

# JS LARGE CAP. FUND

## BUILT ON GIANTS!

JSLCF offers investors access to competitive, equity-based performance through disciplined and prudent investment management. The Fund maintains a diversified portfolio of listed large-cap companies, each with a market capitalization exceeding PKR 1 billion — focusing on established industry leaders with strong fundamentals and growth potential.

## WHAT IS JSLCF?

JSLCF is an open-end Equity Fund that invests in large-cap stocks with market capitalizations above PKR 1 billion. The Fund aims to deliver attractive long-term returns by capturing opportunities in the stock market, while recognizing and managing the risks associated with equity investments.
