VISION

2

To be the most innovative, customer centric, and responsible bank in Pakistan.

-

MISSION

Our mission is to be a world class bank providing innovative financial services to our customers through a motivated team of professionals, supported by the latest technology, whilst maintaining high ethical standards, creating value for all our stakeholders, and contributing to the society through responsible and sustainable development.

CODE OF CONDUCT

JS Bank is committed to upholding the highest standards of ethical behaviour and maintaining its reputation as a trusted financial institution. Our Code of Conduct provides clear guidelines for employees to ensure that their personal business ethics align with the Bank's values and interests.

Honesty and integrity are paramount in our approach to building lasting business relationships. We strive to provide our customers with products and services that are delivered in a fair, transparent, and ethical manner. Our Code of Conduct emphasizes the importance of upholding ethical standards in all our business dealings and relationships, both internally and with external stakeholders.

We remain committed to fostering a culture of ethical behaviour and conducting our business with the utmost integrity. Our Code of Conduct provides a clear framework for employees to operate within and helps to ensure that our business practices are in line with the highest ethical standards.

At JS Bank, we aim to be transparent in all our operations and transactions. The complete Code of Conduct is provided to all employees and is also available on our website for easy access.

Core Values

Annual Report 2024

Integrity

Integrity is at the core of everything we do. We believe in achieving success by building a culture of trust and accountability by adhering to high moral values. We empower our people to say NO.

Teamwork

Teamwork enables individuals to achieve bigger goals which foster a culture of trust and support. We believe in supporting each other and putting team before individual performance. We respect diversity and promote inclusion.

Customer Centricity

Customer satisfaction is our prime objective. We aim to fully understand the needs of our customers and stakeholders so as to adapt our products and services to exceed their expectations.

Professional Excellence

As the industry we operate in is evolving rapidly and providing an abundance of choice to the customers, we believe only persistent commitment towards excellence will make us the very best among the industry.

Innovation

We believe innovation is vital at the workplace as it gives the organization an edge in implementing new ideas, refining services, and creating dynamic products, leading to business growth by effectively adapting to the evolving marketplace.

ORGANIZATIONAL OVERVIEW

PRODUCTS AND SERVICES

JS Deposits Products

JS Bank offers a variety of deposit products to meet the diverse needs of its customers, providing benefits such as digital banking solutions, fund safekeeping, and flexible access to funds. Key deposit options at JS Bank include:

Current Accounts: Designed for everyday transactions, these accounts have no initial deposit requirement, provide instant access to funds, and impose no withdrawal restrictions. They often come with a debit card or cheque book and offer a waiver on general banking charges when maintaining the average balance. Savings Accounts: Ideal for customers looking to save while earning interest, these accounts offer easy access to funds with some withdrawal limits and ensure the safety and security of personal savings.

Term Deposits: Offering fixed interest rates for a specified term, term deposits provide higher interest rates compared to savings accounts, guaranteed returns, and flexibility in deposit duration. Customers can choose from monthly, guarterly, or annual interest payouts.

JS Bank Current Accounts	JS Bank Saving Accounts	JS Bank Term Deposit Accounts
JS Platinum Business Current Account	Rupee Plus Account	Long Term - Term Deposits (minimum 1 month to 5 years)
JS Premium Current Account	PLS Savings Account	Short Term - Term Deposits (minimum 1 month to 5 years)

Basic Banking Account		
JS Inclusive Current Account-PWD		
LCY Current Account		

JS Wealth Management

Our wealth management offerings provide clients with a robust array of financial solutions integrating bancassurance products from various insurance providers and mutual funds. For Bancassurance products, we have partnered with some of the largest private sector life insurance companies in Pakistan like EFU Life, EFU Health and TPL Life. Our offerings include a spectrum of options such as life insurance policies ensuring financial security for loved ones and health insurance plans for your own self as well as for your parents and house help too. Complementing these offerings are the diverse mutual funds managed by JS Investments Limited, which is one of the oldest Asset management companies in Pakistan. From equity funds for capital appreciation to debt funds for stable returns and balanced funds for a blend of growth and stability, our mutual fund offerings are professionally managed to optimize returns while managing risks effectively. For all wealth management offerings, we link our customers to the product providers and ensure that the customer is fully satisfied.

JS Private Banking

JS Private Banking is a personal convictiondriven investment boutique. Our state-of-the art client centers, coupled with our digital platforms, facilitate our clients in executing wealth strategies quickly and conveniently. No matter where you are in the world and how complex your personal wealth situation is, we can provide you with need-based advisory services and a holistic product match.

Forward-Looking Relationship

Whether your goal is the long-term preservation of capital, enhancing investment performance, or seizing specific opportunities available in the market, our private banking experts develop the strategies most suitable to sustain and grow your wealth.

Global-View of Your Assets

Taking a global approach is paramount to managing your wealth efficiently. We work to provide you with unique tailor-made financial solutions to match your needs and aspirations. With us, you will build a trusted, personal relationship backed by a dedicated team of professionals who anticipate the financial challenges and manage your wealth by staying at the forefront of environmental and technical change.

JS Priority Banking

Launched in 2024, JS Priority Banking offers exclusive benefits, including access to dedicated relationship managers, expert financial guidance, and streamlined banking processes. Catering to frequent travellers, the offering also includes complimentary VIP access to airport lounges, for convenience and comfort while on the move. Digital-first clients can enjoy a seamless, paperless banking experience backed by advanced technology and end-to-end digital solutions.

JS Credit Card

JS Bank has become a leading name as Credit Card issuer during the past few years with its customer centric strategy and exciting alliances that offer valuable discount. With the tagline "Kharchon ki problem solved" JS Credit Cards is positioned as the top of the wallet Credit Card for its customers which provides instant cashback against the daily expenses of every household.

JS Personal Finance

JS Bank offers a comprehensive range of financial solutions designed to help customers manage their personal and financial needs effectively. The bank provides various options, such as term loans and revolving finance. Additionally, we also offer a digital personal loan, providing an end-to-end digital journey without any human intervention.

JS Home Finance

JS Bank also gives you the opportunity to be a privileged homeowner with JS GharApna Home Finance! enables customers to purchase, build, or renovate homes through easily accessible and affordable financing options. With tailored packages designed to suit diverse customer needs, our offerings have garnered strong demand across multiple segments of the market.

JS Auto Finance

JS CarAamad Auto Finance is designed to make vehicle ownership easier for our customers to purchase a new or used car, this product provides flexible, installment-based financing options with competitive mark-up rates and allowing our customers to easily drive away in their dream vehicle.

JS Solar Financing

We offer Solar Financing to individuals and businessmen for residential, agriculture and commercial needs. As one of Pakistan's leading Banks in green financing, we ensure end to end comprehensive installation of solar solutions through AEDB-certified partners across Pakistan.

JS Gold Finance

We are one of the leading banks offering finance against gold / gold ornaments for personal, business, and agricultural requirements. We ensure end to end comprehensive valuations and processing of disbursements in efficient way to improve customer experience and satisfaction.

SME Banking

We are one of the leading banks in the SME lending space, with a variety of loans available geared towards development and expansion of SMEs across the country. We offer a diverse portfolio of lending facilities, including SBP initiatives offering rebated loans to specific target segments.

JS Prime Minister's Youth Business & Agriculture Loan Scheme (PMYB&ALs)

JS Bank is actively participating in Prime Minister's Youth Business & Agriculture Loan Scheme (PMYB&ALs). The scheme aims at empowering the youth of Pakistan by providing them highly subsidized loans to set up or expand their small businesses & agriculture. Through its strategic alliancebased model, we have partnered with various local and international organizations in the ride hailing, dairy farming and transportation segment in addition to financing individual business loans. In the coming years, strategic partnerships in the Agri value chain, Education, Business Incubation, Economic Development,

and Manufacturing sectors are being explored as we look to transform lives throughout the country.

JS Khud Mukhtar

A financing solution based on State Bank of Pakistan's Refinance and Credit Guarantee Scheme for Women Entrepreneurs, JS Khud Mukhtar enables empowerment and financial stability for women entrepreneurs in Pakistan.

JS Naya Aghaaz

The JS Naya Aghaaz SME Loan has been designed to enable personal development of the differently abled individuals in Pakistan through term finance based on State Bank of Pakistan's Small Enterprise (SE) Financing and Credit Guarantee Scheme for Special Persons.

JS Agri Financing Products

Agriculture finance business of the Bank has embraced a new and progressive outlook as a result of various initiatives. A well-equipped, trained & experienced team has been put in place to facilitate customers on their doorsteps.

Transaction Banking Services

Under Transaction Banking Services, we provide JS PayDay (Employee Banking) and Cash Management solutions to institutional clients across Pakistan, catering to corporate, commercial, and retail banking segments.

Our JS PayDay (Employee Banking) customers benefit from exclusive services, preferential rates on consumer products, comprehensive insurance coverage, and financial solutions such as Advance Salary, Personal Loans, and Credit Cards.

Our Cash Management services offer a comprehensive suite of Collections, Payments, and Liquidity Management solutions, designed to streamline and optimize the payables and receivables of institutional clients. Through our cutting-edge Digital Banking platform, JS Connect, we provide real-time online statements, MIS reports, digital payment solutions, and instant alerts and notifications, ensuring seamless financial management.

Corporate Banking

Our Corporate Banking Group is focused on providing an array of value added & customized financial services to fulfill the short-term and long-term business needs of multinational, public and private entities by partnering with them and building long term sustainable relationships. Our strategically positioned offices in North (Islamabad), Central (Lahore), and South (Karachi) enable us to provide localized expertise while maintaining a unified approach across the country.

Commercial Banking

At JS Bank, we understand that businesses come in all shapes and sizes. That's why our Commercial Banking Department offers a comprehensive suite of financial solutions designed to meet the unique needs of businesses across Pakistan. We offer a range of customized financing solutions tailored to your specific requirements.

Whether you're seeking:

- Short-term working capital to manage day-to-day operations
- Long-term financing to support expansion and growth initiatives

JS Bank has the right products to help you achieve your goals.

Our dedicated team of experts will work closely with you to:

- Analyze your business model
- Assess your cash flow requirements
- Develop a tailored financing plan that meets your specific needs

Financial Institutions & International Banking Group

The Financial Institutions (FI) Group oversees and manages the Bank's relationships with domestic and international financial institutions, including non-banking financial entities. With a rapidly expanding global reach, FI facilitates connections across 100+ destinations through a network of 340+ RMAs. Our diverse suite of financial solutions includes Lending, Investment, Transaction Banking, Treasury Products, Forfaiting, Syndications, Derivatives, and Hedging. FI serves a broad range of clients engaged in financial services, ensuring seamless collaboration and strategic financial management.

International Home Remittances

Our International Home Remittances services offer a secure, efficient, and seamless channel for expatriates to transfer their hard-earned earnings to beneficiaries in Pakistan. With a diverse portfolio of remittance solutions, we ensure speed, reliability, and compliance, enabling smooth cross-border transactions. Our commitment is to provide senders with peace of mind while supporting their loved ones back home.

Bahrain Wholesales Banking Branch (JS Bank Bahrain)

Established in 2016, JS Bank Bahrain operates as a Conventional Wholesale Banking Branch under the license of the Central Bank of Bahrain. Catering to a niche clientele, the branch offers a comprehensive range of banking products and services, including:

Corporate Banking – Customized financial solutions for businesses, including trade finance, treasury services, and working capital management.

Personal Banking - A suite of financial products such as current and savings accounts, fixed deposits, and investment options for individual clients.

With a commitment to excellence, JS Bank Bahrain upholds the highest standards of customer service, ensuring tailored financial support and expert guidance to help clients achieve their goals.

Digital Channels

JS ATMs

Our extensive network of ATMs, strategically located at bank branches, commercial sites and offsite locations in Pakistan, provides customers with unparalleled convenience and accessibility. By maintaining a robust and expansive ATM network, we continue to deliver on our promise of convenience, flexibility, and customer-centric banking.

JS SMS Alerts

We continually update our valued customers with financial transaction and information alerts via SMS.

JS Blink

JSBL brings its customers the convenience of opening their bank accounts online without having to visit the branch. Customers can instantly open their Asaan Digital Account (ADA), Asaan Digital Remittances Account (ADRA), Freelancer Digital Account (FDA), Saving / Current Digital Accounts via JS Bank's website, Mobile App, and JS Bot (WhatsApp) and keep enjoying large range of Banking services. To meet our customers' banking requirements, we believe in providing them with innovation, accessibility, excellent service, and convenience.

JS Roshan Digital Accounts

Roshan Digital Account (RDA) is an initiative of State Bank of Pakistan, in collaboration with commercial banks operating in Pakistan. These accounts provide innovative banking solutions for millions of Non-Resident Pakistanis (NRPs) seeking to undertake banking, payment, and investment activities in Pakistan. JSBL allows Non-resident Pakistanis to open JS RDA accounts digitally from anywhere in the world via Website, Mobile App & JS Bot (WhatsApp). This product enables RDA customers to invest in Nava Pakistan Certificate (Islamic & Conventional), Stock market via Roshan Equity Investment, Voluntary Pension Plan via Roshan Pension Plan, donate via Roshan Samaaji Khidmat & Finance their home via Roshan Apna Ghar. All of these products are end to end digital. JSBL's contribution to increasing Pakistan's inbound remittances is vital & essential in this national cause. JS Bank has established 4 RDA centers across Pakistan to provide services and timely resolution to NRP's queries.

JS Mobile App & Internet Banking

JS Bank provides comprehensive digital services at no charge through its native Mobile Banking App and browser-driven Internet Banking platform. Our solutions are meticulously crafted to meet the diverse needs of customers seeking convenient banking options while remaining seamlessly connected with JS Bank around the clock.

JS Mobile and Internet Banking eliminates the necessity for customers to physically visit branches or utilize traditional channels. It offers uninterrupted banking services within a streamlined digital platform. Customers can effortlessly transfer funds, pay utility and credit card bills, and access financial statements with just a few clicks.

To boost customer security, JS Bank has unveiled its newest Mobile app release. This update ensures robust biometric-based authentication for customer registration and device or KYC level changes, alongside introducing a host of advanced security features.

JS Bot

JS BOT is a cutting-edge social banking solution that empowers customers to manage their financial needs anytime, anywhere. This user-friendly platform provides a comprehensive suite of services for retail, RDA, and credit card customers, including real-time access to financial statements, seamless account opening and management, personal information updates, product and service exploration, and dedicated assistance and support.

As a game-changing innovation, JS BOT exemplifies our commitment to social banking, enabling customers to interact with us effortlessly and efficiently. With its introduction, we have taken a significant step toward transforming the banking experience making it simpler, faster, and more engaging for our customers.

JS Raast

JS Bank enables Raast, Pakistan's first instant payment system, offering end-to-end instant transactions for JS customers. Through JS Mobile, customers can enjoy free-ofcost fund transfers via Raast ID, IBAN, and QR mechanisms, facilitating seamless P2P (person-to-person) and P2M (person-tomerchant) transactions.

With JS Raast, payments are simple, fast, and secure—available 24/7. This innovative platform ensures hassle-free, real-time fund transfers, enhancing convenience and financial accessibility for our customers.

Digital Kiosks

As part of our ongoing efforts to enhance the customer experience and streamline banking operations, we are introducing digital kiosks in our Priority Banking Centers across major cities. These kiosks will help reduce wait times, improve customer satisfaction, and further establish our Priority Banking Centers as premier banking destinations.

JS BANK 2024: WINNING HEARTS, MINDS & MARKETS

Building on the momentum of 2023, JS Bank continues to emerge as a powerhouse in Pakistan's banking industry, redefining its brand through bold innovation, data-driven strategies, and impactful storytelling. In 2024, the bank has not only **strengthened its digital presence but also deepened customer engagement**, positioning itself as a forward-thinking financial institution that caters to the evolving needs of modern consumers.

From revolutionizing digital banking with JS Mobile, Zindigi and JS Bot to reshaping financial solutions with the JS PayDay and Inclusive Account, the Bank has led industry-first initiatives that enhance convenience and accessibility. The success of such initiatives was further amplified with recognitions from key institutions like JP Morgan and State Bank of Pakistan, cementing JS Bank's position as a champion of Pakistan's banking landscape. Beyond financial products, JS Bank has taken bold strides in cultural storytelling and strategic sponsorships. Its collaboration with **Mario Testino's** "A Beautiful World" for Pakistan placed the bank at the intersection of art, heritage, and global prestige, setting it apart as more than just a financial institution. Internally, a renewed focus on employer branding has helped the bank reposition itself as an employer of choice, attracting top talent and reinforcing a culture of innovation.

With a seamless blend of technology, creativity, and customer-centricity, JS Bank has not just maintained its momentum in 2024—it has accelerated it. By redefining what it means to be a modern financial institution, the bank continues to push boundaries, setting new benchmarks for the industry and proving that **the future of banking belongs to those who dare to innovate**.

JS Bank has continued to bridge financial gaps by launching initiatives that promote accessible banking for all, including SMEs, farmers, freelancers, and underserved communities. Our Inclusive Current Account has empowered Pakistan's differently-abled individuals, while tailored solutions for small businesses and women entrepreneurs have expanded financial access.

Driving Financial Inclusion

Digital Transformation & Innovation

Investing in cutting-edge technology has been at the core of JS Bank's growth. Our certification on PCI DSS V4.0 is a testament to this, while our JS Mobile and Zindigi continue to push the limits of streamlined banking experiences, reinforcing JS Bank's position as a leader in digital financial solutions. Through strategic partnerships, impactful campaigns, and high-profile sponsorships, JS Bank has elevated its brand reputation. Collaborations such as Mario Testino's "A Beautiful World" for Pakistan have positioned the bank as a forward-thinking institution that values culture, art, and progress. Meanwhile, award-winning campaigns like JS Her have reinforced trust and credibility.

Strengthening Brand & Market Leadership

Empowering People & Communities

Beyond business, JS Bank has focused on creating a positive impact on employees and society. Employer branding initiatives have strengthened the bank's workplace culture, while CSR efforts in sustainability, and disaster relief reflect its commitment to giving back to the community.

JS Credit Card Mall Activation During Ramadan (KLI)

The Kharchon ki Problem Solved campaign took a multi-channel approach to connect with consumers during the peak shopping season. Pre-Ramadan and Ramadan TV ads built awareness, while eye-catching mall installations in Karachi, Lahore, and Islamabad engaged shoppers firsthand. Influencer collaborations further amplified the message, making credit cards more visible and relevant when people needed them most.

Promoting Our Credit Cards with an Innovative CGI Campaign

JS Credit Cards continue to push the boundaries of possibilities—offering instant cashback on fuel, utility bills, groceries, and school fees, along with discounts of up to 60% during special promotions. We took this a step further by redefining visual storytelling, using innovation and creativity to connect with customers in new ways. Explore more on our social media!

AND OF OF OF

Our Remittance Beneficiary Campaign: A Resounding Success

STARTUP

PAKISTAN

cricinto

Our 'Receive Remittance & Win Prizes!' campaign combined high-profile influencers with targeted marketing to maximize impact. This approach not only drove a significant increase in remittance inflows but also reinforced our position as a trusted remittance service provider in key markets.

Our PSL 9 Campaign with ESPNcricinfo & Startup Pakistan

For PSL Season 9, we partnered with ESPNcricinfo and Startup Pakistan to offer exclusive credit card deals tailored for cricket enthusiasts. The collaboration delivered outstanding results, generating over 5.3 million impressions, reaching more than 2.3 million users, and driving over 240,000 engagements across social media.

Passion for Pakistan -JS Bank x Mario Testino

JS Bank took a bold step in reshaping Pakistan's global image through Project Mario, an exclusive collaboration with the legendary photographer Mario Testino—renowned for his work with the British Royal Family and global icons. As part of his celebrated A Beautiful World series, Testino captured the vibrant essence of Pakistan—its culture, history, and people—bringing our nation's rich heritage to the world stage. This initiative not only showcased Pakistan's beauty but also reaffirmed JS Bank's commitment to enhancing the country's global perception and celebrating its unique identity.

5253 3256 7895 1245 546AH KHAN

JS Platinum Business Account: A Success Across Multiple Cities

We relaunched our Platinum Business Current Account campaign with a powerful presence across digital and outdoor platforms. Dynamic video ads took over LinkedIn, Facebook, and YouTube, while engaging social media posts kept the momentum going. Our billboards lit up Karachi, Lahore, Islamabad, Faisalabad, Sialkot, and Hyderabad, with digital streamers adding flair to Karachi and Lahore. Even Karachi's buses carried our brand, making sure the campaign was seen far and wide.

Launch of JS Her Cards

Aligned with the #InspireInclusion initiative and the #IAmHer movement, we introduced two female-centric debit cards—Her Women's Debit Card and Her Zindigi Debit Card. The campaign went beyond products, sharing heartfelt stories from JS Bank colleagues and partners, celebrating empowerment and inclusion.

JS Bank x Ramiz Raja: Out of the Park at T20 World Cup 2024

We partnered with cricket legend Ramiz Raja to bring our cricket enthusiasts exclusive coverage of the T20 World Cup 2024. From expert insights to in-depth analysis, this collaboration kept fans engaged throughout the tournament. The initiative not only fueled excitement but also expanded our reach, connecting with new audiences who share a passion for both cricket and finance.

27

A New Standard in Sustainable Banking of Pakistan

JS Bank achieved a 90% score in WWF Pakistan's Green Office Audit, setting a benchmark in the banking sector for environmental excellence. This accomplishment underscores our commitment to sustainability and the collective efforts of our team in driving impactful green initiatives.

Introducing the Inclusive Current Account

JS Bank introduced its Inclusive Current Account, tailored to empower differently abled individuals by addressing their financial needs and fostering independence. This initiative reflects our commitment to inclusivity and ensuring equal opportunities for all customers to manage their finances with ease and confidence.

PCI DSS V4.0 Certification

A major milestone was reached as we became the first and only financial institution to achieve the esteemed PCI DSS V4.0 certification. This recognition reflects our steadfast dedication to securing customer card data with the highest global security standards. PCI DSS V4.0 brings enhanced protection against emerging threats, ensuring our card payment systems are resilient, secure, and aligned with international best practices.

Pakistan's First Open Loop Transit Solution

We, in collaboration with Sindh Mass Transit Authority and Mastercard, introduced digital payments for Peoples Bus Service. This initiative spearheads digitization and champions financial inclusion, paving the way for a connected future.

JS Bank PACRA Rating Upgraded to "AA"

JS Bank, a premier financial institution renowned for its dedication to excellence and innovation, has received an "AA" rating from the Pakistan Credit Rating Agency (PACRA). This prestigious rating reflects JS Bank's strong financial performance, robust risk management practices, and commitment to excellence in the banking sector. PACRA's "AA" rating signifies high credit quality, affirming JS Bank's sound financial health and serving as a testament to the bank's prudent financial policies, solid capitalization, and strategic foresight.

JS Employee Banking Rebranded as JS PayDay

JS PayDay's rebranding and enhanced offerings focused on delivering faster, more convenient salary access for employees, aligning with our mission to empower individuals and streamline organizational financial processes. Companies leveraging JS PayDay benefit from dedicated account managers, ensuring smooth communication and efficient payroll operations. Employees enjoy exclusive perks such as discounted loans, credit cards, and cashback programs, enhancing their financial well-being.

2nd Position in SBP's Banking on Equality Segment

We have clinched the 2nd spot in the SBP's Banking on Equality initiative. It's a huge win that reflects our commitment to diversity and inclusion.

Celebrating International Day of Persons with Disabilities

Reinforcing our commitment to upskilling and fostering an inclusive workplace, we partnered with ConnectHear, our accessibility partner, to host a special session on "Workplace Culture Training for Employees with Disabilities." This session focused on enhancing professional skills, sharing valuable insights, and empowering our colleagues to reach new career milestones. Following the training, we celebrated International Day of Persons with Disabilities, reaffirming our dedication to inclusivity and equal opportunities for all.

Launch of JS Priority Banking

JS Priority Banking was introduced to provide a tailored banking experience for high-net-worth individuals, offering customized financial solutions, exclusive benefits, and personalized service to meet their unique needs. The first center, launched in Karachi by Basir Shamsie, President & CEO, and Atif Malik, COO, marks a significant step in redefining priority banking standards.

Launch of Self-Service Banking

JS Bank launched a new Self-Service IVR system, enabling customers to manage their banking needs 24/7, from checking balances to transferring funds, providing a fast, convenient, and always-accessible solution.

Recently, JSIL also acquired the Private Equity and Venture Capital Fund Management Services license(s) from the Securities and Exchange Commission of Pakistan.

CHAIRMAN'S REVIEW

I am pleased to present, on behalf of the Board of Directors, the Annual Report of JS Bank Limited for the year ended December 31, 2024.

JS Bank's consistent performance in Pakistan's dynamic financial landscape is a reflection of key strategic initiatives considered by the Bank over the course of its journey. Our mission remains clear – to empower people, support businesses, and drive economic and social progress. By embracing cutting-edge technology, we continue to offer seamless banking experiences to our customers, prioritizing the needs and expectations of our clients, and providing tailored solutions that foster long-term relationships. We remain committed to environmentally and socially responsible banking practices, with a vision to contribute to the broader economic development of Pakistan.

As a tech-savvy mid-sized bank with a diversified portfolio of products, we take pride in our capabilities. The organization is well-structured and supported by a young, resilient, and highly skilled team that is determined to achieve the Bank's strategic objectives efficiently and effectively. We have established clear systems and processes that support operations and drive our growth.

During the year 2024, the Bank delivered sound financial performance, and achieved the milestone of crossing PKR 500 billion in Deposits, which was a landmark achievement in the history of the Bank. On a consolidated basis, the Bank continues to remain over PKR 1 trillion in terms of overall deposits. We added 23 new branches to our network this year, expanding our outreach across the country. Our digital banking platform 'Zindigi' solidified its leadership in Pakistan's digital banking sector in 2024 with several key developments, as we crossed 5 million users this year. The company expanded its lending products with Advance Salary+, offering flexible financing for salaried individuals. The new app design, Zindigi 2.0, won the "Best Mobile App" award at the Pakistan Digital Awards, reinforcing Zindigi's commitment to sustainable growth and innovation. The Bank remains committed to digital transformation, delivering over 100 innovations. More than 80% of our customers now use at least one digital service, and the shift toward paperless processing enhances efficiency and reduces costs.

In 2024, JS Bank was recognized as a leader in innovation, sustainability, and corporate responsibility, receiving prestigious accolades on both national and international platforms.

Key highlights include being awarded Best Digital App for Zindigi and Best Content Marketing for JS Her at the Pakistan Digital Awards, showcasing our dedication to leveraging technology to empower customers. On the global stage, JS Bank was named the Fastest Growing Private Bank in Pakistan and the Fastest Growing Corporate Bank in Pakistan for 2024. We were also recognized for Best Renewable Energy Financing at the Global Banking & Finance Awards, affirming our leadership in driving financial and environmental sustainability.

Further demonstrating our holistic approach, JS Bank was honored with the Digital Transformation Bank of the Year and Health & Wellness Bank of the Year awards by Asian Banking & Finance. Additionally, we received the Workplace Wellness Programme Award from ESG Business, emphasizing our focus on employee well-being and innovation.

As a Bank, our focus remains on inclusivity, and this year we expanded on our initiatives to support underrepresented groups. Through our JS Inclusive Account, we are breaking barriers for differently abled individuals, while the JS Her Account aims to equip women entrepreneurs with resources to transform their businesses and communities. We also partnered with organizations such as UNDP and Inspiring Women Pakistan to deliver financial training and support gender-inclusive, climate-resilient businesses to create long-term impact. Our commitment to inclusivity and governance earned us the Progressive Category Award from the Global Diversity, Equity & Inclusion Benchmarks. At the same time, the title of Financial Literacy Champion Bank from

the State Bank of Pakistan highlighted our role in advancing financial education nationwide. Furthermore, JS Bank was recognized as the Best Clearing Agent for 2024 by JP Morgan and awarded the Leading Digital Bank Award by CxO, further solidifying our position as a trailblazer in digital banking.

All these accolades are not just testimony to our achievements, but also reaffirm our responsibility to set new benchmarks in the banking industry. Through continued innovation and adherence to enhanced governance, JS Bank will continue on its journey to create greater value for its customers, partners, and the communities that we serve, through delivering transformative banking solutions and fostering meaningful societal impacts.

I am also pleased to share that the Pakistan Credit Rating Agency Limited (PACRA) upgraded the long-term rating of JS Bank Limited (JSBL) to 'AA' (Double A) in 2024, while the short-term entity rating was maintained at 'A1+' (A One Plus) which is the highest in this category. These ratings reflect JS Bank's strong financial performance, robust risk management practices, and commitment to excellence in the banking sector, further enabling us to innovate, empower and drive greater value for our customers and the economy.

JS Bank acknowledges the significant responsibility that comes with its position in the banking and corporate sectors. As a committed corporate citizen, the Bank focuses on making meaningful contributions to society through its Corporate Social Responsibility (CSR) initiatives. JS Bank aims to support its customers and the communities it serves to create positive change. Effective governance plays a pivotal role in guiding the business to execute strategies while maintaining a balance between sustainable shareholder value and adherence to regulatory requirements. Ensuring good corporate governance through ethical and professional business conduct as well as effective risk and audit management are key foundation blocks for us. JS Bank has always been committed to sustainable value creation for all of its stakeholders with high standards of corporate governance through a comprehensive system of internal controls. The Board of JS Bank follows comprehensive criteria for its performance evaluation and continually reviews the Bank's financial & operational soundness and significant policies in line with regulatory requirements. The Board has constituted sub-committees for the oversight of all key areas of the Bank, covering risk management, audit-related matters, information technology, and human resources for achieving the Bank's strategic objectives. In its pursuit of transparency and accountability, the Board has engaged Grant Thornton Anjum Rahman (GT) to perform an annual evaluation of its members and committees and their performance.

I am confident that with our leading value-added offerings, emphasis on customer satisfaction, dedication towards excellent service quality, and focus on innovation and convenience, we are committed in our determination to strive for excellence and deliver to our stakeholders.

On behalf of the Board of Directors, I would like to thank the Ministry of Finance, the State Bank of Pakistan, the Securities and Exchange Commission of Pakistan, and the Federal Board of Revenue for their continuous support and guidance. I would also like to thank our shareholders for their continued commitment and confidence in our long-term strategic vision, as well as our management and staff for their commitment and hard work for the greater progress and prosperity of our Bank.

Sincerely,

Adil Matcheswala

DIRECTORS' REPORT

We are pleased to present the 19th Annual Report of JS Bank Limited ("JSBL") along with the audited accounts and auditors' report for the year ended December 31, 2024.

Economic review

With stable major macroeconomic indicators driven by ongoing government regulatory initiatives and structural reforms, CY24 was a breakthrough year for Pakistan's economy. Pakistan received a final tranche of US\$1.1 billion under IMF's Stand-By Arrangement (SBA) in March 2024. Subsequently, Pakistan got IMF Executive Board approval for the 37-month Extended Fund Facility (EFF) for SDR 5.32 billion (~US\$7 billion) in Sep-2024, with immediate disbursement of SDR 760 million (~US\$1 billion). Furthermore, during the year, both Moody's and Fitch upgraded Pakistan's credit ratings.

The Current Account has been posting consecutive surpluses since Oct-2024, taking 1HFY25 CA balance to US\$1,210 million, primarily driven by higher remittances and controlled trade deficit. Combined with a positive Current account, the stable Capital account helped the Balance of Payments (BoP) remain in positive territory for 1HFY25, despite loan repayments.

With a stable currency, comfortable CAD levels, and support from development and bilateral lenders, State Bank foreign exchange reserves managed to reach ~US\$12 billion as of Dec-2024 compared to US\$8.2 billion in Dec-2023. Resultantly Pakistan's import cover improved from 1.9x in Dec-2023 to 2.8x in Dec-2024. Meanwhile, Pak Rupee appreciated by 1 percent to PKR 278/US\$ during the year.

The State Bank of Pakistan (SBP) began monetary easing in June 2024 with a 150 percent cut in the policy rate, followed by multiple consecutive rate cuts in following meetings, taking the rate down to 13 percent over the past 6 months from a high of 22 percent. This decision was supported by a continuous drop in CPI figures, where inflation dropped down to 4.1 percent in Dec-2024 compared to the levels close to 30 percent seen last year. This was primarily led by soft food product prices, stable currency, and a decline in international oil prices.

Pakistan would need sound policies and reforms to maintain macroeconomic stability, tackle structural challenges (e.g., tax system, energy sector, PSEs), and foster inclusive, resilient growth while reducing debt levels. The IMF has so far praised steps toward a fairer tax system and urged efforts to broaden the tax base, improve tax administration, and manage spending to enable investments in human capital, infrastructure, and social protection.

Banking sector review

SBP continues monetary easing with a 9 percent decrease in the Policy Rate in around 6 months (22 percent to 13 percent). With CPI in a disinflation phase due to a high base, interest rates are also following. For Banks, this would mean a contraction of NIMs and ROEs, and an upside through higher volumetric growth is going to act as a buffer. However, as per recent changes to tax law close to the year end, banks are now required to pay an additional 5 percent tax on PBT regardless of whether they meet the ADR threshold. To recall, increased taxes on income attributable to Government Securities were to be applied to banks that failed to meet the ADR requirements previously set out. Notably, recent data indicated that industry's ADR ratio has risen from 40 percent in June 2024 to approximately 50 percent. The purpose of the additional income tax based on ADR levels was to encourage banks to lend to businesses instead of depending on the government. Most banks were on track to adjust their lending books to avoid the tax before the year-end deadline, while the change to ADR tax law and imposition of additional 5 percent tax on Banks was enacted close to the Balance Sheet date.

Capital adequacy ratios in the sector remain strong, well above regulatory requirements. The slowdown in credit growth, along with higher investments in risk-free debt instruments, has led to an increase in risk-weighted assets.

Performance of the Bank

The summarized financial position and operating results of the Bank for year ended December 31, 2024 are as follows:

Rupees in Millions

FINANCIAL POSITION	2024	2023
Advances – net	225,519	203,727

Credit loss allowance and write offs	4,713	2,807
Profit before taxation	6,366	8,515
Profit after taxation	2,849	4,335
Earnings per share (Rupees)	1.39	2.75

For the year 2024, the Bank reported a Profit Before Tax of PKR 6,366.077 million (December 31, 2023: PKR 8,515.174 million). The Earnings Per Share (EPS) stands at PKR 1.39 (December 31, 2023: PKR 2.75).

The Bank recorded Net Interest Income (NII) of PKR 27,313 million in 2024 as compared to PKR 22,409 last year (up 22 percent). This growth in NII is primarily driven by higher interest rates than last year as well as deposit optimization. The Bank's Non-Remunerative Deposit base increased from PKR 160,546 million in 2023 to PKR 198,409 million in 2024 (up 24 percent). This has also resulted in an improvement in the deposit mix, as the share of Non-Remunerative Deposits has increased from 33 percent last year to 38 percent in 2024. Gross Advances increased by 16 percent to PKR 247,714 million, as the Bank continued with its efforts towards meeting the year end Advances to Deposits Ratio target taking into consideration the previously enacted additional ADR tax measures. During the year, margins continued to remain under pressure, as secondary market yields continually adjusted in anticipation of rate cuts while funding costs remained stagnant for the first six months of the year due to unchanged minimum deposit rates (MDR). The impact of the rate cuts started to take effect towards the later half of the year, but at the same time, yields on offer continued to remain below the policy rate in continued anticipation of rate cuts.

The Bank's Non-Markup Income reduced marginally by 7 percent YoY to PKR 11,340 million with 18 percent growth from Fee Income, growth in Dividend Income of 32 percent, as well as positive impact through net gains on securities of PKR 641 million year on year. Foreign Exchange income however, ended lower than last year by PKR 2,467 million due to relatively lower volatility in the FX markets as against last year, which offset the impact of the increase in other lines. Non mark-up Expenses increased by 18 percent YoY to PKR 27,574 million owing mainly due to inflationary adjustments, Rupee Depreciation and increase in technology based costs. The Bank's Cost to Income Ratio increased marginally to 70.7 percent in 2024, while Net Interest Income to Operating Cost increased from 97 percent to 100 percent.

Year end Deposits were reported at PKR 525.134 billion. This translates to a growth of 8 percent against the December 31, 2023 position. As mentioned above, the Bank's period end Non-Remunerative Deposits mix has improved to 38 percent. In terms of averages, the Bank's average non-remunerative deposits improved from PKR 143.916 billion in year 2023 to PKR 165.927 billion in the year 2024.

With Gross Advances at a level of PKR 247.714 billion at December 31, 2024, the Bank's Gross ADR level as at the period end inched up to 47 percent. The Bank's Gross Infection Ratio also increased to 8.61 percent in December 2024 (December 2023: 7.6 percent), as non-performing loans increased to PKR 21.328 billion in December 2024 from PKR 16.184 billion in December 2023. With additional classifications considered this year, as well as charge considered against NPLs under IFRS 9, the Bank's coverage ratio has improved to 71 percent (December 2023: 60 percent).

Our digital banking platform Zindigi has an exceptional year 2024, driven by innovation, customer focus, and strategic growth. The platform processed nearly PKR 250 billion worth of transactions, marking a significant increase compared to the previous year. The growth resulted in a 30 percent increase in revenue and a remarkable 66 percent rise in deposits. The year also saw several key developments and achievements. Notable launches included the Hajj Sullis Card-the first of its kind-in collaboration with MC and MYTM, a Freelance USD account, a miniapp platform, a split bill feature, and the first inclusive contactless payment solution, Raast P2M, under 'Zindigi Pay.' Additionally, a co-branded card was introduced under Banking as a Service (BaaS). Building on its Al-driven technologies, Zindigi expanded its lending product line with the introduction of Advance Salary+, a term loan designed to offer flexible financing options for salaried individuals. A groundbreaking new app design, Zindigi 2.0, was implemented to enhance user experience, and the app's excellence was recognized when Zindigi won the "Best Mobile App" award at the prestigious Pakistan Digital Awards. Furthermore, the 'Zindigi Prize,' Pakistan's first homegrown entrepreneurial community, expanded internationally to Kenya, making an impact beyond borders. Zindigi's sustainable growth, customer-first philosophy, and commitment to innovation further solidified its position as a leader in Pakistan's digital banking sector.

The Bank has also continued with its rapid expansion drive in the areas of digital transformation and Data Sciences – delivering over 100 new innovations. Uptake of digital channels in the bank has increased tremendously where over 80 percent of customers use at least one digital channel. Additionally, significant gains have been made in the bank's drive towards paperless processing, thereby enhancing efficiency and rationalizing cost.

During the current year, the Bank made significant strides in expanding its RMA and enhancing its Global outreach. Our efforts have focused on strengthening relationships with International Financial Institutions and increasing our footprint in key markets. By forging new partnerships and entering emerging markets, we are positioning the Bank to capitalize on new growth opportunities and provide comprehensive financial solutions across borders. This global expansion not only strengthens our competitive edge but also aligns with our long-term strategy

of delivering sustainable growth and value to shareholders. The Directors are confident that these initiatives will further bolster the Bank's international presence and operational resilience, ensuring long-term success in the evolving global financial landscape.

In June 2024, The Pakistan Credit Rating Agency (PACRA) upgraded the long-term rating of the Bank to "AA" (Double AA) from AA- while maintaining the short-term rating at A1+ which is the highest in this category. These ratings reflect JS Bank's strong financial performance, robust risk management practices, and commitment to excellence in the banking sector. PACRA's "AA" rating signifies high credit quality, affirming JS Bank's sound financial health and serving as a testament to the bank's prudent financial policies, solid capitalization, and strategic foresight.

Summarized financial data for the last six years is given below:

Capital Adequacy

As of December 31, 2024, JS Bank's Capital Adequacy Ratio (CAR) stood at 13.24 percent (December 2023: 12.53 percent) against SBP's minimum required CAR of 11.50 percent.

Customer Experience and Fair Treatment

At JS Bank, our Customer Experience Team (CET) is dedicated to cultivating enduring customer relationships and consistently exceeding expectations across all interactions. This team spearheads our customer-centric philosophy, prioritizing effective grievance resolution and actively soliciting customer feedback to continuously improve the banking experience and deliver unparalleled service

In 2024, the bank effectively addressed over 44,415 customer Complaints with an average resolution time of 3.2 business days. Our robust Complaint Handling Policy and transparent Grievance Redressal Mechanism are meticulously designed to ensure swift and efficient resolution of issues while proactively mitigating future occurrences. Recognizing the importance of accessibility and transparency, we offer multiple channels for customers to conveniently voice their concerns. Furthermore, customers retain the option of escalating their concerns to the Banking Mohtasib office should they be dissatisfied with the bank's initial response.

To enhance the visibility of our complaint handling process, JS Bank strategically integrates awareness messages within various customer communication channels, including account statements, ATM screens, and official correspondence. To further augment accessibility to our redressal mechanisms, the bank actively disseminates information via social media platforms and SMS notifications to its valued customers. Our comprehensive website provides detailed information regarding the grievance procedure, available touchpoints, and convenient online feedback forms.

The CET's diverse units, including the Voice, Chat, SMS Teams along with Branch Services, Customer Insights & Customer Care Unit, play a vital role in maintaining direct and effective communication with our customers. These units are integral to our strategy of delivering a fair, accessible, and efficient service, reducing operational risks and gathering insights for continuous improvement.

- Bank's multi-channel Voice, Chat and SMS Team allows officers to interact with customers over communication channels which includes interactions over Voice (Retail Banking, Private Banking, Digital Financial Services and from Overseas), WhatsApp chat, SMS to 8012 and Emails (info@jsbl.com, CCU.Helpdesk@jsbl.com, rda@jsbl.com, and jsblink@jsbl.com).
- Customer Care unit serves as the institution's philosophy about customer grievances, the hierarchy, systems, and procedures to deal with the concerns arriving at all touchpoints. The Customer Care Unit ensures that it is fair, transparent, accessible, and efficient as the first line of defense against the grievances of the Bank customers. Customer Care Unit grievance handling mechanism oriented to achieve customer satisfaction not only reduces operational and reputational risk of a Bank but also provides valuable pieces of information that eventually can be used to bring improvement in products, procedures, and delivery channels.
- The Branch Services team ensures all necessary elements and commitments are effectively implemented and in place by conducting regular visits to Branches and Offsite ATMs, thereby maintaining consistent service support & efficient service delivery.
- The Customer Insights team collects, analyzes and interprets customer behavior trends, primarily gauged through surveys with the objective of enhancing the effectiveness of products and services. Additionally, these insights inform key business decisions across various departments, including marketing, product development, and customer service.
- Business Conduct ensures responsible banking by assessing conduct risk as per SBP Conduct Assessment Framework.

Our focus extends beyond just addressing grievances/concerns as we are dedicated to understanding customer behavior through Customer Insights, thus ensuring responsible banking practices. This commitment is reflected in our comprehensive 'Consumer Protection Framework,' which prioritizes customer welfare in all our products & services. We firmly believe in offering equal treatment to all customers, without any form of discrimination, ensuring they feel valued and contended.

The Bank strives for fairness and clarity in all our interactions, fostering a service culture that puts our customers first. Our goal is to create an environment where customers feel valued and informed, empowering them to make sound financial decisions. We are committed to guiding our customers through the complexities of the financial world via awareness and financial literacy programs, ensuring that they have a positive and empowering Banking Experience.

Risk Management

The Board is committed to adopting the best risk management practices in letter and spirit. To maintain effective risk management oversight, the Bank follows an appropriate risk management framework according to the regulatory directives issued by SBP and other related guidelines under the applicable Basel framework. In this regard, the Bank has a comprehensive set of risk management policies, practices, and procedures in place which enables the Bank to take into consideration, in an appropriate manner, all major kinds of risks including credit, market, liquidity, operational, Information security, and Digital Risks. The overall risk management framework of the Bank is under the supervision of the Board of Directors (BoD)/Board Risk Management Committee (BRMC) while the operational level day-to-day functioning is carried out by the senior management of the Bank. In order to develop a holistic integrated risk management approach, a dedicated and independent Risk Management Function is in place to manage various aspects of risk management. To formalize and strengthen the risk management approach within the Bank, the following significant policies were developed/ reviewed and approved by the Board:

- Risk Management Policy
- Credit Policy
- SME Financing Policy
- Collateral Management Policy
- Internal Credit Risk Rating Policy
- Consumer Credit Policy
- Market Risk Management Policy
- Interest Rate Risk Management Policy
- Operational Risk Management Policy
- Liquidity Risk Management Policy
- Country Risk Management Policy
- Agricultural Credit Policy
- Remedial Management Policy
- Debt Property Swap Policy
- Business Continuity Planning Policy
- Information Security Policy
- ICAAP
- Environmental & Social Risk Management Framework
- Green Banking Policy
- The Bank's risk governance is exercised by the following committees:
- Risk Management Committee (RMC)
- Operational Risk Management Committee (ORMC)
- Central Credit Committee(CCC)
- IT Steering Committee (ITSC)
- Assets & Liabilities Committee (ALCO)

These Committees meet regularly to review market developments and the level of financial and security risk exposures of the Bank.

Risk Management plays a vital role in ensuring that an appropriate balance is maintained between risk and reward throughout the bank. Towards this end, the risk management function and framework have been modified in the year under review. The disciplines of risk management including market and liquidity, operational, BCP, portfolio, policy, agricultural credit, consumer and program lending, CAD, SAM, Digital, information security risks, and Green Banking Office, remain under the umbrella of the Chief Risk Officer.

Market Risk measurement, monitoring, and management reporting is done on a regular basis. The Market Risk & Basel Unit supported by the Treasury Middle Office is involved in the daily monitoring of all related financial risk exposures in the form of interest rate risk, equity exposure risk, currency or foreign exchange risk, cross border or country risk, financial institutions (FI) exposure risks, liquidity risk, and capital adequacy.

On the capital management side, the Bank's practices ensure that it has reasonable capital to cover the risks associated with its activities. It is the prime objective of the Bank's capital management to ensure that the bank complies with all regulatory capital requirements and at the same time maintains strong credit ratings and healthy capital ratios to support its business and maximize shareholders' value.

Bank's Operational Risk Management Framework ensures that adequate control environment exists to identify, address, and manage all operational risks and maintain an acceptable level of residual risks. Bank is focusing on embedding Risk and Control Self-Assessment for effective management of key risks and cultivating an environment where every employee understands his responsibility towards the management of operational risks.

Apart from the Risks and Control Self-Assessment (RCSA), Operational Loss Data (OLD) and Key Risk Indicators (KRI) exercise, the Operational Risk management function also maintains the Business Continuity Planning Policy and conducted numerous Business Continuity Drills to test availability of systems and services from the alternate sites.

Credit Risk management is an ongoing process. The overall credit policy and the credit risk management guidelines are approved by the Board of Directors. In this regard, a Central Credit Committee (CCC) is entrusted with the responsibility of monitoring and controlling credit risk in the Bank. CCC meets regularly to actively supervise credit risk across the lending portfolio. In order to maintain a healthy growth of the credit portfolio, the Bank's Credit Risk Management processes are consistently upgraded and improved to meet future challenges. Further, in order to bolster credit risk management monitoring activities, a separate unit is in place for regular portfolio monitoring, formulating and implementing credit risk management tools, including setting up of industry, geographic and sectorial limits, and devising credit risk quantification / statistical techniques to meet SBP and Basel requirements. The health of the credit portfolio is being monitored through the Credit Administration, which is responsible for housekeeping elements along with the management of credit limits. To identify and manage the inherent environmental and Social (E&S) risks in the Credit portfolio of the Bank, Environmental and Social Risk Management (ESRM) procedures has been developed and effectively integrated in the in the Credit Risk Management process of the Bank, as stipulated in the Green Banking Policy and ESRM Framework of the Bank.

The Bank is conscious of risks and uncertainties associated with problem credits which require a different and more intense risk management approach. In this regard, a Special Asset Management Unit is in place following SBP's regulatory guidelines to focus on remedial management issues, take ownership of classified portfolio for effective management and to determine the work-out modes for rehabilitation and settlements, as stipulated in the Remedial Management Policy of the Bank.

In terms of Information Security, the Information Security Department performs security/risk assessments, as well as vulnerability assessments, monitors critical IT, and manages information and cyber security risks across the Bank. To improve the information security posture, defense in depth / layered security architecture is deployed with real-time monitoring of emerging threats. To further strengthen cybersecurity, the Bank is striving to build a process-oriented culture, bring maturity in tool utilization, and invest in IS staff to improve management / regulatory reporting and increase JS staff security awareness training.

To combat digital risks and to support the Digital Finance business, a dedicated team of risk experts has been established under the umbrella of Digital Risk. The prime objective of this function is to optimize policies, processes, and systems, investigate and mitigate digital frauds, data analytics to identify potential risks and augment business, and implement strategic plans. Moreover, to battle fraud Risk the Bank has placed a robust fraud prevention mechanism to safeguard the Bank and its customers against potential threats/attempts of internal and external fraud across all channels, physical or digital.

Statement on Internal Controls

The Bank places significant emphasis on establishing stringent controls throughout all its operations. This focus is a key component of the Bank's policies, which are designed to adhere to the best industry practices, ethical standards, and regulatory requirements. In this regard, the Board of Directors has implemented policies that assess the overall effectiveness of the internal control environment.

Internal controls at JS Bank are designed to provide reasonable assurance regarding the effectiveness and efficiency of the Bank's operations, the reliability of financial information, and compliance with applicable laws and regulations. However, it is important to recognize that these systems can only provide reasonable, not absolute, assurance against material misstatements or losses, as they are intended to manage risks rather than eliminate them completely.

To effectively manage risk, the governance structure of the Bank's internal control functions consists of three levels of defense. The first line of defense is the business itself, which owns and manages its operational risks. The second line of defense involves oversight from Risk Management, Compliance, and control functions, which identify and assess risks impacting existing and new business initiatives, coordinate risk mitigation with specialists and businesses, and report these risks to the Risk Management Function for appropriate corrective measures. The third line of defense is an independent and effective Internal Audit Function that reviews the effectiveness and adequacy of internal controls while monitoring compliance with policies and procedures.

The Board of Directors is regularly updated on compliance status through the Board Audit Committee. Management prioritizes all significant findings from internal and external auditors, as well as regulators, ensuring that appropriate corrective actions are taken. Adequate systems are in place to minimize breaches and prevent the repetition of mistakes, ultimately strengthening the control environment. Additionally, the Compliance Function actively ensures regulatory compliance across the Bank.

The Bank diligently follows the State Bank of Pakistan (SBP) Guidelines on Internal Control to evaluate the overall effectiveness of its internal controls, including financial reporting controls. Comprehensive documentation of bank-wide processes and controls has been completed. Furthermore, the Bank has developed a robust management testing and reporting framework to ensure the effective operation of key controls and has addressed identified opportunities for design improvements.

Following the successful completion of the Internal Control over Financial Reporting (ICFR) Roadmap, the SBP granted the Bank an exemption in August 2016 from submitting a Long Form

Report (LFR) by external auditors. According to SBP directive BSD-1 Circular Letter No. 1 of July 6, 2021, banks that have completed all stages of the ICFR roadmap are allowed to discontinue the submission of the Annual Assessment Report on the efficacy of ICFR to the SBP. However, the SBP may still evaluate this report as part of supervisory assessments. As such, the Annual Assessment Report for December 31, 2024, regarding the efficacy of ICFR will be presented to the Board Audit Committee.

Management believes that the existing internal control system is adequate, effectively implemented, and continuously monitored. This view is also supported by the Board of Directors. The management is committed to enhancing its compliance with SBP guidelines on internal controls, thereby continuously strengthening its control environment.

Corporate Governance

The Bank takes pride in its strong corporate governance, which is achieved through high standards of professional and business conduct, effective internal controls, comprehensive audit functions, and a robust risk management framework. It strictly adheres to both local and international codes of practice.

The Board regularly reviews policy-related matters that have long-term implications under regulatory obligations, while also ensuring they align with the Bank's operational requirements. The Management and the Board Committees are properly established with clearly defined scopes of work to guarantee that they perform their designated functions effectively and efficiently, in line with their mandates and specific terms of reference.

Corporate and Financial Reporting Framework

The Directors confirm their compliance with the Corporate and Financial Reporting Framework set by the Securities & Exchange Commission of Pakistan:

- The financial statements prepared by the management present fairly the state of affairs of the Bank, the results of its operations, the cash flow statement, and the statement of changes in equity.
- Proper books of accounts of the Bank have been maintained.
- Accounting policies as stated in the notes to the accounts have been consistently applied in the preparation of financial statements and accounting estimates are based on reasonable and prudent judgment.
- International Accounting Standards as applicable to banks in Pakistan have been followed in the preparation of the financial statements.
- The system of internal controls is sound in design and has been effectively implemented and monitored.
- There are no doubts about the Bank's ability as a going concern.
- There has been no material departure from the best practices of corporate governance, as detailed in the listing regulations.
- The details of outstanding statutory payments, if any, have been adequately disclosed in the financial statements.

Compliance with the Listed Companies (Code of Corporate Governance) Regulations, 2019

The Bank has adopted the requirements outlined in the Listed Companies (Code of Corporate Governance) Regulations, 2019, issued by the Securities & Exchange Commission of Pakistan (SECP), and is in full compliance with them. A statement confirming this compliance is attached to the Report.

Trends, factors and uncertainties that could affect the Bank's resources, future development, performance and business position:

The Board remains cognizant of its responsibilities in setting the overall direction of the Bank. It continues to oversee the progress of the Bank against the defined KPIs. The Bank's financial and operational soundness, governance structure, and the effectiveness of internal controls, audit functions and risk management framework are monitored regularly. The Board also regularly reviews all significant policies as per the regulatory requirements.

All projections are, by nature, subject to risks and uncertainties, some beyond control. The factors that may potentially affect the Bank's resources, revenues and operations are regularly focused and prioritized by the Board in setting the overall strategic direction. The following factors are considered for sensitivity analysis at the time of setting of business targets and revisions to short term forecasts. These include:

- Global macroeconomic conditions impacting overall economic activity;
- Economic Decisions on Discount Rate / Monetary Policy;
- Revisions to rate of returns on deposits and Repricing on loans and advances;
- Investment Strategy and time horizon;
- Geo-Political risks and uncertainties, including law and order situation;
- Impacts of natural calamities on businesses and overall economy and businesses in general, and regulatory relief measures (if any);
- Government rules and regulations;
- Inflation, fuel and commodity prices;
- Corporate taxation measures;
- Technological advancements leading to competitive advantage;
- Dividend decisions and Capital Adequacy;
- Risk of cyberattacks; and
- The potential impacts of changes in accounting and regulatory framework.

The Bank continues to regularly review potential impact assessments of changes to financial reporting standards and adoption of new standards on its financial position. The above factors are regularly reviewed and monitored for any potential impacts, risks and uncertainties. The Bank's Risk Management Division also performs stress testing against various pre-determined scenarios to analyse the Bank's ability to withstand potential shocks from adverse developments.

Based on the Board's current assessment, there are no significant doubts about the Bank's ability to continue as a going concern.

Holding Company

Jahangir Siddiqui & Co. Limited, listed on the Pakistan Stock Exchange Limited, is the holding company of JS Bank Limited, owning 71.2 percent of the ordinary shares.

Subsidiary Companies

Six meetings of the Board of Directors were held during the year 2023. The attendance of directors at Board Meetings was as follows:

Name of Director	Eligible to attend	Meetings attended		
Mr. Adil Matcheswala - Chairman	5	5		
Mr. Khalilullah Shaikh	5	5		
Lt. Gen. (R) Sadiq Ali	5	5		
Ms. Nargis Ghaloo	5	5		
Mr. Saad Ali Bhimjee	1	1		
Mr. Usman Yousaf Mobin	5	5		
Mr. Basir Shamsie	5	5		
Syed Mumtaz Ali Shah*	2	2		

The attendance of directors at Board Committees meetings was as follows:

Name of Director	Audit Co	ommittee	Risk Committee		HR Committee		IT Committee	
	Eligible to attend	Meetings attended						
Mr. Adil Matcheswala	-	-	-	-	3	3	-	-
Mr. Khalilullah Shaikh	6	6	3	3	-	-	-	-
Lt. Gen. (Retd) Sadiq Ali	6	6	4	4	-	-	-	-
Ms. Nargis Ghaloo	6	6	-	-	-	-	4	4
Mr. Saad Ali Bhimjee	-	-	-	-	-	-	-	-
Mr. Usman Yousaf Mobin	-	-	-	-	3	3	4	4
Mr. Basir Shamsie	-	-	4	4	-	-	4	4
Syed Mumtaz Ali Shah*	-	-	2	2	1	1	-	-

*Saad Ali Bhimjee was appointed director of the Bank on October 25, 2024 in place of Syed Mumtaz Ali Shahi who resigned w.e.f. June 14, 2024.

Directors' Remuneration

The remuneration of directors is determined by the Board of Directors in accordance with applicable laws. Compensation for attending meetings of the Board or its Committees is set within a range that the Board reasonably establishes. However, Executive Directors do not receive any remuneration for attending meetings of the Board or its Sub-Committees. The amounts paid to the Directors, Chief Executive Officer, and other executives are detailed in Note 40 of the Unconsolidated Financial Statements.

Pattern of Shareholding

The pattern of shareholding at the close of December 31, 2024, is included as part of the Annual Report.

Related Party Transactions

Related party transactions are disclosed at note 44 and note 45 of the Unconsolidated Financial Statements and the Consolidated Financial Statements, respectively, of the Bank for the year ended December 31, 2024.

Corporate and Social Responsibility

The Statement of Corporate & Social Responsibility is included in the Annual Report.

Dividend to Shareholders

No dividend is being paid to the shareholders on the ordinary shares for the year 2024.

Employee Benefit Schemes

The Bank operates a contributory provident fund for all permanent employees. The employer and employee both contribute 7.1 percent of the basic salaries to the funded scheme every month. Number of employees covered under this plan are 3,448 (2023: 3,231). During the year, the Bank has made a contribution of PKR 366.562 million (2023: PKR 312.365 million) to the fund. The employees have also made a contribution of an equal amount to the fund.

The Bank also operates a recognised gratuity fund for all employees who opted for this scheme introduced by the management with effect from January 01, 2007. Permanent employees are eligible for the gratuity fund after 10 years of continuous service. Gratuity is payable at 65% of the last drawn basic salary per completed year of service. During the year, the Bank made a contribution of PKR 133.191 million (2023: NIL) towards the scheme.

Value of investments of Provident Fund and Gratuity Fund Schemes based on the latest audited financial statements as of December 31, 2023, was as follows:

Provident Fund - PKR 2,764.038 million (2022: PKR 2,026.228 million)

Gratuity Fund - PKR 760.442 million (2022: 929.910 million)

External Auditors

The current auditors, KPMG Taseer Hadi & Co. Chartered Accountants, being retired offered themselves for reappointment.

Auditors have confirmed that the firm is fully compliant with the International Federation of Accountants' Guidelines of Code of Ethics, as adopted by the Institute of Chartered Accountants of Pakistan (ICAP), and has a satisfactory rating under the Quality Control Review Program of the ICAP.

On the recommendation of the Board Audit Committee, the Board of Directors recommends the appointment of KPMG Taseer Hadi & Co. Chartered Accountants for the year ending December 31, 2025, at the upcoming Annual General Meeting of the Bank.

Evaluation of the Board's Performance

At JS Bank, the Board of Directors plays a crucial role in setting the strategic direction of the Bank. The Board ensures alignment with the Bank's long-term objectives while complying with regulatory standards. To fulfill their fiduciary duty of safeguarding stakeholders' interests, a formal and effective mechanism is in place for the annual evaluation of the Board, its members, and sub-committees, as required by the State Bank of Pakistan and the Securities and Exchange Commission of Pakistan.

The Board of Directors of the Bank is composed of individuals with diverse skills, core competencies, and experiences, all committed to strong corporate governance to protect the interests of the Bank and its stakeholders. They continually review the Bank's financial stability, governance practices, internal controls, and significant policies in accordance with regulatory requirements. Furthermore, Board Committees have been established with specific mandates and terms of reference.

In line with best practices in corporate governance, the Board conducts an annual self-evaluation. During the year, we engaged Grant Thornton Anjum Rahman Chartered Accountants (GT), an external facilitator with a team of qualified consultants specializing in board evaluations for companies and banks. The self-evaluation was conducted in compliance with the State Bank of Pakistan's Guidelines on Performance Evaluation of the Board of Directors and the Listed Companies (Code of Corporate Governance) Regulation, 2019.

The evaluation assessed various aspects of the Board's performance, including the effectiveness of sub-committees, the CEO, and the Chairman. This process, grounded in best practices of corporate governance, includes a detailed quantitative analysis, ensuring that our leadership remains effective and accountable to our goals and values.

Events after the Date of the Statement of Financial Position

There have not been any material events that occurred after the date of the Statement of Financial Position that require adjustments to the enclosed financial statements.

Acknowledgments

On behalf of JS Bank, we would like to express our heartfelt gratitude to our valued stakeholders for their ongoing support and patronage. We also extend our thanks to the Ministry of Finance, the State Bank of Pakistan, the Securities and Exchange Commission of Pakistan, and other regulatory authorities for their guidance and assistance to our bank. Finally, we appreciate all our colleagues at JS Bank for their dedication to achieving greater success and growth.

For and on behalf of the Board,

Basir Shamsie

Adil Matcheswala

Chairman

لس**وکیپنیز (کوڈ آفکار پوریٹ گوزنس)ریگولیشنز 2019 کی تقمیل**: بینک نے سیکیورٹیز اینڈ ایکیچنج کمیشن آف پاکستان (ایس ای سی پی) کی جانب سے مرتب کردہ لسٹدکمپنیز (کوڈ آف کار پوریٹ گوزنس) ریگولیشنز ،2019 کواپناتے ہوئے ان کی مناسب فقمیل کی گئی ہے۔اس سلسلے میں رپورٹ کے ساتھ ایک بیان منسلک ہے۔

رسک میجنٹ کوموٹر انداز میں سینی بنانے لیلئے بینک میں انٹڑل کنٹرول فنکشن کا کورٹس اسٹر پجرتین دفاعی سح پر سمتل ہے۔ پہلی دفاعی لائن خود کاروبار ہے جوشمول آپریشنل خطرات کی ملکیت قبول کرتا ہے اوراس کے نظم ونسق کا ذمہ دار ہے۔ دوسری دفاعی لائن رسک مینجمنٹ کم پلائنس اور کنٹرول فنکشنز کی طرف سے فراہم کردہ نگرانی ہے جس کے ذریعے نئے اور موجودہ کاروباری اقدامات کو متاثر کرنے والے خطرات کی نشاند ہی اور ان کی شدت کا انداز ہ، رسک ماہرین اور برنسز کے ساتھ خطر ہے کو کم کرنے کیلئے اقدامات تر تیب دیئے جاتے ہیں، اس کے بعد رسک مینجمنٹ فنکشن کو مناسب اصلاحی اقدامات کی بلئے رپورٹ کیا جاتا ہے۔ آخری دفاعی لائن آزاداور موثر انٹرن کا ڈری کنٹر ول

بورڈ آف ڈائر کیٹرز کو بورڈ آڈٹ کمیٹی کی طرف سے کمپلائنس رپورٹ سے با قاعدگ سے آگاہ کیا جاتا ہے۔ترجیح کے طور پر،اندرونی اور بیرونی آڈیٹرز اور ریگولیٹرز کے تمام اہم اور مادی نتائج پرانتظامیہ کی طرف سے توجہ دی جاتی ہے اور اس بات کویقینی بناتے ہوئے کہ مناسب اصلاحی اقد امات نافذ کیے گئے ہیں۔خلاف ورزیوں کو کم کرنے ،غلطیوں کی تکرار، اور کنٹرول انوائر منٹ کو مضبوط کرنے کے لیے مناسب نظام موجود ہیں۔اس کے علاوہ کم پلائنس فنکشن پورے بینک میں ریگولیٹری تعمیل کویقینی بنانے کے لیے اپنامان سالہ کر داراد اکرر ہا ہے۔

مالیاتی رپورٹنگ کنٹرول سمیت اندرونی کنٹرول کی مجموعی موثریت کا جائزہ لینے کے لیے بینک اندرونی کنٹرول سے متعلق ایس بی پی کی گائیڈلائنز پر پوری تندہی سے عمل کرتا ہے۔ بینک کے وسیع عمل اور کنٹرول کی تفصیلی دستاویز ات مکمل ہو چکی ہیں۔ مزید برآں، بینک نے کلیدی کنٹر دلز کی آپریٹنگ موثریت کو یقنی بنانے کے لیے ایک جامع انتظامی جائج اورر پورٹنگ کا فریم ورک تیار کیا ہے اور نمایاں طور پرنشاندہی کئے گئے ڈیز ائن میں بہتری کے مواقع کو کل کیا ہے۔

فنانش رپورٹنگ پرانٹرنل کنٹرول (آئی تی ایف آر) روڈ مپ کی اطمینان بخش پھیل پرایس بی پی نے اگست 2016 میں ایکسٹرنل آڈیٹرز کی طرف سے لانگ فارم رپورٹ (ایل ایف آر) جمع کرانے سے استنتیٰ دیا۔ مزید برآں ایس بی پی کی طرف سے 6 جولائی ، 2021 کو جاری کردہ احکام نامہ بی ایس ڈی سرکلر لیٹ نمبر 1 آف 2021 کے مطابق ایسے تمام بینک جنہوں نے آئی تی ایف آرروڈ میپ کے تمام مراحل کو مکمل کرلیا ہے، انہیں آئی تی ایف آر کی افادیت پر سالا نہ اسسمنٹ رپورٹ کو جمع نہ کرانے کی اجازت دی ہے۔ تاہم ایس بی پی سپر وائزر کی اسمنٹس کے جصے کے طور پر سالا نہ اسسمنٹ رپورٹ کا جائزہ لے سکتا ہے۔ اسی طرح آئی تی ایف آر کی افادیت پر 2021 کی سے سالا نہ اسسمنٹ رپورٹ بورڈ آڈٹ کمیٹی کو پیش کی جائزہ کے سکتا ہے۔ اسی طرح آئی تی ایف آر کی افادیت پر 31 دیمبر 2024 کی

انتظامیہ ہیجھتی ہے کہ موجودہ انٹرنل کنٹر ول سٹم موزوں ہے،موثر انداز میں نافذ شدہ ہے اوراس کی مسلسل نگرانی کی جارہی ہے۔اس بیان کی بورڈ آف ڈائر یکٹرز کی طرف سے توثیق کی جاتی ہے۔انتظامیہ اپنی کورینج کو بڑھانے اوراندرونی کنٹرولز پرایس بی پی کی گائیڈ لائنز کی قتمیل جاری رکھنے کی کوشش کر ہے گی اوراس طرح اس کے کنٹر ول کے ماحول کو مسلسل بنیا دوں پر مضبوط بنائے گی۔ بینک کریڈٹ مسائل سے جڑ نے خطرات اور غیریقینی صورتحال کے حوالے سے باخبر ہے جس کیلئے رسک مینجمنٹ کے حوالے سے ایک مختلف اور سخت اپر وچ کی ضرورت ہوتی ہے۔ اس سلسلے میں ، ایس بی پی کی ریگو لیٹر کی گائیڈ لائنز پڑ کمل کرتے ہوئے ایک پیشل ایسٹ مینجمنٹ یونٹ موجود ہے تا کہ اصلاحی انتظامی مسائل پر توجہ مرکوز ، موثر انتظام کے لیے کلاسیفائیڈ پورٹ فولیو کی ملکیت اور بحالی اور آباد کاری کے لیے ورک آؤٹ طریقوں کا تعین کیا جاسکے، جیسا کہ بینک کی رمیڈیل مینجمنٹ پالیسی میں درج ہے۔

انفار میشن سیکیورٹی کے لحاظ سے، انفار میشن سیکیورٹی ڈیپار ٹمنٹ سیکیورٹی خطرے کے ساتھ ساتھ خطر نشاند ہی کرتا ہے، اہم آئی ٹی کی نگرانی کرتا ہے، اور پورے بینک میں معلومات اور سائبر سیکیورٹی کے خطرات کا انتظام کرتا ہے۔ معلومات کے تحفظ کو بہتر بنانے کے لیے، ابھرتے ہوئے خطرات کی حقیقی دفت کی نگرانی کے ساتھ گہرائی پرتوں والے حفاظتی ڈھانچے تعینات کیا گیا ہے۔ سائبر سیکیوریٹی کو مزید مضبوط کرنے کے لیے، بینک ایک مل پہنی کلچر بنانے، ہٹول کے استعال میں پختگی لانے اور مینچہنٹ/ ریگولیٹری رپورٹی کو بہتر بنانے اور جالیں اسٹاف کی سیکیورٹی سے متعلق آگا ہی کی تربیت کو بڑھانے کے لئے جالیں کے عملے میں سر ما یہ کاری کرنے کی کوشش کر ہا ہے۔

ڈیجیٹل خطرات سے نمٹنے اور ڈیجیٹل فنانس کے کاروبارکوسپورٹ کرنے کے لیے، ڈیجیٹل رسک کی چھتری کے تحت خطرے کے ماہرین کی ایک قابل ٹیم بنائی گئی ہے۔ اس فنکشن کا بنیادی مقصد پالیسیوں عمل اور نظام کو بہتر بنانا، ڈیجیٹل فراڈ کی تحقیقات اور تخفیف، ممکنہ خطرات کی نشاند ہی کرنے کے لیے ڈیٹا اینالینکس اور کاروبار کو بڑھانا، اور اسٹرا ٹیجک منصوبوں کونا فذکرنا ہے۔ مزید برآں، دھو کہ دہی کے خطرے سے نمٹنے کیلئے، بینک نے تمام چینلز، فزیکلی یا ڈیجیٹل پر اندرونی اور بیرونی دھو کہ دہی کے مکنہ خطرات کی تحقیقات اور تخفیف، مکنہ خطرات ک حفاظت کے لیے ایک مضبوط فراڈ سے بچاؤ کا طریقہ کاروفن کی اور بیرونی دھو کہ دہی کے مکنہ خطرات کوششوں سے بینک اور اس

ا**نٹڑل کنٹرول پر بیان**: بینک اپنے تمام تر آ پریشنز میں تخت اور موثر ^کنٹرول قائم کرنے بہت زیادہ زور دیتا ہے۔صنعت کے بہترین طریقہ کار اخلاقی معیارات اور ریگولیٹری تقاضوں کی تقییل کو بینک کی پالیسیوں بنیادی اہمیت حاصل ہے۔اسی تناظر میں بورڈ آف ڈائر کیٹرزالیی پالیسیاں مرتب کرتے ہیں جو انٹرنل کنٹرول کی مجموعی موثریت کی جارچی پڑ تال فراہم کرتے ہیں۔

ج ایس بینک کے اندرانٹرنل کنٹر دلز کا مقصد بینک کے آپریشنز کی موثریت اور کار کردگی بھروسہ مند مالی معلومات اور قابل اطلاق قوانین اور ریگولیشنز کی تعمیل سے متعلق مناسب اقدامات اٹھانے کی یقینی دہانی فراہم کرتے ہیں۔تاہم یہ بات تسلیم کی جاتی ہے کہ بیدنظام مادی تبدیلیوں کے حوالے سے غلط بیان یا نقصان سے کمل نہیں بلکہ مناسب یفتین دہانی دے سکتے ہیں کیونکہ اسے غیر متوقع صورتحال میں خطرے کوختم کرنے کیلیے نہیں بلکہ ان کا انتظام کرنے کیلئے ڈیز ائن کیا گیا۔

کیپیل مینجنٹ ے حوالے سے بینک کا طرزعمل اس بات کویقینی بناتا ہے کہ اس کے پاس اپنی سرگرمیوں سے وابستہ خطرات کو پورا کرنے کے لیے معقول سرمایہ موجود ہے۔ یہ بینک کے کیپیل مینجنٹ کا بنیادی مقصد ہے کہ اس بات کویقینی بنائے کہ بینک تمام ریگولیڑی سرمائے کے تقاضوں کی تعمیل کرتا ہے اور ساتھ ہی ساتھا پنے کاروبار کو معاونت فراہم کرنے اور شیئر ہولڈرز کی قد رکوزیادہ سے زیادہ کرنے کے لیے مضبوط کریڈٹ ریٹنگ اور صحت مند سرمائے کے تناسب کو برقر اررکھتا ہے۔

بینک کا آپریشنل رسک مینجنٹ فریم ورک تمام آپریشنل خطرات کی شناخت، ان سے نمٹنے اور ان کا انتظام کرنے کے لیے ایک مناسب کنٹرول ماحول کی موجود گی کویقینی بنانے کے لیے ڈیز ائن کیا گیا ہے۔ بینک اہم خطرات کو مؤثر طریقے سے منظم کرنے کے لیے رسک اینڈ کنٹر ول سیاف اسیسمنٹ (آرمی ایس اے) کے عمل کوتر جیح دے رہا ہے۔ مزید برآں، ہم ایک ایسے ماحول کوفر وغ دے رہے ہیں جہاں ہر ملا زم آپریشنل خطرات کو کم کرنے میں اپنی ذمہ داری کو تسلیم کرے۔

رسک اینڈ کنٹرول سیلف اسیسمنٹ (RCSA)، آپریشنل لاسس ڈیٹا (OLD)، اور کلیدی رسک انڈیکیٹرز (KRI) مشقوں کے علاوہ، آپریشنل رسک مینجمنٹ فنکشن بزنس کنٹینو ٹی پلاننگ پالیسی کی بھی نگرانی کرتا ہے۔ اس میں رکا وٹوں کی صورت میں متبادل سائٹس سے سسٹر اور سروسز کی دستیابی کا اندازہ لگانے کے لیے متعدد کاروباری تسلسل کی مشقیں کرنا شامل ہے۔ یہ مشقیں اس بات کویقینی بنانے میں مدد کرتی ہیں کہ ہمارے کاروباری آپریشن منفی حالات میں بھی بغیر کسی رکاوٹ کے جاری رہ سکتے ہیں، اس طرح ہمارے کسٹرز اور اسٹیک ہولڈرز کے مفادات کا تحفظ ہوتا ہے۔

کریڈ در سک مینجنٹ ایک جاری عمل ہے۔ مجموعی کریڈ یا لیسی اور کریڈ در سک مینجنٹ کی گائیڈ لائنز کی منظوری بورڈ آف ڈائر کیٹرز کی طرف ہے دی جاتی ہے۔ اس سلسلے میں سینٹرل کریڈ یکیٹی (سی سی) کو بینک میں کریڈ در سک کی گرانی اور کنٹر ول کرنے کی ذ مدداری سونی جاتی ہے۔ میں سی لینڈ نگ پورٹ فولیو میں کریڈ در سک کی فعال گرانی کرنے کیلئے با قاعد گی ہے اجلاس منعقد کرتی ہے۔ کریڈ ٹ فورٹ فولیو کی محکم ترقی کو برقر ارر کھنے اور منتقبل کے چیلنجز سے منٹے کیلئے بینک کے کریڈ در سک می گرانی اور کنٹر ول کرنے کی ذ مدداری کی جاتی ہے۔ کریڈ در سک منتقبل کے چیلنجز سے منٹے کیلئے بینک کے کریڈ در سک مینجنٹ کے طریقہ کار کی مسلسل اپ گریڈیشن کی جاتی ہے۔ کریڈ در سک منتخبل کی گرانی کی سرگر میوں کو تیز کرنے کیلئے بینک کے کریڈ در سک مینجنٹ کے طریقہ کار کی مسلسل اپ گریڈیشن کی جاتی ہے۔ کریڈ در سک منتخبل کی گرانی کی سرگر میوں کو تیز کرنے کیلئے بینک میں ایک کریڈ در سک منتر کیل یونٹ موجود ہے جوالیں بی پی اور میسل کے تقاضوں کو پورا کرنے کیلئے باقاعد گی سرگر میوں کو تیز کرنے کیلئے بینک میں ایک کریڈ در سک منٹر کی یونٹ موجود ہے جوالیں بی چنر اولیو کی اور شعب جاتی مورد کر بیٹ کی سرگر میوں کو تیز کرنے کیلئے بینک میں ایک کریڈ در سک مانٹر نگ یونٹ موجود ہے جوالیں بی پی اور میٹن کے ذریعے توں کو پر کر کی ڈور سے کو کی گر انی ، کریڈ در سک میڈ جنٹ کے ٹولز کی تیاری اور کم در آم دی تو ایڈ سٹریشن کے ذریع گرانی کی جاتی ہو تا ہے موکر یڈ در سک وائی کی کی می کرتی ہے۔ کریڈ ورٹ فولیو کا سی کی کریڈ کی لیڈ لیڈ سٹریشن کے ذریع موجود ماحولی تی والی) خطرات کی نشاند ہی اور موثر نظم ونس کے لیے ، ماحولی تی اور کی گی کے کر یڈ تور نظم ولیو میں موجود ماحولیاتی اور سابتی (ای این نہ تی اور موٹر خل ونس کے لیے ، میڈ اولی تی اور ہو تی کے لیے کر یڈ کر ای کریڈ کی ہوں ہی کی کی کی موجود ہو ہو ہو کی کر دی کی ہو ہوں ہو ہو ہو کی کے کر یڈ کی ہو ہوں کے ہوں کی کی کر یڈ کی ہوئی کے کر یڈ کی ہو ہوں کی ہو ہوں ہوں کی کی کر یڈ کی ہو ہوں کر کی ہو ہوں ہوں ہی کر یڈ کی ہو ہوں ہوں ہوں کی کی گر دو ایس آر ایم ای کی ہو ہو اور ای این ڈولی ہو ہوں دری ہو۔

سال 2024 میں بینک کاقبل ازئیکس منافع 6,366.077 ملین روپے رہا(31 دسمبر 2023:8,515 ملین روپے)، جبکہ فی شیئر آمدنی1.39 روپے(31 دسمبر 2023:27.5 روپے)رہی۔

2024 میں، بینک نے 27,313 ملین روپے کی نیٹ انٹریٹ انکم (NII) ریکارڈ کی، جو گذشتہ سال 22,409 ملین روپے کے مقابلے میں 22 فیصد کا اضافہ ہے۔ NII میں بیاضافہ بنیادی طور پر گذشتہ سال کے مقابلے میں زیادہ سود کی شرحوں کے ساتھ ساتھ ڈپازٹ کی اصلاح کی کوششوں سے ہوا ہے۔ بینک کا غیر منافع بخش ڈپازٹ بیں 2023 میں 160,546 ملین روپے سے بڑھ کر 2024 میں 198,409 ملین روپے ہو گیا، جو کہ 24 فیصد کے اضافہ کی نما کند گی کرتا ہے۔ ڈپازٹ میں بہتری واضح ہے اور غیر منافع بخش ڈپاز ٹ کی اصلاح سے بڑھ کر 2024 میں کا ضحر منافع بخش ڈپازٹ میں 2023 میں 160,546 ملین روپے سے بڑھ کر 2024 میں 198,409 ملین روپے ہو گیا، جو کہ 24 فیصد کے اضافہ کی نما کند گی کرتا ہے۔ ڈپازٹ میں بہتری واضح ہے اور غیر منافع بخش ڈپاز ٹس کا حصہ 33 فیصد سے بڑھ کر 38 فیصد ہو گیا۔ مجموعی ایڈوانس 16 فیصد اضافہ کے ساتھ 17,714 ملین روپے تک پیچ گئے۔ دوسری طرف، ہماری بہتر مارجنز دیاؤ میں رہے کیوں ایک تان کے کچوشہور مقامی اور کی رالقومی صارفین کی توجدا پی جانب مبذ ول کرانے کے قابل بنایا۔ سال کے دور ان مارجنز دیاؤ میں رہے کیوں کا کیر تا ہو کہ میں اور کی رالقومی صارفین کی توجدا پی جانب مبذ ول کرانے کے قابل بنایا۔ سال کے دور ران مارجنز دیاؤ میں رہے کیوں مارکیٹ کی پیدا دار متو تع شرح سود میں کی کے مطابق ایڈ جسٹ ہوتی رہی جبکہ پہلے چھ ماہ کے دور ان فنڈ نگ

یا کستان کواپیز معاشی اینچکام کو برقر اررکھنے، ساختی چیلنجز (جیسے ٹیک نظام، توانا کی کا شعبہ،اور سرکاری ادارے) سے نمٹنے اور جامع اور پائیدار ترقی کوفر وغ دینے کے لیے مؤثر پالیسیوں اور اصلاحات کی ضرورت ہوگی ، ساتھ ہی قرضوں کی سطح کوکم کرنا بھی ایک اہم ہدف ہوگا۔ اب تک آئی ایم ایف نے ٹیکس نظام میں بہتری کے لیے کیے اقدامات کوسراہا ہےاورز وردیا ہے کہ ٹیکس نیٹ کو سیچ کیا جائے ،ٹیکس انتظام یہ کومؤٹر بنایا جائے،اورتر قیاتی سرمایہکاری کے لیے مالی دسائل کو بہتر طریقے سے استعال کیا جائے۔اس میں انسانی دسائل، بنیادی اسٹر کچر،اورساجی تحفظ کے شعبوں میں سرمایہ کاری شامل ہے تا کہ معیشت کو مزید شکھم اور متوازن بنایا جا سکے۔

بينكنك سيكركاجائزه: اسٹیٹ بینک آف یا کستان(SBP) نے تقریباً چیرماہ میں یالیسی ریٹ 22 فیصد سے کم کر کے 13 فیصد کردیا، جس سے مہنگائی میں کمی کے بعد شرح سودبھی کم ہورہی ہیں۔ بینکوں کے لیے بہ خالص سودی مارجن (NIMs) اور منافع میں کمی کا باعث بن سکتا ہے، تاہم زیادہ قرضوں کی فراہمی اس اثر کوئم کرسکتی ہے۔سال کے آخر میں ٹیکس قواندین میں تندیلی *کے تح*ت میںکوں کواپی قبل از ٹیکس منافع (PBT) پراضافی 5 فیصد ٹیکس ادا کرنا ہوگا، چاہے وہ ADR کی مطلوبہ جد پوری کریں یا نہ کریں، جبکہ پہلے یہ ٹیکس صرف حکومتی سیکیورٹیز سے آمدنی پرلا گوہوتا تھا۔ صنعت کا ADR تناسب جون 2024 میں 40 فیصد سے بڑھ کر دسمبر 2024 میں 50 فیصد ہو گیا، جس کا مقصد میکوں کونچی کاروباروں کوقرض دینے ک ترغیب دینا تھا۔ زیادہ تربینک اپنی قرضہ جاتی حکمت عملی کوایڈ جسٹ کررہے تھے تا کہ اضافی ٹیکس سے پچ سکیں کمیکن ADR ٹیکس قانون میں تبريلی اور 5 فیصداضا فی ٹیکس مالی سال کے آخر میں لا گوکردیا گیا۔

بینکنگ سیکٹر میں کیپیٹل ایڈدکسی ریثوز مضبوط سطح پر ہیں اورر یگولیٹری نقاضوں ہے کہیں زیادہ ہیں۔قرضوں کی نمو میں ست روی اور بغیر خطرے کے حکومتی قرضوں میں زیادہ سرمار پر کاری کے باعث رسک ویٹڈا ثاثے میں اضافہ دیکھا گیا ہے۔

ہم 31 دسمبر، 2024 کوختم ہونے والے سال کیلئے جالیں بینک کمیٹڈ (جالیں بی ایل) کی 9اویں سالانہ رپورٹ معہ آڈیٹڈ کھاتوں اورآ ڈیٹرز کی رپورٹس پیش کرنے میں مسرت محسوں کرتے ہیں۔

اقتصادی جائزہ: مسلسل حکومتی اصلاحات اور پالیسی اقد امات کی بدولت 2024 پاکستان کی معیشت کے لیے ایک ٹمایاں پیش رفت کا سال ثابت ہوا۔ مار بخ 2024 میں پاکستان کوآئی ایم ایف کے اسٹینڈ بائی اریجمنٹ (SBA) کے تحت آخری 1.1 بلین امریکی ڈالر کی قسط موصول ہوئی۔ اس کے بعد ، تمبر 2024 میں آئی ایم ایف ایگزیکٹو بورڈ نے 37 ماہ کے ایکسٹینڈ ڈ فنڈ فیسلٹی (EFF) کے تحت 5.32 بلین انپیش ڈرائنگ رائٹس (SDR) (تقریباً 7 بلین امریکی ڈالر) کی منظوری دی ، جس کے تحت فوری طور پر 760 ملین انپیش ڈرائنگ رائٹس (تقریباً 1 ڈ(لر) کی ادائیگی کی گئی۔ مزید برآں ، اسی سال موڈیز اور فی ڈونوں نے پاکستان کی کریڈٹ ریڈنگ کو اپ گریڈ کیا، جو کہ معیشت کی بہتری اور

اکتوبر 2024 سے کرنٹ اکاؤنٹ مسلسل فاضل (سرچلس) میں جارہا ہے، جس کے نتیج میں مالی سال 2025 کی پہلی ششماہی میں کرنٹ اکاؤنٹ بیلنس 1.21 بلین امریکی ڈالرتک پینچ گیا۔اس بہتری کی بنیادی وجوہات میں تر سیلات زرمیں اضافہ اورتجارتی خسارے پر قابو پانا شامل ہیں۔ مزید برآں، مثبت کرنٹ اکاؤنٹ کے ساتھ مشحکم کیپیٹل اکاؤنٹ نے مالی سال 2025 کی پہلی ششماہی میں ادائیگیوں ک توازن کو مثبت رکھا،حالانکہ قرضوں کی ادائیگیوں کا سلسلہ بھی جاری رہا۔

متحکم کرنی، متوازن کرنٹ اکا وُنٹ خسارہ (CAD)، اورتر قیاتی ودوطرفہ قرض دہندگان کی معاونت کی بدولت دسمبر 2024 تک اسٹیٹ بینک کے زرمبادلہ کے ذخائر بڑھ کرتقریباً 12 بلین امریکی ڈالرتک پینچ گئے، جو دسمبر 2023 میں 8.2 بلین امریکی ڈالرتھ۔ اس کے نتیج میں پاکستان کی درآمدی سکت دسمبر 2023 میں 1.9 گنا سے بڑھ کر دسمبر 2024 میں 2.8 گنا ہوگئی۔اسی دوران، پاکستانی روپیہ 1 فیصد مشتحکم ہوااور سال کے دوران 278 روپے فی امریکی ڈالرکی سطح پرینچ گیا۔

اسٹیٹ بینک آف پاکستان (SBP) نے جون 2024 میں مالیاتی نرمی کا آغاز کیااور پالیسی ریٹ میں 150 میں پوائنٹس کی کی کی ۔اس کے بعد سلسل کئی اجلاسوں میں مزید کمی کی گئی، جس کے نتیجے میں پالیسی ریٹ 22 فیصد کی بلند سطح سے کم ہو کر گزشتہ 6 ماہ میں 13 فیصد تک آگیا۔ پید فیصلہ CPI میں مسلسل کمی کے باعث ممکن ہوا، جہاں مہنگائی کی شرح دسمبر 2024 میں کم ہو کر 1. 4 فیصد رہ گئی، جبکہ گزشتہ سال بید شرح 30 فیصد کے قریب تھی ۔ اس بہتری کی بنیا دی وجو بات میں غذائی اشیاء کی قیمتوں میں زمی، کرنسی کا استحکام، اور عالمی منڈ کی میں تیل کی قیمتوں میں کی شامل ہیں۔

BUDGETING BASICS

Learn to create a monthly budget that works for you. Explore different budgeting methods like the 50/30/20 rule, which allocates 50% for needs, 30% for wants, and 20% for savings. Use expense-tracking apps to stay on top of your spending.

DUPONT ANALYSIS

DuPont model is a financial ratio based on the return on equity ratio that is used to analyze the Bank's ability to increase its return on equity. This is the method of breaking down the original equation for ROE into three components: operating efficiency, asset efficiency, and leverage.

Operating efficiency is measured by net profit margin and indicates the amount of net income generated after taking account all the expenses.

Asset efficiency is measured by the total asset turnover and represents how much revenue has been generated by optimum utilization of the assets. Finally, financial leverage is determined by the Equity Multiplier.

			2024	2023	2022	2021	2020	2019
Net Operating Margin	PAT / Total Income	А	7.37%	12.52%	4.79%	7.69%	6.99%	0.22%
Asset Utilization	Total Income / Average Assets	В	6.31%	5.74%	3.36%	3.04%	3.28%	2.37%
Return on Assets		C = A X B	0.46%	0.72%	0.16%	0.23%	0.23%	0.01%
Leverage Ratio / Equity Multiplier	Average Assets / Average Equity	D	14.58	19.50	27.56	26.20	26.42	28.12
Return on Equity		CXD	6.78%	14.01%	4.43%	6.12%	6.06%	0.15%

MARKET SHARE INFORMATION

SHARE PRICE SENSITIVITY ANALYSIS

Factors that can influence the share price of JS Bank Limited are given below:

Policy Rate

The monetary policy rate can be changed by the SBP based on different macroeconomic factors. Any volatility in the interest rates may impact revenue and profitability of the Bank and the share price as well.

Regulatory Changes

Any changes in regulatory measures or requirements such as upward revision in the minimum deposit rate, higher minimum capital ratios or stricter liquidity rules, can affect bank's operations and stock price.

Economic Environment

Factors such as GDP growth, inflation, Balance of Payment, and general economic conditions affect loan demand, credit quality and overall financial performance of the Bank.

Political Stability & Law and order situation

Political instability and turmoil would adversely impact the market sentiment and investor confidence. This could influence the capital market performance and share price volatility.

Change in Share Price by	Change in Market Capitalization
+10%	Rs. 1,857 Million
-10%	Rs. (1,857) Million

SENSITIVITY ANALYSIS - FOREIGN CURRENCY FLUCTUATIONS

In 2024, the Pakistani rupee (PKR) demonstrated notable resilience and reduced volatility against the US dollar (USD). This stability was attributed to a stable external account, increased remittances, rising exports, improved foreign exchange reserves, a narrowed gap between interbank and open market rates, and the successful IMF Extended Fund Facility (EFF) program. Throughout the year, the rupee appreciated by 1.2% against the USD, starting at 281.86 and closing at 278.55. The rupee maintained a range-bound movement, reaching highs and lows of 281.89 and 277.51, respectively. This stability also contributed to lower inflation observed in 2024.

The Bank's risk appetite is determined by the Board and monitored by the Risk team. The Treasury team proactively manages day-to-day liquidity, Net Open Positions, and Foreign Exchange Exposure limits. The Risk management team ensures adherence to the Liquidity Coverage Ratio (LCR) and Net Stable Funding Ratio (NSFR) as per State Bank of Pakistan (SBP) guidelines. The Bank ensures full implementation of Basel III liquidity standards and liquidity ratios.

CALENDAR OF MAJOR EVENTS - 2024

VALUE CHAIN

JS Bank value chain activities can be divided into two categories: primary activities and support activities. The primary activities are related to internal and external logistics, marketing, and after-sales service. Support activities are the value activities that sustain and facilitate the primary activities.

Downstream activities (Primary Activities)	 Conception of financial Products and Services Mobilization of deposits and distribution network Asset Management and portfolio Enhancement Marketing & Sales - Choice of the method of distribution, of the advertising, of the target market Associated services to the products and after-sales: consumer services
Upstream activities (Supporting Activities)	 Banking infrastructure, Technology development, Human resource management, Risk Management, and Governance and Stakeholders engagement
Basic Competencies	 Well-equipped Physical and electronic network Robust familiarity of consumer's needs, their behavior and background Specialized know-how in view of interpreting the sector Staff training programs Automation of operations Technological control in products and services
Distinctive competencies	 Product and process innovation: getting ahead of the competition Perfect fusion of services and products in order to offer the complete package Capability of staff to advise consumers in many situations: financial expertise Differentiated offer with respect to a variety of situations: flexible products, possibility to renegotiate

SAVING STRATEGIES

Build a savings plan by starting with an emergency fund to cover 3 to 6 months' worth of living expenses. Set aside a portion of your income each month to prepare the unexpected and achieve your financial goals.

STRATEGY AND RESOURCE ALLOCATION

STRATEGY AND RESOURCE ALLOCATION

At JS Bank, we are dedicated to spearheading sustainable growth and delivering comprehensive solutions that transcend traditional banking. To achieve this, we are investing in technology, people and enhancing our network. Our strategy supports steady growth, prioritizing customer satisfaction and cost efficiency. We have streamlined our structure for agility in decision-making. Our expansion into Islamic Banking with "BankIslami" caters to diverse banking needs, fostering benefits of scale.

Our strategic focus spans from leveraging technology for customer service excellence, particularly for younger demographics, to expanding our reach for income growth, and eventually establishing a significant presence nationally and internationally. We're committed to partnerships that add value and support environmental, social, and governance (ESG) initiatives, aiming to integrate deeply into Pakistan's financial ecosystem.

Strategic Objectives

Short Term	 Continue to leverage on technology and deliver superior customer service by digitalizing and automating core banking processes. Our aim is to improve our customer interface and enable customers to interact and transact digitally with a sharp focus on catering to emerging millennial and Gen-Z population. Data driven decision making to optimize costs, drive quality and core profitable earnings instead of just a growth in headline numbers. Focused efforts to grow in high yielding conventional banking products. Increase our presence across the country through an optimized branch network to maximize income streams via profitable growth in deposits, prudent and measured expansion in advances.
Medium Term	 Steadily increase our customer base and deposits, grow our market share in consumer products to be a leader within mid-sized banks with a diversified portfolio of products and low infection ratio. Through our diversified portfolio of products providing financial solutions to individuals, SMEs, Agriculture customers and Public and private sector organizations. To have end to end digitally enabled banking solutions for Gen Zs and millennials and establish the Bank as an innovative and customer centric.
Long Term	 Develop JS Bank as a prominent Bank of the country with an international presence. Deliver a user experience that transcends conventional and Islamic banking norms and embeds deeply within the financial eco system of Pakistan's economy. Continue to connect with like-minded organizations to create synergies and build a network of partners that bring value through solutions to our customers, utilizing benefits of synergies created between such partnerships. Support environmental, social, and good governance (ESG) initiatives for economic growth, social progress, and environmental protection.

Strategies in place

At JS Bank, we are redefining our branch network, placing operational excellence and customer centricity at the heart of everything we do. By harnessing data analytics and actively engaging with customer feedback, we are committed to delivering a seamless banking experience that meets our high service standards at every touchpoint.

Our focus remains on expanding the reach of our WhatsApp, mobile and online banking services, creating secure and user-friendly solutions for our tech-savvy customers. With the fast-paced growth of digital landscape in the country we will remain focused on delivering robust digital banking solutions. Collaborations with tech innovators will continue to be crucial, ensuring our services are secure and our operations agile in the face of change.

We will concentrate on leveraging our core strengths in Retail and SME banking, refining our flagship product offerings, and driving revenue growth through strategic initiatives in deposits and non-funded income streams, including Trade and Cash Management.

Our greatest asset is our human resource. Inspired by an organizational vision where talent thrives, we are fostering a dynamic, inclusive work culture that celebrates diversity and equality and propels us towards our growth ambitions. We regularly recalibrate our Key Performance Indicators to align them with our strategic objectives, ensuring that they stay relevant amid evolving economic and regulatory landscapes.

Strategic Objective	Strategy for meeting objective	KPI
Accelerate digital transformation, optimize costs and automate processes to enhance efficiency, and improve customer satisfaction	Enabling end to end banking solutions through digital channels i.e., Mobile, WhatsApp and Internet banking.	% Increase in Mobile banking usage in comparison to target set and previous year.
	Automate and simplify customer onboarding through Digital Account Opening, Micro Payment Gateway, Pakistan Single Window, freelancer account, etc. 360 views of customer across all touchpoints with enhanced focus on deposits, transactional solutions and capitalize on cross- sell opportunities in existing relationships.	% Decrease in manual account opening in comparison to target set and previous year. % Increase in CRM Utilization in comparison to target set and previous year.

Key performance Indicators to developed measure performance are:

Strategic Objective	Strategy for meeting objective	КРІ
Provide value added services and deliver operational excellence through an established branch footprint	Establish a strategically positioned network of branches offering top notch service and a welcoming and appealing look and feel. Improve customer experience by reducing turnaround times, monitoring service levels through customer feedback and digital/ technology platforms. Increasing deposits and customer stickiness via conversion of customers to digital channels.	Growth in Ending Net Receivable from customer comparing with target and previous year.
An optimized and well led diverse organization	Encourage gender equality and diversity across all businesses. Develop a caring and compassionate culture that drives the right employee behavior. Foster employee developing needs by providing relevant and challenging on the job learning and career growth.	Global Diversity & Inclusion Benchmark

Resource Allocation Plan

Nature of Capital	Resource Allocation Plan
	• Based on business requirements and customer needs, organizational changes are being done to ensure we are well positioned as a team in line with the bank's strategic goal.
Human Capital	• Prioritize the retention of hi-potential talent by nurturing their professional development and growth within our bank's culture.
	• Dedicate continuous effort to train and develop our team members to excel in customer service.
	 Investments in our branches' infrastructure, to increase footprint strategically.
Manufactured Capital	• Strategically position our branches and tailor our services to expand our customer base through targeted product offerings.
	• Equipping branches with latest digital technology to improve service levels.
Financial Capital	 Invest in process automation and IT network improvement and build capacity internally to achieve technological advancements.
	• Allocate capital to infrastructural enhancements and high- return assets, driving cost efficiencies and profitability.
	Reengineer processes whenever needed to create synergy between functions aiming to increase customer satisfaction.
Intellectual Capital	• Drive compliance across the organization ensuring all Governance standards are strictly implemented and followed.
	• Drive constant innovation in products and processes to improve customer satisfaction.
	• Forge strategic partnerships with organizations that reflect our innovative spirit to introduce pioneering banking.
Social and Relationship Capital	 Collaborate with entities that advance sustainable energy initiatives, underlining our commitment to environmental consciousness.
	• Conserve energy through renewable energy solutions, promote paperless environment and contribute to the environment by actively participating in cleanliness.

Strategy to Overcome Liquidity Problem

JS Bank actively manages the Bank's liquidity and funding to support its business strategy and meet regulatory requirements at all times, including stress scenarios. The liquidity risk is managed through a detailed risk management framework, which is approved by the Board of Directors. Under this framework, the Bank closely monitors its liquidity position by analyzing early warning indicators and various risk appetite measures, including the Liquidity Coverage Ratio (LCR) and the Net Stable Funding Ratio (NSFR). The Bank's Current, Savings and Term deposit base indicates a stable and sound liquidity position. The Bank also has a reasonable portfolio of marketable securities that can be realized in the event of liquidity stress. The Bank is fully compliant with Basel III Liquidity Coverage Ratio (LCR) and Net Stable Funding Ratio (NSFR), which shows the Bank's ability to meet its short-term funding requirements and provision of stable funding against its asset portfolio. The Bank has a well-defined Liquidity Contingency Plan for liquidity crisis management. Further, our risk management section of the report discusses detail aspect of liquidity risks.

Annual Report 2024

IDENTIFICATION AND MITIGATION OF RISKS AND OPPORTUNITIES

RISKS AND OPPORTUNITIES

Summarized risks, opportunities and related mitigating factors are documented below:

Risk Type	Materiality Rating	Residual Risk Post Embedded Controls	Source	Strategy	Impacted Capital
Credit Risk refers to the possibility that a borrower will fail to meet their financial obligations, resulting in a loss. The risk of loss arises from the borrower's failure to repay the obligation amount including principal and markup and other receivables.	High	Medium	External	Measurement: Credit Risk Management function under Credit Risk Group identifies, measures, manages, monitors, and mitigates credit risk. Credit Risk is measured and estimated through detailed quantitative financial and qualitative analysis, internal and external credit risk ratings including Obligor risk rating, facility risk ratings, and borrower's account behavior analysis. Monitoring: Ongoing monitoring of credit risk pertaining to the advances portfolio is a crucial part of managing Credit risk. The Credit Risk function carries out review of borrowers through evaluation of credit proposals and the Credit Admin Department (CAD) function under Risk Management Group, performs post disbursement monitoring including security documentation and limits monitoring. In addition, the Business function teams are continuously in contact with customers and are vigilant about any problematic behavior that may pose an imminent credit risk event. Credit Risk, in coordination with Business teams, proactively categorizes problematic accounts into Early Alert and Watchlist categories, which further aid in monitoring the advances portfolio. Management: The Bank has a diversified loan portfolio spread over Corporate / Commercial & SME Business Segments with different industry sectors. The Credit Risk function ensures the minimization of credit risk associated with borrowers. Credit & Risk Management Groups have a defined structure with credit approving authorities with Central Credit committee in place to approve large credit exposures. The Bank has fully implemented Loan Originating System (LOS) for automated credit approval process in a paperless environment to optimize the turnaround time with effective credit Risk Rating (ICRR) model for Obligor Risk Ratings (ORR) and Facility Risk Ratings (FRR) along with Environmental Risk Rating (FRR) along with Environmental Risk Ratings (FRR) along with Env	Financial

Risk Type	Materiality Rating	Residual Risk Post Embedded Controls	Source	Strategy	Impacted Capital
The risk of loss arising from potential unfavorable change in the Bank's assets and liabilities from market variables including, but not limited to, interest rates, foreign exchange rates, equity prices, commodity	High	Low	External	 Measurement: The Bank is exposed to market risk through its trading and other investment activities, including derivatives and options. VaR methodologies, augmented by sensitivity analysis, notional limits, management action triggers, stop-loss triggers at the script and portfolio levels, and stress testing, are used to capture and report the various aspects of market risk. Monitoring: The Bank has a separate Market Risk Unit under the Risk Management Group, which ensures that market risk limits do not exceed the tolerance levels set by the Board. The Assets & Liabilities Committee (ALCO) is entrusted with monitoring market risk exposures and limits through periodic meetings. 	Financial
spreads, and market volatilities				Management : The Bank follows a balanced approach to risk-taking in the market risk area. Its robust risk management framework ensures that exposures remain within the defined risk appetite. Dashboards for money market and foreign exchange exposures are presented regularly to manage limits and exposures within defined levels.	

Risk Type	Materiality Rating	Residual Risk Post Embedded Controls	Source	Strategy	Impacted Capital
Liquidity Risk The risk that the Bank is unable to offset certain positions at	High	Low	Internal & External	Measurement: The Bank measures liquidity risk as part of its liquidity monitoring activities. The purpose of liquidity risk assessments and stress tests is to ensure sufficient liquidity for the Bank under both normal and stress conditions.	Financial
marketplace or the inability of the Bank to convert assets to cash or obtain funding from other sources				Monitoring: In line with SBP's directives under the Liquidity Risk Framework and Basel III guidelines, the Bank regularly monitors liquidity risk using various tools, including the Net Stable Funding Ratio (NSFR) and the Liquidity Coverage Ratio (LCR). The Bank has also established Early Warning Indicators and Liquidity Risk Analysis tools to trigger management attention when necessary.	
				The Bank employs stress testing to assess its balance sheet's vulnerability to hypothetical stress events. Liquidity risk factors undergo significant shocks, and their impact on the balance sheet is quantified. Stress testing encompasses scenarios defined by both regulatory standards and internally identified risks. Results are communicated to senior management, the Board of Directors, and regulators.	
	manage sources The Ban liquidity	Management: The Bank follows a liquidity risk management approach to manage funding sources and intraday liquidity management. The Bank's deposit base indicates a stable liquidity position, and its NSFR and LCR are well above the regulatory requirements.			
				The Bank strategically emphasizes diversification and stability in its funding approach. Its funding base is varied, encompassing stable sources like equity, subordinated loans, retail and small business deposits, and less stable forms such as deposits from larger entities. It is fully compliant with Basel III Liquidity Coverage Ratio (LCR) and Net Stable Funding Ratio (NSFR), ensuring an ample supply of high- quality liquid assets relative to liabilities.	
				The Liquidity Coverage Ratio's (LCR) key drivers include High-Quality Liquid Assets (HQLA) and Net Cash Outflow, determined by asset liquidity quality and liability profile volatility, while NSFR's key drivers primarily include equity base, long-term funding, and High- Quality Liquid Assets.	
				ALCO has the responsibility for liquidity management and the contingency funding plan. Underlying policies are approved by the Board for liquidity, investment, and \\treasury.	
				A Contingency Funding Plan (CFP) is in place to address liquidity challenges during crises. The CFP identifies stress scenarios and corresponding funding plans, incorporating early warning indicators. Three contingency levels are defined in the CFP, with varying action plans for each level.	

Risk Type	Materiality Rating	Residual Risk Post Embedded Controls	Source	Strategy	Impacted Capital
Operational Risk It is the risk of loss resulting from inadequate or failed internal processes, people and systems or from external events. It includes legal risk, but excludes strategic and reputational risk	Medium	Low	Internal & External	Measurement and Monitoring The Bank's Operational Risk Management Framework ensures that an adequate control environment exists to identify, address, and manage operational risks. The focus is on fostering a culture wherein all employees understand that they have the primary responsibility of managing operational risk and integrate the defined control framework into their daily jobs. Effective Risk and Control Self-Assessment reviews, coupled with Key Risk Indicator reporting by the first line, enable monitoring of the effectiveness of existing controls and help readily identify improvement areas if something goes wrong. Management There is an Operational Risk Management committee (ORMC) at the management level to oversee the Bank's operational risk profile	Financial, Social, Human and Intellectual Capital
Capital Adequacy Risk	High	Medium	Internal & External	and exposure to significant operational risk events. This committee plays a vital role in setting the "tone at the top," embedding a strong operational risk management culture throughout the organization. Periodic updates on operational risk and loss events are presented to the ORMC and the board sub- committee. Measurement: The Bank has a capital base above the regulatory limits and Basel requirements and is following the predefined format and criteria mentioned in the Basel II	Financial
This risk is registered in an event when the Bank has an insufficient capital to support its business activities and to meet the regulatory requirements under normal				 and III guidelines. Monitoring: The Bank assesses the current and future capital requirements and ensures that the minimum capital requirements specified by the State Bank are adhered to. Regular assessment of capital enables the Bank to evaluate adequacy of the amount, type and distribution of capital required to cover various risks. Management: The Bank's total Capital Adequacy Ratio is above the requirement of 11.50% (including capital conservation buffer 	
and stressed situations				of 1.50%). The Bank's Common Equity Tier-1 (CET1) to total risk weighted assets ratio is also above the requirement of 7.5% (inclusive of 1.5% CCB). The Bank maintains a leverage ratio above the regulatory limit of 3.0%. The Bank will continue to accumulate profits to capitalize opportunities in short, medium and long term.	

Risk Type	Materiality Rating	Residual Risk Post Embedded Controls	Source	Strategy	Impacted Capital
Country Risk The risk of likelihood of a country unable to fulfill its obligations towards one or more foreign lenders/ investors	Low	Low	External	 Measurement: The Bank's country Risk exposure is assessed against the Bank's cross border trade and treasury activities. Risk Tolerance Limits are set for various countries with different country ratings. Monitoring & Management: Market Risk Unit and ALCO are responsible for regular monitoring of risk exposure. Country Exposure Limits both for Trade and Treasury exposures are in place, which broadly capture direct exposure on sovereigns and foreign domiciled counterparties. 	Financial
Information Security Risk This risk comprises the impacts to the Bank and its stakeholders that could occur due to the threats and vulnerabilities associated with the operations and use of information systems and the Technology environments in which those systems operate	High	Low	Internal & External	Monitoring & Management: The Bank always focuses to provide simplified banking solutions to its customers through innovative technology applications with an aim to protect the customer information from vulnerabilities and threats. The Bank has embedded various controls on the information security and consistently developing more controls. The Bank developed a risk-based approach to identify the threats and vulnerabilities and their appropriate mitigation. Controls are arranged in a layered way to value the prevention, detection and corrective measures for its operations/Data/Systems. In this regard JSBL also get benefit from local and international regulations to comply with.	Financial & Intellectual

Risk Type	Materiality Rating	Residual Risk Post Embedded Controls	Source	Strategy	Impacted Capital
Compliance Risk It is the risk of legal or regulatory sanctions, material financial loss, or loss to reputation a bank may suffer as a result of its failure to comply with laws, regulations, rules, related self-regulatory organization standards, and codes of conduct applicable to its banking activities.	Medium	Medium	Internal & External	 Measurement: The Bank takes into consideration all regulatory risks for effective management of changes in legislature and regulatory requirements that may affect the Bank. Monitoring & Management: Compliance Function of the Bank reviews key regulatory developments to anticipate changes and their potential impact on its performance. The Bank aims to keep continued compliance with regulatory requirements and is managed by maintaining a governance framework, policies, procedures, systems, and customer support arrangement with an aim to proactively minimize reputational risk. We can manage reputational risk through: Existence of a well-articulated and socialized policy statement that the Bank personnel must not engage in activities that could negatively impact its reputation Existence of Socialization of policies such as Code of Conduct, Whistle Blowing and Personal Account Dealing Refraining from activities that could lead to monetary and non-monetary fines from the Regulators Avoiding any unfavorable/ negative news in the media 	Financial & Reputational

RISK MANAGEMENT FRAMEWORK

Board's efforts for determining the company's level of risk tolerance by establishing risk management policies.

Risk Governance Structure

- Board of Directors
- Board Risk Management Committee (BRMC)
- Management Committees for Risks; including Central Credit Committee (CCC), Risk Management Committee (RMC), ALCO, Operational Risk Management Committee (ORMC), and IT Steering Committee (ITSC) to review IS related matters
- Risk Management Function under the Chief Risk Officer (CRO) broadly covers Agri Credit Risk, Market & Basel, Enterprise Risk Management, Business Continuity Planning, Operational and Environmental Risk, Consumer & Program Lending Risk, Credit Administration, Special Assets Management, Information Security, Digital Risk and Strategic Projects and Quantitative Analysis
- Credit Risk Function under the Chief Credit Officer (CCO) covers risk heads under Corporate, Commercial Banking, Investment & International Banking, and Financial Institutions (FI)

The Bank has a well-structured risk management framework which is based on three lines of defense; business and support functions directly involved in risk taking activities constitute the first line of defense, Risk and Compliance, being the second line of defense, are responsible for ensuring policies, procedures and limits are within strategic objectives and regulatory requirements, and audit function plays an independent part for oversighting as the third line of defense. Annual Report 2024

CORPORATE GOVERNANCE

CORPORATE GOVERNANCE

Role and Responsibilities of the Board

The roles, responsibilities, prohibitions, and restrictions relevant to the directors of JS Bank Limited are outlined in the Directors' Handbook, which has been prepared and approved by the Board in accordance with existing laws and regulations.

The Board is responsible for establishing the Bank's goals and strategies, as well as defining and implementing policies regarding its operations. This framework allows Management to operate within clearly defined parameters. Additionally, the Board sets priorities for the Bank and plays a crucial role in monitoring the performance of Senior Management.

Sub-Committees of the Board

To effectively fulfil its responsibilities, the Board has established several sub-committees. For each sub-committee, the Board has adopted formal Terms of Reference that detail the composition, roles, functions, responsibilities, and administration of each committee. The sub-committees meet regularly throughout the year to ensure they can carry out their duties effectively.

The current sub-committees of the Board include:

- 1. Board Audit Committee
- 2. Board Risk Management Committee
- 3. Board Human Resource, Remuneration, and Nomination Committee
- 4. Board Information Technology Committee

All Board sub-committees have access to appropriate external and professional advice as needed to assist them in fulfilling their roles.

Annual Evaluation of the Board's Performance

The Board of Directors of JS Bank establishes the strategic direction of the Bank and ensures that the organization adheres to this direction. This commitment enables the Bank to achieve its long-term objectives while maintaining regulatory compliance. To fulfil its fiduciary responsibility of safeguarding the interests of stakeholders, the Board has implemented a formal and effective mechanism for annual evaluations of its performance, as well as that of individual Board members and its subcommittees, as required by the State Bank of Pakistan and the Securities and Exchange Commission of Pakistan.

The Board of Directors of JS Bank is composed of individuals with diverse skills, core competencies, experience, and knowledge, all while being dedicated to strong corporate governance to protect the interests of the Bank and its stakeholders. The Board continuously reviews the Bank's financial and operational soundness, governance practices, internal controls, and significant policies in accordance with regulatory requirements. Additionally, specific sub-committees have been formed with defined mandates and terms of reference.

In alignment with Best Practices of Corporate Governance, the Board conducts an annual self-evaluation, engaging Grant Thornton Anjum Rahman Chartered Accountants (GT) as an external facilitator. GT employs a team of qualified consultants to perform board evaluations for companies and banks. In compliance with the State Bank of Pakistan's Guidelines on Performance Evaluation of the Board of Directors and the Listed Companies (Code of Corporate Governance) Regulation of 2019, the JS Bank Board conducted its self-evaluation with the assistance of GT. This evaluation assessed various aspects of Board performance, including the effectiveness of its sub-committees, the CEO, and the Chairman.

The evaluation was executed using a quantitative method based on subjective assessments, utilizing questionnaires developed by the consultants.

This quantitative approach has the advantage of being specific and measurable. The measurement scale used in JS Bank's Board evaluation is based on a summated rating system, allowing members to indicate how strongly they agree or disagree with given statements. This method ensures that the data collected is specific and measurable, enabling benchmarking over time.

Role and Responsibilities of the Chairman

The Chairman of the Board of Directors is responsible for leading the Board and ensuring that it fulfils its responsibilities effectively. The key responsibilities of the Chairman include:

- Presiding over general meetings of the Bank.
- Setting the agenda for Board meetings and ensuring there is adequate time for discussion.
- Ensuring that the minutes of the meetings accurately reflect what occurred.
- Keeping the minutes in accordance with legal requirements.
- Ensuring that the Board operates efficiently and in line with regulatory requirements.

Role and Responsibilities of the President & CEO

The role of the President & CEO is highly engaged and requires complete involvement in guiding the organization. This position includes the following responsibilities:

- Ensure the successful execution of the strategy developed by the Board of Directors.
- Allocate and manage organizational resources and budgets effectively to meet short- and mid-term objectives that contribute to the long-term strategic goals.
- Establish a system of checks and balances to support the growth of the Bank.
- Serve as a liaison between the Board of Directors and the Bank's Management, ensuring that management efforts align with the Board's directives.

- Promote a culture of professionalism and uphold high ethical standards within the Bank.
- Foster an organizational culture that encourages the development of innovative products and services to meet the diverse needs of our customers.

Board's Performance Evaluation

Grant Thornton Anjum Rahman Chartered Accountants (GT) carried out the Board's Performance Evaluation.

Formal Orientation Courses for Directors

Board members receive regular The updates on newly applicable laws, rules, and regulations, including any amendments, to ensure they are informed about their powers, duties, and responsibilities. When a new director is appointed, they are provided comprehensive with written materials. including extracts from relevant laws, rules, and regulations regarding the roles and responsibilities of the Board of Directors.

Directors' Training

The members of the Board are well aware of their duties and responsibilities as directors of the Bank. Out of seven directors, six have completed the Directors' Training Program, while one director is exempt from this requirement.

The Bank has an effective orientation system in place to familiarize its directors with the relevant codes, applicable laws, and their responsibilities. This enables them to effectively govern the Bank's affairs on behalf of the shareholders.

Directors' Remuneration

The Bank has an official Directors' Remuneration Policy for non-executive directors, including independent directors, which has been approved by the shareholders.

The remuneration for directors is set by the Board of Directors in accordance with applicable laws. Compensation for attending meetings of the Board and/or Board Committees is determined by the Board of Directors within a reasonable scale. However,

Executive Directors do not receive any remuneration for attending Board or Board sub-committee meetings.

Security Clearance of Foreign Director

There is no foreign director on the Board.

Board meetings held outside Pakistan

None.

Policy for Actual and Perceived Conflict of Interest

The Bank has an effective system in place to deal with conflicts of interest relating to the Board members. Under this mechanism, any director who has a business or other interest in a matter being presented at a Board meeting does not participate in either the discussion or the decision on that matter. The procedure to handle conflict of interest in the Board meetings is followed strictly and no breach occurred during the year.

Customers' Grievance Policy

The Bank is committed to enhancing customer understanding and delivering the highest levels of service quality and satisfaction. To achieve this, we have established an independent Service Quality function responsible for managing service quality, phone banking, problem resolution, quality assurance, and ensuring fair treatment of customers.

In accordance with the SBP Consumer Grievance Handling Mechanism, the Bank conducts survey every two years to assess customer satisfaction regarding our grievance handling process. The findings from these surveys are reported to the Board and the SBP, and we take proactive steps to address any areas of service that require improvement.

Our objectives include maintaining fairness in customer interactions, ensuring clear communication, fostering a service-oriented culture, and designing an effective grievance handling mechanism. Additionally, we emphasize the importance of financial literacy among our customers through our Consumer Education and Financial Literacy Program. This initiative promotes responsible behavior and informed financial decision-making. To improve the visibility of our complainthandling process, we incorporate awareness messages invarious customer communications, such as account statements, ATM screens, and letters. Furthermore, we have made information about our recourse mechanism available on social media and regularly send SMS messages and E-Shots to our customers every quarter to enhance accessibility.

Investors' Grievance

Investors may speak with the Company Secretary or go to the Bank's official touchpoints at https:// jsbl.com/touchpoints to express their complaints (against any stakeholder):

Investors can visit the SECP service desk management at https://sdms.secp.gov.pk/ sdmsadmn/ to file a complaint.

Whistle Blowing Policy

Whistle blowing policy was established to receive and handle complaints in a fair and transparent manner and providing protection to the complainant against victimization. Disclosure of such incidences reported to the Audit Committee during the year.

HR has clear Disciplinary action procedures, according to which Disciplinary Action Committee explicitly handles all disciplinary related cases in a fair and transparent manner via a standard process to ensure prompt, consistent and fair treatment for all employees. It aims to provide bank's employee a fair, clear and useful tool for correcting performance problems.

All employees (full-time, part-time, ad hoc, temporary, contract staff, interns and secondees) and outside parties are expected and encouraged to escalate any actual or suspected irregularities, financial malpractices, frauds, forgeries, and improper conduct to any/ all of the following for their attention and appropriate action:

- Head of Human Resources (HoHR).
- Chief Compliance Officer (CCO).
- Chief Internal Auditor (CIA).

The Bank has made necessary arrangements to provide safe, secure, and confidential reporting channel(s)/ mechanism and implemented a whistleblowing program so that employees and outside parties may escalate their concerns without fear of reprisal or adverse consequences.

Where whistleblower chooses to reveal his/ her identity, reasonable efforts are made to ensure confidentiality of the whistleblower's identity (unless otherwise required by law or regulatory authority) to prevent discrimination or victimization.

The whistleblower report may be shared with relevant stakeholders (for review, investigation, and appropriate action) strictly on need-toknow basis without disclosing the identity of the whistle-blower.

HoHR, CCO, and CIA take appropriate measures to protect the whistle blower from discrimination and/ or victimization.

The Internal Audit provides summary findings on significant whistleblowing cases to the BAC on quarterly basis.

The BAC reviews the effectiveness of whistle blowing procedures for receiving (through internal or external sources) complaints/ concerns. Further, The BAC ensures that such concerns are treated confidentially, and the reporting employee(s) are protected and not penalized in any manner and employees remain aware of existence of such procedures and encouraged to be a 'whistle blower'.

Related Parties Policy

Transactions with Related Parties are a normal feature of trade, commerce and business. JS Bank's Policy ensures that transactions between the Bank and its Related Parties are based on principles of transparency and arm's length pricing. The Bank ensures that it meets its obligations under The Companies Act 2017, The Banking Companies Ordinance 1962, Prudential Regulations of SBP, Code of Corporate Governance, Rule

Book of Pakistan Stock Exchange, applicable International Financial Reporting Standards and International Accounting Standards and relevant guidelines and directives while entering into and reporting transactions with Related Parties. Facilities extended to Related Parties should be at arm's length basis and on normal terms and conditions applicable to other borrowers of JSBL. Further, JSBL ensures that the standards are not compromised in such cases and market rates are used while extending facilities to the Related Parties. The details of all Related Party Transactions are placed before the Board Audit Committee and upon recommendations of the Committee, the same shall be placed before the Board for review and formal approval. In the financial statements, which are appended to this Annual Report, the Bank has included adequate disclosures regarding Related Party Transactions while maintaining required protocols.

Business Continuity Plan

The Bank has a Board of Directors' approved Business Continuity Planning Framework clearly documenting the roles and responsibilities of each stakeholder. This framework is well implemented, and regular testing are undertaken to ensure that key functions of the Bank can continue their operations from alternate processing site(s) in case the primary site(s) are not accessible or available. For technology side, Bank has Disaster Recovery Plan (DRP) under the ownership of Information Technology Group which ensures high systems availability (or near zero system downtime) for critical systems. Bank has a dedicated disaster recovery site that is geographically separated from the primary site to enable the restoration of critical systems and resumption of business operations in case of disruption at the primary site.

REPORT OF THE AUDIT COMMITTEE

The Board Audit Committee comprises of three non-executive directors including two Independent directors, one being Chairman of the Committee. The Committee members as a whole possesses rich diversified experience at various strategic positions which provides the Committee significant economic, financial, and business strength for better oversight, supervision, monitoring and control.

The Committee assists the Board to effectively carry out its supervisory oversight responsibilities on financial reporting, compliance, risk assessment and internal controls. The Committee discharged its duties and responsibilities in accordance with the Terms of Reference (TOR) as approved by the Board of Directors, requirements of the Code of Corporate Governance and other directives issued by the State Bank of Pakistan (SBP).

- The Committee ensures the Internal Audit Function of the Bank equipped with the necessary financial, human, operational, physical, and technological resources to carry out its mandated responsibilities.
- The Committee approves annual riskbased internal audit plan as part of risk assessment process.
- The Committee oversees the activities of Internal Audit Function in accordance with the Internal Audit Charter duly approved by the Committee and ensures its independence in the organizational structure.
- The Committee ensures that the internal control system including financial and operational controls, accounting system and reporting structure are adequate and effective.
- The Committee reviews the Bank's statement on internal controls prior to endorsement by the Board of Directors.
- The Committee reviews and reports to the Board any significant matter(s) identified

by the Internal Audit Function / External Auditors that warrant Board's immediate attention.

- The Committee reviews and recommends the annual financial statements and interim financial information of the Bank to the Board of Directors for approval.
- The Committee recommends appointment of External Auditors of the Bank.
- The Chief Internal Auditor (CIA) shall report functionally to the Audit Committee and administratively to the Chief Executive Officer. The overall staff strength of the Internal Audit shall be decided by the Audit Committee based on network and business volume requirements.

Meetings of the Committee

The meetings of the Committee are held to assess overall risk management and control environment of the Bank, review activities of Internal Audit Function and the actions taken by Business and Support Groups for implementation on the Committee observations. During the year, six meetings of the Committee were held and following matters (including significant matters) were discussed:

- Review and approve Risk Based Annual Internal Audit Plan.
- Review and Approve Internal Audit Charter.
- Review Quarterly Report on Internal Control System and significant findings. In addition, review the management's actions to ensure that audit observations/ recommendations receive proper and timely attention by the senior management.
- Review the annual independent assessment /opinion of CIA on the state of Bank's internal controls based on the audits conducted over the period.

- Review of quarterly, half yearly and annual financial statements; prior to their approval by the Board of Directors.
- The Committee oversight and periodically review the ICFR system for effective implementation and its continuous upgradation.
- Review the Management Letter issued by the External Auditors and Management's response thereto.
- Recommend to the Board of Directors the appointment of External Auditors.
- Review Quarterly Activity Report of Compliance.

Internal Controls Framework and Role of Internal Audit Function

The Board of Directors has promulgated policies for assessing the overall effectiveness of the internal control environment. It is the responsibility of senior management to evolve systems and procedures that ensure overall comprehensive controls in the light of Board of Directors guidelines.

To ensure effective management of risk, the governance structure of internal control functions at the Bank consists of three levels of defense. The first line of defense is the business itself which owns its risks, including its operational risk and is responsible for its management. The second line of defense is the oversight provided by the Risk Management, Compliance and control functions who identify and assess risks impacting existing and new business initiatives, coordinate risk mitigation with risk specialists and business, and then report and escalate it to the Risk Management Function for appropriate corrective measures. The last line of defense is an independent and effective Internal Audit Function which reviews the effectiveness and adequacy of internal controls and continues to monitor compliance with policies and procedures.

The Board of Directors is regularly kept up to date about the state of compliance through the Board Audit Committee. As a priority, all significant and material findings of the internal and external auditors and regulators are addressed by the management ensuring that appropriate corrective actions have been implemented.

The Bank diligently follows SBP's Guidelines on Internal Control to evaluate the effectiveness of the overall set of internal controls including financial reporting controls. A detailed documentation of bank-wide processes and controls has been completed. Furthermore, the Bank has developed a comprehensive management testing and reporting framework for ensuring operating effectiveness of key controls, and has significantly addressed the identified design improvement opportunities.

Upon satisfactory completion of all the stages of SBP's guidelines on Internal Controls over Financial Reporting (ICFR) roadmap, SBP has granted exemption to the Bank from the submission of a Long Form Report (LFR) by external auditors.

INDEPENDENT AUDITOR'S REVIEW REPORT

To the members of JS Bank Limited

Review Report on the Statement of Compliance Contained in Listed Companies (Code of Corporate Governance) Regulations, 2019

We have reviewed the enclosed Statement of Compliance with the Listed Companies (Code of Corporate Governance) Regulations, 2019 (the Regulations) prepared by the Board of Directors of **JS Bank Limited** (the Bank) for the year ended 31 December 2024 in accordance with the requirements of Regulation No. 36 of the Regulations.

The responsibility for compliance with the Regulations is that of the Board of Directors of the Bank. Our responsibility is to review whether the Statement of Compliance reflects the status of the Bank's compliance with the provisions of the Regulations and report if it does not and to highlight any non-compliance with the requirements of the Regulations. A review is limited primarily to inquiries of the Bank's personnel and review of various documents prepared by the Bank to comply with the Regulations.

As a part of our audit of the financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board of Directors' statement on internal control covers all risks and controls, or to form an opinion on the effectiveness of such internal controls, the Bank's corporate governance procedures and risks.

The Regulations require the Bank to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board of Directors for their review and approval, its related party transactions. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board of Directors upon recommendation of the Audit Committee.

Based on our review, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Bank's compliance, in all material respects, with the requirements contained in the Regulations as applicable to the Bank for the year ended 31 December 2024.

SALIENT FEATURES OF BOARD COMMITTEES' TOR

Board Audit Committee (BAC)

- The Audit Committee shall review the effectiveness of the Bank's internal control and operational controls, integrity and adequacy of financial reporting and appraise the audit efforts of the Bank's external auditors and internal audit function; and review the Bank's process for monitoring compliance with relevant laws and regulations.
- Monitoring compliance with the best practices of corporate governance and identification of significant violations thereof.
- Consideration of any issue or matter as may be assigned by the Board of Directors.
- Report to the Board any significant matter(s) identified by the IAF / External Auditors that warrant the Board's immediate attention.
- Review of BAC performance on an annual basis against the defined roles and responsibilities.
- Ascertaining that the internal control system including financial and operational controls, accounting system and reporting structure are adequate and effective.
- Determination of appropriate measures to safeguard the Bank's assets.
- Determination of compliance with relevant statutory requirements.
- Review the Bank's statement on internal controls prior to endorsement by the Board of Directors.
- Consider and approve the Internal Audit Charter.
- Review and approve Risk Based Annual Audit Plan.

- Review scope and adequacy of IAF and ensure that IAF has adequate resources and is appropriately placed within the Bank.
- The BAC shall ensure that IAF remains equipped with the necessary financial, human, operational, physical and technological resources to carry out its mandated responsibilities.
- Review major findings of special reviews, internal and external frauds, internal control deficiencies and significant audit issues and ensure audit recommendations have been effectively implemented.
- Review action taken by Business and Support Groups for implementation of Audit
- Committee observations on issues deliberated in Committee meetings.
- The BAC shall formulate and document 'Key Performance Indicators' (KPIs) for CIA and
- evaluate his/her performance against the set KPIs on an annual basis.
- The BAC shall ensure independence of any investigations/ disciplinary actions against CIA and Internal Auditors.
- Review quarterly, half-yearly and annual financial statements of the Bank, prior to their approval by the Board of Directors and any announcements to be made in the public domain with regard to these accounts.
- The committee shall review the Related Party transactions and recommend the same for review and approval by the Board of Directors.
- Recommend to the Board of Directors the appointment of External Auditors

and consider any questions of their • resignation or removal, audit fees and provision of other services in addition to audit of financial statements.

- Discuss with External Auditors, major observations arising from interim and final audits and any matter that the auditors may wish to highlight (in the absence of management, where necessary).
- Review the Management Letter issued by the External Auditors and Management's response thereto.
- Ensure coordination between the Internal and External Auditors of the Bank.
- The Compliance Department shall periodically, every quarter, report to the Board Audit Committee on the Bank's management of its compliance risk and identified gaps, in such a manner as to assist the Committee to make an informed judgment on whether the bank is managing its compliance risk effectively.

Board Risk Management Committee (BRMC)

Ensure implementation of all Risk Management Policies approved by the Board and subsequent monitoring thereof and periodically oversee updating of the risk policies (if the same have not already been approved/reviewed by the BOD) based on changing business requirements as well as SBP guidelines.

- Portfolio Reviews including NPLs, remedial actions, and strategy for the same.
- To approve/review the list of shares and margins to be accepted as collateral for Financing Against Shares (FAS). Also, to approve/ratify any exceptions to existing FAS requirements as laid down in the Credit Policy of the bank.
- Approve/review Sector / Industry Concentration guidelines for the overall credit portfolio of the Bank;

- To approve/ratify credit bulletins issued by RMG from time to time for effective implementation of Credit Policy / Risk Management Framework.
- To ratify any other urgent matter which has been approved by the management subject to subsequent ratification by the Committee;
- Review the Market / Liquidity limits as recommended by ALCO / IRMC / CCC as when required.
- Review the risks and other relevant matters with respect to Digital Financial Services including overseeing the effectiveness of the Digital Fraud Risk Management Unit.
- Delegation of powers to the President / CEO & Group Head Risk Management to appoint credit officers, based on their experience and ability to understand associated risks while approving the credits;
- Review of Quarterly Fraud & Forgery statement / report.
- Review any other risk related matters / regulatory changes that warrant discussion at the committee.

Board HR Remuneration & Nomination Committee (BHRRNC)

- Recommending Human Resource management policies to the Board
- Review and recommend to the Board selection, evaluation, compensation, increments, performance bonuses, succession planning, fringe benefits including service end benefits of the Executive Directors, CEO, Key Executives, and any other employee or group of employees institution-wide (as required by the Board).
- Consideration and approval on recommendation of CEO on such matters

for key management positions who report directly to the Chief Executive Officer or Chief Operating Officer or Deputy Chief Executive Officer.

- The Committee shall assess whether the remuneration policy is aligned with the significant regulatory requirements including Guidelines on Remuneration Practices issued by the State Bank of Pakistan (SBP). The review may focus on the following:
 - Criteria for identification of personnel who may subject the Bank to significant risks i.e. Material Risk Takers (MRTs) and Material Risk Controllers (MRCs).
 - Remuneration principles including the concept of fixed and variable remuneration, risk-adjusted balanced scorecard mechanism to ensure alignment of remuneration with long-term and short-term business objectives of the Bank and incorporate necessary risk adjustments.
 - Major types of risks and how these are taken into account for determination of risk-adjusted compensation.
 - Separate structures of remuneration for MRTs and MRCs.
 - Review of scorecards for MRTs and MRCs and their performance evaluation mechanisms.
 - Criteria for determining the variable portion of remuneration to be deferred, the period of deferral for different types and levels of employees identified as MRTs or MRCs and the payout structure of deferred remuneration.
 - Ensure that institution-wide remuneration policy should take into account all cadres of employees. The remuneration policy should specifically take into account the pay gap between the highest-paid and

the lowest-paid employees, across various levels as well as across the organization.

- Review the Bank-wide program for of Guidelines implementation on Practices. Remuneration including necessary awareness and change management initiatives, review, progress against roadmap for onward reporting to State Bank of Pakistan (SBP).
- Review the remuneration policy and remuneration setting mechanism at least once every three years. Amongst other factors, the review of remuneration framework may include but not limited to the effectiveness of remuneration policy and mechanism.
- Review and obtain approval for fixed and variable compensation pools from the Board of Directors.
- Approve development of a fund for deferred compensation pool management and monitoring progress there against.
- Role of BHRRC in facilitating enablement of Internal Audit and Compliance role in implementation reviews, as per Guidelines on Remuneration Practices.
- Receive and consider information from the Bank's risk management, compliance and internal audit functions, to assess the appropriateness of the compensation system relative to the organizational goals and risk profile of the Bank.
- Grievance handling & Disciplinary Action Policy
- Guidance for performance management, annual increment and employee recognition programs.
- Monitoring the utilization of and development training budget, and implementation of approved training and development policy.

- Review and approval of Provident Fund,
 Gratuity Fund policies and any other separation benefits or schemes.
- Those matters wherein ratification/

 approval of the Board will be required, the
 Secretary BHRRC with the approval of its
 Chairman shall forward Memoranda to the
 Company Secretary for placing before the
 Board of Directors.

Board Information Technology Committee (BITC)

The Board IT Committee shall be mainly responsible for advising and reporting to the Board on the status of technology-related activities, major IT projects and digital initiatives within JS Bank including but not limited to the following:

- To review IT and Digital strategies and relevant policies before submission to the Board and make recommendations for strategic decisions on IT-related matters.
- To review progress and implementation of the IT Strategic Plan and deliberate changes to it, as and when required.
- To ensure the alignment of IT strategy with business strategy, optimization of resources, value delivery and performance measurement to achieve business objectives and effective technology risk management.
- To ensure that risk management strategies are designed and implemented that have the capability to respond to wide-scale disruptions, including cyber-attacks and attacks on multiple critical infrastructure sectors.
- To review the progress and implementation of various IT projects.
- To make recommendations on major IT investment decisions and ensure that investments are aligned with IT Strategy approved by the Board.

- To review and approve cloud-based outsourcing arrangements in line with the policy approved by the Board of Directors.
- To review and approve TORs of IT Steering Committee.

MANAGEMENT COMMITTEES

IT GOVERNANCE AND CYBERSECURITY

Technology governance is a critical component of the Bank's corporate governance framework, leadership organizational comprising and structures designed to align IT strategy with business objectives. It ensures optimal resource utilization, value delivery, performance measurement, and effective technology risk management. In today's rapidly evolving digital landscape, the role of technology in enhancing corporate governance has never been more significant, making robust governance of technology and technology-driven business developments essential.

comprehensive enterprise technology Α governance framework, built on industry best practices, enables banks to develop innovative products and services while effectively managing technology-related risks. This framework identification. facilitates the assessment. mitigation, monitoring, and reporting of technology-based threats. The fundamental principle underlying such a framework is that an institution's technology requirements must follow a structured process, starting from a business need and culminating in a technology solution that aligns with board-approved policies and senior management directives. Given the fastchanging technology environment, technology governance must be treated as a continuous process rather than a one-time effort.

The primary objectives of the technology governance framework include:

- Evaluating the current and future use of technology
- Directing the formulation and implementation of policies and strategic plans to ensure that technology meets business goals
- Monitoring compliance with policies and performance against established benchmarks

The framework is built upon key governance principles, including:

- Strategic alignment between IT and business objectives
- Value delivery to the business
- Technology risk management
- Resource optimization, including project management
- Performance measurement and continuous improvement

The technology governance framework must be closely integrated with the Bank's corporate governance structure and include policies and procedures that enhance oversight, transparency, and accountability in technology usage. The Bank is encouraged to adopt relevant international standards and best practices to ensure effective and efficient enterprise technology governance.

Board Oversight on IT Governance and Cybersecurity

The Board Information Technology Committee (BITC) oversees the Bank's technology direction and risk management, ensuring that Information Technology remains a key differentiator in the Bank's strategy. It is responsible for overseeing the development and implementation of policies, principles, standards, guidelines, and methodologies related to information security, aligning with international Information Security Standards.

The Board receives periodic updates from Steering Committees to monitor future trends in technology-related projects, digital strategy, and cybersecurity risks. It also reviews strategic direction, legal and regulatory frameworks, and other critical aspects to position the Bank as a leader in digital banking solutions.

To ensure uninterrupted business and IT services, the Bank maintains specialized Business Continuity Planning (BCP) and Disaster Recovery (DR) sites. Additionally, the Bank has implemented a cyber-insurance policy covering:

- Cyber extortion
- Crisis management and event expenses
- Defense against privacy regulatory actions and penalties
- Security and privacy liability
- Loss of digital assets

Information Security Governance

The Information Security Governance and related Cyber Security programs at JS Bank are led by the Chief Information Security Officer (CISO) under an independent Information Security Department. The CISO reports to the Chief Risk Officer and is responsible for managing and mitigating information and cybersecurity risks, including policy and strategy development, procedural implementation, measurement methodologies, and regulatory compliance.

The Bank follows international industry best practices, particularly those outlined in ISO 27001/27002 standards.

The Board receives regular reports on technology risks, ensuring that these risks are integrated within the Enterprise Risk Management (ERM) function. This approach helps achieve security, reliability, resilience, interoperability, and recoverability of the Bank's information assets.

The Bank's Information Security Division operates a specialized 24/7 Security Operations Center (SOC) to monitor, detect, and respond to cybersecurity incidents. Administrative and technical cybersecurity controls are in place to safeguard against threats, and the Board is regularly informed about the Bank's overall cybersecurity risk posture and key risk indicators (KRIs).

As part of its cybersecurity risk management, the Bank evaluates technology infrastructure and security services. While in-house security assessment capabilities exist, independent vendors and consultants are periodically engaged to conduct cybersecurity risk assessments on critical systems and services, such as:

- Banking Systems (SWIFT)
- Regulatory compliance requirements, including external audits of Payment Card Systems (PCI-DSS) by the PCI Council

The Bank has also partnered with service providers to quickly detect and mitigate any fraudulent activities targeting the Bank.

BITC Meetings and Cybersecurity Oversight

The BITC meets quarterly, during which the CISO provides updates on the status of cybersecurity. At the Board level, the committee ensures that risk management strategies are designed and implemented to enhance resilience, enabling the Bank to effectively respond to large-scale disruptions, including cyberattacks and threats to critical infrastructure.

Additionally, BITC oversees the implementation of compliance and regulatory requirements and provides guidance on cybersecurity matters to strengthen the Bank's overall risk posture.

Digital Transformation and Innovation

To deliver secure and user-friendly services, the Bank is continuously rethinking traditional business models. The digital transformation strategy focuses on:

- Integration with digital FinTech companies to offer innovative banking solutions
- Enhancing efficiency, productivity, transparency, reporting, and governance
- Email communication advancements, such as adopting Google Workspace, which includes:
 - Gmail, Contacts, Calendar, Meet, and Chat for communication
 - o Drive for storage
 - Google Docs, Sheets, and Slides for real-time collaboration, including in-app chat, commenting, and direct editing

Information Security Awareness and Risk Management

The Bank runs an Information and Cyber Security Awareness Program to educate employees and users on cybersecurity best practices. Recognizing that information security is a shared responsibility, the Bank promotes adherence to security measures to collectively safeguard the digital environment.

The Board and Executive Management remain vigilant about cyber risks, supported by a comprehensive strategy for regular evaluations of technology risks and controls. These assessments are conducted both internally and by independent third parties to ensure compliance and effectiveness.

Additionally, all products and services are launched only after passing rigorous risk assessment procedures, including legal and compliance screening. This ensures that the Bank maintains a secure and well-governed digital ecosystem.

HUMAN RESOURCE MANAGEMENT POLICIES

Our HR policies provide written guidance for all our management on how to handle a range of employment issues. They play an important role in practically and effectively implementing our HR strategy. They also provide consistency and transparency for employees and managers, helping to enhance the psychological contract and create a positive organisational culture.

As all transformations primarily start and are dependent on its people, at JS Bank, we developed the People Strategy to play a fundamental role in making JS Bank, The Bank of Choice for both our customers and our employees.

The People Strategy was directly linked to our Business Strategy and set the direction for all the key areas of HR, including sourcing, hiring, onboarding, performance management, learning & development, talent management, succession planning and reward & recognition. One of the key pillars realized for the People Strategy was to hire Right Person for the Right Role. This is being achieved by efficiently planning our workforce capacity, initiating competency-based assessments for key job roles and improving Candidate Experience. Further to sustain the strategy, values driven culture was invigorated by assigning the central leadership with the task of creating a humanistic workplace.

SPEAK UP POLICY

Overview

JS Bank is focused on consistently working at the best standards to conduct our activities and business. Integrity is our core value and ingrained in all our business conduct. We endeavor to acquire and maintain the trust of all our stakeholders- employees, customers and partners by serving and managing them professionally and ethically. Speak up policy is established to receive and handle complaints in a fair and transparent manner and provide protection to complainant against victimisation.

Purpose

The policy provides a channel to Bank's staff and external parties such as shareholders, vendors, customers etc. for raising concerns/ complaints about internal business practices

that are inconsistent with generally accepted accounting principles, falsification, alteration or substitution of Bank records, violation of JS Bank's Code of Conduct including: conflicts of interest, Inaccuracy of books and records, insider trading, Collusion with Competitors, money laundering, failure to comply with the various compliance programmes of the Bank, authorising, directing or participating in serious breaches of Bank policy, deliberately failing to report serious breaches of policy, concealing such breaches, or deliberately withholding relevant information concerning a serious breach, or any other wrongdoing without any fear of reprisal or adverse consequences. The objective of the programme is to address/ resolve these concerns/ complaints to prevent and/or detect improper activities for safeguarding the interest and reputation of the Bank and its stakeholders.

Reporting

All speak up incidences are reported to the Audit Committee during the year. HR has clear disciplinary procedure policy according to which Disciplinary Action Committee explicitly handles all complaints in a fair and transparent manner via a standard process to remove all kinds of biasness and ensure victims and witness's protection. This is also supported by Grievance Redressal and Harassment at Workplace policies.

Protection of Whistleblowers

As a critical element of the policy, reporting employees are provided with complete confidentiality and security. No adverse employment action, e.g., termination, lower appraisal rating, etc., shall be taken against the whistle-blower employee in retaliation for reporting the incidents on impropriety falling within the scope of Code of Conduct and Whistle-blowing Policy/ Process. In line with the policy guidelines, employees are encouraged to remain vigilant and in case of detecting any abnormal/in appropriate/ criminal matter, immediately report the same.

Incentives for Whistleblowing

Complainant may be awarded spot award (monetary) and recognition, depending upon the nature and gravity of the concerns/ complaints.

Diversity and Inclusion Policy

JS Bank seeks and values diversity among its employees, recognising that a mix of people enriches our Bank and is essential to creativity and business growth. As a bank, we are committed to equal employment opportunity and unbiased treatment of all individuals based on job-related qualifications and without regard to race, color, gender, age, national origin, religion, creed, sexual orientation, gender identity, marital status, citizenship, disability, veteran, status or any other basis prohibited by law. Our people are expected to support the Bank's commitment to diversity and equal employment opportunity. At JS Bank, diversity and inclusion are at the core of our culture. We have made sure to entail to every aspect on our journey when it comes to diversity and inclusion. Be it for women empowerment, people with disabilities or different religious beliefs and background, we have been the ambassador of equity in rights for everyone. It is our priority to bring in programmes to ensure diversity is not only mentioned in words, but in spirit and action. We collaborated with NOWPDP to not only train but hire a batch of people with disabilities into our workforce. making sure they have same responsibilities and same rights as other colleagues. We are the first Bank in the market to establish such a standard, along with ensuring our culture is sensitised and inclusive for dealing with them on a regular basis. For women, we are doing multiple initiatives including but not limited to Reboot-for females returning to work after career break, lean-in, and creating a digital eco system to enable female entrepreneurs to enhance their business reach and potential, allowing them spaces to grow and earn. We make sure to celebrate every occasion with our people, be it Eid, Christmas, or Diwali. We cherish each of our colleague and do not stay apart from making them feel special. We also won the Global Diversity and Inclusion Award 2020 and 2021 for all our diversity initiatives and policies.

Code of Conduct and other Ethical Values Promoted by the Board

The Code of Conduct is designed to guide the personal business ethics of JS Bank. It applies to every employee of JS Bank. Employees are expected to read the document promptly upon receiving it and embracing it into their daily conduct. At JS Bank, we earn the trust of our customers, regulators, investors and each other by always acting with integrity and holding ourselves to high standards. Acting according to our Code of Conduct is vital for us to be a Bank that achieves sustainable success. In addition to the ethical guidelines included in the Code, employees must comply with the requirements of all applicable laws and regulations. This is mandatory for everyone and is not subject to business priorities or individual discretion. We aim to create an environment in which "speak up" and challenge are not just welcomed and respected, but are also a core part of our responsibilities, especially where actions or failures to act are inconsistent with this Code.

Our Values

Integrity – We earn the trust of our customers, other stakeholders, communities and each other by acting with honesty and integrity and holding ourselves to high ethical standards. We seek to maintain open, credible, constructive and transparent relationships between ourselves, our customers and with our regulators.

Customer centricity – We place customers at the center of our activities. To be successful, we must understand the rapidly changing needs of our customers. We aim to provide solutions to support them in value creation. In providing our services, we aim to exceed their expectations from what we promise and treat them fairly.

Teamwork – Teamwork enables individuals to achieve bigger goals which foster a culture of trust and support. We believe in supporting each other and putting team before individual performance. We respect diversity and promote inclusion.

Professional excellence – We have a persistent commitment towards excellence. Our Bank is committed to generating sustainable value by responsibly balancing risks and returns, and by putting long-term success over short-term gain. We do so by implementing and creating abundance of choice for customers.

Innovation – We continuously embrace new and better ways of doing things while taking account of potential risks. Innovation is essential to our success, as it gives us an edge in implementing new ideas, refining services and creating dynamic products leading to business growth by effectively adapting the evolving marketplace.

Anti-Harassment Framework at JS Bank

JS Bank maintains a stringent Anti-harassment policy, firmly committed to fostering a safe and respectful workplace environment for all employees. The bank recognizes that harassment in any form undermines individual dignity, impedes productivity, and compromises the overall integrity of the workplace.

The anti-harassment policy at JS Bank is governed in line with 'Protection against Harassment of Women at the Workplace Act, 2010 as amended in 2022' ("Act").

Our anti-harassment policy outlines clear guidelines and procedures for addressing and preventing harassment. It defines harassment broadly, encompassing various forms such as verbal, physical, and non-verbal conduct that creates an intimidating, hostile, or offensive work environment. This includes unwelcome advances, derogatory remarks, or any behavior that undermines an individual's dignity and well-being.

The policy emphasizes zero tolerance for harassment and encourages employees to reportany incidents promptly and confidentially by sending an email at Anti.harassment@ jsbl.com. JS Bank ensures that all complaints are thoroughly investigated with sensitivity and impartiality, and appropriate disciplinary action is taken against perpetrators.

The Bank has a standing Inquiry Committee which has the mandate to conduct the inquiry, investigate the matter and counsel the victim in harassment – including sexual harassment – at workplace. All proceeding(s) are maintained in writing for the record purpose which remain confidential unless the Competent Authority orders to disclose all or any part of the proceeding's record.

The Inquiry Committee consists of 03 members out of which 01 member is a female. The Inquiry Committee may also add member(s) in the committee on case-to-case basis, if necessary.

Furthermore, JS Bank is dedicated to fostering a culture of respect, diversity, and inclusion through its in-house Gender sensitivity Program, Hum Qadam which is mandatory for all employees. Additionally, E-Learning modules on Harassment at Workplace and Code of Conduct are mandatory for all employees as per the regulatory mandate. Regular awareness emailers are sent out to educate employees about their rights and responsibilities concerning harassment prevention and response. Additionally, the bank promotes open communication channels and provides support resources for employees who experience harassment or witness such behavior.

By upholding its anti-harassment policy, JS Bank demonstrates its commitment to creating a workplace where every individual feels valued, respected, and empowered to thrive professionally. This proactive approach not only enhances employee morale and wellbeing but also reinforces the bank's reputation as an ethical and responsible corporate citizen within the financial sector.

Remuneration for MRTs

The compensation mix for MRTs is appropriately balanced and the amount of fixed remuneration is sufficiently high in order to ensure that the reduction of the variable remuneration down to zero would be possible.

Further, the variable remuneration of MRTs will be compensated on achieving the predetermined qualitative and quantitative objectives considering the risk-adjusted performance and long-term health of the Bank. The qualitative factors may override the achievements of quantitative factors in order to discourage undue/excessive risk taking.

Remuneration for MRCs

The remuneration level of staff in the control and support functions/ MRCs allows the Bank to employ qualified and experienced personnel in these functions. The Bank ensures that the mix of fixed and variable remuneration for control and support function personnel is weighted in favour of fixed remuneration. The variable remuneration of control functions is to be based on function-specific objectives and is not determined by the financial performance of the business areas they monitor. This compensation structure is designed to ensure that objectivity and independence of these functions is not compromised.

Deferral of variable remuneration

The variable compensation of all MRTs, MRCs, and in case of Bahrain operations, approved persons (APs) is subject to mandatory deferrals and malus/ claw back in accordance with the below table:

Deferred variable remuneration is paid proportionately over the three years, even if the person is no more employee of the Bank (subject to the malus provisions).

Malus and Claw back

The Bank has devised malus and claw back provisions in the relevant policies that allows forfeiture/adjustment of paid variable remuneration in certain adverse business situations. Any decision to hold or claw back individual's award can only be made by the BHRRNC of the Bank as per events set out in detail in the Bank's remuneration framework and accountability framework.

Employees	Element of Variable Pay	Constitution	Vesting Period	Malus	Claw Back
MRTs	Upfront cash	70%	Immediate	-	No
MRTs	Deferred cash	30%	3 Years	Yes	No
MRCs	Upfront cash	75%	Immediate	-	No
MRCs	Deferred cash	25%	3 Years	Yes	No
MRTs and APs (Bahrain)*	Upfront cash	40%	Immediate	-	No
MRTs and APs (Bahrain)*	Deferred cash	60%	3 Years	Yes	Yes

* MRTs and approved persons earning over BHD 100,000 in total compensation.

THIS PAGE HAS BEEN LEFT BLANK INTENTIONALLY

BUILDING FINANCIAL INDEPENDENCE

Work towards financial independence by creating multiple income streams and building assets. Focus on growing your equity through regular savings and investments to enjoy a comfortable life without relying solely on one job.

SUSTAINABILITY AND CORPORATE SOCIAL RESPONSIBILITY

SUSTAINABILITY AND CORPORATE SOCIAL RESPONSIBILITY

Sustainability and HR Initiatives towards Corporate Responsibility

At JS Bank, sustainability is more than a set of practices – it is embedded in our business philosophy and culture. We understand the importance of responsible actions in addressing global challenges such as climate change, inequality, and sustainable development. Our CSR and sustainability initiatives reflect our commitment to creating positive environmental, social, and economic impact, as we aim to lead the banking sector towards a more inclusive, sustainable future.

Pioneering Green Initiatives

JS Bank continues to lead the charge in driving sustainability across Pakistan. With an unwavering commitment to addressing climate change, we actively champion initiatives that create lasting environmental and social impact.

Green Banking

Integrating Environmental and Social Responsibility in Every Decision

Our Green Banking Office plays a pivotal role in ensuring that environmental and social factors are fully integrated into our banking operations and decision-making processes. We are dedicated to identifying and mitigating both social, climate and environmental risks, while also supporting our clients in managing these risks, reducing their carbon footprints, and addressing potential social impacts.

compliant SBP's We are with Green Banking Guidelines, we have implemented Environmental comprehensive and а Social Risk Management Framework. This framework fosters greater awareness of the risks associated with credit extension, while establishing clear procedures and authorities to effectively manage and mitigate these risks, ensuring that sustainability remains at the heart of our banking practices.

Green Climate Fund Accreditation

At JS Bank, we are committed to driving transformation through strategic institutional arrangements, streamlined systems, and robust policies that reinforce our dedication to sustainable initiatives.

A significant milestone in this journey has been our accreditation by the Green Climate Fund (GCF), making us the first financial institution in Pakistan to achieve this distinction. This accreditation provides us with access to USD 250 million in GCF funding, enabling the execution of climate-resilient projects in both mitigation and adaptation areas.

Green Office Certification

Leading by Example

JS Bank achieved a significant milestone by becoming the inaugural commercial bank in Pakistan to receive certification for the Green Office Program from WWF-Pakistan for its headquarters at Shaheen Commercial Complex in Karachi in 2017. This achievement highlights the Bank's commitment to sustainability and environmental responsibility. The Green Office Program is designed to reduce greenhouse gas emissions and minimize the ecological footprint at the workplace through various initiatives, including reducing electricity consumption and paper waste. JS Bank remains dedicated to these efforts, ensuring a greener and more sustainable future in line with global environmental goals.

Powering Pakistan's Green Transition

In line with our commitment to renewable energy, JS Bank offers solar financing solutions that enable individuals, businesses, and farmers to reduce their reliance on the national grid and produce clean, renewable energy. Under the SBP Renewable Energy Scheme, JS Bank initially supported solar energy projects and later transitioned to offering tailored solar financing solutions to meet the growing demand for clean energy.

In 2024, JS Bank financed over 325 solar projects across residential, agricultural, and commercial sectors. This initiative is pivotal in supporting

Pakistan's energy transition, as it not only promotes the use of renewable energy but also helps reduce carbon emissions and energy costs for our customers.

JS BANK'S INITIATIVES FOR UNITED NATIONS' SUSTAINABLE DEVELOPMENT GOALS (SDGS)

SDGs are a set of 17 goals established by the United Nations in 2015 as part of the 2030 Agenda for Sustainable Development. These goals aim to address global challenges such as poverty, inequality, climate change, environmental degradation, peace, and justice. Each goal has specific targets to be achieved by 2030. At JS Bank, we continuously strive to synchronize our operations and endeavors with the Sustainable Development Goals, for a world that is more equitable, prosperous, and environmentally sustainable by the year 2030.

SDG Goal 3 - Good Health and Well-being

In our pursuit of creating sustainable well-being for all, JS Bank recognizes that health and mental resilience are integral to thriving in every aspect of life. We have implemented several programs to promote physical health, mental well-being, and overall self-care for our employees and the wider community.

JS THRIVE: Fostering Well-being in the Workplace and Beyond

JS Bank launched the JS Thrive initiative back in 2023, which extends beyond financial success to foster physical health, mental resilience, and emotional well-being. Through JS Thrive, we aim to create an environment where employees, communities, and businesses can flourish holistically. Our programs, such as 'Manage Emotions for Financial Well-being' and "Habits Harming You," help employees foster healthier mindsets and personal growth. The "Move in May Challenge" and "Relaxation Day" encourage physical and mental wellness, while "Self-Care Day" and gratitude journals promote stress management and reflection. By promoting mental health, increasing access to healthcare, and supporting overall well-being, we continue to build a sustainable future that helps individuals thrive.

Promoting Health through Awareness and Education

Pinktober 2024: JS Bank launched a campaign for Pinktober, aiming to educate employees about breast cancer prevention. As a part of the Pinktober and to raise awareness, promote early detection JS Bank Mobile icon was changed to Pink showing solidarity with those who are affected.

Session on Hepatitis Awareness and Physical Health Habits: In collaboration with Ziauddin Hospital, we held a Hepatitis Awareness Session, led by Dr. Khurram Baqai. This session highlighted the importance of early diagnosis and preventive measures for hepatitis. To empower employees further, free hepatitis screening tests were offered, encouraging proactive health management. Also held sessions focusing on the nutrition and physical health habits that can negatively impact one's life.

Self-Care Day Bulletin: JS Bank recognized International Self-Care Day by highlighting the importance of self-care and well-being in the workplace by encouraging employees to prioritize their well-being through simple actions like taking short breaks, staying hydrated, practicing mindfulness, and maintaining healthy snacks.

Mental Health Awareness: In Oct 2024, JS Bank hosted a workshop titled "Managing Mental Health with NLP", focusing on the Visual-Kinesthetic (VK) Dissociation technique as a method for managing negative emotions and stress. By incorporating research-backed methods from Neuro-Linguistic Programming (NLP), the workshop empowered participants to dissolve negativity, recover from emotional setbacks, and improve overall mental well-being.

SDG Goal 5 - Gender Equality

JS Bank aims to achieve gender equality and empower all women by eliminating discrimination based on gender. It also seeks to ensure equal participation and opportunities for leadership. In 2024, women made up approx. 26% of the 1529 individuals admitted into JS Bank.

Gender Pay Gap Statement Under SECP Circular No. 10 of 2024

Following is the gender pay gap circulated for the year ended 2024:

Mean Gender Pay Gap = 33.0%

Median Gender Pay Gap = 33.3%

Basir Shamsie

President & CEO Karachi: February 28, 2025

Women Development Initiatives

JS Bank is committed to empowering women through a variety of initiatives that foster growth, inclusion, and leadership. In 2024, the bank introduced a Childcare Assistance Program to support working mothers, helping them balance work and family responsibilities. The Women's Leadership Development Program was launched to equip female managers with leadership tools, promoting a more inclusive and diverse workplace. Additionally, the Speed Mentoring & Networking Program provided valuable career guidance and networking opportunities to accelerate women's professional growth. The introduction of the Female Universal Teller Program brought 63 women into branch operations, providing specialized training for future leadership roles. Leadership coaching session for senior female executives and the Remote Personal Banking Consultants Program further supported women's career advancement with flexible work opportunities. Furthermore, JS Bank raised awareness about breast cancer through the Pinktober Campaign, offering educational sessions and promoting open discussions around health. These initiatives demonstrate the bank's ongoing commitment to gender equality, community well-being, and sustainable growth by empowering women at every stage of their professional journey.

On International Women's Day 2024, JS Bank hosted a memorable event to honor the achievements of women in the workplace and society. The event featured inspiring talks from prominent female leaders and entrepreneurs, such as Nausheen Ahmad and Sabika Shah, who shared their personal journeys and empowered attendees. We also supported female entrepreneurs by sending thoughtfully curated gift packages created by women-led businesses. This gesture highlights our commitment to supporting female entrepreneurship, and the event concluded with a cultural gawwali performance, leaving all participants feeling uplifted and motivated. This celebration reinforces our dedication to creating a culture that celebrates and supports women at every level.

JS Khud Mukhtar and JS Her Accounts

Through these specialized products, we provide financial services designed to empower women entrepreneurs in Pakistan. The JS Khud Mukhtar program offers businesswomen access to financing through the SBP's Refinance and Credit Guarantee Scheme for Women, while JS Her provides tailored banking services, including benefits such as free micro critical illness cover for women-related cancers. JS Bank also launched two new female-centric debit cards: JS Her Titanium and Her Zindigi Wallet. These cards are designed to cater specifically to women's banking needs, offering added benefits and making financial services more accessible and inclusive.

Banking on Equality Vertical Launch on the Website

In 2024, JS Bank launched the Banking on Equality section on its website, showcasing our dedication to financial inclusion and women's empowerment. The section highlights womencentric businesses partnered with our JS Her Entrepreneurial Community, offering special discounts on a range of products, from food to apparel. This initiative reflects our commitment to supporting women entrepreneurs and driving financial independence for women across Pakistan.

Banking on Equality Sessions at Educational Institutes

To extend our efforts beyond banking, JS Bank hosted Banking on Equality sessions at key educational institutes such as GIFT University in Gujranwala, PUGC, Lahore College for Women and IISAT. We also conducted a session at the AKUH board, where over 100 women entrepreneurs participated. These sessions aimed to empower women with the knowledge and tools to succeed in business and leadership roles. Our work was recognized by the State Bank of Pakistan, which awarded JS Bank a trophy for our outstanding contributions to promoting gender equality.

Launch of JS Her Entrepreneurial Community – The Startup Story

In line with our commitment to empowering women entrepreneurs, we introduced the Her Entrepreneurial Community to provide support and resources for home-based women entrepreneurs. The inaugural "Her Entrepreneurial Tea Meet & Greet" offered these business owners a platform to share their stories and network with one another, while also receiving essential financial advice. This initiative culminated in an MOU signing ceremony on 16th February, marking a significant milestone in our journey towards women's empowerment.

Hum Qadam Program

Through our program, Hum Qadam, we aim to instill gender sensitivity in our employees, fostering a respectful workplace by raising awareness and equipping them with the necessary knowledge and skills for respectful interactions with colleagues.

SDG Goal 7 - Affordable and Clean Energy

JS Bank's offers solar financing which are renewable energy financing solutions enabling individuals, businesspersons and farmers to generate cost effective energy with reduced dependence on the grid. In 2024, JS Bank successfully financed over 325 solar projects for residential, agriculture and business purposes.

SDG Goal 8 – Decent Work and Economic Growth

JS Bank is dedicated to promoting sustainable economic growth and decent work for all. We focus on fostering job creation, supporting entrepreneurship, and providing financial services that empower individuals and businesses. Our initiatives aim to drive inclusive economic growth, enhance financial inclusion, and contribute to long-term prosperity for all communities in Pakistan.

We have supported the affordable housing sector through the Mera Pakistan Mera Ghar (MPMG)

scheme. This initiative was which was initiated by SBP, offered affordable home financing solutions to individuals from low and middleincome backgrounds, making homeownership more accessible.

In 2024, we actively participated in career fairs to connect with diverse talent pools, create job opportunities, and promote inclusive hiring practices. Our participation reflects our dedication to fostering an environment where all individuals, regardless of background, have the chance to showcase their potential and explore career paths in the banking sector.

We are proud to have introduced JS 3x3, a transformative leadership program aimed at unlocking the full potential of our team, nurturing individual talent, and enhancing customer experiences.

Workplace Inclusion

Fostering a Safe and Respectful Environment

Protection Against Harassment Act -Partnering with Shirkat Gah

JS Bank is deeply committed to ensuring a safe, respectful, and inclusive workplace, focusing on safety and fostering a zero-tolerance culture toward harassment. In 2024, the bank partnered with Shirkat Gah, a leading social welfare organization, to strengthen the implementation of the Protection Against Harassment Act 2010. This collaboration, funded by the Foreign, Commonwealth & Development Office (FCDO), focused on raising awareness and providing employees with the knowledge and tools to recognize, prevent, and respond to harassment. The initiative aims to create a safer, more inclusive environment where all employees feel respected and supported.

In addition, the bank organized a specialized leadership session in partnership with Shirkat Gah and FCDO, focusing on sexual harassment laws in Pakistan. Moderated by lawyer Nausheen Ahmed, this session provided senior leadership with essential legal knowledge and reinforced the importance of cultivating a workplace culture of respect, dignity, and inclusivity. This leadership initiative set the tone for JS Bank's ongoing commitment to a harassment-free environment.

SDG Goal 10 - Reduce Inequality

JS Bank is committed to fostering inclusivity and equal opportunity by providing financial access

and education to underserved communities. Through initiatives like inclusive banking solutions and digital financial literacy programs, we aim to reduce economic disparities and empower individuals to achieve financial independence. By fostering a culture of equal opportunity and embracing diverse perspectives, JS Bank contributes to building a more equitable society.

Our partnership with ConnectHear facilitated "Workplace Culture Training for Employees with Disabilities," highlighting our commitment to inclusivity

JS Bank launched an Inclusive Current Account, specifically designed to support the financial needs and independence of differently abled individuals. We believe in inclusivity and providing equal opportunities for all our customers so that they may manage their finances with ease and confidence

JS Naya Aghaaz is based on the refinance scheme of the State Bank of Pakistan and promotes diversity and inclusion by providing financial access for setting up a new business and to expand current businesses. It provides financing solution for Persons with Disabilities (PWD), enabling personal development and financial independence for male and female entrepreneurs.

SDG Goal 12 - Responsible Consumption and Production

As part of our ongoing commitment to sustainability, we have introduced carbon reduction initiatives across our operations, closely monitoring energy and paper consumption at all locations.

As part of our paper-saving initiative, we have transitioned the format of Board and subcommittee meetings to virtual platforms. Meeting information packs are now shared digitally instead of in physical hardcopy, leading to a substantial decrease in paper usage.

In 2024, we expanded our efforts, equipping 314 branches with energy-efficient lighting and fans, while 204 branches have fully transitioned to solar power. Additionally, few of our ATMs is now powered by solar energy, with plans to increase this number in the coming years.

SDG Goal 13 and 17 Climate Action and Partnership for the Goal

JS Bank is committed to supporting global sustainable development through robust partnerships and the effective implementation of climate action initiatives. In 2024, we proudly continued our partnership with the Green Climate Fund (GCF), enhancing our capacity to mobilize climate finance for projects that foster sustainable growth and climate resilience across Pakistan. Our accreditation with the GCF empowers us to access critical funding for renewable energy, climate-adaptive infrastructure, and sustainable agriculture projects, advancing our mission to reduce the impact of climate change on vulnerable communities.

A significant achievement as the sole private sector entity was securing approval from the Green Climate Fund's (GCF) board for the "Pakistan Distributed Solar Project" (PDSP). This initiative marks the country's first private sector effort to address climate change through renewable energy, specifically solar PV.

For more information, please visit Green Climate Fund's website: <u>https://www.greenclimate.fund/</u> project/sap024

CORPORATE AND SOCIAL RESPONSIBILITY

At JS Bank, we're driven by a vision of positive change, empowering our customers and communities to bank with purpose. We live this commitment through meaningful action, particularly in our dedication to Corporate Social Responsibility in Pakistan.

We are deeply dedicated to Corporate Social Responsibility in Pakistan, exemplified by our partnership with Future Trust, a non-profit philanthropic organization established by the JS Group. Future Trust is focused on leveraging technology and innovation to address poverty and improve the socio-economic conditions and quality of life for the people of Pakistan. Together, we support the youth by providing access to progressive education, vocational training, career guidance, and entrepreneurial opportunities, helping to pave the way for a brighter future.

Medical

Future Trust has a deep commitment to public health and supports existing medical facilities all over the country. This includes developing healthcare facilities in deprived rural areas, providing mobile health care in difficult-to-reach areas and establishing a diagnostic laboratory. Major activities during the year are:

Jahangir Siddiqui Hospital, Sehwan

Future Trust continued its collaboration with Indus Hospital & Health Network (IHHN) to provide essential free diagnostic and healthcare services to the underprivileged population through Jahangir Siddiqui Hospital, Sehwan. These services include an outpatient department, EPI enrollments, mental health screening and counseling, blood tests, family planning counseling, ultrasound, and X-rays. Through this partnership, Jahangir Siddiqui Hospital, managed by IHHN, is making a significant impact on the health and well-being of vulnerable communities in the surrounding area, ensuring access to quality healthcare for those in need.

Rehabilitation of Jahangir Siddiqui Hospital, Sehwan

The rehabilitation of Jahangir Siddiqui Hospital, Sehwan, following the devastating floods of 2022, stands as one of Future Trust's flagship projects. The floods severely impacted the hospital's operations, prompting a swift and comprehensive restoration effort to ensure continued healthcare services for the people of Sehwan and surrounding areas.

Future Trust's rehabilitation work focused on enhancing both the functionality and the environment of the hospital. Efforts included the beautification of the hospital premises, ensuring a welcoming atmosphere for patients and staff. A state-of-the-art RO Plant was installed to provide clean and safe drinking water for the hospital's community. Additionally, CCTV surveillance systems were introduced to enhance security and safeguard hospital operations.

This rehabilitation initiative highlights Future Trust's commitment to improving healthcare infrastructure, ensuring a sustainable and safe environment for patients, and reaffirming its dedication to the well-being of the community. With these improvements, Jahangir Siddiqui Hospital is now better equipped to provide highquality healthcare services to those in need.

Establishment of MNCH Block at Jahangir Siddiqui Hospital, Sewhan

The MNCH (Maternal, Neonatal, and Child Health) block at Jahangir Siddiqui Hospital, Sehwan, is a key initiative under Future Trust's health-focused projects. This state-of-the-art facility offers free maternal and child healthcare services, including safe delivery care, to women in the region. The establishment of the MNCH block addresses critical healthcare gaps in the area, providing essential services to those who may not otherwise have access. In addition to its humanitarian impact, the MNCH block has proven to be a sustainable and profitable asset for the hospital, benefiting both the local community and the surrounding regions. By ensuring quality care and improving maternal and child health outcomes, this project continues to have a farreaching impact, supporting Future Trust's mission to uplift underserved populations.

Sindh Institute of Urology and Transplantation

The Future Trust supported 'The Sindh Institute of Urology and Transplantation (SIUT)'. SIUT is regarded as one of the premier institutes in Pakistan that provides free of cost treatment of urological and nephrological ailments, oncological treatments, treatments of hepatic and gastrointestinal diseases, and organ transplantation facilities to the general public.

Uro Gynae Clinic

The Trust supported Uro Gynae Clinic which provides specialized free of cost treatment for urological and gynecological diseases to underprivileged population of Pakistan. During the year 2024, 1271 patients were provided consultation and treatment at the clinic.

PinkDetect

PinkDetect and Future Trust are working together to support women in remote areas of Pakistan, particularly in the fields of technology and healthcare. Recently, Future Trust partnered with PinkDetect for a series of events aimed at raising awareness against breast cancer and providing medical support to underserved communities. Four camps were organized in different locations, where more than 500 women were examined. These camps offered comprehensive services, including educational sessions on breast health, one-on-one consultations with doctors, and free vital checks and supplements.

In addition to these efforts, Future Trust and PinkDetect are collaborating on the development of a mobile app to enhance breast cancer awareness and improve early diagnosis. A prototype of the app is already in progress, aiming to further empower women with the tools they need for better health management. This collaboration underscores Future Trust's commitment to improving women's health and well-being, especially in areas with limited access to healthcare resources.

Medical Support to Individuals

The Trust also provided financial support to various deserving and needy individuals for their medical treatment. During the year, Future Trust has supported 27 individuals in their treatments and surgeries at various renowned hospitals including Aga Khan University Hospital.

The Burns Centre (Friends of Burns Centre – Patient Welfare Society)

The Burns Centre, located in the historic "Jubilee Block" at Civil Hospital, Karachi, is a 66-bed facility that has been dedicated to providing comprehensive medical and operational services to underprivileged burn patients at no cost. In addition to patient care, the Centre is actively involved in research and the training of medical professionals in the specialized fields of Burns Care and Plastic Surgery. Future Trust, recognizing the importance of the Burns Centre and its impact on the community, has made a contribution to support the Centre's ongoing efforts.

Solarization of Jahangir Siddiqui Hospital, Sehwan

In 2024, Future Trust successfully solarized Jahangir Siddiqui Hospital, aligning with our commitment to sustainability and operational efficiency. This initiative ensures uninterrupted power supply for critical services, including the 24/7 operations of the MNCH (Maternal, Newborn, and Child Health) block and outpatient departments (OPD).

By transitioning to solar energy, the hospital will significantly reduce its carbon footprint and dependence on non-renewable energy sources. This system will also result in substantial savings on electricity costs, enabling the hospital to allocate more resources toward enhancing healthcare services and infrastructure.

Jahangir Siddiqui Hospital is a flagship project of Future Trust, showcasing its dedication to delivering sustainable and high-quality healthcare services to the community.

Educational

Future Trust's educational initiative encompasses support for special education, higher education, institutional development and capacity building with the vision of building an educated society. Major initiatives of the Trust in education are:

JS Academy for the Deaf

Future Trust continued its support to JS Academy for the Deaf which focuses on education of deaf and hearing-impaired children to read, write and communicate in sign language. The Academy is educating students from class Nursery to Graduation. During the year 2024, 173 students were enrolled at the Academy.

Habib University

Habib University, located in Karachi, Pakistan, is a leading institution committed to providing quality higher education. Founded in 2010, the university offers a comprehensive range of academic programs spanning various disciplines, including Science and Engineering, Arts, Humanities, and Social Sciences, providing undergraduate degrees. In 2024, Future Trust extended financial assistance to deserving students at the Habib University, Karachi. Through the Jahangir Siddiqui Scholarship, Future Trust supported students in their undergraduate programs. This effort reflects Future Trust's commitment to fostering educational opportunities and empowering students to achieve academic and professional excellence.

University of Boltan (Auditorium Project)

The University of Bolton in collaboration with SRH Inc Management Limited (SRH), a DIFC-licensed company based in Dubai, have successfully established a campus in Islamabad, Pakistan, with the objective of delivering high-quality education and innovative programs to the region. This initiative allows Pakistani students to obtain a foreign degree from a top 30 UK university, as ranked by the Guardian, thereby enhancing their career prospectus.

In 2024, Future Trust provided financial support for the construction of a new auditorium at University of Boltan, Islamabad. This contribution aims to enhance the university's infrastructure and provide a state-of-the-art venue for academic, cultural, and extracurricular events. By funding this important development, Future Trust is helping to create a more dynamic and conducive environment for students, faculty, and the broader community at Bolton University.

Rehabilitation of Jahangir Siddiqui Auditorium at IBA City Campus

In 2024, Future Trust undertook the renovation of the Jahangir Siddiqui Auditorium at the IBA City Campus, Karachi, which has been a vital venue since its construction in 2014. This state-of-the-art facility has served as a hub for various academic, cultural, and social events, playing an important role in enhancing the campus experience. The auditorium has hosted conferences, seminars, lectures, and cultural performances, underscoring IBA's commitment to providing high-quality infrastructure for both academic and extracurricular activities.

The successful renovation of the Jahangir Siddiqui Auditorium ensures that it continues to serve as a modern and fully functional venue, supporting IBA's educational and communityfocused initiatives for years to come.

Deaf Research Schools and Colleges

Future Trust has made a generous donation to the Family Educational Services Foundation (FESF) to support its Deaf Reach Schools and Colleges. This initiative empowers disadvantaged deaf children and youth by providing them with education, skills training, job placement, and sign language development. The donation will help sustain and expand these efforts, ensuring that more deaf children receive the opportunities and support they need to succeed.

Autism Spectrum Disorder Welfare Trust (ASDWT)

The Trust supported Autism Spectrum Disorder Welfare Trust (ASDWT) with a view to create awareness, acceptance, support and inclusion of people with Autism, Specific Learning Disorder and other related neuro-disabilities. ASDWT conducts workshops, seminars and other outreach programs to educate the society and to train parents, teachers, professionals, doctors, paramedics and psychologists in their identification and management of Autism and other related disabilities. During the year 23,721 people benefited directly from various activities of ASDWT.

Milestone Charitable Trust

The Trust continued its support to Milestone Charitable Trust that focuses on children with Autism, Down syndrome and Cerebral Palsy etc. with individual attention on each child through personalize curriculum, group activities and individual therapy sessions with the aim to overcome their academic, emotional and behavioral hurdles. Most of the children belong to the underprivileged population of the society. During the year 22 students were enrolled in the center.

Dost Foundation Pakistan

The Trust continued its support to Dost Foundation Pakistan (DFP). DFP is operating ten schools in Gilgit Baltistan, out of which eight schools are providing free education to the students. The vocational centers are established for sustainability of the Foundation and to enhance the technical skills of people.

Fakhr-e-Imdad Foundation

Fakhr-e-Imdad Foundation (FIF) serves as a philanthropic entity within the JS Group. Established on May 13, 2000, as a non-

profit organization, FIF primarily focuses on delivering quality education, vocational training, IT training, and healthcare services in rural regions of the country. FIF's educational institutions are situated in underserved areas such as Mirwah Gorchani, Mandranwala, and Tando Ghulam Ali. During the year, Future Trust has supported FIF through Endowment Fund and General Donations.

Educational Support to Individuals

Future Trust offers financial assistance to lowincome individuals by reimbursing educational expenses for their children. Specifically, the program covers the costs associated with the education of up to two children per eligible family. Over the course of the year, the Trust has extended its support to a total of 72 students, ensuring that they have access to the educational resources they need to thrive. This initiative serves as a vital means of promoting equal opportunities for children from economically disadvantaged backgrounds, empowering them to pursue their academic goals without financial barriers.

Vocational & Career Guidance

The Trust's vocational and career guidance initiative encompasses support for the skills enhancement, promoting and job placement in the industries. Through Karigar Training Institute, Future Trust extended support to less privileged youth of society to become economically independent, through acquisition of specialized vocational skills of motorcycle repair work, air-conditioning/refrigeration, plumbing and electrical trades.

Community Services:

The Trust strives for and contributes towards the general social and economic uplift of the people without any discrimination. In these hard times people cannot even afford the basic requirements of living. Future Trust provided financial support to various under privileged and needy families with the purpose of solving their basic problems of living.

The Trust supported Anjuman Kashana-e-Atfalo-Naunihal (the Institute). Anjuman Kashanae-Atfal-o-Naunihal is providing shelter for the orphan, abandoned and unclaimed girls, where they are being educated in reputable schools and colleges, and also being taught some basic skills in order to equip and prepare them to lead productive lives. At present, the institute is providing shelter to 125 girls with the ages ranging between 6-24 years. Kashana-e-Atfal-o-Naunihal also arranges for their marriages when they are ready and suitable spouses are also identified for them. The institute has also made arrangements for placement of 800 abandoned children, so far, with loving and respectable families all over the world.

General

In 2024, Future Trust extended its support to the R.B. Foundation through a generous donation to organize the Ladies Empowerment Award Ceremony. This initiative aimed to recognize and celebrate the achievements of women from various fields, including education, healthcare, entrepreneurship, and the arts.

The ceremony served as a platform to highlight exceptional leadership and contributions made by women in their communities. Additionally, it emphasized the importance of gender equality and women's empowerment, aligning with Future Trust's mission to support meaningful societal progress.

By supporting this event, Future Trust reaffirmed its commitment to fostering inclusive development and uplifting marginalized groups through impactful collaborations.

Meal Support Initiative

Future Trust launched the Meal Support Initiative to assist individuals facing challenges in affording daily meals due to rising inflation. The initiative provides free daily meals to ensure that they receive nutritious food during working hours. This program aims to improve well-being, job satisfaction, and overall productivity. STAKEHOLDERS RELATIONSHIP AND ENGAGEMENT

STAKEHOLDERS RELATIONSHIP AND ENGAGEMENT

We aim to create value for everyone we serve, balanced across short-term assessments to long-term strategic relationship building sustainably. We think about our priority stakeholders as belonging to five groups: shareholders, regulators, customers, society, and employees. The following tables provide an overview of stakeholder engagements at JS Bank:

Shareholders	We engage with our shareholders in several ways. This includes quarterly earnings statements and Director's Reports, Annual Reports, Annual General Meetings (AGMs) with shareholders, and through our online presence such as our website and on social media.
Regulators	Our principal regulator is the State Bank of Pakistan (SBP). JS Bank is committed to meeting its regulatory compliance obligations in an effective manner and fulfilling the regulators' expectations in this regard. For this purpose, the Bank has a well-structured and comprehensive Compliance Program in place and ensures its effective implementation. The Bank is in constant contact with SBP and is committed to providing them with complete and accurate information as and when required. Our senior management commits a significant amount of their time to meet with SBP for their guidance and support and to keep them well informed on current market events. The regulator is provided with full access to the Bank's records and information in line with the regulatory framework, and the Bank proactively seeks SBP's feedback regarding any clarifications or information that is required. Our other regulators are the Securities and Exchange Commission of Pakistan (SECP) and Pakistan Stock Exchange (PSX) and we are also complying with their directives.
Customers	We welcome feedback from our customers and provide various forums for them to make suggestions, which helps us evaluate and improve our performance. The Bank's Complaint Handling Policy and Grievance Redressal Mechanism ensure that complaints are resolved in a timely and fair manner, while also working to prevent the recurrence of issues whenever possible. Customers can register their complaints at JS Bank branches, through our 24/7 phone banking center, on our website, via email, or through postal mail. Additionally, the bank conducts various outreach efforts, including sending SMS and emails to customers and raising awareness through social media, to maximize the use of these channels and enhance visibility and accessibility.
Communities We are dedicated to the communities in which we operate. From prov sponsoring social and cultural events, we strive to contribute to a cleaner ar country. JS Bank actively participates in ensuring that we are responsible m our community and global citizens.	
Employees	Our employees are our most important stakeholders. We engage with them through bank-wide events, and by providing learning and development opportunities.

Step to Encourage Minority Shareholders' Participation in AGMs

JS Bank Limited always provides a forum for two-way engagement with the shareholders, particularly the minority shareholders. To ensure the meaningful participation of minority shareholders in the AGM, the Bank takes the following measures:

- Notice of AGM is sent to every member of the Bank at least 21 days before the meeting. The notice was published in both English & Urdu newspapers having Nationwide circulation.
- The Annual Report of the Bank is sent to each member of the Bank at their registered mailing/ email address before the AGM in electronic (QR Quote/email) or hard form (on request).
- During the AGM, a detailed briefing on the Bank's performance and its plans is given to the shareholders.

• The shareholders are encouraged to raise queries and give suggestions relating to the Bank's operations.

Issues raised in the last AGM, decisions taken, and their implementation status

No issues have been raised in the last AGM.

Investor Relations section on corporate website

Corporate information including quarterly, semiannual, and annual reports of the Bank can be accessed on the following URL:

https://jsbl.com/knowledge-center/investorinformation/

The Bank disseminates information to its investors and shareholders through a mix of information exchange platforms, including its corporate website, maintained under the applicable regulatory framework. The website is updated regularly to provide detailed and latest Bank information including but not limited to financial highlights, investor information, dividends, and other requisite information.

Corporate briefing session

The Bank has the practice of conducting annual corporate and investor briefing sessions. During the year 2024, a teleconferencing session was held on Dec 30, 2024. Notice was issued to the stakeholders through the Pakistan Stock Exchange to encourage them to attend the session online/in person.

JS Bank by complying with the regulatory requirement has made the presentation available on the website

https://jsbl.com/knowledge-center/investorinformation/

Customer Grievance Redressal Practices

The JS Bank Customer Experience (CE) team organizes, plans, and regularly assesses the Bank's customer experience across all touchpoints to create the best possible interaction between the Bank and its customers. The CE team develops and implements efficient procedures that improve client connections, loyalty, and satisfaction. One of our core values, customer centricity, works hand in hand with efficient complaint handling, grievance management, in order to understand & adapt our product and services to meet our Customer's expectations.

Our complaint management policy ensures prompt handling of complaints within the State Bank of Pakistan-defined turnaround time (TAT), with a focus on preventing recurrence. The process registers and acknowledges concerns, providing an interim reply (where necessary), and ensuring due resolution. If customers are not pleased with the Bank's resolution, they may also approach the Banking Ombudsman (Mohtasib).

The Bank has implemented various channels for customers to register complaints, including account statements, ATM screens, emails, SMS, in-app notifications, and online feedback forms. To increase the number of customers who have access to the recourse mechanism, the Bank has posted such information on social media via SMS messages, Inapp notifications and email direct messages (EDMs) to its customers twice a year. A thorough grievance system, touchpoints, and online feedback forms are available on the Bank's website. Customers also receive regular email broadcasts for customer awareness and education.

Our corporate culture is founded on treating customers fairly. In line with the same, the Bank has incorporated a "Customer Protection Framework", whereby we always prioritize the needs of the customer while creating, marketing, and managing our business. Our main objectives are to maintain fairness in all customer interactions, effective communication, promote service culture, and develop a productive method for handling grievances. We also focus on the financial decisions that customers make through our consumer education and financial literacy initiatives.

Voice, Chat, and SMS (VCS) Team: The VCS Team facilitates customer interactions through diverse channels, including phone calls, emails, chat over SMS, WhatsApp BOT, online forms, and social media. This team comprises qualified professionals providing round-the-clock support, assisted by advanced technologies like interactive voice response and computer telephony integration

INDEPENDENT AUDITOR'S REPORT

To the members of JS Bank Limited

Report on the Audit of the Unconsolidated Financial Statements

Opinion

We have audited the annexed unconsolidated financial statements of **JS Bank Limited** (the Bank), which comprise the unconsolidated statement of financial position as at 31 December 2024, and the unconsolidated statement of profit and loss account, the unconsolidated statement of comprehensive income, the unconsolidated statement of changes in equity and unconsolidated cash flow statement for the year then ended, along with unaudited certified returns received from the branches except for 46 branches which have been audited by us and notes to the financial statements, including a summary of material accounting policies and other explanatory information and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of the audit.

In our opinion and to the best of our information and according to the explanations given to us, the unconsolidated statement of financial position, the unconsolidated statement of profit and loss account, the unconsolidated statement of comprehensive income, the unconsolidated statement of changes in equity and unconsolidated cash flow statement together with the notes forming part thereof conform with the accounting and reporting standards as applicable in Pakistan, and, give the information required by the Banking Companies Ordinance, 1962 and the Companies Act, 2017 (XIX of 2017), in the manner so required and respectively give a true and fair view of the state of the Bank's affairs as at 31 December 2024 and of the profit and other comprehensive income, the changes in equity and its cash flow for the year then ended.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Unconsolidated Financial Statements* section of our report. We are independent of the Bank in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* as adopted by the Institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following are the Key Audit Matters:

S.No.	Key Audit Matters	How the matter was addressed in our audi			
1	Valuation of Advances:				
	(Refer note 9 & 20 to the unconsolidated financial statements)				
	As at 31 December 2024, the Bank's Credit loss allowance against advances and off-balance sheet items amounting to Rs. 15,778 million and Rs. 191 million respectively. As per the BPRD Circular No. 07 of 2023, the Bank adopted IFRS 9 in accordance with the Application Instructions issued by State Bank of Pakistan (SBP) from 01 January 2024 which requires the Bank to recognize Expected Credit Losses (ECL) on advances including non-funded exposure. The estimation of ECL on advances including non-funded exposure, involves judgement and complexity. The key areas which are subject to management judgement in the estimation of ECL are: • Model estimations – judgmental modelling and assumption are used to estimate ECL which involves determining Probability of Default (PD), Loss Given Default (LGD), and Exposure at Default (LGD), and Exposure at Default (EAD). Respective model assumption is a key driver of complexity and uncertainty and are required in the application of the ECL estimate. • Economic scenarios – IFRS 9 requires the Bank to measure ECL on an unbiased forward-looking	 Our audit procedures, amongst others, included the following: Performing risk assessment procedures over the credit loss allowance against advances and off-balance sheet exposure within the Bank's unconsolidated financial statement. As part of these risk assessment procedures, identifying the portfolios associated with a risk of material misstatement including those arising from judgements over the estimation of ECL either due to inputs, methods or assumption. Assessing the design, implementation and operating effectiveness of key controls established by the Bank over measurement of ECL and provision calculated as per PR. We involved in-house specialist who assisted in the following: Evaluating the Bank's impairment methodologies for compliance with application instructions as issued by SBP for IFRS 9; Assessing the reasonableness of the Bank's methodology and models for determining the economic scenarios used and the probability weightings applied to them by independently validating and challenging the assumption, methodologies, and outputs of the models; 			

S.No.	Key Audit Matters	How the matter was addressed in our audit			
S.No.	 Key Audit Matters basis reflecting a range of future economic conditions. Management judgement is applied in determining the forward-looking economic scenarios used as an input to calculate ECL, the associated scenario probability weightings, and the key economic variables that drive the scenarios. Qualitative criteria – the criteria selected to identify a SICR involves judgment and can lead to unreliable ECL recognized for certain portfolios. 	 How the matter was addressed in our audit Assessing the reasonableness of macro- economic variable and economic forecasts by comparing these to external sourced data extracted; and Performing independent testing of the Expected Credit Loss (ECL) allowance on a sample basis. Ensuring completeness of the key inputs into the ECL calculations with their respective sub-ledgers and general ledgers. Performing testing on sample basis over here insurts into the ECL calculations with their 	acro- ernal ne nce on nputs over		
	In line with the application instructions as issued by SBP for IFRS 9, the Bank must compare the ECL for Stage 3 advances with the provision determined under the Prudential Regulations (PR) issued by the SBP. The PR requires specific provisioning against the advances on the basis of time-based criteria which should be supplemented by a subjective evaluation of Bank's credit portfolio. The determination of provision against advances, therefore, involves use of	 key inputs into the ECL calculations with their respective source documents. Performing sensitivity analysis on the key assumption, that is probability weighted economic scenarios, to assess reasonableness and the risk of biasness by changing weights assigned to each economic scenario. In accordance with the PR, we sampled at least sixty percent of the total advances portfolio and performed credit review through the following substantive procedures: 	F TATAL PROVIDE ADDRESSION V. V. Martin		
	management's judgement, on a case- to-case basis, taking into account factors such as the economic and business conditions, borrowers' repayment behaviors and realizability of collateral held by the Bank.	 verifying repayments of advances/ mark- up installments and checked that non- performing advances have been correctly classified and categorized based on the number of days overdue; 			
	Because of the high degree of estimation uncertainty and judgement involved in the calculation of ECL we considered the area of ECL provision as a key audit matter.	• examining watch list accounts and, based on review of the individual facts and circumstances, discussions with management and our assessment of financial conditions of the borrowers, formed a judgement as to whether

		classification of these accounts as performing was appropriate; and		
		 assessing the accuracy of specific provision made against non-performing advances in accordance with the criteria prescribed under the PRs by performing recalculation. 		
		 Assessing the appropriateness of SICR criteria applied by the Bank by ensuring that the SICR criteria and staging methodology are consistent with the relevant application instructions as issued by SBP for IFRS 9. 		
		 Assessing the appropriateness of ECL on advances categorized as Stage 3 by performing a comparison of ECL computed, through the use of methodology and models with the provision required to be computed as required under the PR to ensure that an amount which is higher of the ECL and PR requirements is appropriately recognized for these stage 3 advances pursuant to the requirement of application instructions as issued by SBP for IFRS 9. Evaluating the adequacy of the unconsolidated financial statement disclosures, including disclosures of key 		
		assumptions, judgements and sensitivities.		
2	Impairment testing of goodwill			
	(Refer Note 12 to the unconsolidated financial statements)			
	As at 31 December 2024, intangible assets include goodwill amounting to Rs. 1,463.624 million acquired as a result of scheme of amalgamation as	Our audit procedures, amongst others, included the following:		

S.No.	Key Audit Matters	How the matter was addressed in our audit
	disclosed in note 12 to the unconsolidated financial statements. Goodwill is required to be annually assessed for impairment under IAS-36 "Impairment of Assets". Accordingly, Management has performed an impairment test of the goodwill which is subjective in nature due to assumptions made about future performance. As disclosed in note 12, the Bank uses a discounted cash flow model to determine value in use, on the basis of the certain key assumptions. Due to the impact of the assumptions and judgements involved, the impairment testing of goodwill is considered to be a key audit matter.	 Evaluating the model used in determining the value in use as well as assessing the discount rate used; Comparing the cash flow forecasts to approved budgets and other relevant market and economic information, as well as testing the underlying calculations; Involving our internal valuation specialists to review and evaluate management's key assumptions used in impairment calculations; Performing sensitivity analyses around the key assumptions used in the models; Assessing the adequacy of the related disclosures in the unconsolidated financial statements in accordance with the applicable financial reporting framework

Information other than the Unconsolidated Financial Statements and Auditor's Report Thereon

Management is responsible for the other information. The Other Information comprises the Annual Report of the Bank but does not include the unconsolidated financial statements, consolidated financial statements and our auditor's reports thereon. We were provided with the Director's Report to the Shareholders and Chairman's Review Report prior to the date of this Auditor's report and the remaining parts of the Annual report are expected to be made available to us after that date.

Our opinion on the unconsolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the unconsolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the unconsolidated financial statements, or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information that we obtained prior to the date of this Auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and the Board of Directors for the Unconsolidated Financial Statements

Management is responsible for the preparation and fair presentation of the unconsolidated financial statements in accordance with accounting and reporting standards as applicable in Pakistan, the requirements of Banking Companies Ordinance, 1962 and the Companies Act, 2017 (XIX of 2017) and for such internal control as management determines is necessary to enable the preparation of unconsolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the unconsolidated financial statements, management is responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Bank or to cease operations, or has no realistic alternative but to do so.

The Board of directors is responsible for overseeing the Bank's financial reporting process.

Auditor's Responsibilities for the Audit of the Unconsolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the unconsolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these unconsolidated financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the unconsolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Bank's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of
 accounting and, based on the audit evidence obtained, whether a material uncertainty exists
 related to events or conditions that may cast significant doubt on the Bank's ability to continue
 as a going concern. If we conclude that a material uncertainty exists, we are required to draw
 attention in our auditor's report to the related disclosures in the unconsolidated financial
 statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are
 based on the audit evidence obtained up to the date of our auditor's report. However, future
 events or conditions may cause the Bank to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the unconsolidated financial statements, including the disclosures, and whether the unconsolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Board of Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide to the Board of Directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the Board of Directors, we determine those matters that were of most significance in the audit of the unconsolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1. Based on our audit, we further report that in our opinion:
 - a) proper books of account have been kept by the Bank / branches as required by the Companies Act, 2017 (XIX of 2017) and the returns referred above from the branches have been found adequate for the purpose of our audit;
 - b) the unconsolidated statement of financial position, the unconsolidated statement of profit and loss account, unconsolidated statement of comprehensive income, unconsolidated statement of changes in equity and unconsolidated cash flows statement together with the notes thereon have been drawn up in conformity with the Banking Companies Ordinance, 1962 and the Companies Act, 2017 (XIX of 2017) and are in agreement with the books of account and returns;

- c) investments made, expenditure incurred and guarantees extended during the year were in accordance with the objects and powers of the Bank / branches and the transactions of the Bank / branches which have come to our notice have been within the powers of the Bank / branches; and
- d) zakat deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980), was deducted by the Bank and deposited in the Central Zakat Fund established under section 7 of that Ordinance.
- 2. We confirm that for the purpose of our audit we have covered more than sixty per cent of the total loans and advances of the Bank.

The engagement partner on the audit resulting in this independent auditor's report is Muhammad Taufiq.

President and Chief Executive Officer Chief Financial Officer

Director

For the year ended December 31, 2024

1. STATUS AND NATURE OF BUSINESS

1.1 JS Bank Limited (the Bank / JSBL) is a banking company incorporated in Pakistan as a public limited company on March 15, 2006. The Bank is a subsidiary company of Jahangir Siddiqui and Co. Ltd. (JSCL) and its shares are listed on Pakistan Stock Exchange Limited (PSX). The Bank commenced its banking operations on December 30, 2006 and its registered office is situated at Shaheen Commercial Complex, Dr. Ziauddin Ahmed Road, Karachi.

The Bank is a scheduled bank, engaged in commercial banking and related services as described in the Banking Companies Ordinance, 1962 and is operating through 314 (2023: 291) branches / sub-branches in Pakistan and one wholesale banking branch in Bahrain (2023:1). The Pakistan Credit Rating Agency Limited (PACRA) has assigned the long-term entity rating of the Bank to 'AA' (Double A) whereas short-term rating is maintained at 'A1+' (A One Plus), which is the highest possible short-term rating. The ratings denote a very low expectation of credit risk and indicate very strong capacity for timely repayment of financial commitments.

1.2 Jahangir Siddiqui Investment Bank Limited, JSIBL, (formerly Citicorp Investment Bank Limited which was acquired by JSCL on February 01,1999), and its holding company, JSCL, entered into a Framework Agreement with American Express Bank Limited, New York (AMEX) on November 10, 2005 for acquisition of its American Express Bank Limited - Pakistan Branches, (AEBL). Consequently, a new banking company, JSBL was incorporated on March 15, 2006 and a Banking License was issued by the State Bank of Pakistan (SBP) on May 23, 2006.

A Transfer Agreement was executed on June 24, 2006 between JSIBL and JSBL for the transfer of entire business and undertaking of JSIBL to JSBL and a separate Transfer Agreement was also executed on June 24, 2006, between AMEX and JSBL for the transfer of AEBL's commercial banking business in Pakistan with all assets and liabilities (other than certain excluded assets and liabilities) (AEBL business). The shareholders of JSIBL and JSBL, in their respective extra-ordinary general meetings held on July 31, 2006, approved a Scheme of Amalgamation (the Scheme) under Section 48 of the Banking Companies Ordinance, 1962. The Scheme was initially approved by the Securities and Exchange Commission of Pakistan (SECP) vide its letter No. SC/ NBFC(J)-R/JSIBL/2006/517 dated September 28, 2006. Subsequently, the Scheme was sanctioned by the SBP vide its order dated December 02, 2006 and, in accordance therewith, the effective date of amalgamation was fixed at December 30, 2006.

- **1.3** The Bank is the holding company of BankIslami Pakistan Limited (BIPL), JS Global Capital Limited (JSGCL) and JS Investments Limited (JSIL).
- **1.4** The shareholders of the Bank in their meeting held on March 30, 2022 approved to acquire, as per the requirements of section 199 of the Companies Act, 2017, 86,316,954 ordinary shares of BankIslami Pakistan Limited (BIPL), constituting 7.79% of the paid-up capital of BIPL, from Emirates NBD Bank PJSC at a price of up to Rs. 13.24 per share making the aggregate consideration up to Rs. 1,142 million.

During the year 2023, pursuant to the approvals of the shareholders of the Bank at their General Meetings held on March 29, 2023 and May 19, 2023 and after obtaining all the requisite corporate and regulatory approvals and compliance with all the applicable laws and regulations, the Bank had acquired:

- 42.45%, i.e., on August 18, 2023, 470,603,772 ordinary voting shares and control of Banklslami Pakistan Limited (BIPL), from sponsors and other shareholders of BIPL (including but not limited to, Jahangir Siddiqui and Co. Ltd., the holding company of the Bank) through agreements against the issuance of 532,629,349 new shares of the Bank by way of other than rights and other than cash consideration, i.e., 1.1318 ordinary shares of the Bank issued as consideration for every 1 ordinary share of BIPL. Accordingly on August 18, 2023, BIPL became a subsidiary of the Bank with 50.24% shareholding.
- 24.88%, i.e., on August 25, 2023, 275,891,276 ordinary shares of BIPL by way of public offer (published in newspapers on June 28, 2023) made to all public shareholders as required under the Takeover Regulations in cash at the rate of Rs. 23.99 per share. To partly finance the public offer, the Bank, with the approval of the Board of Directors, had issued 220,568,925 ordinary shares by way of 17% Right Shares, i.e., 17 right shares for every 100 shares held, at par value of Rs. 10/- each.

For the year ended December 31, 2024

Post-acquisition, the shareholding of the Bank in BIPL increased to 75.12%.

2. BASIS OF PRESENTATION

These unconsolidated financial statements have been prepared in conformity with the format of financial statements prescribed by the State Bank of Pakistan (SBP) vide BPRD Circular No. 02, dated February 09, 2023 with further addition made vide BPRD Circular Letter No. 13 of 2024, dated July 01, 2024 and accounting and financial reporting standards as applicable in Pakistan.

These unconsolidated financial statements are separate financial statements of the Bank in which the investments in subsidiaries and associates are stated at cost and are accounted for on the basis of direct equity interest rather than on the basis of reported results. The consolidated financial statements of the Bank are being issued separately.

These unconsolidated financial statements have been presented in Pakistan Rupees (PKR), which is the currency of the primary economic environment in which the Bank operates and functional currency of the Bank. The amounts are rounded to nearest thousand except as stated otherwise.

The US Dollar amounts shown on the statement of financial position, profit and loss account, statement of comprehensive income and cash flow statement are stated as additional information solely for the convenience of readers and have not been subject to audit by the external auditors. For the purpose of conversion to US Dollars, the rate of Rs. 278.55 to 1 US Dollar has been used for 2024 and 2023 as it was the prevalent rate as on December 31, 2024.

The Bank believes that there is no significant doubt on the Bank's ability to continue as a going concern. Therefore, the unconsolidated financial statements continue to be prepared on the going concern basis.

2.1 Statement of compliance

These unconsolidated financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. These comprise of:

- International Financial Reporting Standards (IFRSs) issued by the International Accounting Standards Board (IASB) as notified under the Companies Act, 2017;
- Provisions of and directives issued under the Banking Companies Ordinance, 1962;
- Provisions of and directives issued under the Companies Act, 2017; and
- Directives issued by the State Bank of Pakistan (SBP) and the Securities and Exchange Commission of Pakistan (SECP).

Whenever the requirements of the Banking Companies Ordinance, 1962, the Companies Act, 2017, or the directives issued by the SBP and the SECP differ with the requirements of IFRS, the requirements of the Banking Companies Ordinance, 1962, the Companies Act, 2017 and the said directives shall prevail.

The SBP has deferred the applicability of International Accounting Standard (IAS) 40, 'Investment Property' for banking companies vide BSD Circular Letter No. 10 dated August 26, 2002 till further instructions. Further, the SECP has deferred the applicability of International Financial Reporting Standard (IFRS) 7, 'Financial Instruments: Disclosures' on banks vide its notification S.R.O 411(I)/2008 dated April 28, 2008. Accordingly, the requirements of these standards have not been considered in the preparation of these unconsolidated financial statements.

International Financial Reporting Standard (IFRS) 10, 'Consolidated Financial Statements' was made applicable from period beginning on or after January 01, 2015 vide S.R.O 633(I)/2014 dated July 10, 2014 by SECP. However, SECP has directed through S.R.O56(I)/2016 dated January 28, 2016, that the requirement of consolidation under section 228 of the Companies Act, 2017 and IFRS 10 is not applicable in case of investment by companies in mutual funds established under trust structure.

For the year ended December 31, 2024

These unconsolidated financial statements of the Bank are prepared using generally consistent accounting policies. However, as per SBP IFRS 9 application instructions, overseas branches comply with the local regulations enforced within their respective jurisdictions under IFRS 9.

As per BPRD Circular Letter No. 16 of 2024 dated 29 July 2024, unlisted equity securities are currently carried at the lower of cost or breakup value as per the exemption granted by SBP. Effective from January 01, 2025, as per the requirement of IFRS 9, these will be measured at fair value under IFRS 13.

SBP has allowed extension to Banks up to December 31, 2024 for developing the requisite models for calculating EAD for revolving products beyond the contractual date.

The Bank has received an extension from the State Bank of Pakistan (SBP) up to December 31, 2025 for application of Effective Interest Rate (EIR) in general for all financial assets and liabilities (excluding staff loans / subsidized loans).

2.2 Standards, interpretations of and amendments to approved accounting standards that are effective in the current period

As directed by SBP via BPRD Circular Letter No. 7 of 2023 dated April 13, 2023, IFRS 9, (Financial Instruments) became effective in Pakistan for period beginning on or after January 01, 2024. In addition, due to the application of IFRS 9, SBP vide BPRD Circular No. 02 dated February 09, 2023, amended the format of the annual financial statements. Details regarding the aforementioned adoption and amendment, including the impact thereof, are discussed in more detail in note 4.1.2 to these unconsolidated financial statements.

There are certain other amendments to existing accounting and reporting standards that have become applicable to the Bank for accounting periods beginning on or after January 01, 2024. These are either considered to not be relevant or do not have any significant impact and accordingly have not been detailed in these unconsolidated financial statements.

2.3 Standards, interpretations of and amendments to approved accounting standards that are not yet effective

Standards and Amendments	Effective date (annual periods beginning on or after)
Amendments to IAS 21- Lack of Exchangeability IFRS 10 and IAS 28 - Sale or Contribution of Assets between	January 01, 2025
an Investor and its Associate or Joint Venture (Amendments)	Not yet finalised
Standard	IASB effective date (accounting periods beginning on or after)
IFRS 1 – First-time Adoption of International Financial Reporting Standards	January 01, 2004
Critical accounting estimates and key sources of estimation	tion uncertainty

The preparation of these unconsolidated financial statements in conformity with accounting and reporting standards as applicable in Pakistan requires management to make judgments, estimates and assumptions that affect the reported amounts of assets and liabilities and income and expenses. It also requires management to exercise judgment in the application of its accounting policies. The estimates and assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. These estimates and assumptions are reviewed on an ongoing basis.

- i) valuation and impairment of financial instruments (notes 4.1.2.12, 8, 9, 41 and 46.1.9).
- ii) Classification of investment in associates (notes 4.4).

2.4

For the year ended December 31, 2024

- iii) valuation and depreciation of property and equipment (notes 4.7 and 10).
- iv) valuation of right-of-use assets and related lease liability (notes 4.8, 11 and 17).
- v) valuation and amortisation of intangible assets including impairment of goodwill (note 4.9, 4.21 and 12).
- vi) valuation of non-banking assets acquired in satisfaction of claims (note 4.10 and 13.2).
- vii) defined benefit plans (notes 4.15.2 and 38).
- viii) taxation (notes 4.13, 19 and 34).
- ix) fair value of derivatives (note 4.5.1 and 24).

Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of revision and future periods if the revision affects both current and future periods.

3. BASIS OF MEASUREMENT

These unconsolidated financial statements have been prepared under the historical cost convention except for:

- Certain classes of property and equipment and non-banking assets acquired in satisfaction of claims which are stated at revalued amounts less accumulated depreciation.
- Investments classified under Fair Value through Profit or Loss (FVPL) and Fair Value through Other Comprehensive Income (FVOCI) and derivative financial instruments, which are measured at fair value.
- Certain concessional rate advances and related borrowing (Staff Loans and Financing / Borrowing under SBP TERF Schemes).
- Net obligations in respect of defined benefit schemes which are carried at their present values.

4. MATERIAL ACCOUNTING POLICY INFORMATION

The material accounting policies applied in the preparation of these unconsolidated financial statements are set out below. These policies have been consistently applied to all the years presented, except as disclosed in note 4.1 below.

4.1 Changes in Accounting Policies

4.1.1 Revised format of unconsolidated financial statements

SBP through its BPRD Circular No. 02 dated February 09, 2023, and BPRD Circular Letter No. 07 dated April 13, 2023, amended the format of quarterly, half yearly and annual financial statements of banks effective from accounting years starting from January 01, 2024 and onwards. Accordingly, the Bank has prepared these unconsolidated financial statements on the new format prescribed by SBP. The adoption of the new format contains additional disclosures and certain changes in the financial statements' presentation, primarily due to the implementation of IFRS 9 as applicable in Pakistan. However, the corresponding figures continue to be classified and disclosed in accordance with the previous financial accounting and reporting framework.

Adoption of revised financial statements format has also resulted in following material changes (due to which the corresponding presentations have also been changed):

Right-of-use-assets (Note 11) amounting to Rs. 2,610.093 million (2023: Rs. 2,139.578 million) which were
previously shown as part of property and equipment (note 10) are now shown separately on the unconsolidated
statement of financial position.

For the year ended December 31, 2024

- Lease liabilities (Note 17) amounting to Rs. 2,788.429 million (2023: Rs. 2,234.115 million) which were previously shown as part of other liabilities (note 20) are now shown separately on the unconsolidated statement of financial position.

4.1.2 Impact of IFRS 9 - Financial Instruments

During the year, as directed by the SBP vide its BPRD Circular No. 07 dated April 13, 2023, International Financial Reporting Standard (IFRS) 9, 'Financial Instruments' became applicable to the Bank.

BPRD Circular No. 03 dated July 05, 2022 issued by SBP provides detailed instructions on implementation of IFRS 9 (the Application Instructions) for ensuring smooth and consistent implementation of the standard across banks, which were further clarified from time to time.

IFRS 9 addresses recognition, classification, measurement and derecognition of financial assets and financial liabilities. The standard has also introduced a new impairment model for financial assets which requires recognition of impairment charge based on 'expected credit losses' (ECL) approach rather than 'incurred credit losses' approach as previously followed. The ECL has impact on all the assets of the Bank which are exposed to credit risk.

The Bank has adopted IFRS 9 in accordance with the Application Instructions from January 01, 2024, using the modified retrospective approach and has not restated comparatives for the 2023 reporting period and the differences in carrying amount of financial assets and financial liabilities resulting from the adoption of IFRS 9 are recognised in retained earnings and reserves as at January 01, 2024, as permitted under the specific transitional provisions in the Standard. Accordingly, the information presented for 2023 does not reflect the requirements of IFRS 9 and therefore is not comparable to the information presented for 2024 under IFRS 9.

SBP vide its BPRD Circular Letter No. 16 dated July 29, 2024 made amendments and extended the timelines of application instructions. Under the new guidelines, the banks are required to implement modification accounting for financial assets and liabilities in accordance with the Standard. These changes took effect from October 01, 2024, and have been applied retrospectively from January 01, 2024. SBP through its BPRD Circular Letter No. 01 of 2025 dated January 22, 2025, further clarified that modification accounting would be applied to loans modified on or after January 01, 2020.

For the year ended December 31, 2024

For the year ended December 31, 2024

- **4.1.2.1.1** As per paragraph 3.2 of the Application Instructions, Government securities in local currency are exempted from the application of ECL framework, details are mentioned in note 4.1.2.12 to these unconsolidated financial statements.
- **4.1.2.1.2** Certain debt securities are held by the Bank in separate portfolios to meet everyday liquidity needs. The Bank seeks to minimise the costs of managing these liquidity needs and therefore actively manages the return on the portfolio. That return consists of collecting contractual payments as well as gains and losses from the sale of financial assets. The investment strategy often results in sales activity that is significant in value. The Bank considers that under IFRS 9 these securities are held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets.
- **4.1.2.1.3** These financial assets are held by overseas branch. As per paragraph 1.2 of the Application Instruction, in relation to overseas branch, IFRS 9 will be applicable based on their respective host country's regulatory accounting practices. Since IFRS 9 was already applicable to overseas branches as at January 01, 2024, there is no impact of IFRS 9 adoption on these financial assets.
- **4.1.2.1.4** The Bank previously classified certain equity investments as Available-for-Sale (AFS). Upon implementing IFRS 9, the Bank made an irrevocable election to classify them at FVOCI.
- **4.1.2.1.5** Certain debt securities are held by the Bank in a separate portfolio for long-term yield. These securities may be sold, but such sales are not expected to be more than infrequent. The Bank considers that these securities are held within a business model whose objective is to hold assets to collect the contractual cash flows. These assets are classified as measured at amortised cost under IFRS 9.
- **4.1.2.1.6** This includes expected credit loss against off-balance sheet items.

4.1.2.2 Impact on regulatory capital

The introduction of IFRS 9 has resulted in reduction in regulatory capital of the banks, which has reduced their lending capacity and ability to support their clients. In order to mitigate the impact of ECL models on capital, SBP has determined that it may be appropriate for the banks to introduce a transitional arrangement for the impact on regulatory capital from the application of ECL accounting. Annexure B of the 'Application Instructions' issued by SBP has detailed the transitional arrangement.

The transitional arrangement applies only to provisions for stage 1 and stage 2 financial assets. The transitional arrangement must adjust CET1 capital. Where there is a reduction in CET1 capital due to new provisions, net of tax effect, upon adoption of an ECL accounting model, the decline in CET1 capital (the transitional adjustment amount) must be partially included (i.e., added back) to CET1 capital over the transition period of five years.

Moreover, SBP has allowed to adjust the amount of stage 1 and stage 2 provisions in Tier 2 Capital that have not been added back to CET 1 and vice versa as per Annexure-A of BPRD Circular No. 16 dated July 29, 2024.

Had IFRS 9 not been applied, the CAR would have been higher by 38 bps from 13.24% to 13.62%.

4.1.2.3 Classification and measurement

Under the new standard, classification and measurement of financial assets depends on how these are managed based on business model and their contractual cash flow characteristics. Financial assets that do not meet the Solely Payment of Principal and Interest (SPPI) criteria are required to be measured at fair value through profit or loss (FVPL) regardless of the business model in which they are held.

4.1.2.3.1 Recognition and initial measurement

Debt securities issued are initially recorded when they are originated. All other financial assets and financial liabilities are initially recognised when the Bank becomes a party to the contractual provisions of the instrument.

For the year ended December 31, 2024

A financial asset or financial liability is initially measured at fair value plus, for an item not at FVPL, transaction costs that are directly attributable to its acquisition or issue. The fair value of a financial asset on initial recognition is generally its transaction price. If the Bank determines that the fair value on initial recognition differs from the transaction price then the financial instrument is initially measured at fair value, adjusted to defer the difference between the fair value on initial recognition and the transaction price. Subsequently, that difference is recognised in unconsolidated statement of profit and loss account on an appropriate basis over the life of the asset but no later than when the valuation is wholly supported by observable market data, or the transaction is closed out. Advances other than staff loans and Temporary Economic Refinance Facility (TERF) and advances pertaining to overseas operations are initially measured at transaction price i.e., the amount of loan disbursed at disbursement date.

Staff loans and Temporary Economic Refinance Facility (TERF) loans and advances pertaining to overseas operations are recognised at fair value at the time of disbursement. The fair value is determined by discounting the expected future cash flows using the prevailing market rates for instruments. The difference between the disbursed amount and the fair value at initial recognition is recorded as a prepayment.

4.1.2.3.2 Classification

(a) Financial Assets

On initial recognition, a financial asset other than advances except for staff loans and Temporary Economic Refinance Facility (TERF) and advances pertaining to overseas operations is classified as measured at amortised cost, FVOCI or FVPL.

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at FVPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are SPPI.

A debt instrument is measured at FVOCI only if it meets both of the following conditions and is not designated as at FVPL:

- the asset is held within a business model whose objective is achieved by both collecting contractual cashflows and selling financial assets; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are SPPI.

On initial recognition of an equity investment that is not held-for-trading, the Bank may irrevocably elect to present subsequent changes in fair value in OCI. This election is made on an investment-by-investment basis.

Financial assets are not reclassified subsequent to their initial recognition unless the Bank changes its business models for managing financial assets, in which cases all affected financial assets are reclassified on the first day of the first reporting period following changes in the business model.

Advances are carried at cost, net of expected credit loss allowances, excluding staff loans, Temporary Economic Refinance Facility (TERF) and advances pertaining to overseas operations, which are measured at amortized cost.

(b) Financial Liabilities

Financial liabilities are either classified as fair value through profit or loss (FVPL), when they are held-fortrading purposes, or at amortised cost. Financial liabilities classified as FVPL are measured at fair value and all the fair value changes are recognised in profit and loss account. Financial liabilities classified at amortised cost are initially recorded at their fair value and subsequently measured using the effective interest rate method. Mark-up expense and foreign exchange gain and losses are recognised in unconsolidated statement of profit and loss account. Any gain or loss on derecognition is also recognised in unconsolidated statement of profit and loss account.

For the year ended December 31, 2024

Under IFRS 9, derivatives embedded in contracts where the host is a financial asset in scope of the standard are never bifurcated. Instead, the whole hybrid instrument is assessed for classification.

4.1.2.4 Business model assessment

A financial asset is classified as either held-to-collect, held-to-collect and sale and others based on Business Model Assessment. The Bank makes an assessment of the objective of a business model in which an asset is held at a portfolio level because this best reflects the way the business is managed, and information is provided to management. The assessment requires judgement based on facts and circumstances on the date of assessment. The information considered mainly includes:

- the stated policies and objectives for the portfolio and the operation of those policies in practice. In particular, whether management's strategy focuses on earning contractual mark-up revenue, maintaining a particular interest rate profile, matching the duration of the financial assets to the duration of the liabilities that are funding those assets or realising cash flows through the sale of the assets;
- how the performance of the portfolio is evaluated and reported to the Bank's management;
- the risks that affect the performance of the business model (and the financial assets held within that business model) and its strategy for how those risks are managed;
- how managers of the business are compensated (e.g., whether compensation is based on the fair value of the assets managed or the contractual cash flows collected); and
- the frequency, volume and timing of sales in prior periods, the reasons for such sales and its expectations about future sales activity. However, information about sales activity is not considered in isolation, but as part of an overall assessment of how the Bank's stated objective for managing the financial assets is achieved and how cash flows are realised.

The business model assessment is based on reasonably expected scenarios without taking 'worst case' or 'stress case' scenarios into account.

Transfer of financial assets to third parties in transaction that do not qualify for derecognition are not considered sales for this purpose, consistent with the Bank continuing recognition of the financial assets.

Financial assets that are held-for-trading or managed and whose performance is evaluated on a fair value basis are measured at FVPL because they are neither held-to-collect contractual cash flows nor held both to collect contractual cash flows and to sell financial assets.

4.1.2.5 Assessment of whether contractual cash flows are solely payments of principal and interest (SPPI)

For the purposes of this assessment, 'principal' is defined as the fair value of the financial asset on initial recognition. 'Interest' is defined as consideration for the time value of money and for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs (e.g., liquidity risk and administrative costs), as well as interest margin.

In assessing whether the contractual cash flows are SPPI, the Bank considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition. In making the assessment, the Bank considers:

- contingent events that would change the amount and timing of cash flows;
- leverage features;
- prepayment and extension terms;
- terms that limit the Bank's claim to cash flows from specified assets (e.g. non-recourse loans); and
- features that modify consideration of the time value of money (e.g. periodical reset of interest rates).

For the year ended December 31, 2024

A prepayment feature is consistent with the SPPI criterion if the prepayment amount substantially represents unpaid amounts of principal and mark-up on the principal amount outstanding, which may include reasonable additional compensation for early termination of the contract. Additionally, for a financial asset acquired at a discount or premium to its contractual par-amount, a feature that permits or requires prepayment at an amount that substantially represents the contractual par amount plus accrued (but unpaid) contractual interest (which may also include reasonable additional compensation for early termination) is treated as consistent with this criterion if the fair value of the prepayment feature is insignificant at initial recognition.

The Bank holds a portfolio of long-term fixed-rate loan for which the Bank has the option to propose to revise the interest rate at periodic reset dates. These reset rights are limited to the market rate at the time of revision. The borrowers have an option to either accept the revised rate or redeem the financing at par without penalty. The Bank has determined that the contractual cash flows of these loan are SPPI because the option varies the interest rate in a way that is in consideration for the time value of money, credit risk, other basic financing risks and costs associated with the principal amount outstanding.

4.1.2.6 Subsequent measurement

The following accounting policies apply to the subsequent measurement of financial assets:

Financial assets at FVPL	These assets are subsequently measured at fair value. Net gains and losses, including any mark-up or dividend income, are recognised in unconsolidated statement of profit and loss account.
	These assets are subsequently measured at amortised cost using the
Financial assets at amortised cost	effective interest method in case of investments, lendings to financial institutions, cash and balances with treasury banks, balances with other banks, Temporary Economic Refinance Facility (TERF), staff loans, and advances pertaining to overseas operations and other financial assets. The amortised cost is reduced by impairment losses. Mark-up, foreign exchange gains and losses and impairment are recognised in unconsolidated statement of profit and loss account.
Debt investments at FVOCI	These assets are subsequently measured at fair value and is assessed for impairment under the new ECL model. Mark-up income is calculated using the effective interest method and includes amortisation of premiums and accretion of discount, foreign exchange gains and losses and impairment are recognised in income statement. Other net gains and losses are recognised in OCI. On derecognition, gains and losses accumulated in OCI are reclassified to unconsolidated statement of profit and loss account.
	These assets are subsequently measured at fair value. Dividends are
Equity investments at FVOCI	recognised as income in profit and loss account unless the dividend clearly represents a recovery of part of the cost of the investment, in which case they are adjusted from the carrying value of investment. Other net gains and losses are recognised in OCI and are never reclassified to unconsolidated statement of profit and loss account.
Advances at cost	Advances are carried at cost, net of expected credit loss allowances, excluding staff loans, Temporary Economic Refinance Facility (TERF) and advances pertaining to overseas operations, which are measured at amortized cost, net of expected credit loss allowances.

For the year ended December 31, 2024

4.1.2.7 Amortised cost and gross carrying amount

The 'amortised cost' of a financial asset or financial liability is the amount at which the financial asset or financial liability is measured on initial recognition minus the principal repayments, plus or minus the cumulative amortisation using the effective interest method of any difference between that initial amount and the maturity amount and, for financial assets, adjusted for any expected credit loss allowance (or impairment allowance before January 01, 2024).

The 'gross carrying amount of a financial asset' is the amortised cost of a financial asset before adjusting for any expected credit loss allowance.

4.1.2.8 Calculation of mark-up income and expense

Income from performing advances of the domestic operations is recognised on accrual basis as per the terms of the contract. However, where debt securities, classified as investments in the financial statements, are purchased at premium or discount, such premium / discount including the transaction cost is amortized through the unconsolidated statement of profit and loss account over the remaining maturity of the debt security using the effective interest rate method. The interest income on staff loans and Temporary Economic Refinance Facility (TERF) and advances pertaining to overseas operations is recognised in line with the EIR, while any expected credit losses are assessed and accounted for in accordance with the requirements of IFRS 9. Income from advances except for staff loans and TERF are recognised in unconsolidated statement of profit and loss account using contractual rate. Similarly, under the local regulatory requirement, income recoverable on classified domestic advances and investments (debt securities), is recognised on a receipt basis.

Income on rescheduled / restructured advances and investments is recognised as permitted by SBP regulations.

In case of overseas operations, income on the financial assets is recognised under the effective interest method or as prescribed by the regulatory authorities of the countries in which the Bank operates.

Mark-up expense on domestic financial liabilities (comprising deposits, subordinated debts, and borrowings) is recognised on an accrual basis in the period in which it is incurred, based on effective interest rate method. In case of overseas operations, such expense is recognised under the effective interest method or as prescribed by the regulatory authorities of the country in which the Bank operates.

4.1.2.9 Derecognition

The Bank derecognises a financial asset when:

- the contractual rights to the cash flows from the financial asset expire; or
- it transfers the rights to receive the contractual cash flows in a transaction in which either:
- (a) substantially all of the risks and rewards of ownership of the financial asset are transferred; or
 (b) the Bank neither transfers nor retains substantially all of the risks and rewards of ownership and it does
 - not retain control of the financial asset.

On derecognition of a financial asset in its entirety, the difference between:

the carrying amount of the asset (or the carrying amount allocated to the portion of the asset derecognised); and
 the consideration received (including any new asset obtained less any new liability assumed) and any
 cumulative gain or loss that had been recognised in OCI shall be recognised in unconsolidated statement
 of profit and loss.

From January 01, 2024 any cumulative gain / loss recognised in OCI in respect of equity investment securities designated at FVOCI is not recognised in unconsolidated statement of profit and loss account on derecognition of such securities. Any mark-up on transferred financial assets that qualify for derecognition that is created or retained by the Bank is recognised as a separate asset or liability.

The Bank enters into transactions whereby it transfers assets recognised on its unconsolidated statement of financial position but retains either all or substantially all of the risks and rewards of the transferred assets or a portion of them. In such cases, the transferred assets are not derecognised. Examples of such transactions are securities lending and sale-and-repurchase transactions.

For the year ended December 31, 2024

When assets are sold to a third party with a concurrent total rate of return swap on the transferred assets, the transaction is accounted for as a secured loan transaction similar to sale-and repurchase transactions, because the Bank retains all or substantially all of the risks and rewards of ownership of such assets.

In transactions in which the Bank neither retains nor transfers substantially all of the risks and rewards of ownership of a financial asset and it retains control over the asset, the Bank continues to recognise the asset to the extent of its continuing involvement, determined by the extent to which it is exposed to changes in the value of the transferred asset.

In certain transactions, the Bank retains the obligation to service the transferred financial asset for a fee. The transferred asset is derecognised if it meets the derecognition criteria. An asset or liability is recognised for the servicing contract if the servicing fee is more than adequate (asset) or is less than adequate (liability) for performing the servicing.

The Bank derecognises a financial liability when its contractual obligations are discharged or cancelled, or expired. The Bank also derecognises a financial liability when its terms are modified and the cash flows of the modified liability are substantially different, in which case a new financial liability based on the modified terms is recognised at fair value.

4.1.2.10 Modification

Financial Assets

The Bank sometimes renegotiates or otherwise modifies the contractual cash flows of loans to its customers. If the cash flows are substantially different, then the contractual rights to cash flows from the original financial asset are deemed to have expired. In this case, the original financial asset is derecognised and a new financial asset is recognised at fair value plus any eligible transaction costs. Any fees received as part of the modification are accounted for as follows:

- fees that are considered in determining the fair value of the new asset and fees that represent reimbursement of eligible transaction costs are included in the initial measurement of the asset; and
- other fees are included in unconsolidated statement of profit and loss account as part of the gain or loss on derecognition.

If cash flows are modified when the borrower is in financial difficulties, then the objective of the modification is usually to maximise recovery of the original contractual terms rather than to originate a new asset with substantially different terms. If the bank plans to modify a financial asset in a way that would result in forgiveness of cash flows, then it first considers whether a portion of the asset should be written off before the modification takes place. This approach impacts the result of the quantitative evaluation and means that the derecognition criteria are not usually met in such cases.

Where derecognition of financial assets is appropriate, the newly recognised residual loans are assessed to determine whether the assets should be classified as purchased or originated credit-impaired assets (POCI).

If the modification of a financial asset measured at amortised cost or FVOCI does not result in derecognition of the financial asset, then the bank first recalculates the gross carrying amount of the financial asset using the original effective interest rate of the asset and recognise the resulting adjustment as a modification gain or loss in profit or loss. Any costs or fees incurred, and fees received as part of the modification adjust the gross carrying amount of the modified financial asset and are amortised over the remaining term of the modified financial asset.

If such a modification is carried out because of financial difficulties of the borrower then the gain or loss is presented together with impairment losses. In other cases, it is presented as mark-up income calculated using the effective interest rate method.

For the year ended December 31, 2024

4.1.2.11 Reclassification

Financial liabilities are not reclassified subsequent to initial recognition. Reclassifications of financial assets are made when, and only when, the business model for those assets changes. Such changes are expected to be infrequent and arise as a result of significant external or internal changes such as the termination of a line of business or the purchase of a subsidiary whose business model is to realise the value of pre-existing held for trading financial assets through a hold to collect model.

Financial assets are reclassified at their fair value on the date of reclassification and previously recognised gains and losses are not restated. Moreover, reclassifications of financial assets between financial assets held at amortised cost and financial assets held at FVOCI do not affect effective interest rate or expected credit loss computations.

Reclassified from fair value through other comprehensive income

Where debt securities held at FVOCI are reclassified to financial assets held at FVPL, the cumulative gain or loss previously recognised in comprehensive income is transferred to the unconsolidated statement of profit and loss account.

For debt securities held at FVOCI that are reclassified to financial assets held at amortised cost, the cumulative gain or loss previously recognised in comprehensive income is adjusted against the fair value of the financial asset such that the financial asset is recorded at a value as if it had always been held at amortised cost. In addition, the related cumulative expected credit losses held within comprehensive income are reversed against the gross carrying value of the reclassified assets at the date of reclassification.

4.1.2.12 Impairment

The impairment requirements apply to financial assets measured at amortised cost and FVOCI (other than equity instruments), lease receivables, and certain loan commitments and financial guarantee contracts. At initial recognition, an impairment allowance (or provision in the case of commitments and guarantees) is required for expected credit losses (ECL) resulting from default events that are possible within the next 12 months (12-month ECL). In the event of a significant increase in credit risk, a provision is required for ECL resulting from all possible default events over the expected life of the financial instrument (lifetime ECL).

(a) Measurement of ECL

ECL are a probability-weighted estimate of credit losses. They are measured as follows:

- financial assets that are not credit-impaired at the reporting date: as the present value of all cash shortfalls (i.e. the difference between the cash flows due to the entity in accordance with the contract and the cash flows that the Bank expects to receive);
- financial assets that are credit-impaired at the reporting date: as the difference between the gross carrying amount and the present value of estimated future cash flows;
- undrawn loan commitments: as the present value of the difference between the contractual cash flows that are due to the Bank if the commitment is drawn down and the cash flows that the Bank expects to receive; and
- financial guarantee contracts: the expected payments to reimburse the holder less any amounts that the Bank expects to recover.

(b) Restructured financial assets

If the terms of a financial asset are renegotiated or modified or an existing financial asset is replaced with a new one due to financial difficulties of the borrower, then an assessment is made of whether the financial asset should be derecognised and ECL are measured as follows:

For the year ended December 31, 2024

- If the expected restructuring will not result in derecognition of the existing asset, then the expected cash flows arising from the modified financial asset are included in calculating the cash shortfalls from the existing asset.
- If the expected restructuring will result in derecognition of the existing asset, then the expected fair value of the new asset is treated as the final cash flow from the existing financial asset at the time of its derecognition. This amount is included in calculating the cash shortfalls from the existing financial asset that are discounted from the expected date of derecognition to the reporting date using the original effective interest rate of the existing financial asset.

Financial assets where 12-month ECL is recognised are in 'Stage 1'; financial assets that are considered to have experienced a significant increase in credit risk are in 'Stage 2'; and financial assets for which there is objective evidence of impairment, so are considered to be in default or otherwise credit impaired, are in 'Stage 3'.

(c) Non-Performing financial assets

At each reporting date, the Bank assesses whether financial assets carried at amortised cost and debt financial assets carried at FVOCI, and finance lease receivables are credit-impaired (referred to as 'Stage 3 financial assets'). A financial asset is 'non-performing' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

Evidence that a financial asset is credit-impaired includes the following observable data:

- significant financial difficulty of the borrower or issuer;
- a breach of contract such as a default or past due event;
- the restructuring of a loan by the Bank on terms that the Bank would not consider otherwise;
- it is becoming probable that the borrower will enter bankruptcy or other financial reorganisation; or
- the disappearance of an active market for a security because of financial difficulties.

A loan that has been renegotiated due to a deterioration in the borrower's condition is usually considered to be credit-impaired unless there is evidence that the risk of not receiving contractual cash flows has reduced significantly and there are no other indicators of impairment. In addition, a retail loan that is overdue for 90 days or more is considered credit-impaired even when the regulatory definition of default is different.

Under the IFRS 9 Application instructions, the Bank is not required to compute ECL on Government Securities and on Government guaranteed credit exposure in local currency. The Bank is required to calculate ECL on it's non-performing financial assets as higher of provision under Prudential Regulations (PR) and ECL under IFRS 9. Further, the Banks are advised to recognize income on impaired assets (loans classified under PRs i.e., OAEM and Stage 3 loans) on a receipt basis in accordance with the requirements of Prudential Regulations issued by SBP.

The Bank calculates the ECL against corporate, commercial and SME loan portfolios as higher of PR and ECL under IFRS 9 at borrower / facility level, whereas against the retail borrowers the Bank will calculate ECL at higher of PR and ECL under IFRS 9 at segment / product basis as instructed under Annexure-A of BPRD Circular No. 16 dated July 29, 2024.

Based on the requirements of IFRS 9 and Application Instructions, the Bank has performed an ECL assessment considering the following key elements:

(a) Probability of default (PD)

The probability that a counterparty will default over the next 12 months from the reporting date (12 month ECL, Stage1) or over the lifetime of the product (lifetime ECL, Stage 2). PD is estimated using internal rating classes and are based on the Bank's internal risk rating. The bank has used Transition Matrix approach for estimation of PD for each internal rating. The bank have used roll-rate method using the days past due (DPD) criteria to estimated PD for its retail portfolio. PD are then adjusted with forward looking information for calculation of ECL.

For the year ended December 31, 2024

(b) Exposure at default (EAD)

The expected balance sheet exposure at the time of default, incorporating expectations on drawdowns, amortisation, pre-payments and forward-looking information where relevant. The Bank estimates EAD for financial assets carried at an amortised cost equal to principal plus profit. Each repayment date is assumed to be default point in the model and the ECL is calculated on EAD at each reporting date and discounted at the effective interest rate. Further, cash and cash equivalent collaterals the Bank holds against the non-retail facilities are adjusted from the LGD.

(c) Loss given default (LGD)

An estimate of the loss incurred on a facility upon default by a customer. LGD is calculated as the difference between contractual cash flows due and those that the Bank expects to receive, including from the liquidation of any form of collateral. It is expressed as a percentage of the exposure outstanding on the date of classification of an obligor.

Presentation of allowance for Expected Credit Loss in the Unconsolidated Statement of Financial Position

Loss allowances for ECL are presented in the unconsolidated statement of financial position as follows:

- Financial assets measured at amortized cost: as a deduction from the gross carrying amount of the assets.
- For advances measured at cost: as a deduction from the gross carrying amount of the advances.
- Loan commitments and financial guarantee contracts: as a provision in other liabilities.
- where a financial instrument includes both a drawn and an undrawn component, and the Bank does not identify the ECL on the loan commitment component separately from those on the drawn component and instead presents a combined loss allowance for both components. The combined amount is presented as a deduction from the gross carrying amount of the drawn component. Any excess of the loss allowance over the gross amount of the drawn component is presented as a provision; and
- debt instruments measured at FVOCI: no loss allowance is recognised in the unconsolidated statement of financial position because the carrying amount of these assets is their fair value. However, the loss allowance is disclosed and is recognised in OCI.

4.1.2.13 Significant increase in credit risk (SICR)

A SICR is assessed in the context of an increase in the risk of a default occurring over the life of the financial instrument when compared to that expected at the time of initial recognition. It is not assessed in the context of an increase in the ECL. The Bank used several qualitative and quantitative measures in assessing SICR. Quantitative measures relate to deterioration of Obligor Risk Ratings (ORR) or where principal and / or profit payments are 60 days or more past due. Qualitative factors include unavailability of financial information and pending litigations.

As required by the Application Instructions, financial assets may be reclassified out of Stage 3 if they meet the requirements of PR issued by SBP. Financial assets in Stage 2 may be reclassified to Stage 1 if the conditions that led to a SICR no longer apply. However, a minimum period of 6 months from initial downgrade is required before any facility is moved back to Stage 1 from Stage 2. For a facility to move back from Stage 3 to Stage 2, it should meet the criteria defined under the respective Prudential Regulations for de-classification of account / facility. An exposure cannot be upgraded from Stage 3 to Stage 1 directly and should be upgraded to Stage 2 initially.

IFRS 9 includes a rebuttable presumption that a default does not occur later than 90 days past due and it also presumes that there is SICR if credit exposure is more than 30 days past due. In order to bring consistency, SBP has allowed the backstop to the rebuttable presumption of days past due of credit portfolio against a specific credit facility and its stage allocation under IFRS 9 as mentioned in Annexure-C of BPRD Circular No. 03 dated July 05, 2022. However, banks are free to choose more stringent days past due criteria. The Bank aligns its policy with Annexure-C of BPRD Circular No. 3 of 2022; hence, SICR is considered if credit exposure exceeds 60 days past due.

For the year ended December 31, 2024

4.1.2.14 Write-offs

Financial assets are written off (either partially or in full) when there is no reasonable expectation of recovering a financial asset in its entirety or a portion thereof. This is generally the case when the Bank determines that the borrower does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. This assessment is carried out at the individual asset level.

Recoveries of amounts previously written off are included in 'impairment losses on financial instruments' in the unconsolidated statement of profit and loss account and OCI.

Financial assets that are written off could still be subject to enforcement activities in order to comply with the Bank's procedures for recovery of amounts due.

4.1.2.15 Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the unconsolidated statement of financial position when, and only when, the Bank currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

4.1.2.16 Undrawn loan commitments and guarantees

'Financial guarantees' are contracts that require the Bank to make specified payments to reimburse the holder for a loss that it incurs because a specified debtor fails to make payment when it is due in accordance with the terms of a debt instrument. 'Loan commitments' are firm commitments to provide credit under pre-specified terms and conditions.

Financial guarantees issued or commitments to provide a loan at a below-market profit rate are initially measured at fair value. Subsequently, they are measured at the higher of the loss allowance determined in accordance with IFRS 9 and the amount initially recognised less, when appropriate, the cumulative amount of income recognised in accordance with the principles of IFRS 15.

When estimating lifetime ECL for undrawn loan commitments, the Bank estimates the expected portion of the loan commitment that will be drawn down over its expected life. The ECL is then based on the present value of the expected cash flows if the loans are drawn down, based on a probability-weighting of the three scenarios.

4.1.2.17 Governance, ownership and responsibilities

The Bank has adopted a governance framework requiring the Risk, Finance, Operations, Internal Audit and IT functions to effectively work together to ensure input from all business lines. IFRS 9 requires robust credit risk models that can predict Probability of Default (PD), Loss Given Default (LGD) and Exposure at Default (EAD).

The Bank's Credit Division performs credit risk assessment, monitors Significant Increase in Credit Risk of the borrowers, reviews Credit Ratings and obligor attributes.

The IT Division extracts the data required for ECL calculations. IT Division also provide support for system development and upgrades.

The Bank's Finance Division takes ownership of ECL models and methodologies used in calculation of ECL. Finance Division assess the financial impact, meet the financial reporting requirements and presents quarterly results to Board of Directors (BOD) / its Board Sub Committee.

The Risk Management Division calculates impact of ECL on bank's capital adequacy, leverage ratio and Liquidity requirements.

As per the Bank's policy, the Bank's Internal Audit function carries out periodic review of IFRS 9 methodology and impacts calculated by the Management.

For the year ended December 31, 2024

4.2 Cash and cash equivalents

Cash and cash equivalents represent cash and balances with treasury banks and balances with other banks net of any overdrawn nostro accounts.

4.3 Lendings to / borrowings from financial institutions

The Bank enters into transactions of lendings to / borrowings from financial institutions at contracted rates for a specified period of time. These are recorded as under:

(a) Sale under repurchase obligation

Securities sold with a simultaneous commitment to repurchase at a specified future date (repos) continue to be recognised in the unconsolidated statement of financial position and are measured in accordance with accounting policies for investments. Amounts received under these agreements are recorded as repurchase agreement borrowings. The difference between sale and repurchase price is amortised as expense over the term of the repo agreement. These are initially recognised at amount of funds received and subsequently reported as payable under the contractual terms.

(b) Purchase under resale obligation

Securities purchased with a corresponding commitment to resale at a specified future date (reverse repos) are not recognised as investments in the unconsolidated statement of financial position. Amounts paid under these arrangements are included in repurchase agreement lendings. The difference between purchase and resale price is accrued as income over the term of the reverse repo agreement. These are initially recognised at amount of funds disbursed and subsequently reported as receivable under the contractual terms.

(c) Other borrowings

Other borrowings include borrowings from the SBP and unsecured call borrowings which are recorded at the proceeds received. Mark-up paid on such borrowings is charged to the unconsolidated statement of profit and loss account over the period of borrowings on time proportionate basis using effective interest method.

4.4 Investments

Associates

Associates are entities over which the bank has significant influence but not control. This influence is assessed based on the bank's potential voting rights that are currently exercisable in the entity that allow the bank to participate in but not control decision-making. Investment in associates are carried at cost, less any accumulated impairment losses.

Subsidiaries

Subsidiary is an entity over which the Bank has control. Investments in subsidiary is carried at cost less accumulated impairment losses, if any. The carrying amount of investments in subsidiaries is reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists the investment's recoverable amount is estimated at higher of its value in use and its fair value less cost to sell. An impairment loss is recognised if the carrying amount exceeds its recoverable amount. Impairment losses are recognised in unconsolidated statement of profit and loss account.

4.5 Financial instruments

4.5.1 Derivative financial instruments

Derivative financial instruments are initially recognised at fair value on the date on which the derivative contract is entered into and are subsequently re-measured at fair value using valuation techniques. All derivative financial instruments are carried as assets when fair value is positive and liabilities when fair value is negative. Any change in the fair value of derivative financial instruments is taken to the unconsolidated statement of profit and loss account.

For the year ended December 31, 2024

4.6 Advances

4.6.1 Loan and advances

These are stated at cost less expected credit loss allowances except for staff loans, Temporary Economic Refinance Facility (TERF), and advances pertaining to overseas operations which are stated at amortized cost less credit loss allowances.

4.6.2 Finance lease

Leases, where the Bank transfers substantially all the risks and rewards incidental to ownership of an asset to the lessee are classified as finance leases. A receivable is recognised at an amount equal to the present value of the lease payment including any guaranteed residual value, if any. Net investment in finance lease is included in loans and advances to customers.

4.7 Property and equipment, and depreciation

4.7.1 Property and equipment

Property and equipment except land and buildings are shown at historical cost less accumulated depreciation and accumulated impairment losses, if any. Historical cost includes expenditures that are directly attributable to the acquisition of the items. Leasehold land and buildings on leasehold land are stated at revalued amount less accumulated depreciation and impairment loss, if any.

Depreciation on property and equipment (excluding land which is not depreciated) is charged using the straight line method in accordance with the rates specified in note 10.2 to these unconsolidated financial statements after taking into account residual value. The asset's residual values and useful lives are reviewed and adjusted, if required, at each reporting date.

Land and buildings are revalued by professionally qualified valuers with sufficient regularity to ensure that the net carrying amount does not differ materially from their fair value. Valuation techniques and input used are disclosed in note 41 of these unconsolidated financial statements.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Bank and the cost of the item can be measured reliably. The carrying amount of the replaced part is derecognised. All other repairs and maintenance are charged to the unconsolidated statement of profit and loss account during the period in which they are incurred.

An item of property and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset is recognised in the unconsolidated statement of profit and loss account in the year the asset is derecognised.

4.7.2 Surplus / deficit on revaluation of Property and Equipment

The surplus arising on revaluation is credited to other comprehensive income. However, the increase shall be recognised in unconsolidated statement of profit and loss to the extent that it reverses a revaluation decrease of the same asset previously recognised in the unconsolidated statement of profit and loss account.

The deficit arising on a particular property as a result of a revaluation is recognised in the unconsolidated statement of profit and loss account as an impairment. However, the decrease to be recognised in other comprehensive income to the extent of any credit balance existing in the revaluation surplus in respect of that asset.

Depreciation on buildings which are revalued is determined with reference to the value assigned to such assets on revaluation and depreciation charge for the year is taken to the unconsolidated statement of profit and loss account; and an amount equal to incremental depreciation for the year net of deferred taxation is transferred from "Surplus on Revaluation of Property and equipment Account" to unappropriated profit through Statement of Changes in Equity to record realization of surplus to the extent of the incremental depreciation charge for the year.

Gains or losses on disposal of assets are included in the unconsolidated statement of profit and loss account, except for the related surplus on revaluation of Property and equipment (net of deferred tax) which is transferred directly to equity.

For the year ended December 31, 2024

4.7.3 Capital work-in-progress

Capital work-in-progress is stated at cost less impairment losses, if any. These are transferred to specified assets as and when assets are available for use.

4.8 Lease liability and right-of-use assets

The Bank enters into leasing arrangements for its office premises, branches, ATMs and warehouses. Rental contracts are typically for a fixed period and may have extension options as described below. At inception of a contract, the Bank assesses whether a contract is, or contains, a lease based on whether the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. Lease terms are negotiated on an individual basis and contain a wide range of different terms and conditions.

The lease liability is initially measured at the present value of the lease payments to be made over the lease term, discounted using the interest rate implicit in the lease, or if that rate cannot be readily determined, the Bank's incremental borrowing rate.

Lease payments include fixed payments less any lease incentive receivable, variable lease payment that are based on an index or a rate which are initially measured using the index or rate as at the commencement date, amounts expected to be payable by the Bank under residual value guarantees, the exercise price of a purchase option if the Bank is reasonably certain to exercise that option and payments of penalties for terminating the lease if the lease term reflects the lessee exercising that option. The extension and termination options are incorporated in determination of lease term only when the Bank is reasonably certain to exercise these options.

The lease liability is subsequently measured at amortised cost using the effective interest rate method. The lease liability is also remeasured to reflect any reassessment or lease modification.

The lease liability is remeasured when the Bank reassesses the reasonable certainty of exercise of extension or termination option upon occurrence of either a significant event or a significant change in circumstance, or when there is a change in assessment of an option to purchase underlying asset, or when there is a change in amount expected to be payable under a residual value guarantee, or when there is a change in future lease payments resulting from a change in an index or rate used to determine those payment. The corresponding adjustment is made to the carrying amount of the right-to-use asset, or is recorded in the unconsolidated statement of profit and loss if the carrying amount of right-to-use asset has been reduced to zero.

On initial recognition, right-of-use assets are measured at an amount equal to initial lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to be incurred to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located.

The right-of-use asset is subsequently measured at cost model. The right of use asset is depreciated on a straight line method over the lease term as this method most closely reflects the expected pattern of consumption of future economic benefits. The right-of-use asset is reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability.

4.9 Intangible assets

Intangible assets are stated at cost less accumulated amortisation and impairment, if any. Intangible assets are amortised using the straight line method, whereby the cost of the intangible asset is amortised over its estimated useful life over which economic benefits are expected to flow to the Bank. The useful life and amortisation method are reviewed and adjusted, if appropriate, annually.

Intangible assets having an indefinite useful life are carried at cost less any impairment in value and are not amortised. However, these are reviewed for impairment annually or more frequently if events or changes in circumstances indicate that the carrying value may be impaired.

For the year ended December 31, 2024

4.10 Non-banking assets acquired in satisfaction of claims

Non-banking assets acquired in satisfaction of claims are initially measured at settlement amount and upon revaluation, are carried at revalued amounts less accumulated depreciation and impairment losses, if any. The useful lives and depreciation method are reviewed annually and adjusted, if appropriate. As per SBP's requirement desktop valuation is carried out on annual basis and full-scope valuation after every three years by independent professionally qualified valuers to ensure that their net carrying value does not differ materially from their fair value. A surplus arising on revaluation of assets is credited to the 'surplus on revaluation of Non-banking assets acquired in satisfaction of claims' account and any deficit arising on revaluation is taken to unconsolidated statement of profit and loss account directly. Legal fees, transfer costs and direct costs of acquiring title of assets is charged to unconsolidated statement of profit and loss account and not capitalised. The policy for depreciation is stated in note 4.7.1 of these unconsolidated financial statements.

4.10.1 Surplus / deficit on revaluation of non-banking assets

Revaluation of non-banking assets acquired in satisfaction of claims under DPS transactions is carried out under criteria given in regulations for DPS issued by the State Bank of Pakistan (SBP) vide BPRD Circular 01 dated January 01, 2016 i.e. valuation of property shall be done on individual property basis and not on portfolio basis, whereas accounting treatment of revaluation is accounted for in accordance with applicable financial reporting standards i.e. International Accounting Standard (IAS) 16 as referred in note 4.7.2.

Furthermore, revaluation surplus on such assets shall not be admissible for calculating Bank's Capital Adequacy Ratio and exposure limits under the Prudential Regulations. However, the surplus can be adjusted upon realization of sale proceeds.

4.11 Borrowings / deposits and their cost

Borrowings / deposits are initially recorded at the amount of proceeds received. Costs of borrowings / deposits are recognised separately as part of other liabilities and is charged to the unconsolidated statement of profit and loss account over the period on an accrual basis.

4.12 Subordinated debts

Subordinated debts are initially recorded at the amount of proceeds received. Mark-up accrued on subordinated debts is recognised separately as part of other liabilities and is charged to the unconsolidated statement of profit and loss account over the period on an accrual basis.

4.13 Taxation

Current

The charge for current taxation is based on taxable income at the current rate of taxation after taking into account applicable tax credit, rebates and exemptions available, if any, or minimum tax on turnover, whichever is higher. The charge for current tax also includes adjustments, where considered necessary, relating to prior years arising from assessments made during the year.

Deferred

Deferred tax is recognised using the balance sheet approach on all temporary differences arising between tax bases of assets and liabilities and their carrying amounts appearing in these unconsolidated financial statements. Deferred tax liability is recognised on taxable temporary differences. Deferred tax asset is recognised for all deductible temporary differences and carry forward of unused tax losses, if any, only to the extent that it is probable that future taxable profits will be available against which the asset can be utilised. Deferred tax assets are reduced to the extent that it is no longer probable that the related tax benefits will be realised.

Deferred tax is calculated at the rates that are expected to apply to the period wherein the differences are expected to reverse, based on tax rates that have been enacted or substantively enacted by the balance sheet date. Deferred tax is charged or credited to the unconsolidated statement of profit and loss account.

Deferred tax, if any, on revaluation of investments is recognised as an adjustment to surplus / (deficit) arising on revaluation in accordance with the requirements of IAS-12, 'Income Taxes'.

For the year ended December 31, 2024

4.14 Provisions

Provisions are recognised when the Bank has a legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate of the amount can be made. Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimate.

Provision against identified non-funded losses is recognised when intimated and reasonable certainty exists for the Bank to settle the obligation. The loss is charged to the unconsolidated statement of profit and loss account net of expected recovery.

4.15 Staff retirement benefits

4.15.1 Defined contribution plan

The Bank has established a provident fund scheme for all permanent employees effective from January 01, 2007. Equal monthly contributions are made, both by the Bank and the employees, to the fund at the rate of 7.1 percent with effect from July 01, 2015 due to change in salary structure. Contribution by the Bank is charged to the unconsolidated statement of profit and loss account.

4.15.2 Defined benefit plan

The Bank operates an approved funded gratuity scheme covering all its eligible employees who have completed minimum qualifying period. An actuarial valuation of defined benefit scheme is conducted at the end of every year or on occurrence of any significant change. The most recent valuation in this regard was carried out as at December 31, 2024, using the projected unit credit actuarial valuation method. Under this method cost of providing for gratuity is charged to the unconsolidated statement of profit and loss account so as to spread the cost over the service lives of the employees in accordance with the actuarial valuation. Past-service costs are recognised immediately in the unconsolidated statement of profit and loss account and actuarial gains and losses are recognised immediately in other comprehensive income.

4.16 Revenue recognition

Revenue is recognised to the extent that economic benefits will flow to the Bank and the revenue can be reliably measured. These are recognised as follows:

- Mark-up income / interest on performing advances and returns on debt securities are recognised on accrual basis except in case of classified advances where mark-up income is recognised on receipt basis. Markup / return / interest on rescheduled / restructured loans and advances and investments is recognised as permitted by the regulations of SBP.
- Where debt securities are purchased at premium or discount, such premium / discount is amortised through the unconsolidated statement of profit and loss account over the remaining period of maturity.
- Financing method is used in accounting for income from lease financing. Under this method, the unearned lease income (excess of the sum of total lease rentals and estimated residual value over the cost of leased assets) is deferred and taken to income over the term of the lease period so as to produce a constant periodic rate of return on the outstanding net investment in lease. Gains / losses on termination of lease contracts, documentation charges, front-end fees and other lease income are recognised as income when these are realised.
- The Bank earns fee and commission income from a banking service to retail and corporate customer. Fee and commission income is recognised at an amount that reflects the consideration to which the Bank expects to be entitled in exchange for providing the services.
- Dividend income is recognised when the Bank's right to receive dividend is established.
- Gain / loss on sale of investments is credited / charged to the unconsolidated statement of profit and loss account.

For the year ended December 31, 2024

4.17 Dividend and appropriation to reserves

Dividend and appropriation to reserves, except for statutory reserves, are recognised in the unconsolidated financial statements in the periods in which these are approved. The revaluation surplus related to Property and equipment and non-banking assets is not available for distribution of dividend.

4.18 Foreign currencies

4.18.1 Functional and presentation currency

Items included in these unconsolidated financial statements are measured using the currency of the primary economic environment in which the Bank operates. These unconsolidated financial statements are presented in Pakistani Rupees, which is the Bank's functional and presentation currency.

4.18.2 Transactions and balances

Transactions in foreign currencies are translated into Pakistani rupees at the exchange rates prevailing on the transaction date. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in the unconsolidated statement of profit and loss account.

Forward contracts relating to foreign currency deposits are valued at forward rates applicable to the respective maturities of the relevant foreign exchange contract. The forward cover received / paid on forward purchase / sale contracts relating to foreign currency deposits are realised / charged directly to the unconsolidated statement of profit and loss account.

4.18.3 Foreign operations

Assets and liabilities of foreign operations are translated into rupees at the exchange rate prevailing at the reporting date. The results of foreign operations are translated at average rate of exchange for the year.

4.18.4 Translation gains and losses

Translation gains and losses arising on revaluations of net investment in foreign operations are taken to Exchange Translation Reserve in the statement of comprehensive income. These are recognised in the unconsolidated statement of profit and loss account on disposal.

4.18.5 Commitments

Commitments for outstanding forward foreign exchange contracts disclosed in these unconsolidated financial statements are translated at contracted rates. Contingent liabilities / commitments for letters of credit and letters of guarantee denominated in foreign currencies are expressed in rupee terms at the rates of exchange ruling on the balance sheet date.

4.19 Clients' assets

The Bank provides services that result in the holding of assets on behalf of its clients. Such assets are not reported in the unconsolidated financial statements, as they are not the assets of the Bank.

4.20 Acceptances

Acceptances comprise of undertakings by the Bank to pay bill of exchange drawn on customers. Acceptances are recognised as financial liability in the unconsolidated statement of financial position with a contractual right of reimbursement from the customer as a financial asset. Therefore, commitments in respect of acceptances have been accounted for as financial assets and financial liabilities.

4.21 Goodwill

Goodwill acquired in a business combination before July 01, 2009 is initially measured at cost, being the excess of the cost of the business combination over the Bank's interest in the net fair value of the identifiable assets, liabilities and contingent liabilities acquired. Following initial recognition, goodwill is measured at cost less any accumulated impairment losses. Goodwill is reviewed for impairment, annually or more frequently if events or changes in circumstances indicate that the carrying value may be impaired.

For the year ended December 31, 2024

For the purpose of impairment testing, goodwill acquired in a business combination is, from the acquisition date, allocated to each of the Bank's cash-generating units, or groups of cash-generating units, that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the acquirer are assigned to those units or groups of units.

4.22 Earnings per share

The Bank presents basic and diluted earnings per share (EPS). Basis EPS is calculated by dividing the profit or loss attributable to equity holders of the Bank by the weighted average number of ordinary shares outstanding during the year.

4.23 Segment reporting

A segment is a distinguishable component of the Bank that is subject to risks and rewards that are different from those of other segments. A business segment is one that is engaged either in providing certain products or services, whereas a geographical segment is one engaged in providing certain products or services within a particular economic environment.

Segment information is presented as per the Bank's functional structure and the guidance given under International Financial Reporting Standard (IFRS) 8. For management purposes, the Bank has been organised into six operating segments based on products and services, as follows:

4.23.1 Business segments

Retail Banking

Retail banking includes branch banking, small and medium enterprises, direct sales, private banking, product management, branch distribution network and tele sales.

Corporate / Commercial Banking

This includes corporate banking, commercial banking and institutional sales related loans, deposits and other transactions.

Treasury

This segment is responsible for asset / liability management and includes all treasury related products such as fixed income money market, FX and derivatives.

Investment, International and Institutional Banking

This segment includes international branch, financial institutions business, home remittances, cash management, employee banking, venture capital and green banking.

Zindigi

It is a digital platform catering branchless banking customers.

Others

This includes the head office related activities and other functions which cannot be classified in any of the above segments.

4.23.2 Geographical segment

The Bank operates in two geographic regions being:

- Pakistan

- Bahrain

For the year ended December 31, 2024

- **9.5.2** This includes reversal of provision of Rs. 406.907 million (2023: Nil) against reduction in non-performing loans of Rs. 2,189.151 million (2023: Rs. 2,997.401 million) of certain borrowers under 'Debt Property Swap' transactions.
- **9.5.3** The State Bank of Pakistan through various circulars has allowed benefit of the forced sale value (FSV) of Plant and Machinery under charge, pledged stock and mortgaged residential, commercial and industrial properties (land and building only) held as collateral against non-performing loans (NPLs) for a maximum of five years from the date of classification. As at December 31, 2024, the Bank has availed a cumulative FSV benefit under the directives of the State Bank of Pakistan (SBP) amounting to Rs. 2,489.350 million (2023: Rs. 3,914.240 million).

The additional profit arising from availing the FSV benefit - net of tax amounts to Rs. 1,145.101 million (2023: Rs. 1,996.262 million). The additional impact on profitability arising from availing the benefit of FSV shall not be available for payment of cash or stock dividend to shareholders or bonus to employees under the requirement of Regulation R-8 of Corporate / Commercial Banking of SBP.

- **9.5.4** This includes deferred fair value loss arising from the restructuring of Pakistan International Airlines Corporation Limited (PIACL). SBP through its letter dated August 01, 2024 has allowed staggering of such fair value impact over the period of 6 years at rates of 5%, 10%, 15%, 20%, 25%, and 25% from year 1 to year 6. Further, SBP vide BPRD Circular Letter No.16 of 2024 dated July 29, 2024 has allowed to take such fair value adjustment with effect from October 01, 2024.
- **9.5.5** This also includes fair valuation adjustment on modified loans and concessional rate loans (staff loans and TERF loans) considered in accordance with the requirements of IFRS 9.

For the year ended December 31, 2024

10.2.4 The details of disposals of assets to related parties are given in Annexure II to these unconsolidated financial statements.

The properties of the Bank were revalued by independent professional valuers as at December 31, 2024. The 10.2.5 revaluation was carried out by M/s. Pakistan Inspection Co. (Pvt) Ltd. on the basis of professional assessment of present market values which resulted in increase in surplus by Rs. 845.494 million. The total surplus against revaluation of Property and equipment as at December 31, 2024 amounts to Rs. 2,202.331 million (2023: Rs. 1,393.824 million).

Had there been no revaluation, the carrying amount of the revalued assets at December 31, would have been as follows:

1011	This includes transfer from capital work in	prograce du	ring the year	of Do 061/10	million (2002)

- **12.1.1** This includes transfer from capital work-in-progress during the year of Rs. 961.412 million (2023: Rs. 1,142.444 million).
- **12.2** The cost of fully amortised intangible assets that are still in the Bank's use amounted to Rs. 359.825 million (2023: Rs. 302.063 million).
- **12.3** Goodwill is recorded by the Bank upon the event fully disclosed in note 1.2. For impairment testing, goodwill has been allocated to 'Trading and Sales' Segment as Cash Generating Unit (CGU), which is also a reportable segment.

For the year ended December 31, 2024

Key assumptions used in value in use calculation

The recoverable amount of the CGU has been determined based on value in use calculation, using cash flow projections based on business plan approved by the Board of Directors of the Bank covering a five year period, duly adjusted for changes based on latest forecasts. The discount rates applied to cash flows beyond five years are extrapolated using a terminal growth rate. The following rates are used by the Bank:

	2024	2023
	Percel	ntages
- Discount rate - Terminal growth rate	14.97 12.00	18.04 15.00

The calculation of value in use is most sensitive to following assumptions:

a) Interest margins

Interest margins are based on prevailing industry trends and anticipated market conditions.

b) Discount rates

Discount rates reflect management estimates of the rate of return required for each business and are calculated after taking into account the prevailing risk free rate, industry risk and business risk. Discount rates are calculated by using cost of equity of the Bank.

c) Key business assumptions

The assumptions are important as they represent management assessment of how the unit's position might change over the projected period. Based on the expansion plans, management expects aggressive growth in advances, investments and deposits during the projected periods and thereafter stabilisation in line with industry trends.

Management believes that any significant change in key assumptions, on which CGU's recoverable amount is based, may impact the carrying amount to further exceed its recoverable amount. Value in use calculation of the CGU are sensitive to changes in assumptions for interest rate spreads, Non Funded Income (NFI), long term growth rates and discount rates.

d) Sensitivity to changes in assumption

The estimated recoverable amount of the 'Trading and Sales' CGU exceeds its carrying amount by approximately Rs. 6,563.429 million (2023: Rs. 15,841.101 million). Management has identified two key assumptions for which there could be a reasonably possible change that could cause the carrying amount to exceed the recoverable amount. The following table shows the amount that these two assumptions are required to change individually in order for the estimated recoverable amount to be equal to the carrying amount.

	carrying am	required for ount to equal ple amount
	2024 Perce	2023 entages
- Discount rate - Terminal growth rate	0.41 -0.47	1.53 -1.82

18.1 In 2023, the Bank issued Rs. 3.5 billion of rated, privately placed and listed, unsecured and subordinated term finance certificates (TFCs or the Issue) as an instrument of redeemable capital under Section 66 of the Companies Act, 2017 and as outlined by State Bank of Pakistan, SBP, under the BPRD Circular No. 06 dated August 15, 2013 and Basel III guidelines. Summary of terms and conditions of the issue are:

Purpose:	To contribute towards the Bank's Tier II Capital for complying with the capital adequacy
	requirement and to utilize the funds in the Bank's business operations as permitted by its
	Memorandum and Articles of Association.
Issue amount	Rs. 3.5 billion
Issue date	August 30, 2023
Maturity date	August 30, 2033
Rating	AA- (Double A Minus)
Security	The Issue is unsecured
Profit payment frequency	Quarterly
Redemption	The instrument is structured to redeem 0.24% of the Issue amount during the first nine years after the issue date and the remaining Issue amount of 99.76% in four equal quarterly installments of 24.94% each in the last year.
Profit rate	Floating rate of return at Base Rate + 2 percent per annum;
	Base rate is defined as the average three months KIBOR prevailing on the Base Rate setting date. The Base Rate will be set for the first time on the last working day prior to the issue date and subsequently on the immediately preceding business day before the start of each three monthly period.
Subordination	The Issue is subordinated all other indebtedness of the Bank including depositors, however, senior to the claims of investors in instruments eligible for inclusion in Tier I Capital
Call option	Exercisable in part or in full on or after five years from the issue date, subject to SBP's approval.
Lock-in-clause	Principal and profit will be payable subject to compliance with MCR or CAR or Leverage Ratio set by SBP.
Loss absorbency clause	Upon the occurrence of a Point of Non-Viability (PONV) event as defined under SBP BPRD Circular No. 06 of 2013 dated August 15, 2013, SBP may at its option, fully and permanently convert the TFCs into common shares of the Bank and/or have them immediately written off (either partially or in full). Number of shares to be issued to TFC holders at the time of conversion will be equal to the 'Outstanding Face Value of the TFCs' divided by market value per share of the Bank's common share on the date of trigger of PONV as declared by SBP, subject to a cap of 924,772,179 shares.

For the year ended December 31, 2024

18.2 In 2021, the Bank issued Rs. 2.5 billion of rated, privately placed and listed, unsecured and subordinated term finance certificates (TFCs or the Issue) as an instrument of redeemable capital under Section 66 of the Companies Act, 2017 and as outlined by State Bank of Pakistan (SBP) under the BPRD Circular No. 06 dated August 15, 2013 and Basel III guidelines. Summary of terms and conditions of the issue are:

Purpose	To contribute towards the Bank's Tier II Capital for complying with the capital adequacy requirement and to utilize the funds in the Bank's business operations as permitted by its Memorandum and Articles of Association.
Issue amount	Rs. 2.5 billion
Issue date	December 28, 2021
Maturity date	December 28, 2028
Rating	AA - (Double A Minus)
Security	The Issue is unsecured
Profit payment frequency	Semi-annual
Redemption	The instrument is structured to redeem 0.24% of the Issue amount during the first six years after the issue date and the remaining Issue amount of 99.76% in two equal semi- annual installments of 49.88% each in the last year.
Profit rate	Floating rate of return at Base Rate + 2 percent per annum; Base rate is defined as the average six months KIBOR prevailing on the Base Rate setting date. The Base Rate will be set for the first time on the last working day prior to the issue date and subsequently on the immediately preceding business day before the start of each six monthly period.
Subordination	The Issue is subordinated all other indebtedness of the Bank including depositors, however, senior to the claims of investors in instruments eligible for inclusion in Tier I Capital
Call option	Exercisable in part or in full on or after the 10th redemption, subject to SBP's approval.
Lock-in-clause	Payment of profit will be made from current year's earning and subject to compliance with MCR and / or CAR or LR set by SBP.
Loss absorbency clause	Upon the occurrence of a Point of Non-Viability event as defined under SBP BPRD Circular No. 06 of 2013 dated August 15, 2013, SBP may at its option, fully and permanently convert the TFCs into common shares of the Bank and/or have them immediately written off (either partially or in full). Number of shares to be issued to TFC holders at the time of conversion will be equal to the 'Outstanding Face Value of the TFCs' divided by market value per share of the Bank's common share on the date of trigger of Point of Non-Viability (PONV) as declared by SBP, subject to a cap of 400,647,739 shares.

18.3 In 2018, the Bank issued Rs. 2.5 billion of rated, privately placed, unsecured, subordinated, perpetual and noncumulative term finance certificates (TFCs or the Issue) as an instrument of redeemable capital under Section 66(1) of the Companies Act, 2017 and as outlined by the State Bank of Pakistan (SBP) under the BPRD Circular No. 06 dated August 15, 2013 and Basel III guidelines. Summary of terms and conditions of the Issue are:

Purpose:	To contribute towards the Bank's Tier I Capital for complying with the capital adequacy requirement and to utilize the funds in the Bank's business operations as permitted by its Memorandum and Articles of Association.
Issue amount	Rs. 2.5 billion
Issue date	December 31, 2018
Maturity date	Perpetual
Rating	A + (Single A Plus)
Security	The Issue is unsecured
Profit payment frequency	Semi-annually on a non-cumulative basis

For the year ended December 31, 2024

Redemption	Not applicable
Profit rate	Floating rate of return at Base Rate + 2.25 percent per annum;
	Base rate is defined as the average six months KIBOR prevailing on the Base Rate setting date. The Base Rate will be set for the first time on the last working day prior to the issue date and subsequently on the immediately preceding business day before the start of each six monthly period.
Subordination	The Issue is subordinated as to payment of Principal and profit to all other claims except common shares.
Call option	Exercisable in part or in full at a par value on or after five years from the issue date, with prior approval of SBP. The Bank shall not exercise the call option unless the called instrument is replaced with capital of same or better quality.
Lock-in-clause	Payment of profit will be made from current year's earning and subject to compliance with MCR and / or CAR or LR set by SBP.

Loss absorbency clause:

Pre-Specified Trigger (PST)	 Upon the occurrence of a Pre-Specified Trigger as defined under SBP BPRD Circular No. 06 of 2013 dated August 15, 2013 which stipulates that if an issuer's Common Equity Tier 1 (CET 1) ratio falls to or below 6.625% of Risk Weighted Assets (RWA), the Issuer will have full discretion to determine the amount of TFCs to be permanently converted into common shares or written off, subject to SBP regulations / instructions, and the cap specified below. The Bank will be able to exercise this discretion subject to: If and when Bank's CET 1 reaches the loss absorption trigger point, the aggregate amount of Additional Tier-1 capital to be converted must at least be the amount sufficient to immediately return the CET 1 ratio to above 6.625% of total RWA (if possible); The converted amount should not exceed the amount needed to bring the CET 1 ratio
	 to 8.5% of RWA (i.e. minimum CET 1 of 6.0% plus capital conservation buffer of 2.5%); and In case, conversion of Additional Tier-1 capital Instrument is not possible following the trigger event, the amount of the Instrument must be written off in the accounts resulting in increase in CET 1 of the issuer.
Point of Non- Viability (PONV)	Upon the occurrence of a Point of Non-Viability event as defined under SBP BPRD Circular No. 06 of 2013 dated August 15, 2013, which stipulates that SBP may, at its option, fully and permanently convert the TFCs into common shares of the Issuer and / or have them immediately written off (either partially or in full). Number of shares to be issued to TFC holders at the time of conversion will be equal to the 'Outstanding Value of the TFCs' divided by market value per share of the Issuer's common / ordinary share on the date of the PONV trigger event as declared by SBP, subject to the cap specified below:
	The PONV trigger event is the earlier of:A decision made by SBP that a conversion or temporary / permanent write-off is
	 necessary without which the Issuer would become non-viable; The decision to make a public sector injection of capital, or equivalent support, without which the Issuer would have become non-viable, as determined by SBP.
	- The maximum number of shares to be issued to TFC holders at the Pre-Specified Trigger and / or Point of Non Viability (or otherwise as directed by SBP) will be subject to a specified cap of 329,595,476 ordinary shares, or such other number as may be agreed to in consultation with SBP.

23.3.1 These mainly represent counter claims filed by borrowers for damages, claims by former employees of the Bank and other claims relating to banking transactions.

Based on legal advice and / or internal assessments, management is confident that the matters will be decided in the Bank's favour.

23.3.2 Tax related contingencies are disclosed in notes 34.2 to 34.5.

24. DERIVATIVE INSTRUMENTS

Derivative instruments, such as Futures, Cross Currency Swaps and Options, are forward transactions that provide market making opportunities / hedge against the adverse movement of interest and exchange rates. Derivatives business also provides risk solutions for the existing and potential customers of the Bank.

The Bank also enters into Foreign Currency and Commodity Options from its Wholesale Banking Branch Bahrain for market making activities.

The Bank held no derivative instruments as at December 31, 2024 (December 31, 2023: Nil).

30.

29.1 In the year 2023, the Bank had opted for "Fair value as deemed cost" approach as per IAS 27 "Separate Financial Statements" to measure the initial interest in BIPL investment i.e 7.79% as investment in subsidiary at the acquisition date in the unconsolidated financial statements. The revaluation surplus related to the said interest was transferred to unconsolidated profit and loss account at the acquisition date.

- **34.1.1** The effective tax rate for the year is 55.25% (2023: 49.09%).
- **34.1.2** By virtue of the Income Tax (Amendment) Ordinance, 2024 issued on December 29, 2024, the Federal Government has raised the corporate tax rate for banking companies to 44%. The current year overall tax rate is 54% which includes 10% super tax.

34.2 Income Tax

The Bank has filed income tax returns under Section 114 of the Income Tax Ordinance, 2001 for the tax years 2007 through 2024. The returns so filed considered as deemed assessment order under Section 120(1) of the Income Tax Ordinance, 2001 (the Ordinance). Later, the return of income for tax years 2008 to 2024 were amended by the Officers of Inland Revenue (OIR) by taking recourse of tax audit or alternatively through amendment the assessment contending that certain matters in the deemed assessments were allegedly not conforming to the law and prejudiced the interest of revenue.

For the year ended December 31, 2024

The Bank contested the disallowances before the Commissioner Inland Revenue Appeals [CIR(A)] and the Appellate Tribunal Inland Revenue [ATIR].

For tax year 2008, both the CIR(A) and ATIR annulled the OIR's action of amending the assessment being barred by time limitation following the judgments of Honorable Supreme Court of Pakistan.

For tax years 2009 to 2017, the appeals were decided by ATIR through combined Appellate Order dated 31-01-2022. Though the AO, except for the levy of surcharge under section 4A, minimum tax under section 113 and deduction of Sindh WWF all of the issues involved in the appeal either decided in Bank's favor (including the issue of goodwill, amortization of which was claimed over the period of 10 years) or set-aside for re-examination by the ATIR.

The Bank as well as the tax department have filed Income Tax Reference Applications before Sindh High Court against above-mentioned order of ATIR, which are pending.

Bank's appeal for tax years 2018 to 2020 and 2022 are pending for adjudication before ATIR.

In respect of WWF, the Supreme Court of Pakistan has held in Judgement, PLD 2017 SC 28, that the amendments made in the WWF Ordinance through Finance Act, 2006 and 2008 were illegal and without lawful authority i.e. the banks do not fall into definition of Industrial Undertaking and thus, not liable to pay WWF. Based on that, the Appellate Tribunal through combined Appellate order dated January 31, 2022 has also annulled the OIR's action of levying WWF on Bank under Worker's Welfare Fund Ordinance, 1971 in tax years 2009, 2012 and 2013.

As a consequence of the 18th amendment to the Constitution, levy for the WWF was introduced by the Government of Sindh, Punjab and Balochistan through the Sindh WWF Act, 2014 (the Act), the Punjab Workers Welfare Fund Act, 2019 and the Balochistan Workers Welfare Fund Act, 2022, respectively. As per these Acts, the Bank is liable to pay WWF in these provinces. However, in this respect:

- the Bank has challenged the issue of jurisdiction claimed by Sindh Revenue Board before the Honorable High Court of Sindh (SHC) on grounds that banking companies cannot be considered as industrial establishment and that the Act cannot be applied to trans-provincial entities. The Court has restrained the Sindh Revenue Board to collect / recover Sindh WWF. For TY 2018 to TY 2023 the Court granted stay from recovery of Sindh WWF upon submission of Bank Guarantee to Nazir of Court.
- the Bank has also received notices regarding the recovery of Balochistan WWF for which the Bank is in discussion with legal counsel to challenge in the court of law on same grounds as in case of Sindh WWF.

In 2018, Based on decision of the Supreme Court of Pakistan, the Bank had reassessed the provision of WWF which was previously held on the entire operating results of the Bank (including all provinces, part of Pakistan, AJK and Bahrain Operations) and maintained WWF only to the extent of its operations within Sindh Province till 2019. In 2020 after promulgation of Punjab WWF, the Bank has again decided prudently to maintain provision on the entire results of the Bank.

The Sindh High Court has dismissed the Bank's petitions for tax years 2016 through 2022 wherein the Bank along with other taxpayers challenged the levy of super tax on constitutional grounds. Based on the opinion of legal counsel, the Bank has filed an appeal before the Supreme Court against the decision of the Sindh High Court. The Supreme Court has allowed interim relief to the taxpayers subject to the payment of 50% of the super tax liability. However, the Bank has adjusted full amount of super tax liability for Tax year 2016 and 2019 against the available tax refunds. Further, the bank has obtained stay from the Sindh High Court on other technical grounds regarding the levy of Super Tax for tax years 2017 and 2018.

Through Finance Act 2023, Super tax on high earning persons was levied under section 4C. The Bank has challenged the levy of Super tax for tax year 2023 through the legal counsel before the Islamabad High Court wherein interim stay was granted.

For the year ended December 31, 2024

In pursuance of SRO 1588(I)/2023 dated November 21, 2023 banking companies have been designated to the 'sector' for the purpose of section 99D of the Income Tax Ordinance, 2001, for the years 2022 and 2023. Tax authorities issued a recovery notice to the Bank thereby creating a demand. The Bank through its legal council challenged the levy, and the High Court of Sindh, has decided the case against the Bank. However, the Islamabad High Court and Lahore High Court has suspended the operation of section 99D in other similar petitions. The Bank has decided to file petition against the said levy in the Supreme Court of Pakistan along with the stay application.

34.3 Withholding tax monitoring

Withholding tax monitoring was initiated against the Bank for tax years 2014 to 2021. Orders in respect of tax years 2014, 2015, 2016, 2018, 2020 and 2021 have been passed against which appeals have been filed before the CIR(A). CIR(A) has remanded back the matters for rectification in respect of tax years 2014 and 2015 against which rectified orders have been passed and demands have been reduced. The ATIR through order dated February 07, 2022 refused Department's appeal and maintained CIR(A)'s order for tax year 2014. Tax demands for tax years 2016, 2018 and 2020 were also set-aside by CIR(A).

34.4 Sales tax

The Bank as a registered person under Sindh Sales Tax on Services Act, 2011 has been issued a Sales Tax Order from the Sindh Revenue Board (SRB) creating a demand of Rs.193.44 million (besides Rs. 7.2 million is charged as penalty) against the Bank for alleged non-payment of Sindh sales tax on certain 'presumed non-taxable services / incomes'(i.e. Bancassurance, Home Remittances under Pakistan Remittance Initiative Scheme, SBP rebates on Government securities, Rebates from foreign correspondent Banks, and FX gain on remittance by Western Union)' for the tax periods July 2011 to December 2013, 2015 to 2017 and 2019 to 2020. Bank has filed appeals before Commissioner (Appeals) Sindh Revenue Board (CA-SRB) against the order of AC-SRB, which is pending.

After year ended December 31, 2023, Punjab Revenue Authority (PRA) passed an Order for tax periods January to December 2017 raising tax demand of Rs. 157.4 million on alleged short withholding of Punjab Sales Tax. Being aggrieved, the Bank has filed an appeal alongwith application for stay against tax demand before Commissioner Appeal, which is pending.

34.5 Azad Jammu and Kashmir Operations

The Bank has commenced operations in Azad Jammu and Kashmir from tax year 2009 and has filed returns for the tax years 2009 to 2023 with the tax authorities of AJK region. The amendment proceedings and appeals are at various levels before AJK Tax authorities for the tax year 2011 to 2017 and 2019 to 2023.

The management of the Bank is confident that the appeals filed in respect of the above tax years will be decided in the Bank's favor and accordingly no demand for payment would arise.

35.	BASIC and DILUTED EARNINGS PER SHARE	Note	2024 Rupees	2023 9 in '000

38. DEFINED BENEFIT PLAN

38.1 General description

The Bank operates a recognised gratuity fund for all employees who opted for this scheme introduced by the management with effect from January 01, 2007.

Permanent employees are eligible for the gratuity fund after 10 years of continuous service. Gratuity is payable at 65% of the last drawn basic salary per completed year of service.

The defined benefit is administered by a separate fund that is legally separate from the Bank. The plan is governed by the trust deed dated September 01, 2007. The trustees of the gratuity fund consist of representatives from both the employer and the employees. The trustees of the gratuity fund are required by the trust deed to act in the interest of the fund and of all relevant stakeholders in the scheme, i.e. active employees, inactive employees, retirees and employers. The trustees of the gratuity fund are responsible for the investment policy with regard to the assets of the fund.

The present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same as applied in calculating the defined benefit obligation liability recognised in this unconsolidated statement of financial position.

38.2 The plan in Pakistan typically exposes the Bank to actuarial risks such as: salary risk, discount rate risk, mortality risk and investment risk defined as follow:

- Salary increase risk

The risk that the final salary at the time of cessation of services is greater than assumed. Since the benefit is calculated on the final salary (which will closely reflect inflation and other macroeconomic factors), the benefit amount increases as salary increases.

- Discount rate risk

The discount rate is based on the yield on government bonds. If the market yield of bonds varies, the discount rate would vary in the same manner and would affect the present value of obligation and fair value of assets.

For the year ended December 31, 2024

- Demographic risks

Withdrawal risk

The risk of actual withdrawals experience is different from assumed withdrawal probability. The significance of the withdrawal risk varies with the age, service and the entitled benefits of the beneficiary.

Longevity risk

The risk that the actual mortality experience is different than the assumed mortality. This effect is more pronounced in schemes where the age and service distribution is on the higher side.

- Investment risk

This is the risk that the assets are under-performing and are not sufficient to meet the liabilities.

38.3 Number of employees under the schemes

The number of employees covered under the gratuity scheme are: 4,131 (2023: 4,010).

38.4 Principal actuarial assumptions

The actuarial valuations were carried out as at December 31, 2024 using the following significant assumptions:

		2024	2023
Discount rate	per annum	12.25%	16.00%
Expected rate of return on plan assets	per annum	16.00%	14.50%
Expected rate of salary increase	per annum	12.25%	16.00%

38.10.1 Investment in term finance certificates are subject to credit risk and interest rate risks, while equity securities and mutual funds are subject to price risk. Cash and cash equivalents include balances maintained with the Bank which are subject to credit risk. These risks are regularly monitored by Trustees of the fund.

For the year ended December 31, 2024

38.11 Sensitivity analysis

38.11.1 Significant actuarial assumptions for the determination of the defined obligation are discount rate, and expected rate of salary increase. The sensitivity analysis below has been determined based on reasonably possible changes in one respective assumption occurring at the end of the reporting period, while holding all other assumptions constant:

		2024 Rupees in '000
	1% increase in discount rate 1% decrease in discount rate 1% increase in expected rate of salary increase 1% decrease in expected rate of salary increase	1,032,179 1,196,757 1,198,381 1,029,319
38.12	Expected contributions to be paid to the funds in the next financial year	270,154
38.13	Expected charge for the next financial year	193,713

38.14 Maturity profile

The weighted average duration of the obligation (in years): 7

38.15 Funding policy

The Bank endeavors to ensure that liabilities under the funded gratuity scheme is covered by the assets of the fund on any valuation date, based on actuarial assumptions.

38.16 The plan in Pakistan typically exposes the Bank to actuarial risks such as: salary risk, discount rate risk, mortality risk and investment risk defined as follows:

- Salary increase risk

The risk that the final salary at the time of cessation of services is greater than assumed. Since the benefit is calculated on the final salary (which will closely reflect inflation and other macroeconomic factors), the benefit amount increases as salary increases.

- Discount rate risk

The discount rate is based on the yield on government bonds. If the market yield of bonds varies, the discount rate would vary in the same manner and would affect the present value of obligation and fair value of assets.

- Demographic Risks

Withdrawal risk

The risk of actual withdrawals experience is different from assumed withdrawal probability. The significance of the withdrawal risk varies with the age, service and the entitled benefits of the beneficiary.

Longevity Risk

The risk that the actual mortality experience is different than the assumed mortality. This effect is more pronounced in schemes where the age and service distribution is on the higher side.

- Investment risk

This is the risk that the assets are under-performing and are not sufficient to meet the liabilities.

39. DEFINED CONTRIBUTION PLAN

The Bank operates a contributory provident fund for all permanent employees. The employer and employee both contribute 7.1% (2023: 7.1%) of the basic salaries to the funded scheme every month. Number of employees covered under this plan are 3,448 (2023: 3,231). During the year, the Bank has made a contribution of Rs. 366.562 million (2023: Rs. 312.365 million) to the fund. The employees have also made a contribution of equal amount to the fund.

For the year ended December 31, 2024

41. FAIR VALUE MEASUREMENTS

The fair value of quoted securities other than those classified as held to maturity, is based on quoted market price. Quoted securities classified as held to maturity are carried at cost. The fair value of unquoted equity securities, other than investments in associates and subsidiaries, is determined on the basis of the break-up value of these investments as per their latest available audited financial statements. Fair value of unquoted debt securities, fixed term loans, other assets, other liabilities and fixed term deposits cannot be calculated with sufficient reliability due to absence of current and active market for assets and liabilities and reliable data regarding market rates for similar instruments.

41.1 Fair value of financial assets

The Bank measures fair values using the following fair value hierarchy that reflects the significance of the inputs used in making the measurements:

- Level 1: Fair value measurements using quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: Fair value measurements using inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. devrived from prices).
- Level 3: Fair value measurements using input for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

For the year ended December 31, 2024

The table below analyzes financial instruments measured at the end of the reporting period by the level in the fair value hierarchy into which the fair value measurement is categorised:

		202	4	
	Level 1	Level 2	Level 3	Total

For the year ended December 31, 2024

Valuation techniques used in determination of fair valuation of fair values within level 2

Item	Valuation approach and input used
Units of mutual funds	Fair values of investments in units of mutual funds are determined based on redemption prices disclosed at the Mutual Funds Association of Pakistan (MUFAP) as at the close of the business days.
Market Treasury Bills (MTB), Pakistan Investment Bonds (PIB) and GoP Sukuks	Fair values of Pakistan Investment Bonds and Market Treasury Bills are derived using PKRV, PKFRV and PKISRV rates.
Debt Securities (TFCs) and Sukuk other than Government	Investments in debt securities (comprising of Term Finance Certificates, Bonds and any other security issued by a company or a body corporate for the purpose of raising funds in the form of redeemable capital) are valued on the basis of the rates announced by the Mutual Funds Association of Pakistan (MUFAP) in accordance with the methodology prescribed by the SECP.
Overseas Government Sukuks, Overseas and Euro Bonds	The fair value of Overseas Government Sukuks, and Overseas Bonds are valued on the basis of price available on Bloomberg.
Forward foreign exchange contracts	The valuation has been determined by interpolating the foreign exchange revaluation rates announced by the State Bank of Pakistan.
Derivatives	The fair values of derivatives which are not quoted in active markets are determined by using valuation techniques. The valuation techniques take into account the relevant underlying parameters including foreign currencies involved, interest rates, yield curves, volatilities, contracts duration, etc.
Property and Equipment - Land and buildings	Land and buildings and Non-banking assets under satisfaction of claims are carried at revalued amounts determined by professional valuers based on their assessment
Non-banking assets acquired in satisfaction of claims	of the market values as disclosed in note 10 and 13 of these unconsolidated financial statements. The valuations are conducted by the valuation experts appointed by the Bank which are also on the panel of State Bank of Pakistan. The valuation experts used a market based approach to arrive at the fair value of the Bank's properties. The market approach used prices and other relevant information generated by market transactions involving identical or comparable or similar properties. These values are adjusted to reflect the current condition of the properties.

Financial instruments - Level 3

Currently, no financial instruments are classified in level 3.

41.2 The Bank's policy is to recognise transfers into and out of the different fair value hierarchy levels at the date the event or change in circumstances that caused the transfer occurred. There were no transfers between levels 1 and 2 during the year.

//JS

Notes to the Unconsolidated Financial Statements

The SBP through its BSD Circular No. 07 dated April 15, 2009 has prescribed the minimum paid-up capital (net of accumulated losses) for banks to be raised to Rs.10,000 million by the year ending December 31, 2013. The paid-up capital of the Bank as at December 31, 2024 stood at Rs. 20,506.525 million (2023: Rs. 20,506.525 million) and is in compliance with SBP requirements.

The Banks are also required to maintain a minimum Capital Adequacy Ratio (CAR) of 10.0% plus capital conservation buffer of 1.5% of the risk weighted exposures of the Bank. Further, under Basel III instructions, Banks are also required to maintain a Common Equity Tier 1 (CET 1) ratio and Tier 1 ratio of 7.5% and 9.0%, respectively (inclusive of Capital Conservation Buffer). As at December 31, 2024 the Bank is fully compliant with prescribed ratios, as the Bank's CAR is 13.24% whereas CET 1 and Tier 1 ratios stood at 8.98% and 10.13% respectively. The Bank has complied with all capital requirements throughout the year.

Under the current capital adequacy regulations, credit risk and market risk exposures are measured using the Standardized Approach and operational risk is measured using the Basic Indicator Approach. Credit risk mitigants are also applied against the Bank's exposures based on eligible collateral under comprehensive approach.

46. RISK MANAGEMENT

Risk Management is a discipline at the core of every financial institution and encompasses all the activities that affect its risk profile. At the Bank, it involves identification, measurement, monitoring and controlling risks to ensure that:

- a) The individuals who take or manage risks clearly understand it;
- b) The Bank's Risk exposure is within the limits established by Board of Directors (BoD);
- c) Risk taking decisions are in line with the business strategy and objectives set by BoD;
- d) The expected payoffs compensate for the risks taken;
- e) Risk taking decisions are explicit and clear;
- f) Sufficient capital as a buffer is available to take risk; and
- g) Risk management function is independent of risk taking unit.

The Bank has a comprehensive set of Risk Management policies, practices and procedures which enable the Bank to take into consideration, in an appropriate manner, all major kinds of risks mainly credit, market, liquidity, operational and IT security risks. Keeping in view the dynamics of internal and external environment, we regularly review and update our Risk Management policies and procedures in accordance with regulatory environment and international standards.

Risk Management activities remain at the forefront of all activities of the Bank which places the highest priority on conducting its business in a prudent manner in line with the relevant laws and regulatory requirements.

Risk management framework of the Bank includes:

- a) Clearly defined risk management policies and procedures covering risk identification, acceptance, measurement, monitoring, reporting and control;
- Well constituted organizational structure, defining clearly roles and responsibilities of individuals involved b) in risk taking as well as managing it. The Bank, in addition to risk management functions for various risk categories, has instituted a Risk Management Committee (RMC), Operational Risk Management Committee (ORMC) as well as Central Credit Committee (CCC). RMC oversees the overall credit risk management at the Bank and provides guidance in setting strategic targets as well as concentration limits and monitors progress related to earnings growth, keeping in view the capital constraints and also adheres to the concentration limits. The RMC monitors the strategic target and aggregate exposure at the Business Group level and concentration limits (by industry, geography, size, tenor) so that one category of assets or dimension of risk cannot materially harm the performance of the Bank. RMC also monitors the advances portfolio, concentrations limits, aggregate limits at business level and various house keeping elements under Credit Administration. Risk Management Committee also oversees the progress of non performing loans and cases under litigation along with the recommendation of transferring of any NPL to Corporate Restructuring Company (CRC). ORMC oversees the effectiveness of operational risk management for maintenance and implementation of operational risk management framework. It also monitors the Business Continuity Planning and reviews findings of any other management or board's sub committee. Whereas, Central Credit Committee (CCC) is entrusted with the responsibility of monitoring lending risk profile of the Bank. CCC meets regularly to actively supervise credit risk across its lending portfolio;
- c) An effective management information system that ensures flow of information from operational level to top management and a system to address any exceptions observed; and
- d) A mechanism to ensure an ongoing review of systems, policies and procedures for risk management and procedures to adopt changes.

For the year ended December 31, 2024

While the overall responsibility of risk management rests with the BoD, it is the duty of Senior Management to devise risk management strategy by setting up well defined policies and procedures for mitigating / controlling risks, duly approved by the Board.

Giving due consideration to the above, the Bank has put in place the following hierarchy of Risk Management:

- Board Risk Management Committee (BRMC);
- Risk Management Committee (RMC) comprises of the President / Chief Executive Officer (CEO), Chief Risk Officer, Chief Operating Officer, Chief Credit Officer, Chief Financial Officer, Group Head Investment Banking, International and FI, Country Corporate Head, Head Commercial Banking, Country Head SME, Head Products and Analytics and Head Enterprise Risk Management.
- Asset Liability Committee (ALCO) comprises of the President / CEO, Treasurer, Chief Risk Officer, Chief Credit Officer, Group Head Investment Banking, FIs and International, Chief Financial Officer and attended by Other Business Heads;
- Central Credit Committee (CCC) comprising of the President / CEO, Chief Operating Officer, Chief Credit Officer, Group Head Investment Banking, International and FI, Country Corporate Head, Head Commercial Banking, and Head of Environmental Risk (for environmental risk only);
- Operational Risk Management Committee (ORMC) comprises of the President / CEO, Chief Risk Officer, Chief Compliance Officer, Chief Information Officer, Chief Financial Officer, Head of Distribution Retail Products, Head of Products and Analytics, Head of Centralized Operations, Head Branch Banking Operations, Chief Digital Officer and Head Operational Risk;
- IT Steering Committee (ITSC) comprises of President / CEO, Chief Operating Officer, Chief Risk Officer, Chief Financial Officer, Chief Information Officer, Chief Information Security Officer, Chief Officer-Zindigi, Chief Digital Officer, Chief Compliance Officer and Head Centralized Operations;
- Risk Management Group (RMG), a dedicated and independent set-up headed by Chief Risk Officer (CRO) and comprises of Heads of Market and Liquidity Risks, Operational Risk and BCP and Treasury Middle Office, Consumer and Program Lending Risk, Information Security, Agricultural Credit Risk, Digital Risk and Strategic Projects and Quantitative Analysis, Credit Administration (CAD), Special Assets Management (SAM), and Enterprise Risk Management (ERM);
- Credit Risk Group (CRG) is also an independent function to business and is headed by Chief Credit Officer (CCO). Credit Risk Heads dealing in corporate, Commercial, small and medium enterprises, financial institutions and international operations are reporting into CCO.

Risk Matrix / Categories

The Bank, in common with other banks, generates its revenues by accepting Country, Credit, Liquidity, Interest Rate Risk in the Banking Book, Market, Operational and other risks. Effective management of these risks is the decisive factor in the Bank's profitability.

For the year ended December 31, 2024

Risk Appetite

The Bank's risk appetite is reflected in its endeavours to maintain a favourable credit rating and encompasses the following:

- The business strategy
- The expectations of stakeholders at different time horizons
- The characteristics of the risk-bearing entities
- The nature and characteristics of the risks undertaken
- The possible spread of risk situations across organizational units, assets-at-risk, and future time horizons.

Risk appetite drives business activity. It combines anticipations in risk and profitability with management preferences to control capital and resource allocation, as well as the distribution of exposure across activities and portfolios.

The Bank's hedging strategy is embedded in its risk management practices for addressing material categories of risk.

46.1 Credit Risk

Credit risk is the risk which arises with the possibility that one party to a financial instrument will fail to discharge its obligation and cause the other party to incur a financial loss. Credit risk is managed in terms of credit policies, approved by the BoD and regulations issued by the SBP. The Bank is exposed to credit risk on loans and advances, fund placements with financial institutions and certain investments.

Credit risk management is an ongoing process. The overall credit policy and the credit risk instructions are issued by the Board of Directors. In this regards, a Central Credit Committee (CCC) is entrusted with the responsibility of monitoring lending risk profile of the bank. In order to maintain healthy growth of the credit portfolio, the Bank's Credit Risk Management processes are consistently upgraded and improved to meet future challenges.

The Bank's strategy is to minimize credit risk through product, geography, industry and customer diversification. Credit limits are established for all counter-parties after a careful assessment of their credit worthiness. An effective credit granting procedure, which requires pre-sanction evaluation of credit proposal, adequacy of security and pre-disbursement examination of charge documents is in place and managed by Credit Risk Group (CRG), Risk Management Group (RMG) and Credit Administration Department (CAD). The Bank maintains a sound portfolio diversified in nature to counter the risk of credit concentration and further confines risk through diversification of its assets by geographical and industrial sector. For managing impaired assets in the portfolio, the Bank follows the Prudential Regulations and Risk Management guidelines issued by SBP and the Credit related policies approved by the Board.

46.1.1 Credit risk: Standardised approach

The Bank has adopted the Standardised Approach of Basel II for risk weighing its Credit Risk Exposures.

The following table illustrates the approved External Credit Assessment Institutions (ECAIs) whose ratings are being utilised by the Bank with respect to material categories of exposures:

For the year ended December 31, 2024

Exposures	VIS	PACRA	MOODY'S	FITCH	S&P
Corporate	\checkmark	\checkmark	-	-	-
Banks SME's (retail	\checkmark	\checkmark	\checkmark	\checkmark	\checkmark
exposures)	\checkmark	\checkmark	-	-	-
Sovereigns	\checkmark	\checkmark	\checkmark	\checkmark	\checkmark
Securitisations	N/A	N/A	N/A	N/A	N/A

The Bank has used Issue Specific Ratings for rating / risk weighing Issue Specific Exposures and Entity Ratings for rating / risk weighing claims against specific counterparties. Both short and long term ratings have been used to rate corresponding short and long term exposures. For this purpose, Mapping Grid provided by SBP as given below:

Long - Term Ratings Grades Mapping

For the year ended December 31, 2024

46.1.2 Policies and processes for collateral valuation and management as regards Basel II

For Credit Risk Mitigation purposes the Bank uses only the eligible collaterals under Comprehensive Approach of Credit Risk Mitigation under Standardised Approach as prescribed by SBP under Circular No. 08 dated June 27, 2006, which includes Cash and Cash Equivalent Securities including Government Securities like Cash Margins, Lien on Bank Accounts, Foreign Deposit Receipts, Term Deposit Receipts, Pledge of Defense Saving Certificates, Regular Income Certificates, Special Saving Certificates, Market Treasury Bills and Pakistan Investment Bonds etc. and Shares, Term Finance Certificates (TFCs) and Mutual Funds Listed on the Main Index.

Under the Bank's policy all collaterals are subject to periodic valuations to monitor the adequacy of margins held. Shares / Marketable securities are valued by the Bank on daily basis to calculate the Drawing Power (DP). In case of any shortfall in the requisite margins, the DP is adjusted to the appropriate level and the business units are informed to take appropriate action as per the agreement with the customer.

Particulars of bank's significant on-balance sheet credit risk in various sectors are analysed as follows:

46.1.3 Lendings to financial institutions

Credit risk by public / private sector

46.1.9 Sensitivity of ECL to Future Economic Conditions

The ECL are sensitive to judgements and assumption made regarding formulation of forward-looking scenarios and how much such scenarios are incorporated into calculations. The Bank performs sensitivity analysis on the ECL recognised on each of its segments.

The table below shows the loss allowance on each segment assuming each forward-looking scenario (e.g. improved, base and worst) were weighted 100 percent instead of applying scenario probability across the three scenarios.

		Impr	oved	Ba	ise	Wo	orst

46.2 Market Risk

Market Risk is the risk of loss in earnings and capital due to adverse changes in interest rates, foreign exchange rates, equity prices and market conditions. Thus market risk can be further described into Interest Rate Risk, Foreign Exchange Risk and Equity Position Risk.

The Bank has an approved market risk policy wherein the governance structure for managing market risk, measurement tools used and the market risk exposure limits have been addressed. The Bank's strategy for managing market risk is to relate the level of risk exposures to their risk appetite and the capital at hand.

The Board of Directors (BoD) and the Asset and Liability Committee (ALCO) are responsible for addressing market risk from a strategic perspective and are assisted by the market risk function in meeting these objectives.

The Market Risk Unit reports directly to Head ERM and is responsible for ensuring the implementation of market risk policy in line with the Bank's strategy.

Risk reporting undertaken by the market risk function includes:

- a) Portfolio Reports
- b) Limit monitoring reports
- c) Sensitivity analysis; and
- d) Stress testing of the portfolio

Currently, the Bank is using the market risk standardised approach for the purpose of computing regulatory capital, the details of which are set out above.

For the year ended December 31, 2024

46.2.2 Foreign Exchange Risk

Main objective of foreign exchange risk management is to ensure that the foreign exchange exposure of the Bank lies within the defined appetite of the Bank.

Daily reports are generated to monitor the internal and regulatory limits with respect to the overall foreign currency exposures. The overall net open position, whether short or long has the potential to negatively impact the profit and loss depending upon the direction of movement in foreign exchange rates.

Foreign exchange open and mismatched positions are marked to market on a daily basis.

Currency risk arises where the value of financial instruments changes due to changes in foreign exchange rates. In order to manage currency risk exposure, the bank enters into ready / spot, forward and swap transactions with the State Bank of Pakistan (SBP) and in the inter bank market. The Bank's foreign exchange exposure comprises of forward contracts, foreign currencies cash in hand, balances with banks abroad, foreign placement with SBP and foreign currencies assets and liabilities. The net open position is managed within the statutory limits, as fixed by SBP. Counter parties' limits are also fixed to limit risk concentration. Appropriate segregation of duties exists between the front and back-office functions while compliance with the net open position limit is independently monitored on an ongoing basis.

46.2.3 Equity position Risk

Equity positions in the banking book include Investment in equities that are available-for-sale or held for strategic investment purposes. These investments are generally regarded as riskier relative to fixed income securities owing to the inherent volatility of stock market prices. The Bank mitigates these risks through diversification and capping maximum exposures in a single company, compliance with regulatory requirement, and following the guidelines laid down in the Bank's Investment Policy as set by the Board of Directors (BoD). The Bank follows a delivery versus payment settlement system thereby minimizing risk available in relation to settlement risk.

Equity price risk is managed by applying Portfolio level limits and scrip-wise stop loss monitoring

46.2.4 Yield / Interest rate risk in the banking book (IRRBB)-Basel II Specific

Yield / Interest rate sensitivity position for on-balance sheet instruments is based on the earlier of contractual repricing or maturity date and for off-balance sheet instruments is based on settlement date. This also refers to the non-trading market risk. The gap analysis between the market rate sensitive assets and liabilities is given below:

46.3.1

For the year ended December 31, 2024

46.3.2 OPERATIONAL RISK

The Bank currently uses Basic Indicator Approach to Operational Risk for regulatory capital calculations. A comprehensive ORM Framework approved by the Board of Directors is in place which addresses all significant aspects of ORM. Operational Risk identification and assessment tools used by the Bank include Risk and Control Self Assessments (RCSAs), Key Risk Indicators (KRIs) and Incident Management and Data Collection. Operational Risk Champions have been nominated from all departments of the Bank and are responsible for implementation of the Framework in coordination with the ORM department. An Operational Risk Management Committee (ORMC) monitors and oversees operational risk issues.

To inculcate the operational risk management culture at the Bank, Operational Risk Management function imparts operational risk awareness to all the new employees of the Bank as part of the induction training along with the mandatory training for all employees of the Bank via the Bank's online learning portal.

The Business Continuity Management (BCM) framework is in place and the plans are regularly tested to provide assurance that key functions of the Bank are able to continue their operations from alternate processing site(s) in case the primary site(s) are not accessible or available.

46.4 Liquidity risk

Liquidity risk is the risk that the Bank will not be able to raise funds to meet its commitments. The Bank's Asset and Liability Committee (ALCO) manages the liquidity position on a continuous basis.

The Bank's policy for liquidity management is to maintain adequate liquidity at all times and in all currencies under both normal and stress conditions, to meet its contractual and potential payment obligations without incurring additional and unacceptable cost to the business.

Treasury is responsible for the managing liquidity risk under the guidance of Asset-Liability Committee of the Bank. The Bank's liquidity risk management approach starts at the intraday level (operational liquidity) managing the daily payments queue and factoring in our access to the qualifying securities of State Bank of Pakistan. It then covers tactical liquidity risk management dealing with the access to unsecured funding sources and the liquidity characteristics of our asset inventory (asset liquidity). Finally, the strategic perspective comprises the maturity profile of all assets and liabilities on our statement of financial position.

For monitoring and controlling liquidity risk, the Bank generates a scenario sensitive maturity statement of financial position, and run controlled mismatches that are monitored and discussed by ALCO members regularly. The Bank prepares various types of reports and analysis for assisting ALCO in taking necessary strategic actions for managing liquidity risk in the Bank. These include liquidity ratios, Concentration analysis, Gap reports, Stress testing, Liquidity Coverage ratio and Net Stable Funding Ratio analysis etc.

The Bank calculates Liquidity Coverage Ratio (LCR) on a monthly basis. Based on December 31, 2024 numbers LCR is 190.5% against SBP minimum requirement of 100%, with Total Stock of High-Quality Liquid Assets (HQLA) of Rs. 198,354.2 million and Net Cash Outflows of Rs. 104,122.5 million. On monthly basis during the year, LCR has remained well over the minimum threshold ranging from 190.5% to 426.01% during the year.

Furthermore, Based on December 31, 2024 numbers the NSFR is 179.37% against SBP minimum requirement of 100%, with Total Available Stable Funding of Rs. 483,536.2 million and Total Required Stable Funding of Rs. 269,567.3 million.

The Bank strategically emphasizes diversification and stability in its funding approach. Its funding base is varied, encompassing stable sources like equity, subordinated loans, retail and small business deposits, and less stable forms such as deposits from larger entities. It is fully compliant with Basel III Liquidity Coverage Ratio (LCR) and Net Stable Funding Ratio (NSFR), ensuring an ample supply of high-quality liquidity assets relative to liabilities.

The Bank employs stress testing to assess its balance sheet's vulnerability to hypothetical stress events. Liquidity risk factors undergo significant shocks, and their impact on the balance sheet is quantified. Stress testing encompasses scenarios defined by both regulatory standards and internally identified risks. Results are communicated to senior management, the Board of Directors, and regulators.

A Contingency Funding Plan (CFP) is in place to address liquidity challenges during crises. CFP identifying stress scenarios and corresponding funding plans, incorporating early warning indicators. Three Contengiency Levels are defined in CFP with varying action Plans for each.

The Liquidity Coverage Ratio's (LCR) key drivers include High-Quality Liquid Assets (HQLA) and Net Cash Outflow, determined by asset liquidity quality and liability profile volatility. The composition of HQLA as of December 31, 2024, is detailed as below:

Level 1 Assets: Rs. 194,476 billion Level 2 Assets: Rs. 3,759.6 billion

47. DERIVATIVE RISK

The policy guidelines for taking derivative exposures are approved by the Board of Directors (BOD). Bank's Asset and Liability Committee (ALCO) is responsible for reviewing and managing associated risks of the transactions.

The nature, scope and purpose of derivatives business, for trading purposes or hedging purpose and the types of derivative in which they deal.

The overall responsibility for offering derivative products and sustaining profitability lies with the Treasurer and in his absence with his delegate. The Market Risk Unit / Treasury Middle Office of the Bank responsible for measurement and monitoring of the market risk exposures, analysis of present and potential risk factors.

The Market Risk Unit also monitors associated Credit, Market and Liquidity Risk in line with Board of Directors approved limit framework. The unit coordinates with the business regarding approvals for derivatives risk limits and produces various reports / analysis for ALCO / BRMC on periodic basis. These reports provide details of outstanding un-hedged positions, profitability and status of compliance with limits. Treasury Operations records derivatives activity in the Bank's books and is responsible for reporting to the SBP.

The derivative transaction such as Cross Currency Swaps carries credit risk which is the risk that a party to a derivative contract will fail to perform its obligation. There are two types of credit risk associated with derivative transactions: 1) settlement, and 2) pre-settlement risk. Bank's Central Credit Committee is responsible for reviewing and managing associated Counterparty Credit Risks of the transaction.

The Bank also enters into Foreign Currency and Commodity Options from its Wholesale Banking Branch Bahrain for market making activities. The Bank can hedge its risk by taking on and off-balance sheet position in interbank market, where available.

48. GENERAL

- **48.1** Corresponding figures have been re-arranged / re-classified, wherever necessary, to facilitate comparison in the presentation in the current year. However, there are no material re-arrangements / re-classifications to report.
- **48.2** The figures in these unconsolidated financial statements have been rounded off to the nearest thousand.

49. DATE OF AUTHORISATION FOR ISSUE

These unconsolidated financial statements were authorised for issue by the Board of Directors of the Bank in their meeting held on February 28, 2025.

INDEPENDENT AUDITOR'S REPORT

To the members of JS Bank Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the annexed consolidated financial statements of **JS Bank Limited** (the Bank) and its subsidiaries (the Group), which comprise the consolidated statement of financial position as at 31 December 2024, and the consolidated statement of profit and loss account, the consolidated statement of comprehensive income, the consolidated statement of changes in equity and consolidated cash flow statement for the year then ended, and notes to the consolidated financial statements, including a summary of material accounting policies and other explanatory information.

In our opinion, consolidated financial statements give a true and fair view of the consolidated financial position of the Group as at 31 December 2024 and of its consolidated financial performance and its consolidated cash flows for the year then ended in accordance with the accounting and reporting standards as applicable in Pakistan.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* as adopted by the Institute of Chartered Accountants of Pakistan (the Code), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Following are the Key Audit Matters:

How the matter was addressed in our audit
<u>[</u>
inancial statements)
 Our audit procedures, amongst others, included the following: Performing risk assessment procedures over the credit loss allowance against advances and off-balance sheet exposure within the Bank's consolidated financial statement. As part of these risk assessment procedures, identifying the portfolios associated with a risk of material misstatement including those arising from judgements over the estimation of ECL either due to inputs, methods or assumption. Assessing the design, implementation and operating effectiveness of key controls established by the Bank over measurement of ECL and provision calculated as per PR; We involved in-house specialist who assisted in the following: Evaluating the Bank's impairment methodologies for compliance with application instructions as issued by SBP for IFRS 9; Assessing the reasonableness of the Bank's methodology and models for determining the economic scenarios used and the probability weightings applied to them by independently validating and challenging the assumption, methodologies, and outputs of the models; Assessing the reasonableness of macro-economic variable and

	 economic conditions. Management judgement is applied in determining the forward-looking economic scenarios used as an input to calculate ECL, the associated scenario probability weightings, and the key economic variables that drive the scenarios. Qualitative criteria – the criteria selected to identify a SICR involves judgment and can lead to unreliable ECL recognized for certain portfolios. In line with the application instructions as issued by SBP for IFRS 9, the Bank must compare the ECL for Stage 3 advances with the provision determined under the Prudential Regulations (PR) issued by the SBP. The PR requires specific provisioning against the advances on the basis of time-based criteria which should be supplemented by a subjective evaluation of Bank's credit portfolio. The determination of provision against advances, therefore, involves use of management's judgement, on a case- to-case basis, taking into account factors such as the economic and business conditions, borrowers' repayment behaviors and realizability of collateral held by the Bank. Because of the high degree of estimation uncertainty and judgement involved in the calculation of ECL we considered the area of ECL provision as a key audit matter. 	 economic forecasts by comparing these to external sourced data extracted; and Performing independent testing of the Expected Credit Loss (ECL) allowance on a sample basis. Ensuring completeness of the key inputs into the ECL calculations with their respective sub-ledgers and general ledgers. Performing testing on sample basis over key inputs into the ECL calculations with their respective source documents. Performing sensitivity analysis on the key assumption, that is probability weighted economic scenarios, to assess reasonableness and the risk of biasness by changing weights assigned to each economic scenario. In accordance with the PR, we sampled at least sixty percent of the total advances portfolio and performed credit review through the following substantive procedures: verifying repayments of advances/mark-up installments and checked that non-performing advances have been correctly classified and categorized based on the number of days overdue; examining watch list accounts and, based on review of the individual facts and circumstances, discussions with management and our assessment of financial conditions of the borrowers, formed a judgement as to whether classification of these accounts as performing was appropriate; and

S.No.	Key Audit Matters	How the matter was addressed in our audit
		 assessing the accuracy of specific provision made against non-performing advances in accordance with the criteria prescribed under the PRs by performing recalculation.
		 Assessing the appropriateness of SICR criteria applied by the Bank by ensuring that the SICR criteria and staging methodology are consistent with the relevant application instructions as issued by SBP for IFRS 9.
		• Assessing the appropriateness of ECL on advances categorized as Stage 3 by performing a comparison of ECL computed, through the use of methodology and models with the provision required to be computed as required under the PR to ensure that an amount which is higher of the ECL and PR requirements is appropriately recognized for these stage 3 advances pursuant to the requirement of application instructions as issued by SBP for IFRS 9.
		 Evaluating the adequacy of the consolidated financial statement disclosures, including disclosures of key assumptions, judgements and sensitivities.
2	Impairment testing of goodwill	
	(Refer Note 12 to the consolidated financial statements)	
	As at 31 December 2024, intangible assets include goodwill amounting to Rs. 4,408 million acquired as a result of scheme of amalgamation as disclosed in note 12 to the consolidated financial statements.	 Our audit procedures, amongst others, included the following: Evaluating the model used in determining the value in use as well as assessing the discount rate used;
	Goodwill is required to be annually assessed for impairment under IAS-36 "Impairment of Assets". Accordingly,	 Comparing the cash flow forecasts to approved budgets and other relevant

S.No.	Key Audit Matters	How the matter was addressed in our audit
	Management has performed an impairment test of the goodwill which is subjective in nature due to assumptions made about future performance. As disclosed in note 12, the Bank uses a discounted cash flow model to determine value in use, on the basis of the certain key assumptions. Due to the significance and impact of the assumptions and judgements involved, the impairment testing of goodwill is considered to be a key audit matter.	 market and economic information, as well as testing the underlying calculations; Involving our internal valuation specialists to review and evaluate management's key assumptions used in impairment calculations; Performing sensitivity analyses around the key assumptions used in the models; Assessing the adequacy of the related disclosures in the consolidated financial statements in accordance with the applicable financial reporting framework
3	Acquisition of BankIslami Pakistan Li	mited (BIPL)
	(Refer Note 1.4.3 to the consolidated fin	ancial statements)
	On August 18, 2023, the Bank obtained control of BIPL by holding 50.24% of the total shareholding of BIPL. 'International Financial Reporting Standard (IFRS) 3, 'Business Combinations', requires that all identified assets and liabilities acquired in a business combination should be carried at fair values in the acquirer's balance sheet and any intangible assets acquired in the business combination are required to be separately recognised and carried at fair values. 'IFRS 3 allows the acquirer a maximum period of one year from the date of acquisition to finalize the accounting for business combination, the Bank had recorded the net assets of the Business Combination on provisional values which have been finalised in the current year. Due to the impact of the assumptions and judgements involved in the fair	 Our audit procedures, amongst others, included the following: Assessing the carrying amounts of all net assets acquired by the Group at the acquisition date. This review was conducted to identify any potential adjustments required to reflect the fair value of assets and liabilities. Evaluating the competence, capabilities and objectivity of the Management Expert and evaluating the appropriateness of the work performed; Obtaining the project price allocation report and conducting inquiries with Management's Expert to understand the valuation methodology; Engaging our valuation specialist in assessing the appropriateness of the valuation methodology and key assumptions applied in the valuation;

S.No.	Key Audit Matters	How the matter was addressed in our audit
	valuation exercise, the acquisition of BIPL is considered to be a key audit matter.	 Assessing the appropriateness of the bargain purchase gain on acquisition of BIPL and is in line with the guidance of IFRS 3 "Business Combination";
		 Evaluating the transaction is recorded in line with the requirements of accounting and reporting standards as applicable in Pakistan; and
		 Assessing the appropriateness and adequacy of the disclosure made in the consolidated financial statement.

Information other than the Consolidated Financial Statements and Auditor's Report Thereon

Management is responsible for the other information. The Other Information comprises the Annual Report, but does not include the unconsolidated financial statements, consolidated financial statements and our auditor's reports thereon. We were provided with the Director's Report to the Shareholders and Chairman's Review Report prior to the date of this Auditor's report and the remaining parts of the Annual report are expected to be made available to us after that date.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements, or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information that we obtained prior to the date of this Auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and the Board of Directors for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting and reporting standards as applicable in Pakistan, the requirements of Banking Companies Ordinance, 1962 and the Companies Act, 2017 (XIX of 2017) and for such internal control as Management determines is necessary to enable the

preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of
 accounting and, based on the audit evidence obtained, whether a material uncertainty exists
 related to events or conditions that may cast significant doubt on the Group's ability to
 continue as a going concern. If we conclude that a material uncertainty exists, we are
 required to draw attention in our auditor's report to the related disclosures in the consolidated
 financial statements or, if such disclosures are inadequate, to modify our opinion. Our
 conclusions are based on the audit evidence obtained up to the date of our auditor's report.

However, future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with the Board of Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Board of Directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the Board of Directors, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partner on the audit resulting in this independent auditor's report is Muhammad Taufiq.

1. STATUS AND NATURE OF BUSINESS

1.1 The Group consists of:

Holding Company: JS Bank Limited

JS Bank Limited (the Bank) is a banking company incorporated in Pakistan as a public limited company on March 15, 2006. The Bank is a subsidiary company of Jahangir Siddiqui & Co. Ltd. (JSCL) and its shares are listed on Pakistan Stock Exchange Limited (PSX). The Bank commenced its banking operations on December 30, 2006 and its registered office is situated at Shaheen Commercial Complex, Dr. Ziauddin Ahmed Road, Karachi.

The Bank is a scheduled bank, engaged in commercial banking and related services as described in the Banking Companies Ordinance, 1962 and is operating through 314 (2023: 291) branches / sub-branches in Pakistan and one wholesale banking branch in Bahrain (2023: 1). The Pakistan Credit Rating Agency Limited (PACRA) has assigned the long-term entity rating of the Bank to "AA" (Double A) whereas short-term rating is maintained at 'A1+' (A One Plus), which is the highest possible short-term rating. The ratings denote a very low expectation of credit risk and indicate very strong capacity for timely repayment of financial commitments.

Jahangir Siddiqui Investment Bank Limited (JSIBL), formerly Citicorp Investment Bank Limited, was acquired by Jahangir Siddiqui & Co. Ltd. (JSCL) on February 01, 1999. JSIBL's holding company JSCL, entered into a Framework Agreement with American Express Bank Limited, New York (AMEX) on November 10, 2005 for acquisition of its American Express Bank Limited - Pakistan Branches, (AEBL). Consequently, a new banking company, JS Bank Limited (JSBL) was incorporated on March 15, 2006 and a restricted Banking License was issued by the State Bank of Pakistan (SBP) on May 23, 2006.

A Transfer Agreement was executed on June 24, 2006 between JSIBL and JSBL for transfer of the entire business and undertakings of JSIBL to JSBL and a separate Transfer Agreement was also executed on June 24, 2006, between AMEX and JSBL for the transfer of AEBL's commercial banking business in Pakistan with all assets and liabilities (other than certain excluded assets and liabilities) (AEBL business). The shareholders of JSIBL and JSBL, in their respective extra-ordinary general meetings held on July 31, 2006, approved a Scheme of Amalgamation (the Scheme) under Section 48 of the Banking Companies Ordinance, 1962. The Scheme was initially approved by the Securities and Exchange Commission of Pakistan (SECP) vide its letter No. SC/NBFC(J)-R/JSIBL/2006/517 dated September 28, 2006. Subsequently, the Scheme was sanctioned by the SBP vide its order dated December 02, 2006 and, in accordance therewith, the effective date of amalgamation was fixed at December 30, 2006.

The ultimate parent of the Group is Jahangir Siddiqui & Co. Ltd. which holds 71.21% (2023: 71.21%) shares of the Bank.

1.2	Composition of the Group	Effective	Effective Holding			
		2024	2023

	Veda Transit Solutions (Private) Limited	3.92%	3.92%			
	Intercity Touring Company (Private) Limited	9.12%	9.12%			

- **1.3.1** In addition to the above, funds managed by JS Investments Limited (JSIL) are also treated as associates of the group by virtue of the controlling interest of the Bank in JSIL. The names and holding percentages are disclosed in note no. 1.4.2 and 8.8.1 respectively of these consolidated financial statements.
- **1.3.2** At the time of the acquisition, there were investments in associates recorded in BIPL's books. However, since these investments were fully provided for as of the acquisition date, they are not included in this note.

For the year ended December 31, 2024

1.4 Subsidiary Companies

1.4.1 JS Global Capital Limited (JSGCL)

JSGCL is principally owned by the Bank, holding 92.9% of its equity interest. The Bank acquired effective controlling interest in JSGCL on December 21, 2011, April 15, 2016, October 01, 2019 and June 02, 2021 of 51.05%, 16.11%, 16.37% and 9.37% respectively. The ownership interest has increased by 41.85%, without any change in the cost of investment, due to the fact that JSGCL has bought back its 11,993,000 shares on April 15, 2016, 7,450,000 shares on October 02, 2019 and 27,477,297 share on June 02, 2021. JSGCL is a public listed company incorporated in Pakistan under the repealed Companies Ordinance, 1984. The shares of JSGCL are listed on Pakistan Stock Exchange (PSX). Further, JSGCL is a corporate member of PSX and member of Pakistan Mercantile Exchange. The principal business of JSGCL is to carry out share brokerage, money market, forex and commodity brokerage, advisory and consultancy services. Other activities include investment in a mix of listed and unlisted equity and debt securities and reverse repurchase transactions. The registered office of JSGCL is situated at 17th Floor, The Centre, Plot No. 28, SB-5, Abdullah Haroon Road, Saddar, Karachi, Pakistan. JSGCL has eight branches (2023: eight) in seven cities of Pakistan.

1.4.2 JS Investments Limited (JSIL)

JSIL is principally owned by the Bank, holding 84.73% of its equity interest. The Bank acquired effective controlling interest in JSIL on November 01, 2012, December 22, 2015 and August 31, 2019 of 52.24%, 12.92% and 19.40% respectively. The ownership interest has increased by 32.49% without any change in the cost of investment, due to the fact that JSIL has bought back its 38,351,873 ordinary shares out of its 100 million ordinary shares. JSIL is a public listed company incorporated in Pakistan on February 22, 1995 under the repealed Companies Ordinance, 1984. The shares of JSIL are listed on the Pakistan Stock Exchange (PSX), formerly since April 24, 2007. The registered office of JSIL is situated at The Centre, 19th Floor, Plot No. 28, SB-5, Abdullah Haroon Road, Saddar, Karachi.

JSIL has obtained the license of an "Investment Advisor" and "Asset Management Company" (AMC) under the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules) and the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations). In addition, JSIL has also obtained registration to act as Pension Fund Manager under the Voluntary Pension System Rules, 2005.

JSIL is an asset management company of the following funds:

Open-end mutual funds:

- JS Growth Fund
- Unit Trust of Pakistan
- JS Income Fund
- JS Islamic Fund
- JS Fund of Funds
- JS Islamic Income Fund
- JS Cash Fund
- JS Large Cap Fund

- JS Rental REIT Fund

Private Equity and Venture Capital fund:

- JS Motion Picture Fund

Pension funds:

- JS Pension Savings Fund
- JS Islamic Pension Savings Fund
- JS KPK Pension Fund
- JS KPK Islamic Pension Fund

For the year ended December 31, 2024

1.4.3 BankIslami Pakistan Limited (BIPL)

1.4.3.1 Business Combination of BIPL

The shareholders of the Bank in their meeting held on March 30, 2022 approved to acquire, as per the requirements of section 199 of the Companies Act, 2017, 86,316,954 ordinary shares of BankIslami Pakistan Limited (BIPL) (an associated company of JSCL), constituting 7.79% of the paid-up capital of BIPL, from Emirates NBD Bank PJSC at a price of upto Rs. 13.24 per share making the aggregate consideration upto Rs. 1,142 million.

During the year 2023, pursuant to the approvals of the shareholders of the Bank at their General Meetings held on March 29, 2023 and May 19, 2023 and after obtaining all the requisite approvals from regulatory bodies i.e. State Bank of Pakistan ('SBP'), Competition Commission of Pakistan ('CCP'), Securities and Exchange Commission of Pakistan ('SECP') as well as all regulatory and statutory formalities and compliance with all the applicable laws and regulations, the Bank acquired 42.45%, i.e., 470,603,772 ordinary voting shares and control of Banklslami Pakistan Limited (BIPL) on August 18, 2023 from sponsors and other shareholders of BIPL (namely, Ahmed Goolam Mohamed Randeree, Shabir Ahmed Randeree, Sumya Builders and Developers and Jahangir Siddiqui & Co. Ltd. (the holding company of the Bank) through agreements against the issuance of 532,629,349 new shares of the Bank by way of other than rights and other than cash consideration, i.e., 1.1318 ordinary shares of the Bank issued as consideration for every 1 ordinary share of BIPL. Accordingly on August 18, 2023, BIPL became a subsidiary of the Bank with 50.24% shareholding by obtaining control.

During the year 2023, the Bank acquired 24.88%, i.e., on August 25, 2023, 275,891,276 ordinary shares of BIPL by way of public offer (published in newspapers on June 28, 2023) made to all public shareholders as required under the Takeover Regulations in cash at the rate of Rs. 23.99 per share. To partly finance the public offer, the Bank, with the approval of the Board of Directors, had issued 220,568,925 ordinary shares by way of 17% Right Shares, i.e., 17 right shares for every 100 shares held, at par value of Rs. 10/- each.

Post-acquisition, the shareholding of the Bank in BIPL had increased to 75.12%.

1.4.3.2 The Bank acquired the control over BIPL through following phases in the years 2022 and 2023:

	Date of acquisition	Number of shares acquired	Proportion of voting equity interest acquired
Acquired through Cash from Emirates NBD Bank Acquired through Share SWAP Agreements	November 11, 2022 August 18, 2023	86,316,954 470,603,772	7.79% 42.45%
Acquired through Cash from Public Offer	August 25, 2023	556,920,726 275,891,276 832,812,002	50.24% 24.88% 75.12%

Business Combination of BIPL

On August 18, 2023, the Bank obtained control of BIPL by holding 50.24% of the total shareholding of BIPL. Therefore, the effective date of business combination is considered to be August 18, 2023.

For the year ended December 31, 2024

1.4.3.3 Consideration transferred

Fair value per share of the Bank as per the SPA was determined at Rs. 20.4099 per share:

Total number of shares issued (Number in '000) Value per share (Rupees) Total value of consideration transferred (Rupees in '000)

10,870,912		532,629
	10	20.4099

1.4.3.4 Fair Value of previously held interest

IFRS 3 requires that in a business combination achieved in stages, the acquirer shall remeasure its previously held equity interest in the acquiree at its acquisition date fair value and recognise the resulting gain or loss in the statement of profit and loss.

Previously held equity interest in BIPL i.e., 7.79% at the date of business combination (Number in '000) Fair value per share (Rupees) Fair value of previously held interest (Rupees in '000)

86,317
17.13
1,478,609

1.4.3.5 Fair value of net identifiable assets acquired as at business combination

International Financial Reporting Standard (IFRS) 3, 'Business Combinations', requires that all identified assets and liabilities acquired in a business combination should be carried at fair values in the acquirer's balance sheet and any intangible assets acquired in the business combination are required to be separately recognised and carried at fair values.

IFRS 3 allows the acquirer a maximum period of one year from the date of acquisition to finalize the accounting for business combination. Identified assets acquired, liabilities assumed or incurred have been carried at the fair value as at the acquisition date. The fair valuation exercise will be completed within the period of one year as allowed under IFRS 3. Any adjustment arising at the time of finalization of this exercise will be incorporated with retrospective effect from the date of acquisition. In the financial statements for the year ended 31 December 2023, the Bank had recorded the assets of the Business Segment on provisional values which have been finalised in the current year.

The financial statement that were used for the purpose of carrying out fair valuation exercise as at August 18, 2023 were separate financial statements of BIPL because the carrying amount of separate financial statement are not materially different from consolidated financial statements of BIPL as at August 18, 2023.

The fair values and carrying amounts of net identifiable assets acquired are as follows:

	Carrying Amounts	Fair value adjustments - Rupees in '000	Fair values
Cash and balances with treasury banks Balances with other banks Due from financial institutions - net Investments - net Islamic financing, related assets and advances - net Fixed assets Intangible assets Deferred tax assets Other assets - net Non-current assets held for sale Total Assets	$\begin{array}{r} 27,815,593\\ 1,183,041\\ 29,438,101\\ 251,768,739\\ 206,990,695\\ 14,083,440\\ 3,435,083\\ 2,854,825\\ 29,802,211\\ \underline{447,523}\\ 567,819,251\end{array}$	- (627,942) (5,101,453) - 1,627,160 485,123 - - (3,617,112)	27,815,593 1,183,041 29,438,101 251,140,797 201,889,242 14,083,440 5,062,243 3,339,948 29,802,211 447,523 564,202,139

Equity holders of the Bank Non-controlling interest 15,713,326 15,568,355 31,281,681

1.4.3.6	Assets acquired	Valuation technique
	Fixed assets and non-banking assets acquired in satisfaction of claims	The valuation experts used a market based approach to arrive at the fair value of BIPL's fixed assets and non-banking assets acquired in satisfaction of claims. The market approach used prices and other relevant information generated by market transactions involving identical, comparable or similar assets.
	Investment in associates	Investment in associate other than those fully impaired at the acquisition date are valued using 'Discounted cash flows'. The valuation model considers the present value of expected payments, discounted using a cost of equity.
	Intangible assets	The multiple-period excess earnings method considers the present value of net cash flows expected to be generated by the core deposits, by excluding any cash flows related to contributory assets.
	Subsidised rate financings, subsidised rate borrowings and staff loan	These assets are valued using 'Discounted cash flows'. The valuation model considers the present value of expected payments, discounted using a market rate prevailing at the time of business combination.
Deferred tax liabilities		Deferred tax liabilities arising from the assets acquired and liabilities assumed in the acquisition of BIPL have been recognised in accordance with IAS 12 'Income Taxes'. The Bank has accounted for the potential tax effects of temporary differences that exist at the acquisition date or arose as a result of the acquisition in accordance with IAS 12.

Carrying amounts of all the below mentioned assets and liabilities are equal to its fair value:

- Cash and balances with treasury banks and Balances with other banks fair value are considered equal to its carrying amount due to their highly liquid nature and short-term maturity.
- Investments other than those fully impaired are either valued at "Available for Sales" or "Held to Maturity".
- Carrying amount of advances other than Subsidised rate financings and staff loan, Lendings to financial institutions, deposits, sub-ordinated sukuks and borrowings other than subsidised rate borrowings are considered to be fair value as it carries market interest rates.
- Carrying amounts of other assets other than non-banking assets acquired in satisfaction of claims and mark
 to market gain on Shariah compliant alternative of forward foreign exchange contracts and other liabilities is
 considered equal to its fair value due to the realisability of associated economic benefits being short term or
 equal to its carrying amount.

1.4.3.10 BankIslami Pakistan Limited (BIPL) was incorporated in Pakistan on October 18, 2004 as a public limited company to carry out the business of an Islamic Commercial Bank in accordance with the principles of Islamic Shariah. BIPL is principally engaged in corporate, commercial, consumer and retail banking, and investment activities.

BIPL is operating through 540 branches including 60 sub-branches as at December 31, 2024 (2023: 440 branches including 60 sub-branches). The registered office of the Bank is situated at 11th Floor, Dolmen City Executive Tower, Marine Drive, Block-4, Clifton, Karachi. The shares of the Bank are quoted on the Pakistan Stock Exchange Limited.

For the year ended December 31, 2024

1.5 Associated Companies

Omar Jibran Engineering Industries Limited (OJEIL)

The Bank has invested in the shares of OJEIL, a public unlisted company. The Bank has classified the investment as an associate on account of its significant influence over the investee company. OJEIL was incorporated on June 25, 1987 in Pakistan as an unquoted public limited company under the repealed Companies Ordinance, 1984. The registered office of OJEIL is situated at DSU-10, Pakistan Steel Industries Estate Bin Qasim, Karachi. OJEIL is mainly engaged in manufacturing and sale of automotive parts and armouring of vehicles.

Veda Transit Solutions (Private) Limited (VEDA)

The Bank has invested in the shares of VEDA, a private limited company. The Bank has classified the investment as an associate on account of its significant influence over the investee company. VEDA was incorporated on June 10, 2016 in Pakistan as private limited company under the repealed Companies Ordinance, 1984. The registered office of VEDA is situated at Raaziq Logistics Centre 16 KM, Multan Road, Near Dina Nath Stop, Lahore. VEDA is mainly engaged in the rural / urban, intracity / intercity transportation of passenger and goods.

Intercity Touring Company (Private) Limited (ITC)

The Bank has invested in the shares of ITC, a private limited company. The Bank has classified the investment as an associate on account of its significant influence over the investee company. ITC was incorporated on April 25, 2014 in Pakistan as private limited company under the repealed Companies Ordinance, 1984. The registered office of ITC is situated at 147-P Gulberg III, Lahore. ITC is mainly engaged in the transportation, touring and logistics related services.

Funds managed by JS Investments Limited (JSIL)

In addition to the above, funds managed by JSIL as mentioned in note 1.4.2 are classified as associates of the Group by virtue of the subsidiary status of JSIL. Significant judgement pertaining to associates are disclosed in note 4.4 to these consolidated financial statements.

2. BASIS OF PRESENTATION

These consolidated financial statements have been prepared in conformity with the format of financial statements prescribed by the State Bank of Pakistan (SBP) vide BPRD Circular No. 02, dated February 09, 2023 with further addition made vide BPRD Circular Letter No. 13 of 2024, dated July 01, 2024 and accounting and financial reporting standards as applicable in Pakistan.

These consolidated financial statements include financial statements of JS Bank Limited and its subsidiary companies, (the Group) and share of the profit / reserves of associates.

These consolidated financial statements have been presented in Pakistani Rupees (PKR), which is the currency of the primary economic environment in which the Group operates and functional currency of the Group. The amounts are rounded off to the nearest thousand rupees except as stated otherwise.

The US Dollar amounts shown on the consolidated statement of financial position, consolidated statement of profit and loss account, consolidated statement of comprehensive income and consolidated cash flow statement are stated as additional information solely for the convenience of readers and have not been subject to audit by the external auditors. For the purpose of conversion to US Dollars, the rate of Rs. 278.55 to 1 US Dollar has been used for 2023 and 2024 as it was the prevalent rate as on December 31, 2024.

There is no significant doubt on the Group's ability to continue as a going concern. Therefore, the consolidated financial statements continue to be prepared on the going concern basis.

For the year ended December 31, 2024

2.1 Statement of Compliance

These consolidated financial statements have been prepared in accordance with the accounting and reporting standards as applicable in Pakistan. These comprise of:

- International Financial Reporting Standards (IFRSs) issued by the International Accounting Standards Board (IASB) as are notified under the Companies Act, 2017;
- Islamic Financial Accounting Standards (IFAS) issued by the Institute of Chartered Accountants of Pakistan (ICAP) as are notified under the Companies Act, 2017;
- Provisions of and directives issued under the Banking Companies Ordinance, 1962;
- Provisions of and directives issued under the Companies Act, 2017; and
- Directives issued by the State Bank of Pakistan (SBP) and the Securities and Exchange Commission of Pakistan (SECP).

Whenever the requirements of the Banking Companies Ordinance, 1962, the Companies Act, 2017, or the directives issued by the SBP and the SECP differ with the requirements of IFRS, the requirements of the Banking Companies Ordinance, 1962, the Companies Act, 2017 and the said directives shall prevail.

The SBP has deferred the applicability of International Accounting Standard (IAS) 40, 'Investment Property' for banking companies vide BSD Circular Letter No. 10 dated August 26, 2002 till further instructions. Further, the SECP has deferred the applicability of International Financial Reporting Standard (IFRS) 7, 'Financial Instruments: Disclosures' on banks vide its notification S.R.O 411(I)/2008 dated April 28, 2008. Accordingly, the requirements of these standards have not been considered in the preparation of these consolidated financial statements.

International Financial Reporting Standard (IFRS) 10, 'Consolidated Financial Statements' was made applicable from period beginning on or after January 01, 2015 vide S.R.O 633(I)/2014 dated July 10, 2014 by SECP. However, SECP has directed through S.R.O56(I)/2016 dated January 28, 2016, that the requirement of consolidation under section 228 of the Companies Act, 2017 and IFRS 10 is not applicable in case of investment by companies in mutual funds established under trust structure.

These consolidated financial statements of the Bank are prepared using generally consistent accounting policies. However, as per SBP IFRS 9 application instructions, overseas branches comply with the local regulations enforced within their respective jurisdictions under IFRS 9.

As per BPRD Circular Letter No. 16 of 2024 dated July 29, 2024, unlisted equity securities are currently carried at the lower of cost or breakup value as per the exemption granted by SBP. Effective from January 01, 2025, as per the requirement of IFRS 9, these will be measured at fair value under IFRS 13.

SBP has allowed extension to banks up to December 31, 2024 for developing the requisite models for calculating EAD for revolving products beyond the contractual date.

The Bank and BIPL have both received extensions from the State Bank of Pakistan (SBP) up to December 31, 2025 for application of Effective Interest / Profit Rates (EIR / EPR) in general for all financial assets and liabilities (excluding staff loans / subsidized loans).

SBP through BPRD Circular Letter No. 01 of 2025 dated January 22, 2025 has clarified the followings:

- Islamic Banking Institutions (IBIs) are allowed to follow Islamic Financial Accounting Standards (IFAS) 1 and 2 where applicable and continue the existing accounting methodology on other Islamic products until issuance of further instruction in this regard.
- The treatment of charity should be in line with the existing practices as defined in SBP instructions issued via IBD Circular No. 02 dated March 25, 2008 and should not be recognised as income.

For the year ended December 31, 2024

2.2 Basis of Consolidation

2.2.1 Subsidiary

- The consolidated financial statements include the financial statements of the Bank and its subsidiary companies together the Group.
- Subsidiaries are entities controlled by the Group. Control exists when the Group is exposed, or has rights, to variable returns from its investment with investee and has the ability to effect those return through its power over the investee except investment in mutual funds established under trust structure where IFRS 10 is not applicable in case of investment by companies in mutual funds established under Trust structure.
- These consolidated financial statements incorporate the financial statements of subsidiaries from the date that control commences until the date that control ceases.
- The financial statements of the subsidiary companies are prepared for the same reporting year as the Bank for the purpose of consolidation, using consistent accounting policies.
- The assets, liabilities, incomes and expenses of subsidiary companies have been consolidated on a line by line basis.
- Non-controlling interests are that part of the net results of operations and of net assets of subsidiaries attributable to interest which are not owned by the Bank.
- Material intra-group balances and transactions are eliminated.

2.2.2 Associates

Associates are those entities in which the Group has significant influence, but not control, over the financial and operating policies. Associates are accounted for using the equity method of accounting.

2.2.3 Acquisition Accounting

Acquisitions of businesses not under common control are accounted for using the acquisition method. The consideration transferred in a business combination is measured at fair value, which is calculated as the sum of the acquisition-date fair values of the assets transferred by the bank, liabilities incurred by the bank to the former owners of the acquiree and the equity interests issued by the Bank in exchange for control of the acquiree. Acquisition-related costs are recognised in consolidated statement of profit and loss account as incurred.

At the acquisition date, the identifiable assets acquired and the liabilities assumed are recognised at their fair value at the acquisition date.

Goodwill on acquisition is measured as the excess of the sum of the consideration transferred, the amount of any non-controlling interests in the acquiree, and the fair value of the acquirer's previously held equity interest in the acquiree (if any) over the net of the acquisition-date amounts of the identifiable assets acquired and the liabilities assumed. If, after reassessment, net of the acquisition-date amounts of the identifiable assets acquired and liabilities assumed exceeds the sum of the consideration transferred, the amount of any non-controlling interests in the acquirer's previously held interest in the acquiree (if any), the excess is recognised immediately in the consolidated statement of profit and loss account as a bargain purchase gain.

Non-controlling interests that are present ownership interests and entitle their holders to a proportionate share of the Group's net assets in the event of liquidation is measured at proportionate share of net assets of the acquiree at the date of the acquisition.

For the year ended December 31, 2024

2.3 Standards, interpretations of and amendments to approved accounting standards that are effective in the current period

As directed by SBP via BPRD Circular Letter No. 07 of 2023 dated April 13, 2023, IFRS 9, (Financial Instruments) became effective in Pakistan for period beginning on or after January 01, 2024. In addition, due to the application of IFRS 9, SBP vide BPRD Circular No. 02 dated February 09, 2023, amended the format of the annual financial statements. Details regarding the aforementioned adoption and amendment, including the impact thereof, are discussed in more detail in note 4.1.2 to these consolidated financial statements.

There are certain other amendments to existing accounting and reporting standards that have become applicable to the Group for accounting periods beginning on or after January 01, 2024. These are either considered to not be relevant or do not have any significant impact and accordingly have not been detailed in these consolidated financial statements.

2.4 Standards, interpretations of and amendments to approved accounting standards that are not yet effective

The following International Financial Reporting Standards (IFRS) as notified under the Companies Act, 2017 and the amendments and interpretations thereto will be effective for accounting periods beginning on or after January 01, 2024:

Standards and Amendments

Amendments to IAS 21- Lack of Exchangeability IFRS 10 and IAS 28 - Sale or Contribution of Assets between an Investor and its Associate or Joint Venture (Amendments)

Effective date (annual periods beginning on or after)

January 01, 2025

Not yet finalised

IASB effective date (accounting periods beginning on or after)

January 01, 2004

IFRS 1 – First-time adoption of International Financial Reporting Standards

2.5 Critical accounting estimates and key sources of estimation uncertainty

The preparation of these consolidated financial statements in conformity with accounting and reporting standards as applicable in Pakistan requires management to make judgments, estimates and assumptions that affect the reported amounts of assets and liabilities and income and expenses. It also requires management to exercise judgment in the application of its accounting policies. The estimates and assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. These estimates and assumptions are reviewed on an ongoing basis.

- i) Valuation and impairment of financial instruments (notes 4.1.2.12, 8, 9, 42 and 47.1.9).
- ii) Valuation of assets acquired in a business combination (notes 1.4.3).
- iii) Classification of investment in associates (notes 4.4).
- iv) Valuation and depreciation of property and equipment (notes 4.7 and 10).
- v) Valuation of right-of-use assets and related lease liability (notes 4.8, 11 and 17).
- vi) Valuation and amortisation of intangible assets including impairment of goodwill (notes 4.9, 4.21 and 12).
- vii) Valuation of non-banking assets acquired in satisfaction of claims (notes 4.10 and 13.2).
- viii) Defined benefit plans (notes 4.15.2 and 38).
- ix) Taxation (notes 4.13, 19 and 34).
- x) Fair value of derivatives (note 24).

For the year ended December 31, 2024

Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of revision and future periods if the revision affects both current and future periods.

3. BASIS OF MEASUREMENT

These consolidated financial statements have been prepared under the historical cost convention except for:

- Certain classes of property and equipment and non-banking assets acquired in satisfaction of claims which are stated at revalued amounts less accumulated depreciation.
- Investments classified under Fair Value through Profit or Loss (FVPL) and Fair Value through Other Comprehensive Income (FVOCI) and derivative financial instruments, which are measured at fair value.
- Certain concessional rate advances and related borrowing (Staff Loans and Financing / Borrowing under SBP TERF Schemes).
- Net obligations in respect of defined benefit schemes which are carried at their present values.
- Lease liability against right-of-use assets that are carried at present value.

4. MATERIAL ACCOUNTING POLICY INFORMATION

The material accounting policies applied in the preparation of these consolidated financial statements are set out below. These policies have been consistently applied to all the years presented, except as disclosed in note 4.1 below.

4.1 Changes in Accounting Policies

4.1.1 Revised format of consolidated financial statements

SBP through its BPRD Circular No. 02 dated February 09, 2023, and BPRD Circular Letter No. 07 dated April 13, 2023, amended the format of quarterly, half yearly and annual financial statements of banks effective from accounting years starting from January 01, 2024 and onwards. Accordingly, the Group has prepared these consolidated financial statements on the new format prescribed by SBP. The adoption of the new format contains additional disclosures and certain changes in the financial statements' presentation, primarily due to the implementation of IFRS 9 as applicable in Pakistan. However, the corresponding figures continue to be classified and disclosed in accordance with the previous financial accounting and reporting framework.

Adoption of revised financial statements format has also resulted in following material changes (due to which the corresponding presentations have also been changed):

- Right-of-use-assets (Note 11) amounting to Rs. 7,078.577 million (2023: Rs. 5,848.280 million) which were previously shown as part of property and equipment (note 10) are now shown separately on the consolidated statement of financial position.
- Lease liabilities (Note 17) amounting to Rs. 7,845.190 million (2023: Rs. 6,686.639 million) which were previously shown as part of other liabilities (note 20) are now shown separately on the consolidated statement of financial position.

4.1.2 Impact of IFRS 9 - Financial Instruments

During the year, as directed by the SBP vide its BPRD Circular No. 07 dated April 13, 2023, International Financial Reporting Standard (IFRS) 9, 'Financial Instruments' became applicable to Banks in Pakistan.

BPRD Circular No. 03 dated July 05, 2022 issued by SBP provides detailed instructions on implementation of IFRS 9 (the Application Instructions) for ensuring smooth and consistent implementation of the standard across banks, which were further clarified from time to time.

For the year ended December 31, 2024

IFRS 9 addresses recognition, classification, measurement and derecognition of financial assets and financial liabilities. The standard has also introduced a new impairment model for financial assets which requires recognition of impairment charge based on 'expected credit losses' (ECL) approach rather than 'incurred credit losses' approach as previously followed. The ECL has impact on all the financial assets of the Bank and its subsidiairy (BIPL) which are exposed to credit risk.

The Bank has adopted IFRS 9 in accordance with the Application Instructions from January 01, 2024, using the modified retrospective approach and has not restated comparatives for the 2023 reporting period and the differences in carrying amount of financial assets and financial liabilities resulting from the adoption of IFRS 9 are recognised in retained earnings and reserves as at January 01, 2024, as permitted under the specific transitional provisions in the Standard. Accordingly, the information presented for 2023 does not reflect the requirements of IFRS 9 and therefore is not comparable to the information presented for 2024 under IFRS 9.

SBP vide its BPRD Circular Letter No. 16 dated July 29, 2024 made amendments and extended the timelines of application instructions. Under the new guidelines, the banks are required to implement modification accounting for financial assets and liabilities in accordance with the Standard. These changes took effect from October 01, 2024, and have been applied retrospectively from January 01, 2024. SBP through its BPRD Circular Letter No. 01 of 2025 dated January 22, 2025, further clarified that modification accounting would be applied to loans modified on or after January 01, 2020.

For the year ended December 31, 2024

For the year ended December 31, 2024

- **4.1.2.1.1** As per paragraph 3.2 of the Application Instructions, Government securities in local currency are exempted from the application of ECL framework, details are mentioned in note 4.1.2.12 to these consolidated financial statements.
- **4.1.2.1.2** Certain debt securities are held by the Group in separate portfolios to meet everyday liquidity needs. The Group seeks to minimise the costs of managing these liquidity needs and therefore actively manages the return on the portfolio. That return consists of collecting contractual payments as well as gains and losses from the sale of financial assets. The investment strategy often results in sales activity that is significant in value. The Group considers that under IFRS 9 these securities are held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets.
- **4.1.2.1.3** These financial assets are held by overseas branch. As per paragraph 1.2 of the Application Instruction, in relation to overseas branch, IFRS 9 will be applicable based on their respective host country's regulatory accounting practices. Since IFRS 9 was already applicable to overseas branches as at January 01, 2024, there is no impact of IFRS 9 adoption on these financial assets.
- 4.1.2.1.4 The Group previously classified certain equity investments as Available-for-Sale (AFS). Upon implementing IFRS 9, the Group made an irrevocable election to classify certain equity investments at FVOCI whereas the default category was for FVPL.
- **4.1.2.1.5** Certain debt securities are held by the Group in a separate portfolio for long-term yield. These securities may be sold, but such sales are not expected to be more than infrequent. The Group considers that these securities are held within a business model whose objective is to hold assets to collect the contractual cash flows. These assets are classified as amortised cost under IFRS 9.
- **4.1.2.1.6** This includes puttable instrument that can be put back at any time for cash equal to a proportionate share of the net asset value of an entity. These assets are therefore mandatorily classified at FVPL under IFRS 9.
- 4.1.2.1.7 This includes expected credit loss against off-balance sheet items.

4.1.2.2 Impact on regulatory capital

The introduction of IFRS 9 has resulted in reduction in regulatory capital of the banks, which has reduced their lending capacity and ability to support their clients. In order to mitigate the impact of ECL models on capital, SBP has determined that it may be appropriate for the banks to introduce a transitional arrangement for the impact on regulatory capital from the application of ECL accounting. Annexure B of the 'Application Instructions' issued by SBP has detailed the transitional arrangement.

The transitional arrangement applies only to provisions for stage 1 and stage 2 financial assets. The transitional arrangement must adjust CET1 capital. Where there is a reduction in CET1 capital due to new provisions, net of tax effect, upon adoption of an ECL accounting model, the decline in CET1 capital (the transitional adjustment amount) must be partially included (i.e., added back) to CET1 capital over the transition period of five years.

Moreover, SBP has allowed to adjust the amount of stage 1 and stage 2 provisions in Tier 2 Capital that have not been added back to CET 1 and vice versa as per Annexure-A of BPRD Circular No. 16 dated July 29, 2024.

The impact of adoption of IFRS 9 on the capital ratios of the Holding Company and BIPL, as disclosed in the respective financial statements were as follows:

JS Bank Limited	CAR would have been higher by 38 bps
BankIslami Pakistan Limited	CAR would have been higher by 35 bps

4.1.2.3 Classification and measurement

Under the new standard, classification and measurement of financial assets depends on how these are managed based on business model and their contractual cash flow characteristics. Financial assets that do not meet the Solely Payment of Principal and Interest (SPPI) criteria are required to be measured at fair value through profit or loss (FVPL) regardless of the business model in which they are held.

For the year ended December 31, 2024

4.1.2.3.1 Recognition and initial measurement

Debt securities issued are initially recorded when they are originated. All other financial assets and financial liabilities are initially recognised when the Group becomes a party to the contractual provisions of the instrument.

A financial asset or financial liability is initially measured at fair value plus, for an item not at FVPL, transaction costs that are directly attributable to its acquisition or issue. The fair value of a financial asset on initial recognition is generally its transaction price. If the Group determines that the fair value on initial recognition differs from the transaction price then the financial instrument is initially measured at fair value, adjusted to defer the difference between the fair value on initial recognition and the transaction price. Subsequently, that difference is recognised in consolidated statement of profit and loss account on an appropriate basis over the life of the asset but no later than when the valuation is wholly supported by observable market data, or the transaction is closed out. Advances other than staff loans and Temporary Economic Refinance Facility (TERF) and advances pertaining to overseas operations are initially measured at transaction price i.e., the amount of loan disbursed at disbursement date.

Staff loans and Temporary Economic Refinance Facility (TERF) loans and advances pertaining to overseas operations are recognised at fair value at the time of disbursement. The fair value is determined by discounting the expected future cash flows using the prevailing market rates for instruments. The difference between the disbursed amount and the fair value at initial recognition is recorded as a prepayment.

4.1.2.3.2 Classification

(a) Financial Assets

On initial recognition, a financial asset other than advances except for staff loans and Temporary Economic Refinance Facility (TERF) and advances pertaining to overseas operations is classified as measured at amortised cost, FVOCI or FVPL.

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at FVPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are SPPI.

A debt instrument is measured at FVOCI only if it meets both of the following conditions and is not designated as at FVPL:

- the asset is held within a business model whose objective is achieved by both collecting contractual cashflows and selling financial assets; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are SPPI.

On initial recognition of an equity investment that is not held-for-trading, the Group may irrevocably elect to present subsequent changes in fair value in OCI. This election is made on an investment-by-investment basis.

Financial assets are not reclassified subsequent to their initial recognition unless the Group changes its business models for managing financial assets, in which cases all affected financial assets are reclassified on the first day of the first reporting period following changes in the business model.

Advances are carried at cost, net of expected credit loss allowances, excluding staff loans, Temporary Economic Refinance Facility (TERF) and advances pertaining to overseas operations, which are measured at amortised cost.

For the year ended December 31, 2024

(b) Financial Liabilities

Financial liabilities are either classified as fair value through profit or loss (FVPL), when they are held-fortrading purposes, or at amortised cost. Financial liabilities classified as FVPL are measured at fair value and all the fair value changes are recognised in consolidated statement of profit and loss account. Financial liabilities classified at amortised cost are initially recorded at their fair value and subsequently measured using the effective interest rate method. Markup expense and foreign exchange gain and losses are recognised in consolidated statement of profit and loss account. Any gain or loss on derecognition is also recognised in consolidated statement of profit and loss account.

Under IFRS 9, derivatives embedded in contracts where the host is a financial asset in scope of the standard and are never bifurcated. Instead, the whole hybrid instrument is assessed for classification.

4.1.2.4 Business model assessment

A financial asset is classified as either held-to-collect, held-to-collect and sale and others based on Business Model Assessment. the Group makes an assessment of the objective of a business model in which an asset is held at a portfolio level because this best reflects the way the business is managed, and information is provided to management. The assessment requires judgement based on facts and circumstances on the date of assessment. The information considered mainly includes:

- the stated policies and objectives for the portfolio and the operation of those policies in practice. In particular, whether management's strategy focuses on earning contractual markup revenue, maintaining a particular interest rate profile, matching the duration of the financial assets to the duration of the liabilities that are funding those assets or realising cash flows through the sale of the assets;
- how the performance of the portfolio is evaluated and reported to the Group's management;
- the risks that affect the performance of the business model (and the financial assets held within that business model) and its strategy for how those risks are managed;
- how managers of the business are compensated (e.g., whether compensation is based on the fair value of the assets managed or the contractual cash flows collected); and
- the frequency, volume and timing of sales in prior periods, the reasons for such sales and its expectations about future sales activity. However, information about sales activity is not considered in isolation, but as part of an overall assessment of how the Group's stated objective for managing the financial assets is achieved and how cash flows are realised.

The business model assessment is based on reasonably expected scenarios without taking 'worst case' or 'stress case' scenarios into account.

Transfer of financial assets to third parties in transactions that do not qualify for derecognition are not considered sales for this purpose, consistent with the Group continuing recognition of the financial assets.

Financial assets that are held-for-trading or managed and whose performance is evaluated on a fair value basis are measured at FVPL because they are neither held-to-collect contractual cash flows nor held-to-collect contractual cash flows and to sell financial assets.

4.1.2.5 Assessment of whether contractual cash flows are solely payments of principal and interest (SPPI)

For the purposes of this assessment, 'principal' is defined as the fair value of the financial asset on initial recognition. 'Interest' is defined as consideration for the time value of money and for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs (e.g., liquidity risk and administrative costs), as well as interest margin.

In assessing whether the contractual cash flows are SPPI, the Group considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition. In making the assessment, the Group considers:

For the year ended December 31, 2024

- contingent events that would change the amount and timing of cash flows;
- leverage features;
- prepayment and extension terms;
- terms that limit the Group's claim to cash flows from specified assets (e.g. non-recourse loans); and
- features that modify consideration of the time value of money (e.g. periodical reset of interest rates).

A prepayment feature is consistent with the SPPI criterion if the prepayment amount substantially represents unpaid amounts of principal and markup on the principal amount outstanding, which may include reasonable additional compensation for early termination of the contract. Additionally, for a financial asset acquired at a discount or premium to its contractual par-amount, a feature that permits or requires prepayment at an amount that substantially represents the contractual par amount plus accrued (but unpaid) contractual interest (which may also include reasonable additional compensation for early termination) is treated as consistent with this criterion if the fair value of the prepayment feature is insignificant at initial recognition.

The Group holds a portfolio of long-term fixed-rate loan for which the Group has the option to propose to revise the interest rate at periodic reset dates. These reset rights are limited to the market rate at the time of revision. The borrowers have an option to either accept the revised rate or redeem the financing at par without penalty. the Group has determined that the contractual cash flows of these loan are SPPI because the option varies the interest rate in a way that is in consideration for the time value of money, credit risk, other basic financing risks and costs associated with the principal amount outstanding.

4.1.2.6 Subsequent measurement

Financial assets at FVPL	These assets are subsequently measured at fair value. Net gains and losses, including any markup or dividend income, are recognised in consolidated profit and loss account.
Financial assets at amortised cost	These assets are subsequently measured at amortised cost using the effective interest method in case of investments, lendings to financial institutions, cash and balances with treasury banks, balances with other banks, Temporary Economic Refinance Facility (TERF), staff loans, and advances pertaining to overseas operations and other financial assets. The amortised cost is reduced by impairment losses. Markup, foreign exchange gains and losses and impairment are recognised in consolidated statement of profit and loss account.
Debt investments at FVOCI	These assets are subsequently measured at fair value and is assessed for impairment under the new ECL model. Markup income is calculated using the effective interest method and includes amortisation of premiums and accretion of discount, foreign exchange gains and losses and impairment are recognised in consolidated statement of profit and loss account. Other net gains and losses are recognised in OCI. On derecognition, gains and losses accumulated in OCI are reclassified to consolidated statement of profit and loss account.
Equity investments at FVOCI	These assets are subsequently measured at fair value. Dividends are recognised as income in consolidated statement of profit and loss account unless the dividend clearly represents a recovery of part of the cost of the investment, in which case they are adjusted from the carrying value of investment. Other net gains and losses are recognised in OCI and are never reclassified to consolidated statement profit and loss account.

The following accounting policies apply to the subsequent measurement of financial assets:

For the year ended December 31, 2024

Advances at cost	Advances are carried at cost, net of expected credit loss allowances, excluding staff loans, Temporary Economic Refinance Facility (TERF) and advances pertaining to overseas operations, which are measured
	at amortised cost, net of expected credit loss allowances.

4.1.2.7 Amortised cost and gross carrying amount

The 'amortised cost' of a financial asset or financial liability is the amount at which the financial asset or financial liability is measured on initial recognition minus the principal repayments, plus or minus the cumulative amortisation using the effective interest method of any difference between that initial amount and the maturity amount and, for financial assets, adjusted for any expected credit loss allowance (or impairment allowance before January 01, 2024).

The 'gross carrying amount of a financial asset' is the amortised cost of a financial asset before adjusting for any expected credit loss allowance.

4.1.2.8 Calculation of markup income and expense

Income from performing advances of the domestic operations is recognised on accrual basis as per the terms of the contract. However, where debt securities, classified as investments in the financial statements, are purchased at premium or discount, such premium / discount including the transaction cost is amortised through the consolidated statement of profit and loss account over the remaining maturity of the debt security using the effective interest rate method. The interest income on staff loans and Temporary Economic Refinance Facility (TERF) and advances pertaining to overseas operations is recognised in line with the EIR, while any expected credit losses are assessed and accounted for in accordance with the requirements of IFRS 9. Income from advances except for staff loans and TERF are recognised in consolidated statement of profit and loss account using contractual rate. Similarly, under the local regulatory requirement, income recoverable on classified domestic advances and investments (debt securities), is recognised on a receipt basis.

Income on rescheduled / restructured advances and investments is recognised as permitted by SBP regulations.

In case of overseas operations, income on the financial assets is recognised under the effective interest method or as prescribed by the regulatory authorities of the countries in which the Group operates.

Markup expense on domestic financial liabilities (comprising deposits, subordinated debts, and borrowings) is recognised on an accrual basis in the period in which it is incurred, based on effective interest rate method. In case of overseas operations, such expense is recognised under the effective interest method or as prescribed by the regulatory authorities of the countries in which the Group operates.

In accordance with the BPRD Circular Letter No. 01 of 2025 dated January 22, 2025, Islamic Banking Institutions (IBIs) are allowed to follow Islamic Financial Accounting Standards (IFAS) 1 & 2 where applicable and continue the existing accounting methodology on other Islamic products until issuance of further instruction in this regard. In this respect, income from performing financing is recognised on accrual basis as per the terms of the contract.

If the revenue had been recognised in accordance with IFRS 9 and SBP Application guidelines, the following impact on profit and loss would have resulted:

	Attribut	table to:
	of the Bank	Non-controlling interest s in '000
Retained Earning - net of tax	19,254	6,377
Profit and Loss Account - net of tax	609,842	201,982

For the year ended December 31, 2024

4.1.2.9 Derecognition

The Group derecognises a financial asset when:

- the contractual rights to the cash flows from the financial asset expire; or
- it transfers the rights to receive the contractual cash flows in a transaction in which either:
 - (a) substantially all of the risks and rewards of ownership of the financial asset are transferred; or(b) the Group neither transfers nor retains substantially all of the risks and rewards of ownership and it does

not retain control of the financial asset.

On derecognition of a financial asset in its entirety, the difference between:

- the carrying amount of the asset (or the carrying amount allocated to the portion of the asset derecognised); and
- the consideration received (including any new asset obtained less any new liability assumed) and any cumulative gain or loss that had been recognised in OCI shall be recognised in consolidated statement of profit or loss account.

From January 01, 2024 any cumulative gain / loss recognised in OCI in respect of equity investment securities designated at FVOCI is not recognised in the consolidated statement of profit and loss account on derecognition of such securities. Any markup on transferred financial assets that qualify for derecognition that is created or retained by the Group is recognised as a separate asset or liability.

The Group enters into transactions whereby it transfers assets recognised on its consolidated statement of financial position but retains either all or substantially all of the risks and rewards of the transferred assets or a portion of them. In such cases, the transferred assets are not derecognised. Examples of such transactions are securities lending and sale-and-repurchase transactions.

When assets are sold to a third party with a concurrent total rate of return swap on the transferred assets, the transaction is accounted for as a secured loan transaction similar to sale-and-repurchase transactions, because the Group retains all or substantially all of the risks and rewards of ownership of such assets.

In transactions in which the Group neither retains nor transfers substantially all of the risks and rewards of ownership of a financial asset and it retains control over the assets, the Group continues to recognise the assets to the extent of its continuing involvement, determined by the extent to which it is exposed to changes in the value of the transferred assets.

In certain transactions, the Group retains the obligation to service the transferred financial assets for a fee. The transferred asset is derecognised if it meets the derecognition criteria. An asset or liability is recognised for the servicing contract if the servicing fee is more than adequate (asset) or is less than adequate (liability) for performing the servicing.

The Group derecognises a financial liability when its contractual obligations are discharged or cancelled, or expired. the Group also derecognises a financial liability when its terms are modified and the cash flows of the modified liability are substantially different, in which case a new financial liability based on the modified terms is recognised at fair value.

4.1.2.10 Modification

(a) Financial Assets

The Group sometimes renegotiates or otherwise modifies the contractual cash flows of loans to its customers. If the cash flows are substantially different, then the contractual rights to cash flows from the original financial asset are deemed to have expired. In this case, the original financial asset is derecognised and a new financial asset is recognised at fair value plus any eligible transaction costs. Any fees received as part of the modification are accounted for as follows:

For the year ended December 31, 2024

- fees that are considered in determining the fair value of the new asset and fees that represent reimbursement of eligible transaction costs are included in the initial measurement of the asset; and
- other fees are included in consolidated statement of profit and loss account as part of the gain or loss on derecognition.

If cash flows are modified when the borrower is in financial difficulties, then the objective of the modification is usually to maximise recovery of the original contractual terms rather than to originate a new asset with substantially different terms. If the Group plans to modify a financial asset in a way that would result in forgiveness of cash flows, then it first considers whether a portion of the asset should be written off before the modification takes place. This approach impacts the result of the quantitative evaluation and means that the derecognition criteria are not usually met in such cases.

Where derecognition of financial assets is appropriate, the newly recognised residual loans are assessed to determine whether the assets should be classified as purchased or originated credit-impaired assets (POCI).

If the modification of a financial asset measured at amortised cost or FVOCI does not result in derecognition of the financial asset, then the Group first recalculates the gross carrying amount of the financial asset using the original effective interest rate of the asset and recognise the resulting adjustment as a modification gain or loss in the consolidated statement of profit and loss account. Any costs or fees incurred, and fees received as part of the modification adjust the gross carrying amount of the modified financial asset and are amortised over the remaining term of the modified financial asset.

If such a modification is carried out because of financial difficulties of the borrower then the gain or loss is presented together with impairment losses. In other cases, it is presented as markup income calculated using the effective interest rate method.

4.1.2.11 Reclassification

Financial liabilities are not reclassified subsequent to initial recognition. Reclassifications of financial assets are made when, and only when, the business model for those assets changes. Such changes are expected to be infrequent and arise as a result of significant external or internal changes such as the termination of a line of business or the purchase of a subsidiary whose business model is to realise the value of pre-existing held for trading financial assets through a hold to collect model.

Financial assets are reclassified at their fair value on the date of reclassification and previously recognised gains and losses are not restated. Moreover, reclassifications of financial assets between financial assets held at amortised cost and financial assets held at FVOCI do not affect effective interest rate or expected credit loss computations.

Reclassified from fair value through other comprehensive income

Where debt securities held at FVOCI are reclassified to financial assets held at FVPL, the cumulative gain or loss previously recognised in comprehensive income is transferred to the consolidated statement of profit and loss account.

For debt securities held at FVOCI that are reclassified to financial assets held at amortised cost, the cumulative gain or loss previously recognised in comprehensive income is adjusted against the fair value of the financial asset such that the financial asset is recorded at a value as if it had always been held at amortised cost. In addition, the related cumulative expected credit losses held within comprehensive income are reversed against the gross carrying value of the reclassified assets at the date of reclassification.

4.1.2.12 Impairment

The impairment requirements apply to financial assets measured at amortised cost and FVOCI (other than equity instruments), lease receivables, and certain loan commitments and financial guarantee contracts. At initial recognition, an impairment allowance (or provision in the case of commitments and guarantees) is required for expected credit losses (ECL) resulting from default events that are possible within the next 12 months (12-month ECL). In the event of a significant increase in credit risk, a provision is required for ECL resulting from all possible default events over the expected life of the financial instrument (lifetime ECL).

For the year ended December 31, 2024

(a) Measurement of ECL

ECL are a probability-weighted estimate of credit losses. They are measured as follows:

- financial assets that are not credit-impaired at the reporting date: as the present value of all cash shortfalls (i.e. the difference between the cash flows due to the entity in accordance with the contract and the cash flows that the Group expects to receive);
- financial assets that are credit-impaired at the reporting date: as the difference between the gross carrying amount and the present value of estimated future cash flows;
- undrawn loan commitments: as the present value of the difference between the contractual cash flows that are due to the Group if the commitment is drawn down and the cash flows that the Group expects to receive; and
- financial guarantee contracts: the expected payments to reimburse the holder less any amounts that the Group expects to recover.

(b) Restructured financial assets

If the terms of a financial asset are renegotiated or modified or an existing financial asset is replaced with a new one due to financial difficulties of the borrower, then an assessment is made of whether the financial asset should be derecognised and ECL are measured as follows:

- If the expected restructuring will not result in derecognition of the existing asset, then the expected cash flows arising from the modified financial asset are included in calculating the cash shortfalls from the existing asset.
- If the expected restructuring will result in derecognition of the existing asset, then the expected fair value of the new asset is treated as the final cash flow from the existing financial asset at the time of its derecognition. This amount is included in calculating the cash shortfalls from the existing financial asset that are discounted from the expected date of derecognition to the reporting date using the original effective interest rate of the existing financial asset.

Financial assets where 12-month ECL is recognised are in 'Stage 1'; financial assets that are considered to have experienced a significant increase in credit risk are in 'Stage 2'; and financial assets for which there is objective evidence of impairment, so are considered to be in default or otherwise credit impaired, are in 'Stage 3'.

(c) Non-Performing financial assets

At each reporting date, the Group assesses whether financial assets carried at amortised cost and debt financial assets carried at FVOCI, and finance lease receivables are credit-impaired (referred to as 'Stage 3 financial assets'). A financial asset is 'non-performing' when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

Evidence that a financial asset is credit-impaired includes the following observable data:

- significant financial difficulty of the borrower or issuer;
- a breach of contract such as a default or past due event;
- the restructuring of a loan by the Group on terms that the Group would not consider otherwise;
- it is becoming probable that the borrower will enter bankruptcy or other financial reorganisation; or
- the disappearance of an active market for a security because of financial difficulties.

A loan that has been renegotiated due to a deterioration in the borrower's condition is usually considered to be credit-impaired unless there is evidence that the risk of not receiving contractual cash flows has reduced significantly and there are no other indicators of impairment. In addition, a retail loan that is overdue for 90 days or more is considered credit-impaired even when the regulatory definition of default is different.

For the year ended December 31, 2024

Under the IFRS 9 Application instructions, the Group is not required to compute ECL on Government Securities and on Government guaranteed credit exposure in local currency. The Group is required to calculate ECL on it's non-performing financial assets as higher of provision under Prudential Regulations (PR) and ECL under IFRS 9. Further, the Groups are advised to recognize income on impaired assets (loans classified under PRs i.e., OAEM and Stage 3 loans) on a receipt basis in accordance with the requirements of Prudential Regulations issued by SBP.

The Group calculates the ECL against corporate, commercial and SME loan portfolios as higher of PR and ECL under IFRS 9 at borrower / facility level, whereas against the retail borrowers the Group will calculate ECL at higher of PR and ECL under IFRS 9 at segment / product basis as instructed under Annexure-A of BPRD Circular No. 16 dated July 29, 2024.

Based on the requirements of IFRS 9 and Application Instructions, the Group has performed an ECL assessment considering the following key elements:

(a) Probability of default (PD)

The probability that a counterparty will default over the next 12 months from the reporting date (12 month ECL, Stage1) or over the lifetime of the product (lifetime ECL, Stage 2). PD is estimated using internal rating classes and are based on the Group's internal risk rating. the Group has used Transition Matrix approach for estimation of PD for each internal rating. the Group have used roll-rate method using the days past due (DPD) criteria to estimated PD for its retail portfolio. PD are then adjusted with forward looking information for calculation of ECL.

(b) Exposure at default (EAD)

The expected balance sheet exposure at the time of default, incorporating expectations on drawdowns, amortisation, pre-payments and forward-looking information where relevant. The Group estimates EAD for financial assets carried at an amortised cost equal to principal plus profit. Each repayment date is assumed to be default point in the model and the ECL is calculated on EAD at each reporting date and discounted at the effective interest rate. Further, cash and cash equivalent collaterals the Group holds against the non-retail facilities are adjusted from the LGD.

(c) Loss given default (LGD)

An estimate of the loss incurred on a facility upon default by a customer. LGD is calculated as the difference between contractual cash flows due and those that the Group expects to receive, including from the liquidation of any form of collateral. It is expressed as a percentage of the exposure outstanding on the date of classification of an obligor.

Presentation of allowance for Expected Credit Loss in the Consolidated Statement of Financial Position

Loss allowances for ECL are presented in the consolidated statement of financial position as follows:

- Financial assets measured at amortised cost: as a deduction from the gross carrying amount of the assets.
- For advances measured at cost: as a deduction from the gross carrying amount of the advances.
- Loan commitments and financial guarantee contracts: as a provision in other liabilities.
- Where a financial instrument includes both a drawn and an undrawn component, and the Group does not identify the ECL on the loan commitment component separately from those on the drawn component and instead presents a combined loss allowance for both components. The combined amount is presented as a deduction from the gross carrying amount of the drawn component. Any excess of the loss allowance over the gross amount of the drawn component is presented as a provision; and
- Debt instruments measured at FVOCI: no loss allowance is recognised in the consolidated statement of financial position because the carrying amount of these assets is their fair value. However, the loss allowance is disclosed and is recognised in OCI.

For the year ended December 31, 2024

4.1.2.13 Significant increase in credit risk (SICR)

A SICR is assessed in the context of an increase in the risk of a default occurring over the life of the financial instrument when compared to that expected at the time of initial recognition. It is not assessed in the context of an increase in the ECL. the Group used several qualitative and quantitative measures in assessing SICR. Quantitative measures relate to deterioration of Obligor Risk Ratings (ORR) or where principal and / or profit payments are 60 days or more past due. Qualitative factors include unavailability of financial information and pending litigations.

As required by the Application Instructions, financial assets may be reclassified out of Stage 3 if they meet the requirements of PR issued by SBP. Financial assets in Stage 2 may be reclassified to Stage 1 if the conditions that led to a SICR no longer apply. However, a minimum period of 6 months from initial downgrade is required before any facility is moved back to Stage 1 from Stage 2. For a facility to move back from Stage 3 to Stage 2, it should meet the criteria defined under the respective Prudential Regulations for de-classification of account / facility. An exposure cannot be upgraded from Stage 3 to Stage 1 directly and should be upgraded to Stage 2 initially.

IFRS 9 includes a rebuttable presumption that a default does not occur later than 90 days past due and it also presumes that there is SICR if credit exposure is more than 30 days past due. In order to bring consistency, SBP has allowed the backstop to the rebuttable presumption of days past due of credit portfolio against a specific credit facility and its stage allocation under IFRS 9 as mentioned in Annexure-C of BPRD Circular No. 03 dated July 05, 2022. However, banks are free to choose more stringent days past due criteria. The Group aligns its policy with Annexure-C of BPRD Circular No. 3 of 2022; hence, SICR is considered if credit exposure exceeds 60 days past due.

4.1.2.14 Write-offs

Financial assets are written off (either partially or in full) when there is no reasonable expectation of recovering a financial asset in its entirety or a portion thereof. This is generally the case when the Group determines that the borrower does not have assets or sources of income that could generate sufficient cash flows to repay the amounts subject to the write-off. This assessment is carried out at the individual asset level.

Recoveries of amounts previously written off are included in 'impairment losses on financial instruments' in the profit and loss account and OCI.

Financial assets that are written off could still be subject to enforcement activities in order to comply with the Group's procedures for recovery of amounts due.

4.1.2.15 Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the consolidated statement of financial position when, and only when, the Group currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

4.1.2.16 Undrawn loan commitments and guarantees

'Financial guarantees' are contracts that require the Group to make specified payments to reimburse the holder for a loss that it incurs because a specified debtor fails to make payment when it is due in accordance with the terms of a debt instrument. 'Loan commitments' are firm commitments to provide credit under pre-specified terms and conditions.

Financial guarantees issued or commitments to provide a loan at a below-market profit rate are initially measured at fair value. Subsequently, they are measured at the higher of the loss allowance determined in accordance with IFRS 9 and the amount initially recognised less, when appropriate, the cumulative amount of income recognised in accordance with the principles of IFRS 15.

When estimating lifetime ECL for undrawn loan commitments, the Group estimates the expected portion of the loan commitment that will be drawn down over its expected life. The ECL is then based on the present value of the expected cash flows if the loans are drawn down, based on a probability-weighting of the three scenarios.

For the year ended December 31, 2024

4.1.2.17 Governance, ownership and responsibilities

The Group has adopted a governance framework requiring the Risk, Finance, Operations, Internal Audit and IT functions to effectively work together to ensure input from all business lines. IFRS 9 requires robust credit risk models that can predict Probability of Default (PD), Loss Given Default (LGD) and Exposure at Default (EAD).

The Group's Credit Division performs credit risk assessment, monitors Significant Increase in Credit Risk of the borrowers, reviews Credit Ratings and obligor attributes.

The IT Division extracts the data required for ECL calculations. IT Division also provide support for system development and upgrades.

The Group's Finance Division takes ownership of ECL models and methodologies used in calculation of ECL. Finance Division assess the financial impact, meet the financial reporting requirements and presents quarterly results to Board of Directors (BOD) / its Board Sub Committee.

The Risk Management Division calculates impact of ECL on bank's capital adequacy, leverage ratio and Liquidity requirements.

As per the Group's policy, the Group's Internal Audit function carries out periodic review of IFRS 9 methodology and impacts calculated by the Management.

4.2 Cash and cash equivalents

Cash and cash equivalents represent cash and balances with treasury banks and balances with other banks net of any overdrawn nostro accounts.

4.3 Lendings to / borrowings from financial institutions

The Group enters into transactions of lendings to / borrowings from financial institutions at contracted rates for a specified period of time. These are recorded as under:

(a) Sale under repurchase obligation

Securities sold with a simultaneous commitment to repurchase at a specified future date (repos) continue to be recognised in the consolidated statement of financial position and are measured in accordance with accounting policies for investments. Amounts received under these agreements are recorded as repurchase agreement borrowings. The difference between sale and repurchase price is amortised as expense over the term of the repo agreement. These are initially recognised at amount of funds received and subsequently reported as payable under the contractual terms.

(b) Purchase under resale obligation

Securities purchased with a corresponding commitment to resale at a specified future date (reverse repos) are not recognised as investments in the consolidated statement of financial position. Amounts paid under these arrangements are included in repurchase agreement lendings. The difference between purchase and resale price is accrued as income over the term of the reverse repo agreement. These are initially recognised at amount of funds disbursed and subsequently reported as receivable under the contractual terms.

(c) Other borrowings

Other borrowings include borrowings from the SBP and unsecured call borrowings which are recorded at the proceeds received. Mark-up paid on such borrowings is charged to the consolidated statement of profit and loss account over the period of borrowings on time proportionate basis using effective interest method.

For the year ended December 31, 2024

4.3.1 Due to / from financial and other institutions

4.3.1.1 Bai Muajjal

In Bai Muajjal transactions, the Group sells sukuk on deferred payment basis to financial institutions. The credit price is agreed at the time of sale and such proceeds are received at the end of the credit period. The difference between the deferred payment amount receivable and the carrying value at the time of sale is accrued and recorded as income over the credit period.

4.3.1.2 Musharakah

In Musharakah, the Group invests / accepts in the Shariah compliant business pools of / from the financial institutions as per the Shariah principles of profit and loss sharing.

4.3.1.3 Musharakah from State Bank of Pakistan under Islamic Export Refinance Scheme (IERS)

Under IERS, the Group accepts funds from the SBP under Shirkat-ul-Aqd to constitute a pool for investment in export refinance portfolio of the Group under the Shariah guidelines issued by the SBP. The profit of the pool is shared as per the agreed PSR between the partners.

4.3.1.4 Acceptances from State Bank of Pakistan for financial assistance

The Group has recorded Acceptances from State Bank of Pakistan for financial assistance at its fair value which is amortised over its agreed term.

4.3.1.5 Commodity Murabahah

In Commodity Murabahah, the Group sells commodities on credit to other financial institutions. The credit price is agreed at the time of sale and such proceeds are received at the end of the credit period.

4.3.1.6 Wakalah

In Wakalah, the Group accepts / places funds from / with financial institutions by entering into Investment Agency for the funds to be invested in profitable avenues as Wakeel / on behalf of the Muwakkil.

4.4 Investments

Associates

Associates are entities over which the Group has significant influence but not control. This influence is assessed based on the Group's potential voting rights that are currently exercisable in the entity that allow the Group to participate in but not control decision-making. Investment in associates are accounted for using the equity method of accounting.

Under the equity method, the investment in associates are initially recognised at cost and the carrying amount of investment is increased or decreased to recognise the investor's share of the post acquisition profits or losses, share of other comprehensive income or loss and share of the post acquisition movement in other reserves. When the Group's share of losses in an associate equals or exceeds its interest in the associate, including any other unsecured receivables, the Group does not recognise further losses, unless it has incurred obligations or made payments on behalf of the associate. However, in case where associates are considered as fully impaired and financial statements are not available these investments are stated at cost less provision.

In addition to above, certain mutual funds are managed by JS Investments Limited (JSIL), the subsidiary company of the Group. As stipulated under Regulation 38 of Non-Banking Finance Regulation, 2008, the Asset Management Company (AMC) is entrusted with fiduciary duties towards the unit holders of the funds. This fiduciary obligation requires AMC to act in the best interests of its unit holders, refraining from exploiting opportunities for its own benefit or that of its related parties, group companies, or employees, to the detriment of the unit holders. Therefore, the Bank has significant influence over such mutual funds due to participation in the investee's policy-making processes via the JSIL and investment in such mutual funds is considered as investment in associates even if the holding is less than 20%.

For the year ended December 31, 2024

These mutual funds are not considered subsidiary due to the legal trust structure of the entity, the Bank does not have the ability to affect returns through its power over the investee. Further, under this trust structure, the trusteeship is separate from the management, and the independent trustees play a key role in overseeing the activities of the AMC.

4.5 Financial instruments

4.5.1 Derivative financial instruments

Derivative financial instruments are initially recognised at fair value on the date on which the derivative contract is entered into and are subsequently re-measured at fair value using valuation techniques. In case of equity Shariah compliant futures, the fair value is calculated with reference to quoted market price. All derivative financial instruments are carried as assets when fair value is positive and liabilities when fair value is negative. Any change in the fair value of derivative financial instruments is taken to consolidated statement of profit and loss account.

4.6 Advances

4.6.1 Loan and advances

These are stated at cost less expected credit loss allowances except for staff loans, Temporary Economic Refinance Facility (TERF), and advances pertaining to overseas operations which are stated at amortised cost less credit loss allowances.

4.6.2 Finance lease

Leases, where the Group transfers substantially all the risks and rewards incidental to ownership of an asset to the lessee are classified as finance leases. A receivable is recognised at an amount equal to the present value of the lease payment including any guaranteed residual value, if any. Net investment in finance lease is included in loans and advances to customers.

4.6.3 Islamic financing, related assets and advances

Islamic financing and related assets are financial products originated by the Bank and principally comprise of Murabahah, Istisna, Ijarah, Salam, Muswammah, Diminishing Musharakah, Running Musharakah (Shirkat-ul-Aqd) and other Islamic modes of financing and the related assets.

As a general rule, funds disbursed under financing arrangements for purchase of goods / assets are recorded as advance. On culmination, financings are recorded at the deferred sale price net of profit. Goods purchased that remain unsold at the consolidated statement of financial position reporting date are recorded as inventories.

4.6.4 Ijarah Financing {Ijarah contracts where the Bank acts as Mujir (lessor)}

Ijarah financing executed on or before December 31, 2008 have been accounted for under finance method, thereafter all Ijarah financing are accounted for under IFAS-2.

- Under finance method, the present value of minimum ljarah payments have been recognised and shown
 under Islamic financing and related assets. The unearned income (the excess of aggregate ljarah rentals
 over the cost of the asset and documentation charges under ljarah facility) is deferred and then amortised
 over the term of the ljarah, so as to produce a constant rate of return on net investment in the ljarah. Gains
 / losses on termination of ljarah contracts are recognised as income on a receipt basis. Income on ljarah is
 recognised from the date of delivery of the respective assets to the Mustajir (lessee).
- Under IFAS-2 method, assets underlying Ijarah financing have been carried at cost less accumulated depreciation and impairment, if any, and are shown under Islamic financing and related assets. Rentals accrued from Ijarah financing net of depreciation charge are recognised in the consolidated statement of profit and loss account. Depreciation on Ijarah assets is charged by applying the straight line method over the Ijarah period which is from the date of delivery of respective assets to Mustajir up to the date of maturity / termination of Ijarah agreement.

For the year ended December 31, 2024

4.6.5 Murabahah

Murabahah is a sale transaction with the purchase ordered wherein the first party sells to the client / customer Shariah compliant assets / goods for cost plus a pre-agreed profit after getting title and possession of the same. In principle, on the basis of an undertaking (Promise-to-Purchase) from the client (the purchase ordered), the Group purchases the assets / goods subject of the Murabahah from a third party and takes the possession thereof. However, the Group can appoint the client as its agent to purchase and take possession of the assets / goods on its behalf. Thereafter, it sells it to the client at cost plus the profit agreed upon in the promise.

4.6.6 Istisna

Istisna is a contract where the buyer orders the client (seller / manufacturer) to manufacture and deliver specified goods at an agreed contract price upon completion. Istisna is used with Wakalah agreement to provide financing mainly to manufacturers. Thus the transaction consists of two stages:

- (i) Bai Istisna whereby the Group purchases goods from the client and
- (ii) Wakalah whereby the Group after receipt / possession of goods, appoints the client its agent to sell the goods in the market.

4.6.7 Diminishing Musharakah

Diminishing Musharakah represents an asset in joint ownership whereby a partner promises to buy the equity share of the other partner until the ownership of the asset is totally transferred to him. The partner using the asset pays the proportionate rental of such asset to the other partner (the Group).

4.6.8 Import Murabahah

Import Murabahahh is a product, used to finance a commercial transaction which consists of purchase by the Group (generally through an undisclosed agent) the goods from the foreign supplier and selling them to the client after getting the title and possession of the goods. Murabahah financing is extended to all types of trade transactions i.e., under Documentary Credits (LCs), Documentary Collections and Open Accounts.

4.6.9 Salam

Salam is a sale transaction where the seller undertakes to supply some specific goods to the buyer at a future date against an advance price fully paid on spot. In Salam financing, the transaction consists of two stages:

- (i) Bai Salam whereby the Group purchases goods from the client and
- (ii) Wakalah whereby the Group after receipt / possession of goods, appoints the client its agent to sell the goods in the market.

4.6.10 Musawamah

Under this product the Group purchases identified goods from client at an agreed purchase price on the basis of Musawamah. The Group then sells the goods in the market through an agent (Client) at a higher price to earn its desired profit.

4.6.11 Musharakah

Musharakah are different types of partnerships in business with distribution of profit in agreed ratio and distribution of loss in the ratio of capital invested.

4.6.12 Wakalah-tul-Istismar (Investment Agency Wakalah)

Wakalah-tul-Istismar means appointing another person to invest and grow one's wealth, with or without a fee. It covers contract for acquisition of services of a person or institution (Wakeel) for making investments of Wakalah Funds, and accomplishment of certain task on behalf of another person or institution (Muwakkil).

For the year ended December 31, 2024

4.6.13 Running Musharakah

In Running Musharakah financing, the Group enters into financing with the customer based on Shirkat-ul-Aqd (Business Partnership) in customer's operating business. Under this mechanism the customer can withdraw and return funds to the Group subject to its Running Musharakah Financing limit during the Musharakah period. At the end of each quarter / half year the customer pays the provisional profit as per the desired profit rate which is subject to final settlement based on the relevant quarterly / half yearly / annual accounts of the customer and unclaimed profit above ceiling (if any).

4.6.14 Ijarah

Ijarah is a contract where the owner of an asset transfers its usufruct (i.e. the usage right) to another person for an agreed period, at an agreed consideration. The rentals received / receivable on Ijarah are recorded as income / revenue. Depreciation on Ijarah assets is charged by applying the straight line method over the Ijarah period which is from the date of delivery of respective assets to Mustajir up to the date of maturity / termination of Ijarah agreement.

4.7 Property and equipment, and depreciation

4.7.1 Property and equipment

Property and equipment except land and buildings are shown at historical cost less accumulated depreciation and accumulated impairment losses, if any. Historical cost includes expenditures that are directly attributable to the acquisition of the items. Leasehold land and buildings on leasehold land are stated at revalued amount less accumulated depreciation and impairment loss, if any.

Depreciation on property and equipment (excluding land which is not depreciated) is charged using the straight line method in accordance with the rates specified in note 10.2 to these consolidated financial statements after taking into account residual value. The asset's residual values and useful lives are reviewed and adjusted, if required, at each reporting date.

Land and buildings are revalued by professionally qualified valuers with sufficient regularity to ensure that the net carrying amount does not differ materially from their fair value. In case of buildings relevant portion of the revaluation reserve is transferred to retained earnings as the asset is depreciated on or its disposal. Valuation techniques and input used are disclosed in note 42 of these consolidated financial statements.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. The carrying amount of the replaced part is derecognised. All other repairs and maintenance are charged to the consolidated statement of profit and loss account during the period in which they are incurred.

An item of property and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset is recognised in the consolidated statement of profit and loss account in the year the asset is derecognised.

4.7.2 Surplus / deficit on revaluation of Property and Equipment

The surplus arising on revaluation is credited to other comprehensive income. However, the increase shall be recognised in profit and loss to the extent that it reverses a revaluation decrease of the same asset previously recognised in profit and loss account.

The deficit arising on a particular property as a result of a revaluation is recognised in the consolidated statement of profit and loss account as an impairment. However, the decrease to be recognised in other comprehensive income to the extent of any credit balance existing in the revaluation surplus in respect of that asset.

Depreciation on buildings which are revalued is determined with reference to the value assigned to such assets on revaluation and depreciation charge for the year is taken to the profit and loss account; and an amount equal to incremental depreciation for the year net of deferred taxation is transferred from "Surplus on Revaluation of Property and equipment Account" to unappropriated profit through Statement of Changes in Equity to record realisation of surplus to the extent of the incremental depreciation charge for the year.

For the year ended December 31, 2024

Gains or losses on disposal of assets are included in the consolidated statement of profit and loss account currently, except for the related surplus on revaluation of Property and equipment (net of deferred tax) which is transferred directly to equity.

4.7.3 Capital work-in-progress

Capital work-in-progress is stated at cost less impairment losses, if any. These are transferred to specified assets as and when assets are available for use.

4.8 Lease liability and right-of-use assets

The Group enters into leasing arrangements for its office premises, branches, ATMs and warehouses. Rental contracts are typically for a fixed period and may have extension options as described below. At inception of a contract, the Group assesses whether a contract is, or contains, a lease based on whether the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. Lease terms are negotiated on an individual basis and contain a wide range of different terms and conditions. The SBP, vide its BPRD Circular Letter No. 8 dated April 30, 2019 and BPRD Circular No. BPRD/RPD/2019/17 dated July 26, 2019 has directed all Islamic Banks to apply IFRS 16 - 'Leases' in all Ijarah (lease) contracts where the Islamic Banks acts in capacity of Mustajir (lessee).

In determining the lease term, management considers all facts and circumstances that create an economic incentive to exercise an extension option or not exercise a termination option. Extension options (or periods after termination options) are only included in the lease term if the lease is reasonably certain to be extended (or not be terminated).

The lease liability is initially measured at the present value of the lease payments to be made over the lease term, discounted using the interest rate implicit in the lease, or if that rate cannot be readily determined, the respective entity's incremental borrowing rate.

Lease payments include fixed payments less any lease incentive receivable, variable lease payment that are based on an index or a rate which are initially measured using the index or rate as at the commencement date, amounts expected to be payable by the Group under residual value guarantees, the exercise price of a purchase option if the Group is reasonably certain to exercise that option and payments of penalties for terminating the lease if the lease term reflects the lessee exercising that option. The extension and termination options are incorporated in determination of lease term only when the Group is reasonably certain to exercise these options.

The lease liability is subsequently measured at amortised cost using the effective interest rate method. The lease liability is also remeasured to reflect any reassessment or lease modification.

The lease liability is remeasured when the Group reassesses the reasonable certainty of exercise of extension or termination option upon occurrence of either a significant event or a significant change in circumstance, or when there is a change in assessment of an option to purchase underlying asset, or when there is a change in amount expected to be payable under a residual value guarantee, or when there is a change in future lease payments resulting from a change in an index or rate used to determine those payment. The corresponding adjustment is made to the carrying amount of the right-to-use asset, or is recorded in profit and loss if the carrying amount of right-to-use asset has been reduced to zero.

On initial recognition, right-of-use assets are measured at an amount equal to initial lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to be incurred to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located.

The right-of-use asset is subsequently measured at cost model. The right of use asset is depreciated on a straight line method over the lease term as this method most closely reflects the expected pattern of consumption of future economic benefits. The right-of-use asset is reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability.

For the year ended December 31, 2024

4.9 Intangible assets

Intangible assets are stated at cost less accumulated amortisation and impairment, if any. Intangible assets are amortised from the month when the assets are available for use, using the straight line method, whereby the cost of the intangible asset is amortised over its estimated useful life over which economic benefits are expected to flow to the Group. The useful life and amortisation method are reviewed and adjusted, if appropriate, annually.

Intangible assets having an indefinite useful life are carried at cost less any impairment in value and are not amortised. However, these are reviewed for impairment annually or more frequently if events or changes in circumstances indicate that the carrying value may be impaired.

4.10 Non-banking assets acquired in satisfaction of claims

Non-banking assets acquired in satisfaction of claims are initially measured at settlement amount and upon revaluation, are carried at revalued amounts less accumulated depreciation and impairment losses, if any. The useful lives and depreciation method are reviewed annually and adjusted, if appropriate. As per SBP's requirement desktop valuation is carried out on annual basis and full-scope valuation after every three years by independent professionally qualified valuers to ensure that their net carrying value does not differ materially from their fair value. A surplus arising on revaluation of assets is credited to the 'surplus on revaluation of Non-banking assets acquired in satisfaction of claims' account and any deficit arising on revaluation is taken to consolidated statement of profit and loss account directly. Legal fees, transfer costs and direct costs of acquiring title of assets is charged to consolidated statement of profit and loss account and not capitalised. The policy for depreciation is stated in note 4.7.1 of these consolidated financial statements.

4.10.1 Surplus / deficit on revaluation of non banking assets

Revaluation of non-banking assets acquired in satisfaction of claims under DPS transactions is carried out under criteria given in regulations for DPS issued by the State Bank of Pakistan (SBP) vide BPRD Circular 01 dated January 01, 2016 i.e. valuation of property shall be done on individual property basis and not on portfolio basis, whereas accounting treatment of revaluation is accounted for in accordance with applicable financial reporting standards i.e. International Accounting Standard (IAS) 16 as referred in note 4.7.2.

Furthermore, revaluation surplus on such assets shall not be admissible for calculating Group's Capital Adequacy Ratio. However, the surplus can be adjusted upon realisation of sale proceeds.

4.11 Borrowings / deposits and their cost

Borrowings / deposits are initially recorded at the amount of proceeds received. Costs of borrowings / deposits are recognised separately as part of other liabilities and is charged to the consolidated statement of profit and loss account over the period on an accrual basis.

4.12 Subordinated debt

Subordinated debts are initially recorded at the amount of proceeds received. Mark-up accrued on subordinated debts is recognised separately as part of other liabilities and is charged to the consolidated statement of profit and loss account over the period on an accrual basis.

4.13 Taxation

Current

The charge for current taxation is based on taxable income at the current rate of taxation after taking into account applicable tax credit, rebates and exemptions available, if any, or minimum tax on turnover, whichever is higher. The charge for current tax also includes adjustments, where considered necessary, relating to prior years arising from assessments made during the year.

For the year ended December 31, 2024

Deferred

Deferred tax is recognised using the balance sheet approach on all temporary differences arising between tax bases of assets and liabilities and their carrying amounts appearing in these consolidated financial statements. Deferred tax liability is recognised on taxable temporary differences. Deferred tax asset is recognised for all deductible temporary differences and carry forward of unused tax losses, if any, only to the extent that it is probable that future taxable profits will be available against which the asset can be utilised. Deferred tax assets are reduced to the extent that it is no longer probable that the related tax benefits will be realised.

Deferred tax is calculated at the rates that are expected to apply to the period wherein the differences are expected to reverse, based on tax rates that have been enacted or substantively enacted by the balance sheet date. Deferred tax is charged or credited to the profit and loss account.

Deferred tax, if any, on revaluation of investments is recognised as an adjustment to surplus / (deficit) arising on revaluation in accordance with the requirements of IAS-12, 'Income Taxes'.

4.14 Provisions

Provisions are recognised when the Group has a legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and a reliable estimate of the amount can be made. Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimate.

Provision against identified non-funded losses is recognised when intimated and reasonable certainty exists for the Group to settle the obligation. The loss is charged to the consolidated statement of profit and loss account net of expected recovery.

4.15 Staff retirement benefits

4.15.1 Defined contribution plan

The Group has established a provident fund scheme for all its permanent employees effective from January 01, 2007 in accordance with the trust deed and rules made there under. Equal monthly contributions are made, both by the Group and the employees, to the fund at the rate defined below of basic salary. Contribution by the Group is charged to the consolidated statement of profit and loss account.

	Contribution
	basic salary
- JS Bank Limited (the Bank)	7.10%
 JS Global Capital Limited (Subsidiary) 	7.33%
- JS Investment Limited (Subsidiary)	7.33%
- BankIslami Pakistan Limited (Subsidiary)	6.67%

4.15.2 Defined benefit plan

JS Bank Limited (the Bank)

The Bank operates an approved funded gratuity scheme covering all its eligible employees who have completed minimum qualifying period. An actuarial valuation of defined benefit scheme is conducted at the end of every year or on occurrence of any significant change. The most recent valuation in this regard was carried out as at December 31, 2024, using the projected unit credit actuarial valuation method. Under this method cost of providing for gratuity is charged to the consolidated statement of profit and loss account so as to spread the cost over the service lives of the employees in accordance with the actuarial valuation. Past-service costs are recognised immediately in consolidated statement of profit and loss account and actuarial gains and losses are recognised immediately in other comprehensive income.

For the year ended December 31, 2024

BankIslami Pakistan Limited (BIPL)

BIPL operates an approved funded gratuity scheme for its permanent employees. The liability recognised in the consolidated statement of financial position in respect of defined benefit gratuity scheme, is the present value of the defined benefit obligation at the consolidated statement of financial position date less the fair value of plan assets. Contributions to the fund are made on the basis of actuarial recommendations. The defined benefit obligation is calculated periodically by an independent actuary using the projected unit credit method. The last valuation was conducted as on December 31, 2024.

Amounts arising as a result of remeasurements, representing the actuarial gains and losses and the difference between the actual investment returns and the return implied by the net interest cost are recognised in the consolidated statement of financial position immediately, with a charge or credit to other comprehensive income in the periods in which they occur.

4.16 Revenue recognition

- **4.16.1** Revenue is recognised to the extent that economic benefits will flow to the Group and the revenue can be reliably measured. These are recognised as follows:
 - Mark-up income / interest on performing advances and returns on debt securities are recognised on accrual basis except in case of classified advances where mark-up income is recognised on receipt basis. Markup / return / interest on rescheduled / restructured loans and advances and investments is recognised as permitted by the regulations of SBP.
 - Where debt securities are purchased at premium or discount, such premium / discount is amortised through the consolidated statement of profit and loss account over the remaining period of maturity.
 - Financing method is used in accounting for income from lease financing. Under this method, the unearned lease income (excess of the sum of total lease rentals and estimated residual value over the cost of leased assets) is deferred and taken to income over the term of the lease period so as to produce a constant periodic rate of return on the outstanding net investment in lease. Gains / losses on termination of lease contracts, documentation charges, front-end fees and other lease income are recognised as income when these are realised.
 - The Group earns fee and commission income from a banking service to retail and corporate customer. Fee and commission income is recognised at an amount that reflects the consideration to which the Group expects to be entitled in exchange for providing the services.
 - Dividend income is recognised when the Group's right to receive dividend is established.
 - Gain / loss on sale of investments is credited / charged to the consolidated statement of profit and loss account.
 - Profit on Murabahah and Commodity Murabahah is recognised over the financing stage of Murabahah on an accrual basis. Profit on Murabahah transactions for the period from the date of disbursement to the date of culmination of Murabahah is recognised immediately on the culmination date.
 - Profit from Istisna, Salam and Muswammah / Tijarah are recorded on an accrual basis commencing from the time of sale of goods till the realisation of proceeds by the Bank. Profit from Diminishing Musharakah are recognised on a time proportionate basis in the form of rentals.
 - Finance method is used in accounting for income from Ijarah contracts written up to December 31, 2008. Under this method the unearned income i.e. excess of aggregate Ijarah rentals over the cost of the asset and documentation charges under Ijarah facility is deferred and then amortised over the term of the Ijarah, so as to produce a constant rate of return on net investment in the Ijarah. Gains / losses on termination of Ijarah contracts are recognised as income on a receipt basis. Income on Ijarah is recognised from the date of delivery of the respective assets to the Mustajir (lessee).
 - Rental from Ijarah contracts entered on or after January 01, 2009 is recognised in the consolidated profit and loss account over the term of the contract net of depreciation expense relating to the Ijarah assets.

For the year ended December 31, 2024

- Provisional profit of Musharakah financing is recognised on an accrual basis. Actual profit / loss on Musharakah financing is adjusted after declaration of profit by Musharakah partner or on liquidation of Musharakah.
- Profit on Wakalah-tul-Istismar financings is booked on an accrual basis and is adjusted upon declaration of profit by the Wakeel.
- Profit on Running Musharakah financings is booked on an accrual basis and is adjusted upon declaration of profit by Musharakah partners.
- Profit on classified financing is recognised on a receipt basis.
- Profit on Sukuks is recognised on an accrual basis. Where Sukuks (excluding held for trading securities) are purchased at a premium or discount, the premiums / discounts are amortised through the consolidated profit and loss account over the remaining life of Sukuk, using the effective yield method.
- Remuneration for management services and asset investment advisory services are recognised on an accrual basis by applying pre-defined remuneration percentage on daily net asset value of the respective funds. The fee so charged does not exceed the limit prescribed in the NBFC Regulations / Voluntary Pension System Rules, 2005.
- Return on bank deposits, mark-up on term finance certificate, mark-up on letter of placements and mark-up on commercial papers are recognised on time proportionate basis by using effective rate of interest.
- Commission income from open end funds is recognised at the time of sale of units.
- Commission income and share of profit from management of discretionary and non discretionary client portfolios is recognised as services are rendered.
- Brokerage, consultancy, advisory fee, underwriting, book running fee, commission on foreign exchange dealings and debt securities etc. are recognised as and when such services are provided.
- Income from reverse repurchase transactions, debt securities and bank deposits is recognised at effective yield on time proportionate basis.
- Interest income on financial assets (including margin financing) is recognised on time proportionate basis taking into account effective / agreed rate of the instrument.
- Unrealised capital gains / losses arising from mark to market of investments classified as 'financial assets at fair value through profit or loss' are included in the consolidated statement of profit and loss account in the period in which they arise.
- Unrealised gains / losses arising from mark to market of investments classified as 'fair value through other comprehensive income' are taken directly to statement of comprehensive income in the period in which they arise.
- Gains / losses arising on revaluation of derivatives to fair value are taken to statement of profit and loss under other income / other expense in the period in which they arise.

4.17 Dividend and appropriation to reserves

Dividend and appropriation to reserves, except for statutory reserves, are recognised in the consolidated financial statements in the periods in which these are approved. The revaluation surplus related to Property and equipment and non-banking assets is not available for distribution of dividend.

For the year ended December 31, 2024

4.18 Foreign currencies

4.18.1 Functional and presentation currency

Items included in these consolidated financial statements are measured using the currency of the primary economic environment in which the Group operates. These consolidated financial statements are presented in Pakistani Rupees, which is the Group's functional and presentation currency.

4.18.2 Transactions and balances

Transactions in foreign currencies are translated into Pakistani rupees at the exchange rates prevailing on the transaction date. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in the consolidated statement of profit and loss account.

Forward contracts relating to foreign currency deposits are valued at forward rates applicable to the respective maturities of the relevant foreign exchange contract. The forward cover received / paid on forward purchase / sale contracts relating to foreign currency deposits are realised / charged directly to consolidated statement of profit and loss account.

4.18.3 Foreign operations

Assets and liabilities of foreign operations are translated into rupees at the exchange rate prevailing at the reporting date. The results of foreign operations are translated at average rate of exchange for the year.

4.18.4 Translation gains and losses

Translation gains and losses arising on revaluations of net investment in foreign operations are taken to Exchange Translation Reserve in the statement of comprehensive income. These are recognised in the consolidated statement of profit and loss account on disposal.

4.18.5 Commitments

Commitments for outstanding forward foreign exchange contracts disclosed in these consolidated financial statements are translated at contracted rates. Contingent liabilities / commitments for letters of credit and letters of guarantee denominated in foreign currencies are expressed in rupee terms at the rates of exchange ruling on the balance sheet date.

4.19 Clients' assets

The Group provides services that result in the holding of assets on behalf of its clients. Such assets are not reported in the consolidated financial statements, as they are not the assets of the Group.

4.20 Acceptances

Acceptances comprise of undertakings by the Group to pay bill of exchange drawn on customers. Acceptances are recognised as financial liability in the consolidated statement of financial position with a contractual right of reimbursement from the customer as a financial asset. Therefore, commitments in respect of acceptances have been accounted for as financial assets and financial liabilities.

4.21 Goodwill

Goodwill acquired in a business combination before July 01, 2009 is initially measured at cost, being the excess of the cost of the business combination over the Group's interest in the net fair value of the identifiable assets, liabilities and contingent liabilities acquired. Following initial recognition, goodwill is measured at cost less any accumulated impairment losses. Goodwill is reviewed for impairment, annually or more frequently if events or changes in circumstances indicate that the carrying value may be impaired.

For the purpose of impairment testing, goodwill acquired in a business combination is, from the acquisition date, allocated to each of the Group's cash-generating units, or groups of cash-generating units, that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the acquirer are assigned to those units or groups of units.

For the year ended December 31, 2024

4.22 Earnings per share

The Group presents basic and diluted earnings per share (EPS). Basis EPS is calculated by dividing the profit or loss attributable to equity holders of the Group by the weighted average number of ordinary shares outstanding during the year.

4.23 Segment reporting

A segment is a distinguishable component of the Group that is subject to risks and rewards that are different from those of other segments. A business segment is one that is engaged either in providing certain products or services, whereas a geographical segment is one engaged in providing certain products or services within a particular economic environment.

Segment information is presented as per the Group's functional structure and the guidance given under International Financial Reporting Standard (IFRS) 8. For management purposes, the Group has been organised into nine operating segments based on products and services, as follows:

4.23.1 Business segments

Retail Banking

Retail banking includes branch banking, small and medium enterprises, direct sales, private banking, product management, branch distribution network and tele sales.

Corporate / Commercial Banking

This includes corporate banking, commercial banking and institutional sales related loans, deposits and other transactions.

Treasury

This segment is responsible for asset / liability management and includes all treasury related products such as fixed income money market, FX and derivatives.

Investment, International and Institutional Banking

This segment includes international branch, financial institutions business, home remittances, cash management, employee banking, venture capital and green banking.

Zindigi

It is a digital platform catering branchless banking customers.

Islamic Banking

This segment includes Islamic Banking operations of the Group.

Brokerage

This includes brokerage commission earned on transactions in capital, money, foreign exchange and commodity markets.

Asset management

This includes fee for services rendered in connection with advisory and management of mutual funds.

Others

This includes the head office related activities and other functions which cannot be classified in any of the above segments.

For the year ended December 31, 2024

4.23.2 Geographical segment

The Group operates in two geographic regions being:

- Pakistan
- Bahrain

4.24 Pool Management

The Islamic Banking Subsidiary of the Group - BankIslami Pakistan Limited (BIPL) operates general and specific pools for deposits and inter-bank funds accepted / acquired under Mudarabah, Musharakah and Wakalah modes.

Under the general deposit pools, BIPL accepts funds on Mudarabah basis from depositors (Rab-ul-Maal) where BIPL acts as Manager (Mudarib) and invests the funds in the Shariah compliant modes of financings, investments and placements. When utilizing investing funds, BIPL prioritizes the funds received from depositors over the funds generated from own sources after meeting the regulatory requirement relating to such deposits.

Specific pools are operated for funds acquired / accepted from the State Bank of Pakistan, high net worth customers and other banks for Islamic Export Refinance Scheme to BIPL's customers and liquidity management respectively under the Musharakah / Mudarabah modes. The profit of each deposit pool is calculated on all the remunerative assets booked by utilizing the funds from the pool after deduction of expenses directly incurred in earning the income of such pool. The directly related costs comprise of depreciation on ijarah assets and takaful premium. No expense of general or administrative nature of expense is charged to the pools. No provisions against any non-performing asset of the pool is passed on to the pool except on the actual loss / write-off of such non-performing asset. The profit of the pool is shared between equity and other members of the pool on the basis of Musharakah at gross level (before charging of mudarib share) as per the investment ratio of the equity. The profit of the pool is shared among the members of the pool on pre-defined mechanism based on the weightages announced before the profit calculation period after charging of mudarib share.

The risk characteristic of each pool mainly depends on the asset and liability profile of each pool. As per BIPL's policy, relatively low risk / secured financing transactions and assets are allocated to general depositors' pool of PKR, USD, GBP and Euro. BIPL maintains General Pools, FI Pools, IERS pool and Equity pool. The general pools are exposed to general credit risk, asset ownership risk and profit rate risk of the underlying assets involved.

4.24.1 General Pool

For General Pools, BIPL allocates PKR financing to Corporate, SME and Consumer Finance customers in diversified sectors and avenues of the economy / business. Investments in Sovereign Guarantee Sukuk, Bai Muajjal with State Bank of Pakistan and Bai Muajjal with Government of Pakistan and other financial institutions are also done through General Pools. All remunerative deposits are tagged to these general pools and their funds generated from the depositors are invested on priority basis. Due to limited investment options in USD, GBP and Euro pools, funds from FCY pools are invested in available International Sukuk, Shariah Complaint Nostro accounts and remaining funds are taken out and invested in PKR general pool as part of equity. In such cases return from PKR General Pool is given back to FCY pools, so that returns can be passed on to FCY pool customers accordingly.

4.24.2 Special Mudarabah Pool

Special Mudarabah Pools are created to manage returns of High Net Worth depositors and Government institutions. The funds received against these deposits are invested in various Shariah compliant assets.

4.24.3 Specific Musharakah Pool

Islamic Export Refinance Scheme (IERS) Pool

The IERS pool assets comprise of Sovereign Guarantee Sukuks, and financings to / Sukuks of blue chip companies and exporters as allowed under the applicable laws and regulations, and are exposed to lower credit risk. The Musharakah with SBP under IERS is tagged to the IERS pool.

2023

2024

Notes to the Consolidated Financial Statements

For the year ended December 31, 2024

Other Specific Musharakah Pool

The Other Specific Musharakah Pool assets comprise of consumer housing finance portfolio, Sukuk and the related liability of the pool comprises of Musharakah Acceptance from a financial institution. This pool is created to fund the housing finance portfolio.

Financial Institution (FI) Pools

The FI pools assets generally comprise of Sovereign Guarantee Sukuks only and the related liability of the FI pools comprise of Musharakah / Mudarabah / Wakalah Acceptance from other banks and financial institutions. These pools are created to meet the liquidity requirements of BIPL.

		4,003,504	4,003,504	4,003,504	4,003,504	4,003,504	4,003,504	4,003,504

- **9.6.2** This includes reversal of provision of Rs. 406.907 million (2023: Nil) against reduction in non-performing loans of Rs. 2,189.151 million (2023: Rs. 2,997.401 million) of certain borrowers under 'Debt Property Swap' transactions.
- 9.6.3 The State Bank of Pakistan through various circulars has allowed benefit of the forced sale value (FSV) of Plant and Machinery under charge, pledged stock and mortgaged residential, commercial and industrial properties (land and building only) held as collateral against non-performing loans (NPLs) for a maximum of five years from the date of classification. As at December 31, 2024, the Group has availed cumulative FSV benefit under the directives of the State Bank of Pakistan (SBP) of Rs. 2,841,257 million (2023: Rs. 4,857.792 million).

The additional profit arising from availing the FSV benefit - net of tax amounts to Rs. 1,306.978 million (2023: Rs 1,968.675 million). The additional impact on profitability arising from availing the benefit of FSV shall not be available for payment of cash or stock dividend to shareholders or bonus to employees under the requirement of Regulation R-8 of Corporate / Commercial Banking of the SBP.

- 9.6.4 This includes deferred fair value loss arising from the restructuring of Pakistan International Airlines Corporation Limited (PIACL). SBP through its letter dated August 01, 2024 has allowed staggering of such fair value impact over the period of 6 years at rates of 5%, 10%, 15%, 20%, 25%, and 25% from year 1 to year 6. Further, SBP vide BPRD Circular Letter No.16 of 2024 dated July 29, 2024 has allowed to take such fair value adjustment with effect from October 01, 2024.
- **9.6.5** This also includes fair valuation adjustment on modified loans and concessional rate loans (staff loans and TERF loans) considered in accordance with the requirements of IFRS 9.

For the year ended December 31, 2024

- **12.1.1** This includes transfer from capital work in progress during the year of Rs. 1,651.089 million (2023: Rs. 1,163.641 million).
- **12.2** The cost of fully amortised intangible assets that are still in the Group's use amounted to Rs. 1,025.103 million (2023: Rs. 940.543 million)
- **12.3** Goodwill is recorded by the Group upon the event fully disclosed in note 1.1. For impairment testing, goodwill has been allocated to 'Trading and Sales' Segment as a Cash Generating Unit (CGU), which is also a reportable segment.

Key assumptions used in calculation of value-in-use

The recoverable amount of the CGU has been determined based on value-in-use calculation, using cash flow projections based on business plan approved by the Board of Directors of the Bank covering a five year period, duly adjusted for changes based on latest forecasts. The discount rates applied to cash flows beyond five years are extrapolated using a terminal growth rate. The following rates are used by the Group:

	2024	2023
	Percer	ntages
- Discount rate - Terminal growth rate	14.97 12.00	18.04 15.00

The calculation of value-in-use is most sensitive to following assumptions:

a) Interest margin

Interest margins are based on prevailing industry trends and anticipated market conditions.

b) Discount rates

Discount rate reflect management estimates of the rate of return required for each business and is calculated after taking into account the prevailing risk free rate, industry risk and business risk. Discount rate is calculated by using cost of equity of the holding company.

c) Key business assumptions

The assumptions are important as they represent management assessment of how the unit's position might change over the projected period. Based on the expansion plans, management expects aggressive growth in advances, investments and deposits during the projected periods and thereafter stabilisation in line with industry trends.

Management believes that any significant change in key assumptions, on which CGU's recoverable amount is based, may impact the carrying amount to further exceed its recoverable amount. Value-in-use calculation of the CGU are sensitive to changes in assumptions for interest rate spreads, Non Funded Income (NFI), long term growth rates and discount rates.

d) Sensitivity to changes in assumption

The estimated recoverable amount of the 'Trading and Sales' CGU exceeds its carrying amount by approximately Rs. 6,563.429 million (2023: Rs. 15,841.101 million). Management has identified two key assumptions for which there could be a reasonably possible change that could cause the carrying amount to exceed the recoverable amount. The following table shows the amount that these two assumptions are required to change individually in order for the estimated recoverable amount to be equal to the carrying amount.

	carrying am	required for ount to equal ble amount
	2024	2023
	Perce	entages
- Discount rate - Terminal growth rate	0.41 -0.47	1.53 -1.82

For the year ended December 31, 2024

This includes goodwill recognised upon acquisition of defunct KASB Bank Limited Undertakings by BankIslami Pakistan Limited (BIPL) based on fair values of assets and liabilities. BIPL carried out Goodwill impairment testing as at December 31, 2024.

Key assumptions used in calculation of value-in-use

The recoverable amount of Goodwill has been determined based on value-in-use calculation, using cash flow projections based on financial projections approved by the management of BIPL covering a five year period. The discount rates applied to cash flows beyond five years are extrapolated using a terminal growth rate. The following rates are used by BIPL.

	2024	2023
	Percel	ntages
- Discount rate - Terminal growth rate	15.82 5.00	20.66 5.00

The calculation of value-in-use is most sensitive to following assumptions:

a) Profit margins

Profit margins are based on prevailing industry trends and anticipated market conditions.

b) Discount rates

Discount rates reflect management estimates of the rate of return required for each business and are calculated after taking into account the prevailing risk free rate, industry risk and business risk. Discount rates are calculated by using cost of equity of BIPL.

c) Key business assumptions

The assumptions are important as they represent management assessment of how BIPL's financial position might change over the projected period. Based on the expansion plans, management expects aggressive growth in financing, investments and deposits during the projected periods and thereafter stabilization in line with industry trends.

Management believes that any significant change in key assumptions, on which Goodwill's recoverable amount is based, may impact the carrying amount to further exceed its recoverable amount. Value-in-use calculation of Goodwill are sensitive to changes in assumptions for profit rate spreads, Non-Funded Income (NFI), long term growth rates and discount rates.

d) Sensitivity to changes in assumption

The estimated recoverable amount of Goodwill exceeds its carrying amount by approximately Rs. 11,032.794 million. Management has identified two key assumptions for which there could be a reasonably possible change that could cause the carrying amount to exceed the recoverable amount. The following table shows the amount that these two assumptions are required to change individually in order for the estimated recoverable amount to be equal to the carrying amount.

	carrying a	Changes required for carrying amount to equal recoverable amount	
	2024	2023	
	Pe	ercentages	
- Discount rate - Terminal growth rate	5.18 -11.79	5.18 -11.79	

12.5

This represents core deposit intangible considered on acquisition of BIPL on August 18, 2023, as more detailed in note 1.4.3 to these consolidated financial statements.

For the year ended December 31, 2024

- **15.1** The Holding Company has entered into agreement with the SBP for extending export finance to customers. These borrowings are repayable on a quarterly basis and have maturities upto June 2025. These carry mark-up rates ranging from 1.00% to 16.50% (2023: 1.00% to 18.00%) per annum.
- **15.2** These borrowings have been obtained from the SBP for providing financing facilities to exporters for adoption of new technologies and modernization of their plant and machinery. These borrowings have maturities upto February 2033. These carry mark-up rates ranging from 2.00% to 11.00% (2023: 2.00% to 11.00%) per annum.
- **15.3** These borrowings have been obtained from the SBP under a scheme to provide financing facilities to encourage private sector to establish silos, warehouses and cold storages to enhance storage capacity and develop agricultural produce marketing. These carry mark-up rates ranging from 2.00% to 2.50% (2023: 2.00% to 2.50%) per annum and have maturities upto December 2028.
- **15.4** These borrowings have been obtained from the SBP for providing financing facilities to address challenges of energy shortage and climate change through promotion of renewable energy. These carry mark-up rainging from 2.00% (2023: 2.00%) per annum and have maturities upto December 2031.
- **15.5** These borrowings have been obtained from the SBP under a scheme to provide refinance for women entrepreneurs in the underserved areas of the country. These carry mark-up at 0.00% (2023: 0.00%) per annum and have maturities upto September 2029.
- **15.6** These borrowings have been obtained from the SBP under a scheme to finance modernization of Small and Medium Enterprises by providing financing facilities for setting up new units, purchase of new plant and machinery for Balancing, Modernization and Replacement (BMR) of existing units and financing for import / local purchase of new generators up to a maximum capacity of 500 KVA. These carry mark-up at rates of 2.00% (2023: 0.00%) per annum and have maturities upto March 2029.
- **15.7** These borrowings have been obtained from the SBP under a scheme to provide the emergency refinance facility to hospitals and medical centre to develop capacity for the treatment of COVID-19 patients. These carry mark-up at 0.00% (2023: 0.00%) per annum and have maturities upto July 2026.
- **15.8** These borrowings have been obtained from the SBP under a scheme to provide concessionary refinance for setting up of new industrial units in the backdrop of challenges being faced by industries post pandemic scenario. These carry mark-up at 1.00% (2023: 1.00%) per annum and have maturities upto August 2032.

These borrowings have been obtained from the SBP under a scheme to provide financing facilities to special persons to meet credit needs for setting up of new business enterprises or for expansion of existing ones. These carry mark-up at 0.00% (2023: 0.00%) per annum and have maturities upto June 2026.

- **15.10** These borrowings have been obtained from the SBP under a scheme to fulfill the working capital requirements of selective SME sectors. These carry mark-up at 2.00% (2023: 2.00%) per annum and have maturities upto April 2025.
- **15.11** These borrowings have been obtained from the SBP under a scheme to fulfill the financing requirements of SMEs. These carry mark-up at rates ranging from 1.00% to 3.00% (2023: 1.00% to 3.00%) per annum on a rollover basis.
- **15.12** This represents acceptance of funds by the Group on Mudarabah basis which has been invested in special pools of the Bank and are secured against lien of the Bank's investment in Federal Government securities. The expected average return is 13.12% (2023: 22.14%) per annum.
- **15.13** These acceptances are on a profit and loss sharing basis and are secured against demand promissory notes executed in favor of SBP. A limit of Rs. 5,234 million (2023: 5,234 million) was allocated to the Bank by the SBP under Islamic Export Refinance Scheme Rupee Based Discounting for the financial year ended December 31, 2024.
- **15.14** These acceptances are on a profit and loss sharing basis and are secured against demand promissory notes executed in favor of SBP. A limit of Rs. 3,952 million (2023: Rs. 3,952 million) was allocated to the Bank by the SBP under Islamic Export Refinance Scheme for the financial year ended December 31, 2024.

For the year ended December 31, 2024

- **15.15** This represents Amortised cost of a 10 year financing facility of Rs. 5,000 million extended by SBP. The facility is secured against Federal Government securities. The 10 year facility was provided on the basis of Mudarabah to be remunerated at profit sharing ratio declared by the Bank on its remunerative current accounts on monthly basis. Accordingly, the profit amortization rate applied by the Bank in this respect is 0.01% per annum.
- **15.16** This repurchase agreement borrowing is secured by market treasury bills and carries a markup rate of 13.30% (2023: Nil) per annum, and is due to mature on January 2, 2025.
- **15.17** The expected profit rate on this agreement is 12.50% to 13.25% (2023: 21.25% to 21.75%) per annum and has maturity of 1 to 15 Days (2023: 4 to 14 Days).
- **15.18** The holding company has entered into an agreement with the Pakistan Mortgage Refinance Company Limited (PMRC) for extending housing finance facilities to the Bank's customers on the agreed terms and conditions. The borrowing carries mark-up rates ranging from 6.50% to 14.07% (2023: 6.50% to 11.67%) and have maturities upto June 2031.
- **15.19** The agreements are on a profit and loss sharing basis and are secured against housing finance portfolio. The profit rate on these agreements is ranging from 8.50% to 13.97% (2023: 8.5% to 13.97%) per annum.
- 15.20 This carries a mark up rate of 12.60% (2023: Nil) per annum and is due to mature on January 02, 2025.
- **15.21** Islamic finance facilities included above are mostly on profit and loss sharing basis and have been invested in general pool by BIPL and are secured against demand promissory notes executed in favor of State Bank of Pakistan (SBP).

18.1 In 2023, the Holding Company issued Rs. 3.5 billion of rated, privately placed and listed, unsecured and subordinated term finance certificates (TFCs or the Issue) as an instrument of redeemable capital under Section 66 of the Companies Act, 2017 and as outlined by State Bank of Pakistan, SBP, under the BPRD Circular No. 06 dated August 15, 2013 and Basel III guidelines. Summary of terms and conditions of the issue are:

Purpose:	To contribute towards the Bank's Tier II Capital for complying with the capital adequacy
	requirement and to utilize the funds in the Bank's business operations as permitted by its
	Memorandum and Articles of Association.
Issue amount	Rs. 3.5 billion
Issue date	August 30, 2023
Maturity date	August 30, 2033
Rating	AA- (Double A Minus)
Security	The Issue is unsecured
Profit payment frequency	Quarterly
Redemption	The instrument is structured to redeem 0.24% of the Issue amount during the first nine years after the issue date and the remaining Issue amount of 99.76% in four equal quarterly installments of 24.94% each in the last year.
Profit rate:	Floating rate of return at Base Rate + 2 percent per annum;
	Base rate is defined as the average three months KIBOR prevailing on the Base Rate setting date. The Base Rate will be set for the first time on the last working day prior to the issue date and subsequently on the immediately preceding business day before the start of each three monthly period.
Subordination:	The Issue is subordinated all other indebtedness of the Bank including depositors, however, senior to the claims of investors in instruments eligible for inclusion in Tier I Capital
Call option:	Exercisable in part or in full on or after five years from the issue date, subject to SBP's approval.
Lock-in-clause:	Principal and profit will be payable subject to compliance with MCR or CAR or Leverage Ratio set by SBP.
Loss absorbency clause:	Upon the occurrence of a Point of Non-Viability (PONV) event as defined under SBP BPRD Circular No. 06 of 2013 dated August 15, 2013, SBP may at its option, fully and permanently convert the TFCs into common shares of the Bank and/or have them immediately written off (either partially or in full). Number of shares to be issued to TFC holders at the time of conversion will be equal to the 'Outstanding Face Value of the TFCs' divided by market value per share of the Bank's common share on the date of trigger of PONV as declared by SBP, subject to a cap of 924,772,179 shares.

18.2 In 2021, the Holding Company issued Rs. 2.5 billion of rated, privately placed and listed, unsecured and subordinated term finance certificates (TFCs or the Issue) as an instrument of redeemable capital under Section 66 of the Companies Act, 2017 and as outlined by State Bank of Pakistan (SBP) under the BPRD Circular No. 06 dated August 15, 2013 and Basel III guidelines. Summary of terms and conditions of the issue are:

Purpose:	To contribute towards the Bank's Tier II Capital for complying with the capital adequacy requirement and to utilize the funds in the Bank's business operations as permitted by its Memorandum and Articles of Association.	
Issue amount	Rs. 2.5 billion	
Issue date	December 28, 2021	
Maturity date	December 28, 2028	

For the year ended December 31, 2024

Rating	AA - (Double A Minus)
Security	The Issue is unsecured
Profit payment	Semi-annual
Redemption	The instrument is structured to redeem 0.24% of the Issue amount during the first six years after the issue date and the remaining Issue amount of 99.76% in two equal semi- annual installments of 49.88% each in the last year.
Profit rate	Floating rate of return at Base Rate + 2 percent per annum;
	Base rate is defined as the average six months KIBOR prevailing on the Base Rate setting date. The Base Rate will be set for the first time on the last working day prior to the issue date and subsequently on the immediately preceding business day before the start of each six monthly period.
Subordination	The Issue is subordinated all other indebtedness of the Bank including depositors, however, senior to the claims of investors in instruments eligible for inclusion in Tier I Capital
Call option	Exercisable in part or in full on or after the 10th redemption, subject to SBP's approval.
Lock-in-clause	Payment of profit will be made from current year's earning and subject to compliance with MCR and / or CAR or LR set by SBP.
Loss absorbency clause	Upon the occurrence of a Point of Non-Viability event as defined under SBP BPRD Circular No. 06 of 2013 dated August 15, 2013, SBP may at its option, fully and permanently convert the TFCs into common shares of the Bank and/or have them immediately written off (either partially or in full). Number of shares to be issued to TFC holders at the time of conversion will be equal to the 'Outstanding Face Value of the TFCs' divided by market value per share of the Bank's common share on the date of trigger of Point of Non-Viability (PONV) as declared by SBP, subject to a cap of 400,647,739 shares.

18.3 In 2018, the Holding Company issued Rs. 2.5 billion of rated, privately placed, unsecured, subordinated, perpetual and non-cumulative term finance certificates (TFCs or the Issue) as an instrument of redeemable capital under Section 66(1) of the Companies Act, 2017 and as outlined by the State Bank of Pakistan (SBP) under the BPRD Circular No. 06 dated August 15, 2013 and Basel III guidelines. Summary of terms and conditions of the Issue are:

Purpose:	To contribute towards the Bank's Tier I Capital for complying with the capital adequacy requirement and to utilize the funds in the Bank's business operations as permitted by its
	Memorandum and Articles of Association.
Issue amount	Rs. 2.5 billion
Issue date:	December 31, 2018
Maturity date:	Perpetual
Rating:	A + (Single A Plus)
Security:	The Issue is unsecured
Profit payment:	Semi-annually on a non-cumulative basis
Redemption:	Not applicable
Profit rate:	Floating rate of return at Base Rate + 2.25 percent per annum;
	Base rate is defined as the average six months KIBOR prevailing on the Base Rate setting date. The Base Rate will be set for the first time on the last working day prior to the issue date and subsequently on the immediately preceding business day before the start of each six monthly period.
Subordination:	The Issue is subordinated as to payment of Principal and profit to all other claims except common shares.
Call option:	Exercisable in part or in full at a par value on or after five years from the issue date, with prior approval of SBP. The Bank shall not exercise the call option unless the called instrument is replaced with capital of same or better quality.

For the year ended December 31, 2024

Lock-in-clause:	Payment of profit will be made from current year's earning and subject to compliance with MCR and / or CAR or LR set by SBP.
Loss absorbency	
Pre-Specified Trigger (PST)	Upon the occurrence of a Pre-Specified Trigger as defined under SBP BPRD Circular No. 06 of 2013 dated August 15, 2013 which stipulates that if an issuer's Common Equity Tier 1 (CET 1) ratio falls to or below 6.625% of Risk Weighted Assets (RWA), the Issuer will have full discretion to determine the amount of TFCs to be permanently converted into common shares or written off, subject to SBP regulations / instructions, and the cap specified below. The Bank will be able to exercise this discretion subject to:
	- If and when Bank's CET 1 reaches the loss absorption trigger point, the aggregate amount of Additional Tier-1 capital to be converted must at least be the amount sufficient to immediately return the CET 1 ratio to above 6.625% of total RWA (if possible);
	- The converted amount should not exceed the amount needed to bring the CET 1 ratio to 8.5% of RWA (i.e. minimum CET 1 of 6.0% plus capital conservation buffer of 2.5%); and
	- In case, conversion of Additional Tier-1 capital Instrument is not possible following the trigger event, the amount of the Instrument must be written off in the accounts resulting in increase in CET 1 of the issuer.
Point of Nor Viability (PONV)	In- Upon the occurrence of a Point of Non-Viability event as defined under SBP BPRD Circular No. 06 of 2013 dated August 15, 2013, which stipulates that SBP may, at its option, fully and permanently convert the TFCs into common shares of the Issuer and / or have them immediately written off (either partially or in full). Number of shares to be issued to TFC holders at the time of conversion will be equal to the 'Outstanding Value of the TFCs' divided by market value per share of the Issuer's common / ordinary share on the date of the PONV trigger event as declared by SBP, subject to the cap specified below:
	The PONV trigger event is the earlier of:
	- A decision made by SBP that a conversion or temporary / permanent write-off is necessary without which the Issuer would become non-viable;
	- The decision to make a public sector injection of capital, or equivalent support, without which the Issuer would have become non-viable, as determined by SBP.
	- The maximum number of shares to be issued to TFC holders at the Pre-Specified Trigger and / or Point of Non Viability (or otherwise as directed by SBP) will be subject to a specified cap of 329,595,476 ordinary shares, or such other number as may be agreed to in consultation with SBP.

For the year ended December 31, 2024

18.4 BIPL has issued fully paid up, rated, listed, perpetual, unsecured, subordinated, non-cumulative and contingent convertible debt instruments in the nature of sukuks under Section 66 of the Companies Act, 2017 which qualify as Additional Tier I (ADT-1) Capital as outlined by State Bank of Pakistan (SBP) under BPRD Circular No. 6 dated August 15, 2013.

18.4.1 Salient features of the ADT-1 sukuk issue I are as follows:

Amount:	Pa. 2.000 million
	Rs. 2,000 million.
Issue date:	April 21, 2020
Tenure:	Perpetual (i.e. no fixed or final redemption date)
Rating:	PACRA has rated this Sukuk at 'A'
Expected Profit Rate	The Sukuk carries a profit at the rate of 3 Months KIBOR + 2.75%. The Mudaraba Profit is computed under General Pool on the basis of profit sharing ratio and monthly weightages announced by the Bank inline with SBP's guidelines of pool management.
Profit payment:	Profit shall be payable monthly in arrears, on a non-cumulative basis
Security	The Issue is unsecured
Call option	BIPL may, at its sole discretion, call the Sukuks, at any time after five years from the Issue Date subject to the prior approval of the SBP.
Lock-in-clause:	In the event where payment of profit results in breach of regulatory MCR/CAR requirements or SBP determines a bar on profit distribution, the monthly profit weightage of the Sukuk holders will be reduced to a minimum level e.g. 0.005, till the month in which such condition is withdrawn by SBP.
Loss absorbency clause:	The Sukuks shall, at the discretion of the SBP, be permanently converted into ordinary shares pursuant to the loss absorbency clause as stipulated in the "Instructions for Basel-III Implementation in Pakistan" issued vide BPRD Circular No. 6 dated August 15, 2013.

18.4.2 Salient features of the ADT-1 sukuk issue II are as follows:

Issued Amount	Rs. 1,000 million.
Issue date:	February 21, 2024
Tenure:	Perpetual (i.e. no fixed or final redemption date)
Instrument Rating	PACRA has rated this Sukuk at 'A'
Security	Unsecured
Profit payment frequency	Profit shall be payable monthly in arrears, on a non-cumulative basis
Expected Profit Rate	The Sukuk carries a profit at the rate of 1 Month KIBOR + 2.5%. The Mudaraba Profit is computed under General Pool on the basis of profit sharing ratio and monthly weightages announced by the Bank inline with SBP's guidelines of pool management.
Call option	BIPL may, at its sole discretion, call the Sukuks, at any time after five years from the Issue Date subject to the prior approval of the SBP.
Lock-in-clause:	In the event where payment of profit results in breach of regulatory MCR/CAR requirements or SBP determines a bar on profit distribution, the monthly profit weightage of the Sukuk holders will be reduced to a minimum level e.g. 0.005, till the month in which such condition is withdrawn by SBP.
Loss absorbency clause:	The Sukuks shall, at the discretion of the SBP, be permanently converted into ordinary shares pursuant to the loss absorbency clause as stipulated in the "Instructions for Basel-III Implementation in Pakistan" issued vide BPRD Circular No. 6 dated August 15, 2013.

23.2.4.1 This represents commitments that are irrevocable because they cannot be withdrawn at the discretion of the bank without the risk of incurring significant penalty or expense.

This includes commitments to extend shariah compliant islamic financing in the normal course of its business but these being revocable commitments do not attract any significant penalty or expense if the facility is unilaterally withdrawn.

23.2.5 This represents commitments related to purchase of leasehold improvements, furniture and fixtures, hardware & network equipments and electrical equipments and computer software.

			2024	2023
		Note	Rupees	in '000
23.3	Other contingent liabilities	23.3.1	508,708	738,018

23.3.1 These mainly represent counter claims filed by borrowers for damages, claims by former employees of the Bank and other claims relating to banking transactions.

Based on legal advice and / or internal assessments, management is confident that the matters will be decided in the Group's favour.

23.3.2 Tax related contingencies are disclosed in notes 34.2 to 34.5.

24. DERIVATIVE INSTRUMENTS

Derivative instruments, such as Forward Exchange Contracts, Cross Currency Swaps and Options, are forward transactions that provide market making opportunities / hedge against the adverse movement of interest and exchange rates. Derivatives business also provides risk solutions for the existing and potential customers of the Group.

The Group has entered into a Cross Currency Swap transaction with its customer on back-to-back basis with an Authorized Derivative Dealer (ADD) without carrying any open position in its books. Specific approvals for the transactions have been granted by State Bank of Pakistan (SBP). Policies in line with SBP instructions have been formulated and are operative.

34.2 JS Bank Limited (the Bank)

34.2.1 Income Tax

The Bank has filed income tax returns under Section 114 of the Income Tax Ordinance, 2001 for the tax years 2007 through 2024. The returns so filed considered as deemed assessment order under Section 120(1) of the Income Tax Ordinance, 2001 (the Ordinance). Later, the return of income for tax years 2008 to 2024 were amended by the Officers of Inland Revenue (OIR) by taking recourse of tax audit or alternatively through amendment the assessment contending that certain matters in the deemed assessments were allegedly not conforming to the law and prejudiced the interest of revenue.

The Bank contested the disallowances before the Commissioner Inland Revenue Appeals [CIR(A)] and the Appellate Tribunal Inland Revenue [ATIR].

For tax year 2008, both the CIR(A) and ATIR annulled the OIR's action of amending the assessment being barred by time limitation following the judgments of Honorable Supreme Court of Pakistan.

For tax years 2009 to 2017, the appeals were decided by ATIR through combined Appellate Order dated 31-01-2022. Though the AO, except for the levy of surcharge under section 4A, minimum tax under section 113 and deduction of Sindh WWF all of the issues involved in the appeal either decided in Bank's favor (including the issue of goodwill, amortization of which was claimed over the period of 10 years) or set-aside for re-examination by the ATIR.

The Bank as well as the tax department have filed Income Tax Reference Applications before Sindh High Court against above-mentioned order of ATIR, which are pending.

Bank's appeal for tax years 2018 to 2020 and 2022 are pending for adjudication before ATIR.

In respect of WWF, the Supreme Court of Pakistan has held in Judgement, PLD 2017 SC 28, that the amendments made in the WWF Ordinance through Finance Act, 2006 and 2008 were illegal and without lawful authority i.e. the banks do not fall into definition of Industrial Undertaking and thus, not liable to pay WWF. Based on that, the Appellate Tribunal through combined Appellate order dated January 31, 2022 has also annulled the OIR's action of levying WWF on Bank under Worker's Welfare Fund Ordinance, 1971 in tax years 2009, 2012 and 2013.

As a consequence of the 18th amendment to the Constitution, levy for the WWF was introduced by the Government of Sindh, Punjab and Balochistan through the Sindh WWF Act, 2014 (the Act), the Punjab Workers Welfare Fund Act, 2019 and the Balochistan Workers Welfare Fund Act, 2022, respectively. As per these Acts, the Bank is liable to pay WWF in these provinces. However, in this respect:

For the year ended December 31, 2024

- the Bank has challenged the issue of jurisdiction claimed by Sindh Revenue Board before the Honorable High Court of Sindh (SHC) on grounds that banking companies cannot be considered as industrial establishment and that the Act cannot be applied to trans-provincial entities. The Court has restrained the Sindh Revenue Board to collect / recover Sindh WWF. For TY 2018 to TY 2023 the Court granted stay from recovery of Sindh WWF upon submission of Bank Guarantee to Nazir of Court.
- the Bank has also received notices regarding the recovery of Balochistan WWF for which the Bank is in discussion with legal counsel to challenge in the court of law on same grounds as in case of Sindh WWF.

In 2018, Based on decision of the Supreme Court of Pakistan, the Bank had reassessed the provision of WWF which was previously held on the entire operating results of the Bank (including all provinces, part of Pakistan, AJK and Bahrain Operations) and maintained WWF only to the extent of its operations within Sindh Province till 2019. In 2020 after promulgation of Punjab WWF, the Bank has again decided prudently to maintain provision on the entire results of the Bank.

The Sindh High Court has dismissed the Bank's petitions for tax years 2016 through 2022 wherein the Bank along with other taxpayers challenged the levy of super tax on constitutional grounds. Based on the opinion of legal counsel, the Bank has file appeal before the Supreme Court against the decision of the Sindh High Court. The Supreme Court has allowed interim relief to the taxpayers subject to the payment of 50% of the super tax liability. However, the Bank has adjusted full amount of super tax liability for Tax year 2016 and 2019 against the available tax refunds. Further, the bank has obtained stay from the Sindh High Court on other technical grounds regarding the levy of Super Tax for tax years 2017 and 2018.

Through Finance Act 2023, Super tax on high earning persons was levied under section 4C. The Bank has challenged the levy of Super tax for tax year 2023 through the legal counsel before the Islamabad High Court wherein interim stay was granted.

In pursuance of SRO 1588(I)/2023 dated November 21, 2023 banking companies have been designated to the 'sector' for the purpose of section 99D of the Income Tax Ordinance, 2001, for the years 2022 and 2023. Tax authorities issued a recovery notice to the Bank thereby creating a demand. The Bank through its legal council challenged the levy, and the High Court of Sindh, has decided the case against the Bank. However, the Islamabad High Court and Lahore High Court has suspended the operation of section 99D in other similar petitions. The Bank has decided to file petition against the said levy in the Supreme Court of Pakistan along with the stay application.

34.2.2 Withholding tax monitoring

Withholding tax monitoring was initiated against the Bank for tax years 2014 to 2021. Orders in respect of tax years 2014, 2015, 2016, 2018, 2020 and 2021 have been passed against which appeals have been filed before the CIR(A). CIR(A) has remanded back the matters for rectification in respect of tax years 2014 and 2015 against which rectified orders have been passed and demands have been reduced. The ATIR through order dated February 07, 2022 refused Department's appeal and maintained CIR(A)'s order for tax year 2014. Tax demands for tax years 2016, 2018 and 2020 were also set-aside by CIR(A).

34.2.3 Sales tax

The Bank as a registered person under Sindh Sales Tax on Services Act, 2011 has been issued a Sales Tax Order from the Sindh Revenue Board (SRB) creating a demand of Rs.193.44 million (besides Rs. 7.2 million is charged as penalty) against the Bank for alleged non-payment of Sindh sales tax on certain 'presumed non-taxable services / incomes'(i.e. Bancassurance, Home Remittances under Pakistan Remittance Initiative Scheme, SBP rebates on Government securities, Rebates from foreign correspondent Banks, and FX gain on remittance by Western Union)' for the tax periods July 2011 to December 2013, 2015 to 2017 and 2019 to 2020. Bank has filed appeals before Commissioner (Appeals) Sindh Revenue Board (CA-SRB) against the order of AC-SRB, which is pending.

After year ended December 31, 2023, Punjab Revenue Authority (PRA) passed an Order for tax periods January to December 2017 raising tax demand of Rs. 157.4 million on alleged short withholding of Punjab Sales Tax. Being aggrieved, the Bank has filed an appeal alongwith application for stay against tax demand before Commissioner Appeal, which is pending.

For the year ended December 31, 2024

34.2.4 Azad Jammu & Kashmir Operations

The Bank has commenced operations in Azad Jammu and Kashmir from tax year 2009 and has filed returns for the tax years 2009 to 2023 with the tax authorities of AJK region. The amendment proceedings and appeals are at various levels before AJK Tax authorities for the tax year 2011 to 2017 and 2019 to 2023.

The management of the Bank is confident that the appeals filed in respect of the above tax years will be decided in the Bank's favor and accordingly no demand for payment would arise.

34.3 JS Global Capital Limited (JSGCL)

34.3.1 Income tax

Except for tax year 2009, 2014, 2015, 2016, 2017, 2018, 2020 - and 2021 - income tax assessments have been filed and are deemed to have been assessed under the Income Tax Ordinance, 2001 (the Ordinance) unless selected by taxation authorities for audit purposes.

For tax year 2009, an ITRA no. 07/2013 was filed by the Commissioner, Inland Revenue against an order passed by the Learned Appellate Tribunal Inland Revenue (ATIR) in ITA no. 923/KB/2011 dated August 28, 2012, which was related to the apportionment of expenses, allowability of expenses and claiming of tax deducted at source aggregating to Rs. 61.16 million. However, the same is pending for decision before the Sindh High Court (SHC).

For tax year 2015, an order dated November 23, 2016, was passed under section 4B of the Ordinance by the Deputy Commissioner Inland Revenue (DCIR). Through said order, an income of Rs.810.584 million was computed under section 4B of the Ordinance and resultant demand for super tax of Rs. 24.318 million was raised. An appeal was filed against the above order before CIR-A on December 01, 2016, identifying various errors/details not considered. The CIR-A has confirmed DCIR's order vide his order dated May 30, 2017. In pursuance of the order of CIR-A, the Company has filed an appeal before ATIR along with an application for a stay against recovery of demand. The appeal before ATIR has been heard and the order is reserved whilst ATIR vide order dated July 18, 2017, has granted a stay for 60 days and subsequently, the said stay was further extended vide various orders by ATIR. Subsequently, recovery of aforesaid tax demand was previously stayed by the Honorable Sindh High Court (SHC) through C.P No 4915 of 2018 vide order dated June 28, 2018, with direction to the Department not to enforce recovery of tax demand till the decision of ATIR. However, based on its order dated July 21, 2020, the SHC has dismissed the aforementioned C.P and has declared the super tax for TY 2015 to be constitutionally vires. The Company has however filed an Income Tax Reference Application (ITRA) No. 52 of 2020 before SHC which is pending adjudication.

For tax year 2016 and 2017, notices dated December 27, 2016 and January 3, 2018 were issued under section 4B of the Ordinance by the DCIR. In the said notices, the DCIR has contended that the Company is liable to pay Super Tax amounting to Rs. 24.483 million and Rs. 19.490 million on 'income' of Rs. 816.122 million and Rs. 649.676 million for Tax Years 2016 and 2017 respectively. The Company has challenged both notices through writ petition before SHC on constitutional grounds wherein the SHC has, vide its orders dated January 16, 2017 and January 11, 2018 for Tax Years 2016 and 2017 respectively, has stated that no coercive action shall be taken against the Company. The DCIR passed the orders under section 4B vide order dated April 23, 2018 and May 4, 2018 for tax years 2016 and 2017 respectively to levy Super tax of above-mentioned amounts under the view that SHC has not restrained the department from passing the orders. In pursuance of the said orders, the Company filed appeals which CIR-A rejected vide its order dated October 12, 2018 for both years. As a result, the Company has filed appeals before the Appellant Tribunal Inland Revenue (ATIR) against the orders of CIR-A. Meanwhile, the Company paid 50% of tax demand of both tax years to maintain the above suits in light of the judgment of Hon'ble Supreme Court of Pakistan (Civil Appeals No. 1171/2017 and other connected appeals) wherein, the pending suits are declared to be entertained on the condition that a minimum of 50% of tax demand is deposited with tax authorities during the pendency of the appeal. During the year the appeal has been heard before ATIR and is reserved in order. The Company has, however, filed an Income Tax Reference Application (ITRA) No. 53 and 54 of 2020 before SHC which is pending adjudication.

For the year ended December 31, 2024

For tax year 2018, a notice under section 4B of the Ordinance by the DCIR dated December 7, 2018, was issued, contending that the Company is liable to pay Super Tax amounting to Rs. 45.211 million in 'income' of Rs. 1,507.039 million. The Company had challenged the notice on constitutional grounds before SHC through C.P. No. 8670 of 2018. The SHC, vide its order dated December 14, 2018, had stated that no coercive action shall be taken against the Company. However, the SHC based on its order issued in September 2020 has dismissed the aforementioned C.P. The Company is hence awaiting the conclusion of ATIR on the above matter before it files a reference application for TY 2018. To date, no order has been passed by the Department, consequently, no outstanding tax demand exists to date.

For tax year 2016, an amended assessment order has been passed under section 122(5A) of the Ordinance by the Additional Commissioner Inland Revenue (ACIR). Through the said order, the ACIR raised demand amounting to Rs. 241.217 million. Upon appeal filed, CIR-A confirmed the ACIR's order vide its order dated December 12, 2017. In pursuance of the order of CIR-A, the Company had filed an appeal before ATIR. During last year ATIR vide its order dated March 29, 2019, had annulled CIRA's action on confirming disallowances made in the order passed by ACIR dated November 02, 2017, with directions to CIRA to pass speaking and reasoned order after providing due opportunity of being heard. As a result, the likely assessment position after the appeal effect of ATIR's order under section 124 of the Ordinance is that only tax demand on account of undistributed reserves is outstanding, which has also been stayed by SHC vide interim order in CP No. 0-2343 of 2019 dated April 09, 2019. Furthermore, during last year, a rectification application was filed for erroneously considered share premium reserves while computing excess reserves under section 5A of the Ordinance by the ACIR, in its order dated November 2, 2017. As a result, tax demand under section 5A would be reduced to Rs. 7.523 million. The Hon'ble Sindh High Court vide an interim order dated May 21, 2021, granted relief against the said notice.

The Company has been selected for an income tax audit under section 214C. as per the amendment order passed on June 28, 2023, via letter AT 238 dated July 17, 2023 a reduction in the refund amount has been imposed due to certain expense adjustments. However, the organization has duly filed an appeal with CIRA and is currently awaiting a decision.

34.3.2 Sales Tax

In 2013, the Company received a show cause notice from the Sindh Revenue Board (SRB) under section 47 of the Sindh Sales Tax on Services Act, 2011. Subsequently, an order was passed reducing the demand to Rs. 9.86 million along with the default surcharge. The Company filed an appeal before the CIR-A and after being decided against the Company, it subsequently filed an appeal before Appellate Tribunal SRB. During the year 2014, the Company paid an amount of Rs. 7.15 million in respect of the abovementioned liability before June 25, 2014, under the notification SRB 3-4/8/2014 to avail the exemption from application of penalty and 75% of default surcharge. Appellate Tribunal SRB vide order dated November 29, 2017 decided the Sindh Sales Tax (SST) issue in favor of the Company. However, the issue of SST on advisory and consultancy services and commission earned on purchase/sale of mutual funds have been remanded back whilst the issue relating to SST on commission on foreign exchange dealing, services rendered outside Sindh and levy of default surcharge and penalty have been decided against the Company. The Company has filed a reference application before SHC in respect of the issues decided against the Company and remanded back.

During 2014, the Company also received another show cause notice from SRB under section 47 of the Sindh Sales Tax on Services Act, 2011. Subsequently, an order was passed raising a tax demand amounting to Rs. 10.77 million. The Company has filed an appeal against the order with CIR-A which is pending. Further, in respect of the same, a rectification application has also been filed with the department. The Company and other stock brokers have also filed a petition with the SHC and have been granted an interim stay against recovery of demand. However, the Company has paid an amount of Rs. 9.24 million before June 25, 2014, under the notification SRB 3-4/8/2014 to avail the exemption of penalty and 75% of default surcharge.

Furthermore, for fiscal year 2014 and 2015, SRB alleged short payment of SST vide Notice dated February 02, 2017. The Company has submitted all the required details in response to the notice and no order in this respect has been passed.

For the year ended December 31, 2024

SRB has also issued an order in another proceeding for tax periods January 2014 to December 2016, which were confronted, vide notice dated August 15, 2017, levying sales tax on certain services and disallowance of input tax of Rs. 35,877,012. In pursuance of the said order, the Company filed an appeal before the Commissioner (Appeals), SRB which has been partly heard. However, the recovery of the aforesaid tax demand has been stayed by the Hon'able SHC in Suit no 767 of 2018 vide order dated April 13, 2018.

34.3.3 Federal Excise Duty (FED)

The tax department issued a show cause notice dated June 08, 2015, confronting (alleged) non-payment of Federal Excise Duty (FED) on the Company's services under the Federal Excise Act, 2005 and subsequently issued an order raising a demand amounting to Rs.78.003 million for the tax year 2010 for the tax year 2013. The Company filed a rectification appeal, in addition, to filing an appeal to the SHC, through the Stockbroker Association (of which the Company is also the member) against the aforementioned order because after the 18th amendment to the Constitution, the services that were previously subjected to FED under the federal laws are now subject to the provincial sales tax and the Company has accordingly discharged its tax obligation. The SHC initially, stayed Federal Board of Revenue from demanding sales tax on services from stockbrokers and subsequently, disposed of the order in the Company's favor. However, CIR-A on the matter of appeal filed by the Company issued an order in favor of the department vide its order dated January 31, 2017. In pursuance of the order of CIR-A the Company had filed an appeal before Appellate Tribunal SRB along with an application for stay of demand, which was granted initially for 30 days and was subsequently extended vide various orders. Appellate Tribunal SRB has decided the matter vide order dated December 20, 2017, received by the Company on April 09, 2018, whereby ATIR decided that the FED is applicable only on the commission earned from trading of shares and no other type of commission comes under the ambit of FED. With this opinion, ATIR has remanded back the issue related to the amendment era. For the amendment era, ATIR has relied upon the decision of SHC (stated above) and declared the charge of FED after July 01, 2011, null and void.

34.4 JS Investments Limited (JSIL)

34.4.1 Income tax

In respect of the appeals filed by the Company before Commissioner Inland Revenue (Appeals) [CIR (Appeals)] against orders passed for tax years 2006 and 2009 against demand of Rs. 162 million and Rs. 66 million respectively, the CIR (Appeals) had not accepted the basis of additions by tax authorities and set aside both the orders in respect of allocation of expenses between various sources of income for fresh proceedings with the directions to apportion the common expenditure according to actual incurrence of expenditure to the various sources of income.

In respect of the above said order of CIR (Appeals) for tax years 2006 and 2009, the Company filed second appeal before the Appellate Tribunal Inland Revenue (ATIR) in respect of apportionment of expenses. The ATIR vide order dated April 20, 2017 deleted the additions on proration of expenses for tax year 2006 however, confirmed the CIR(A)'s order whereby CIR(A) remanded back / set-aside the issue of apportionment of expenses.

The Appellate Tribunal Inland Revenue vide order dated May 21, 2016 deleted the additions of tax amortization of management rights and remanded back the issues of disallowed provisions and advertisement expenses for the tax year 2009.

The tax authorities issued orders giving effect (hereinafter referred collectively as 'appeal effect orders') to the order of CIR (Appeals) for both tax years 2006 and 2009 whereby demands for these tax years were reduced to Rs. 77.33 million and Rs. 59.93 million respectively. As the allocation of expenditure in the said appeal effect orders was not made according to actual incurrence of expenditure to the various sources of income, therefore, the Company again filed appeals before the CIR (Appeals) against the said orders.

In respect of second round of appeal filed by the Company before CIR (Appeals) against appeal effect orders for tax years 2006 and 2009, the CIR (Appeals) for tax year 2006 confirmed apportionment of expenditure made by the tax authorities in appeal effect order, however, adjustment of allowable expenses were set aside. For the tax year 2009, CIR (Appeals) had set aside the appeal effect order in entirety for fresh assessment, which is yet to be made by tax authorities.

For the year ended December 31, 2024

The CIR (Appeals) also rectified the order passed by his predecessor for the tax year 2006, whereby the addition regarding the portion of capital gain included in dividend received from mutual funds was held deleted. Resulted appeal effect order reflects refund of Rs.29 million. The tax authorities have filed an appeal before ATIR against said order of CIR (Appeals) in respect of deletion of addition regarding the portion of capital gain included in dividend. The ATIR vide order dated December 07, 2016 set-aside with the direction that the ACIR should examine the issue in the light of FBR Circular letter dated September 10, 2002.

In respect of tax year 2006, management contends, based on views of its tax advisor, that amendment of assessment for such tax year by tax authorities is time barred. Accordingly, the Company has filed an appeal before the Appellate Tribunal Inland Revenue. The ATIR is of the view that the amendment of assessment is not time bared however, the ATIR deleted the addition of tax amortization of management right vide order dated February 10, 2017.

Order under section 122(1)/(5) dated December 30, 2017 for the tax year 2015 passed by the DCIR created demand of Rs.40 million against which the Company has filed an appeal before the CIR(A). The DCIR considered our request for rectification and passed order under section 221 dated February 27, 2017 as a result of the above order the demand reduced to Rs.36.904 million. The CIR(A) vide order dated May 6, 2019 partly considered our submissions put before him. The DCIR passed appeal effect order dated February 17, 2020 determined refund of Rs 30.66 million. The company submitted appeal before the CIR (Appeal) against the appeal effect order. The Company also submitted appeal before the ATIR against the order of the CIR(A). Based on the tax advisors opinion, the management of the Company is confident that the matter will be decided favourably and hence, no provision has been made.

The DCIR passed order under section 122(1)/(5) of the Income Tax Ordinance, 2001 dated June 23, 2014 and reduced the refund claim of Rs.8.499 million to Rs.3.102 million for the tax year 2012. The learned CIR (Appeal) vide order dated May 06, 2019 confirmed the ACIR's order and held that the appeal was not entertainable being barred by time limitation for the tax year 2012. The Company submitted appeal before the ATIR against the order of the CIR(A). Based on the tax advisors opinion, the management of the Company is confident that the matter will be decided favourably and hence, no provision has been made.

34.4.2 Federal Excise Duty (FED)

This represents amount payable against Federal Excise Duty (FED) on management fees received / receivable from the Funds under management. The amount is being held for payment to Federal Board of Revenue on the basis of stay order of the Honorable High Court of Sindh dated September 04, 2013. The stay order was granted as a result of petition filed by asset management companies on the forum of MUFAP against the amendment in Finance Act, 2013 which levied FED on the fees received by asset management companies from funds under management.

The Honorable Sindh High Court in its decision dated July 16, 2016 maintained the previous order passed against other constitutional petition whereby levy of FED is declared to be 'Ultra Vires' the Constitution. On September 23, 2016, the Federal Government has filed an appeal against the said order in the Honorable Supreme Court of Pakistan (SCP) and thus, the previous balance of FED has not been reversed.

Further, the Federal Government vide Finance Act, 2016 has excluded asset management companies and other non-banking finance companies from charge of FED on their services. Accordingly, no provision for FED is made from July 01, 2016 onwards.

In view of promulgation of Sindh Workers Welfare Fund Act, 2014, wherein the financial institutions have also been brought into definition of Industrial establishments, the Company has maintained an aggregated provision against Sindh Workers Welfare Fund as the year end amounting to Rs. 26.13 million (2023: Rs. 16.36 million). The Company is under litigation with Sindh Revenue Board vide Constitution Petition No. 1005 dated February 13, 2019, filed before the Honorable Sindh High Court, which is a pending adjudication.

For the year ended December 31, 2024

34.5 BankIslami Pakistan Limited (BIPL)

34.5.1 Income Tax

The income tax returns of the Bank have been filed up to tax year 2023 and 2024 whereas the tax assessments have been made by the tax authorities. The Bank has paid the demand under protest for these years, however appeals before ATIR have been preferred for these years and are pending adjudication.

During the year 2014 (relating to defunct KASB Bank Limited), appellate order passed by the Commissioner Inland Revenue Authority (CIRA) [in respect of Income tax assessments of International Housing Finance Limited, amalgamated into the defunct KASB Bank Limited during the year ended 31 December 2007] for tax year 2005 maintained the order of the Taxation Officer to the extent of disallowances relating to income from carry over transactions and gain on sale of property having an aggregate tax impact of Rs. 12.997 million. The defunct KASB Bank Limited appeals before the Appellate Tribunal Inland Revenue (ATIR) for tax year 2005 which are pending finalization.

For tax years 2003 (relating to defunct KASB Bank Limited), the CIRA has passed appellate orders on account of certain disallowances in respect of income from carry over transactions, provision against non performing advances, bad debts and certain other items having an aggregate tax impact of Rs. 33.748 million. The defunct KASB Bank Limited had preferred an appeal before the ATIR against the above referred orders of the CIRA where ATIR has decided the case in favour of the Bank. Therefore no demand is payable in this case.

For tax years 2010 (relating to defunct KASB Bank Limited), the ACIR had passed an order under section 122 creating as demand of Rs 51.636 million the order was subsequently upheld by the CIRA. The defunct KASB Bank Limited had preferred an appeal before the ATIR against the above referred order of the CIRA where ATIR has decided the case in favour of the Bank. Therefore no demand is payable in this case.

In respect of various tax periods for the Bank and defunct KASB Bank, Sindh Revenue Board (SRB) has passed various orders and raised demand totaling to Rs. 102.199 million in relation to levy of Sindh sales tax on certain services. The Bank has filed appeals before Commissioner Appeal, SRB which are pending adjudication. Furthermore, the Bank is contesting the issuance of certain showcause notices issued by SRB for the period covering from January 2012 till December 2013 before the Honorable Supreme Court of Pakistan based on the ground that these notices are time barred. The subject matter is also pending adjudication.

In respect of Tax Year 2019 and 2020, the ACIR under section 122(5A) of the Income Tax Ordinance, 2001 amended the return submitted by the Bank by adding / disallowing certain expenses thereby creating a Tax demand of Rs 1.247 billion. The Bank filed appeal against the orders before Commissioner Appeal. The Commissioner Appeal while passing order for Tax Year 2019 and Tax Year 2020 has remanded back / deleted significant amount of disallowances and confirmed disallowance amounting to Rs. 191.420 million. The Bank has filed appeal against the confirmed disallowances before the Appellate Tribunal (ATIR) where the matter is pending adjudication.

In respect of Tax Year 2022 the ACIR under section 122(5A) of the Income Tax Ordinance, 2001 amended the return submitted by the Bank by adding / disallowing certain expenses thereby creating a Tax demand of Rs 522.794 million. The Bank has filed appeal against the orders before Commissioner Appeal which is pending adjudication.

In pursuance of SRO 1588 (1)/ 2023 dated November 21, 2023 banking companies have been designated to be the 'sector' for the purpose of section 99D of the Income Tax Ordinance, 2001, for the tax years 2022 and 2023. Tax authorities issued a recovery notice to BIPL thereby creating a demand. The Bank through their legal council challenged the levy, and the High Court of Sindh, has decided the case against the Bank. However, the Islamabad High Court and Lahore High Court have suspended the operation of section 99D in other similar petitions. The Bank have decided to file petition against the said levy in the Supreme Court of Pakistan along with the stay application thereon.

For the year ended December 31, 2024

The defunct KASB Bank has been in receipt of two notices pertaining to tax year 2006 and tax year 2008 from FBR where FBR demanded unpaid tax liabilities on profit on debt paid amounting Rs 121.7 million and Rs 308 million respectively in FY 2013. The Bank challenged the issuance of such notice in High Court of Sindh vide CP D-371 of 2013 where the case was decided on the grounds that the notice has been issued beyond the time limit and therefore stands void. FBR being aggrieved to such decision challenged it in the Supreme Court of Pakistan where the case was remanded back by the Court to the concerned Commissioner for starting denovo proceedings. Subsequently, the notice was re-issued in 2020 again by the department under denovo proceedings which was subsequently challenged before Commissioner Appeals and Appellate Tribunal where the latter remanded back the matter to the FBR. The FBR has re-issued notices in the subject case in October 2024 under denovo proceedings. The Bank in its best interest has submitted records in the subject case on the recommendation of the tax consultant and subsequently received orders against these proceedings for Rs. 6,138,408 for tax year 2006 and Rs. 10,057,474 for tax year 2008 on December 31, 2024.

Banklslami received income tax monitoring notices for the periods from tax year 2017 through tax year 2023, covering a total of seven tax years which were received since 2019. The notices required a reconciliation of tax on financial statement components comprising of administrative expenses, fixed assets and profit on debt paid with the taxes paid with FBR. The Bank has submitted the necessary records to FBR including reconciliation of such expenses with the taxes reported in FBR. Subsequently the Bank received showcause notices and orders for the tax years 2017 to Tax year 2021 for Rs 70,429,491 inclusive of penalty and default surcharge. The Bank has preferred appeals before CIRA for tax year 2019 to tax year 2021.

The management, based on the opinion of its tax advisor, is confident about the favorable outcome of the above matters.

38 DEFINED BENEFIT PLAN

38.1 General description

The Holding Company operates a recognised gratuity fund for all employees who opted for this scheme introduced by the management with effect from January 01, 2007.

Permanent employees are eligible for the gratuity fund after 10 years of continuous service. Gratuity is payable at 65% of the last drawn basic salary per completed year of service.

The defined benefit is administered by a separate fund that is legally separate from the Holding Company. The plan is governed by the trust deed dated September 01, 2007. The trustees of the gratuity fund are composed of representatives from employers. The trustees of the gratuity fund are required by the trust deed to act in the interest of the fund and of all relevant stakeholders in the scheme, i.e. active employees, inactive employees, retirees and employers. The trustees of the gratuity fund are responsible for the investment policy with regard to the assets of the fund.

The present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same as applied in calculating the defined benefit obligation liability recognised in this consolidated statement of financial position.

38.2 The plan in Pakistan typically exposes the Bank to actuarial risks such as: salary risk, discount rate risk, mortality risk and investment risk defined as follow:

- Salary increase risk:

The risk that the final salary at the time of cessation of services is greater than assumed. Since the benefit is calculated on the final salary (which will closely reflect inflation and other macroeconomic factors), the benefit amount increases as salary increases.

- Discount rate risk

The discount rate is based on the yield on government bonds. If the market yield of bonds varies, the discount rate would vary in the same manner and would affect the present value of obligation and fair value of assets.

For the year ended December 31, 2024

- Demographic risks

Withdrawal risk:

The risk of actual withdrawals experience is different from assumed withdrawal probability. The significance of the withdrawal risk varies with the age, service and the entitled benefits of the beneficiary.

Longevity Risk

The risk that the actual mortality experience is different than the assumed mortality. This effect is more pronounced in schemes where the age and service distribution is on the higher side.

- Investment risk

This is the risk that the assets are under-performing and are not sufficient to meet the liabilities.

38.3 Number of employees under the scheme

The number of employees covered under the gratuity scheme are: 4,131 (2023: 4,010).

38.4 Principal actuarial assumptions

The actuarial valuations were carried out as at December 31, 2024, using Projected Unit Credit Method. The following significant assumptions were used for the valuation:

**38.10** Investment in term finance certificates are subject to credit risk and interest rate risks, while equity securities and mutual funds are subject to price risk. Cash and cash equivalents include balances maintained with the Bank which are subject to credit risk. These risks are regularly monitored by Trustees of the fund.

### 38.11 Sensitivity analysis

**38.11.1** Significant actuarial assumptions for the determination of the defined obligation are discount rate, and expected rate of salary increase. The sensitivity analysis below has been determined based on reasonably possible changes in one respective assumption occurring at the end of the reporting period, while holding all other assumptions constant:

|       |                                                                           | 2024<br>Rupees in '000 |
|-------|---------------------------------------------------------------------------|------------------------|
|       | 1% increase in discount rate<br>1% decrease in discount rate              | 1,032,179<br>1,196,757 |
|       | 1% increase in expected rate of salary increase                           | 1,198,381              |
|       | 1% decrease in expected rate of salary increase                           | 1,029,319              |
| 38.12 | Expected contributions to be paid to the funds in the next financial year | 270,154                |
| 38.13 | Expected charge for the next financial year                               | 193,713                |

For the year ended December 31, 2024

### 38.14 Maturity profile

The weighted average duration of the obligation (in years): 7

### 38.15 Funding policy

The Bank endeavors to ensure that liabilities under the funded gratuity scheme is covered by the assets of the fund on any valuation date, based on actuarial assumptions.

**38.16** The plan in Pakistan typically exposes the Bank to actuarial risks such as: salary risk, discount rate risk, mortality risk and investment risk defined as follow:

### Salary increase risk:

The risk that the final salary at the time of cessation of services is greater than assumed. Since the benefit is calculated on the final salary (which will closely reflect inflation and other macroeconomic factors), the benefit amount increases as salary increases.

### **Discount rate risk**

The discount rate is based on the yield on government bonds. If the market yield of bonds varies, the discount rate would vary in the same manner and would affect the present value of obligation and fair value of assets.

### **Demographic Risks**

### Withdrawal risk:

The risk of actual withdrawals experience is different from assumed withdrawal probability. The significance of the withdrawal risk varies with the age, service and the entitled benefits of the beneficiary.

### **Longevity Risk**

The risk that the actual mortality experience is different than the assumed mortality. This effect is more pronounced in schemes where the age and service distribution is on the higher side.

### **Investment risk**

This is the risk that the assets are under-performing and are not sufficient to meet the liabilities.

### 39. DEFINED BENEFIT PLAN OF SUBSIDIARY

#### 39.1 Bank Islami Pakistan Limited (BIPL)

Bank Islami Private Limited (BIPL) operates a gratuity fund for its employees (members of the fund). The fund entitles the members to lump sum payment at the time of retirement, resignation or death. Permanent staff are eligible for such benefits after three years of service.

The number of eligible employees covered under the defined scheme are 4,688 (2023: 3,727).

For the year ended December 31, 2024

### 40. DEFINED CONTRIBUTION PLAN

The Group operates a contributory provident fund scheme for all permanent employees. The employer and employee both make a contribution of equal amount to the fund as follows:

|                                | Contribution basic salary | Number of employees |       | Contribution made<br>during the year |         |
|--------------------------------|---------------------------|---------------------|-------|--------------------------------------|---------|
|                                |                           | 2024                | 2023  | 2024                                 | 2023    |
|                                | Percentages               | Numbers             |       | Numbers Rupees in                    |         |

- 41.1.1 The CEO and COO are provided with free use of Bank maintained cars in accordance with their entitlement.
- **41.1.2** Managerial remuneration includes joining related payments made to certain Executives in line with their terms of employment.
- **41.1.3** The SBP, vide its BPRD Circular No. 01 dated January 25, 2017, issued Guidelines on Remuneration Practices, where the Bank is required to defer a certain portion of variable compensation of the Material Risk Takers (MRTs) and Material Risk Controllers (MRCs) subject to mandatory deferrals for a defined period. In this respect, deferral amount shall be withheld for a period of three years whereas remaining portion of the variable compensation shall be paid upfront to the MRTs and MRCs. The deferred remuneration shall vest proportionately over the deferral period following the year of variable remuneration award. The deferred portion of the variable remuneration shall be paid to the MRTs and MRCs on vesting, proportionally through yearly instalments, during the deferred period, in case no malus triggers are applicable. Details of MRTs and MRCs are given below:

### 42. FAIR VALUE MEASUREMENTS

The fair value of quoted securities other than those classified as held to maturity, is based on quoted market price. Quoted securities classified as held to maturity are carried at cost. The fair value of unquoted equity securities, other than investments in associates and subsidiaries, is determined on the basis of the break-up value of these investments as per their latest available audited financial statements. Fair value of unquoted debt securities, fixed term loans, other assets, other liabilities and fixed term deposits cannot be calculated with sufficient reliability due to absence of current and active market for assets and liabilities and reliable data regarding market rates for similar instruments.

### 42.1 Fair value of financial assets

The Bank measures fair values using the following fair value hierarchy that reflects the significance of the inputs used in making the measurements:

- Level 1: Fair value measurements using quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2: Fair value measurements using inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: Fair value measurements using input for the asset or liability that are not based on observable market data (i.e. unobservable inputs).

The table below analyzes financial instruments measured at the end of the reporting period by the level in the fair value hierarchy into which the fair value measurement is categorised:

|                                                                                                            | 2024      |                                         |         |                                         |

| Derivatives                                                                                                | The fair values of derivatives which are not quoted in active markets are determined by using valuation techniques. The valuation techniques take into account the relevant underlying parameters including foreign currencies involved, interest rates, yield curves, volatilities, contracts duration, etc.                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
| Property and Equipment - Land<br>and buildings<br>Non-banking assets acquired in<br>satisfaction of claims | Land and buildings and Non-banking assets under satisfaction of claims<br>are carried at revalued amounts determined by professional valuers based<br>on their assessment of the market values as disclosed in note 10 and 13 of<br>these consolidated financial statements. The valuations are conducted by<br>the valuation experts appointed by the Bank which are also on the panel<br>of State Bank of Pakistan. The valuation experts used a market based<br>approach to arrive at the fair value of the Bank's properties. The market<br>approach used prices and other relevant information generated by market<br>transactions involving identical or comparable or similar properties. These<br>values are adjusted to reflect the current condition of the properties. |

For the year ended December 31, 2024

### **Financial instruments - Level 3**

Currently, no financial instruments are classified in level 3.

**42.2** The Group's policy is to recognise transfers into and out of the different fair value hierarchy levels at the date the event or change in circumstances that caused the transfer occurred. There were no transfers between levels 1 and 2 during the year.

### 43. SEGMENT INFORMATION

### 43.1 Segment Details with respect to Business Activities:

The SBP through its BSD Circular No. 07 dated April 15, 2009 has prescribed the minimum paid-up capital (net of accumulated losses) for banks to be raised to Rs.10,000 million by the year ending December 31, 2013. The paid-up capital of the Bank as at December 31, 2024 stood at Rs. 20,506.525 million (2023: Rs. 20,506,525 million) and is in compliance with SBP requirements.

The Banks are also required to maintain a minimum Capital Adequacy Ratio (CAR) of 10.0% plus capital conservation buffer of 1.5% of the risk weighted exposures. Further, under Basel III instructions, Banks are also required to maintain a Common Equity Tier 1 (CET 1) ratio and Tier 1 ratio of 7.5% and 9.0%, respectively (inclusive of Capital Conservation Buffer). As at December 31, 2024 the Group is fully compliant with prescribed ratios, as the Group's CAR is 18.07% whereas CET 1 and Tier 1 ratios stood at 12.31% and 13.56% respectively on Consolidated Basis. The Group has complied with all capital requirements throughout the year.

Under the current capital adequacy regulations, credit risk and market risk exposures are measured using the Standardized Approach and operational risk is measured using the Basic Indicator Approach. Credit risk mitigants are also applied against the Group's exposures based on eligible collateral under comprehensive approach.

### 47. RISK MANAGEMENT

Risk Management is a discipline at the core of every financial institution and encompasses all the activities that affect its risk profile. At the Bank, it involves identification, measurement, monitoring and controlling risks to ensure that:

- a) The individuals who take or manage risks clearly understand it;
- b) The Bank's Risk exposure is within the limits established by Board of Directors (BoD);
- c) Risk taking decisions are in line with the business strategy and objectives set by BoD;
- d) The expected payoffs compensate for the risks taken;
- e) Risk taking decisions are explicit and clear;
- f) Sufficient capital as a buffer is available to take risk; and
- g) Risk management function is independent of risk taking unit.

The Bank has a comprehensive set of Risk Management Policies, practices and procedures which enables the Bank to take into consideration, in an appropriate manner, all major kinds of risks mainly credit, market, liquidity, operational and IT security risks. Keeping in view the dynamics of internal and external environment, we regularly review and update our Risk Management policies and procedures in accordance with regulatory environment and international standards.

Risk Management activities remain at the forefront of all activities of the Bank which places the highest priority on conducting its business in a prudent manner in line with the relevant laws and regulatory requirements.

Risk management framework of the Bank includes:

- a) Clearly defined risk management policies and procedures covering risk identification, acceptance, measurement, monitoring, reporting and control;
- Well constituted organizational structure, defining clearly roles and responsibilities of individuals b) involved in risk taking as well as managing it. The Bank, in addition to risk management functions for various risk categories, has instituted an Integrated Risk Management Committee (IRMC), Portfolio Management Committee (PMC), Operational Risk Management Committee (ORMC), Remedial Management Committee (RMC) as well as Central Credit Committee (CCC). IRMC oversees the overall risk management at the Bank and provides guidance in setting strategic targets as well as concentration limits and monitor progress related to earnings growth, keeping in view the capital constraints and also adheres to the concentration limits. The IRMC monitors the strategic target and aggregate limits at the Business Group level and concentration limits (by industry, geography, size, tenor) so that one category of assets or dimension of risk cannot materially harm the performance of the Bank. PMC monitors the advances portfolio, concentrations limits, aggregate limits at business level and various house keeping elements under Credit Administration. ORMC oversees the effectiveness of operational risk management for maintenance and implementation of operational risk management framework. It also monitors the Business Continuity Planning and reviews findings of any other management or board's sub committee. Remedial Management Committee (RMC) oversees the progress of non performing loans and cases under litigation along with the recommendation of transferring of any NPL to Corporate Restructuring Company (CRC). Whereas, Central Credit Committee (CCC) is entrusted with the responsibility of monitoring lending risk profile of the Bank. CCC meets regularly to actively supervise credit risk across its lending portfolio;
- c) An effective management information system that ensures flow of information from operational level to top management and a system to address any exceptions observed; and
- d) A mechanism to ensure an ongoing review of systems, policies and procedures for risk management and procedures to adopt changes.

While the overall responsibility of risk management rests with the BoD, it is the duty of Senior Management to devise risk management strategy by setting up well defined policies and procedures for mitigating / controlling risks, duly approved by the Board.

Giving due consideration to the above, the Bank has put in place the following hierarchy of Risk Management:

For the year ended December 31, 2024

- Board Risk Management Committee (BRMC);
- Integrated Risk Management Committee (IRMC) comprises of the President / Chief Executive Officer (CEO), Chief Risk Officer, Chief Operating Officer, Chief Credit Officer, Chief Financial Officer, Chief Compliance Officer, Group Head Corporate & Public Sector Government, Group Head Operations, Chief of Staff, Group Head Retail Banking, Head of Human Resources, and Chief Product & Marketing Officer.
- Asset Liability Committee (ALCO) comprises of the President / Chief Executive Officer (CEO), Treasurer, Chief Risk Officer, Chief Credit Officer, Group Head Investment Banking, Chief Financial Officer and attended by Other Business Heads.
- Central Credit Committee (CCC) comprising of the President / CEO, Chief Operating Officer, Chief Credit Officer, Group Head Corporate & Public Sector Government, Group Head Emerging Corporate (South), Group Head Emerging Corporate (Central & North) and Head of Environmental Risk (for environmental risk only).
- Portfolio Management Committee (PMC) comprises of President / CEO, Chief Risk Officer, Chief Credit Officer, Group Head Corporate & Public Sector Government, Group Head Retail Banking, Heads of Credit Risk, Head CAD, Head of Consumer Risk, and Head Enterprise Risk Management.
- Operational Risk Management Committee (ORMC) comprises of the Chief of Staff, Chief Risk Officer, Chief Compliance Officer, Chief Information Officer, Group Head Operations, Head of Human Resources, Chief Product & Marketing Officer, Group Head Retail Banking, Group Head Customer Experience and Head Enterprise Risk Management.
- Remedial Management Committee (RMC) comprises of President / CEO, Chief Risk Officer, Chief Credit Officer, Chief of Staff, Chief Operating Officer, Chief Financial Officer, Head of SAM, CAD Head, Credit Risk Heads and Head of Legal.
- IT Steering Committee (ITSC) comprises of President / CEO, Deputy CEO, Chief Risk Officer, Chief Financial Officer, Group Head Operations & Technology, Chief Information Officer, Chief Information Security Officer, Chief of Staff, Group Head Investment Banking & Emerging Business, Chief Digital Officer, Country Head Branch Banking Operations and Head Product Development & Consumer Business.
- Risk Management Group (RMG), a dedicated and independent set-up headed by Chief Risk Officer (CRO) and comprises of Heads of Market & Liquidity Risks, Operational Risk and Treasury Middle Office, Consumer & Program Lending Risk, Information Security, Agricultural Credit Risk, Strategic Projects & Quantitative Analysis and Enterprise Risk Management.
- Credit Risk Group (CRG) is also an independent function to business and is headed by Chief Credit Officer (CCO). Credit Risk Heads dealing in corporate, emerging corporate, middle market, small & medium enterprises, financial institutions and international operations are reporting into CCO. Special Assets Management (SAM) and Credit Administration (CAD) also report into CCO.

### **Risk Matrix / Categories**

The Bank, in common with other banks, generates its revenues by accepting Country, Credit, Liquidity, Interest Rate Risk in the Banking Book, Market, Operational and other risks. Effective management of these risks is the decisive factor in the Bank's profitability.

### **Risk Appetite**

The Group's risk appetite is reflected in its endeavours to maintain a favourable credit rating and encompasses the following:

For the year ended December 31, 2024

- The business strategy;
- The expectations of stakeholders at different time horizons;
- The characteristics of the risk-bearing entities;
- The nature and characteristics of the risks undertaken; and
- The possible spread of risk situations across organizational units, assets-at-risk, and future time horizons.

Risk appetite drives business activity. It combines anticipations in risk and profitability with management preferences to control capital and resource allocation, as well as the distribution of exposure across activities and portfolios.

The holding company hedging strategy is embedded in its risk management practices for addressing material categories of risk.

### 47.1 Credit Risk

Credit risk is the risk which arises with the possibility that one party to a financial instrument will fail to discharge its obligation and cause the other party to incur a financial loss. Credit risk is managed in terms of credit policies, approved by the BoD and regulations issued by the SBP. The Group is exposed to credit risk on loans and advances, fund placements with financial institutions and certain investments.

Credit risk management is an ongoing process. The overall credit policy and the credit risk instructions are issued by the Board of Directors. In this regards, a Central Credit Committee (CCC) is entrusted with the responsibility of monitoring lending risk profile of the holding company. In order to maintain healthy growth of the credit portfolio, the Bank's Credit Risk Management processes are consistently upgraded and improved to meet future challenges.

The holding company strategy is to minimize credit risk through product, geography, industry and customer diversification. Credit limits are established for all counter-parties after a careful assessment of their credit worthiness. An effective credit granting procedure, which requires pre-sanction evaluation of credit proposal, adequacy of security and pre-disbursement examination of charge documents is in place and managed by Credit Risk Group (CRG), Risk Management Group (RMG) and Credit Administration Department (CAD). The holding company maintains a sound portfolio diversified in nature to counter the risk of credit concentration and further confines risk through diversification of its assets by geographical and industrial sector. For managing impaired assets in the portfolio, the holding company and BIPL follows the Prudential Regulations and Risk Management guidelines issued by SBP and the Remedial Management Policy approved by the Board.

### 47.1.1 Credit risk: Standardised Approach

The holding company has adopted the Standardised Approach of Basel II for risk weighing its Credit Risk Exposures.

The following table illustrates the approved External Credit Assessment Institutions (ECAIs) whose ratings are being utilised by the Bank with respect to material categories of exposures:

| Exposures                | VIS          | PACRA        | MOODY'S      | FITCH        | S&P          |
|--------------------------|--------------|--------------|--------------|--------------|--------------|
| Corporate                | $\checkmark$ | $\checkmark$ | -            | -            | -            |
| Banks                    | $\checkmark$ | $\checkmark$ | $\checkmark$ | $\checkmark$ | $\checkmark$ |
| SME's (retail exposures) | $\checkmark$ | $\checkmark$ | -            | -            | -            |
| Sovereigns               | $\checkmark$ | $\checkmark$ | $\checkmark$ | $\checkmark$ | $\checkmark$ |
| Securitisations          | N/A          | N/A          | N/A          | N/A          | N/A          |

For the year ended December 31, 2024

The holding company has used Issue Specific Ratings for rating / risk weighing Issue Specific Exposures and Entity Ratings for rating / risk weighing claims against specific counterparties. Both short and long term ratings have been used to rate corresponding short and long term exposures. For this purpose, Mapping Grid has been provided by SBP as given below:

### Long - Term Ratings Grades Mapping

| SBP Rating Grade | PACRA                   | VIS                     | Fitch                   | Moody's                  | S&P                     | ECA Scores |

| S4               | Others | Others | Others | Others  | Others    |

### 47.1.2 Policies and processes for collateral valuation and management as regards Basel II

For Credit Risk Mitigation purposes the holding company uses only the eligible collaterals under Comprehensive Approach of Credit Risk Mitigation under Standardised Approach as prescribed by SBP under Circular No. 08 dated June 27, 2006, which includes Cash and Cash Equivalent Securities including Government Securities like Cash Margins, Lien on Bank Accounts, Foreign Deposit Receipts, Term Deposit Receipts, Pledge of Defense Saving Certificates, Regular Income Certificates, Special Saving Certificates, Market Treasury Bills and Pakistan Investment Bonds etc. and Shares, Term Finance Certificates (TFCs) and Mutual Funds Listed on the Main Index.

For the year ended December 31, 2024

Under the Bank's policy all collaterals are subject to periodic valuations to monitor the adequacy of margins held. Shares / Marketable securities are valued by the Bank on daily basis to calculate the Drawing Power (DP). In case of any shortfall in the requisite margins, the DP is adjusted to the appropriate level and the business units are informed to take appropriate action as per the agreement with the customer.

Particulars of bank's significant on-balance sheet and off-balance sheet credit risk in various sectors are analysed as follows:

#### 47.1.3 Lendings to financial institutions

| ere and the second s |                |            |                         |        |                                        |         |         |        |

### 47.1.9 Sensitivity of ECL to Future Economic Conditions

The ECL are sensitive to judgements and assumption made regarding formulation of forward-looking scenarios and how much such scenarios are incorporated into calculations. The Bank performs sensitivity analysis on the ECL recognised on each of its segments.

The table below shows the loss allowance on each segment assuming each forward-looking scenario (e.g. improved, base and worst) were weighted 100 percent instead of applying scenario probability across the three scenarios.

### 47.2 Market Risk

Market risk is the risk of loss due to adverse changes in interest rates, foreign exchange rates, equity prices and market conditions. From the perspective of the Group, market risk comprises of interest rate risk, foreign exchange risk and equity position risk, which the Group is exposed to in its trading book.

The Group has an approved market risk policy wherein the governance structure for managing market risk, measurement tools used and the market risk exposure limits have been addressed. The Group's strategy for managing market risk is to relate the level of risk exposures to their risk appetite and the capital at hand.

The Board of Directors (BoD) and the Asset and Liability Committee (ALCO) are responsible for addressing market risk from a strategic perspective and are assisted by the market risk function in meeting these objectives.

The Market Risk Unit reports directly to Head ERM and is responsible for ensuring the implementation of market risk policy in line with the Group's strategy.

Risk reporting undertaken by the market risk function includes:

- a) Portfolio Reports;
- b) Limit monitoring reports;
- c) Sensitivity analysis; and
- d) Stress testing of the portfolio.

Currently, the Group is using the market risk standardised approach for the purpose of computing regulatory capital, the details of which are set out above.

### 47.2.2 Foreign Exchange Risk

Main objective of foreign exchange risk management is to ensure that the foreign exchange exposure of the Group lies within the defined appetite of the Group.

Daily reports are generated to monitor the internal and regulatory limits with respect to the overall foreign currency exposures. The overall net open position, whether short or long has the potential to negatively impact the profit and loss depending upon the direction of movement in foreign exchange rates.

Foreign exchange open and mismatched positions are marked to market on a daily basis.

Currency risk arises where the value of financial instruments changes due to changes in foreign exchange rates. In order to manage currency risk exposure the bank enters into ready / spot, forward and swap transactions with the State Bank of Pakistan (SBP) and in the interbank market. The Group's foreign exchange exposure comprises of forward contracts, foreign currencies cash in hand, balances with banks abroad, foreign placement with SBP and foreign currencies assets and liabilities. The net open position is managed within the statutory limits, as fixed by SBP. Counter parties limit are also fixed to limit risk concentration. Appropriate segregation of duties exists between the front and back office functions while compliance with the net open position limit is independently monitored on an ongoing basis.

### 47.2.3 Equity position Risk

Equity positions in the banking book include Investment in equities that are available-for-sale or held for strategic investment purposes. These investments are generally regarded as riskier relative to fixed income securities owing to the inherent volatility of stock market prices. The Group mitigates these risks through diversification and capping maximum exposures in a single company, compliance with regulatory requirement, and following the guidelines laid down in the Group's Investment Policy as set by the Board of Directors (BoD). The Bank follows a delivery versus payment settlement system thereby minimizing risk available in relation to settlement risk.

For the year ended December 31, 2024

Equity price risk is managed by applying Portfolio level limits and scrip-wise stop loss monitoring.

### 47.3.2 OPERATIONAL RISK

The Bank currently uses Basic Indicator Approach to Operational Risk for regulatory capital calculations. A comprehensive ORM Framework approved by the Board of Directors is in place which addresses all significant aspects of ORM. Operational Risk identification and assessment tools used by the Bank include Risk and Control Self Assessments (RCSAs), Key Risk Indicators (KRIs) and Incident Management and Data Collection. Operational Risk Champions have been nominated from all departments of the Bank and are responsible for implementation of the Framework in coordination with the ORM department. An Operational Risk Management Committee (ORMC) monitors and oversees operational risk issues.

To inculcate the operational risk management culture at the Bank, Operational Risk Management function imparts operational risk awareness to all the new employees of the Bank as part of the induction training along with the mandatory training for all employees of the Bank via the Bank's online learning portal.

The Business Continuity Management (BCM) framework is in place and the plans are regularly tested to provide assurance that key functions of the Bank are able to continue their operations from alternate processing site(s) in case the primary site(s) are not accessible or available.

### 47.4 Liquidity risk

Liquidity risk is the risk that the Group will not be able to raise funds to meet its commitments. The Bank's Asset and Liability Committee (ALCO) manages the liquidity position on a continuous basis.

The Group's policy for liquidity management is to maintain adequate liquidity at all times and in all currencies under both normal and stress conditions, to meet its contractual and potential payment obligations without incurring additional and unacceptable cost to the business.

Treasury is responsible for the managing liquidity risk under the guidance of Asset-Liability Committee of the Group. The Group's liquidity risk management approach starts at the intraday level (operational liquidity) managing the daily payments queue and factoring in our access to the qualifying securities of State Bank of Pakistan. It then covers tactical liquidity risk management dealing with the access to unsecured funding sources and the liquidity characteristics of our asset inventory (asset liquidity). Finally, the strategic perspective comprises the maturity profile of all assets and liabilities on our statement of financial position.

For monitoring and controlling liquidity risk, the Group generates a scenario sensitive maturity statement of financial position, and run controlled mismatches that are monitored and discussed by ALCO members regularly. The Group prepares various types of reports and analysis for assisting ALCO in taking necessary strategic actions for managing liquidity risk in the Group. These include liquidity ratios, Concentration analysis, Gap reports, Stress testing, Liquidity Coverage ratio & Net Stable Funding Ratio analysis etc.

Based on December 31, 2024 numbers LCR is 257.13%. against SBP minimum requirement of 100%, with Total Stock of High-Quality Liquid Assets (HQLA) of Rs. 517,736.2 million and Net Cash Outflows of Rs. 201,355 million.

Furthermore, Based on December 31, 2024 numbers the NSFR is 200.86% against SBP minimum requirement of 100%, with Total Available Stable Funding of Rs. 1,060,751 million and Total Required Stable Funding of Rs. 528,103 million.

The Group strategically emphasizes diversification and stability in its funding approach. Its funding base is varied, encompassing stable sources like equity, subordinated loans, retail and small business deposits, and less stable forms such as deposits from larger entities. It is fully compliant with Basel III Liquidity Coverage Ratio (LCR) and Net Stable Funding Ratio (NSFR), ensuring an ample supply of high-quality liquidity assets relative to liabilities.

The Group employs stress testing to assess its balance sheet's vulnerability to hypothetical stress events. Liquidity risk factors undergo significant shocks, and their impact on the balance sheet is quantified. Stress testing encompasses scenarios defined by both regulatory standards and internally identified risks. Results are communicated to senior management, the Board of Directors, and regulators.

A Contingency Funding Plan (CFP) is in place to address liquidity challenges during crises. CFP identifying stress scenarios and corresponding funding plans, incorporating early warning indicators. Three Contingency Levels are defined in CFP with varying action Plans for each.

The Liquidity Coverage Ratio's (LCR) key drivers include High-Quality Liquid Assets (HQLA) and Net Cash Outflow, determined by asset liquidity quality and liability profile volatility. The composition of HQLA as of December 31, 2024, is detailed as below:

Level 1 Assets: Rs. 518,128 billion Level 2 Assets: Rs. 2,410 billion

#### 48. DERIVATIVE RISK

The policy guidelines for taking derivative exposures are approved by the Board of Directors (BOD). The Bank's Asset & Liability Committee (ALCO) is responsible for reviewing and managing associated risks of the transactions.

The nature, scope and purpose of derivatives business, for trading purposes or hedging purpose and the types of derivative in which they deal.

The overall responsibility for offering derivative products and sustaining profitability lies with the Treasurer and in his absence with his delegate. The Market Risk / Treasury Middle Office of the Bank is responsible for measurement & monitoring of the market risk exposures, analysis of present and potential risk factors.

The Market Risk Unit also monitors associated Credit, Market and Liquidity Risk in line with Board of Directors approved limit framework. The unit coordinates with the business regarding approvals for derivatives risk limits and produces various reports / analysis for ALCO / BRMC on periodic basis. These reports provide details of outstanding un-hedged positions, profitability and status of compliance with limits. Treasury Operations records derivatives activity in the Bank's books and is responsible for reporting to the SBP.

The derivative transaction such as Cross Currency Swaps carries credit risk which is the risk that a party to a derivative contract will fail to perform its obligation. There are two types of credit risk associated with derivative transactions; 1) settlement, and 2) pre-settlement risk. The Bank's Central Credit Committee is responsible for reviewing and managing associated Counterparty Credit Risks of the transaction.

The Bank has also entered into Foreign Currency & Commodity Options from its Wholesale Banking Branch Bahrain for market making activities. The Bank can hedge its risk by taking on & off-balance sheet position in interbank market, where available.

#### 49. GENERAL

- **49.1** Corresponding figures have been re-arranged / re-classified, wherever necessary, to facilitate comparison in the presentation in the current period. However, there are no material re-arrangements / re-classifications to report.
- **49.2** The figures in these consolidated financial statements have been rounded off to the nearest thousand unless otherwise stated.

#### 50. DATE OF AUTHORISATION FOR ISSUE

These consolidated financial statements were authorised for issue by the Board of Directors of the Bank in their meeting held on February 28, 2025.

#### **For Appointing Proxies**

- In the case of individuals, the account holder and/or sub-account holder whose registration details are uploaded as per the CDC Regulations shall submit the proxy form as per the above requirements.
- The proxy form shall be witnessed by two persons, whose names, addresses and CNIC numbers shall be mentioned on the form.
- Attested copies of the CNIC or the passport of beneficial owners and the proxy shall be furnished with the proxy form.
- The proxy shall produce his original CNIC or original passport at the time of the Meeting.

• In the case of the corporate entity, the Board's resolution/power of attorney with specimen signature shall be furnished (unless it has been provided earlier) along with a proxy form to the Bank.

#### **Election of Directors**

- The Board of Directors of the Bank has fixed the number of directors to be elected as seven (07) for the term of three years with effect from March 28, 2025.
- As per provisions of Regulation No. 7A of the Listed Companies (Code of Corporate Governance), Regulation, 2019 ("CCG-2019"), it is mandatory that voting for the election of directors of the Bank shall be held separately for the following three categories:

| S. No. | Category             | Seats |
|--------|----------------------|-------|
| 1      | Female Director      | 1     |
| 2      | Independent Director | 2     |
| 3      | Other Director       | 4     |
|        | Total                | 7     |

- Any person/member, whether a major shareholder or a minority shareholder, who seeks to contest the election to the office of the director ("the Candidate"), whether he/she is a retiring director or otherwise, is encouraged to file, a notice of intention with the Bank at its registered office, not later than fourteen days before the date of the meeting at which elections are to be held.
- Any person/member who seeks to contest for election in the category of independent director or a female director should mention only one category (either female or independent) in which he/she intends to contest for the election of director.
- The following documents are required to be submitted along with notice of intention to contest election of directors:
  - a. Notice of his/her intention to offer himself/herself for election as director in terms of Section 159(3) of the Act and Regulation 7A of CCG-2019. The Candidate should also confirm that:
    - He/she is not ineligible to become a director of the Bank under any applicable laws and regulations (including but not limited to the Act and SBP's Regulations)
    - Neither he/she nor his/her spouse is engaged in the business of brokerage or is a sponsor, director, or officer of a corporate brokerage house
    - He/she is not serving as a director in more than seven listed companies simultaneously.
    - A person contesting for the position of Independent Director must also submit a declaration confirming that he/she meets the eligibility and independence criteria outlined in the CGRF, the Companies Act of 2017, and the associated rules and regulations.
  - b. Consent to act as director on Appendix to the Form-9 (of the Companies Regulations, 2024) under Section 167 of the Act.
  - c. A detailed profile of the Candidate including his office address (the same will be placed on the Bank's website as per requirements of SECP's notification S.R.O. 1196 (I)/2019 dated 3rd October 2019).
  - d. Proforma Fit & Proper Test, Affidavit on Non-Judicial Stamp Paper, and duly completed Questionnaire for accessing "Fit & Proper Test" attached to the Corporate Governance Regulatory Framework ("CGRF") issued by the State Bank of Pakistan ("SBP") vide BPRD Circular No. 5 dated November 22, 2021.
  - e. National Tax Number (NTN), attested copy of CNIC/Passport, degrees/certificates and experience certificates from previous employers/institutions etc. (Please note that the Bank

reserves the right to obtain confirmation/verification of degrees/certificates/documents etc. in compliance with law/regulations. The Candidates are required to provide written authorization(s) to their concerned educational institution(s) to provide required verification (s) directly to the Bank, in order to assist the Bank in this regard).

- f. Details of family members (spouse, lineal ascendants and descendants and siblings including stepfather, stepmother, stepson, stepdaughter, stepbrother or stepsister, if any) along with a copy of their CNIC/Passport. Attested copy of Income Tax Clearance Certificate, (where applicable)
- As per provisions of Regulation No. 4(1) (A) of Companies (Postal Ballot) Regulations, 2018, the right to vote through the electronic voting facility and voting by post shall be provided to the members, if the number of persons who offer themselves to be elected is more than the number of directors fixed i.e. seven (7).
- As per Section 153(i) of the Act, a director is required to be a member of the Bank. The candidate is required to advise his/her Folio/CDC subaccount and Participant ID number.
- In terms of the CGRF, prior clearance in writing from SBP is required for the appointments of Directors. The Candidates are requested to read the same and other relevant provisions/requirements relating to the appointment/election of directors, as mentioned in the Companies Act, 2017 and the Listed Companies (Code of Corporate Governance) Regulations, 2019, and SECP S.R.O. 906 (I)/2023 dated July 7, 2023 (amendments in CCG-2019) and ensure compliance with the same in letter and spirit.

## STATEMENT OF MATERIAL FACTS UNDER SECTION 166(3) OF THE COMPANIES ACT, 2017:

This statement sets out the material facts pertaining to the justification for choosing the appointee for appointment as an independent director to be elected at the Annual General Meeting of JS Bank Limited ("the Bank") to be held on March 28, 2025. The Board of Directors of the Bank has fixed the number of directors to be elected as seven (07) for the term of three years with effect from March 28, 2025. In terms of the provisions of clause G-6(1)(b) of the CGRF and the sub-clause 6(1) of CCG-2019, the Bank shall have at least two (2) independent directors, which is one-third of the total number fixed by the Board. The independent directors will also be elected through the process of election of directors in terms of Sections 159 and 166(1) of the Act and they shall meet the criteria laid down under Section 166(2) of the Act and the Companies (Manner and Selection of Independent Directors) Regulations, 2018. It will be ensured that the name of the independent director is available in the databank of independent directors being maintained by the Pakistan Institute of Corporate Governance ("PICG"). The present Directors of the Bank have no interest in the above business except their eligibility for re-election as directors of the Bank.

#### Procedure For E-Voting & Voting Through Postal Ballot

In accordance with the Companies (Postal Ballot) Regulations, 2018, Section 143 and 144 of the Companies Act 2017 and under Postal Ballot Regulation, 2018, latest amendments notified through SRO dated December 05, 2022, SECP has directed all listed companies to arrange for postal ballot/e-voting for the purpose of polling on Special Business/election of directors, if the number of persons who offer themselves to be elected is more than the number of directors fixed under Section 159 (1) of the Companies Act, 2017. Accordingly, shareholders will be allowed to exercise their right to vote through postal ballot i.e. by post or e-voting, in the manner and subject to the conditions contained in the aforesaid regulations. Details will be circulated in due course.

#### Appointment of Scrutinizer

Under Regulation 11 of the Regulations, the Board of the Bank has appointed M/s PKF F.R.A.N.T.S., Chartered Accountants, (a QCR-rated audit firm) to act as the Scrutinizer of the Company for the election of directors/special business to be transacted in the meeting and to undertake other responsibilities as defined in Regulation 11A of the Regulations.

#### Notice to Shareholders who have not provided CNIC:

The Companies (Distribution of Dividends) Regulations, 2017 requires that the dividend warrants should bear the Identification Number which includes: (i) in the case of a registered shareholder or an authorized person, the Computerized National Identity Card Numbers (CNIC); (ii) in the case of a minor, child registration number or juvenile card number; and (iii) in the case of corporate shareholders registration number or national tax number. The Identification Number of the shareholders is, therefore, mandatory for the issuance of dividend warrants, and in the absence of such information, payment of dividends may be withheld in terms of the Companies (Distribution of Dividends) Regulations, 2017. Therefore, the shareholders who have not yet provided their Identification Numbers are advised to provide their Identification Numbers (if not already provided) directly to our Independent Share Registrar at the address given herein above without any further delay.

#### Placement and Electronic Transmission of Financial Statements & Notices

The Bank has placed the annual Audited Financial Statements for the year ended December 31, 2024, along with the Auditors and Directors' Reports on its website: <a href="https://jsbl.com/knowledge-center/financial-reports/">https://jsbl.com/knowledge-center/financial-reports/</a> as required under Section 223(7) of the Companies At, 2017.

Further, the Bank's Annual Report for the year ended December 31, 2024, is transmitted to the shareholders at their email address registered with the Share Registrar.

Under Section 223(6) of the Companies Act, 2017, listed companies are allowed to send the Audited Financial Statements, etc. through an electronic mail system (e-mail). The members are hereby requested to convey their consent via email on a standard request form which is available at the Bank's website i.e. <a href="https://www.jsbl.com/knowledge-center/investor-information/">https://www.jsbl.com/knowledge-center/investor-information/</a> Please ensure that your email account has sufficient rights and space available to receive such an email that may be greater than 1 MB in size. Members can request a hard copy of Audited Financial Statements which shall be provided free of cost within seven days from the date of requisition. Further, it is the responsibility of the member(s) to timely update the Share Registrar of any change in his (her/its/their) registered email address at the address of the Bank's Share Registrar mentioned above.

#### Mandate for E-DIVIDENDS for shareholders

Under the provisions of Section 242 of the Companies Act, 2017, it is mandatory for a listed Company to pay cash dividends to its shareholders only through electronic mode directly into the bank account designated by the entitled shareholders. In order to receive dividends directly into their bank account, shareholders are requested to fill in the Electronic Credit Mandate Form available on Bank's website and send it duly signed along with a copy of CNIC to the Registrar of the Bank M/s. CDC Share Registrar Services Limited, CDC House, Shahra-e-Faisal, Karachi in case of physical shares. In case shares are held in CDC then Electronic Credit Mandate Form must be submitted directly to the shareholder's broker/participant/CDC account services.

#### Deduction of Income Tax from Dividend at Revised Rates

Pursuant to the provisions of the Finance Act deduction of income tax from dividend payments shall be made on the basis of filers and non-filers as follows:

| S.No | Nature of Shareholders          | Rate of deduction |
|------|---------------------------------|-------------------|
| 1    | Filers of Income Tax Return     | 15%               |
| 2    | Non-Filers of Income Tax Return | 35%               |

Income Tax will be deducted based on the Active Tax Payers List posted on the Federal Board of Revenue website.

Members seeking exemption from deduction of income tax or are eligible for deduction at a reduced rate are requested to submit a valid tax certificate or necessary documentary evidence, as the case may be.

#### **Conversion of Physical Shares into Book Entry Form Shares**

The attention of the shareholders, having shares in physical scrips of the Bank, is invited towards Sub Section (2) of Section 72 of the Act. As per provisions of the above Section, every existing company is required to replace its physical shares with book-entry form in a manner as may be specified and from the date notified by the Commission, within a period not exceeding four years from the commencement of the Act i.e. May 31, 2017. Given the above and as per the instructions issued by SECP vide its Letter No. CSD/ED/Misc./2016-639-640 date March 26, 2021, such shareholders are requested to arrange to convert their shares held in physical form into book-entry-form. For this purpose, the shareholder shall be required to open an account with either the Central Depository Company (CDC) or any Trading Rights Entitlement Certificate holder (Securities Broker) of the Pakistan Stock Exchange. The benefits associated with the Book-Entry-Form shares include "readily available for trading, whereas trading of physical scrips is currently not permitted", "no risk of damaged, lost, forged or duplicate certificates", "reduced stamp duty on physical to book-entry-form transfers", "Instantaneous transfer of ownership", "Instant receipt/credit of dividends and other corporate entitlements (i.e. bonus, rights and new issues, etc.)" and convenient pledging of securities, etc.

#### STATEMENT OF SPECIAL BUSINESS UNDER SECTION 134(3) OF THE COMPANIES ACT, 2017

This statement sets out the material facts about the special business to be transacted at the Annual General Meeting of JS Bank Limited (the "**Bank**") to be held on March 28, 2025.

#### Investment of up to PKR 606 million in a Real Estate Investment Trust Fund

JS Bank intends to invest by transferring 5 properties currently parked in the non-banking assets to the Real Estate Investment Trust (REIT) Fund which will be managed by JS Investments Limited (JSIL), a subsidiary of the Bank.

Out of the total investment of PKR 606 million, PKR 467 million will be in the form of property contribution while PKR 138 million will be contributed as cash to cover initial REIT expenses and transfer tax-related expenses along with meeting development costs. 100% of the total units of the REIT Fund will be issued to the Bank against the above-mentioned properties and cash contribution. The details of the target properties are as under:

(PKR in Millions)

Passport No. \_\_\_\_\_\_ Signature \_\_\_\_\_\_

#### **Important Note**

- 1. A member of the Bank entitled to attend and vote may appoint another member as his / her proxy to attend and vote instead of him/her.
- 2. The proxy form, duly completed and signed, must be received at the Office of the Bank situated at Shaheen Commercial Complex Dr. Ziauddin Ahmed Road, Karachi 74200 not less than 48 hours before the time of holding the meeting.
- 3. No person shall act as proxy unless he/she himself is a member of the Bank, except that a corporation may appoint a person who is not a member.
- 4. If a member appoints more than one proxy and/or more than one instrument of proxy is deposited by a member with the Bank, all such instruments of proxy shall be rendered invalid.
- 5. The Beneficial Owner of the physical shares and the shares registered in the name of CDC Share Registrar Services Limited (CDCSRSL) and/or their proxies are required to produce their original Computerized National Identity Card (CNIC) or Passport for identification purposes at the time of attending the meeting. The Form of proxy must be submitted with the Bank within the stipulated time, duly witnessed by two persons whose names, addresses and CNIC numbers must be mentioned on the form, along with attested copies of CNIC or the Passport of the beneficial owner and the proxy. In the case of a corporate entity, the Board of Directors' Resolution / Power of Attorney along with the specimen signature shall be submitted (unless it has been provided earlier along with the proxy form to the Bank).
