions, underwriting, privatization, securitization, Initial Public Offers (IPOs), specialised financial advice and trading and secondary private placements.

Trading and sales

This segment undertakes the Bank's treasury, money market and capital market activities.

Retail banking

Retail banking provides services to small borrowers i.e. consumers, small and medium enterprises (SMEs) and agricultural sector. It includes loans, deposits and other transactions with retail customers.

Commercial banking

This includes loans, deposits and other transactions with corporate customers.

Others

This includes the head office related activities and other functions which cannot be classified in any of the above segments.

Notes to the Unconsolidated Financial Statements

For the year ended December 31, 2021

The Leadership Team (LT) monitors the operating results of its business units separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on operating profits or losses and is measured consistently with operating profits or losses in these unconsolidated financial statements. However, income taxes are managed on a group basis and are not allocated to operating segments.

Interest income is reported net as management primarily relies on net interest revenue as a performance measure, along with the gross income and expense.

Transfer prices between operating segments are based on the Bank's internal pricing framework.

No revenue from transactions with a single external customer or counterparty amounted to 10% or more of the Bank's total revenue in 2020 or 2021.

4.22.2 Geographical segment

The Bank operates with 281 (2020: 307) branches / sub-branches in Pakistan region and one wholesale banking branch in Bahrain (2020: one).

4.23 Fiduciary assets

Assets held in a fiduciary capacity are not treated as assets of the Bank in statement of financial position.

5. FINANCIAL RISK MANAGEMENT

The financial risk management objectives and policies adopted by the Bank are consistent with those disclosed in the unconsolidated financial statements for the year ended December 31, 2021.

Notes to the Unconsolidated Financial Statements

For the year ended December 31, 2021

- 9.5.2.1** These are non-voting cumulative preference shares, carrying preference dividend @ 10% p.a and are convertible into ordinary shares at the option of the Bank after five years from the date of issuance i.e. February 2012. The investee company also has the option to redeem these preference shares plus any unpaid dividend in full or in part, within ninety days after expiry of each anniversary of the issue date. The Bank has recognised full impairment on these shares amounting to Rs. 48.236 million (2020: Rs. 48.236 million) due to weak financial position of the company.
- 9.5.2.2** These are cumulative preference shares, carrying preference dividend @ 9.25% p.a and are redeemable in part after four years from the date of issuance i.e. August 2008. The investee company also has an option to redeem, in part, cumulative preference shares after August 2008. The Bank has recognized full impairment on these shares amounting to Rs. 88.353 million (2020: Rs. 88.353 million) due to weak financial position of the company.
- 9.5.2.3** Surplus arising due to re-measurement of these shares to the market value has not been recognized as the management believes that the market value may not be realized while selling them in open market.
- 9.5.2.4** In accordance with the requirements of the Stock Exchanges (Corporatization, Demutualization and Integration) Act, 2012 (the Act), the Bank has received 3,034,603 shares of Rs.10 each including trading right entitlement certificate (TREC) of the Islamabad Stock Exchange (ISE) in lieu of its Membership Card held by the Bank. Further upon integration of ISE under the "ISE Scheme of Integration" in 2016, TRE Certificates holders of ISE have been issued 1,213,841 (i.e 40%) ordinary shares of "ISE Towers REIT Management Limited" with trading rights, whereas the remaining 1,820,762 ordinary shares (i.e. 60%), are transferred to blocked CDC account maintained by ISEL. Further, the management believes that the carrying value of these shares is less than face value of shares therefore, no value has been allocated to TREC.
- 9.5.2.5** The Bank qualified as a member based on the financial contribution to SWIFT for network-based services. The Bank has made an investment as per the requirements of By-Laws of SWIFT, under the Share Re-allocation Process, as a result becoming entitled to invest in for six shares. The participation is mandatory to avail the desired network-based services for financial message transmission for cross-border payments and receipt. Further, the share re-allocation occurs every three years and will result in either an increase, decrease, or a status quo in individual shareholding.

Notes to the Unconsolidated Financial Statements

For the year ended December 31, 2021

- 9.7.1** The Bank acquired effective controlling interest in JS Global Capital Limited (JSGCL) on December 21, 2011, April 15, 2016, October 01, 2019 and June 02, 2021 of 51.05%, 16.11%, 16.37% and 9.37% respectively. The ownership interest has increased by 41.85%, without any change in the cost of investment, due to the fact that JSGCL has bought back its 11,993,000 shares in April 15, 2016, 7,450,000 shares on October 02, 2019 and 27,477,297 share on June 02, 2021.
- 9.7.2** The Bank acquired effective controlling interest in JS Investments Limited (JSIL) on November 01, 2012, December 22, 2015 and August 31, 2019 of 52.24%, 12.92% and 19.40% respectively. The ownership interest has increased by 32.32% without any change in the cost of investment, due to the fact that JSIL has bought back its 19,828,182 shares on December 22, 2015 and 18,397,562 shares on August 31, 2019.
- 9.7.3** The investment classified as associate company on account of it's significant influence over the investee company.
- 9.7.4** During the year, the Bank has renounce to subscribe right shares issued by Veda Transit Solutions Private Limited, the Company, resultantly shareholding percentage is reduced to 3.92% from 9.12%. However, despite of that fact, the Bank has still have significant influence through the Shareholders' Reserved Matters and right to choose a representative on the Board.
- 9.7.5** During the year, the Bank has fully provided its investments held in Intercity Touring Company (Private) limited ("the Company") i.e. Rs. 20.2 million against ordinary shares and Rs. 27.8 million against preference shares due to the fact that COVID impact has severely effect the Company's operations and facing financial crises. As a result, the Company has completely shut down its operations and injected new equity by prospective investors with an agreement that existing shareholders (including preference shareholders) represents only 10% of new equity.
- 9.7.6** All subsidiaries and associated companies are incorporated in Pakistan.
- 9.7.7** The following is summarised audited financial information before inter-company eliminations with other companies in the group.

10.4.2 This includes reversal of provision of Rs. 294.822 million (2020: Rs. 8.604 million) against reduction in non-performing loans of Rs. 1,475.823 million (2020: Rs. 90.180 million) of certain borrowers under 'Debt Property Swap' transactions, as disclosed in note 13.2.2.

Notes to the Unconsolidated Financial Statements

For the year ended December 31, 2021

10.4.3 The Bank, in accordance with BPRD circular letter No. 31 of 2020 dated July 10, 2020, has taken the benefit of general provision of Rs. 167.575 million to make good the specific provision requirement of the consumer financing portfolio till December 31, 2021 and thereafter, will be maintained as per prudential regulations of consumer financing.

10.4.4 The State Bank of Pakistan through various circulars has allowed benefit of the forced sale value (FSV) of Plant and Machinery under charge, pledged stock and mortgaged residential, commercial and industrial properties (land and building only) held as collateral against non-performing loans (NPLs) for a maximum of five years from the date of classification. As at December 31, 2021, the Bank has availed cumulative FSV benefit under the directives of the SBP of Rs. 5,019.150 million (2020: Rs. 4,763.931 million).

The additional profit arising from availing the FSV benefit - net of tax amounts to Rs. 3,061.682 million (2020: Rs 2,905.998 million). The increase in profit, due to availing of the benefit, is not available for distribution of cash and stock dividend to share holders.

10.4.5 This represents general provision held under IFRS 9 by Bahrain branch of the Bank.

10.4.6 Advances - Deferred & Restructured / Rescheduled

The SBP vide BPRD circular letter No. 13 of 2020 dated March 26, 2020, has relaxed certain classification criteria of SBP Prudential Regulation R-8 (Classification and Provisioning of Assets). Accordingly, certain exposures as at December 31, 2021 relating to facilities of customers have not been classified as non-performing on account of such relaxation.

Electrical, office and computer equipment	1,322,528	1,135,788
Vehicles	12,910	2,258
	<u>1,792,557</u>	<u>1,560,573</u>

11.2.3 The details of disposals of assets to related parties are given in Annexure II to these unconsolidated financial statements.

11.2.4 The properties of the Bank were revalued by M/s. Luckyhiya Associates Pvt Ltd, an independent professional valuator. The revaluation was carried out, as at December 31, 2021 on the basis of professional assessment of present market values and as results of revaluation an additional surplus of Rs. 347.037 million (Land Rs. 207.868 million and Building Rs. 139.169 million).

Had there been no revaluation, the carrying value of revalued land and building on land as at December 31, 2021 would have been lower by Rs. 713.210 million and Rs. 800.176 million respectively, and net surplus on revaluation of fixed assets, deferred tax liability and incremental depreciation expense would have been lower by Rs. 1,201,317 million, Rs. 312.069 million and Rs. 25.823 million respectively.

11.3 Non-current assets held for sale			
Leasehold land	11.3.1	-	739,200

11.3.1 During the year, the management has decided to set-up regional offices by way of acquisition of owned properties in first tier cities. Therefore, considering the best interest of the Bank, the management has directed to retain the property for development of regional office and has reclassified said property for its own use under the International Accounting Standard (IAS)- 16 'Property, plant and equipment', and its carrying value will be recovered through continued use and ceased to be classified as "held-for-sale". As of December 31, 2021, the property is being measured at its carrying amount before the asset was classified as held-for-sale as adjusted for any subsequent re-valuation at the date of the decision not to sell i.e. Rs. 910 million.

12.4 Goodwill is recorded by the Bank upon the event fully disclose in note 1.2. For impairment testing, goodwill has been allocated to 'Trading and Sales' Segment as Cash Generating Unit (CGU), which is also a reportable segment.		
12.5 Key assumptions used in value in use calculation		

The recoverable amount of the CGU has been determined based on value in use calculation, using cash flow projections based on business plan approved by the Board of Directors of the Bank covering a five year period. The discount rates applied to cash flows beyond five years are extrapolated using a terminal growth rate. The following rates are used by the Bank.

Notes to the Unconsolidated Financial Statements

For the year ended December 31, 2021

	2021	2020
	Percentages	
Discount rate	15.25	17.41
Terminal growth rate	10.00	12.51

The calculation of value in use is most sensitive to following assumptions:

a) Interest margins

Interest margins are based on prevailing industry trends and anticipated market conditions.

b) Discount rates

Discount rates reflect management estimates of the rate of return required for each business and are calculated after taking into account the prevailing risk free rate, industry risk and business risk. Discount rates are calculated by using cost of equity of the Bank.

c) Key business assumptions

The assumptions are important as they represent management assessment of how the unit's position might change over the projected period. Based on the expansion plans, management expects aggressive growth in advances, investments and deposits during the projected periods and thereafter stabilisation in line with industry trends.

Management believes that any significant change in key assumptions, on which CGU's recoverable amount is based, may impact the carrying amount to further exceed its recoverable amount. Value in use calculation of the CGU are sensitive to changes in assumptions for interest rate spreads, Non Funded Income (NFI), long term growth rates and discount rates.

d) Sensitivity to changes in assumption

The estimated recoverable amount of the 'Trading and Sales' CGU exceeds its carrying amount by approximately Rs. 5,465 million (2020: 5,345 million). Management has identified two key assumptions for which there could be a reasonably possible change that could cause the carrying amount to exceed the recoverable amount. The following table shows the amount that these two assumptions are required to change individually in order for the estimated recoverable amount to be equal to the carrying amount.

	Changes required for carrying amount to equal recoverable (%) amount	
	2021	2020
- Discount rate	1.99	3.16
- Terminal growth rate	(2.67)	(4.88)

		<u>2,658,537</u>	<u>1,311,252</u>

Notes to the Unconsolidated Financial Statements

For the year ended December 31, 2021

13.2.2 This represents, the properties acquired of Rs. 1,529.159 million (2020: Rs. 90.178 million) against debt swap transactions with borrowers resulting in reversal of provision of Rs. Rs. 294.822 million (2020: Rs. 8.604 million) against reduction in non-performing loans of Rs. 1,475.823 million (2020: Rs. 90.180 million) (refer note 10.4.2).

13.2.3 During the year, under section 10 of the Banking Companies Ordinance, 1962, the property (situated at 15th Floor, Pace Tower, Plot # 27, Block-H, Gulberg II, Lahore) acquired under debt property swap agreement is used by the Bank for its own operations.

13.2.4 Non-banking assets acquired in satisfaction of claims are carried at revalued amount according to the requirements of the 'Regulation for Debt Property Swap' (the regulations) issued by SBP vide the BPRD Circular No. 1 of 2016, dated January 01, 2016.

Non-banking assets acquired in satisfaction of claims have been revalued by independent professional valuers as at December 31, 2021. The revaluation was carried out by M/s Sipra (Pvt Ltd). M/s Sardar Ent. (Pvt) Ltd, M/s. Luckyhiya Associates Pvt Ltd, M/s. bfa (Pvt) Ltd., M/s Tristar International Consultants (Pvt) Ltd, M/s Sipra & Company (Pvt.) Ltd., M/s Pakistan Inspection Co. (Pvt) Ltd. M/s Joseph Lobo (Private) Limited and Engineering Pakistan International (Pvt) Ltd. on the basis of professional assessment of present market values.

Had there been no revaluation, the carrying value of non-banking assets acquired in satisfaction of claims would have been lower by Rs. 120.674 million (2020: 135.109 million), and surplus on revaluation of assets net, deferred tax liability and depreciation expense would have been lower by Rs. 119.714 million (2020: Rs. 131.080 million), Rs. 0.960 million (2020: Rs. 4.029 million) and Rs. 0.116 million (2020: Rs. 0.145 million) respectively.

- 15.2.1** The Bank has entered into agreement with the SBP for extending export finance to customers. As per the terms of the agreement, the Bank has granted SBP the right to recover the outstanding amount from the Bank at the date of maturity of finances by directly debiting the current account maintained by the Bank with SBP. These borrowings are repayable on a quarterly basis and to be matured between January 04, 2022 and June 29, 2022 (2020: January 04, 2021 and February 08, 2027). These carry mark-up at the rate from 1% to 2% (2020: 1% to 3%) per annum.

Notes to the Unconsolidated Financial Statements

For the year ended December 31, 2021

15.2.2 These borrowings have been obtained from the SBP for providing financing facilities to exporters for adoption of new technologies and modernization of their plant and machinery. These borrowings will mature between February 20, 2022 and March 08, 2031 (2020: November 04, 2021 and November 18, 2030). These carry mark-up at rates ranging from 2.00% to 3.50% (2020: 2.00% to 3.50%) per annum.

15.2.3 Other borrowings have been obtained from SBP under various facilities on particulars mentioned below:

	Markup rate Per annum	Matured	
		From	To
Financing Facility for Renewable Energy Projects	2%-2.5%	January 1, 2022	February 22, 2028

17. SUBORDINATED DEBT			
Term Finance Certificates - First Issue	17.1	-	2,995,200
Term Finance Certificates - Second Issue	17.2	1,996,800	1,997,600
Term Finance Certificates - Third Issue	17.3	2,500,000	2,500,000
Term Finance Certificates - Fourth Issue	17.4	2,500,000	-
		<u>6,996,800</u>	<u>7,492,800</u>

17.1 During the year, the Bank exercised the call option of Term Finance Certificates - First Issue in accordance with the Trust Deed and Terms and Conditions for the TFC issue, after completing the regulatory requirements. Accordingly, the said TFCs were redeemed in full on December 28, 2021.

17.2 In 2017, the Bank has issued Rs. 2 billion of rated, privately placed and listed, unsecured and subordinated term finance certificates ("TFCs" or "the Issue") as an instrument of redeemable capital under Section 66 of the Companies Act, 2017 and as outlined by State Bank of Pakistan, SBP, under the BPRD circular No. 06 dated August 15, 2013 and Basel III guidelines. Summary of terms and conditions of the issue are:

Purpose: To contribute towards the Bank's Tier II Capital for complying with the capital adequacy requirement and to utilize the funds in the Bank's business operations as permitted by its Memorandum & Articles of Association.

Issue date: December 29, 2017

Tenure: Up to Seven years from the issue date.

Maturity Date: December 29, 2024

Rating: A + (Single A Plus)

Profit Rate: Floating rate of return at Base rate + 1.4 percent per annum;

Base rate is defined as the average six months KIBOR prevailing on the Base Rate setting date. The Base Rate will be set for the first time on the last working day prior to the issue date and subsequently on the immediately preceding business day before the start of each six monthly period.

Notes to the Unconsolidated Financial Statements

For the year ended December 31, 2021

Profit payment:	Semi-annual
Redemption:	The instrument is structured to redeem 0.24% of the Issue amount during the first six years after the issue date and the remaining Issue amount of 99.76% in two equal semi-annual installments of 49.88% each in the last year.
Security:	The Issue is unsecured and subordinated as to payment of Principal and profit to all other indebtedness of the Bank, including deposits, and will not be redeemable before maturity without prior approval of SBP.
Call Option:	Exercisable in part or in full on or after the 10th redemption, with prior approval of SBP.
Lock-in-clause:	Principal and profit will be payable subject to compliance with MCR or CAR set by SBP.
Loss absorbency clause:	Upon the occurrence of a Point of Non-Viability event as defined under SBP BPRD Circular # 6 of 2013 dated August 15, 2013, SBP may at its option, fully and permanently convert the TFCs into common shares of the Bank and/or have them immediately written off (either partially or in full). Number of shares to be issued to TFC holders at the time of conversion will be equal to the 'Outstanding Face Value of the TFCs' divided by market value per share of the Bank's common share on the date of trigger of Point of Non-Viability (PONV) as declared by SBP, subject to a cap of 319,982,544 shares.

17.3 In 2018, the Bank has issued Rs. 2.5 billion of rated, privately placed and listed, unsecured, subordinated, perpetual and non-cumulative additional Tier I capital term finance certificates ("TFCs" or "the Issue") as an instrument of redeemable capital under Section 66(1) of the Companies Act, 2017 and as outlined by State Bank of Pakistan, SBP, under the BPRD circular No. 06 dated August 15, 2013 (the "Circular") and Basel III guidelines. Summary of terms and conditions of the issue are:

Purpose:	To contribute towards the Bank's Tier I Capital for complying with the capital adequacy requirement and to utilize the funds in the Bank's business operations as permitted by its Memorandum & Articles of Association.
Issue date:	December 31, 2018
Maturity date:	Perpetual
Rating:	A (Single A)
Profit Rate:	Floating rate of return at Base rate + 2.25 percent per annum; Base rate is defined as the average six months KIBOR prevailing on the Base Rate setting date. The Base Rate will be set for the first time on the last working day prior to the issue date and subsequently on the immediately preceding business day before the start of each six monthly period.
Profit payment frequency:	Semi-annually on a non-cumulative basis
Redemption:	Not applicable
Security:	The Issue is unsecured
Subordination:	The Issue is subordinated as to payment of Principal and profit to all other claims except common shares.

Notes to the Unconsolidated Financial Statements

For the year ended December 31, 2021

Call Option: Exercisable in part or in full at a par value on or after five years from the issue date, with prior approval of SBP. The Bank shall not exercise the call option unless the called instrument is replaced with capital of same or better quality.

Lock-in-clause: Payment of profit will be made from current year's earning and subject to compliance with MCR or CAR set by SBP.

Loss absorbency clause:

Pre-Specified Trigger ("PST") Upon the occurrence of a Pre-Specified Trigger as defined under SBP BPRD Circular # 6 of 2013 dated August 15, 2013 which stipulates that if an Issuer's Common Equity Tier 1 ("CET 1") ratio falls to or below 6.625% of Risk Weighted Assets ("RWA"), the Issuer will have full discretion to determine the amount of TFCs to be permanently converted into common shares or written off, subject to SBP regulations / instructions, and the cap specified below. The Bank will be able to exercise this discretion subject to:

- If and when Bank's CET 1 reaches the loss absorption trigger point, the aggregate amount of Additional Tier-1 capital to be converted must at least be the amount sufficient to immediately return the CET 1 ratio to above 6.625% of total RWA (if possible);
- The converted amount should not exceed the amount needed to bring the CET 1 ratio to 8.5% of RWA (i.e. minimum CET 1 of 6.0% plus capital conservation buffer of 2.5%); and
- In case, conversion of Additional Tier-1 capital Instrument is not possible following the trigger event, the amount of the Instrument must be written off in the accounts resulting in increase in CET 1 of the issuer.

Point of Non-Viability ("PONV") Upon the occurrence of a Point of Non-Viability event as defined under SBP BPRD Circular # 6 of 2013 dated August 15, 2013, which stipulates that SBP may, at its option, fully and permanently convert the TFCs into common shares of the Issuer and / or have them immediately written off (either partially or in full). Number of shares to be issued to TFC holders at the time of conversion will be equal to the 'Outstanding Value of the TFCs' divided by market value per share of the Issuer's common / ordinary share on the date of the PONV trigger event as declared by SBP, subject to the cap specified below:

The PONV trigger event is the earlier of:

- A decision made by SBP that a conversion or temporary / permanent write-off is necessary without which the Issuer would become non-viable;
- The decision to make a public sector injection of capital, or equivalent support, without which the issuer would have become non-viable, as determined by SBP; and
- The maximum number of shares to be issued to TFC holders at the Pre-Specified Trigger and / or Point of Non Viability (or otherwise as directed by SBP) will be subject to a specified cap of 329,595,476 ordinary shares, or such other number as may be agreed to in consultation with SBP.

17.4 During the year, the Bank has issued Rs. 2.5 billion of rated, privately placed and unlisted (listing is in process), unsecured and subordinated term finance certificates ("TFCs" or "the Issue") as an instrument of redeemable capital under Section 66 of the Companies Act, 2017 and as outlined by State Bank of Pakistan, SBP, under the BPRD circular No. 06 dated August 15, 2013 and Basel III guidelines. Summary of terms and conditions of the issue are:

22.2.6	Tax related contingencies are disclosed in notes 33.2 to 33.5.		

23. DERIVATIVE INSTRUMENTS

Derivative instruments, such as Forward Exchange Contracts, Interest Rate Swaps and Options, are forward transactions that provide market making opportunities / hedge against the adverse movement of interest and exchange rates. Derivatives business also provides risk solutions for the existing and potential customers of the Bank.

The Bank has entered into a Cross Currency Swap transaction with its customer on back-to-back basis with an Authorized Derivative Dealer (ADD) without carrying any open position in its books. Specific approvals for the transactions have been granted by State Bank of Pakistan. Policies in line with SBP instructions have been formulated and are operative.

The Bank has also entered into Foreign Currency & Commodity Options from its Wholesale Banking Branch Bahrain for market making activities.

These transactions cover the aspects of both market making and hedging. The risk management related to derivative is disclosed in note 45.

Notes to the Unconsolidated Financial Statements

For the year ended December 31, 2021

Accounting policies in respect of derivative financial instruments are described in note 4.4.2.

Tax charge for the year	904,533	872,881

33.2 Income Tax

The income tax returns filed under Section 114 of the Income Tax Ordinance, 2001 for the tax years 2007 through 2021. These returns filed were deemed to have been assessed in terms the provisions prevailing under income tax laws as applicable in Pakistan. However, the Officers of Inland Revenue Services (OIR) conducted the proceedings for making certain amendments in the deemed assessments for tax years 2008 to 2018 and tax year 2020. This was done by taking recourse of conducting tax audit or alternatively a direct amendment in the assessment contending that certain matters in the deemed assessments were not admissible as not conforming to the law and prejudiced the interest of revenue.

Based on the amended assessments in tax year 2008 to tax year 2018 and 2020, the department had made certain dis-allowances of expenses and tax deductible claims besides creating minimum tax and Workers' Welfare Fund liabilities in the tax years 2010, 2011 & 2012 and tax years 2009, 2012 & 2013 respectively.

In respect of WWF, the Supreme Court of Pakistan has held in Judgement, PLD 2017 SC 28, that the amendments made in the WWF Ordinance through Finance Act, 2006 and 2008 were illegal and without lawful authority i.e. the banks do not fall into definition of Industrial Undertaking and thus, not liable to pay WWF. Therefore based on this, the Bank's contention is mandated and it is likely that its pending appeals in this will be decided favorably. The Bank has obtained appeal effect orders of respective years except 2013 and resultantly no demand is payable in this respect.

As a consequence of the 18th amendment to the Constitution, levy for the WWF was introduced by the Government of Sindh and Punjab through the Sindh WWF Act, 2014 ("the Act") and the Punjab Workers Welfare Fund Act, 2019 respectively. As per the Acts, the Bank is liable to pay WWF in both provinces. However in this respect:

- the Bank has challenged the issue of jurisdiction claimed by Sindh Revenue Board before the Honorable High Court of Sindh (SHC) through Constitutional Petition 1546/2017 on grounds that banking companies cannot be considered as industrial establishment and that the Act will be applied to trans-provincial entities to the extent that the obligation under the provincial law is to make distribution to the extent of the proportionate profit of the Sindh Province. The Court has restrained the Sindh Revenue Board to collect / recover Sindh WWF till the next date of hearing.
- the Bank will challenge the recovery of Punjab WWF in the court of law on same grounds in case of SWWF.

In 2018, Based on decision of the Supreme Court of Pakistan, the Bank had reassessed the provision of WWF which was previously held on the entire operating results of the Bank (including all provinces, part of Pakistan, AJK and Bahrain Operations) and maintained WWF only to the extent of its operations within Sindh Province till 2019. In 2020 after promulgation of Punjab WWF, the Bank has again decided prudently to maintained provision on the entire results of the Bank.

In respect of minimum tax, the Commissioner Inland Revenue-Appeals (the CIR(A)) has not accepted the Bank's contentions of gross loss position and also decided that non-mark-up income is the fall under the definition of turnover including capital gains and dividend income. As result the demand of Rs. 38.907 million has been payable. The Bank has contested the matter in further appeals before Appellate Tribunal Inland Revenue (ATIR) which are pending for hearing.

Notes to the Unconsolidated Financial Statements

For the year ended December 31, 2021

For tax year 2008-2018 and 2020, the Bank has not accepted the amendments of Rs. 6.77 billion and have filed appeals before the Commissioner Inland Revenue-Appeals (the CIR(A)).

CIR(A) has admitted the contention of the Bank in case of tax year 2008 that the amended order is barred by time and decided that any addition made in impugned order is annulled and not required to be further adjudicated. However, the department has filed an appeal against the decision of CIR(A) in ATIR which is held in bank's favor through order dated January 31, 2022.

With regard to appeals filed for tax year 2009 to 2017, the CIR(A) has decided the appeals accepting the Bank's contentions in respect of significant issues, and certain disallowance including amortization claim of goodwill have been decided in favor of department in all tax years. However, the Bank and the tax department are contested the matters in further appeals before Appellate Tribunal Inland Revenue (ATIR) which mostly held in favor of Bank including goodwill through order dated January 31, 2022.

The tax department passed appeal effect/rectification orders and allowed deleted and set-aside issues in the light of CIR(A) orders for tax year 2008 to 2014. As a result of these orders, the Bank's taxable losses has increased to Rs. 3.464 billion and reduced the demand of Rs. 1.212 billion in relevant tax years after adjustment of these losses.

Further for the tax year 2013, the ATIR has decided appeal filed by tax department in respect of calculating the amount of provisions against advances as allowable under Rule 1(c) of Seventh Schedule to the Income Tax Ordinance, 2001 and has maintained the CIR(A) decision that the allowability of provision for advances to be calculated at 1% of gross amount of advances as against the tax department contention that the same is to be calculated on net advances after deducting the amount of provisions created and allowed against advances.

The matter of allowability of amortization relating to goodwill is contentious issue, therefore based on the opinion of lawyer there are arguments available to contend that goodwill on merger is an allowable deduction for tax purposes. Especially in the recent decision given by the High Court of Sindh in the case of merger of another bank in Pakistan where the Court has ruled in favour of taxpayer that goodwill generated in merger is 'intangible' and amortization relating to goodwill is allowable deduction.

The Sindh High Court has dismissed the Bank's petitions for tax years 2016 through 2019 wherein the Bank alongwith other taxpayers challenged the levy of super tax on constitutional grounds. Based on the opinion of legal counsel, the Bank has appealed before the Supreme Court against the decision of the Sindh High Court. The Supreme Court has allowed interim relief to the taxpayers subject to the payment of 50% of the super tax liability. However, the Bank has adjusted full amount of super tax liability for Tax year 2016 and 2019 against the available tax refunds. Further, the bank has obtained stay from the Sindh High Court on other technical grounds regarding the levy of Super Tax for tax years 2017 and 2018.

33.3 Withholding tax monitoring

Withholding tax monitoring was initiated against the Bank for tax year 2014-2020. Orders in respect of tax years 2014, 2015, 2016 and 2017 has been passed against which appeals have been filed before the CIR(A). CIR(A) has remanded back the matters for rectification in respect of tax years 2014 and 2015 against which rectified orders have been passed and demands have been reduced. Appeal for tax year 2017 has been heard and reserved for order. In respect of tax year 2018 to 2020, proceedings are pending.

33.4 Sales tax

The Bank as a registered person under Sindh Sales Tax on Services Act, 2011 has been issued a Sales Tax Order from the Sindh Revenue Board (SRB) creating a demand of Rs.193.44 million (besides Rs. 7.2 million is charged as penalty) against the Bank for allegedly non-payment of Sindh sales tax on certain 'presumed non-taxable services / incomes' (i.e. Bancassurance, Home Remittances under Pakistan Remittance Initiative Scheme, SBP rebates on Government securities, Rebates from foreign correspondent Banks, and FX gain on remittance by Western Union) for the tax periods July 2011 to December 2013, 2015 to 2017 and 2019 to 2020. Bank has filed appeals before Commissioner (Appeals) Sindh Revenue Board, CA-SRB against the order of AC-SRB.

Notes to the Unconsolidated Financial Statements

For the year ended December 31, 2021

33.5 Azad Jammu & Kashmir Operations

The Bank has commenced operations in Azad Jammu & Kashmir from tax year 2009 and has filed returns for the tax years 2009 to 2021 with the tax authorities of such region. The amendment proceedings and appeals are at various levels before AJK Tax authorities for the tax year 2011 to 2017, 2019 and 2020.

The management of the Bank is confident that the appeals filed in respect of the above matter will be decided in the Bank's favor and accordingly no demand for payment would arise.

37. DEFINED BENEFIT PLAN

37.1 General description

The Bank operates a recognized gratuity fund for all employees who opted for this scheme introduced by the management with effect from January 01, 2007.

The defined benefit is administered by a separate fund that is legally separate from the Bank. The plan is governed by the trust deed dated September 01, 2007. The trustees of the gratuity fund are composed of representatives from employers. The trustees of the gratuity fund are required by the trust deed to act in the interest of the fund and of all relevant stakeholders in the scheme, i.e. active employees, inactive employees, retirees and employers. The trustees of the gratuity fund are responsible for the investment policy with regard to the assets of the fund.

37.2 The plan in Pakistan typically exposes the Bank to actuarial risks such as: salary risk, discount rate risk, mortality risk and investment risk defined as follow:

- **Salary increase risk:**

The risk that the final salary at the time of cessation of services is greater than assumed. Since the benefit is calculated on the final salary (which will closely reflect inflation and other macroeconomic factors), the benefit amount increases as salary increases.

- **Discount rate risk**

The discount rate is based on the yield on government bonds. If the market yield of bonds varies, the discount rate would vary in the same manner and would affect the present value of obligation and fair value of assets.

- **Demographic Risks**

- **Withdrawal risk:**

The risk of actual withdrawals experience is different from assumed withdrawal probability. The significance of the withdrawal risk varies with the age, service and the entitled benefits of the beneficiary.

- **Longevity Risk**

The risk that the actual mortality experience is different than the assumed mortality. This effect is more pronounced in schemes where the age and service distribution is on the higher side.

- **Investment risk**

This is the risk that the assets are under-performing and are not sufficient to meet the liabilities.

37.3 Number of employees under the schemes

The number of employees covered under defined benefit scheme (gratuity fund) is 3,495 (2020: 3,756).

37.4 Principal actuarial assumptions

Principal actuarial assumptions at the end of the reporting period expressed as weighted averages. The actuarial valuations were carried out on December 31, 2021 based on the Projected Unit Credit Method, using the following significant assumptions:

37.7 Maturity profile

37.7.1 Expected maturity analysis of undiscounted defined benefit obligation (benefit payments) for the gratuity fund is as follows:

	Up to one year	Over 1-2 years	Over 2- 5 years	Over 6-10 years	Over and 10 above years	Total
	Rupees in '000					
Balance as at December 31, 2021	40,130	42,200	200,323	1,068,414	11,996,311	13,347,378
Balance as at December 31, 2020	45,445	71,699	268,697	1,245,714	11,997,565	13,629,120

37.8 Sensitivity analysis

37.8.1 Significant actuarial assumptions for the determination of the defined obligation are discount rate, and expected rate of salary increase. The sensitivity analysis below have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant:

Particulars	Rate	Present value of defined benefit obligation	Fair value of plan assets	Net defined benefit liability / (asset)
		Rupees in '000		
Current results	-	811,689	1,130,008	(318,319)
Discount rate				
1% Increase	12.75%	741,666	1,130,008	(388,342)
1% Decrease	10.75%	891,924	1,130,008	(238,084)
Salary Rate				
1% Increase	10.75%	892,877	1,130,008	(237,131)
1% Decrease	8.75%	739,558	1,130,008	(390,450)
Withdrawal rate				
10% Increase	Moderate + one year	800,202	1,130,008	(329,806)
10% Decrease	Moderate - one year	823,938	1,130,008	(306,070)
Mortality rate				
One year age set back	Adjusted SLIC 2001-2005 - one year	811,915	1,130,008	(318,093)
One year age set forward	Adjusted SLIC 2001-2005 + one year	811,427	1,130,008	(318,581)

Notes to the Unconsolidated Financial Statements

For the year ended December 31, 2021

Furthermore in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same as applied in calculating the defined benefit obligation liability recognised in this unconsolidated statement of financial position.

37.9 Maturity profile

The weighted average duration of the defined benefit obligation works out to 10 years.

37.10 Experience Adjustments

The re-measurement gains / losses arise due to actual experience varying from the actuarial assumptions for the year.

	2021	2020	2019	2018	2017
	----- Rupees in '000 -----				
Particulars					
Defined benefit obligation	811,689	1,074,298	844,212	649,062	550,729
Fair value of plan assets	(1,130,008)	(1,391,879)	(692,331)	(546,568)	(375,611)
Net defined benefit (assets) / liability	(318,319)	(317,581)	151,881	102,494	175,118
Re-measurement (gain) / loss on obligation	(107,386)	13,759	(836)	(52,391)	75,269
Re-measurement loss / (gain) on plan assets	317,777	(490,776)	18,005	25,329	10,273
Other comprehensive income / (loss)	210,391	(477,017)	17,169	(27,062)	85,542

37.11 The average duration of the payment of benefit obligation at December 31, 2021 is within one year.

37.12 The Bank contributes to the gratuity fund as per actuarial's valuation of the year i.e. Nil for the next year.

37.13 Based on actuarial advice and management estimates, profit and loss account charge in respect of defined benefit obligation for the next one year works out to be Rs. 92.702 million. The amount of re-measurements to be recognised in other comprehensive income for year ending December 31, 2022 will be worked out as at the next valuation.

38. DEFINED CONTRIBUTION PLAN

The Bank operates a contributory provident fund for all permanent employees. The employer and employee both contribute 7.1% of the basic salaries (2020: 7.1% of the basic salaries) to the funded scheme every month. Number of employees covered under this plan are 2,865 (2020: 3,164). During the year, the Bank has made a contribution of Rs. 248.152 million (2020: Rs. 229.001 million) to the fund. The employees have also made a contribution of equal amount to the fund.

Notes to the Unconsolidated Financial Statements

For the year ended December 31, 2021

39. COMPENSATION OF DIRECTORS AND EXECUTIVES

39.1 The aggregate amount charged in the financial statements for the year in respect of the remuneration and benefits to the President and Chief Executive Officer, Directors and Executives are as follows:

40. FAIR VALUE OF FINANCIAL INSTRUMENTS

IFRS 13 "Fair Value Measurement" defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The fair value of quoted securities other than those classified as held to maturity, is based on quoted market price. Fair value of fixed term loans, other assets, other liabilities and fixed term deposits cannot be calculated with sufficient reliability due to absence of current and active market for assets and liabilities and reliable data regarding market rates for similar instruments. The provision for impairment of loans and advances has been calculated in accordance with the Bank's accounting policy as stated in note 4.6 to the annual unconsolidated financial statements for the year ended December 31, 2021.

The repricing profile, effective rates and maturity are stated in note 45.2.4 to these financial statements.

In the opinion of the management, the fair value of the remaining financial assets and liabilities are not significantly different from their carrying values since assets and liabilities are either short term in nature or in the case of customer loans and deposits are frequently repriced.

Fair value hierarchy

IFRS 13 requires the Bank to classify fair value measurement using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has following levels:

- Level 1:** Fair value measurements using quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date.
- Level 2:** Fair value measurements using inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3:** Fair value measurements using unobservable inputs for the asset or liability.

Notes to the Unconsolidated Financial Statements

For the year ended December 31, 2021

40.1 Valuation techniques used in determination of fair values within level

Item	Valuation approach and input used
------	-----------------------------------

Financial Instruments- Level 1

Shares of listed companies	Fair values of investments in listed equity securities are valued on the basis of closing quoted market prices available at the Pakistan Stock Exchange.
----------------------------	--

Financial instruments - Level 2

Units of mutual funds	Fair values of investments in units of mutual funds are determined based on redemption prices disclosed at the Mutual Funds Association of Pakistan (MUFAP) as at the close of the business days.
Market Treasury Bills(MTB) / Pakistan Investment Bonds(PIB), and GoP Sukuks (GIS)	Fair values of Pakistan Investment Bonds and Market Treasury Bills are derived using PKRV and PKFRV rates (Reuters page).
Debt Securities (TFCs) and Sukuk other than Government	Investments in debt securities (comprising of Term Finance Certificates, Bonds and any other security issued by a company or a body corporate for the purpose of raising funds in the form of redeemable capital) are valued on the basis of the rates announced by the Mutual Funds Association of Pakistan (MUFAP) in accordance with the methodology prescribed by the SECP.
Overseas Government Sukuks, Overseas and Euro Bonds	The fair value of Overseas Government Sukuks, and Overseas Bonds are valued on the basis of price available on Bloomberg.
Forward foreign exchange contracts	The valuation has been determined by interpolating the foreign exchange revaluation rates announced by the State Bank of Pakistan.
Derivatives	The fair values of derivatives which are not quoted in active markets are determined by using valuation techniques. The valuation techniques take into account the relevant underlying parameters including foreign currencies involved, interest rates, yield curves, volatilities, contracts duration, etc.

Financial instruments in level 3

Currently, no financial instruments are classified in level 3.
The fair value of unquoted debt securities, fixed term loans, other assets, other liabilities, fixed term deposits and borrowings cannot be calculated with sufficient reliability due to the absence of a current and active market for these assets and liabilities and reliable data regarding market rates for similar instruments.

Non- financial assets- Level 3

Fixed assets - Land and building	Fixed assets and Non-banking assets under satisfaction of claims are carried at revalued amounts determined by professional valuers based on their assessment of the market values as disclosed in note 11 and 13 of these annual unconsolidated financial statements. The valuations are conducted by the valuation experts appointed by the Bank which are also on the panel of State Bank of Pakistan. The valuation experts used a market based approach to arrive at the fair value of the Bank's properties. The market approach used prices and other relevant information generated by market transactions involving identical or comparable or similar properties. These values are adjusted to reflect the current condition of the properties. The effect of changes in the unobservable inputs used in the valuations cannot be determined with certainty, accordingly a qualitative disclosure of sensitivity has not been presented in these financial statements.
Non-banking assets under satisfaction of claims	

Notes to the Unconsolidated Financial Statements

For the year ended December 31, 2021

40.2 The Bank's policy is to recognise transfers into and out of the different fair value hierarchy levels at the date the event or change in circumstances that caused the transfer occurred. There were no transfers between levels 1 and 2 during the year.

40.3 The following table provides an analysis of financial assets that are measured subsequent to initial recognition at fair value, grouped into Levels 1 to 3 based on the degree to which the fair value is observable.

Total	187,443,811	180,888,586
<p>The SBP through its BSD Circular No. 07 dated April 15, 2009 has prescribed the minimum paid-up capital (net of accumulated losses) for banks to be raised to Rs.10,000 million by the year ending December 31, 2013. The paid-up capital of the Bank as at December 31, 2021 stood at Rs. 10,119.242 million (2020: Rs. 10,119.242 million) and is in compliance with SBP requirements.</p> <p>The Banks are also required to maintain a minimum Capital Adequacy Ratio (CAR) of 10.0% plus capital conservation buffer of 1.5% of the risk weighted exposures of the Bank. Further, under Basel III instructions, Banks are also required to maintain a Common Equity Tier 1 (CET 1) ratio and Tier 1 ratio of 6.5% and 7.5%, respectively, as at December 31, 2021. As at December 31, 2021 the Bank is fully compliant with prescribed ratios, as the Bank's CAR is 13.77% whereas CET 1 and Tier 1 ratios stood at 9.37% and 10.70% respectively. The Bank has complied with all capital requirements throughout the year.</p> <p>Under the current capital adequacy regulations, credit risk and market risk exposures are measured using the Standardized Approach and operational risk is measured using the Basic Indicator Approach. Credit risk mitigants are also applied against the Bank's exposures based on eligible collateral under comprehensive approach.</p>

45. RISK MANAGEMENT

Risk Management is a discipline at the core of every financial institution and encompasses all the activities that affect its risk profile. At the Bank, it involves identification, measurement, monitoring and controlling risks to ensure that:

- a) The individuals who take or manage risks clearly understand it;
- b) The Bank's Risk exposure is within the limits established by Board of Directors (BoD);
- c) Risk taking decisions are in line with the business strategy and objectives set by BoD;
- d) The expected payoffs compensate for the risks taken;
- e) Risk taking decisions are explicit and clear;
- f) Sufficient capital as a buffer is available to take risk; and
- g) Risk management function is independent of risk taking unit.

The Bank has a comprehensive set of Risk Management policies, practices and procedures which enable the Bank to take into consideration, in an appropriate manner, all major kinds of risks mainly credit, market, liquidity, operational and IT security risks. Keeping in view the dynamics of internal and external environment, we regularly review and update our Risk Management policies and procedures in accordance with regulatory environment and international standards.

Risk Management activities remain at the forefront of all activities of the Bank which places the highest priority on conducting its business in a prudent manner in line with the relevant laws and regulatory requirements.

Risk management framework of the Bank includes:

- a) Clearly defined risk management policies and procedures covering risk identification, acceptance, measurement, monitoring, reporting and control;
- b) Well constituted organizational structure, defining clearly roles and responsibilities of individuals involved in risk taking as well as managing it. The Bank, in addition to risk management functions for various risk categories, has instituted an Integrated Risk Management Committee (IRMC), Portfolio Management Committee (PMC), Operational Risk Management Committee (ORMC), Remedial Management Committee (RMC) as well as Central Credit Committee (CCC). IRMC oversees the overall risk management at the Bank and provides guidance in setting strategic targets as well as concentration limits and monitor progress related to earnings growth, keeping in view the capital constraints and also adheres to the concentration limits. The IRMC monitors the strategic target and aggregate limits at the Business Group level and concentration limits (by industry, geography, size, tenor) so that one category of assets or dimension of risk cannot materially harm the performance of the Bank. PMC monitors the advances portfolio, concentrations limits, aggregate limits at business level and various house keeping elements under Credit Administration. ORMC oversees the effectiveness of operational risk management for maintenance and implementation of operational risk management framework. It also monitors the Business Continuity Planning and reviews findings of any other management or board's sub committee. Remedial Management Committee (RMC) oversees the progress of non performing loans and cases under litigation along with the recommendation of transferring of any NPL to Corporate Restructuring Company (CRC). Whereas, Central Credit Committee (CCC) is entrusted with the responsibility of monitoring lending risk profile of the Bank. CCC meets regularly to actively supervise credit risk across its lending portfolio.
- c) An effective management information system that ensures flow of information from operational level to top management and a system to address any exceptions observed; and

Notes to the Unconsolidated Financial Statements

For the year ended December 31, 2021

- d) A mechanism to ensure an ongoing review of systems, policies and procedures for risk management and procedures to adopt changes.

While the overall responsibility of risk management rests with the BoD, it is the duty of Senior Management to devise risk management strategy by setting up well defined policies and procedures for mitigating / controlling risks, duly approved by the Board.

Giving due consideration to the above, the Bank has put in place the following hierarchy of Risk Management:

- Board Risk Management Committee (BRMC);
- Integrated Risk Management Committee (IRMC) comprises of the President / Chief Executive Officer (CEO), Chief Risk Officer, Chief Operating Officer, Chief Credit Officer, Chief Financial Officer, Chief Compliance Officer, Group Head Corporate & Public Sector Government, Group Head Operations, Chief of Staff, Group Head Retail Banking, Head of Human Resources, and Chief Product & Marketing Officer.
- Asset - Liability Committee (ALCO) comprises of the President / Chief Executive Officer (CEO), Treasurer, Chief Risk Officer, Chief Credit Officer, Group Head Investment Banking, Chief Financial Officer and attended by Other Business Heads.
- Central Credit Committee (CCC) comprising of the President / CEO, Chief Operating Officer, Chief Credit Officer, Group Head Corporate & Public Sector Government, Group Head Emerging Corporate (South), Group Head Emerging Corporate (Central & North) and Head of Environmental Risk (for environmental risk only).
- Portfolio Management Committee (PMC) comprises of President/CEO, Chief Risk Officer, Chief Credit Officer, Group Head Corporate & Public Sector Government, Group Head Retail Banking, Heads of Credit Risk, Head CAD, Head of Consumer Risk, and Head Enterprise Risk Management.
- Operational Risk Management Committee (ORMC) comprises of the Chief of Staff, Chief Risk Officer, Chief Compliance Officer, Chief Information Officer, Group Head Operations, Head of Human Resources, Chief Product & Marketing Officer, Group Head Retail Banking, Group Head Customer Experience and Head Enterprise Risk Management .
- Remedial Management Committee (RMC) comprises of President/CEO, Chief Risk Officer, Chief Credit Officer, Chief of Staff, Chief Operating Officer, Chief Financial Officer, Head of SAM, CAD Head, Credit Risk Heads and Head of Legal.
- IT Steering Committee (ITSC) comprises of President/CEO, Deputy CEO, Chief Risk Officer, Chief Financial Officer, Group Head Operations & Technology, Chief Information Officer, Chief Information Security Officer, Chief of Staff, Group Head Investment Banking & Emerging Business, Chief Digital Officer, Country Head Branch Banking Operations and Head Product Development & Consumer Business.
- Risk Management Group (RMG), a dedicated and independent set-up headed by Chief Risk Officer (CRO) and comprises of Heads of Market & Liquidity Risks, Operational Risk and Treasury Middle Office, Consumer & Program Lending Risk, Information Security, Agricultural Credit Risk, Strategic Projects & Quantitative Analysis and Enterprise Risk Management.
- Credit Risk Group (CRG) is also an independent function to business and is headed by Chief Credit Officer (CCO). Credit Risk Heads dealing in corporate, emerging corporate, middle market, small & medium enterprises, financial institutions and international operations are reporting into CCO. Special Assets Management (SAM) and Credit Administration (CAD) also report into CCO.

Risk Matrix / Categories

The Bank, in common with other banks, generates its revenues by accepting Country, Credit, Liquidity, Interest Rate Risk in the Banking Book, Market, Operational and other risks. Effective management of these risks is the decisive factor in the Bank's profitability.

Risk Appetite

The Bank's risk appetite is reflected in its endeavours to maintain a favourable credit rating and encompasses the following:

- The business strategy
- The expectations of stakeholders at different time horizons
- The characteristics of the risk-bearing entities
- The nature and characteristics of the risks undertaken
- The possible spread of risk situations across organizational units, assets-at-risk, and future time horizons.

Risk appetite drives business activity. It combines anticipations in risk and profitability with management preferences to control capital and resource allocation, as well as the distribution of exposure across activities and portfolios.

The Bank's hedging strategy is embedded in its risk management practices for addressing material categories of risk.

45.1 Credit Risk

Credit risk is the risk which arises with the possibility that one party to a financial instrument will fail to discharge its obligation and cause the other party to incur a financial loss. Credit risk is managed in terms of credit policies, approved by the BoD and regulations issued by the SBP. The bank is exposed to credit risk on loans and advances, fund placements with financial institutions and certain investments.

Credit risk management is an ongoing process. The overall credit policy and the credit risk instructions are issued by the Board of Directors. In this regards, a Central Credit Committee (CCC) is entrusted with the responsibility of monitoring lending risk profile of the bank. In order to maintain healthy growth of the credit portfolio, the Bank's Credit Risk Management processes are consistently upgraded and improved to meet future challenges.

The Bank's strategy is to minimise credit risk through product, geography, industry and customer diversification. Credit limits are established for all counter-parties after a careful assessment of their credit worthiness. An effective credit granting procedure, which requires pre-sanction evaluation of credit proposal, adequacy of security and pre-disbursement examination of charge documents is in place and managed by Risk Management Group (RMG) & Credit Administration Department (CAD). The Bank maintains a sound portfolio diversified in nature to counter the risk of credit concentration and further confines risk through diversification of its assets by geographical and industrial sector. For managing impaired assets in the portfolio, the Bank follows the Prudential Regulations and Risk Management guidelines issued by SBP and the Remedial Management Policy approved by the Board.

45.1.1 Credit risk: Standardised approach

The Bank has adopted the Standardised Approach of Basel II for risk weighing its Credit Risk Exposures.

The following table illustrates the approved External Credit Assessment Institutions (ECAIs) whose ratings are being utilised by the Bank with respect to material categories of exposures:

Notes to the Unconsolidated Financial Statements

For the year ended December 31, 2021

Exposures	VIS	PACRA	MOODY'S	FITCH	S&P
Corporate	✓	✓	-	-	-
Banks	✓	✓	✓	✓	✓
SME's (retail exposures)	✓	✓	-	-	-
Sovereigns	✓	✓	✓	✓	✓
Securitisations	N/A	N/A	N/A	N/A	N/A
Others (specify)	N/A	N/A	N/A	N/A	N/A

The Bank has used Issue Specific Ratings for rating / risk weighing Issue Specific Exposures and Entity Ratings for rating / risk weighing claims against specific counterparties. Both short and long term ratings have been used to rate corresponding short and long term exposures. For this purpose, Mapping Grid provided by SBP as given below:

Long - Term Ratings Grades Mapping

SBP Rating Grade	PACRA	JCR-VIS	Fitch	Moody's	S&P	ECA Scores
1	AAA AA+ AA AA-	AAA AA+ AA AA-	AAA AA+ AA AA-	Aaa Aa1 Aa2 Aa3	AAA AA+ AA AA-	1

S4	Others	Others	Others	Others	Others

45.1.2 Policies and processes for collateral valuation and management as regards Basel II;

For Credit Risk Mitigation purposes the Bank uses only the eligible collaterals under Comprehensive Approach of Credit Risk Mitigation under Standardised Approach as prescribed by SBP under Circular No. 8 of 2006, which includes Cash and Cash Equivalent Securities including Government Securities (like Cash Margins, Lien on Bank Accounts, Foreign Deposit Receipts, Term Deposit Receipts, Pledge of Defense Saving Certificates, Regular Income Certificates, Special Saving Certificates, T-Bills and Pakistan Investment Bonds etc.) and Shares, TFCs and Mutual Funds Listed on the Main Index.

Notes to the Unconsolidated Financial Statements

For the year ended December 31, 2021

Under the Bank's policy all collaterals are subject to periodic valuations to monitor the adequacy of margins held. Shares / Marketable securities are valued by the Bank on daily basis to calculate the Drawing Power (DP). In case of any shortfall in the requisite margins, the DP is adjusted to the appropriate level and the business units are informed to take appropriate action as per the agreement with the customer.

Particulars of bank's significant on-balance sheet credit risk in various sectors are analysed as follows:

	Gross lendings		Non-performing lendings		Provision held	
	2021	2020	2021	2020	2021	2020

45.2 Market Risk

Market risk is the risk of loss due to adverse changes in interest rates, foreign exchange rates, equity prices and market conditions. From the perspective of the Bank, market risk comprises of interest rate risk, foreign exchange risk and equity position risk, which the Bank is exposed to in its trading book.

The Bank has an approved market risk policy wherein the governance structure for managing market risk, measurement tools used and the market risk exposure limits have been addressed. The Bank's strategy for managing market risk is to relate the level of risk exposures to their risk appetite and the capital at hand.

The Board of Directors (BoD) and the Asset and Liability Committee (ALCO) are responsible for addressing market risk from a strategic perspective and are assisted by the market risk function in meeting these objectives.

The Market Risk Unit reports directly to Head ERM and is responsible for ensuring the implementation of market risk policy in line with the Bank's strategy.

Risk reporting undertaken by the market risk function includes:

- a) Portfolio Reports
- b) Limit monitoring reports
- c) Sensitivity analysis; and
- d) Stress testing of the portfolio

Currently, the Bank is using the market risk standardised approach for the purpose of computing regulatory capital, the details of which are set out above.

45.2.2 Foreign Exchange Risk

Main objective of foreign exchange risk management is to ensure that the foreign exchange exposure of the Bank lies within the defined appetite of the Bank.

Daily reports are generated to monitor the internal and regulatory limits with respect to the overall foreign currency exposures. The overall net open position, whether short or long has the potential to negatively impact the profit and loss depending upon the direction of movement in foreign exchange rates.

Notes to the Unconsolidated Financial Statements

For the year ended December 31, 2021

Foreign exchange open and mismatched positions are marked to market on a daily basis.

Currency risk arises where the value of financial instruments changes due to changes in foreign exchange rates. In order to manage currency risk exposure the bank enters into ready / spot, forward and swap transactions with SBP and in the interbank market. The Bank's foreign exchange exposure comprises of forward contracts, foreign currencies cash in hand, balances with banks abroad, foreign placement with SBP and foreign currencies assets and liabilities. The net open position is managed within the statutory limits, as fixed by SBP. Counter parties limit are also fixed to limit risk concentration. Appropriate segregation of duties exists between the front and back office functions while compliance with the net open position limit is independently monitored on an ongoing basis.

- Other comprehensive income	-	-	-	-

45.2.3 Equity position Risk

Equity positions in the banking book include Investment in equities that are available-for-sale or held for strategic investment purposes. These investments are generally regarded as riskier relative to fixed income securities owing to the inherent volatility of stock market prices. The Bank mitigates these risks through diversification and capping maximum exposures in a single company, compliance with regulatory requirement, and following the guidelines laid down in the Bank's Investment Policy as set by the Board of Directors (BoD). The Bank follows a delivery versus payment settlement system thereby minimizing risk available in relation to settlement risk.

Notes to the Unconsolidated Financial Statements

For the year ended December 31, 2021

Equity price risk is managed by applying trading limit and scrip-wise and portfolio wise nominal limits.

	2021		2020	
	Banking book	Trading book	Banking book	Trading book
	----- Rupees in '000 -----			
Impact of 5% change in equity prices on

- Other comprehensive income	229,752	-	221,940	-

45.2.4 Yield / Interest Rate Risk in the Banking Book (IRRBB)-Basel II Specific

Yield/ Interest rate sensitivity position for on-balance sheet instruments is based on the earlier of contractual re-pricing or maturity date and for off-balance sheet instruments is based on settlement date. This also refers to the non-trading market risk. The gap analysis between the market rate sensitive assets and liabilities is given below:

	2021		2020

	----- Rupees in '000 -----			
Impact of 1% change in interest rates on				
- Profit and loss account	1,030,260	10,659	830,207	459,243
- Other comprehensive income	(1,315,776)	(392)	(1,401,710)	(13,396)

Notes to the Unconsolidated Financial Statements

For the year ended December 31, 2021

45.3

Mismatch of interest rate sensitive assets and liabilities

Interest rate risk is the risk that the value of a financial instrument will fluctuate due to changes in the market interest rates. The Bank is exposed to interest / mark-up rate risk as a result of mismatches or gaps in the amount of interest / mark up based assets and liabilities that mature or re-price in a given period. The Bank manages this risk by matching/re-pricing of assets and liabilities. The assets and liabilities committee (ALCO) of the Bank monitors and manages the interest rate risk with the objective of limiting the potential adverse effects on the profitability of the Bank.

45.4 Liquidity risk

Liquidity risk is the risk that the Bank will not be able to raise funds to meet its commitments. The Bank's Asset and Liability Committee (ALCO) manages the liquidity position on a continuous basis.

The Bank's policy to liquidity management is to maintain adequate liquidity at all times and in all currencies under both normal and stress conditions, to meet our contractual and potential payment obligations without incurring additional and unacceptable cost to the business.

Treasury is responsible for the managing liquidity risk under the guidance of Asset-Liability Committee of the Bank. The Bank's liquidity risk management approach starts at the intraday level (operational liquidity) managing the daily payments queue and factoring in our access to the qualifying securities of State Bank of Pakistan. It then covers tactical liquidity risk management dealing with the access to unsecured funding sources and the liquidity characteristics of our asset inventory (asset liquidity). Finally, the strategic perspective comprises the maturity profile of all assets and liabilities on our statement of financial position.

For monitoring and controlling liquidity risk, the Bank generates a scenario sensitive maturity statement of financial position, and run controlled mismatches that are monitored and discussed by ALCO members regularly. The Bank prepares various types of reports and analysis for assisting ALCO in taking necessary strategic actions for managing liquidity risk in the Bank. These include liquidity ratios, Concentration analysis, Gap reports, Stress testing, Liquidity Coverage ratio & Net Stable Funding Ratio analysis etc.

45.4.3 To identify the behavioural maturities of non-contractual assets and liabilities, the Bank has used the following methodology:

For determining the core portion of non contractual liabilities (non-volatile portion), the bank has used the average method whereby average balance maintained over past five years has been classified as core and has been placed in 'over 3 to 5 years' maturity bucket. Non contractual assets and remaining volatile portion of non contractual liabilities have been stratified in relevant maturity bucket using bucket wise percentages determined by using average volatility in respective period / bucket.

Notes to the Unconsolidated Financial Statements

For the year ended December 31, 2021

45.5 OPERATIONAL RISK

The Bank currently uses Basic Indicator Approach to Operational Risk for regulatory capital calculations. We define operational risk as the risk of loss resulting from inadequate or failed internal processes, people and system or from external events. With the evolution of Operational Risk Management into a separate distinct discipline, the Bank's strategy is to further strengthen its risk management system along new industry standards. Accordingly the Bank has set up a separate Operational Risk Management (ORM) Unit. ORM Unit resides within Risk Management Group (RMG). Its responsibility is to implement Operational Risk management framework across the bank for effective measurement and monitoring of operational risk faced by different areas of the Bank.

Bank's operational risk management process involves a structured and uniform approach across the Bank. It includes risk identification and assessments, the monitoring of Key Risk Indicators (KRIs) and Risk & Control Self-Assessment (RCSA) activities for key operational risks. In order to build a robust operational risk monitoring mechanism, an Operational Risk Management Committee (ORMC) has been constituted to effectively address operational risk issues.

The bank has implemented a comprehensive "Operational Risk Management Policy" which has also been approved by the Board of Directors. The purpose of bank-wide Operational Risk Management Policy is aimed at laying out clearly defined roles and responsibilities of individuals / units across different functions of the Bank that are involved in performing various operational risk management tasks. Operational risk is much more pervasive in a financial institution and every operating unit is exposed to operational risk, regardless of whether it is a business or a support function. This policy has been devised to explain the various building blocks of the operational risk management functions and their inter-relationships. The policy also captures both qualitative and quantitative guidelines for managing and quantifying operational risks across the Bank.

The ORM Unit conducts operational risk assessment for all major functions of the Bank and assists various functions of the Bank in developing RCSA and KRIs which are monitored against predefined thresholds. Findings from KRIs are used as predictive indicators of potential operational risks.

Operational risk incidents and loss data collection is governed by Bank's Operational Risk Management Policy and process documents which have been developed and implemented to collate operational losses and near misses in a systematic and organized way.

The Bank's Business Continuity (BCP) Policy includes risk management strategies to mitigate inherent risks and prevent interruption of mission critical services caused by disaster events. The resilience of BCP is tested and rehearsed on an annual basis by the Bank.

46. DERIVATIVE RISK

The policy guidelines for taking derivative exposures are approved by the Board of Directors (BOD). Bank's Asset & Liability Committee (ALCO) is responsible for reviewing and managing associated risks of the transactions.

The nature, scope and purpose of derivatives business, for trading purposes or hedging purpose and the types of derivative in which they deal.

The overall responsibility for offering derivative products and sustaining profitability lies with the Treasurer and in his absence with his delegate. The Market Risk Unit / Treasury Middle Office of the Bank responsible for measurement & monitoring of the market risk exposures, analysis of present and potential risk factors.

Notes to the Unconsolidated Financial Statements

For the year ended December 31, 2021

The Market Risk Unit also monitors associated Credit, Market and Liquidity Risk in line with Board of Directors approved limit framework. The unit coordinates with the business regarding approvals for derivatives risk limits and produces various reports / analysis for ALCO / BRMC on periodic basis. These reports provide details of outstanding un-hedged positions, profitability and status of compliance with limits. Treasury Operations records derivatives activity in the Bank's books and is responsible for reporting to the SBP.

The derivative transaction such as Cross Currency Swaps carries credit risk which is the risk that a party to a derivative contract will fail to perform its obligation. There are two types of credit risk associated with derivative transactions; 1) settlement, and 2) pre-settlement risk. Bank's Central Credit Committee is responsible for reviewing and managing associated Counterparty Credit Risks of the transaction.

The Bank has also entered into Foreign Currency & Commodity Options from its Wholesale Banking Branch Bahrain for market making activities. The Bank can hedge its risk by taking on & off-balance sheet position in interbank market, where available.

47. CUSTOMER SATISFACTION AND FAIR TREATMENT

JS Bank Customer Experience (JSBCE) Group organize, plan and monitor Bank's Customer experience on all touchpoints to ensure optimized interaction between the Bank and its customers. JSBCE Group develops and implement strategies useful in improving customer relationship, dedication, and satisfaction. Our core values – client centricity, resonates directly with effective grievance management, complaint handling and listening to voice of customers to fully understand the needs of our customers and stakeholders to adapt our product and services and exceed their expectations.

A total of 23,261 complaints were received by the Bank in 2021 and the average time taken to resolve these complaints was 6 working days. The complaint handling policy and grievance redressal mechanism ensures that complaints are resolved in a timely manner and recurrence of complaints is prevented where possible. Complaint management process is kept as transparent as possible through logging, acknowledgement, interim response where applicable and resolution of complaints. Customers are also given the option of contacting the Banking Ombudsman (Mohtasib) in case they are dissatisfied with the response received from the Bank.

To create enhanced visibility of the recourse mechanism available to its customers,, the Bank has incorporated awareness messages of its complaint handling function in several customer communications such as account statements, ATM screens and SMS messages. Complete grievance redressal mechanism, touchpoints and online feedback forms have been made available through the Bank's website, and email broadcasts have been sent to the customers for customers education and awareness.

JS Bank Contact Center supports customers interactions across a range of channels, including phone calls, email, SMS chat, Whatsapp, Website form and the emerging adoption of social media interactions, and is distinct from telephony-only call centers. JS Bank Contact Centre is equipped with trained professionals who offer a wide array of information and problem resolution support round the clock. The customers are further facilitated by key underlying technologies include automatic call distribution, computer-telephony integration, and interactive voice response.

INDEPENDENT AUDITOR'S REPORT

To the members of JS Bank Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the annexed consolidated financial statements of **JS Bank Limited** (the Bank) and its subsidiaries (the Group), which comprise the consolidated statement of financial position as at 31 December 2021, and the consolidated profit and loss account, the consolidated statement of comprehensive income, the consolidated statement of changes in equity and consolidated cash flow statement for the year then ended, including a summary of significant accounting policies and other explanatory information.

In our opinion, consolidated financial statements give a true and fair view of the consolidated financial position of the Group as at 31 December 2021 and of its consolidated financial performance and its consolidated cash flows for the year then ended in accordance with the accounting and reporting standards as applicable in Pakistan.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

KPMG Taseer Hadi & Co.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following are the Key Audit Matters:

S.No.	Key Audit Matters	How the matter was addressed in our audit
1	<p>Provision against advances (Refer note 10.4 to the financial statements)</p> <p>The Group's Advances portfolio includes fund-based and non-funded financing facilities.</p> <p>As per the Group's accounting policy (refer note 4.6.1 to the financial statements), the Group determines provisions against non-performing financing exposures in accordance with the requirements of Prudential Regulations of State Bank of Pakistan (SBP) in respect of potential credit losses in the portfolio.</p> <p>The Prudential Regulations require specific provisioning against loan losses on the basis of an age-based criteria which should be supplemented by a subjective evaluation of group's credit portfolio. The determination of loan loss provision against financing, therefore, involves use of management judgment, on a case to case basis, taking into</p>	<p>Our audit procedures, amongst others, included the following:</p> <ul style="list-style-type: none"> Assessed the design and tested the operating effectiveness of key controls established by the Group to identify loss events and for determining the extent of provisioning required against non-performing loans. <p>The testing of controls included testing of:</p> <ul style="list-style-type: none"> Controls over correct classification and provisioning of non-performing financing on time-based criteria; Controls over monitoring of financing with higher risk of default and correct classification of non-performing financing on subjective criteria; <ul style="list-style-type: none"> In accordance with the regulatory requirement, we sampled and tested at least sixty percent of the total advances portfolio and performed the following substantive procedures for sample loan accounts: <ul style="list-style-type: none"> verified repayments of loan / profit installments and checked that non-performing financing have been correctly classified and categorized based on the number of days overdue; and

KPMG Taseer Hadi & Co.

S.No.	Key Audit Matters	How the matter was addressed in our audit
	<p>account factors such as the economic and business conditions, borrowers repayment behaviors and realizability of collateral held by the Group.</p> <p>In view of the significance of this area in terms of its impact on the financial statements and the level of involvement of management's judgment, we identified provision as a significant area of audit judgment and a key audit matter.</p>	<ul style="list-style-type: none"> - examined watch list accounts and, based on review of the individual facts and circumstances, discussions with management and our assessment of financial conditions of the borrowers, formed a judgement as to whether classification of these accounts as performing was appropriate. • Analyzed the accuracy of specific provision made against non-performing financing and of general provision by recomputing the provision amount after considering the benefit of forced sales value, if any, in accordance with the criteria prescribed under the Prudential Regulations. • Where the management has not identified indicators displaying impairment, reviewed the credit history, account movement, financial ratios, report on security maintained and challenged the management's assessment based on our view of the credit from the review of credit file.

KPMG Taseer Hadi & Co.

S.No.	Key Audit Matters	How the matter was addressed in our audit
2	Valuation of investments (Refer note 9 to the consolidated financial statements)	
	<p>The carrying value of investments held by the Group amounted to Rs. 232,221.074 million, which constitutes 39.40% of the Group's total assets as at 31 December 2021.</p> <p>The significant portion of the investments comprise of government, debt and equity securities.</p> <p>Investments are carried at cost or fair value in accordance with the Group's accounting policy relating to their recognition. Provision against investments is made based on impairment policy of the Group which includes both objective and subjective factors.</p> <p>We identified assessing the carrying value of the investment as a key audit matter because of its significance to the consolidated financial statements and because assessing the key impairment assumptions involves management judgment.</p>	<p>Our audit procedures, amongst others, included the following:</p> <ul style="list-style-type: none"> Assessed the design and tested operating effectiveness of the relevant controls in place relating to valuation of investments; Assessed on a test basis the valuation of investments in the portfolio, as recorded in the general ledger, to supporting documents, externally quoted market prices and break-up values including the significant and prolonged decline in fair value of equity investments for impairment; Obtained independent confirmations for verifying the existence of the investment portfolio as at 31 December 2021 and reconciled it with the books and records of the Group. Where such confirmations were not available, alternate procedures were performed; Evaluated the Group's assessment of available for sale financial assets for any additional impairment in accordance with the relevant accounting standards as applicable in Pakistan and performed an independent assessment of the assumptions and conclusions; and Considered the Group's disclosures of investments, such as the fair value hierarchy, to the requirements of the accounting standards.

KPMG Taseer Hadi & Co.

S.No.	Key Audit Matters	How the matter was addressed in our audit
3	<p>Impairment testing of goodwill</p> <p>As at 31 December 2021, intangible assets include goodwill amounting to Rs. 1,463.624 million acquired as a result of scheme of amalgamation as disclosed in note 12 to the financial statements.</p> <p>Goodwill is required to be annually assessed for impairment under IAS-36 "Impairment of Assets". Accordingly, Management has performed an impairment test of the goodwill which is subjective in nature due to assumptions made about future performance.</p> <p>As disclosed in note 12, the Group uses a discounted cash flow model to determine value in use, on the basis of the certain key assumptions.</p> <p>Due to the significance and impact of the assumptions and judgements involved, the impairment testing of goodwill is considered to be a key audit matter.</p>	<p>Our audit procedures, amongst others, included the following:</p> <ul style="list-style-type: none"> • Evaluated the model used in determining the value in use as well as assessing the discount rate used; • Compared the cash flow forecasts to approved budgets and other relevant market and economic information, as well as testing the underlying calculations; • Involved our internal valuation specialists to review and evaluate management's key assumptions used in impairment calculations; • Performed sensitivity analyses around the key assumptions used in the models. • Assessed the adequacy of the related disclosures in the consolidated financial statements in accordance with the applicable financial reporting framework.

KPMG Taseer Hadi & Co.

Information other than the Consolidated Financial Statements and Auditors' Report Thereon

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the consolidated and unconsolidated financial statements and our auditor's reports thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and the Board of Directors for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting and reporting standards as applicable in Pakistan, the requirements of Banking Companies Ordinance, 1982 and the Companies Act, 2017 (XIX of 2017) and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The Board of directors is responsible for overseeing the Group's financial reporting process.

KPMG Taseer Hadi & Co.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

KPMG Taseer Hadi & Co.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with the Board of Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide to the Board of Directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the Board of Directors, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

The consolidated financial statements of the Group for the year ended 31 December 2020 were audited by another auditor who expressed an unmodified opinion on those consolidated financial statements on 6th March 2021.

The engagement partner on the audit resulting in this independent auditor's report is Muhammad Taufiq.

Notes to the Consolidated Financial Statements

For the year ended December 31, 2021

1. STATUS AND NATURE OF BUSINESS

1.1 The "Group" consists of:

1.1.1 Holding Company: JS Bank Limited

JS Bank Limited (the Bank / JSBL) is a banking company incorporated in Pakistan as a public limited company on March 15, 2006. The Bank is a subsidiary company of Jahangir Siddiqui & Co. Ltd. (JSCL) and its shares are listed on Pakistan Stock Exchange Limited (PSX). The Bank commenced its banking operations on December 30, 2006 and its registered office is situated at Shaheen Commercial Complex, Dr. Ziauddin Ahmed Road, Karachi.

The Bank is a scheduled bank, engaged in commercial banking and related services as described in the Banking Companies Ordinance, 1962 and is operating through 281 (2020: 307) branches / sub-branches in Pakistan and one wholesale banking branch in Bahrain (2020: one). The Pakistan Credit Rating Agency Limited (PACRA) has assigned the long-term entity rating of the Bank to AA- (Double A Minus) whereas short-term rating is maintained at 'A1+' (A One Plus), which is the highest possible short-term rating. The ratings denote a very low expectation of credit risk and indicate very strong capacity for timely payment of financial commitments.

1.1.2 Jahangir Siddiqui Investment Bank Limited, JSIBL, (formerly Citicorp Investment Bank Limited which was acquired by JSCL on February 01, 1999), and its holding company, JSCL, entered into a Framework Agreement with American Express Bank Limited, New York (AMEX) on November 10, 2005 for acquisition of its American Express Bank Limited - Pakistan Branches, (AEBL). Consequently, a new banking company, JSBL was incorporated on March 15, 2006 and a restricted Banking License was issued by the State Bank of Pakistan (SBP) on May 23, 2006.

A Transfer Agreement was executed on June 24, 2006 between JSIBL and JSBL for the transfer of entire business and undertaking of JSIBL to JSBL and a separate Transfer Agreement was also executed on June 24, 2006, between AMEX and JSBL for the transfer of AEBL's commercial banking business in Pakistan with all assets and liabilities (other than certain excluded assets and liabilities) (AEBL business). The shareholders of JSIBL and JSBL in their respective extra-ordinary general meetings held on July 31, 2006 approved a Scheme of Amalgamation (the Scheme) under Section 48 of the Banking Companies Ordinance, 1962. The Scheme was initially approved by the Securities and Exchange Commission of Pakistan vide its letter No. SC/NBFC(J)-R/JSIBL/2006/517 dated September 28, 2006. Subsequently, the Scheme was sanctioned by the SBP vide its order dated December 02, 2006 and, in accordance therewith, the effective date of amalgamation was fixed at December 30, 2006.

The ultimate parent of the Group is Jahangir Siddiqui & Co. Limited which holds 75.02% shares of the Holding Company.

1.1.3 Composition of the Group

		Ownership interest and voting power held by			
		2021		2020	
Note		The Group	NCI	The Group	NCI
	Subsidiary				
	JS Global Capital Limited	92.90%	7.10%	83.53%	16.47%
	JS Investment Limited	84.56%	15.44%	84.56%	15.44%
	JS ABAMCO Commodities Limited	-	-	84.56%	15.44%

1.1.3.1 JS ABAMCO Commodities Limited (JSACL) did not intend to carry on the business of Futures Broker, therefore, the directors of JSIL were desirous of merging JSACL with and into JSIL. The Scheme of Arrangement under Section 284 of the Companies Act, 2017, for merger or amalgamation (the Scheme) of JSACL with and into JSIL, was approved by SECP under Rule 7(2) (cb) of Non-Banking Finance Companies (Establishment and Regulations) Rules 2003 vide its letter dated January 13, 2021. The Board of Directors of JSACL in their meeting

Notes to the Consolidated Financial Statements

For the year ended December 31, 2021

held on February 19, 2021 has approved the Scheme with effect from March 31, 2021. Subsequently, the Scheme under section 284(2) of the Companies Act, 2017, submitted with Companies Registration Office, along with Form-35, which was approved dated June 24, 2021. Therefore, with effect from March 31, 2021, JSACL is merged with JS Investments Limited and is no more an indirect subsidiary of the Holding Company.

1.1.4 Composition of the Associated Companies

	Ownership interest and voting power held by Bank	
	2021	2020
Associates		
Omar Jibran Engineering Industries Limited	9.60%	9.60%
Veda Transit Solutions (Private) Limited	3.92%	9.12%
Intercity Touring Company (Private) Limited	9.12%	9.12%

1.1.5 Subsidiary Companies

JS Global Capital Limited (JSGCL)

JS Global Capital Limited is principally owned by the Bank, holding 92.9% of its equity interest. The Holding Company acquired effective controlling interest in JS Global Capital Limited (JSGCL) on December 21, 2011, April 15, 2016, October 01, 2019 and June 02, 2021 of 51.05%, 16.11%, 16.37% and 9.37% respectively. The ownership interest has increased by 41.85%, without any change in the cost of investment, due to the fact that JSGCL has bought back its 11,993,000 shares in April 15, 2016, 7,450,000 shares on October 02, 2019 and 27,477,297 share on June 02, 2021. JSGCL is a public listed company incorporated in Pakistan under the repealed Companies Ordinance, 1984. The shares of the JSGCL are listed on Pakistan Stock Exchange (PSX). Further, the JSGCL is a corporate member of PSX and member of Pakistan Mercantile Exchange. The principal business of the JSGCL is to carry out share brokerage, money market, forex and commodity brokerage, advisory and consultancy services. Other activities include investment in a mix of listed and unlisted equity and debt securities and reverse repurchase transactions. The registered office of the Company is situated at 17th Floor, The Centre, Plot No. 28, SB-5, Abdullah Haroon Road, Saddar, Karachi, Pakistan. The Company has eight branches (2020: eight) in seven cities of Pakistan.

JS Investments Limited (JSIL)

JS Investments Limited is principally owned by the Holding Company, holding 84.56% of its equity interest. The Bank acquired effective controlling interest in JS Investments Limited (JSIL) on November 01, 2012, December 22, 2015 and August 31, 2019 of 52.24%, 12.92% and 19.40% respectively. The ownership interest has increased by 32.32% without any change in the cost of investment, due to the fact that JSIL has bought back its 38,225,744 ordinary shares out of its 100 million ordinary shares. JSIL is a public listed company incorporated in Pakistan on February 22, 1995 under the repealed Companies Ordinance, 1984. The shares of the JSIL are listed on the Pakistan Stock Exchange (PSX), formerly since April 24, 2007. The registered office of the Company is situated at The Centre, 19th Floor, Plot No. 28, SB-5, Abdullah Haroon Road, Saddar, Karachi.

The JSIL has obtained the license of an "Investment Advisor" and "Asset Management Company" (AMC) under the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules) and the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations). In addition, JSIL has also obtained registration to act as Pension Fund Manager under the Voluntary Pension System Rules, 2005.

The ITC is mainly engaged in the transportation, touring and logistics related services.

2. BASIS OF PRESENTATION

2.1 These consolidated financial statements include financial statements of JS Bank Limited and its subsidiary companies, (the "Group") and share of the profit / reserves of associates.

These consolidated financial statements have been presented in Pakistan Rupees(PKR), which is the currency of the primary economic environment in which the Holding Company operates and functional currency of the Holding Company, in that environment as well. The amounts are rounded off to the nearest thousand rupees except as stated otherwise.

Notes to the Consolidated Financial Statements

For the year ended December 31, 2021

The US Dollar amounts shown on the statement of financial position, profit and loss account, statement of comprehensive income and cash flow statement are stated as additional information solely for the convenience of readers and have not been subject to audit by the external auditors. For the purpose of conversion to US Dollars, the rate of Rs. 176.5135 to 1 US Dollar has been used for 2020 and 2021 as it was the prevalent rate as on December 31, 2021.

2.2 Statement of Compliance

These consolidated financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. These comprise of:

- International Financial Reporting Standards (IFRSs) issued by the International Accounting Standards Board (IASB) as are notified under the Companies Act, 2017;
- Provisions of and directives issued under the Banking Companies Ordinance, 1962;
- Provisions of and directives issued under the Companies Act, 2017; and
- Directives issued by the SBP and the Securities & Exchange Commission of Pakistan (SECP) from time to time.

Whenever the requirements of the Banking Companies Ordinance, 1962, the Companies Act, 2017, or the directives issued by the SBP and the SECP differ with the requirements of IFRS, the requirements of the Banking Companies Ordinance, 1962, the Companies Act, 2017 and the said directives shall prevail.

The SBP has deferred the applicability of International Accounting Standard (IAS) 39, 'Financial Instruments: Recognition and Measurement' and International Accounting Standard (IAS) 40, 'Investment Property' for banking companies vide BSD Circular Letter No. 10 dated August 26, 2002 till further instructions. Further, the SECP has deferred the applicability of International Financial Reporting Standard (IFRS) 7, 'Financial Instruments: Disclosures' on banks vide its notification S.R.O 411(I)/2008 dated April 28, 2008. Accordingly, the requirements of these standards have not been considered in the preparation of these consolidated financial statements. However, investments have been classified and valued in accordance with the requirements prescribed by the SBP through various circulars.

IFRS 10 "Consolidated Financial Statements" was made applicable from period beginning on or after January 01, 2015 vide S.R.O 633(I)/2014 dated July 10, 2014 by SECP. However, SECP has directed through S.R.O56(I)/2016 dated January 28, 2016, that the requirement of consolidation under section 228 of the Companies Act, 2017 and IFRS-10 "Consolidated Financial Statements" is not applicable in case of investment by companies in mutual funds established under trust structure. Accordingly, the requirements of these standards have not been considered in the preparation of these consolidated financial statements.

The application of the IFRS 9 'Financial Instruments' for all companies to prepare their financial statements in accordance with the requirements of IFRS 9 was implemented by SECP for reporting period / year ending on or after June 30, 2019 (earlier application was also permitted) through its S.R.O. 229 (I)/2019 dated February 14, 2019. However, State Bank of Pakistan (SBP) has extended the effective date of applicability of IFRS 9 on or after January 01, 2022 through its BPRD Circular No. 24 dated July 05, 2021. The said circular contained instructions only for quarterly parallel run reporting of IFRS 9 from March 31, 2021 and onwards of which the Bank is adequately complied. Whereas it was stated that final instructions will be issued based on the results of parallel reporting, which are yet to be issued.

As of reporting date, the guidelines and instructions on the application of IFRS 9 for the banking sector of Pakistan has not been issued by the State Bank of Pakistan (SBP), therefore, the Bank has not considered the impact of IFRS 9 for its domestic operations in these unconsolidated financial statements. The Bank has continued to fulfil the requirements of Prudential Regulations and other SBP directives currently provide the accounting framework for the measurement and valuation of assets and provision/ impairment against non-performing assets.

Notes to the Consolidated Financial Statements

For the year ended December 31, 2021

2.3 BASIS OF CONSOLIDATION

2.3.1 Subsidiary

- The consolidated financial statements include the financial statements of the Bank (The Holding Company) and its subsidiary companies together - "the Group".
- Subsidiaries are entities controlled by the Group. Control exists when the Group is exposed, or has rights, to variable returns from its investment with investee and has the ability to effect those return through its power over the investee except investment in mutual funds established under trust structure where IFRS 10 'Consolidated Financial Statements' is not applicable in case of investment by companies in mutual funds established under Trust structure.
- These consolidated financial statements incorporate the financial statements of subsidiaries from the date that control commences until the date that control ceases.
- The financial statements of the subsidiary companies are prepared for the same reporting year as the holding company for the purpose of consolidation, using consistent accounting policies.
- The assets, liabilities, income and expenses of subsidiary companies have been consolidated on a line by line basis.
- Non-controlling interests are that part of the net results of operations and of net assets of subsidiaries attributable to interest which are not owned by the holding company.
- Material intra-group balances and transactions are eliminated.

2.3.2 Associate

Associates are those entities in which the Group has significant influence, but not control, over the financial and operating policies. Associates are accounted for using the equity method.

2.3.3 Acquisition of business not under common control

Acquisitions of businesses not under common control are accounted for using the acquisition method. The consideration transferred in a business combination is measured at fair value, which is calculated as the sum of the acquisition-date fair values of the assets transferred by the bank, liabilities incurred by the bank to the former owners of the acquiree and the equity interests issued by the bank in exchange for control of the acquiree. Acquisition-related costs are recognised in profit and loss account as incurred.

At the acquisition date, the identifiable assets acquired and the liabilities assumed are recognised at their fair value at the acquisition date.

Goodwill on acquisition after July 01, 2009 is measured as the excess of the sum of the consideration transferred, the amount of any non-controlling interests in the acquiree, and the fair value of the acquirer's previously held equity interest in the acquiree (if any) over the net of the acquisition-date amounts of the identifiable assets acquired and the liabilities assumed. If, after reassessment, net of the acquisition-date amounts of the identifiable assets acquired and liabilities assumed exceeds the sum of the consideration transferred, the amount of any non-controlling interests in the acquiree and the fair value of the acquirer's previously held interest in the acquiree (if any), the excess is recognised immediately in profit or loss as a bargain purchase gain.

Goodwill acquired in a business combination before July 01, 2009 is initially measured at cost, being the excess of the cost of business combination over the Bank's interest in the net fair value of the identifiable assets, liabilities and contingent liabilities acquired.

Notes to the Consolidated Financial Statements

For the year ended December 31, 2021

Non-controlling interests that are present ownership interests and entitle their holders to a proportionate share of the Group's net assets in the event of liquidation is measured at proportionate share of net assets of the acquiree at the date of the acquisition.

2.3.4 Acquisition of business under common control

Acquisition of business under common control are accounted for under 'pooling of interest method'. The assets and liabilities of the combining businesses for the period in which the combination occurs are merged on the date of combination at their respective book values. Appropriate adjustments are made to the book values to reflect application consistent accounting policies in the combining businesses. Any difference between the amount of net assets merged and consideration transferred in form of cash or other assets are adjusted against equity.

Expenditure incurred in relation to the business combination are recognized as expenses in the period in which they are incurred.

2.4 The following International Financial Reporting Standards (IFRS Standards) as notified under the Companies Act, 2017 and the amendments and interpretations thereto will be effective for accounting periods beginning on or after 1 January 2022:

- Onerous Contracts – Cost of Fulfilling a Contract (Amendments to IAS 37) effective for the annual period beginning on or after January 01, 2022 amends IAS 1 by mainly adding paragraphs which clarifies what comprise the cost of fulfilling a contract, Cost of fulfilling a contract is relevant when determining whether a contract is onerous. An entity is required to apply the amendments to contracts for which it has not yet fulfilled all its obligations at the beginning of the annual reporting period in which it first applies the amendments (the date of initial application). Restatement of comparative information is not required, instead the amendments require an entity to recognize the cumulative effect of initially applying the amendments as an adjustment to the opening balance of retained earnings or other component of equity, as appropriate, at the date of initial application.

The adoption of the above standard is considered not to be relevant or do not have any significant effect on the Holding Company's operations.

2.5 The following annual improvements to approved accounting standards 2018-2020 are effective for annual reporting periods beginning on or after January 01, 2022.

- IFRS 9 – The amendment clarifies that an entity includes only fees paid or received between the entity (the borrower) and the lender, including fees paid or received by either the entity or the lender on the other's behalf, when it applies the '10 percent' test in paragraph B3.3.6 of IFRS 9 in assessing whether to derecognize a financial liability.
- IFRS 16 – The amendment partially amends Illustrative Example 13 accompanying IFRS 16 by excluding the illustration of reimbursement of leasehold improvements by the lessor. The objective of the amendment is to resolve any potential confusion that might arise in lease incentives.
- IAS 41 – The amendment removes the requirement in paragraph 22 of IAS 41 for entities to exclude taxation cash flows when measuring the fair value of a biological asset using a present value technique.
- Property, Plant and Equipment: Proceeds before Intended Use (Amendments to IAS 16) effective for the annual period beginning on or after 1 January 2022. Clarifies that sales proceeds and cost of items produced while bringing an item of property, plant and equipment to the location and condition necessary for it to be capable of operating in the manner intended by management e.g. when testing etc., are recognized in profit or loss in accordance with applicable Standards. The entity measures the cost of those items applying the measurement requirements of IAS 2. The standard also removes the requirement of deducting the net sales proceeds from cost of testing. An entity shall apply those amendments

Notes to the Consolidated Financial Statements

For the year ended December 31, 2021

retrospectively, but only to items of property, plant and equipment that are brought to the location and condition necessary for them to be capable of operating in the manner intended by management on or after the beginning of the earliest period presented in the financial statements in which the entity first applies the amendments. The entity shall recognize the cumulative effect of initially applying the amendments as an adjustment to the opening balance of retained earnings (or other component of equity, as appropriate) at the beginning of that earliest period presented.

- Reference to the Conceptual Framework (Amendments to IFRS 3) - Reference to the Conceptual Framework, issued in May 2020, amended paragraphs 11, 14, 21, 22 and 23 of and added paragraphs 21A, 21B, 21C and 23A to IFRS 3. An entity shall apply those amendments to business combinations for which the acquisition date is on or after the beginning of the first annual reporting period beginning on or after January 01, 2022. Earlier application is permitted if at the same time or earlier an entity also applies all the amendments made by Amendments to References to the Conceptual Framework in IFRS Standards, issued in March 2018.
- Disclosure of Accounting Policies (Amendments to IAS 1 and IFRS Practice Statement 2) – the Board has issued amendments on the application of materiality to disclosure of accounting policies and to help companies provide useful accounting policy disclosures. The key amendments to IAS 1 include:
 - requiring companies to disclose their material accounting policies rather than their significant accounting policies;
 - clarifying that accounting policies related to immaterial transactions, other events or conditions are themselves immaterial and as such need not be disclosed; and
 - clarifying that not all accounting policies that relate to material transactions, other events or conditions are themselves material to a company's financial statements.
- Classification of liabilities as current or non-current (Amendments to IAS 1) effective for the annual period beginning on or after January 01, 2023. These amendments in the standards have been added to further clarify when a liability is classified as current. The standard also amends the aspect of classification of liability as non-current by requiring the assessment of the entity's right at the end of the reporting period to defer the settlement of liability for at least twelve months after the reporting period. An entity shall apply those amendments retrospectively in accordance with IAS 8.

2.6 The Board also amended IFRS Practice Statement 2 to include guidance and two additional examples on the application of materiality to accounting policy disclosures. The amendments are effective for annual reporting periods beginning on or after 1 January 2023 with earlier application permitted.

- Definition of Accounting Estimates (Amendments to IAS 8) – The amendments introduce a new definition for accounting estimates clarifying that they are monetary amounts in the financial statements that are subject to measurement uncertainty. The amendments also clarify the relationship between accounting policies and accounting estimates by specifying that a company develops an accounting estimate to achieve the objective set out by an accounting policy. The amendments are effective for periods beginning on or after 1 January 2023 and will apply prospectively to changes in accounting estimates and changes in accounting policies occurring on or after the beginning of the first annual reporting period in which the company applies the amendments.
- Deferred Tax related to Assets and Liabilities arising from a Single Transaction (Amendments to IAS 12) – The amendments narrow the scope of the initial recognition exemption (IRE) so that it does not apply to transactions that give rise to equal and offsetting temporary differences. As a result, companies will need to recognize a deferred tax asset and a deferred tax liability for temporary differences arising on initial recognition of a lease and a decommissioning provision. For leases and decommissioning liabilities, the associated deferred tax asset and liabilities will need to be recognized from the beginning of the earliest comparative period presented, with any cumulative effect recognized as an adjustment to retained earnings or other components of equity at that date. The amendments are effective for annual reporting periods beginning on or after 1 January 2023 with earlier application permitted.

Notes to the Consolidated Financial Statements

For the year ended December 31, 2021

- Sale or Contribution of Assets between an Investor and its Associate or Joint Venture (Amendments to IFRS 10 and IAS 28) – The amendment amends accounting treatment on loss of control of business or assets. The amendments also introduce new accounting for less frequent transaction that involves neither cost nor full step-up of certain retained interests in assets that are not businesses. The effective date for these changes has been deferred indefinitely until the completion of a broader review.

The adoption of the above standard and amendments are considered not to be relevant or do not have any significant effect on the Holding Company's operations.

2.7 Critical accounting estimates and key sources of estimation uncertainty

The preparation of these consolidated financial statements in conformity with approved accounting standards requires the use of certain critical accounting estimates. It also requires management to exercise its judgment in the process of applying the Group's accounting policies. Estimates and judgments are continually evaluated and are based on historic experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. Revisions in accounting estimates are recognised in the period in which the estimate is revised and in any future periods affected.

The areas where various assumptions and estimates are significant to the Group's financial statements or where judgment was exercised in application of accounting policies are as follows:

i) Classification of investments

- In classifying investments as 'held-for-trading' the Group has determined securities which are acquired with an intention to trade by taking advantage of short-term market / interest rate movements and are to be sold within 90 days of acquisition.
- In classifying investments as 'held-to-maturity' the Group follows the guidance provided in SBP circulars on classifying non-derivative financial assets with fixed or determinable payments and fixed maturity. In making this judgment, the Group evaluates its intention and ability to hold such investments to maturity.
- The investments which are not classified as 'held-for-trading' or 'held-to-maturity' are classified as 'available-for-sale'.

ii) Provision against non performing loans and advances

The Holding Company reviews its loan portfolio to assess amount of non-performing loans and advances and provision required thereagainst. While assessing this requirement various factors including the delinquency in the account, financial position of the borrowers, the value of securities and the requirements of the Prudential Regulations are considered. For portfolio impairment / provision on consumer advances, the Bank follows requirements set out in Prudential Regulations.

iii) Impairment on investments

The Group determines that investments are impaired when there has been a significant or prolonged decline in the fair value below its cost. This determination of what is significant or prolonged requires judgment. In making this judgment, the Bank evaluates among other factors, the normal volatility in securities price. In addition, impairment may be appropriate when there is an evidence of deterioration in the financial health of the investee, industry and sector performance, changes in technology and operational and financing cash flows.

iv) Income taxes

In making the estimates for income taxes currently payable by the Group, the management considers the current income tax laws and the decisions of appellate authorities on certain issues in the past. In making the provision for deferred taxes, estimates of the Group's future taxable profits are taken into account.

Notes to the Consolidated Financial Statements

For the year ended December 31, 2021

v) Depreciation of fixed assets and amortization of intangible assets

In making estimates of the depreciation / amortisation method, the management uses a method which reflects the pattern in which economic benefits are expected to be consumed by the Bank. The method applied is reviewed at each financial year end and if there is a change in the expected pattern of consumption of the future economic benefits embodied in the underlying assets, the method is changed to reflect the change in pattern. Such change is accounted for as change in accounting estimates in accordance with International Accounting Standard - 8, "Accounting Policies, Changes in Accounting Estimates and Errors".

vi) Defined benefits plans and other benefits

Liability is determined on the basis of actuarial advice using the Projected Unit Credit Method.

vii) Impairment of Goodwill

Impairment testing involves a number of judgmental areas which are subject to inherent significant uncertainty, including the preparation of cash flow forecasts for the periods that are beyond the normal requirements of management reporting and the assessment of the discount rate appropriate to the business. The carrying amount of goodwill at the balance sheet date was Rs.1,464 million. The detailed assumptions underlying impairment testing of goodwill are given in note 12.7 to these consolidated financial statements.

viii) Lease term

The Group applies judgement to determine the lease term for some lease contracts in which it is a lessee that include renewal options. The assessment of whether the Bank is reasonably certain to exercise such options impacts the lease term, which significantly affects the amount of lease liabilities and right-of-use assets recognised and its recoverable amount which is determined as higher of value-in-use and fair value less cost to sell.

3. BASIS OF MEASUREMENT

These consolidated financial statements have been prepared under the historical cost convention except for:

- Certain classes of fixed assets and non-banking assets acquired in satisfaction of claims which are stated at revalued amounts less accumulated depreciation.
- Investments classified as held-for-trading and available-for-sale and derivative financial instruments, which are measured at fair value.
- Net obligations in respect of defined benefit schemes which are carried at their present values.

4. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies applied in the preparation of these consolidated financial statements are consistent with those of previous financial year.

4.1 Cash and cash equivalents

Cash and cash equivalents represent cash and balances with treasury banks and balances with other banks net of any overdrawn nostro accounts.

Notes to the Consolidated Financial Statements

For the year ended December 31, 2021

4.2 Lendings to / borrowings from financial institutions

The Group enters into transactions of lendings to / borrowings from financial institutions at contracted rates for a specified period of time. These are recorded as under:

(a) Purchase under resale obligation

Securities purchased under agreement to resell (reverse repo) are not included in statement of financial position as the Bank does not obtain control over the securities. Amount paid under these agreements is included in lendings to financial institutions or advances as appropriate. The difference between the contracted price and resale price is amortised over the period of the contract and recorded as income using effective interest method.

(b) Other lendings

Other lendings include term lendings and unsecured lendings to financial institutions. These are stated net of provision. Mark-up on such lendings is charged to profit and loss account on a time proportionate basis using effective interest rate method except mark-up on impaired/delinquent lendings, which are recognized on receipt basis in accordance with the requirements of the Prudential Regulations of the SBP.

(c) Sale under repurchase obligation

Securities sold subject to a repurchase agreement (repo) are retained in the financial statements as investments and liability to counter party is included in borrowings. The difference in sale and repurchase value is accrued over the period of the contract and recorded as an expense using effective interest rate method.

(d) Other borrowings

Other borrowings include borrowings from the SBP and unsecured call borrowings which are recorded at the proceeds received. Mark-up paid on such borrowings is charged to the profit and loss account over the period of borrowings on time proportionate basis using effective interest method.

4.3 Investments

4.3.1 Initial recognition and measurement

4.3.1.1 The Management determines the appropriate classification of its investments at the time of purchase in held-for-trading, available-for-sale or held-to-maturity as per SBP guidelines vide BSD circular No. 10 of 2004 dated July 13, 2004. These are initially recognised at cost, being the fair value of the consideration given plus, in the case of investments other than held-for-trading, directly attributable acquisition costs.

(a) Held-for-trading

These are securities which are either acquired for generating profit from short-term fluctuations in market prices, interest rate movements, dealer's margin or are securities included in a portfolio in which a pattern of short-term profit taking exists. These securities are carried at fair value with any related gain or loss being recognized in profit and loss account.

(b) Held-to-maturity

These are securities with fixed or determinable payments and fixed maturities that are held with the intention and ability to hold till maturity. Investments classified as held-to-maturity are carried at amortised cost.

Notes to the Consolidated Financial Statements

For the year ended December 31, 2021

(c) Available-for-sale

These are investments that do not fall under the held-for-trading or held-to-maturity categories. These are initially recognised at cost, being the fair value of the consideration given including the acquisition cost. These securities are carried at fair value with any related surplus or deficit on revaluation shall be taken to other comprehensive income.

4.3.1.2 Associates

Associates are all entities over which the Group has significant influence but not control. These are accounted for using the equity method of accounting.

Under the equity method, the investment in associates are initially recognised at cost and the carrying amount of investment is increased or decreased to recognise the investor's share of the post acquisition profits or losses, share of other comprehensive income or loss and share of the post acquisition movement in other reserves. When the Group's share of losses in an associate equals or exceeds its interest in the associate, including any other unsecured receivables, the Group does not recognize further losses, unless it has incurred obligations or made payments on behalf of the associate. However, in case where associates are considered as fully impaired and financial statements are not available these investments are stated at cost less provision.

4.3.1.3 Regular way contracts

All 'regular way' purchases and sales of financial assets are recognised on the trade date, i.e. the date on which commitment to purchase / sale is made by the Group. Regular way purchases or sales of financial assets are those, the contract for which requires delivery of assets within the time frame generally established by regulation or convention in the market place.

4.3.1.4 Premium or discount on acquisition of investments

Premium or discount on acquisition of investments is capitalised and amortised through the consolidated profit and loss account using effective yield over the remaining period of the investment.

4.3.2 Subsequent measurement

In accordance with the requirements of the State Bank of Pakistan, SBP, quoted securities other than those classified as 'held-to-maturity' and investment in associates and subsidiaries, are subsequently remeasured on portfolio basis i.e. in case of Government securities at PKRV and PKFRV rates whereas in case of other securities at market value. Investments classified as 'held-to-maturity' are carried at amortised cost using the effective interest method (less impairment, if any).

Further, in accordance with the requirements of the SBP, gain or loss on revaluation of the Group's held-for-trading investments is taken to the profit and loss account. In case of investments classified as available-for-sale, surplus or deficit is taken directly to equity. The surplus or deficit arising on these securities is taken to the profit and loss account when actually realised upon disposal.

Unquoted equity securities, excluding investment in subsidiaries and associates are valued at lower of cost and the break-up value in accordance with the requirements of the Prudential Regulations issued by the SBP. Break-up value of equity securities is calculated with reference to the net assets of the investee company as per the latest available audited financial statements. Investment in subsidiaries and associates are carried at cost, less accumulated impairment losses, if any.

4.3.3 Impairment / diminution in the value of securities

Impairment loss in respect of quoted equity securities classified as available for sale, associates, subsidiaries and held to maturity is recognised based on management's assessment of objective evidence of impairment as a result of one or more events that may have an impact on the estimated future cash flows of the investments.

Notes to the Consolidated Financial Statements

For the year ended December 31, 2021

Objective evidence that the cost may not be recovered, in addition to qualitative impairment criteria, includes a significant or prolonged decline in the fair value below average cost. A decline to be considered as:

- Significant if the fair value is below the weighted average cost by more than 30 percent.
- Prolonged if the fair value is below the weighted average cost for a period of more than one year.

(a) Available-for-sale

If an available-for-sale equity security is impaired, the cumulative loss that had been recognised in equity, shall be reclassified from equity to profit and loss account as a reclassification adjustment even though the financial asset has not been derecognised, any further decline in the fair value at subsequent reporting dates are recognised as impairment. Therefore, at each reporting period, for an equity security that was determined to be impaired, additional impairment is recognised for the difference between the fair value and the original cost basis, less any previously recognised impairment.

If, in subsequent period, impairment losses recognised in profit and loss for an investment in an equity instrument classified as available for sale shall not be reversed through profit and loss except in case of derecognition.

(b) Held to maturity, Subsidiaries and Associates

Impairment losses are incurred if, and only if, there is objective evidence of impairment after initial recognition of the investment. The impairment loss is recognised in the profit and loss account. If, in a subsequent period, any indication that an impairment loss recognised in prior periods no longer exist or may have decreased, the impairment loss shall be reversed, with the amount of the reversal recognised in profit or loss.

(c) Debt Securities

PTCs, TFCs, Sukuk and other debt securities will be classified on the valuation date on the basis of default in their repayment in line with the criteria prescribed for classification of short, medium and long-term facilities in accordance with the requirements of the Prudential Regulations issued by the SBP.

4.4 Financial instruments

4.4.1 Financial assets and financial liabilities

Financial assets and financial liabilities are recognized at the time when the Bank becomes party to the contractual provision of the instrument. Financial assets are de-recognized when the contractual right to future cash flows from the asset expires or is transferred along with the risk and reward of the asset. Financial liabilities are de-recognized when obligation specified in the contract is discharged, cancelled or expired. Any gain or loss on de-recognition of the financial asset and liability is recognized in the profit and loss account at the time of de-recognition. The particular recognition and subsequent measurement method for significant financial assets and financial liabilities are disclosed in the individual policy statements associated with them.

4.4.2 Derivative financial instruments

Derivative financial instruments are initially recognised at fair value on the date on which the derivative contract is entered into and are subsequently re-measured at fair value using valuation techniques. All derivative financial instruments are carried as assets when fair value is positive and liabilities when fair value is negative. Any change in the fair value of derivative financial instruments is taken to the profit and loss account.

Notes to the Consolidated Financial Statements

For the year ended December 31, 2021

4.5 Off-setting of financial assets and financial liabilities

Financial assets and financial liabilities are set off and the net amount is reported in the financial statements when there is a legally enforceable right to set off and the Group intends either to settle the assets and liabilities on a net basis or to realise the assets and to settle the liabilities simultaneously. Income and expenses arising from such assets and liabilities are accordingly offset.

4.6 Advances

4.6.1 Loan and advances

Advances are stated net of general and specific provisions. General and specific provisions against funded loans are determined in accordance with the requirements of the Prudential Regulations issued by the SBP and charged to the profit and loss account. Advances are written off when there are no realistic prospects of recovery.

4.6.2 Finance lease receivables

Leases, where the bank transfers substantially all the risks and rewards incidental to ownership of an asset to the lessee are classified as finance leases. A receivable is recognised at an amount equal to the present value of the lease payment including any guaranteed residual value, if any. Net investment in finance lease is included in loans and advances to customers.

4.7 Fixed assets

4.7.1 Property and equipment

Fixed assets except office premises are shown at historical cost less accumulated depreciation and accumulated impairment losses, if any. Historical cost includes expenditures that are directly attributable to the acquisition of the items. Office premises (which includes leasehold land and buildings) are stated at revalued amount less accumulated depreciation and impairment loss, if any.

Depreciation is calculated and charged to profit and loss account using the straight-line method so as to write down the cost of the assets to their residual values over their estimated useful lives at the rates given in note 11. A full month's depreciation is charged from the month in which assets are brought into use and no depreciation is charged for the month in which the disposal is made. The residual values, useful lives and depreciation methods are reviewed and changes, if any, are treated as change in accounting estimates, annually.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. The carrying amount of the replaced part is de-recognised. All other repairs and maintenance are charged to the profit and loss account during the period in which they are incurred.

An item of property and equipment is de-recognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset is recognised in the profit and loss account in the year the asset is de-recognised.

4.7.2 Surplus / deficit on revaluation of fixed assets

The surplus arising on revaluation is credited to other comprehensive income. However, the increase shall be recognised in profit or loss to the extent that it reverses a revaluation decrease of the same asset previously recognised in profit and loss account.

The deficit arising on a particular property as a result of a revaluation is recognised in profit and loss account as an impairment. However, the decrease to be recognised in other comprehensive income to the extent of any credit balance existing in the revaluation surplus in respect of that asset.

Notes to the Consolidated Financial Statements

For the year ended December 31, 2021

Depreciation on buildings which are revalued is determined with reference to the value assigned to such assets on revaluation and depreciation charge for the year is taken to the profit and loss account; and an amount equal to incremental depreciation for the year net of deferred taxation is transferred from "Surplus on Revaluation of Fixed Assets Account" to unappropriated profit through Statement of Changes in Equity to record realization of surplus to the extent of the incremental depreciation charge for the year.

Gains or losses on disposal of assets are included in the profit and loss account currently, except that the related surplus on revaluation of fixed assets (net of deferred tax) is transferred directly to equity.

4.7.3 Capital work-in-progress

Capital work-in-progress is stated at cost less impairment losses, if any. These are transferred to specified assets as and when assets are available for use.

4.8 Intangible assets

Intangible assets are stated at cost less accumulated amortisation and impairment, if any. Intangible assets are amortised from the month when the assets are available for use, using the straight line method, whereby the cost of the intangible asset is amortised over its estimated useful life over which economic benefits are expected to flow to the Group. The useful life and amortisation method are reviewed and adjusted, if appropriate, annually.

Intangible assets having an indefinite useful life are carried at cost less any impairment in value and are not amortised. However these are reviewed for impairment annually or more frequently if events or changes in circumstances indicate that the carrying value may be impaired.

4.9 Assets subject to finance leases

Assets held under finance leases are initially recorded at the lower of the present value of minimum lease payments under the lease agreements and the fair value of the leased assets. The related obligations under the lease, net of financial charges allocated to future periods, are shown as a liability.

The financial charges are allocated to accounting periods in a manner so as to provide a period rate of interest on the outstanding liability.

4.10 Non-banking assets acquired in satisfaction of claims

4.10.1 Non-banking assets acquired in satisfaction of claims under Debt Property Swap (DPS) transactions, against the loans in category of loss, are initially carried at cost and subsequently at revalued amounts at each year-end date of the statement of financial position, being the fair value at the date of revaluation less subsequent accumulated depreciation and subsequent accumulated impairment losses, if any. The valuation of properties acquired are conducted regularly, so as to ensure that their net carrying value does not materially differ from their fair value.

All direct cost including legal fees, valuation and transfer costs of acquiring title to property shall be expensed when incurred through profit and loss account.

Subsequent costs are included in the asset's carrying amounts only when it is probable that future benefits associated with the item will flow to the Bank and the cost of the item can be measured reliably. All other subsequent costs including repair and maintenance are charged to the profit and loss account as and when incurred.

Depreciation on assets acquired in satisfaction of claims is charged to the profit and loss account in line with the depreciation charged on operating fixed assets.

Any reductions in non-performing loans and corresponding reductions in provisions held against non-performing loans, as a result of the recognition of such assets, are disclosed separately in the notes to these consolidated financial statements.

Notes to the Consolidated Financial Statements

For the year ended December 31, 2021

These assets are generally intended for sale. Gains and losses realised on the sale of such assets are disclosed separately from gains and losses realised on the sale of fixed assets in the notes to these consolidated financial statements. If such asset is subsequently used by the Bank for its own operations, the asset, along with any related surplus, is transferred to fixed assets.

4.10.2 Surplus / deficit on revaluation of non banking assets

Revaluation of non-banking assets acquired in satisfaction of claims under Debt Property Swap (DPS) transactions are carried out under criteria given in regulations for DPS issued by State Bank of Pakistan vide BPRD Circular 01 dated January 01, 2016 i.e. valuation of property shall be done on individual property basis and not on portfolio basis, whereas accounting treatment of revaluation is accounted for in accordance with applicable financial reporting standards i.e. International Accounting Standard (IAS) 16 as referred in note 4.7.2.

Furthermore, revaluation surplus on such assets shall not be admissible for calculating the Group's Capital Adequacy Ratio and exposure limits under the Prudential Regulations. However, the surplus can be adjusted upon realization of sale proceeds.

4.11 Impairment other than investments and deferred tax

At each balance sheet date, the Bank reviews the carrying amounts of its assets (other than investment and deferred tax asset) to determine whether there is an indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the assets is estimated in order to determine the extent of the impairment loss, if any. Recoverable amount is the higher of net selling price (being fair value less cost to sell) and value-in-use. If the recoverable amount of an asset is estimated to be less than its carrying amount, the carrying amount of the assets is reduced to its recoverable amount. Impairment losses are recognised as an expense in profit and loss account immediately.

Where impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised recoverable amount but limited to the extent of the amount which would have been determined had there been no impairment. Reversal of impairment loss is recognized as income.

4.12 Borrowings / deposits and their cost

Borrowings / deposits are initially recorded at the amount of proceeds received. Cost of borrowings / deposits are recognised separately as part of other liabilities and is charged to the profit and loss account over the period on an accrual basis.

4.13 Subordinated debt

Subordinated debts is initially recorded at the amount of proceeds received. Mark-up accrued on subordinated debts is recognised separately as part of other liabilities and is charged to the profit and loss account over the period on an accrual basis.

4.14 Taxation

4.14.1 Current

Provision for current taxation is based on taxable income for the year determined in accordance with the prevailing laws for taxation on income. For income covered under final tax regime, taxation is based on applicable tax rate under such regime. The charge for current tax also includes adjustments, where considered necessary, relating to prior years arising from assessments made during the year.

Notes to the Consolidated Financial Statements

For the year ended December 31, 2021

4.14.2 Deferred

Deferred tax is recognised using the balance sheet liability method on all temporary differences arising between tax bases of assets and liabilities and their carrying amounts appearing in the consolidated financial statements. Deferred tax liability is recognized on taxable temporary differences. Deferred tax asset is recognised for all deductible temporary differences and carry forward of unused tax losses, if any only to the extent that it is probable that future taxable profits will be available against which the asset can be utilised. Deferred tax assets are reduced to the extent that it is no longer probable that the related tax benefits will be realised.

Deferred tax is calculated at the rates that are expected to apply to the period when the differences are expected to reverse, based on tax rates that have been enacted or substantively enacted by the balance sheet date. Deferred tax is charged or credited to the profit and loss account.

Deferred tax, if any, on revaluation of investments, fixed assets and non banking assets is recognised as an adjustment to surplus / (deficit) arising on revaluation in accordance with the requirements of IAS-12 "Income Taxes".

4.15 Provisions

Provisions are recognised when the Group has a legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate of the amount can be made. Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimate.

Provision against identified non-funded losses is recognised when intimated and reasonable certainty exists for the Group to settle the obligation. The loss is charged to consolidated profit and loss account net of expected recovery.

4.16 Staff retirement benefits

Defined contribution plan - the Group

The Group has established a provident fund scheme for all its permanent employees in accordance with the trust deed and rules made there under. Equal monthly contributions are made, both by the Group and the employees, to the fund at the rate defined below of basic salary. Contribution by the Group is charged to profit and loss account.

-	The Bank (Holding Company)	7.10%
-	JS Global Capital Limited (Subsidiary)	7.33%
-	JS Investment Limited (Subsidiary)	7.33%

4.16.1 Defined benefit plan (Holding Company)

The Holding Company operates an approved funded gratuity scheme covering all its eligible employees who have completed minimum qualifying period. An actuarial valuation of defined benefit scheme is conducted at the end of every year or on occurrence of any significant change. The most recent valuation in this regard was carried out as at December 31, 2021, using the projected unit credit actuarial valuation method. Under this method cost of providing for gratuity is charged to profit and loss account so as to spread the cost over the service lives of the employees in accordance with the actuarial valuation. Past-service costs are recognised immediately in profit and loss account and actuarial gains and losses are recognised immediately in other comprehensive income.

4.17 Revenue recognition

Revenue is recognized to the extent that economic benefits will flow to the Group and the revenue can be reliably measured. These are recognized as follows:

Notes to the Consolidated Financial Statements

For the year ended December 31, 2021

- Advances and investments

Mark-up income / interest / profit on performing advances and debt securities is recognized on a time proportion basis as per the terms of the contract.

Mark-up income / interest / profit on non-performing advances and debt securities is recognized on a receipt basis in accordance with the requirements of the Prudential Regulations issued by the State Bank of Pakistan.

Mark-up income/ Interest / profit on rescheduled / restructured advances and debt securities are recognised as permitted by the State Bank of Pakistan or by the regulatory authorities of the countries where the Bank operates, except where, in the opinion of the management, it would not be prudent to do so.

Premium or discount on acquisition of debt investments is capitalised and amortised through the profit and loss account over the remaining maturity of the debt security using the effective yield method.

Unrealised interest income in respect of non-performing loans and advances are held in suspense account, where necessary, in accordance with the requirements of the Prudential Regulations issued by the SBP.

- Lease financing

Financing method is used in accounting for income from lease financing. Under this method, the unearned lease income (defined as the excess of the sum of total lease rentals and estimated residual value over the cost of leased assets) is deferred and taken to income over the term of the lease period so as to produce a constant periodic rate of return on the outstanding net investment in lease.

Unrealised finance income in respect of non-performing lease finance is held in suspense account, where necessary, in accordance with the requirements of the Prudential Regulations issued by the SBP.

Gains / losses on termination of lease contracts, documentation charges, front-end fees and other lease income are recognized as income on receipt basis.

- Non Mark-up / interest income

Commission is recognised as income at the time of affecting the transaction to which it relates. Fees are recognised when earned.

Financial advisory fee is recognised when the right to receive the fee is established.

Dividend income from investments is recognised when the Bank's right to receive the dividend is established.

4.18 Dividend and appropriation to reserves

Dividend and appropriation to reserves except for statutory reserves are recognised in the consolidated financial statements in the periods in which these are approved.

4.19 Foreign currencies

4.19.1 Functional and presentation currency

Items included in the consolidated financial statements are measured using the currency of the primary economic environment in which the Group operates. The consolidated financial statements are presented in Pakistani Rupees, which is the Group's functional and presentation currency.

Notes to the Consolidated Financial Statements

For the year ended December 31, 2021

4.19.2 Transactions and balances

Transactions in foreign currencies are translated into Pakistani rupees at the exchange rates prevailing on the transaction date. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in the profit and loss account.

Forward contracts relating to foreign currency deposits are valued at forward rates applicable to the respective maturities of the relevant foreign exchange contract. The forward cover received / paid on forward purchase contracts relating to foreign currency deposits are realised / charged directly to profit and loss account.

4.19.3 Foreign operations

Assets and liabilities of foreign operations are translated into rupees at the exchange rate prevailing at the reporting date. The results of foreign operations are translated at average rate of exchange for the year.

4.19.4 Translation gains and losses

Translation gains and losses arising on revaluations of net investment in foreign operations are taken to Exchange Translation Reserve in the statement of comprehensive income. These are recognised in the profit and loss account on disposal.

4.19.5 Commitments

Commitments for outstanding forward foreign exchange contracts disclosed in these consolidated financial statements are translated at contracted rates. Contingent liabilities / commitments for letters of credit and letters of guarantee denominated in foreign currencies are expressed in rupee terms at the rates of exchange ruling on the consolidated statement of financial position date.

4.20 Goodwill

Goodwill acquired in a business combination before July 01, 2009 is initially measured at cost, being the excess of the cost of the business combination over the Holding Company's interest in the net fair value of the identifiable assets, liabilities and contingent liabilities acquired. Following initial recognition, goodwill is measured at cost less any accumulated impairment losses. Goodwill is reviewed for impairment, annually or more frequently if events or changes in circumstances indicate that the carrying value may be impaired.

For the purpose of impairment testing, goodwill acquired in a business combination is, from the acquisition date, allocated to each of the Holding Company's cash-generating units, or groups of cash-generating units, that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the acquirer are assigned to those units or groups of units.

4.21 Earnings per share

The Group presents basic and diluted earnings per share (EPS). Basic EPS is calculated by dividing the profit or loss attributable to ordinary equity holders of the Bank (less preference dividend, if any) by the weighted average number of ordinary shares outstanding during the period / year. Diluted EPS is determined by adjusting the profit or loss attributable to ordinary equity holders of the Bank by dividing the weighted average number of shares outstanding, for the effects of all dilutive potential ordinary shares, if any. Age number of ordinary shares outstanding for the effects of all dilutive potential ordinary shares, if any.

Notes to the Consolidated Financial Statements

For the year ended December 31, 2021

4.22 Non-current assets held for sale and discontinued operations

The Holding Company classifies an asset as held for sale if its carrying amount will be recovered principally through a sale transaction rather than through continuing use. For this to be the case, the asset must be available for immediate sale in its present condition subject only to terms that are usual and customary for sales of such assets and its sale must be highly probable. For the sale to be highly probable, the appropriate level of management must be committed to a plan to sell the asset (or disposal group), and an active programme to locate a buyer and complete the plan must have been initiated. Further, the asset must be actively marketed for sale at a price that is reasonable in relation to its current fair value. In addition, the sale should be expected to qualify for recognition as a completed sale within one year from the date of classification and actions required to complete the plan should indicate that it is unlikely that significant changes to the plan will be made or that the plan will be withdrawn.

A held for sale asset is carried at the lower of its carrying amount and the fair value less costs to sell. Impairment losses are recognised in the profit and loss account for any initial or subsequent write down of the asset to fair value less costs to sell. Subsequent gains in fair value less costs to sell are recognised to the extent these do not exceed the cumulative impairment losses previously recorded. An asset is not depreciated while classified as held for sale.

4.23 Segment reporting

A segment is a distinguishable component of the Group that is subject to risks and rewards that are different from those of other segments. A business segment is one that is engaged either in providing certain products or services, whereas a geographical segment is one engaged in providing certain products or services within a particular economic environment.

Segment information is presented as per the Group's functional structure and the guidance given under International Financial Reporting Standard (IFRS) 8. For management purposes, the Group has been organised into Seven operating segments based on products and services, as follows:

4.23.1 Business segments

Corporate finance

This includes investment banking activities such as mergers and acquisitions, underwriting, privatization, securitization, Initial Public Offers (IPOs), specialised financial advice and trading and secondary private placements.

Trading and sales

This segment undertakes the Group's treasury, money market and capital market activities.

Retail banking

Retail banking provides services to small borrowers i.e. consumers, small and medium enterprises (SMEs) and agricultural sector. It includes loans, deposits and other transactions with retail customers.

Commercial banking

This includes loans, deposits and other transactions with corporate customers.

Brokerage

This includes brokerage commission earned on transactions in capital, money, foreign exchange and commodity markets.

Notes to the Consolidated Financial Statements

For the year ended December 31, 2021

Asset management

This includes fee for services rendered in connection with advisory and management of mutual funds.

The Leadership Team (LT) monitors the operating results of its business units separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on operating profits or losses and is measured consistently with operating profits or losses in the consolidated financial statements. However, income taxes are managed on a group basis and are not allocated to operating segments.

Interest income is reported net as management primarily relies on net interest revenue as a performance measure, along with the gross income and expense.

Transfer prices between operating segments are based on the group's internal pricing framework.

No revenue from transactions with a single external customer or counterparty amounted to 10% or more of the Bank's total revenue in 2020 and 2021.

Others

This includes the head office related activities and other functions which cannot be classified in any of the above segments.

4.23.2 Geographical segment

The Holding Company operates with 281 (2020: 307) branches / sub-branches in Pakistan region and one wholesale banking branch in Bahrain (2020: one).

4.24 Fiduciary assets

Assets held in a fiduciary capacity are not treated as assets of the Bank in statement of financial position.

5. FINANCIAL RISK MANAGEMENT

The financial risk management objectives and policies adopted by the Bank are consistent with those disclosed in the consolidated financial statements for the year ended December 31, 2021.

* Based on audited accounts as of June 30, 2021

** Based on audited accounts as of December 31, 2020

Notes to the Consolidated Financial Statements

For the year ended December 31, 2021

- 9.5.2.1** These are non-voting cumulative preference shares, carrying preference dividend @ 10% p.a and are convertible into ordinary shares at the option of the Bank after five years from the date of issuance i.e. February 2012. The investee company also has the option to redeem these preference shares plus any unpaid dividend in full or in part, within ninety days after expiry of each anniversary of the issue date. The Holding Company has recognised full impairment on these shares amounting to Rs. 48.236 million (2020: Rs. 48.236 million) due to weak financial position of the company.
- 9.5.2.2** These are cumulative preference shares, carrying preference dividend @ 9.25% p.a and are redeemable in part after four years from the date of issuance i.e. August 2008. The investee company also has an option to redeem, in part, cumulative preference shares after August 2008. The Bank has recognized full impairment on these shares amounting to Rs. 88.353 million (2020: Rs. 88.353 million) due to weak financial position of the company.
- 9.5.2.3** Surplus arising due to re-measurement of these shares to the market value has not been recognized as the management believes that the market value may not be realized while selling them in open market.
- 9.5.2.4** In accordance with the requirements of the Stock Exchanges (Corporatization, Demutualization and Integration) Act, 2012 (the Act), the Bank has received 3,034,603 shares of Rs.10 each including trading right entitlement certificate (TREC) of the Islamabad Stock Exchange (ISE) in lieu of its Membership Card held by the Bank. Further upon integration of ISE under the "ISE Scheme of Integration" in 2016, TRE Certificates holders of ISE have been issued 1,213,841 (i.e 40%) ordinary shares of "ISE Towers REIT Management Limited" with trading rights, whereas the remaining 1,820,762 ordinary shares (i.e. 60%), are transferred to blocked CDC account maintained by ISEL. Further, the management believes that the carrying value of these shares is less than face value of shares therefore, no value has been allocated to TREC.
- 9.5.2.5** The Holding Company qualified as a member based on the financial contribution to SWIFT for network-based services. The Holding Company has made an investment as per the requirements of By-Laws of SWIFT, under the Share Re-allocation Process, as a result becoming entitled to invest in for six shares. The participation is mandatory to avail the desired network-based services for financial message transmission for cross-border payments and receipt. Further, the share re-allocation occurs every three years and will result in either an increase, decrease, or a status quo in individual shareholding.

10.4.2 This includes reversal of provision of Rs. 294.822 million (2020: Rs. 8.604 million) against reduction of non-performing loans in Rs. 1,475.823 million (2020: Rs. 90.180 million) of certain borrowers under 'Debt Property Swap' transactions, as disclosed in note 13.2.2.

10.4.3 The Holding Company, in accordance with BPRD circular letter No. 31 of 2020 dated July 10, 2020, has taken the benefit of general provision to make good the specific provision requirement of the consumer financing portfolio till December 31, 2021.

10.4.4 The State Bank of Pakistan through various circulars has allowed benefit of the forced sale value (FSV) of Plant and Machinery under charge, pledged stock and mortgaged residential, commercial and industrial properties (land and building only) held as collateral against non-performing loans (NPLs) for a maximum of five years from the date of classification. As at December 31, 2021, the Holding Company has availed cumulative FSV benefit under the directives of the SBP of Rs. 5,019.150 million (2020: Rs. 4,763.931 million).

The additional profit arising from availing the FSV benefit - net of tax amounts to Rs. 3,061.682 million (2020: Rs 2,905.998 million). The increase in profit, due to availing of the benefit, is not available for distribution of cash and stock dividend to share holders.

10.4.5 This represents general provision held under IFRS 9 by Bahrain branch of the Holding company.

Notes to the Consolidated Financial Statements

For the year ended December 31, 2021

10.4.6 Advances - Deferred & Restructured / Rescheduled

The SBP vide BPRD circular letter number 13 of 2020 dated March 26, 2020, has relaxed certain classification criteria of SBP Prudential Regulation R-8 (Classification and Provisioning of Assets). Accordingly, certain exposures of the Holding Company as at December 31, 2021 relating to facilities of customers have not been classified as non-performing on account of such relaxation.

	<u>1,959,523</u>	<u>1,668,051</u>

11.2.3 The details of disposals of assets to related parties are given in annexure II these consolidated financial statements.

Notes to the Consolidated Financial Statements

For the year ended December 31, 2021

- 11.2.4** The properties of the Holding Companies were revalued by M/s. Luckyhiya Associates Pvt Ltd, an independent professional valuator. The revaluation was carried out, as at December 31, 2021 on the basis of professional assessment of present market values and as results of revaluation an additional surplus of Rs. 347.037 million (Land Rs. 207.868 million and Building Rs. 139.169 million).

Had there been no revaluation, the carrying value of revalued land and building on land as at December 31, 2021 would have been lower by Rs. 713.210 million and Rs. 1,350.419 million respectively, and net surplus on revaluation of fixed assets, deferred tax liability and incremental depreciation expense would have been lower by Rs. 1,751,559 million, Rs. 312.070 million and Rs. 49.417 million respectively.

	Note	----- Rupees in '000 -----	
11.3 Non-current assets held for sale			
Leasehold land	11.3.1	-	739,200

- 11.3.1** During the year, the management has decided to set-up regional offices by way of acquisition of owned properties in first tier cities. Therefore, considering the best interest of the Holding Company, the management has directed to retain the property for development of regional office and has reclassified said property for its own use under the International Accounting Standard (IAS)- 16 'Property, plant and equipment', and its carrying value will be recovered through continued use and ceased to be classified as "held-for-sale". As of December 31, 2021, the property is being measured at its carrying amount before the asset was classified as held-for-sale as adjusted for any subsequent re-valuation at the date of the decision not to sell i.e. Rs. 910 million.

12.6 Goodwill is recorded by the group upon the event fully disclose in note 1.1.2. For impairment testing, goodwill has been allocated to 'Trading and Sales' Segment as Cash Generating Unit (CGU), which is also a reportable segment.		

Notes to the Consolidated Financial Statements

For the year ended December 31, 2021

12.7 Key assumptions used in value in use calculation

The recoverable amount of the CGU has been determined based on value in use calculation, using cash flow projections based on business plan approved by the Board of Directors of the Holding Company covering a five year period. The discount rates applied to cash flows beyond five years are extrapolated using a terminal growth rate. The following rates are used by the Holding Company.

	2021	2020
	Percentages	
Discount rate	15.25	17.41
Terminal growth rate	10.00	12.51

The calculation of value in use is most sensitive to following assumptions:

a) Interest margins

Interest margins are based on prevailing industry trends and anticipated market conditions.

b) Discount rates

Discount rates reflect management estimates of the rate of return required for each business and are calculated after taking into account the prevailing risk free rate, industry risk and business risk. Discount rates are calculated by using cost of equity of the Bank.

c) Key business assumptions

The assumptions are important as they represent management assessment of how the unit's position might change over the projected period. Based on the expansion plans, management expects aggressive growth in advances, investments and deposits during the projected periods and thereafter stabilisation in line with industry trends.

Management believes that any significant change in key assumptions, on which CGU's recoverable amount is based, may impact the carrying amount to further exceed its recoverable amount. Value in use calculation of the CGU are sensitive to changes in assumptions for interest rate spreads, Non Funded Income (NFI), long term growth rates and discount rates.

d) Sensitivity to changes in assumption

The estimated recoverable amount of the 'Trading and Sales' CGU exceeds its carrying amount by approximately Rs. 5,465 million (2020: 5,345 million). Management has identified two key assumptions for which there could be a reasonably possible change that could cause the carrying amount to exceed the recoverable amount. The following table shows the amount that these two assumptions are required to change individually in order for the estimated recoverable amount to be equal to the carrying amount.

	Changes required for carrying amount to equal recoverable amount (%)	
	2021	2020
- Discount rate	1.99	3.16
- Terminal growth rate	(2.67)	(4.88)

		<u>2,658,537</u>	<u>1,311,252</u>
13.2.2 During the year, the Holding Company has acquired properties of Rs. 1,529.159 million (2020: Rs. 90.178 million) against debt swap transactions with borrowers resulting in reversal of provision of Rs. Rs. 294.822 million (2020: Rs. 8.604 million) against reduction in non-performing loans of Rs. 1,475.823 million (2020: Rs. 90.180 million) (refer note 10.4.2).			

Notes to the Consolidated Financial Statements

For the year ended December 31, 2021

13.2.3 During the year, under section 10 of the Banking Companies Ordinance, 1962, the property (situated at 15th Floor, Pace Tower, Plot # 27, Block-H, Gulberg II, Lahore) acquired under debt property swap agreement is used by the Bank for its own operations.

13.2.4 Non-banking assets acquired in satisfaction of claims are carried at revalued amount according to the requirements of the 'Regulation for Debt Property Swap' (the regulations) issued by SBP vide the BPRD Circular No. 1 of 2016, dated January 01, 2016.

Non-banking assets acquired in satisfaction of claims have been revalued by independent professional valuers as at December 31, 2021. The revaluation was carried out by M/s Sipra (Pvt) Ltd. M/s Sardar Ent. (Pvt) Ltd, M/s. Luckyhiya Associates Pvt Ltd, M/s. bfa (Pvt) Ltd., M/s Tristar International Consultants (Pvt) Ltd, M/s Sipra & Company (Pvt.) Ltd., M/s Pakistan Inspection Co. (Pvt) Ltd. M/s Joseph Lobo (Private) Limited and Engineering Pakistan International (Pvt) Ltd. on the basis of professional assessment of present market values.

Had there been no revaluation, the carrying value of non-banking assets acquired in satisfaction of claims would have been lower by Rs. 120.674 million (2020: 135.254 million), and surplus on revaluation of assets net, deferred tax liability and depreciation expense would have been lower by Rs. 119.714 million (2020: Rs. 31.080 million), Rs. 0.960 million (2020: Rs. 4.029 million) and Rs. 0.115 million (2020: Rs. 0.145 million) respectively.

17. SUB-ORDINATED DEBT			
Term Finance Certificates - First Issue	17.1	-	2,995,200
Term Finance Certificates - Second Issue	17.2	1,996,800	1,997,600
Term Finance Certificates - Third Issue	17.3	2,500,000	2,500,000
Term Finance Certificates - Fourth Issue	17.4	2,500,000	-
		6,996,800	7,492,800

17.1 During the year, the Holding Company exercised the call option of Term Finance Certificates - First Issue in accordance with the Trust Deed and Terms and Conditions for the TFC issue, after completing the regulatory requirements. Accordingly, the said TFCs were redeemed in full on December 28, 2021.

17.2 In 2017, the Holding company has issued Rs. 2 billion of rated, over the counter listed, unsecured and subordinated term finance certificates ("TFCs" or "the Issue") as an instrument of redeemable capital under Section 66 of the Companies Act, 2017 and as outlined by State Bank of Pakistan, SBP, under the BPRD circular No. 06 dated August 15, 2013 and Basel III guidelines. Summary of terms and conditions of the issue are:

Purpose: To contribute towards the Bank's Tier II Capital for complying with the capital adequacy requirement and to utilize the funds in the Bank's business operations as permitted by its Memorandum & Articles of Association.

Issue date: December 29, 2017

Tenure: Up to Seven years from the issue date.

Maturity Date: December 29, 2024

Rating: A + (Single A Plus)

Profit Rate: Floating rate of return at Base rate + 1.4 percent per annum;

Base rate is defined as the average six months KIBOR prevailing on the Base Rate setting date. The Base Rate will be set for the first time on the last working day prior to the Issue Date and subsequently on the immediately preceding business day before the start of each six monthly period.

Notes to the Consolidated Financial Statements

For the year ended December 31, 2021

Profit payment:	Semi-annual
Redemption:	The instrument is structured to redeem 0.24% of the Issue amount during the first six years after the issue date and the remaining Issue amount of 99.76% in two equal semi-annual installments of 49.88% each in the last year.
Security:	The Issue is unsecured and subordinated as to payment of Principal and profit to all other indebtedness of the Bank, including deposits, and will not be redeemable before maturity without prior approval of SBP.
Call Option:	Exercisable in part or in full on or after the 10th redemption, subject to SBP's approval.
Lock-in-clause:	Principal and profit will be payable subject to compliance with MCR or CAR set by SBP.
Loss absorbency clause:	Upon the occurrence of a Point of Non-Viability event as defined under SBP BPRD Circular # 6 of 2013 dated August 15, 2013, SBP may at its option, fully and permanently convert the TFCs into common shares of the Bank and/or have them immediately written off (either partially or in full). Number of shares to be issued to TFC holders at the time of conversion will be equal to the 'Outstanding Face Value of the TFCs' divided by market value per share of the Bank's common share on the date of trigger of Point of Non-Viability (PONV) as declared by SBP, subject to a cap of 319,982,544 shares.

17.3 In 2018, the Holding company has issued Rs. 2.5 billion of rated, privately placed, unsecured, subordinated, perpetual and non-cumulative term finance certificates ("TFCs" or "the Issue") as an instrument of redeemable capital under Section 66(1) of the Companies Act, 2017 and as outlined by State Bank of Pakistan, SBP, under the BPRD circular No. 06 dated August 15, 2013 (the "Circular") and Basel III guidelines. Summary of terms and conditions of the issue are:

Purpose:	To contribute towards the Bank's Tier I Capital for complying with the capital adequacy requirement and to utilize the funds in the Bank's business operations as permitted by its Memorandum & Articles of Association.
Issue date:	December 31, 2018
Maturity Date:	Perpetual
Rating:	A (Single A)
Profit Rate:	Floating rate of return at Base rate + 2.25 percent per annum; Base rate is defined as the average six months KIBOR prevailing on the Base Rate setting date. The Base Rate will be set for the first time on the last working day prior to the Issue Date and subsequently on the immediately preceding business day before the start of each six monthly period
Profit payment frequency:	Semi-annually on a non-cumulative basis
Redemption:	Not applicable
Security:	The Issue is unsecured
Subordination:	The Issue is subordinated as to payment of Principal and profit to all other claims except common shares.

Notes to the Consolidated Financial Statements

For the year ended December 31, 2021

Call Option: Exercisable in part or in full at a par value on or after five years from the issue date, with prior approval of SBP. The Bank shall not exercise the call option unless the called instrument is replaced with capital of same or better quality.

Lock-in-clause: Payment of profit will be made from current year's earning and subject to compliance with MCR or CAR set by SBP.

Loss absorbency clause:

Pre-Specified Trigger ("PST") Upon the occurrence of a Pre-Specified Trigger as defined under SBP BPRD Circular # 6 of 2013 dated August 15, 2013 which stipulates that if an issuer's Common Equity Tier 1 ("CET 1") ratio falls to or below 6.625% of Risk Weighted Assets ("RWA"), the Issuer will have full discretion to determine the amount of TFCs to be permanently converted into common shares or written off, subject to SBP regulations / instructions, and the cap specified below. The Bank will be able to exercise this discretion subject to:

- If and when Bank's CET 1 reaches the loss absorption trigger point, the aggregate amount of Additional Tier-1 capital to be converted must at least be the amount sufficient to immediately return the CET 1 ratio to above 6.625% of total RWA (if possible);
- The converted amount should not exceed the amount needed to bring the CET 1 ratio to 8.5% of RWA (i.e. minimum CET 1 of 6.0% plus capital conservation buffer of 2.5%);
- In case, conversion of Additional Tier-1 capital Instrument is not possible following the trigger event, the amount of the Instrument must be written off in the accounts resulting in increase in CET 1 of the issuer;

Point of Non-Viability ("PONV") Upon the occurrence of a Point of Non-Viability event as defined under SBP BPRD Circular # 6 of 2013 dated August 15, 2013, which stipulates that SBP may, at its option, fully and permanently convert the TFCs into common shares of the Issuer and / or have them immediately written off (either partially or in full). Number of shares to be issued to TFC holders at the time of conversion will be equal to the 'Outstanding Value of the TFCs' divided by market value per share of the Issuer's common / ordinary share on the date of the PONV trigger event as declared by SBP, subject to the cap specified below;

The PONV trigger event is the earlier of:

- A decision made by SBP that a conversion or temporary / permanent write-off is necessary without which the Issuer would become non-viable;
- The decision to make a public sector injection of capital, or equivalent support, without which the Issuer would have become non-viable, as determined by SBP.
- The maximum number of shares to be issued to TFC holders at the Pre-Specified Trigger and / or Point of Non Viability (or otherwise as directed by SBP) will be subject to a specified cap of 329,595,476 ordinary shares, or such other number as may be agreed to in consultation with SBP.

17.4 During the year, the Holding Company has issued Rs. 2.5 billion of rated, privately placed and unlisted (listing is in process), unsecured and subordinated term finance certificates ("TFCs" or "the Issue") as an instrument of redeemable capital under Section 66 of the Companies Act, 2017 and as outlined by State Bank of Pakistan, SBP, under the BPRD circular No. 06 dated August 15, 2013 and Basel III guidelines. Summary of terms and conditions of the issue are:

Notes to the Consolidated Financial Statements

Notes to the Consolidated Financial Statements

For the year ended December 31, 2021

21.1.1 As of December 31, 2021, the Holding Company has recognized in profit and loss account expected credit loss of Rs. 68.232 million (December 31, 2020: Rs. 122.758 million) under IFRS-9 on foreign debt securities of the wholesale banking branch in Bahrain of the Holding Company against an adjustment in the loss allowance. However, the loss allowance is recognized in other comprehensive income without reducing the carrying amount of the said securities. Therefore, the surplus / deficit on revaluation of those securities are adjusted accordingly in these consolidated statements of financial position.

Stores, spares and raw material under letter of credit amounting to Rs. 24,196.459 million (June 30, 2020: Rs. 6,310.142 million).			

Notes to the Consolidated Financial Statements

For the year ended December 31, 2021

Guarantees issued by the other bank on the behalf of the associated company amounting to Rs. 2 million (June 30, 2020: Rs. 2 million)

The associated company has entered into Ijarah arrangement with the Orix Leasing Company for Vehicles and Plant and Machinery. Commitment of Ijarah rentals under this agreement are Rs. 97.377 million (June 30, 2020: Rs. 128.578 million).

22.2.9 There are no changes in contingent liabilities since the date of annual consolidated audited financial statements for the year ended December 31, 2020 except those as disclosed in note 33.2 and 33.5.

23. DERIVATIVE INSTRUMENTS

Derivative instruments, such as Forward Exchange Contracts, Interest Rate Swaps and Options, are forward transactions that provide market making opportunities / hedge against the adverse movement of interest and exchange rates. Derivatives business also provides risk solutions for the existing and potential customers of the Group.

The Group has entered into a Cross Currency Swap transaction with its customer on back-to-back basis with an Authorized Derivative Dealer (ADD) without carrying any open position in its books. Specific approvals for the transactions have been granted by State Bank of Pakistan. Policies in line with SBP instructions have been formulated and are operative.

The Holding Company has also entered into Foreign Currency & Commodity Options from its Wholesale Banking Branch Bahrain for market making activities.

These transactions cover the aspects of both market making and hedging. The risk management related to derivative is disclosed in note 45.

Accounting policies in respect of derivative financial instruments are described in note 4.4.2.

- 33.1.1** The Group has recognised taxation impact on the basis of deemed tax return to be file on applicable tax rate with tax authorities, which are as follows:

	Tax Rate	
	2021	2020
JS Bank Limited	39%	35%
JS Investments Limited	29%	29%
JS Global Capital Limited	29%	29%
JS ABAMCO Commodities limited	-	29%

33.2 JS Bank Limited (Holding Company, the Bank)

33.2.1 Income Tax

The income tax returns filed under Section 114 of the Income Tax Ordinance, 2001 for the tax years 2007 through 2021. These returns filed were deemed to have been assessed in terms the provisions prevailing under income tax laws as applicable in Pakistan. However, the Officers of Inland Revenue Services (OIR) conducted the proceedings for making certain amendments in the deemed assessments for tax years 2008 to 2018 and tax year 2020. This was done by taking recourse of conducting tax audit or alternatively a direct amendment in the assessment contending that certain matters in the deemed assessments were not admissible as not conforming to the law and prejudiced the interest of revenue.

Based on the amended assessments in tax year 2008 to tax year 2018 and 2020, the department had made certain dis-allowances of expenses and tax deductible claims besides creating minimum tax and Workers' Welfare Fund liabilities in the tax years 2010, 2011 & 2012 and tax years 2009, 2012 & 2013 respectively.

In respect of WWF, the Supreme Court of Pakistan has held in Judgement, PLD 2017 SC 28, that the amendments made in the WWF Ordinance through Finance Act, 2006 and 2008 were illegal and without lawful authority i.e. the banks do not fall into definition of Industrial Undertaking and thus, not liable to pay WWF. Therefore based on this, the Holding Company's contention is mandated and it is likely that its pending appeals in this will be decided favorably. The Holding Company has obtained appeal effect orders of respective years except 2013 and resultantly no demand is payable in this respect.

As a consequence of the 18th amendment to the Constitution, levy for the WWF was introduced by the Government of Sindh and Punjab through the Sindh WWF Act, 2014 ("the Act") and the Punjab Workers Welfare Fund Act, 2019 respectively. As per the Acts, the Holding Company is liable to pay WWF in both provinces. However in this respect:

- the Holding Company has challenged the issue of jurisdiction claimed by Sindh Revenue Board before the Honorable High Court of Sindh (SHC) through Constitutional Petition 1546/2017 on grounds that banking companies cannot be considered as industrial establishment and that the Act will be applied to trans-provincial entities to the extent that the obligation under the provincial law is to make distribution to the extent of the proportionate profit of the Sindh Province. The Court has restrained the Sindh Revenue Board to collect / recover Sindh WWF till the next date of hearing.
- the Holding Company will challenge the recovery of Punjab WWF in the court of law on same grounds in case of SWWF.

In 2018, Based on decision of the Supreme Court of Pakistan, the Holding Company had reassessed the provision of WWF which was previously held on the entire operating results of the Holding Company (including all provinces, part of Pakistan, AJK and Bahrain Operations) and maintained WWF only to the extent of its operations within Sindh Province till 2019. In 2020 after promulgation of Punjab WWF, the Holding Company has again decided prudently to maintained provision on the entire results of the Holding Company.

Notes to the Consolidated Financial Statements

For the year ended December 31, 2021

In respect of minimum tax, the Commissioner Inland Revenue-Appeals (the CIR(A)) has not accepted the Holding Company's contentions of gross loss position and also decided that non-mark-up income is the fall in the definition of turnover including capital gains and dividend income. As result the demand of Rs. 38.907 million has been payable. The Holding Company has contested the matter in further appeals before Appellate Tribunal Inland Revenue (ATIR) which are pending for hearing.

For tax year 2008-2018 and 2020, the Holding Company has not accepted the amendments of Rs. 6.77 billion and have filed appeals before the Commissioner Inland Revenue-Appeals (the CIR(A)).

CIR(A) has admitted the contention of the Holding Company in case of tax year 2008 that the amended order is barred by time and decided that any addition made in impugned order is annulled and not required to be further adjudicated. However, the department has filed an appeal against the decision of CIR(A) in ATIR which is held in the Holding Company's favor through order dated January 31, 2022.

With regard to appeals filed for tax year 2009 to 2017, the CIR(A) has decided the appeals accepting the Holding Company's contentions in respect of significant issues, and certain disallowance including amortization claim of goodwill have been decided in favor of department in all tax years. However, the Holding Company and the tax department are contested the matters in further appeals before Appellate Tribunal Inland Revenue (ATIR) which mostly held in favor of Holding Company including goodwill through order dated January 31, 2022.

The tax department passed appeal effect/rectification orders and allowed deleted and set-aside issues in the light of CIR(A) orders for tax year 2008 to 2014. As a result of these orders, the Holding Company's taxable losses has increased to Rs. 3.464 billion and reduced the demand of Rs. 1.212 billion in relevant tax years after adjustment of these losses.

Further for the tax year 2013, the ATIR has decided appeal filed by tax department in respect of calculating the amount of provisions against advances as allowable under Rule 1(c) of Seventh Schedule to the Income Tax Ordinance, 2001 and has maintained the CIR(A) decision that the allowability of provision for advances to be calculated at 1% of gross amount of advances as against the tax department contention that the same is to be calculated on net advances after deducting the amount of provisions created and allowed against advances.

The matter of allowability of amortization relating to goodwill is contentious issue, therefore based on the opinion of lawyer there are arguments available to contend that goodwill on merger is an allowable deduction for tax purposes. Especially in the recent decision given by the High Court of Sindh in the case of merger of another bank in Pakistan where the Court has ruled in favour of taxpayer that goodwill generated in merger is 'intangible' and amortization relating to goodwill is allowable deduction.

The Sindh High Court has dismissed the Holding Company's petitions for tax years 2016 through 2019 wherein the Holding Company alongwith other taxpayers challenged the levy of super tax on constitutional grounds. Based on the opinion of legal counsel, the Holding Company has appealed before the Supreme Court against the decision of the Sindh High Court. The Supreme Court has allowed interim relief to the taxpayers subject to the payment of 50% of the super tax liability. However, the Holding Company has adjusted full amount of super tax liability for Tax year 2016 and 2019 against the available tax refunds. Further, the Holding Company has obtained stay from the Sindh High Court on other technical grounds regarding the levy of Super Tax for tax years 2017 and 2018.

33.2.2 Withholding tax monitoring

Withholding tax monitoring was initiated against the Holding Company for tax year 2014-2020. Orders in respect of tax years 2014, 2015, 2016 and 2017 has been passed against which appeals have been filed before the CIR(A). CIR(A) has remanded back the matters for rectification in respect of tax years 2014 and 2015 against which rectified orders has been passed and demands have been reduced. Appeal for tax year 2017 has been heard and reserved for order. In respect of tax year 2018 to 2020, proceedings are pending.

Notes to the Consolidated Financial Statements

For the year ended December 31, 2021

33.2.3 Sales tax

The Holding Company as a registered person under Sindh Sales Tax on Services Act, 2011 has been issued a Sales Tax Order from the Sindh Revenue Board (SRB) creating a demand of Rs.193.44 million (besides Rs. 7.2 million is charged as penalty) against the Holding Company for allegedly non-payment of Sindh sales tax on certain 'presumed non-taxable services / incomes'(i.e. Bancassurance, Home Remittances under Pakistan Remittance Initiative Scheme, SBP rebates on Government securities, Rebates from foreign correspondent Banks, and FX gain on remittance by Western Union)' for the tax periods July 2011 to December 2013, 2015 to 2017 and 2019 to 2020. The Holding Company has filed appeals before Commissioner (Appeals) Sindh Revenue Board, CA-SRB against the decision of AC-SRB.

The management of Holding Company is confident that the appeals filed in respect of the above matter will be decided in the Holding Company's favor and accordingly no demand for payment would arise.

33.2.4 Azad Jammu & Kashmir Operations

The Holding Company has commenced operations in Azad Jammu & Kashmir from tax year 2009 and has filed returns for the tax years 2009 to 2021 with the tax authorities of such region. The amendment proceedings and appeals are at various levels before AJK Tax authorities for the tax year 2011 to 2017, 2019 and 2020.

33.3 JS Global Capital Limited (Subsidiary, the Company)

33.3.1 Income tax

Except for tax year 2009, 2014, 2015, 2016, 2017 and 2018 income tax assessments have been filed and are deemed to have been assessed under the Income Tax Ordinance, 2001 (the Ordinance) unless selected by taxation authorities for audit purposes.

For tax year 2009, an ITRA no. 07/2013 was filed by the Commissioner Inland Revenue against an order passed by the Learned Appellate Tribunal Inland Revenue (ATIR) in ITA no. 923/KB/2011 dated August 28, 2012 which was related to the apportionment of expenses, allowability of expenses and claiming of tax deducted at source aggregating to Rs. 61.16 million. However, the same is pending for decision before the Sindh High Court (SHC).

For tax year 2015, an order dated November 23, 2016 was passed under section 4B of the Ordinance by the Deputy Commissioner Inland Revenue (DCIR). Through said order, an income of Rs. 810.584 million was computed under section 4B of the Ordinance and resultant demand of super tax of Rs. 24.318 million was raised. An appeal was filed against the above order before CIR-A on December 01, 2016 identifying various errors / details not considered. The CIR-A, has confirmed DCIR's order vide his order dated May 30, 2017. In pursuance of the order of CIR-A, the Company has filed appeal before ATIR along with application for stay against recovery of demand. The appeal before ATIR has been heard and order is reserved whilst ATIR vide order dated July 18, 2017 has granted stay for 60 days and subsequently the said stay was further extended vide various orders by ATIR. Subsequently, recovery of aforesaid tax demand was previously stayed by the Honorable Sindh High Court (SHC) through C.P No 4915 of 2018 vide order dated June 28, 2018 with direction to the Department not to enforce recovery of tax demand till the decision of ATIR. However, based on its order dated July 21, 2020, the SHC has dismissed the aforementioned C.P and has declared the super tax for TY 2015 to be constitutionally vires. The Company has however filed an Income Tax Reference Application (ITRA) No. 52 of 2020 before SHC which is pending adjudication.

For tax year 2016 and 2017, notices dated December 27, 2016 and January 3, 2018 were issued under section 4B of the Ordinance by the DCIR. In the said notices the DCIR has contended that the Company is liable to pay Super Tax amounting to Rs. 24.483 million and Rs. 19.490 million on 'income' of Rs. 816.122 million and Rs. 649.676 million for Tax Years 2016 and 2017 respectively. The Company has challenged both notices through writ petition before SHC on constitutional grounds wherein the SHC has, vide its orders dated January 16, 2017 and January 11, 2018 for Tax Years 2016 and 2017 respectively, has stated that no coercive action shall be taken against the Company. The DCIR passed the orders under section 4B vide order dated April 23, 2018 and

Notes to the Consolidated Financial Statements

For the year ended December 31, 2021

May 4, 2018 for tax years 2016 and 2017 respectively to levy Super tax of above mentioned amounts under the view that SHC has not restrained the department from passing the orders. In pursuance of the said orders, Company filed appeals which were rejected by CIR-A vide its order dated October 12, 2018 for both years. As a result, the Company has filed appeals before Appellant Tribunal Inland Revenue (ATIR) against the orders of CIR-A. Meanwhile, the Company paid 50% of tax demand of both tax years to maintain the above suits in light of judgment of Hon'able Supreme Court of Pakistan (Civil Appeals No. 1171/2017 and other connected appeals) wherein, the pending suits are declared to be entertained on the condition that a minimum of 50% of tax demand is deposited with tax authorities during the pendency of appeal. During the year the appeal has been heard before ATIR and is reserved for order. The Company has however filed an Income Tax Reference Application (ITRA) No. 53 and 54 of 2020 before SHC which is pending adjudication.

For tax year 2018, a notice under section 4B of the Ordinance by the DCIR dated December 7, 2018 was issued, contending that the Company is liable to pay Super Tax amounting to Rs. 45.211 million on 'income' of Rs. 1,507.039 million. The Company had challenged the notice on constitutional grounds before SHC through C.P. No. 8670 of 2018. The SHC, vide its order dated December 14, 2018, had stated that no coercive action shall be taken against the Company. However the SHC based on its order issued in September 2020 has dismissed the aforementioned C.P. The Company is hence awaiting the conclusion of ATIR on the above matter before it files a reference application for TY 2018. To date, no order has been passed by the Department, consequently, no outstanding tax demand exists to date.

For tax year 2016, an amended assessment order has been passed under section 122(5A) of the Ordinance by the Additional Commissioner Inland Revenue (ACIR). Through the said order, the ACIR raised demand amounting to Rs. 241.217 million. Upon appeal filed, CIR-A confirmed the ACIR's order vide its order dated December 12, 2017. In pursuance of the order of CIR-A, the Company had filed an appeal before ATIR. During last year ATIR vide its order dated March 29, 2019 had annulled CIR-A's action on confirming disallowances made in the order passed by ACIR dated November 02, 2017, with directions to CIR-A to pass speaking and reasoned order after providing due opportunity of being heard. As a result, the likely assessment position after appeal effect of ATIR's order under section 124 of the Ordinance is that only tax demand on account of undistributed reserves is outstanding, which has also been stayed by SHC vide interim order in CP No. 0-2343 of 2019 dated April 09, 2019. Furthermore during last year, a rectification application was filed for erroneously considered share premium reserves while computing excess reserves under section 5A of the Ordinance by the ACIR, in its order dated November 2, 2017. As a result of which tax demand under section 5A would be reduced to Rs. 7.523 million. The Honourable Sindh High Court vide an interim order dated May 21, 2021 granted relief against the said notice.

For tax year 2017, an amended assessment order has been passed under section 122(5A) of the Ordinance by the Tax Officer. Through the said order, the Tax Officer raised a demand amounting to Rs. 17.649 million. The Company has filed an appeal before CIR-A which has been heard, however, no order has been passed till date. The total tax demand was partially stayed by the order of SHC vide CP No. 5431 of 2017 dated August 16, 2017, while the remaining liability was adjusted from the available refunds as declared in the return for tax year 2017.

Furthermore, the case of the Company has been selected for income tax audit under section 214C of the Ordinance and a notice dated April 12, 2019 under section 177 of the Ordinance has been issued requiring submission of details and documents. Partial details have been submitted and extension is requested for submission of remaining details.

For tax year 2017, a show-cause notice under section 161/205 of the Ordinance has been issued by tax authority. Through the said order, the Company was alleged for non-deduction of tax under section 150 of the Ordinance on payment made to shareholders in respect of buy back of shares. The said notice has been challenged before Sindh High Court (SHC) through legal counsel of the Company and SHC has prohibited tax department from passing any order without its permission. On the directions of court, detailed reply to show-cause notice has also been submitted vide our letter dated January 26, 2018. Tax authorities have issued a subsequent notice dated March 6, 2018, requesting to provide certain factual details which have also been submitted vide our letter dated March 16, 2018 and the matter is now pending adjudication before the SHC.

Notes to the Consolidated Financial Statements

For the year ended December 31, 2021

33.3.2 Sales Tax

During 2013, the Company received a show cause notice from the Sindh Revenue Board (SRB) under section 47 of the Sindh Sales Tax on Services Act, 2011. Subsequently, an order was passed reducing the demand to Rs. 9.86 million along with default surcharge. The Company filed an appeal before the CIR-A and after being decided against the Company, it subsequently filed an appeal before Appellate Tribunal SRB. During the year 2014, the Company paid an amount of Rs. 7.15 million in respect of the abovementioned liability before June 25, 2014 under the notification SRB 3-4/8/2014 to avail the exemption from application of penalty and 75% of default surcharge. Appellate Tribunal SRB vide order dated November 29, 2017 decided the issue of Sindh Sales Tax (SST) in favor of the Company. However, the issue of SST on advisory and consultancy services and commission earned on purchase/sale of mutual funds have been remanded back whilst the issue relating to SST on commission on foreign exchange dealing, services rendered outside Sindh and levy of default surcharge and penalty have been decided against the Company. The Company has filed a reference application before SHC in respect of the issues decided against the Company and remanded back.

During 2014, the Company also received another show cause notice from SRB under section 47 of the Sindh Sales Tax on Services Act, 2011. Subsequently, an order was passed raising a tax demand amounting to Rs. 10.77 million. The Company has filed an appeal against the order with CIR-A which is pending. Further, in respect of the same, rectification application has also been filed with the department. The Company and other stock brokers have also filed petition with the SHC and has been granted interim stay against recovery of demand. However, the Company has paid an amount of Rs. 9.24 million before June 25, 2014 under the notification SRB 3-4/8/2014 to avail the exemption of penalty and 75% of default surcharge.

Furthermore, for fiscal year 2014 and 2015, SRB alleged short payment of SST vide Notice dated February 02, 2017. The Company has submitted all the required details in response to the notice and no order in this respect has been passed.

SRB has also issued an order in another proceeding for tax periods January 2014 to December 2016, which were confronted, vide notice dated August 15, 2017, levying sales tax on certain services and disallowance of input tax of Rs. 35,877,012. In pursuance of the said order the Company filed an appeal before Commissioner (Appeals), SRB which has been partly heard. However the recovery of the of aforesaid tax demand has been stayed by the Hon'able SHC in Suit no 767 of 2018 vide order dated April 13, 2018.

33.3.3 Federal Excise Duty (FED)

Tax department issued a show cause notice dated June 08, 2015 confronting (alleged) non payment of Federal Excise Duty (FED) on Company's services under Federal Excise Act, 2005 and subsequently issued an order raising a demand amounting to Rs.78.003 million for tax year 2010 to tax year 2013. The Company filed a rectification appeal, in addition, to filing an appeal to the SHC, through Stockbroker Association (of which the Company is also the member) against aforementioned order on the grounds that after 18th amendment to the Constitution, the services that were previously subjected to FED under the federal laws are now subject to the provincial sales tax and the Company has accordingly discharged its tax obligation. The SHC initially, stayed Federal Board of Revenue from demanding sales tax on services from stockbrokers and subsequently, disposed of the order in Company's favor. However, CIR-A on the matter of appeal filed by the Company issued an order in favor of the department vide its order dated January 31, 2017. In pursuance of the order of CIR-A the Company had filed an appeal before Appellate Tribunal SRB along with application for stay of demand which was granted initially for 30 days and was subsequently extended vide various orders. Appellate Tribunal SRB has decided the matter vide order dated December 20, 2017, received by the Company on April 09, 2018, whereby ATIR decided that FED is applicable only on the commission earned from trading of shares and no other type of commission comes under the ambit of FED. With this opinion, ATIR has remanded back the issue related to pre amendment era. For post amendment era, ATIR has relied upon the decision of SHC (stated above) and declared the charge of FED after July 01, 2011 null and void.

Notes to the Consolidated Financial Statements

For the year ended December 31, 2021

33.4 JS Investments Limited (Subsidiary, the Company)

33.4.1 Income tax

In respect of the appeals filed by the Company before Commissioner Inland Revenue (Appeals) [CIR (Appeals)] against orders passed for tax years 2006 and 2009 against demand of Rs. 162 million and Rs. 66 million respectively, the CIR (Appeals) had not accepted the basis of additions by tax authorities and set aside both the orders in respect of allocation of expenses between various sources of income for fresh proceedings with the directions to apportion the common expenditure according to actual incurrence of expenditure to the various sources of income.

In respect of the above said order of CIR (Appeals) for tax years 2006 and 2009, the Company filed second appeal before the Appellate Tribunal Inland Revenue (ATIR) in respect of apportionment of expenses. The ATIR vide order dated April 20, 2017 deleted the additions on proration of expenses for tax year 2006 however, confirmed the CIR(A)'s order whereby CIR(A) remanded back / set-aside the issue of apportionment of expenses.

The Appellate Tribunal Inland Revenue vide order dated May 21, 2016 deleted the additions of tax amortization of management rights and remanded back the issues of disallowed provisions and advertisement expenses for the tax year 2009.

The tax authorities issued orders giving effect (hereinafter referred collectively as 'appeal effect orders') to the order of CIR (Appeals) for both tax years 2006 and 2009 whereby demands for these tax years were reduced to Rs. 77.33 million and Rs. 59.93 million respectively. As the allocation of expenditure in the said appeal effect orders was not made according to actual incurrence of expenditure to the various sources of income, therefore, the Company again filed appeals before the CIR (Appeals) against the said orders.

In respect of second round of appeal filed by the Company before CIR (Appeals) against appeal effect orders for tax years 2006 and 2009, the CIR (Appeals) for tax year 2006 confirmed apportionment of expenditure made by the tax authorities in appeal effect order, however, adjustment of allowable expenses were set aside. For the tax year 2009, CIR (Appeals) had set aside the appeal effect order in entirety for fresh assessment, which is yet to be made by tax authorities.

The CIR (Appeals) also rectified the order passed by his predecessor for the tax year 2006, whereby the addition regarding the portion of capital gain included in dividend received from mutual funds was held deleted. Resulted appeal effect order reflects refund of Rs. 29 million. The tax authorities have filed an appeal before ATIR against said order of CIR (Appeals) in respect of deletion of addition regarding the portion of capital gain included in dividend. The ATIR vide order dated December 07, 2016 set-aside with the direction that the ACIR should examine the issue in the light of FBR Circular letter dated September 10, 2002.

In respect of tax year 2006, management contends, based on views of its tax advisor, that amendment of assessment for such tax year by tax authorities is time barred. Accordingly, the Company has filed an appeal before the Appellate Tribunal Inland Revenue. The ATIR is of the view that the amendment of assessment is not time barred however, the ATIR deleted the addition of tax amortization of management right vide order dated February 10, 2017.

Order under section 122(1)/(5) dated December 30, 2017 for the tax year 2015 passed by the DCIR created demand of Rs.40 million against which the Company has filed an appeal before the CIR(A). The DCIR considered our request for rectification and passed order under section 221 dated February 27, 2017 as a result of the above order the demand reduced to Rs.36.904 million. The CIR(A) vide order dated May 6, 2019 partly considered our submissions put before him. The DCIR passed appeal effect order dated February 17, 2020 determined refund of Rs. 30.66 million. The company submitted appeal before the CIR (Appeal) against the appeal effect order. The Company also submitted appeal before the ATIR against the order of the CIR(A).

The DCIR passed order under section 122(1)/(5) of the Income Tax Ordinance, 2001 dated June 23, 2014 and reduced the refund claim of Rs .8.499 million to Rs. 3.102 million for the tax year 2012. The learned CIR (Appeal) vide order dated May 06, 2019 confirmed the ACIR's order and held that the appeal was not entertainable being barred by time limitation for the tax year 2012. The Company submitted appeal before the ATIR against the order of the CIR(A).

Notes to the Consolidated Financial Statements

For the year ended December 31, 2021

33.4.2 Sales Tax

This represents amount payable against Federal Excise Duty (FED) on management fees received / receivable from the Funds under management. The amount is being held for payment to Federal Board of Revenue on the basis of stay order of the Honorable High Court of Sindh dated September 04, 2013. The stay order was granted as a result of petition filed by asset management companies on the forum of MUFAP against the amendment in Finance Act, 2013 which levied FED on the fees received by asset management companies from funds under management.

The Honorable Sindh High Court in its decision dated July 16, 2016 maintained the previous order passed against other constitutional petition whereby levy of FED is declared to be 'Ultra Vires' the Constitution. On September 23, 2016, the Federal Government has filed an appeal against the said order in the Honorable Supreme Court of Pakistan (SCP) and thus, the previous balance of FED has not been reversed.

Further, the Federal Government vide Finance Act, 2016 has excluded asset management companies and other non-banking finance companies from charge of FED on their services. Accordingly, no provision for FED is made from July 01, 2016 onwards.

33.4.3 Federal Excise Duty (FED)

In view of promulgation of Sindh Workers Welfare Fund Act, 2014, wherein the financial institutions have also been brought into definition of Industrial establishments, the Company has maintained an aggregated provision against Sindh Workers Welfare Fund as the year end amounting to Rs. 11.286 (2020: Rs. 10.839) million. The Company is under litigation with Sindh Revenue Board vide Constitution Petition No. 1005 dated February 13, 2019, filed before the Honorable Sindh High Court, which is a pending adjudication.

33.5 Omar Jibran Engineering Industries Limited (Associated Company)

During the period June 30, 2020, the Federal Board of Revenue imposed tax liability of Rs. 71.975 million under section 161 (1) vide dated December 03, 2019. However, the associated company has obtained stay order from the Commissioner Inland Revenue (Appeals-II), Karachi on the imposed liability till December 31, 2019 and the matter is set aside by Appellate Tribunal Inland Revenue Pakistan through their order dated January 08, 2021 thus on further notices issued by the Inland Revenue Pakistan and the matter has been concluded in favor of the Company.

Management, based on views of its legal counsel, is confident of a favorable outcome in respect of above matters.

37. DEFINED BENEFIT PLAN

37.1 General description

The Bank operates a recognized gratuity fund for all employees who opted for this scheme introduced by the management with effect from January 01, 2007.

The defined benefit is administered by a separate fund that is legally separate from the Bank. The plan is governed by the trust deed dated September 01, 2007. The trustees of the gratuity fund are composed of representatives from employers. The trustees of the gratuity fund are required by the trust deed to act in the interest of the fund and of all relevant stakeholders in the scheme, i.e. active employees, inactive employees, retirees and employers. The trustees of the gratuity fund are responsible for the investment policy with regard to the assets of the fund.

37.2 The plan in Pakistan typically exposes the Bank to actuarial risks such as: salary risk, discount rate risk, mortality risk and investment risk defined as follow:

- Salary increase risk:

The risk that the final salary at the time of cessation of services is greater than assumed. Since the benefit is calculated on the final salary (which will closely reflect inflation and other macroeconomic factors), the benefit amount increases as salary increases.

- Discount rate risk

The discount rate is based on the yield on government bonds. If the market yield of bonds varies, the discount rate would vary in the same manner and would affect the present value of obligation and fair value of assets.

Notes to the Consolidated Financial Statements

For the year ended December 31, 2021

- Demographic Risks

Withdrawal risk:

The risk of actual withdrawals experience is different from assumed withdrawal probability. The significance of the withdrawal risk varies with the age, service and the entitled benefits of the beneficiary.

Longevity Risk

The risk that the actual mortality experience is different than the assumed mortality. This effect is more pronounced in schemes where the age and service distribution is on the higher side.

- Investment risk

This is the risk that the assets are under-performing and are not sufficient to meet the liabilities.

37.3 Number of employees under the schemes

The number of employees covered under defined benefit scheme (gratuity fund) is 3,495 (2020: 3,756).

37.4 Principal actuarial assumptions

Principal actuarial assumptions at the end of the reporting period expressed as weighted averages. The actuarial valuations were carried out on December 31, 2021 based on the Projected Unit Credit Method, using the following significant assumptions:

		2021	2020
Valuation discount rate for year end obligation	per annum	11.75%	9.75%
Valuation discount rate for interest cost for the year	per annum	9.75%	11.75%
Expected return on plan assets	per annum	9.75%	11.75%
Future salary increase rate

Notes to the Consolidated Financial Statements

For the year ended December 31, 2021

37.6 The composition of the plan assets at the end of the reporting period for each category, are as follows:

37.7 Maturity profile

37.7.1 Expected maturity analysis of undiscounted defined benefit obligation (benefit payments) for the gratuity fund is as follows:

	Up to one year	Over 1-2 years	Over 2- 5 years	Over 6-10 years	Over 10 and above years	Total
	----- Rupees in '000 -----					
Balance as at December 31, 2021	40,130	42,200	200,323	1,068,414	11,996,311	13,347,378
Balance as at December 31, 2020	45,445	71,699	268,697	1,245,714	11,997,565	13,629,120

37.8 Sensitivity analysis

37.8.1 Significant actuarial assumptions for the determination of the defined obligation are discount rate, and expected rate of salary increase. The sensitivity analysis below have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant:

Particulars	Rate	Present value of defined benefit obligation	Fair value of any plan assets	Net defined benefit liability / (assets)
		----- Rupees in '000 -----		
Current results	-	811,689	1,130,008	(318,319)
Discount rate				
1% Increase	10.75%	741,666	1,130,008	(388,342)
1% Decrease	12.75%	891,924	1,130,008	(238,084)
Salary Rate				
1% Increase	10.75%	892,877	1,130,008	(237,131)
1% Decrease	8.75%	739,558	1,130,008	(390,450)
Withdrawal rate				
10% Increase	Moderate + one year	800,202	1,130,008	(329,806)
10% Decrease	Moderate - one year	823,938	1,130,008	(306,070)
Mortality rate				
One year age set back	Adjusted SLIC 2001-2005 - one year	811,915	1,130,008	(318,093)
One year age set forward	Adjusted SLIC 2001-2005 + one year	811,427	1,130,008	(318,581)

Furthermore in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same as applied in calculating the defined benefit obligation liability recognised in this unconsolidated statement of financial position.

Notes to the Consolidated Financial Statements

For the year ended December 31, 2021

37.9 Maturity profile

The weighted average duration of the defined benefit obligation works out to 10 years.

37.10 Experience Adjustments

The re-measurement gains / losses arise due to actual experience varying from the actuarial assumptions for the year.

	2021	2020	2019	2018	2017
	----- Rupees in '000 -----				
Particulars					
Defined benefit obligation	811,689	1,074,298	844,212	649,062	550,729
Fair value of plan assets	(1,130,008)	(1,391,879)	(692,331)	(546,568)	(375,611)
Net defined benefit liability	(318,319)	(317,581)	151,881	102,494	175,118
Re-measurement loss / (gain) on obligation	(107,386)	13,759	(836)	(52,391)	75,269
Re-measurement loss / (gain) on plan assets	317,777	(490,776)	18,005	25,329	10,273
Other comprehensive income	210,391	(477,017)	17,169	(27,062)	85,542

37.11 The average duration of the payment of benefit obligation at December 31, 2021 is within one year.

37.12 The Holding Company contributes to the gratuity fund as per actuarial's valuation of the year i.e. Nil for the next year.

37.13 Based on actuarial advice and management estimates, profit and loss account charge in respect of defined benefit obligation for the next one year works out to be Rs. 92.702 million. The amount of re-measurements to be recognised in other comprehensive income for year ending December 31, 2022 will be worked out as at the next valuation.

38. DEFINED CONTRIBUTION PLAN

The Group operates a contributory provident fund scheme for all permanent employees. The employer and employee both make a contribution of equal amount to the fund as follows:

	Contribution basic salary	Number of employees		Contribution made during the year	
		2021	2020	2021	2020
	Percentages	----- Numbers -----		----- Rupees in '000 -----	
Holding company					
- JS Bank Limited	7.1%	2,865	3,164	248,152	229,001
Subsidiary companies					
- JS Global Capital Limited	7.33%	161	165	14,977	13,277
- JS Investments Limited	7.33%	78	77	8,707	8,775

Notes to the Consolidated Financial Statements

For the year ended December 31, 2021

39. COMPENSATION OF DIRECTORS AND EXECUTIVES

39.1 The aggregate amount charged in the financial statements for the year in respect of the remuneration and benefits to the President / Chief Executive, Directors and Executives are as follows:

Items	2021

39.1.1 The CEO and COO are provided with free use of the Holding Company maintained cars in accordance with their entitlement.

39.1.2 Managerial remuneration includes joining related payments made to certain Executives in line with their terms of employment.

39.1.3 All Executives, including the CEO of the Bank, are also entitled to certain short term employee benefits which are disclosed in note 39.1 to these consolidated financial statements.

Notes to the Consolidated Financial Statements

For the year ended December 31, 2021

39.1.3 During the year, in JSIL, Ms. Iffat Zehra Mankani has been appointed as Chief Executive Officer in place of Mr. Hasnain Raza Nensey, whereas Mr. Zahidullah Khan and Mr. Sadeed Hasan Barlas have been appointed as Non-Executive Directors in place of Mr. Kamran Jaffer and Mr. Tahir Ali Sheikh.

39.1.4 The SBP, vide its BPRD Circular No. 01 dated January 25, 2017, issued Guidelines on Remuneration Practices, where the Bank is required to defer a certain portion of variable compensation of the Material Risk Takers (MRTs) and Material Risk Controllers (MRCs) subject to mandatory deferrals for a defined period. In this respect, deferral amount shall be withheld for a period of three years whereas remaining portion of the variable compensation shall be paid upfront to the MRTs and MRCs. The deferred remuneration shall vest proportionately over the deferral period following the year of variable remuneration award. The deferred portion of the variable remuneration shall be paid to the MRTs and MRCs on vesting, proportionally through yearly instalments, during the deferred period, in case no malus triggers are applicable. Details of MRTs and MRCs are given below:

40. FAIR VALUE OF FINANCIAL INSTRUMENTS

IFRS 13 "Fair Value Measurement" defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The fair value of quoted securities other than those classified as held to maturity, is based on quoted market price. Fair value of fixed term loans, other assets, other liabilities and fixed term deposits cannot be calculated with sufficient reliability due to absence of current and active market for assets and liabilities and reliable data regarding market rates for similar instruments. The provision for impairment of loans and advances has been calculated in accordance with the Bank's accounting policy as stated in note 4.6 to the annual consolidated financial statements.

The repricing profile, effective rates and maturity are stated in note 45.2.4 to these financial statements.

In the opinion of the management, the fair value of the remaining financial assets and liabilities are not significantly different from their carrying values since assets and liabilities are either short term in nature or in the case of customer loans and deposits are frequently repriced.

Fair value hierarchy

IFRS 13 requires the Bank to classify fair value measurement using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has following levels:

- Level 1:** Fair value measurements using quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date.
- Level 2:** Fair value measurements using inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3:** Fair value measurements using unobservable inputs for the asset or liability.

Notes to the Consolidated Financial Statements

For the year ended December 31, 2021

40.1 Valuation techniques used in determination of fair values within level

Item	Valuation approach and input used
Financial Instruments- Level 1	
Shares of listed companies	Fair values of investments in listed equity securities are valued on the basis of closing quoted market prices available at the Pakistan Stock Exchange.

Financial instruments - Level 2

Units of mutual funds	Fair values of investments in units of mutual funds are determined based on redemption prices disclosed at the Mutual Funds Association of Pakistan (MUFAP) as at the close of the business days.
Market Treasury Bills(MTB) / Pakistan Investment Bonds(PIB), and GoP Sukuks (GIS)	Fair values of Pakistan Investment Bonds and Market Treasury Bills are derived using PKRV and PKFRV rates (Reuters page).
Debt Securities (TFCs) and Sukuk other than Government	Investments in debt securities (comprising of Term Finance Certificates, Bonds and any other security issued by a company or a body corporate for the purpose of raising funds in the form of redeemable capital) are valued on the basis of the rates announced by the Mutual Funds Association of Pakistan (MUFAP) in accordance with the methodology prescribed by the SECP.
Overseas Government Sukuks, Overseas and Euro Bonds	The fair value of Overseas Government Sukuks, and Overseas Bonds are valued on the basis of price available on Bloomberg.
Forward foreign exchange contracts	The valuation has been determined by interpolating the foreign exchange revaluation rates announced by the State Bank of Pakistan.
Derivatives	The fair values of derivatives which are not quoted in active markets are determined by using valuation techniques. The valuation techniques take into account the relevant underlying parameters including foreign currencies involved, interest rates, yield curves, volatilities, contracts duration, etc.

Financial instruments in level 3

Currently, no financial instruments are classified in level 3.	
The fair value of unquoted debt securities, fixed term loans, other assets, other liabilities, fixed term deposits and borrowings cannot be calculated with sufficient reliability due to the absence of a current and active market for these assets and liabilities and reliable data regarding market rates for similar instruments.	

Non- financial assets- Level 3

Fixed assets - Land and building	Fixed assets and Non-banking assets under satisfaction of claims are carried at revalued amounts determined by professional valuers based on their assessment of the market values as disclosed in note 11 and 13 of these annual consolidated financial statements. The valuations are conducted by the valuation experts appointed by the Bank which are also on the panel of State Bank of Pakistan. The valuation experts used a market based approach to arrive at the fair value of the Bank's properties. The market approach used prices and other relevant information generated by market transactions involving identical or comparable or similar properties. These values are adjusted to reflect the current condition of the properties. The effect of changes in the unobservable inputs used in the valuations cannot be determined with certainty, accordingly a qualitative disclosure of sensitivity has not been presented in these financial statements.
Non-banking assets under satisfaction of claims	

40.2 The Group's policy is to recognise transfers into and out of the different fair value hierarchy levels at the date the event or change in circumstances that caused the transfer occurred. There were no transfers between levels 1 and 2 during the year.

Notes to the Consolidated Financial Statements

For the year ended December 31, 2021

40.3 The following table provides an analysis of financial assets that are measured subsequent to initial recognition at fair value, grouped into Levels 1 to 3 based on the degree to which the fair value is observable.

<p>The SBP through its BSD Circular No. 07 dated April 15, 2009 has prescribed the minimum paid-up capital (net of accumulated losses) for banks to be raised to Rs.10,000 million by the year ending December 31, 2013. The paid-up capital of the Bank as at December 31, 2021 stood at Rs. 10,119.242 million (2020: Rs. 10,119.242 million) and is in compliance with SBP requirements.</p> <p>The Banks are also required to maintain a minimum Capital Adequacy Ratio (CAR) of 10.0% plus capital conservation buffer of 1.5% of the risk weighted exposures of the Bank. Further, under Basel III instructions, Banks are also required to maintain a Common Equity Tier 1 (CET 1) ratio and Tier 1 ratio of 6.5% and 7.5%, respectively, as at December 31, 2021. As at December 31, 2021 the Bank is fully compliant with prescribed ratios, as the Bank's CAR is 14.03% whereas CET 1 and Tier 1 ratios stood at 9.62% and 10.68% respectively. The Bank has complied with all capital requirements throughout the year.</p> <p>Under the current capital adequacy regulations, credit risk and market risk exposures are measured using the Standardized Approach and operational risk is measured using the Basic Indicator Approach. Credit risk mitigants are also applied against the Bank's exposures based on eligible collateral under comprehensive approach.</p>

45. RISK MANAGEMENT

Risk Management is a discipline at the core of every financial institution and encompasses all the activities that affect its risk profile. At the Bank, it involves identification, measurement, monitoring and controlling risks to ensure that:

- a) The individuals who take or manage risks clearly understand it;
- b) The Bank's Risk exposure is within the limits established by Board of Directors (BoD);
- c) Risk taking decisions are in line with the business strategy and objectives set by BoD;
- d) The expected payoffs compensate for the risks taken;
- e) Risk taking decisions are explicit and clear;
- f) Sufficient capital as a buffer is available to take risk; and
- g) Risk management function is independent of risk taking unit.

The Group has a comprehensive set of Risk Management Policies, practices and procedures which enable the Holding Company to take into consideration, in an appropriate manner, all major kinds of risks mainly credit, market, liquidity, operational and IT security risks. Keeping in view the dynamics of internal and external environment, we regularly review and update our Risk Management policies and procedures in accordance with regulatory environment and international standards.

Risk Management activities remain at the forefront of all activities of the Group which places the highest priority on conducting its business in a prudent manner in line with the relevant laws and regulatory requirements.

Risk management framework of the Group includes:

- a) Clearly defined risk management policies and procedures covering risk identification, acceptance, measurement, monitoring, reporting and control;
- b) Well constituted organizational structure, defining clearly roles and responsibilities of individuals involved in risk taking as well as managing it. The Bank, in addition to risk management functions for various risk categories, has instituted an Integrated Risk Management Committee (IRMC), Portfolio Management Committee (PMC), Operational Risk Management Committee (ORMC), Remedial Management Committee (RMC) as well as Central Credit Committee (CCC). IRMC oversees the overall risk management at the Bank and provides guidance in setting strategic targets as well as concentration limits and monitor progress related to earnings growth, keeping in view the capital constraints and also adheres to the concentration limits. The IRMC monitors the strategic target and aggregate limits at the Business Group level and concentration limits (by industry, geography, size, tenor) so that one category of assets or dimension of risk cannot materially harm the performance of the Bank. PMC monitors the advances portfolio, concentrations limits, aggregate limits at business level and various house keeping elements under Credit Administration. ORMC oversees the effectiveness of operational risk management for maintenance and implementation of operational risk management framework. It also monitors the Business Continuity Planning and reviews findings of any other management or board's sub committee. Remedial Management Committee (RMC) oversees the progress of non performing loans and cases under litigation along with the recommendation of transferring of any NPL to Corporate Restructuring Company (CRC). Whereas, Central Credit Committee (CCC) is entrusted with the responsibility of monitoring lending risk profile of the Bank. CCC meets regularly to actively supervise credit risk across its lending portfolio.
- c) An effective management information system that ensures flow of information from operational level to top management and a system to address any exceptions observed; and
- d) A mechanism to ensure an ongoing review of systems, policies and procedures for risk management and procedures to adopt changes.

Notes to the Consolidated Financial Statements

For the year ended December 31, 2021

While the overall responsibility of risk management rests with the BoD, it is the duty of Senior Management to devise risk management strategy by setting up well defined policies and procedures for mitigating / controlling risks, duly approved by the Board.

Giving due consideration to the above, the Group has put in place the following hierarchy of Risk Management:

- Board Risk Management Committee (BRMC);
- Integrated Risk Management Committee (IRMC) comprises of the President / Chief Executive Officer (CEO), Chief Risk Officer, Chief Operating Officer, Chief Credit Officer, Chief Financial Officer, Chief Compliance Officer, Group Head Corporate & Public Sector Government, Group Head Operations, Chief of Staff, Group Head Retail Banking, Head of Human Resources, and Chief Product & Marketing Officer.
- Asset - Liability Committee (ALCO) comprises of the President / Chief Executive Officer (CEO), Treasurer, Chief Risk Officer, Chief Credit Officer, Group Head Investment Banking, Chief Financial Officer and attended by Other Business Heads.
- Central Credit Committee (CCC) comprising of the President / CEO, Chief Operating Officer, Chief Credit Officer, Group Head Corporate & Public Sector Government, Group Head Emerging Corporate (South), Group Head Emerging Corporate (Central & North) and Head of Environmental Risk (for environmental risk only).
- Portfolio Management Committee (PMC) comprises of President/CEO, Chief Risk Officer, Chief Credit Officer, Group Head Corporate & Public Sector Government, Group Head Retail Banking, Heads of Credit Risk, Head CAD, Head of Consumer Risk, and Head Enterprise Risk Management.
- Operational Risk Management Committee (ORMC) comprises of the Chief of Staff, Chief Risk Officer, Chief Compliance Officer, Chief Information Officer, Group Head Operations, Head of Human Resources, Chief Product & Marketing Officer, Group Head Retail Banking, Group Head Customer Experience and Head Enterprise Risk Management .
- Remedial Management Committee (RMC) comprises of President/CEO, Chief Risk Officer, Chief Credit Officer, Chief of Staff, Chief Operating Officer, Chief Financial Officer, Head of SAM, CAD Head, Credit Risk Heads and Head of Legal.
- IT Steering Committee (ITSC) comprises of President/CEO, Deputy CEO, Chief Risk Officer, Chief Financial Officer, Group Head Operations & Technology, Chief Information Officer, Chief Information Security Officer, Chief of Staff, Group Head Investment Banking & Emerging Business, Chief Digital Officer, Country Head Branch Banking Operations and Head Product Development & Consumer Business.
- Risk Management Group (RMG), a dedicated and independent set-up headed by Chief Risk Officer (CRO) and comprises of Heads of Market & Liquidity Risks, Operational Risk and Treasury Middle Office, Consumer & Program Lending Risk, Information Security, Agricultural Credit Risk, Strategic Projects & Quantitative Analysis and Enterprise Risk Management.
- Credit Risk Group (CRG) is also an independent function to business and is headed by Chief Credit Officer (CCO). Credit Risk Heads dealing in corporate, emerging corporate, middle market, small & medium enterprises, financial institutions and international operations are reporting into CCO. Special Assets Management (SAM) and Credit Administration (CAD) also report into CCO.

Risk Matrix / Categories

The Bank, in common with other banks, generates its revenues by accepting Country, Credit, Liquidity, Interest Rate Risk in the Banking Book, Market, Operational and other risks. Effective management of these risks is the decisive factor in the Bank's profitability.

Notes to the Consolidated Financial Statements

For the year ended December 31, 2021

Risk Appetite

The Group's risk appetite is reflected in its endeavours to maintain a favourable credit rating and encompasses the following:

- The business strategy
- The expectations of stakeholders at different time horizons
- The characteristics of the risk-bearing entities
- The nature and characteristics of the risks undertaken
- The possible spread of risk situations across organizational units, assets-at-risk, and future time horizons.

Risk appetite drives business activity. It combines anticipations in risk and profitability with management preferences to control capital and resource allocation, as well as the distribution of exposure across activities and portfolios.

The Group's hedging strategy is embedded in its risk management practices for addressing material categories of risk.

45.1 Credit Risk

Credit risk is the risk which arises with the possibility that one party to a financial instrument will fail to discharge its obligation and cause the other party to incur a financial loss. Credit risk is managed in terms of credit policies, approved by the BoD and regulations issued by the SBP. The bank is exposed to credit risk on loans and advances, fund placements with financial institutions and certain investments.

Credit risk management is an ongoing process. The overall credit policy and the credit risk instructions are issued by the Board of Directors. In this regards, a Central Credit Committee (CCC) is entrusted with the responsibility of monitoring lending risk profile of the bank. In order to maintain healthy growth of the credit portfolio, the Groups Credit Risk Management processes are consistently upgraded and improved to meet future challenges.

The Group's strategy is to minimise credit risk through product, geography, industry and customer diversification. Credit limits are established for all counter-parties after a careful assessment of their credit worthiness. An effective credit granting procedure, which requires pre-sanction evaluation of credit proposal, adequacy of security and pre-disbursement examination of charge documents is in place and managed by Risk Management Group (RMG) & Credit Administration Department (CAD). The Bank maintains a sound portfolio diversified in nature to counter the risk of credit concentration and further confines risk through diversification of its assets by geographical and industrial sector. For managing impaired assets in the portfolio, the Bank follows the Prudential Regulations and Risk Management guidelines issued by SBP and the Remedial Management Policy approved by the Board.

45.1.1 Credit risk: Standardised approach

The Holding Company has adopted the Standardised Approach of Basel II for risk weighing its Credit Risk Exposures.

The following table illustrates the approved External Credit Assessment Institutions (ECAIs) whose ratings are being utilised by the Bank with respect to material categories of exposures:

Exposures	VIS	PACRA	MOODY'S	FITCH	S&P
Corporate	√	√	-	-	-
Banks	√	√	√	√	√
SME's (retail exposures)	√	√	-	-	-
Sovereigns	√	√	√	√	√
Securitisations	N/A	N/A	N/A	N/A	N/A
Others (specify)	N/A	N/A	N/A	N/A	N/A

Notes to the Consolidated Financial Statements

For the year ended December 31, 2021

The Bank has used Issue Specific Ratings for rating / risk weighing Issue Specific Exposures and Entity Ratings for rating / risk weighing claims against specific counterparties. Both short and long term ratings have been used to rate corresponding short and long term exposures. For this purpose, Mapping Grid has been provided by SBP as given below:

Long - Term Ratings Grades Mapping

SBP Rating Grade	PACRA	JCR-VIS	Fitch	Moody's	S&P	ECA Scores

S4	Others	Others	Others	Others	Others

45.1.2 Policies and processes for collateral valuation and management as regards Basel II;

For Credit Risk Mitigation purposes the Bank uses only the eligible collaterals under Comprehensive Approach of Credit Risk Mitigation under Standardised Approach as prescribed by SBP under Circular No. 8 of 2006, which includes Cash and Cash Equivalent Securities including Government Securities (like Cash Margins, Lien on Bank Accounts, Foreign Deposit Receipts, Term Deposit Receipts, Pledge of Defense Saving Certificates, Regular Income Certificates, Special Saving Certificates, T-Bills and Pakistan Investment Bonds etc.) and Shares, TFCs and Mutual Funds Listed on the Main Index.

Notes to the Consolidated Financial Statements

For the year ended December 31, 2021

Under the Bank's policy all collaterals are subject to periodic valuations to monitor the adequacy of margins held. Shares / Marketable securities are valued by the Bank on daily basis to calculate the Drawing Power (DP). In case of any shortfall in the requisite margins, the DP is adjusted to the appropriate level and the business units are informed to take appropriate action as per the agreement with the customer.

Particulars of bank's significant on-balance sheet and off-balance sheet credit risk in various sectors are analysed as follows:

45.2 Market Risk

Market risk is the risk of loss due to adverse changes in interest rates, foreign exchange rates, equity prices and market conditions. From the perspective of the Group, market risk comprises of interest rate risk, foreign exchange risk and equity position risk, which the Group is exposed to in its trading book.

The Group has an approved market risk policy wherein the governance structure for managing market risk, measurement tools used and the market risk exposure limits have been addressed. The Group's strategy for managing market risk is to relate the level of risk exposures to their risk appetite and the capital at hand.

The Board of Directors (BoD) and the Asset and Liability Committee (ALCO) are responsible for addressing market risk from a strategic perspective and are assisted by the market risk function in meeting these objectives.

The Market Risk Unit reports directly to Head ERM and is responsible for ensuring the implementation of market risk policy in line with the Group's strategy.

Risk reporting undertaken by the market risk function includes:

- Portfolio Reports
- Limit monitoring reports
- Sensitivity analysis ; and
- Stress testing of the portfolio

Currently, the Group is using the market risk standardised approach for the purpose of computing regulatory capital, the details of which are set out above.

Notes to the Consolidated Financial Statements

For the year ended December 31, 2021

45.2.2 Foreign Exchange Risk

Main objective of foreign exchange risk management is to ensure that the foreign exchange exposure of the Group lies within the defined appetite of the Group.

Daily reports are generated to monitor the internal and regulatory limits with respect to the overall foreign currency exposures. The overall net open position, whether short or long has the potential to negatively impact the profit and loss depending upon the direction of movement in foreign exchange rates.

Foreign exchange open and mismatched positions are marked to market on a daily basis.

Currency risk arises where the value of financial instruments changes due to changes in foreign exchange rates. In order to manage currency risk exposure the bank enters into ready / spot, forward and swap transactions with SBP and in the interbank market. The Group's foreign exchange exposure comprises of forward contracts, foreign currencies cash in hand, balances with banks abroad, foreign placement with SBP and foreign currencies assets and liabilities. The net open position is managed within the statutory limits, as fixed by SBP. Counter parties limit are also fixed to limit risk concentration. Appropriate segregation of duties exists between the front and back office functions while compliance with the net open position limit is independently monitored on an ongoing basis.

2021

- Other comprehensive income	-	-	2,552

Notes to the Consolidated Financial Statements

For the year ended December 31, 2021

45.2.3 Equity position Risk

Equity positions in the banking book include Investment in equities that are available-for-sale or held for strategic investment purposes. These investments are generally regarded as riskier relative to fixed income securities owing to the inherent volatility of stock market prices. The Group mitigates these risks through diversification and capping maximum exposures in a single company, compliance with regulatory requirement, and following the guidelines laid down in the Group's Investment Policy as set by the Board of Directors (BoD). The Bank follows a delivery versus payment settlement system thereby minimizing risk available in relation to settlement risk.

Equity price risk is managed by applying trading limit and scrip-wise and portfolio wise nominal limits.

	2021		2020	
	Banking book	Trading book	Banking book	Trading book
	----- Rupees in '000 -----			
Impact of 5% change in equity prices on				
- Profit and loss account	-	-	-	-
- Other comprehensive income	207,231	69,629	211,940	15,750

45.2.4 Yield / Interest Rate Risk in the Banking Book (IRRBB)-Basel II Specific

Yield/ Interest rate sensitivity position for on-balance sheet instruments is based on the earlier of contractual re-pricing or maturity date and for off-balance sheet instruments is based on settlement date. This also refers to the non-trading market risk. The gap analysis between the market rate sensitive assets and liabilities is given below:

	2021		2020	
	Banking book	Trading book	Banking book	Trading book
	----- Rupees in '000 -----			
Impact of 1% change in interest rates on				
- Profit and loss account	1,030,260	10,659	20,570	235,507
- Other comprehensive income	(1,315,776)	(392)	1,033,253	-

Notes to the Consolidated Financial Statements

For the year ended December 31, 2021

45.2.5 Mismatch of interest rate sensitive assets and liabilities

Interest rate risk is the risk that the value of a financial instrument will fluctuate due to changes in the market interest rates. The Group is exposed to interest / mark-up rate risk as a result of mismatches or gaps in the amount of interest / mark up based assets and liabilities that mature or re-price in a given period. The Group manages this risk by matching/re-pricing of assets and liabilities. The assets and liabilities committee (ALCO) of the Bank monitors and manages the interest rate risk with the objective of limiting the potential adverse effects on the profitability of the Group.

Liquidity risk

The Group's policy to liquidity management is to maintain adequate liquidity at all times and in all currencies under both normal and stress conditions, to meet our contractual and potential payment obligations without incurring additional and unacceptable cost to the business.

Treasury is responsible for the managing liquidity risk under the guidance of Asset-Liability Committee of the Group. The Group's liquidity risk management approach starts at the intraday level (operational liquidity) managing the daily payments queue and factoring in our access to the qualifying securities of State Bank of Pakistan. It then covers tactical liquidity risk management dealing with the access to unsecured funding resources and the liquidity characteristics of our asset inventory (asset liquidity). Finally, the strategic perspective comprises the maturity profile of all assets and liabilities on our statement of financial position.

For monitoring and controlling liquidity risk, the Group generates a scenario sensitive maturity statement of financial position, and run controlled mismatches that are monitored and discussed by ALCO members regularly. The Group prepares various types of reports and analysis for assisting ALCO in taking necessary strategic actions for managing liquidity risk in the Group. These include liquidity ratios, Concentration analysis, Gap reports, Stress testing, Liquidity Coverage ratio & Net Stable Funding Ratio analysis etc.

Maturities of Assets and Liabilities - based on contractual maturities

45.3.3 To identify the behavioural maturities of non-contractual assets and liabilities, the Group has used the following methodology:

For determining the core portion of non contractual liabilities (non-volatile portion), the Group has used the average method whereby average balance maintained over past five years has been classified as core and has been placed in 'over 3 to 5 years' maturity bucket. Non contractual assets and remaining volatile portion of non contractual liabilities have been stratified in relevant maturity bucket using bucket wise percentages determined by using average volatility in respective period / bucket.

Notes to the Consolidated Financial Statements

For the year ended December 31, 2021

45.4 OPERATIONAL RISK

The Group currently uses Basic Indicator Approach to Operational Risk for regulatory capital calculations. We define operational risk as the risk of loss resulting from inadequate or failed internal processes, people and system or from external events. With the evolution of Operational Risk Management into a separate distinct discipline, the Group's strategy is to further strengthen its risk management system along new industry standards. Accordingly, the Group has set up a separate Operational Risk Management (ORM) Unit. ORM Unit resides within Risk Management Group (RMG). Its responsibility is to implement Operational Risk management tools across the Group for effective measurement and monitoring of operational risk faced by different areas of the Group.

The Group's operational risk management process involves a structured and uniform approach across the bank. It includes risk identification and assessments, the monitoring of Key Risk Indicators (KRIs) and Risk Control Self-Assessment (RCSA) activities for key operational risks. In order to build a robust operational risk monitoring mechanism, an Operational Risk Steering Committee (ORSC) has been constituted to effectively address operational risk issues.

The Group has implemented a comprehensive "Operational Risk Management Framework" which has also been approved by the Board of Directors. The purpose of bank-wide Operational Risk Management Framework is aimed at laying out clearly defined roles and responsibilities of individuals / units across different functions of the Group that are involved in performing various operational risk management tasks. Operational risk is much more pervasive in a financial institution and every operating unit is exposed to operational risk, regardless of whether it is a business or a support function. This framework has been devised to explain the various building blocks of the operational risk management processes, and their inter-relationships. The framework also captures both qualitative and quantitative guidelines for managing and quantifying operational risks across the Group.

The ORM Unit conducts operational risk profiling for all major operational areas of the Group and assists various functions of the bank in developing KRIs which are monitored against predefined thresholds. Findings from KRIs are used as predictive indicators of potential operational risks.

Operational risk incidents and loss data collection is governed by Group's Operational Risk Management Policy and process documents which have been developed and implemented to collate operational losses and near misses in a systematic and organized way.

The Group's Business Continuity (BCP) Policy includes risk management strategies to mitigate inherent risks and prevent interruption of mission critical services caused by disaster events. The resilience of BCP is tested and rehearsed on an annual basis by the Group.

46 DERIVATIVE RISK

The policy guidelines for taking derivative exposures are approved by the Board of Directors (BOD). The Holding Company's Asset & Liability Committee (ALCO) is responsible for reviewing and managing associated risks of the transactions.

The nature, scope and purpose of derivatives business, for trading purposes or hedging purpose and the types of derivative in which they deal.

The overall responsibility for offering derivative products and sustaining profitability lies with the Treasurer and in his absence with his delegate. The Market Risk Unit / Treasury Middle Office of the Holding Company responsible for measurement & monitoring of the market risk exposures, analysis of present and potential risk factors.

The Market Risk Unit also monitors associated Credit, Market and Liquidity Risk in line with Board of Directors approved limit framework. The unit coordinates with the business regarding approvals for derivatives risk limits and produces various reports / analysis for ALCO / BRMC on periodic basis. These reports provide details of outstanding un-hedged positions, profitability and status of compliance with limits. Treasury Operations records derivatives activity in the Bank's books and is responsible for reporting to the SBP.

The derivative transaction such as Cross Currency Swaps carries credit risk which is the risk that a party to a derivative contract will fail to perform its obligation. There are two types of credit risk associated with derivative transactions; 1) settlement, and 2) pre-settlement risk. The Holding Company's Central Credit Committee is responsible for reviewing and managing associated Counterparty Credit Risks of the transaction.

Notes to the Consolidated Financial Statements

For the year ended December 31, 2021

The Holding Company has also entered into Foreign Currency & Commodity Options from its Wholesale Banking Branch Bahrain for market making activities. The Bank can hedge its risk by taking on & off-balance sheet position in interbank market, where available.

47. CUSTOMER SATISFACTION AND FAIR TREATMENT

The Holding Company Customer Experience (CE) Group organize, plan and monitor the Holding Company's Customer Experience on all touchpoints to ensure optimized interaction between the Bank and its customers. CE Group develops and implement strategies useful in improving customer relationship, dedication, and satisfaction. Our core values – Customer Centricity, resonates directly with effective grievance management, complaint handling and listening to voice of Customers to fully understand the needs of our customers and stakeholders to adapt our product and services and exceed their expectations.

A total of 23,261 complaints were received by the Holding Company in 2021 and the average time taken to resolve these complaints was 6 working days. The complaint handling policy and grievance redressal mechanism ensures that complaints are resolved in a timely manner and recurrence of complaints is prevented where possible. Complaint management process is kept as transparent as possible through logging, acknowledgement, interim response where applicable and resolution of complaints. Customers are also given the option of contacting the Banking Ombudsman (Mohtasib) in case they are dissatisfied with the response received from the Holding Company.

To create enhanced visibility of the recourse mechanism available to its customers, the Bank has incorporated awareness messages of its complaint handling function in several customer communications such as account statements, ATM screens and SMS messages. Complete grievance redressal mechanism, touchpoints and online feedback forms have been made available through the Bank's website, and email broadcasts have been sent to the customers for customer education and awareness.

The Holding Company Contact Center supports customer interactions across a range of channels, including phone calls, email, SMS chat, Whatsapp, Website form and the emerging adoption of social media interactions, and is distinct from telephony-only call centers. The Holding Company Contact Centre is equipped with trained professionals who offer a wide array of information and problem resolution support round the clock. The customers are further facilitated by key underlying technologies include automatic call distribution, computer-telephony integration, and interactive voice response.

48. GENERAL

48.1 These consolidated financial statements have been prepared in accordance with the revised format for financial statements of Banks issued by the SBP through BPRD Circular no. 2 dated January 25, 2018 and related clarifications / modifications.

48.2 Corresponding figures have been re-arranged / re-classified, wherever necessary, to facilitate comparison in the presentation in the current period. However, there are no material re-arrangements / re-classifications to report.

48.3 The figures in these consolidated financial statements have been rounded off to the nearest thousand.

49. DATE OF AUTHORISATION FOR ISSUE

These consolidated financial statements were authorized for issue by the Board of Directors of the Holding Company in their meeting held on March 02, 2022.

Notice Of Sixteenth Annual General Meeting

Notice is hereby given that the Sixteenth Annual General Meeting of the shareholders of JS Bank Limited (the “Bank”) will be held on Wednesday, March 30, 2022 at 10:00 a.m. at 15th Floor, The Centre, Plot No.28, SB-5, Abdullah Haroon Road, Saddar, Karachi, to transact the following business

ORDINARY BUSINESS:

- i. To receive, consider and adopt the Annual Audited Standalone and Consolidated Financial Statements of the Bank for the year ended December 31, 2021 together with the Directors’ and Auditors’ Reports thereon.
- ii. To appoint Bank’s Auditors and fix their remuneration. Audit Committee and the Board of Directors have recommended the appointment of the retiring auditors, Messrs KPMG Taseer Hadi & Co., Chartered Accountants, who being eligible have offered themselves for re-appointment.
- iii. To elect seven (7) directors as fixed by the Board of the Bank under section 159(1) of the Companies Act, 2017 for three years commencing from March 30, 2022. The names of retiring directors, who are eligible to offer themselves for re-election, are as follows

Mr. Kalim-ur-Rahman
Mr. Ashraf Nawabi
Mr. Hassan Afzal
Ms. Nargis Ali Akber Ghaloo
Mr. Adil Matcheswala
Mr. G.M. Sikander
Mr. Munawar Alam Siddiqui
Mr. Sohail Aman

SPECIAL BUSINESS:

- iv. To consider and if thought fit, approve the conversion of rated, privately placed/listed (at the option and discretion of the Bank, pursuant to the Privately Placed Debt Securities’ Listing Regulations), unsecured, subordinated, Term Finance Certificates (“TFCs”) of PKR 2,500,000,000/- (Pak Rupees Two Billion Five Hundred Million) inclusive of a green shoe

option of PKR 500 million (Pak Rupees Five Hundred Million Only) of the Bank into common shares if (i) directed by State Bank of Pakistan (“SBP”) on the occurrence of a point of non-viability as determined by SBP, or (ii) upon the occurrence of a pre-specified trigger point pursuant to Basel III Capital Instructions of SBP, or (iii) due to any inability to exercise the Lock-in Clause or Non-Cumulative features of TFCs, on such terms and conditions as may be determined by SBP, subject to a maximum of 400,647,739/- (Four Hundred Million Six Hundred Forty Seven Thousand Seven Hundred Thirty Nine Only) additional ordinary shares to be issued, and which ordinary shares shall be issued other than by way of rights in accordance with section 83(1)(b) of the Companies Act, 2017.

The resolutions to be passed by the members of the Bank as Special Resolutions are as under:

“RESOLVED THAT with respect to the Tier-2 capital raised by the Bank in the amount of up to PKR 2,500,000,000/- (Pak Rupees Two Billion Five Hundred Million) in the form of rated, privately placed/listed (at the option and discretion of the Bank, pursuant to the Privately Placed Debt Securities’ Listing Regulations), unsecured, subordinated, Term Finance Certificates (“**TFCs**”) as approved by the Board of Directors on August 25, 2021 and in accordance with the directions under the ‘Instructions for Basel III Implementation in Pakistan’ (“**Basel III Regulations**”) issued by the SBP, the TFCs may be converted into ordinary shares of the Bank (i) if so directed by SBP on the occurrence of a point of non-viability as determined by SBP, at a price equivalent to the market value of the shares of the Bank on the date of trigger of the point of non-viability as declared by SBP, or (ii) upon the occurrence of a pre-specified trigger point pursuant to Basel III Capital Instructions, at a price equivalent to the market value of the shares of the Bank on the date of occurrence of the pre-specified trigger point, or (iii) due to any inability to exercise the lock-in clause or

non-cumulative features of the TFCs, on such terms and conditions as may be determined by SBP, in accordance with the applicable rules and regulations of SBP (collectively the **“Conversion Events”**), which ordinary shares shall be issued other than by way of rights in accordance with section 83(1)(b) of the Companies Act, 2017.”

“FURTHER RESOLVED that the issuance of such shares upon the occurrence of any of the Conversion Events shall be subject to a cap of 400,647,739/- (Four Hundred Million Six Hundred Forty Seven Thousand Seven Hundred Thirty Nine Only) additional ordinary shares to be issued and shall further be subject to the approval of the Securities and Exchange Commission of Pakistan in accordance with section 83(1)(b) of the Companies Act, 2017.”

“FURTHER RESOLVED that any two of the President & CEO, Chief Operating Officer, Chief Financial Officer, Company Secretary and Group Head Operations of the Bank (the “Authorized Representative”), be and are hereby authorized to take all steps necessary, ancillary, and incidental to the above-mentioned resolutions, as and when required, and are further authorized to sign, execute, and deliver all necessary documents, agreements, and letters on behalf of the Bank, as may be deemed appropriate and as may be required for the purposes above-mentioned.”

- v. To consider and, if thought fit, pass with or without modification, the following resolutions as special resolution as envisaged under Section 199 of the Companies Act, 2017 and the Companies (Investment in Associated Companies or Associated Undertakings) Regulations, 2017, for the purpose of approving long term equity investment in the ordinary shares of its associated company BankIslami Pakistan Limited.

“RESOLVED THAT subject to obtention of approval of the State Bank of Pakistan (‘SBP’) as well as other regulatory approvals, consent and approval of the shareholders be and is hereby accorded in terms of Section 199 of the

Companies Act, 2017, to make long term equity investment into and acquire 86,316,954 ordinary shares of BankIslami Pakistan Limited (“BIPL”), (constituting 7.79% paid-up capital) of BIPL, an associated company, from Emirates NBD Bank PJSC at a price of upto PKR 13.24 per share, making the aggregate sale consideration to stand at upto PKR 1,142,836,470.96.

FURTHER RESOLVED that formal applications be made to the SBP and the Competition Commission of Pakistan (‘CCP’) for approval of the proposed acquisition and investment of 7.79% paid up capital of BIPL;

FURTHER RESOLVED that any two of the President & CEO, Chief Operating Officer, Chief Financial Officer and/or Company Secretary of the Bank (the “Authorized Representative”), be and are hereby authorized to negotiate, finalize and execute all agreements and transaction documents, appointing legal advisers and consultants, personal and written representations and submission of formal applications for approvals of the proposed investment from SBP and CCP, whenever required and signing all documents, deeds and agreement related thereto for achieving the above purposes, and to take any or all such necessary and ancillary actions and steps and do all such acts, deeds and things which may be required to give effect to this resolution and for making the investment of the above-mentioned amount in the purchase of the ordinary shares of BIPL.”

By Order of the Board

Ashraf Shahzad
Company Secretary

Karachi: March 9, 2022

Notes:

- a) Share transfer books of the Bank will remain closed from March 24, 2022 to March 30, 2022 (both days inclusive). Transfers received in

order at Bank's Independent Share Registrar, CDC Share Registrar Services Limited, CDC House, Shahra-e-Faisal, Karachi at the close of business on March 22, 2022 will be treated in time for purpose of attending and vote at the Meeting.

- e) Any person seeking to contest the election, whether retiring Director or otherwise, must file with the Company at its Registered Office the following documents not later than fourteen (14) days before the date of the meeting:
 - The intention to offer himself/herself for the election of Directors in terms of Section 159(3) of the Companies Act, 2017 along with (a) consent on Form 28 (Consent to act as a Director) under Section 167 of the Companies Act, 2017; (b) a declaration under clause (3) of the Listed Companies (Code of Corporate Governance) Regulations 2019 that he/she is not serving as a director in more than seven (7) listed companies (including JS Bank Limited and excluding the listed subsidiaries of listed holding companies); and (c) a declaration that he/she is not ineligible to become a director in terms of Section 153 of the Companies Act, 2017 or under any circular/directive of the State Bank of Pakistan or any other applicable laws and regulations.
 - Person contesting as Independent Director shall also submit a declaration that he/she qualifies the criteria of eligibility and independence notified under the Companies Act, 2017 and rules and regulations issued thereunder.
 - Duly filled proforma for Fit and Proper Test and Questionnaire in the prescribed form along with

an affidavit, recent photograph and copy of attested CNIC/passport to meet the requirement of State Bank of Pakistan's Prudential Regulation G-1 and Fit and Proper Test for Appointment of Directors. Elected director shall remain subject to the fit and proper test approval of the State Bank of Pakistan.

- f) Shareholders are requested to notify immediately for any change in their address

Notice to Shareholders who have not provided CNIC:

The Companies (Distribution of Dividends) Regulations, 2017 requires that the dividend warrants should bear the Identification Number which includes: (i) in the case of a registered shareholder or an authorized person, the Computerized National Identity Card Numbers (CNIC); (ii) in the case of a minor, child registration number or juvenile card number; and (iii) in the case of corporate shareholders registration number or national tax number. The Identification Number of the shareholders is, therefore, mandatory for the issuance of dividend warrants and in the absence of such information, payment of dividend may be withheld in terms of the Companies (Distribution of Dividends) Regulations, 2017. Therefore, the shareholders who have not yet provided their Identification Numbers advised to provide their Identification Numbers (if not already provided) directly to our Independent Share Registrar at the address given herein above without any further delay.

Placement of Financial Statements

The Bank has placed the annual Audited Financial Statements for the year ended December 31 2021, along with the Auditors and Directors Reports on its website: www.jsbl.com.

Further, the Annual Report of the Bank for the year ended December 31, 2021 is dispatched to the shareholders through CD.

Under Section 223(6) of the Companies Act, 2017, listed companies are allowed to send the Audited Financial Statements etc., through an electronic mail system (e-mail). The members are hereby requested to convey their consent via email on a

standard request form which is available at the Bank's website i.e. www.jsbl.com. Please ensure that your email account has sufficient rights and space available to receive such email which may be greater than 1 MB in size. Members can request a hard copy of Audited Financial Statements which shall be provided free of cost within seven days from the date of requisition. Further, it is the responsibility of the member(s) to timely update the Share Registrar of any change in his (her/its/their) registered email address at the address of Company's Share Registrar mentioned above.

Mandate for E-DIVIDENDS for shareholders

Under the provisions of Section 242 of the Companies Act, 2017, it is mandatory for a listed Company to pay cash dividends to its shareholders only through electronic mode directly into bank account designated by the entitled shareholders. In order to receive dividends directly into their bank account, shareholders are requested to fill in the Electronic Credit Mandate Form available on Company's website and send it duly signed along with a copy of CNIC to the Registrar of the Company M/s. CDC Share Registrar Services Limited, CDC House, Shahra-e-Faisal, Karachi in case of physical shares. In case shares are held in CDC then Electronic Credit Mandate Form must be submitted directly to the shareholder's broker/participant/ CDC account services.

Deduction of Income Tax from Dividend at Revised Rates

Pursuant to the provisions of the Finance Act deduction of income tax from dividend payments shall be made on the basis of filers and non-filers as follows:

S.No	Nature of Shareholders	Rate of deduction
1	Filers of Income Tax Return	15%
2	Non-Filers of Income Tax Return	30%

Income Tax will be deducted on the basis of Active Tax Payers List posted on the Federal Board of Revenue website. To enable the Bank to make tax deductions of the amount of cash dividend @15% instead of 30%, all shareholders whose names are not entered into the Active Tax-payers List (ATL)

their names are entered into the ATL before the date for payment of the cash dividend otherwise tax on their cash dividend will be deducted @30% instead of 15%.

The Shareholders who have joint shareholdings held by filers and non-filers shall be dealt with separately and in such particular situation, each account holder is to be treated as either a Filer or a Non-Filer and tax will be deducted according to his

shareholding. If the share is not ascertainable, then each account holder will be assumed to hold equal proportion of shares and the deduction will be made accordingly. Therefore, in order to avoid deduction of tax at a higher rate, the joint account holders are requested to provide the below details of their shareholding to the Share Registrar of the Bank

Folio /CDC Account No	Total Shares	Principal Shareholder	Joint Shareholder
	Name & CNIC	Shareholding proportion	Shareholding proportion

Unclaimed Dividend/Shares

Shareholders who could not collect their dividend/ physical shares are advised to contact our Share Registrar to collect/enquire about their unclaimed dividend or shares, if any.

E-Voting

Pursuant to SECP S.R.O. No. 43(I)/2016 dated January 22, 2016, members can also exercise their right to vote through e-voting by giving their consent in writing at least 10 days before the date of meeting to the Bank on the appointment by the Intermediary as a Proxy.

Provision of Video Link Facility

The Securities & Exchange Commission of Pakistan (SECP) vide its Notification # SMD/SE/2(20)/2021/117 dated December 15, 2021, has instructed companies to hold the general meeting physically and virtually to ensure maximum participation by the members. The Bank has therefore decided to also conduct Annual General Meeting via Zoom Video Link. The Bank has encouraged members to attend the general meeting through video conferencing with a view to protect the well-being of its members in view of the threats posed by the recent wave of COVID-19.

To attend and participate in the 16th AGM of the Bank through video link arrangement, members are requested to complete and fill the 'Video Link Facility Form' available at the Bank's website and provide all the requisite information at the following

email address i.e. AGM@jsbl.com. The video link of the meeting will be sent to the members on their email addresses.

Statement Under Section 134(3) of the Companies Act, 2017

This statement sets out the material facts pertaining to the special business to be transacted at the Annual General Meeting of JS Bank Limited (the "Bank") to be held on March 30, 2022.

Special Business # iv

The Bank on December 28, 2021 issued rated, privately placed/listed (at the option and discretion of the Bank, pursuant to the Privately Placed Debt Securities' Listing Regulations), unsecured, subordinated, Term Finance Certificates ("TFCs") of PKR 2,500,000,000/- (Pak Rupees Two Billion Five Hundred Million) as Tier - 2 Capital instrument ("TFC Issue"). The Basel III regulations as implemented vide SBP's Circular BPRD Circular No. 06 dated August 15, 2013 ("SBP Circular"), which prescribes a loss absorption feature for Tier - 2 capital instruments pursuant to which the TFCs will be converted into ordinary shares of the Bank at the Point of Non-Viability ("PONV") trigger event or at the breach of Common Equity Tier-2 (CET-1) trigger event as defined in the SBP Circular and as reproduced below. In accordance with the requirements of the SBP Circular, the Bank has agreed with the SBP for the issuance of maximum 400,647,739 (Four Hundred Million Six Hundred Forty Seven Thousand Seven Hundred Thirty Nine

Only) shares against subject TFCs in case of the occurrence of a conversion event as per the terms of the TFCs and SBP Circular (the “Conversion Events”).

As per the requirements of Basel III under the aforementioned SBP Circular, the terms and conditions of the TFC Issue must have a provision of “loss absorbency” for it to be qualified as a Tier 2 Capital instrument.

The relevant portion of the Basel III Circular relating to “loss absorbency” is reproduced below:

“A-5-3 Loss Absorbency of Non-Equity Capital Instruments at the Point of Non-Viability

- i. The terms and conditions of all non-CET1 and Tier 2 instruments issued by banks must have a provision in their contractual terms and conditions that the instruments, at the option of the SBP, will either be fully and permanently converted into common share upon the occurrence of a non-viability trigger event called the Point of Non-Viability (PONV) as described below;
- ii. The PONV trigger event is the earlier of;
- iii. A decision made by SBP that a conversion is necessary without which the bank would become non-viable.
- iv. b. The decision to make a public sector injection of capital, or equivalent support, without which the bank would have become non-viable, as determined by SBP.
- v. The issuance of any new shares as a result of the trigger event must occur prior to any public sector injection of capital so that the capital provided by the public sector is not diluted.
- vi. The amount of non-equity capital to be converted will be determined by the SBP.
- vii. Where an Additional Tier-1 capital instrument or Tier-2 capital instrument provides for conversion into ordinary shares, the terms of the instruments should include provision that upon a trigger event the investors holding 5% or more of paid-

up shares (ordinary or preferred) will have to fulfill fit and proper criteria (FPT) of SBP.

- viii. The conversion terms of the instruments must contain pricing formula linked to the market value of common equity on or before the date of trigger event. However, to quantify the maximum dilution and to ensure that prior shareholder/ regulatory approvals for any future issue of the required number of shares is held, the conversion method must also include a cap on the maximum number of shares to be issued upon a trigger event.
- ix. The conversion method should describe and take into account the order (hierarchy of claims) in which the instruments will absorb losses in liquidation/ gone concern basis. These terms must be clearly stated in the offer documents. However, such hierarchy should not impede the ability of the capital instrument to be immediately converted.
 - i. There should be no impediments (legal or other) to the conversion i.e. the bank should have all prior authorizations (sufficient room in authorized capital etc.) including regulatory approvals to issue the common shares upon conversion.
 - ii. The contractual terms of all Additional Tier 1 and Tier 2 capital instruments must state that SBP will have full discretion in deciding/ declaring a bank as a non-viable bank. SBP will, however, form its opinion based on financial and other difficulties by which the bank may no longer remain a going concern on its own unless appropriate measures are taken to revive its operations and thus, enable it to continue as a going concern. The difficulties faced by a bank should be such that these are likely to result in financial losses and raising the CET1/ MCR of the bank should be considered as the most appropriate way to prevent the bank from turning non-viable. Such measures will include conversion of non-equity regulatory capital into common shares in combination with or without other measures as considered appropriate by the SBP.”

As per the loss absorbency conditions, upon the occurrence of PONV, SBP may at its option, fully and permanently convert the TFCs into common shares of the issuer, i.e. the Bank.

In light of the above-contemplated Conversion Events including the PONV, the Bank is required to obtain all approvals (in advance) for the issuance of such additional shares as stated hereinabove. It may

further be noted that issuance of such additional shares shall further be subject to the approval of the Securities and Exchange Commission of Pakistan in accordance with section 83(1)(b) of the Companies Act, 2017.

The information required to be annexed to the notice is set out below:

Name and brief profile of the banks/financial institutions to whom such shares are proposed to be issued	The shares will be issued to the TFC holders (at that time) in accordance with the directions of SBP at the time of trigger of PONV.
Price at which the proposed shares will be issued	The price of the shares shall be issued at the market value of the shares of the Bank, on the date of trigger of PONV as declared by SBP however, total no. of shares to be issued are capped at 400,647,739 or such other number as may be agreed to in consultation with SBP.
Purpose of the issue of shares other than right, utilization of the proceeds of the issue and benefits to the Bank and its shareholders with necessary details	To convert the outstanding TFCs amount (in whole or part) into shares of the Bank, as per the directions of the SBP.
Existing shareholding of the banks / financial institutions to whom the proposed shares will be issued	Not Applicable
Total shareholding of the banks / financial institutions after the proposed issue of shares	Not Applicable
Whether the banks/financial institutions have provided written consent for purchase of such shares	The terms of the TFC Issuance Agreement dated for the TFC Issue contain the details regarding such conversion.
Justification as to why proposed shares are to be issued otherwise than rights and not as rights shares	This is in accordance with the requirements of the SBP vide its Circular No. 6 of Banking Policy and Regulation Department dated August 15, 2013 and further directions of SBP in this matter.
Justification, with details of the latest available market price and break-up value per share, if such price differs from par value.	Not Applicable
Details of the average market price during the last 3 (three) months and 6 (six) months preceding the board announcement as well as the latest available market price.	Not Applicable

The shares issued will rank pari passu in all respects with the existing shares of the Bank. The issue of shares other than by way of rights is subject to approval from the Securities and Exchange Commission of Pakistan.

None of the directors, whether directly or indirectly, is interested in the special resolution except to the extent of their shareholding in the bank.

**Special Business # v
Investment and Acquisition of 7.79% Ordinary
Shares of BankIslami Pakistan Limited.**

The Board of Directors of JS Bank Limited ('the Bank') in their meeting held on March 08, 2022, have resolved that subject to necessary approvals from the shareholders of the Bank by way of special resolution as required under Section 199 of the Companies Act, 2017, and permission from the State Bank of Pakistan, the Competition Commission of Pakistan and final consent from Emirates NBD BANK PJSC, consent and approval be and is hereby accorded to the Bank to invest into and acquire 86,316,954 shares of BankIslami Pakistan Limited ("BIPL"), (an associated entity) constituting to 7.79% paid-up capital of BIPL, from Emirates NBD BANK PJSC, at the rate of upto PKR 13.24 per share, making the aggregate sale consideration to stand at upto PKR 1,142,836,470.96;

BIPL is one of the premier Islamic banks of Pakistan, having a total deposit base of PKR 345 billion as of December 31, 2021. Its total asset size as per its balance sheet dated December 31, 2021 stands at PKR 408 billion. Currently, it has 340 branches

across all cities of Pakistan. The Pakistan Credit Rating Agency (PACRA) has assigned a long-term credit rating of A+ and short term entity ratings of 'A1'.

Jahangir Siddiqui & Co. Limited ('JSCL') is the holding company of the Bank by virtue of 75.02% shareholding. JSCL holds 21.26% shares of BIPL. Consequently, JSCL has more than 20% direct interest over the voting shares of both entities which makes BIPL an associated entity of the Bank.

Post the proposed investment, the aggregate absolute holding of JSCL and the Bank, together, in BIPL shall stand at 29.04% paid up capital of BIPL.

Considering the fact that the Bank does not have any Islamic Banking operations or window, this acquisition shall allow it to have some (indirect) presence in the sector, which will help develop synergies which previously were not possible. Secondly, this will also help the Bank in benefiting from various Islamic financing avenues and transactions which previously could not be capitalized due to no presence of the Bank in the Islamic banking sector.

All legal, corporate and regulatory formalities will be fulfilled in consultation with the Legal Advisors.

Nature of information required to be disclosed pursuant to the Companies (Investment in Associated Companies and Undertakings) Regulations, 2017, for investment in associated company M/s BankIslami Pakistan Limited is as follows:

Ref No.	Requirement	Relevant Information
	(a) Disclosures for all types of investments	
	(A) Details pertaining to the Associated Entity	
i	name of associated company	BankIslami Pakistan Limited ('BIPL')
ii	basis of relationship	The associated relationship is established based on the common shareholding of Ja-hangir Siddiqui & Co. Ltd. (JSCL), having 21.26% shareholding in BIPL and 75.02% shareholding in the Bank. Consequently, JSCL has more than 20% direct interest over the voting shares of both entities.

vi	fair value determined in terms of sub-regulation (1) of regulation 5 for investments in unlisted securities	N/A

The Directors of the Bank undertake that they have carried out necessary due diligence for the proposed investment in BankIslami Pakistan Limited. The due diligence report is available for inspection at the registered office of the Bank.

All legal, corporate, and regulatory formalities will be fulfilled in consultation with the Legal Advisors.

No prejudice shall be caused to any existing shareholder and/or depositor of the Bank. On the contrary, the proposed acquisition will be in the best interest of the stakeholders as it would give the Bank to venture into Islamic banking activities, thereby opening up new opportunities and diversification.

The Directors, including the Chief Executive Officer and other Key Executives (as defined

in the applicable prudential regulations) of the Bank have no personal interest in the transaction directly or indirectly except to the extent of their and their spouse shareholdings held by them in the Bank.

Statement under Regulation 4 (2) of the Companies (Investment in Associated Companies or Associated Undertaking) Regulation, 2012

The Bank in its Annual General Meeting held on March 27, 2020 had approved long term equity investments of up to PKR 675 million in ordinary shares of each of the following associated companies of the Bank. The resolution is valid for a period of three years commencing from March 27, 2020.
